Dean's List Announced; 10 Students Achieve All A's

The Dean's List for the Summer Session has been released by Dean Clarence Maze, Jr. The student must make a point average of 3.2 or more on 9 semester hours.

Those achieving straight A's are: Linda Canterbury, Elkview; Judith Cropper, Sprague; Harold C. Cunningham, Glenville; Robert Martin, Whitesville; Sharon Phares, Cedarville; Susan Pitts, Grantsville; Kathryn Shaver, Gassaway; Judith Stalnaker, Letter Gap; Susan Terry, Ansted; and Charles Wilcoxon, Little Hocking, Ohio.

Those whose average was 3.2 or better are: Edgar Backus, Harrisville; Margaret Ball, Grantsville; Joyce Bean, Weston; James A. Bleigh, Flatwoods; Katrina Boggs, Gassaway; Mary Bredon, Vienna; Pamela Brown, Orlando; Mary Chatten, Leon; Juanita Chrisman,

Gassaway; Della Cole, Leivasy; Doris Conley, Chloe; Barbara Cruikshanks, Gassaway; Dennis Cunningham, Glenville; Avonell Davis, Glenville; Janis Derby, Glenville; Vivian Dye, Parkersburg.

Sandra Elmore, Walton; Sharon Fisher, Vienna; Sandra Gear, Huttonsville; Maude Geary, Sutton; Melanie Gettmann, Parkersburg; Frank Gregis, Clarksburg; Terrence Hamilton, Marietta; William Hanna, Richwood; Leona Hardman, Vienna; Sally Hardman, Glenville; Mary Lou Hart, Parkersburg; Marcia Heater, Weston; Sheldon Hinkley, Grantsville; Diana Jarrell, Sutton; Judith Jay, Bridgeport; Thomas Knotts, Stumptown; Betty Lambert, Arbovale; Avela McElwain, Gassaway.

Pandora Marlow, Sutton; Opal Marsh, Alum Ridge; Douglas Morrison, Richwood; Lois Pierce, Glenville; Jane Powell, Glenville; Donna Pratt, Harrisville; Irelan Queen, Ravenswood; Donald Ratliff, Glenville; Vickie Ratliff, Charleston; Barbara Rhoades, Clarksburg; Ada Rose, Birch River; Karen Roten, Glenville; Nancy Schiefer, Gassaway; Deborah Shackelford, Weston; Barbara Shomo, Gassaway; Judith Shreve, Buckhannon; Karen Stalnaker, Glenville; Violet Stoneking, Walker; James Stotts, Spencer; Deborah Swimm, Pineville; Jacqueline Tawney, Glenville; Katherine Triplett, Sand Fork; Barbara Tyree, Glenville; Robert Viers, Buckeye; Patricia Ware, Grantsville; and David Wilson, Grantsville.

Concert Choir Has 22 New Members

This year's freshman class has added eighteen members to Glenville State's concert choir. Mr. James Baldwin, director of vocal music is pleased to announce that the concert choir has thirty-nine members of which twenty-two are new.

The music department holds open auditions at the beginning of every semester in order to add new talent and they seem to have hit an all time high this year.

The new members ranging from every class major are: Michelle Boggs, Debbie Erwin, Eileen Fisher, Mary Prather, Barbara Sholes, Betty Jo Snider, Gordon Allen, Andy Harper, Greg James, Larry Jones, Bea Brown, Sherry Horne, Martha Law, Sharon Manning, Kathy Poling, Barbara Rhoades, Pam Stout, Jackie Stricker, Greg Badgett, Danny Beall, Terry Hoskinson, and Stanley Taylor.

The returning members are: Trish Barnhouse, Connie Cottrill, Carol Dennison, Pam Greynolds, Martha Harmon, Peggy Jo McDonald, Brenda Steel, Jan Derby, Danny Taylor, Mary Baldwin, Tonda Devol, Cathy Rader, Phoebe Sunderland, Rose Young, Dave Bush, John McKinney, and Dale Miller. The choir elected Danny Taylor as President, Dave Bush as Vice-President, and Trish Barnhouse as Secretary. The piano accompanist is Mike Barnhouse and the assistant accompanist is Jackie Stricker.

Mrs. Goldine Hickman

English Instructor Killed In Accident

Mrs. Goldine Hickman, an English instructor at Glenville State College, was killed in a two-car, head-on collision south of Clarksburg on Friday, September 15. Two colleagues, Mary Kennedy and Genevieve McDaniel, were injured in the accident, which occurred on U.S. 19 about seven miles south of Clarksburg. Mrs. McDaniel is an instructor in English at GSC, and Miss Kennedy is a librarian.

