

# The Glenville Mercury

Volume XLIV, Number 7

Glenville State College, Glenville, West Virginia

Friday, October 13, 1972

Beatrice Brown  
Freshman Princess

Sandi Suran  
Senior Princess

## 41st Annual Queen Crowned Tomorrow

Miss Judith Elaine Bias will be crowned the 41st Homecoming queen at Glenville State College tomorrow in the coronation ceremony. The 5'2", hazel eyed brunette is the daughter of Mr. and Mrs. Westford Bias of Hewett. She is a senior art education major.

Miss Bias is a graduate of Scott High School. While in high school she was honored as Scott High School homecoming attendant, Miss Scottonian yearbook attendant, and High School Mechanics Club Queen.

Miss Bias has also been very active in organizations her past four years here at GSC. She is a member of Sigma Sigma Sigma sorority, a member of Order of Diana, and secretary of Alpha Rho Tau Art Club. In her leisure time she enjoys painting, sewing, swimming, lapidary jogging and skiing.

During the parade and coronation Miss Bias will be wearing a white floor length satin gown designed with long sheer sleeves with fullness at the shoulder and cuff. The dress has an empire waistline and a high ruffled collar.

Queen Judy will be escorted by Dave Hewitt, a business administration major from Glenville.

Miss Sandra Lee Suran, representing the Senior class, is a graduate of Elderton High School and is the daughter of Mr. and Mrs. Paul Suran of Kittanning Pennsylvania. Miss Suran is an English major and has been very active in various organizations here at Glenville State. She is a former member of Order of Diana, a reporter for the Mercury, a member of the 1971 yearbook staff, and she is also a member of Delta Zeta sorority where she has held the offices of historian and press chairman. In her leisure time, Miss Suran enjoys dancing and sewing. During the parade and coronation Miss Suran will be wearing a pale burgundy colonial style floor length gown of light weight polyester knit. The gown is designed with short puffed sleeves, a high neckline with a fitted bodice accented by a colonial designed applique and self-ruffle. The tail of the dress is also accented with a ruffle of the same fabric.

Miss Suran will be escorted by Mr. Adair Wilson, a physical education major from Elizabeth.

Miss Joyce Marie Paugh, representing the Junior class, is a graduate of Buckhannon Upshire High School and is the daughter of Mrs. Rachael Butcher of Buckhannon. Miss Paugh is a library science major. She is a member of Delta Zeta sorority and of Ladies of the White Rose. In her leisure time, she enjoys reading and horseback

riding. During the parade and coronation, Miss Paugh will wear a dark green velvet floor length gown styled with a high neckline and long sleeves accented with a velvet ruffle. The gathered empire bodice and cuffs are accented in rows of white lace.

Miss Paugh will be escorted by David Bunton, an elementary major from Glenville.

Miss Diana Kay James, representing the sophomore class, is a graduate of Herbert Hoover High School and is the daughter of Mr. and Mrs. Robert C. James of Clendenin. Miss James is an English major and is a member of Delta Zeta sorority and Order of Diana. In her leisure time she enjoys dancing. During the parade and coronation, Miss James will be wearing a floor length gown of deep burgundy velvet. The dress is designed with an empire bodice, a high neckline, and Cinderella sleeves. The dress is accented with white lace.

Miss James will be escorted by Larry Wright, an elementary education major from Point Pleasant.

Miss Beatrice Wade Brown, representing the freshman class, is a graduate of Parkersburg High School and is the daughter of Mr. and Mrs. Vernon P. Brown, she is a secretarial science major and a member of Blacks United Together. She is an active participant in women's volleyball. In her leisure time, Miss Brown enjoys dancing, sewing, horseback riding, and singing. During the parade and coronation Miss Brown will be wearing a floor length dress of pink and purple cotton print designed with short sleeves, an empire waist, and a high neckline trimmed in lace.

Miss Brown will be escorted by Tim Cunningham, a freshman from Logan.

Renee Louann Scherer and Carl Franklin Pennington III will serve as train bearer and crown bearer for the coronation ceremony. Miss Scherer will be wearing a long blue velvet dress, and Master Pennington will be wearing a brown suit with a brown shirt and vest, and a white tie.

## Autos To Be Removed

It is requested that all automobiles be removed from College and Main Streets late Friday night, October 13, or early Saturday morning, October 14, so that these streets will be clear for the HOMECOMING PARADE. Cars should be removed no later than 9:00 a.m., Saturday, October 14, as parade units will begin forming shortly after that time. Your assistance will be very much appreciated.

