Student Opinion Asked

Dear Editor:
The West Virginia Student Public Interest Research Group, Inc. needs your cooperation in helping to inform the public of West Virginia as to the

positions, candidates in this state hold on issues in the upcoming election.

At this moment we are compiling a candidate questionnaire to be sent to the candidates running for the offices of governor, Secretary of State, Attorney General, Supreme Court, State Senate and House of Delegates. These questions have been submitted by students throughout, the state and deal with

issues which concern the public as well as the students' interests.

We will be sending out the questionnaire to the candidates after our next

State Board of Directors meeting on October 7 at West Virginia Tech. We realize that this is only one month before the election, but by waiting until this date we hope to obatin the candidates' most recent viewpoints and accurate positions on the issues.

We are requesting that your newspaper print our questionnaire either in total or at least for those candidates which concern the citizens of your circulation area. If you are interested in printing the questionnaire, please respon before October 7, as we would like to list your newspaper as one which will print the questionnaire when we send our questionnaire to the candidates. In peace and the public interest,

Although each College Panhellenic is responsible for making its own bylaws, the following binding agreements, among others, must be a part of the basic structure of each College Panhel-The Panhellenic Creed, Panhellenic Compact, Standards of Ethical Conduct, and the College Panhellenics Agreement

Each Panhellenic, such as the one which was formed on our own campus, meets regularly throughout the school year to set up a program which will benefit the campus. One important aspect of College Panhellenic operations is its rushing rules and procedures, by which each sorority must abide.

To make the Panhellenic stand for something worthwhile on her campus, each sorority member must do her own part. She must uphold good scholarship and high standards of social conduct, as well as work in harmony and understanding with others to further the ideals of sorority. These goals are stated in the Panhellenic Creed.

The students of a college can be served better if the sororities develop strong chapters by working together instead of working against one another There is no such listing or rating which states that one particular sorority is number one or that it is the best. The way in which the members live the ideals of their sorority determines the position of that sorority

The success of Panhellenic depends on the cooperation of the individual members of each sorority.

Even though it was a little wet during last Week's Parents Day contest, I am sure that the players families were very well pleased with the outcome of the game

Brian Taylor continued to play outstanding football for the Pioneers as he was in on twenty tackles in the as he was in on twenty tackles in the Fairmont game. Bruce Rhodes also played a fine game being in on seven-teen tackles. Defensive lineman Mark Reger did a great job on containing the Falcon runners from his position. Roger Bonnette now leads the team in interceptions as he picked off passes last week

in interceptions as he picked off two passes last week.

John Pratt had another one of his good games. From his fullback position John made several key blocks and almost broke the game open on a long run. If it had been a dry day, I believe he would have gone all the way. Tom Harvey played a fine game by opening up a lot of big holes for his running backs to ramble through.

As of right now, there are seventeen members in the star club. To get into the club a player must earn 50 points or more. Brian Taylor is the top point getter with 128 points. Other members include: Steve Buffington, Russ Tomasini, Tom Harvey, Les Facemeyer, Carl Alloway, Vince Butta, Larry Chapman, Randy DeBiastiani, Jay Chambers, Irvin Braniff, John Pratt, Mike Robison, Jim Selbe, Eddie Williams, Kenny Morrison, Chris Anderson, and Mark Watkins.

In the statistic department, the Blue Wave has racked up some impressive marks. The three leading ballearriers are John Pratt, Carl Alloway, and Les Facemeyer. Pratt has

pressive marks. The three leading ballcarriers are John Pratt, Carl Alloway, and Les Facemeyer. Pratt has 176 yards in 29 carries for a 6.0 yards per carry average. Alloway also has 176 yards in 56 carries for a3.1 average per carry. Facemeyer has carried the ball 19 times for 128 yards for an average of 6.7 yards a try. The four leading receivers are Steve Buffington, Les Facemyer, Ken Morrison, and John Pratt. Buffington has eight receptions for 291 yards and three touchdowns. Facemyer has caught seven passes for 88 yards and three touchdown. Frace-myer has caught seven passes for 88 yards and one touchdown, six record shows one touchdown, six receptions for 99 yards. Pratt's cre-dentials include five catches for 87 yards and one touchdown.

If anyone is interested in trying out for the Glenville State Swim Team, practice is at 4:00 daily.

Chris Anderson is the leading passer completing 29 out of 54 attempts for 696 yards.

Paul Asthy is the leading punter in the conference averaging 42.8 yards

on 24 kicks.

The WVIAC lead will be on the

line tomorrow afternoon when West Liberty and West Virginia State tangle at Wheeling. The Hilltoppers are a seven point favor, but I look for an upset with the Yellow Jackets coming out on top. I feel that the key to the game will be if West Liberty can control W. Va. State's high powered running attack

Wesleyan Is Host

The Pioneers of Glenville State travel to Buckhannon tomorrow to take on the Bobcats of West Virginia Wesleyan. Coach Ralph Bouch's players will be hungry for an upset as this is Homecoming week. The Bobcats are anxious to make it two wins in a row after last week's 21-6 victory over West Virginia Tech.

Coach Bouch stated that after three years of rebuilding, he feels that the Bobcats will have a solid, sound foot team. Wesleyan has its largest squad in recent years with 75 on the roster, including 27 lettermen-11 offensive and six defensive starters Coach Bouch has a group of 42 freshmen which will add much needed

The offensive is led by quarterback Charlie Elkins, a junior who played wingback last season. Top runner for Bobcats is freshman halfback Scotty Jefferson.