Mrs. Hickman received her A.B. degree from Marshall University and her M.A. from WVU. She was a member of Delta Kappa Gamma Honorary Sorority, a member of the American Association of University Women, past member and director of ACT, a member of the National Council of Teachers of English, a member of WVEA and NEA, a member of the Glenville Women's Club and the Glenville Presbyterian Church.

President D. Banks. Wilburn announced this week that the Board of Regents has approved a \$12,000 allocation to the Robert F. Kidd Library for the fall semester of the academic year.

This is a supplemental allocation for library books which comes from a special fund entitled "Higher Education Library Resources and Instructional Materials."

Glenville State College will be spending for library books and instructional materials in the library \$63,000. The budget for the library is \$51,000 plus the \$12,000 allocation.

The purpose of this allocation is to eliminate any existing deficits and to bring libraries all over the state up to the standards of the American Library Association.

The Homecoming Court of 1972 include front row (left to right), Beatrice Brown and Diana James. Second row (left to right), Sandy Suran, Queen Judy Bias, and Joyce Paugh.

Pictured above are Miss Bertha E. Olsen and Dr. Delmar K. Somerville, who retired last year, and are now Professors Emeriti.

The ACT Test is required of all entering freshmen at Glenville State College. A number of freshmen failed to complete the test during their senior year in high school.

Applications will be available at the Office of Student Affairs during the week of September 25th. The last date to make application is October 2. The test will be conducted on October 21, 1972.

Student records will not be released until a record of the test is on file in the Registrar's Office. For details, see Mr. Kermit Kinder in the Office of Student Affairs.

Mr. Tom Winner, democratic candidate for Secretary of State, appeared in room 307-A on September 19th. He is opposed in the election by Mr. Edgar Heisal of Morgantown.

Mr. Winner, a Raleigh County native, discussed the Youth Election Service (YES). The purpose of YES would be to provide an educational experience for students and others in the election process of West Virginia, and to prevent election fraud.

Mr. Kenny Jo Smith provided background information and a question and answer period followed.

Cossacks Appear September 26, '72

The Cossack Chorus and Dancers will be on campus, September 26 at 8 p.m. in the auditorium. I.D. cards will be used for admission.

This season brings the 21st anniversary tour of the famous Gen. Platoff Don Cossack Chorus and Dancers, an attraction that is becoming as familiar a part of the American scene as the National Baseball League or the Ringling Brothers' Circus. Season after season, the dashing Cossacks sing their musical journeys across the land, winning new fans, please old ones with their stirring music making.

The Cossacks are all now American citizens. In 21 years of singing 3500 concerts in the United States, they have only missed one performance, probably a unique record in show business. This schedule also represents more than 800,000 miles of travel.

Their program here will be a varied one including liturgical music, folk songs, love songs, Cossack battle songs and dances, and a group of English songs. In addition they will present the authentic dances of the Cossack regiments, national dances and

the thrilling Cossack sword dances "Lezginka".

The Platoff Don Cossack Chorus was originally organized in the capital of Czechoslovakia, Prague, in 1933. Ever since its inception the Chorus has been headed by Mr. Nicholas Kostrukoff who acted simultaneously as the chorus leader and as its administrator.

The membership of the Chorus has always comprised the best of the vocal talent obtainable among the White Russian emigres who fought Communism in Russia as early as 1918-1920 and who actually may be considered as the pioneers in the fight against the World Communism.

Since 1933 the Chorus has toured all five continents and has nineteen times crossed the equator in places like Atlantic, Pacific and the Indian Oceans, as well as in Sumatra and in the Republic of Equador.

The Chorus first came to the U.S. on January 3rd, 1938, arriving in Seattle from Honolulu, and during its thirteen-year stay in this country has given more than sixteen hundred concerts.

Judy Bias Elected To Reign As Queen

Homecoming elections were held last week here at Glenville State College for the purpose of selecting the queen and court to reign over Homecoming 1972. Homecoming dates are October 13-14.

Miss Judith Elaine Bias was elected the 1972 Homecoming Queen. Miss Bias is a 1968 graduate of Scott High School and she is a senior Art Education Major. She is the daughter of Mr. and Mrs. Vesford A. Bias of Hewett, W. Va. She is a member of the Sigma Sigma Sigma sorority.

Miss Sandra Lee Suran will represent the senior class in the Homecoming festivities. Miss Suran is the daughter of Mr. and Mrs. Paul Suran of Kittanning, Pennsylvania, where she graduated from Elderton High School. She is an English major and a member of the Delta Zeta sorority.

Miss Joyce Mane Paugh will represent the junior class as princess. Miss Paugh is a graduate of Buckhannon-Upshur High School and she is the daughter of Mr. Rachael Butcher of Buckhannon. She is a Library Science major and a member of the Delta Zeta sorority.

Miss Diana Kay James was elected as sophomore Homecoming princess. Miss James is a graduate of Herbert Hoover High School and is the daughter of Mr. and Mrs. Robert C. James of Clendenin. Miss James is an English major and a member of the Delta Zeta sorority.