## IBM System Computer Complex Approved For Glenville State By Board of Regents

A proposal for IBM Computer complex at Glenville State College was approved at the October meeting of the West Virginia Board of Regents. This computer, newest of the lower-priced systems and currently widely used in the business community, will be the first System/3 to be utilized

in West Virginia higher education.

The computer will be employed in the academic areas of business and mathematics, although large number of administrative uses are being studied for the computer. Glenville State College is utilizing computers in the Charleston area to perform the institution's grade reporting and related functions.

Components of the System/3 computer scheduled for delivery to Glenville State College in mid-December are: a 12,000 character Central Processing Unit, a printer rated at 200 lines per minute, a Card Reader/ Card Punch, and a fixed and removable Disk Drive capable of storing approximately 5,000,000 characters on-line.

IBM presents an extensive array of programming languages available to the System/3. Glenville State College will utilize three of these

languages in its first phase of development. The three languages to be used are: RPG-II (a business-oriented language), FORTRAN (a scientific- and mathematics- oriented language), and an assembler (a rapid machine-usable language). GSC plans to request implementation of COBOL (another business-oriented language) upon successful completion of its first phase of operations.

In-depth instruction for these computer languages is scheduled to begin during the 1973 - 74 academic year. This week work scholarship students in the Data Processing Center and the Division of Business are beginning a seven week seminar course in RPG-II programming. The course, which is not a part of the regular GSC fall schedule, is being instructed by Mrs. Sallie W. Hart, an IBM Systems Engineer. A native of Charleston, Mrs. Hart is an honor graduate of West Virginia University. Students participating in these RPG-II programming seminar include: Eugene Bell, a senior business administration major from Hurricane; Sherry Woofert, a freshman business education and mathematics major from Glenville; from Upshur County, Mariann DeRico, a junior business administration major, Delma Lipps, a junior elementary education student, and Linda Lipps, a freshman business education and mathematics major; from Glenville, a secretarial studies student from Hewett; Phoebe Sunderland, a sophomore elementary education student from Hurricane; and sophomore Lisa Jones, a social work major from Glenville.

Some of the students who will be taking this course also have been instructed in FORTRAN and PL/I. This instruction was directed by Mr. M. Gene Bailey, an instructor in mathematics at GSC. Mr. Bailey completed graduate studies at The University of Minnesota and The University of Missouri. Presently taking graduate courses at West Virginia University, Mr. Bailey is from Buckhannon.

At this time, GSC offers two courses in Computer Science. The first course is Computer Science 351 - Automated Methods and Applications. Instructed by Mrs. Anna Slack, who completed her graduate studies at The University of North Carolina, this course will be offered as a part of the evening school schedule during the Spring 1973 semester at 5:30 p.m. on Monday. A laboratory is scheduled

(Continued on Page 7)

## First Season Play Will Be Presented

The Ohningohow Players will present their first production of the season, *Butterflies Are Free*, on October 18th through the 20th in the college auditorium.

The Leonard Gershe hit is about the adventures of a young man on his own for the first time in his life. He leaves the security of his home and strikes out on his own in an apartment in Greenwich village. He meets a girl who lives in the apartment next door who is a young free thinker, as well as a giver of herself, who wants to avoid any deep involvements since the recent break-up of her six-day marriage.

An easy and natural affair between the couple is complicated by the fact the young man has been blind from birth. His over-protective mother is also very reluctant in letting him fend for himself while he desires only to be judged on the same terms as anyone who can see, asking no pity or special consideration.

The young man and the girl believe that they are ideal for one another, but the mother indicates with hilarious, dry sarcasm that she does not share that opinion. The play deals with the working out of this conflict, and it gained universal acclaim because it does so with wit and humor and an avoidance of sentimentality.

The Ohningohow's production of *Butterflies Are Free* will have Douglas Smith (Don Baker) as the young man striking out on his own, Kathy Fluharty (Jill Tanner) as the uninhibited kook and Miss Kathy Leisner (Mrs. Baker) as the over-protective, but understandably affectionate mother. David Grapes (Ralph Austin) will be seen as a cocky young rebel who thinks he has all the answers.

The play will open next Wednesday and will continue through Friday. Curtain time will be 8:15 p.m. Admission for this production, which is considered family entertainment, will be by student \$D. or a fee of one dollar for non-students.