Other starters on the offense include center Ralph Engleka, end Jay Fleischman, tackle Frank Lucente, guards Danny Spagnoli and Pat Whitlock, and tackle John Sandy

Defensively the Bobcats look like this: linebackers Les Hart, Alvin Simpson, and Jim Hennessey, defensive tackle Dale Maurer and safety Tom

Coach Hanlin reported that Wesleyan will be a big, strong and very physical football team. He also stated that the Bobcats will be putting all out in their Homecoming contest.

The Wesleyan contest shapes up to be a very interesting contest. Glenville cannot afford to drop another contest if they plan to be in the WVIAC race. Look for Chris Anderson to pick the Bobcats' secondary to

Seven Players Honored In Last Saturday's Contest

Seven players have been honored as outstanding players by the coaching staff in last Saturday's contest against Fairmont. They are Roger Bonnette, Mark Reger, John Pratt, Steve Buffington, Brian Taylor, Tom Harvey, and Bruce Rhodes. Bonnette, a 5'9", 170 pound soph-

omore linebacker came up with two big interceptions. In the first quarter, Roger went high up in the air to cut off the Falcon's first drive. Then, late in the fourth quarter, Bonnette pulled the trick again to choke off another Falcon drive.

Reger, a 230 pound defensive tackle was all over the mud turf at Rohrbough Stadium, throwing Fair-

montrunners to the ground. He made numerous tackles and put constant pressure on Falcon quarterback Harold Bailey all afternoon

Pratt, a powerful fullback from Parkersburg. He carried the ball 29 times and gained 176 yards. John commented that Fairmont was not as good as expected; Salem was much tougher and bigger. Pratt is now the leading ball carrier on the team

averaging 6.0 yards a carry. Buffington, was thereal hero of the Pioneers'13 - 6 victory over Fairmont.

School caught an 84 yard touchdown pass with five minutes remaining in the game to put the Pioneers winning six points on the board.

Taylor, is the signal caller of the Pioneer defense. Brian received the highest grade on the team for his performance during the Fairmont game. In the game against the Falcons, Taylor was in on twenty tackles. Brian was named "Defense Player of the Week," the previous week.

Harvey is a 220 pound offensive guard from Bridgeport. Tom commented Fairmont was not as tough as he expected and did not have much trouble pulling for the outside run or playing in the key block on the trap plays.

Rhodes, a senior outside linebacker put on an excellent performance against Fairmont. Bruce was in on seventeen tackles against the Falcons, his high for the season.

Rhodes has really come on for the Rhodes has really come on for the Pioneers this season, he has worked especially hard and has been giving a 100% effect in every game. He has added some weight for this season and it has paids off, for Bruce is tougher than ever.

Campus Parking Violations Explained

Although parking at Glenville State comparison to the other state colleges tance, five violations at Concord College subject the student to suspension from college. These five violations are the equivalent of ten such violations at Glenville State.

Enforcement of general parking regulations are handled on the basis of violations. As mentioned on pages 30 and 31 of the Glenville State Col-Student Handbook. Full-time students with more than 58 hours and those students who, commute are the only students allowed to park cars on campus. After two violations the student is called before the "Cam-Parking Committee" and usually the student is given a warning. Upon

the student's permit number is placed on a violators list; to remove a num ber from the list the student must pay two dollar fine at the business office and then show the receipt to the secretary in the Dean of Student Affairs Office. Any extreme number of violations will be handled by the "Cam pus Parking Committee.'

In reference to the illegal parking cars on campus by those ineligible to have cars; the student comes un-der the jurisdiction of the "Security Immobilization System." This security system applies only to those students who have no valid parking permit be-cause of ineligibility The cars of these chronic violators are immobilized and the license number of the car is recorded on a list in the Dean of Student Affairs Office Fran Spiker

Debaters' Activities Include FSC Trip

ensics went to the Annual Debate on Saturday, Sept. 30. The workshop is for all state colleges who wish to participate, and it is divided into two sessions. The morning session consisted of a practice debate between Fairmont and Bethany. It was re-solved that the federal government should provide a program of com-prehensive medical care for all United States citizens. The afternoon session consisted of a lecture by Mr. Samuel Weese, State Insurance Commissioner. The students observed these events and applied what they learned to their work in class.

Miss Leisering plans to take a group of forensics students to Martins Ferry, Ohio on October 25 for a ractice debate before an audience The resolution of the debate will be Should the Catholic education system in the United States be abolished? Vicki McGraner, Kathy Fluharty, Debbie Swimm, Odessa Geary, and Celia McCoy will be attending this practice session.

Miss Leisering also plans to take a group of students to participate in the Individual Events Tournament at Parkersburg Community College on November 11 and 12. The events clude extemporaneous, impromptu, expository, humorous, and persuasive speaking, a sales talk, and oral inter-pretation. All students interested in participating in the tournament should contact Miss Leisering, second floor, Administration Building.

Final Exams To Be Changed

This semester final exams will be given differently. The examinations will be given during regular class per-iods and the classes will continue to meet as scheduled through 5:00 p.m., December 19. The semester ends two days earlier than shown in the College Calendar.

The presentation of final examina-tions in this manner is a national, experimental trend. The change should not be construed to mean that finals are to be omitted.