Miss Beatrice Wade Brown was elected as freshman princess. Miss Brown is the daughter of Mr. and Mrs. Vernon P. Brown of Parkersburg and is a 1972 graduate of Parkersburg High School. She is a Secretarial Studies major and a member of BUT.

The Cossack Choir and Dancers, shown during one of their dances, will appear in concert September 26 at 8 p.m.

Slow Down-Via P.E. Bldg.

Umph! Oh! Sound familiar? Well it should to those who drive cars, particularly those who happen to drive through the area around the Physical Education building. The holes in the road are so bad that drivers almost have to come to a complete stop before easing down into the ditch across the road at the top of the hill. Since nothing has been done to repair the ditch after almost a month of school I think maybe I figured out the reasoning behind not repairing the ditch. One reason may be related to safety. Since the speed limit and school zone signs sometimes fail to slow some drivers down, someone must have assumed the ditch surely would. Well, they were right. The ditch zone has cut the 15 mile an hour zone down to almost zero.

Another reason that comes into mind is that maybe a survey is being conducted on the durability of tires, mufflers, and axles. Although the latter may not be the reason for not repairing the ditch, it would not be such a bad idea. Of course, one must keep plenty of spares available in case your tires fail to pass the durability test.

But, we all must realize that this area is densely traveled so we could not possibly expect those concerned to waste valuable time and blacktop to repair such an unimportant area.

I suggest that if these ditches could be dug at the entrance to all the parking areas that the parking problem on campus might well be solved.

So unless some of you drivers have not learned to obey the speed limit or have not tested the durability of your car parts, I suggest you spend a little more time behind the wheel and take the route up past the Union in hopes of reaching the parking lot adjacent to the Physical Education building.

Must Grass Roots Be Cancelled?

Dear Editor,

Last semester on April 5th, the first tickets were made available to the student body for a Grass Roots concert sponsored by the WGSC radio staff. To stimulate ticket sales, free record albums were given away with all reserve seats purchased before school ended in May.

Needless to say, the staff had a "tremendous" response - the incredible total of 43 tickets were immediately snatched up by the public, and our enthusiasm was only slightly dampened by the fact that less than half of the estimated 100 special reserve tickets had been sold.

WGSC asked the Student Congress last semester for a loan of \$1000 at 10% interest. The motion passed, however, it was later learned that there was no money available for such a loan. Ah, well...

What it boils down to is the fact that only 71 general admission tickets have been sold to date. The Grass Roots demand \$5000 (as nationally known groups do), but only \$570 of that goal has been reached. The concert has been called off; with only 28 days to go, \$4430 cannot be raised by October 20th.

Frankly, we don't know what happened. Everyone figured it would be a sell-out. But too, this could have been a much too ambitious venture for such a small organization, staff, school, etc. We realize that perhaps it's a little late now, but would anyone be interested in telling us what went wrong? We need a little reassurance at this point.

In closing, may I say that we, the staff of WGSC radio, do appreciate the people who did support us in this, our first production. We are ever-ready to be of service to the students of this campus; let's just hope the next time we'll be of service to ALL the students.

Toney Floyd
Music Director, WGSC

'72 Tri-State Red Cross Blood Drive Urges Majority Campus Participation

On Monday, Oct. 2, 1972, Mr. Richard D. Morrison, Director of Recruitment for the Tri-State Red Cross Blood Center, in Huntington, and Mrs. Bernadine Vasquez and Mrs. Hamilton from the Calhoun County Chapter of the American Red Cross will be on campus for a planning and promotional meeting to prepare for the blood drive on Thursday, Oct. 5th. This planning session will be held in the Student Congress office. As a part of the program, students, faculty, and staff are invited to attend the film, "Blood is Life: Pass It On."

The importance that a majority of the campus population participate in the blood donation becomes evident when one considers these following facts: 1) in all area hospitals, Gilmer County has exhausted their privilege to receive blood—Glenville is so far behind that a donor must be on the scene at the time someone needs blood, 2) many upper classmen here will remember Miss Susan Sears who last year

became ill and was in need of blood. Donors had to be called in on special occasions so that she might receive blood, 3) there also exists the ever-present danger that one of our athletes might need blood as a result of an accident on the playing field, and 4) anyone who may be in need of blood is eligible to receive it.

The donation center will be located in the Ballroom of the Pioneer Center, on Thursday, Oct. 5th. It should be mentioned at this point, again, that blood in Gilmer County is greatly needed; so IFC and the Panhellenic Council urge all students, staff, and faculty to participate in this worthy cause. Remember: better techniques in blood donorship have made this process painless.

Pictured above is Kim Jones, new vice-president of Sigma Sigma Sigma.