## Special Week Noted

This is National Newspaper Week, and thus, it seems only fitting to pause and reflect on our heritage. A free press - what does it mean?

Too often, we, in 1972, simply take for granted that our paper is delivered at our door each morning, that it contains all the current news and that we may respond to anything with which we do not agree. But it was not always like this. Merely ninety years ago, our forefather 'editors' and 'printers' had to fight for the right to print, to report and to criticize. The average citizen had no voice in his government, neither could he speak out opposing editorial viewpoints.

We live in a time of freedom of the press, as outlined by the Bill of Rights. But what is this freedom? We have lived through the theories of the press which allowed only a small, ruling class to decide what should be read by the people, through the days when the people were given the privilege of discernment of right from wrong; and we are still experiencing the exaltation of the government and the state at the individuals' expense. Now, we feel that there are certain privileges allowed readers - that some information must be printed because it is the people's right to know. True, news is managed, to an extent but better that it be controlled than that it be circulated at the wrong time in the wrong place or to the wrong people.

Mass media plays an important role in our journalistic heritage. Now practically every home receives a newspaper, owns a television set and a radio, and subscribes to several magazines. The news is available to anyone at anytime. The president of our nation does not receive a special edition of the newspaper but may read the same paper that we read. We are all exposed to the same news at the same time and possibly through the same media.

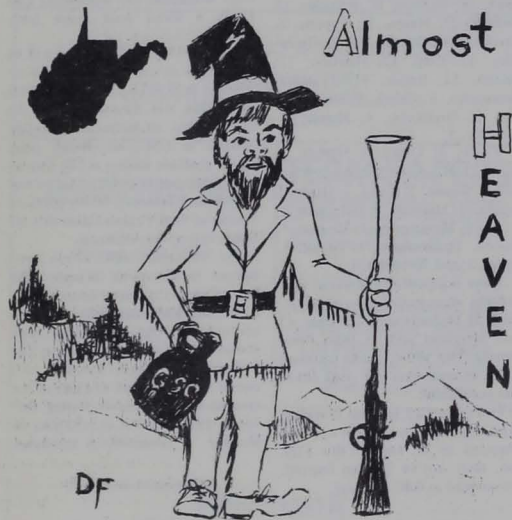

During National Newspaper Week, it is my desire that all Americans everywhere pause to be grateful that ours is a heritage of which we can be proud but not apathetic. In the words of Thomas Jefferson, "... and were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter."

Mrs. Y. King

## Visit While You're 'Home To The Hills'

On behalf of the Student Congress, I would like to take this opportunity to welcome all alumni and friends of Glenville State College to the 1972 Homecoming. By incorporating new ideas into the schedule, we hope to encourage a wider participation by all. We invite our alumni and friends to visit our new facilities and feel that they are "Home to the Hills." Glenville has a proud heritage, and we want to emphasize this heritage in our homecoming. With everyone participating, we can make this the best homecoming ever. Come and enjoy yourself! This is your campus! Be proud of it!

Paulette Jackson  
Student Congress President

## Editor Extends Welcome

With the advent of the 41st annual Homecoming, we "hill folk" would like to welcome all ye students, parents, alumni, and townspeople.

"Home to the Hills" will be a two day event this year beginning today. The attractions throughout the day will include booths, folk music, and foot stompin', hand-clappin' square dance. Today's activities will be climaxed by a bonfire at Rohrbough Field.

Tomorrow we hope to see ya all down at the big parade of floats and then down to that there pigskin field to see the crowning ceremonies, the presentation of the Montrose Award, and then the big event.

This here staff wishes all of ye have a fun and enjoyable time here in the hills and would like to take this here time and space to welcome ye again.

The Mercury Staff

Dianna Moore  
Editor-in-Chief

The Mercury Staff are (left to right): Steve Boilon, Sherri Catalano, Kim Jones, Sandy Roberts, Dianna Moore, Ruthanne Shanklin, Mrs. Yvonne King, Mike Rust and Ruth Swatzyna.

## Semester's Mercury Staff Is Named Dianna Moore Chosen Editor-In-Chief

Heading the Mercury staff this year as Editor-in-Chief is Dianna Moore, a senior physical education major and language arts minor. Dianna is from Parkersburg and is a graduate of Parkersburg South High School. She plans to further her education by receiving her master's in physical education and sports journalism. Dianna spent the past summer as recreation consultant at Weston State Hospital.