Greek News

Iota Omega Chapter of Tau Kappa Epsilon fraternity has announced the election of their officers for the first semester of this year. The results of the election are as follows: Phil Reale, Pryanis (Pres.), Rudy King, Epi-Pranys (V-Pres.), Mike Miller, Gram-mateus (Sec.), Phil Rastle, Hypo-phetes (Chaplin), Terry Moore, Pylor-tes (Sgt. of Arms), Steve Buffington, Histor (Historian), David Hewitt, Arysophylos (Tres.), Ed Reed, Hegeman (Pledge Trainer), and Kenny Morrison was voted to serve as House Steward.

An open house has been scheduled for Sept. 30th, to be held in the TKE Chapter House from 5:00-8:00 p.m. Parking space will be provided for all home football games by the fraters of TKE. The cost per car is one dollar. The lot which is to be utilized for parking, owned by Mr. Chester Westfall is located on Hunter St., one block east of Rohrbough Field.

On Oct. 1st, the fraters of Iota Omega Chapter will visit Mr. Bill Sellards at Charleston Memorial Hospital. Mr. Sellards is presently recovering from injuries received as a result of an auto accident.

LXA The brothers of Beta Beta Zeta of Lambda Chi Alpha fraternity are sponsoring a car wash this Saturday. The car wash will begin at 9:00 a.m. and will last till 5:00 p.m. The event is to be held at Chapman's car wash on Rt. 5, Glenville. The cost of the car wash will be as follows: Wash outside only-\$1.50 and wash inside and out-\$2.50 per car.

Lambda Chi has established a tradition of awarding the outstanding offensive and defensive football player a "player of the game" trophy. The two recipients of the award for last Saturday's game against W.Va. Tech were Scott Hamilton, (outstanding defensive player) and John Pratt, (outstanding offensive player).

The Inter Fraternity Council has announced that rush for all fraternities on campus has begun. Rush this semester was opened last Monday, Sept. 18. The rush program as delineated by IFC will consist of two weeks of formal rush followed by one week of open rush.

This semester each fraternity will have only one smoker. The schedule for each fraternity's smokers is as follows: Monday, Sept. 25th-LXA, 6 p.m., OLB Lounge; Tuesday, Sept. 26th Theta Xi: 6 p.m.-OLB Lounge; Thursday, Sept. 28th-TKE, 7:30 p.m., OLB Lounge.

All males students who are not classified as freshman are invited to attend these smokers. IFC would like to take this opportunity to invite all male students to become a part of the Greek system.

Alpha Sigma Alpha sorority is busy with plans for fall rush and the joint rush party. The girls held a rush workshop at Mona Floyd's home on Thursday, Sept. 21, to organize their plans for fall rush.

The sisters are also planning a Halloween party for the exceptional children of Glenville and the surrounding area.

Vickie Ratliff, a sophomore journalism-English major from Charleston was elected editor of the newsletter and scrapbook chairman at their September 18 meeting.

Alpha Sigma Alpha plans for homecoming include a float and a booth.

The girls are also having a closed dance following the Fairmont - Glenville game on September 30, at the Glenville recreation center. They will also participate in the IFC blood drive.

Delta Zeta is proud to announce that Holly Miller, a junior elementary education major from Fairmont, has transferred and assumed active membership in Theta Xi chapter from the Epsilon Iota chapter at Fairmont State College.

Rush school will be held on Sunday, Sept. 24, at 1:00 p.m. to finalize plans for the upcoming rush.

A new collegiate chapter of Delta Zeta has been formed at Wright State University at Dayton, Ohio. The Kappa Iota Chapter was installed on September 9 - 10.

SSS Sigma Sigma Sigma plans for Homecoming include having a float, a booth, and a Pancake Breakfast. The breakfast will be served on Saturday morning at 7:30 - 9:30 a.m. before the parade. The primary purpose of the breakfast is for the convenience of the out-of-town guests for the Homecoming festivities. Tickets will be sold.

The Sigmas are expecting a visit from their national collegiate chairman, Marge Stafford in the near future. The sisters are also helping with the Book Bank in the Ballroom on October 5.

Sigma Sigma Sigma has elected two new officers. Stephanie Chadwick, a sophomore Business Comprehensive major from Elkview, is the new Triangle correspondent, and Susie Cottrill, a sophomore math major from Weston is the new Walton House chairman.

There will be a Joint Rush Party on Sunday, Sept. 24 from 7:00-9:00 p.m. in the Pioneer Center Ballroom. All upperclass women interested in rush are invited.

Letters

Dear Editor,

I submit this article on the government documents section of Robert F. Kidd Library in hopes that it may appear in print. Its purpose is to clear up many false notions about one of the most important sections of the library.

I sincerely hope that my journalistic style is not too mediocre for your college publication. My experience results from high school newspapers.

Anytime I may be at your service concerning articles about the library please notify me. I'm a library science major and have worked here for two years now.

Sincerely yours,
Chuck Julian

The iron gate is imposing yet mysterious. What could lurk behind those portals? Dare I go in?

A description of a prison? No, but rather the most frequent impression that most people get when viewing the government documents depository at the Robert F. Kidd Library. There are many misconceptions which are attributed to the library and this very special collection.

Robert F. Kidd Library's depository contains a wealth of information which any student and faculty members do not use. Subjects covered by the materials in the depository range from agriculture, census reports, and congressional hearings to obscenity, juvenile delinquency, and equal employment opportunities. Almost any topic you can think of is covered by materials sent to the depository.

Since most of the materials are sent from the Government Printing Office, of which the Superintendent of Documents is the distributor, depositories find that the superintendent of Documents classification system is the easiest method to use in cataloging materials. The index to this system is the Monthly Catalog. It is found on the first floor of RFK library beside the Readers' Guide to Periodical Literature.

Retrieval of desired materials becomes simple once the number is found in the Monthly Catalog. If the library does not have the materials that the patron is requesting, it is possible to order them from the Government Printing Office in Washington.

The Sego Brothers and Naomi Concert will be given at 7:30 p.m. on Saturday, Sept. 30. Tickets are \$2 in advance, \$2.25 at the door. They are on sale now at the switchboard in the Administration Building.

Pioneers Crush Tech 35-6 Behind Anderson's Passing

The Glenville State Pioneers featuring an explosive offense and a stubborn defense, completely crushed the GoMen Bears of West Virginia Tech by a score of 35 - 6.

Facing the Techmen for the first time in the last six years, the Pioneers exploded for 28 points in the first half and then outlasted Tech for their second consecutive victory.

Chris Anderson had another great day passing, completing 15 of 25 passes for a total of 238 yards. Anderson's three first-half touchdown passes broke the game open.

Glenville scored the second time they got their hands on the ball. The Pioneers took the ball over on the 42 yard line and used a bruising running attack to put their first six points on the board. The touchdown came with seven minutes and 39 seconds left in the first quarter. John Pratt went up the middle 25 yards breaking several tackles to give Glenville a 7 - 0 lead. Chambers' extra point try was good. The drive took eight plays and carried 58 yards.

As in the first game the Pioneers were hurt by penalties and had one touchdown called back. However, on the very next play, the Blue Wave came right back and scored on a 24 yard hook up between Anderson and Les Facemyer. The drive carried 64 yards and 11 plays. Chambers' kick was good, and the first quarter ended with the Pioneers up 14 - 0.

The tough Pioneer defense held Tech once again and forced a punt which the Blue Wave took over on the 35. Glenville lost four on the next play, but the arm of Chris Anderson found Steve Buffington open for a 69 yard scoring play with 12 minutes 51 seconds left in the quarter. Chambers' kick was good and the Pioneers led 21 - 0.

Glenville's final touchdown of the half came with four minutes and 25 seconds left. The Pioneers recovered a Tech fumble on the 42 yard line.

On the next play Anderson hit Buffington for a 23 yard gain putting the ball on the 18 yard line. A quick hitter up the middle gained two. Then Anderson found Pratt alone in the end zone. The extra point try was good and the Blue Wave led 28 - 0 at the half.

The Pioneer defense did not allow the Techmen to enter the Glenville territory during the first half as Tech could only manage one first down. Chris Anderson connected on 10 of 15 passes for 210 yards during the first half action.

Coach Hanlin used many of his reserves during the second half and the play of action was pretty evenly matched.

Neither team showed much offense during the third quarter with neither team putting any points on the board.

Glenville scored its final touchdown of the game with ten minutes remaining. The Blue Wave marched 51 yards in seven plays. The scoring strike came on a 13 yard pass from Eddie Williams to Randy DeBastiani. Chambers conversion attempt was perfect making the score 35 - 0.

The Golden Bears entered Glenville's territory for the first time with five minutes and 20 seconds left. Tech scored its only touchdown of the game with four minutes left. Eric Ford went 22 yards around right end to give the Techmen their only six points.

The Pioneers ended up with 467 total yardage. Glenville had 216 yards rushing and 251 passing. Randy De Bastiani was the leading ball carrier for the Pioneers totaling 64 yards in 13 carries. John Pratt had a good day carrying the ball gaining 52 yards in seven carries. Les Facemyer also had another good game picking up 48 yards in seven carries.

Glenville held the Golden Bears to only 124 total yards. The Techmen had 79 rushing and 45 passing.

Have You Heard?