Ruth Swatzyna, production editor, is a junior English and journalism major from Beckley. She is a graduate of Woodrow Wilson High School.

The editorial editor, Sherri Catalano, is a junior from Spencer. Her field is language arts comprehensive and she is a member of Delta Zeta sorority.

Vickie Ratliff, a sophomore, majoring in English and journalism is serving as news bureau director. She

is from Charleston and is a member of Alpha Sigma Alpha sorority.

Jo Conley, Kim Jones, and Sandra Roberts are the IBM operators. Jo Conley, a senior majoring in business education, is from Ravenswood, and is a member of Alpha Sigma Alpha. Kim Jones, a sophomore, from Glenville is in the field of Early Childhood. She is a member of Sigma Sigma Sigma sorority. Sandra is a sophomore music major from Stumptown. She is a member of Delta Zeta sorority.

Sports editor, Mike Rust, is a senior business major from Elkview. He is a member of Theta Xi fraternity.

Jennings Eddy, a senior from St. Albans, is circulation manager. He is a business major and a member of Theta Xi fraternity.

Advertising manager, Rick Waller, is a junior social studies major from

Big Chimney. He is a member of Tau Kappa Epsilon fraternity.

Photographer, Chuck White, a sophomore from Glenville is a math major and a member of Lambda Chi fraternity.

Steve Boilon and Ruthanne Shanklin are the typists. Steve Boilon is a freshman from Glenville majoring in art. Ruthanne is a freshman from Charleston and is majoring in Early Childhood education.

Mrs. Yvonne King is starting her seventh year as advisor to the Mercury staff.

## Information Booth Site Of Joint 2 Week Center

A campus election center is being set up by the Young Democrats and the Young Republicans in the Little Red Schoolhouse to give students, faculty members, or interested persons information on the issues and positions of state and national party candidates in the forthcoming elections. Mr. John Spears and Mr. Ralph Gay, advisors of the Young Democrats and Young Republicans respectively, are the sponsors of the project and it will be a bi-partisan activity with information from both parties. Students will man the Little Red Schoolhouse beginning Monday with hours 12-2 Monday through Thursday and it will end Monday, November 6. Absentee ballot information will also be available and students may also call ext. 284 for information.

## Why Cheer?

Cheering can be one of the most important aspects of any athletic events but some people do not know why we cheer. An innocent onlooker at a sporting event may ask many questions about the fan activities. Is this a contest to see who can 'outgross' whom? Are these people inhuman? Do they really want to see blood? Who are they going to kill? Chew tobacco, Chew tobacco, Spit ... ? These are some questions that can arise as a result of cheers used but the fact remains of what should be done.

Mrs. Genevieve McDaniel and Miss Mary Ellen Kennedy have resumed their duties here at the college following a brief hospitalization period caused by injuries received in an automobile accident last month.

## Friday's Events Announced

On Friday, October 13, the Student Congress will sponsor a Square Dance that will start at 7 p.m. at the Library parking lot, and if it is raining it will be held in the ballroom. All cars should be out of the parking lot by 6 p.m. Following the Square Dance, a bonfire will be held at the football field at 9:30 p.m. The freshman class will be sponsoring the bonfire with Gary Steele as president, and Dr. Darnall and Mr. Jim Meads as advisors.

All school-spirited students are urged to attend the Square Dance and other activities. Make this homecoming one to remember by supporting your team as they defeat the Big Blues.

## THE GLENVILLE MERCURY The Student Newspaper

Lambda Chi Alpha associate members from left to right are: Larry Aylestock, Larry Wright, Jim Mattox, Joe Mitchem, Bob Werry; 2nd row, Gay Appel, Roger Caudill, Irvin Braniff, Randy DeBastiani, Rick Lemley, Gary Humphreys, Mitch Mace.

## Lambda Chi Alpha

Lambda Chi Alpha held its Associate Member initiation on Monday October 2, for those men who pledged during closed rush. The men pledged at this first ceremony are as follows: Garry Appel, a senior physical education major from Lewisburg; Larry Aylestock, a sophomore business administration major from West Union; Irvin Braniff, a junior physical education major from Weston; Roger Caudill, a sophomore physical education major from Dunbar; Randy DeBastiani, a junior physical education major from Arthurdale; Gary Humphreys, a sophomore business administration major from Pt. Pleasant; and Larry Wright, who is a sophomore elementary education major from Pt. Pleasant.