By Mike Rust

When the subject of teams playing best in the first or second halves is being discussed, I am sure that our football squad will be mentioned. So far this fall the Blue Wave has scored 56 points in the first half and only 14 points during the second half action. Against both Northwood and West Virginia Tech, the Pioneers looked like a national champion contender in the first half. But when the second thirty minutes started, the Pioneers looked like a different football team. If Glenville could perform the second thirty minutes started, the Pioneers would probably be averaging over fifty points a game. Just think what would happen if the Pioneers could put both halves together against Salem tomorrow night?

Many people have told me and I agree that this is the best looking Pioneer squad in the last few years. I feel that the key assets so far this season have been more speed in addition to the strong throwing arm of Chris Anderson. But the real plus has been the desire and effort shown by the whole squad. When the season started, most sportswriters stated that the Pioneers would be lucky to break even. Coach Hanlin and his staff did a great job of getting the players ready for the season, and it would not surprise me a bit if the Pioneers went undefeated.

Conference and Team Leaders . . .

Glenville's 35 point average per game is tops in the conference so far. Chris Anderson is the leading passer completing 24 - 38 tosses for 452 yards, an average of 227 yards a game. Les Facemyer is the top ball carrier on the squad picking up 125 yards in 16 carries for a 7.8 yard per carry average. Carl Alloway is averaging 3.5 yards per carry gaining 116 yards in 33 tries. John Pratt totals 106 yards in 17 carries for a 6.2 average. Randy DeBastiani has picked up 52 yards in 13 tries for a 4.0 average.

Paul Ashby is the leading punter in the conference averaging 51.2 yards a punt. Ashby has had kicks of 42, 44, 52, 57, and 61 yards. Jay Chambers is perfect in the extra point department making 14 of 14. If the Pioneers keep on scoring points the way they have, he could have a chance to break some of Raymond Swisher's old records.

Bench Strength . . .
The importance of having good depth has already been shown by Coach Hanlin's squad. Les Facemyer has been doing a great job of replacing Richard Richmond, who injured his knee before the season started. Les has been finding big holes to run through especially when the Pioneers run the trap play. He is also doing a good job of catching the football.

When Carl Alloway injured his knee last week, Randy DeBastiani filled in admirably. Randy scored one touchdown as he gained 52 yards in 13 carries.

Knee Injuries . . .

Knee injuries are becoming the most dangerous type of injury a football player can receive. Last Saturday when Carl Alloway was hurt Glenville's season could have been destroyed. Luckily the injury is not described as serious and Carl will probably be in uniform over at Salem. Alloway is a major asset to the team's success this fall.

Freshmen Eligibility . . .

At the beginning of the season not many of the major college coaches planned on using freshmen on their starting team. This fact was proven wrong last Saturday.

Oklahoma let loose Kerry Jackson on Utah and he proved his greatness in leading the Sooners to a 49 - 0 win.

The freshman quarterback carried the ball 10 times and gained 109 yards. North Carolina State used a freshman quarterback in their 43-20 rout of Syracuse. Freshman Dave Buckley

Student Body Wins Award

On September 16, 1972, Commissioner George Springer of the WVIAC was in Glenville to present an award to Glenville State College Student Body. The award was the Conference Sportsmanship Award, presented to the school showing the best sportsmanship for all sports during the year.

This award was begun four years ago, being won by Salem the first year, followed by Glenville, Davis and Elkins, and Glenville again. Each school has a Sportsmanship Rating Committee who rate their opponent after each contest. This is sent to the conference, points are totaled at the end of the year, and the award is presented to the school accumulating the highest number of points. A small plaque is presented to the winner along with a larger plaque. The larger plaque moves each year. The school receiving the award the greatest number of years will receive the trophy on a permanent basis.

The award was presented on Saturday by Mr. Springer to Paulette Jackson, President of the Student Congress, who in turn, presented it to Dr. D. Banks Wilburn, President of Glenville State College.

threw one touchdown and set up another.

Bowling Green used a freshman kicker in their upset of 19th ranked Purdue. His 29 yard field goal gave the Big Green a 17-14 victory over the highly favored Boilermakers.

Improves with ages . . .

Sam Snead just keeps going on. The 60 year old native West Virginian won his 16th West Virginia Open Golf Tournament last Sunday in Parkersburg over young Barney Thompson. Several residents of Glenville played in the tournament, they are: Guy Perry, Dennis Fitzpatrick, Bob Reed, and Wayne Mencer.

Intramurals . . .

Intramurals will be held once again this year.

The women's intramural program will be held on Tuesday night at 6:00 starting with volleyball.

The men's intramural program will be held Wednesday and Thursday nights. Play begins at 6:00.

Activities will include volleyball, basketball, handball and possibly water polo.

Signs will be posted in the Physical Education Building.

GSC To Put Record On Line As Pioneers Invade Salem

The Pioneers of Glenville State will probably get their hardest test so far tomorrow night when they do battle with the Salem Tigers.

Glenville will be putting their perfect record of 2-0 on the line when they take the field at the Tiger's new Davis Stadium this Saturday night. Salem has lost it's first two contests, but those defeats came to West Liberty and tough Bluefield State.

Coach Eddie Pastilong will put up a rugged defense against the Blue Wave. The defensive unit features six four year men in Frank King and Keith Wilken, tackles; Dave Link and Bob Daquilante, linebackers; Paul Filtz, end; and Joe Olivato, safety. Underclassmen who lettered include end Leonard Brown, Bill Brosseau and halfback Sonny Comeforo.

The Tigers lost ten veterans to graduation and have only two seniors left to lead their offensive attack. They are tackles Bill Stern and Paul Tarasi.

Coach Pastilong's main problem

seems to be finding a suitable replacement for Jim Tsakonas, the 1971 "Player of the Year." Tsakonas gained 1,030 yards, averaging 103 yards per game, and scored 40 points. The entire backfield was wiped out by graduation. Underclassmen will definitely be needed to mature early for the Tiger's offense to operate effectively.

Also helping the offensive unit will be returning guards Benny Crawford, Pat Coyne, and Bob Ramsey.

Salem's big star could very well be tight end Andy Hawthorne. He caught 49 passes last year for 665 yards, and will be the leader for the green and white's weak offense.

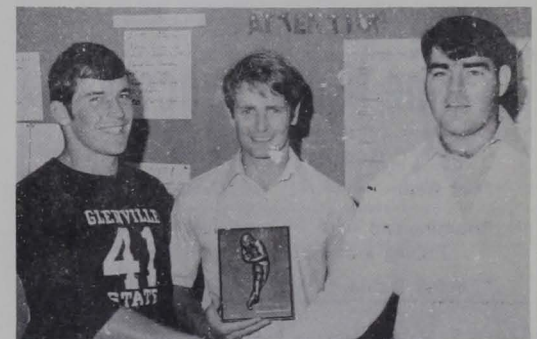

Coach Pastilong is counting heavily on the development of his freshmen. If they do so, he figures Salem will be in the thick of the WVIAC race.

Tomorrow night's game promises to be a very hard-fought defensive game. Look for the team which makes the least amount of mistakes offensively to win.

By Mike Rust

Jimmy Carter (42) and Scotty Hamilton at the WVIT game.

Receiving the Lambda Chi Alpha player of the week trophies are John Pratt and Scotty Hamilton. Shown presenting the trophy is Steve Brown.

Two Receive Offensive, Defensive Award

John Pratt and Scotty Hamilton were named offensive and defensive players of the game last week in Glenville's 35 - 6 victory over West Virginia Tech.

Pratt is a 5'9" junior from Parkersburg. John weighs 197 pounds and has lettered his last two seasons.

In the game last week, John gained 52 yards on seven carries. So far this fall he has picked up 106 yards on 16 carries for a 6.2 average per try.

John fits in the mold of the

rugged type fullback who works for every yard and is never lacking in determination.

Scotty is a senior this year and has lettered the last two seasons, also. He weighs 170 pounds and stands 5'9".

Hamilton was moved up to outside linebacker this year after two seasons at defensive halfback. Scotty has been named to the All-Conference first team and is known widely for his bone jarring tackles.

Three Majorettes Added To Corps; G.S.C. Marching Band Is Sixty Strong

The GSC Pioneer Band is marching sixty strong this year and is planning a big season. Mr. Edward Vineyard has announced that the band will attend all home games plus the team can count on them being present at Salem and W.Va. Wesleyan.

Their first show here Saturday will include the popular tunes "Does Anybody Really Know What Time It Is" and "Get It On."

Mr. Vineyard and other members of the music staff have selected the band's front lines which will contain both new and old faces. The six majorettes selected were Ruscee Ann Garrett, Kathy Eye, Darlena Rogers, Susie Wagner, Rose Ann Weaver, Ellen Forren, and (alternate) Karen Froendt.

Ruscee Ann Garrett, daughter of Mr. and Mrs. Allen F. Garrett, is from Mt. Hope where she was majorette for three years. Miss Garrett is a senior Physical Education major entering her fourth year in the GSC line.

Kathy Eye, a senior Physical Education major is from Gauley Bridge where she was a majorette for two years. Kathy is the daughter of Mr. and Mrs. I. J. Eye and is entering her third year as a majorette here.

Susie Wagner, sophomore Medical Technology major is returning for a second year in the majorette line. She is from West Union where she was drum majorette for two years. She is the daughter of Mr. and Mrs. Robert A. Wagner.

Rose Ann Weaver, also a second year majorette is from Coolville, Ohio where she was a majorette for three and one half years. Miss Weaver is the daughter of Mr. and Mrs. Blake Weaver and is a sophomore elementary major.

Ellen Forren, a new addition to the line is a sophomore early childhood major from Summersville where she was a majorette for one year. Miss Forren is the daughter of Mr. and Mrs. Gilbert Forren.