There was a second pledging ceremony held on Thursday October 5, at 9:30, the purpose of which was to initiate those men who were acquired

during the week of open rush. The three men were pledged on Thursday and are as follows: Rick Lemley, a sophomore pre-med major from St. Mary's; Joe Mitchem, a sophomore physical education major from Marietta, Ohio; and Bobby Joe Werry, a physical education major from Pomeroy, Ohio.

## Phi Delta Phi

The Phi Delta Phi Home Economics sorority will prepare a dinner at the Wesley Foundation on October 22 for the Delta Zeta Sorority in commemoration of their Founders' Day.

Mary Ann Nugen, Linda Canterbury and Mrs. Gary Adkins will represent Glenville State College at the Fall Planning Session of the West Virginia Association of Home Economics at Jackson's Mill in Lewis County. The meeting will be held October 27 and 28.

## Delta Zeta

Delta Zeta sorority has announced its fall pledge class. Regina Boothe, a sophomore English - library science major from Elkview, Patricia Canterbury, a junior English - art major from Walton, Deborah Cunningham, a sophomore elementary - special education - social studies major from Charleston, Peggy McDonald, a junior music comp. major from Glenville, Patricia McGowan, a junior elementary education major from Buckhannon, Mary Ann Nugen, a sophomore home economics - art major from Clay, Sheila Nutter, a junior home economics - English major from Jane Lew, Mary Jane Scites, a junior early childhood major from Letart, Artie Walters, a sophomore elementary education - art major from Ripley, and Ellen major from Summersville and Joyce Bean, a junior business education major from Weston.

Seated left to right are: Pat McGowan, Mary Ann Nugen, Joyce Bean, Sheila Nutter, Debbie Cunningham. Standing are: Regina Booth, Ellen Forren Patty Canterbury, Artie Walters, and Peggy Jo McDonald.

## TKE

The Iota-Omega chapter of Tau Kappa Epsilon wishes to announce its' pledge class for the fall of 1972. The pledges are: Robert Bush, a sophomore general science major from Lewis County; Dennis Dillon, a sophomore business administration major from Milton; Harold Feagans, a sophomore math major from Weston; Kenny Fisher, a sophomore biology comprehensive major from Lewis Co.; Jeff Garton, a sophomore history major from Lewis Co.; Thomas Heath a sophomore physical education major from Lewis County; Steve Lewis, a sophomore biology major from Weston; Rick Pierson, a sophomore, business administration major from Milton; Steve Prowse, a junior physical education major from Dunbar, Mike Snider, a sophomore physical education major from Wirt County; and Richard Woofter, a sophomore art major from Lewis County.

Shown above are participants in the recent Red Cross blood drive held on campus.

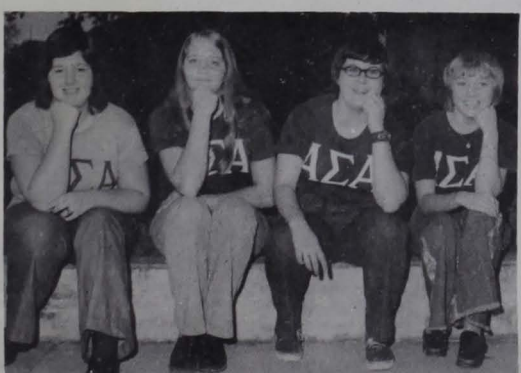

## Alpha Sig

The Alpha Sigma Alpha fall pledges include: Pat Thomas, a sophomore home economics major from Newcastle, Pennsylvania, Vickie McGraner, a sophomore speech major from Charleston, Norma Rexroad, a sophomore elementary major from Cowen and Jackie Miller, an elementary major from Richwood.

The sisters are planning a silver tea for alums, parents and guests on Saturday October 14, from 5:15-6:00 p.m. The tea will be held in the side lounge of Womens Hall.

The pledge class is planning various activities for this semester including money making projects. They will also order a paddle for the lounge and make pillows and paddles for their big sisters.

The girls are planning a Halloween party for the special children at Troy elementary school and they will each take two children trick-or-treating.

Alpha Sigma Alpha pledges are: Pat Thomas, Norma Rexroad, Vicki McGraner and Jackie Miller.

## Sigma Sigma Sigma

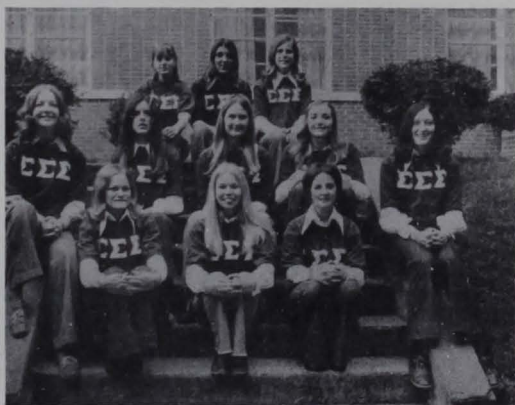

Libby Chaddock, a junior elementary-social studies major from Parkersburg, Phoebe Sunderland, a sophomore early childhood major from Hurricane, Brenda Cummings, a junior early childhood major from Sias, West Virginia, Chris Yates, a junior biology-chemistry major from Hurricane, Karen Alloway, a junior elementary-special education major from Belpre, Ohio, Susan Carper, a sophomore early childhood major from Glenville, Jeanette Bonnette, a junior elementary-special education major from Marietta, Judy Reed, a sophomore elementary-social studies major from Charleston, Kathy Casey, a junior elementary-home economics major from St. Albans, Connie Silcott, a junior home economics major from Weston, Delores McKown, a freshman French-Language Arts-special education major from Fayetteville, and Debbie Legg, a junior physical education major from Maysel are the

Sigma Sigma Sigma pledges for the fall semester. The officers of the of the pledges are Kathy Casey, president; Connie Silcott, vice-president; Karen Alloway, treasurer; and Judy Reed, secretary.

These girls officially became pledges when they were pinned Sunday night at 6:00 in the Ballroom. Libby Chaddock was pledged Tuesday, October 10, at 8:00 in the ballroom. The pledge have already gotten into the move of things. They had a pledge meeting Monday and Wednesday evening.

Secret Big Sisters have been sending their little sisters notes and presents. A ceremony will be held next Monday evening to let the pledges know who their big sisters are.

A reminder that there will be a pancake breakfast in the old Louis Bennett Lounge on Saturday, Oct. 14 sponsored by Tri-Sigma sorority.

Sigma Sigma Sigma pledges are (left to right): Phoebe Sunderland, Jeanette Bonnette, Debbie Legg, Connie Silcott, Susan Carper; 2nd row, Karen Alloway, Kathy Casey, Judy Reed; 3rd row, Brenda Cummings, Libby Chaddock, Chris Yates. Absent from picture is Deloris McKown.

## Theta Xi

Kappa Eta chapter of Theta Xi fraternity is proud to announce the fall 1972 pledge class. They are: Tom Humphreys, a junior business administration major from Harrisburg, Pennsylvania; Tom Ullum, a junior business administration major from Grantsville; Pat McKinney, a junior business administration major from Cannelton; Corbey Stalnaker, a junior physical education major from Ravenswood; Eric Minigh, a junior math major from Cedarville; and John Price, a sophomore, business administration major from Euclid, Ohio.

The Kappa Eta chapter of Theta Xi will have an Alumni meeting and breakfast Saturday morning at 8:30. Also there will be open-house after the game.

Theta Xi pledges are (left to right): Corbey Stalnaker, Tom Humphreys, Tom Ullum, John Price, Pat McKinney, and Eric Minigh.

Shown catching a pass is Steve Buffington during last Saturday's Glenville State-Wesleyan game.

## Have You Heard?

By Mike Rust

Tomorrow will start the beginning of a new season for the Pioneers of Glenville State. The Blue Wave will face Bluefield, West Liberty, and West Virginia State in that order. These three games will either make or break the Pioneers, if they can win these three contests Glenville will probably be conference champions.

In Bluefield State, the Pioneers will come up against one of the most explosive teams in the WVAC. The Big Blues are currently averaging 30 points a game.

It will be interesting to see how well Chris Anderson and Steve Buffington can match up with the Bluefield pass defenders, for they have the total defense against the pass yielding just 46 yards a game.

Bluefield, West Liberty, and West Virginia State have a combined 13 wins and only two losses.

In last week's contest against Wesleyan, the Pioneers really had about six touchdowns instead of three. Both John Pratt and Stanley Harris crossed the goal line but the field judge said no touchdown.