Darlena Rogers, another new face in the line, is the daughter of Mr. and Mrs. Arthur Rogers. Miss Rogers is from Clay County where she was a majorette for two years. She is a freshman taking a general education course.

Karen Froendt, selected as alternate to the line is from West Columbia and attended Wahama High School where she was a majorette for two years. She is the daughter of Mrs. Mary Froendt and is a freshman Speech and Home Economics major.

Procedure Stated Concerning Comm.

Glenville State College holds only one Commencement Exercise each year, and yet students complete requirements for degrees three times a year (August, December and May). In order to clear up some of the confusion about when a person will complete degree requirements and to facilitate reporting figures to the appropriate authorities in Charleston and Washington, the following procedures will be observed beginning in May 1973:

Names of candidates who will receive their degrees in May will be listed in the Commencement Program.

Names of candidates who received their degrees the previous December or the previous August, will be listed in the May Commencement Program, with the appropriate footnote indicating when they completed their degree requirements.

Student parking permits' expiration dates will be extended until bumper stickers arrive which should be no later than next Wednesday, according to Dr. A.T. Billips, Dean of Student Affairs.

1972 GSC Majorettes are (left to right) Rose Weaver, Susan Wagner, Ruscee Garrett, Darlena Rogers, Karen Froendt, Ellen Forren and Cathy Eye.

New GSC Cheerleading Squad Formed; Take Trip To First GSC Game Of Season

A new GSC cheerleading squad has been formed because of a vacancy left last year.

The squad consists of Sherri Catalano, captain, a junior language arts major from Spencer; Sue Ann Maxwell a sophomore art major from West Union; Becky Von Busick, a junior art major from Erie, Pa., Jo Ann Westfall a sophomore physical education major from Glenville; Kathy Deem a sophomore elementary education major from Parkersburg; and Sandy Roberts, alternate, a sophomore music major from Glenville.

The squad made a trip to Michigan for the first football game. In order to go they had to pay half their way and Student Congress, their sponsors, paid the other half. With little time and few resources the girls decided to get the money through donations. Students, fraternities, sororities, professors, and members of the administration, and townspeople were very generous and made the trip possible.

The cheerleaders would like to especially thank Miss Page who chaperoned the trip and Mr. Larry Lamb, financial aid officer, who drove a state car for transportation, and Mrs. Jean Wright who settled many technical difficulties and obstacles.

The girls are looking forward to a good year and working with the student body of GSC that they feel are very school spirited and enthusiastic.

Unit representatives were elected last week to fill positions on the governing board of Louis Bennett Hall, Dean Pennington stated.

The new unit representatives are Tim Cunningham, Roger Gregg, Rich Pingley, Mike Brown, Tom Humphries, Bruce Brumage, and Pat Malheen.

Also Pennington said that the governing board will be presenting a list of movies for the men to select. The ten selected will be arranged to be shown this year.

Any student who started school in September, 1968 or since then can repeat any classes with a 'D' or 'F' within the first 60 hours. The recorded grade will not count against them in quality points. For students who are having academic difficulty, this policy will probably be the best and fastest way to bring up their quality points.

WVAC Concert Slated Sept. 29 At Civic Center

The West Virginia Association of Colleges and Universities is sponsoring a public concert Friday, September 29, at 8:15 p.m. in the Charleston Civic Center, featuring Fudge, Mike Morningstar, and The Heckels. Tickets are on sale at the Civic Center, Sears Roebuck, and the Charleston Flea Market in South Charleston. The tickets are priced at \$3.50, \$2.50 and \$1.00. However college and university students, faculty and staff members may purchase \$3.50 and \$2.50 tickets for themselves and members of their families for \$1.00 from the GSC Lyceum Committee, room 102 Pioneer Center. Tickets are now available and will remain on sale through Friday, September 29th.

Fudge is a new group created by Vince Martell, former lead guitarist and singer of the original Vanilla Fudge. The Heckels are a country music group from Elkins, West Virginia. Folk and country guitarist and singer Mike Morningstar is a native West Virginian who is rapidly acquiring a following around the state.

This program is endorsed by Glenville State Convocation and Lyceum Committee.

Vet's Cinema To Be Shown

The GSC Veterans Club will be showing "Little Big Man," starring Dustin Hoffman, this coming Thursday, September 28.

The movie will be shown in the auditorium instead of the ballroom. Showtime will be 7 p.m. Admission will be \$1.00. The showing is open to students, faculty and staff of GSC only.

There will be a very important Veteran's Club meeting on Tuesday morning at 10 a.m. in Old Louis Bennett Lounge.

Work schedules for the movie will be set up and plans for Homecoming, softball and volleyball teams will be discussed. All veterans are urged to attend this meeting.