Pratt had one of his best games ever against the Bobcats. John gained 110 yards in 19 carries. He had only carried the ball 29 times before last week's contest. Stanley Harris did a good job of replacing the injured Carl Alloway picking up 66 yards in 15 tries.

Three Pioneers are leading the conference in their respective divisions.

Steve Buffington is the leading passer-receiver catching 17 passes for 453 yards. Buffington has caught four touchdown passes and has a 112.7 per game average. Kenny Morrison has eight catches for 123 yards and has one touchdown to his record.

Chris Anderson still holds down the rank as top quarterback in the conference. Anderson has hit a 41 of 72 attempts for 772 yards. Chris has a completion average of 56.8 and has thrown seven touchdown passes.

Paul Ashby remains as the top punter in the conference with a 41.6 average in 32 kicks.

With last week's performance John Pratt is now the leading ballcarrier on the squad. Pratt has carried the ball 48 times and has gained 286 yards for an average of 5.9 yards a try. Les Facemyer has the top average at 6.7 yards a carry. Les has carried the ball 19 times and has gained 128 yards. Stanley Harris has gained 98 yards for a 4.0 average in 24 carries.

Brian Taylor is the leader of the defensive players belonging to the star club with 164 points. Other members of the club include: Roger Bonnette, Scotty Hamilton, Ron Hudson, Mark Reger, Neil Christianson, Jerome Fruit, Bruce Rhode, Bob Hardman, Rick Trickett, and Jimmy Carter.

### Final Score . . .

Tomorrow will be the 23rd homecoming game here at Glenville State. With these next three games coming up the Pioneer players will need all the fan support they can get so try and come out and really back the Blue Wave for the conference crown.

Intramural Volleyball flights have been announced as follows:

I  
Boogerhole All-Stars  
Lambda Chi I  
Piece n Love  
Theta Xi Animals  
BUT No. I

Lambda Chi Lards  
Theta Xi Greeks  
Veterans Club  
TKE Whalers  
CCC  
Martin's Spikers

## Dillon Wins Award

The 1972 Montrose Award Winner is Randall Wayne Dillon.

A 1968 graduate of Milton High School, Randy was an All-Sports Star, and also finished as runner-up in the state in wrestling.

Dillon of Milton, Randy is married to the former Brynda Dunlap of Gassaway and is currently doing graduate work at Marshall University in Huntington, leading toward a Master's degree.

Dillon was a three year letterman and a defensive stalwart for the Pioneers. At his size and weight, Randy was at a disadvantage in facing some of the big tight ends and offensive tackles in the conference. Dillon was able to make up for his small size, 5'9", 180 lbs, by having a tremendous amount of desire, fortitude, agility and football knowledge.

A 1972 graduate of Glenville State, Randy majored in physical education and minored in art. He graduated with a 2.72 overall average.

Randy was chosen for All-Conference honors as defensive end his senior year.

The Montrose Award will be presented during halftime ceremonies tomorrow at Rohrbough Stadium.

The Frank Montrose Memorial Award was initiated in the spring of 1952 when the Student Council decided to give an award to an outstanding senior class athlete. In naming the award, the committee endeavored to find a man who excelled in athletics, had a high scholastic record and was of 'impeccable' moral character. They didn't have to look any further than the outstanding freshman Pioneer, Frank Montrose.

Frank Montrose was a great athlete who hailed from Richwood High School in Richwood, W.Va. Montrose's first game at Rohrbough field while a junior in high school proved to be a victorious one when he led the Lumberjacks to a 7-0 victory over Glenville High School in 1937. Frank's greatness as an athlete was proven in this game as he scored the game's only touchdown on a 60 yard run in the second quarter. He also added a 65 yard run later in the contest.

After graduation from high school the Richwood star came to Glenville and showed much promise as a grinder under "Nate" Rohrbough. Five games had been played and Frank had seen only limited action during these contests against Morris Harvey, Bethany, West Liberty, and Concord. Posting a two wins, two losses, and one tie, "Nate" began using the inexperienced freshman and the next game Frank went in and turned the game around and won the third Pioneer victory of the season. During this game the 5'11", 163 pound freshman passed for the decisive touchdown moving Glenville's mark to 3-2-1.

Fired up the next game, Frank passed for two touchdowns and ran his first college touchdown—a 63 yard punt return to upset the arch rival Fairmont 27-8.

The next game was the season's final which was held against Potomac State. Frank again showing his football greatness led the Pioneers to their sixth victory by whipping Potomac 7-0.

Although only a freshman and seeing limited action in the first five games, Frank received All-Conference mention.

Outstanding Players of the Pioneer-Wesleyan game are (left to right): front row, Mark Reger, Scotty Hamilton and Roger Bonnette. Back row, John Pratt, Chris Anderson, Steve Buffington, and Mark Watkins.

## Coach Hanlin Honors Outstanding Players

In Glenville State College's conquest of W.Va. Wesleyan on October 8, 1972, there were several ballplayers who gave standout performances. The selection of these players is done one of two ways, either film grading or statistics. Seven men were selected, John Pratt, Chris Anderson, Mark Watkins, Steve Buffington, Roger Bonnette, Mark Reger, and Scotty Hamilton.

Pratt is a 5'10", 195 pound fullback from South Parkersburg, the son of Mr. and Mrs. Wallace W. Pratt, Jr. John carried the ball 19 times for a total of 110 yards and a touchdown scored from 1 yard out. Pratt was also commended for his excellent blocking. He makes this comment about the ballgame, "Wesleyan was pretty tough but they beat themselves with fumbles and mistakes. We made mistakes which must be worked out because the toughest part of our schedule is coming."

Chris Anderson is a 6'2", 200 pound quarterback from Hannibal, Ohio, the son of Marguerite Anderson. Chris has sparked the Pioneer offense a great deal this year and last Saturday was no exception. He had 11 completions of 19 attempts for 176 yards, and 1 touchdown. Anderson comments, "I had good protection, the defense played good ball and we came out on top."

Mark Watkins plays right guard in the Pioneer offensive line. Watkins is a 6'2", 210 pound lineman from Akron, Ohio, the son of Mr. and Mrs. Donald Watkins. He was singled out for his performance because of the grade he received when game film were graded. Watkins looks back on Saturday's game, "Wesleyan was tough but they made a lot of mistakes. We played a good ballgame by capitalizing on their mistakes."

Steve Buffington is a 5'7", 158 pound split end from Ravenswood, the son of Mr. and Mrs. C.W. Buffington. Buffington had an outstanding day from his pass receiving position, having 9 receptions for 162 yards and 1 touchdown. Buffington said in his comments, "If the field condition had been better, we may have beaten them worse. The team played a good ballgame and our defense came up with the big plays."

The following spring disaster fell. Frank went blind and was forced to drop out of school and congruently give up football.

Shortly before the famed freshman left school, Earl MacDonald Mercury sports writer shook Frank's hand and said, "See you in September at training camp, Frank." "Don't worry, I'll be back," replied Frank. On June 21, 1940, the 21 year old football star died of nephritis in a Baltimore hospital.

Frank never made it back, but with the Frank Montrose Award, he is once again at Glenville State.

Mark Reger, a junior defensive tackle from Shinnston, W.Va. was once again a standout performer for Coach Bill Hanlin's Glenville Pioneers. The 6' 230 pounder was all over the field Saturday to thwart Wesleyan's offensive drives. Reger made numerous tackles and assists and pounced on a Wesleyan fumble in Saturday's contest.

Reger stated "They were very good, a hard-hitting ball team along with being very experienced. They had a very experienced running attack. Also, our offensive line did an excellent job against them."

"Bluefield," noted Reger of the Pioneers' next opponent, "will be a good test for both our offensive and defensive line. They have two big, good running backs and they like to try to trap a lot."

Roger Bonnette, a 5'9", 170 pound defensive halfback, was a defensive standout for Coach Bill Hanlin's Glenville State Pioneers for the second week in a row. The sophomore from Marietta Senior High School intercepted a pass on the first play of the second quarter to stop on a Wesleyan drive, pounced on a fumble in the same quarter to thwart another and made numerous tackles all over the field in Saturday's 19-0 victory over the Bobcats.

"They were a pretty good football team, a lot better than I thought they'd be. They didn't pass as much as I thought they would but their ground game was working well and they didn't have to. I was just glad we won."

On Bluefield, the Pioneers' Homecoming opponent, Bonnette noted, "This will be a very tough game. They are fairly big and are strong and we'll have to play well to beat them. This is our homecoming and that will be an added incentive."

Scott Hamilton, a former Marietta Senior High School and Staunton Military Academy student, was a defensive standout in the Glenville Pioneers' 19-0 victory Saturday over the Bobcats of Wesleyan. The 5'9", 170 pound outside linebacker recovered two fumbles to stop Bobcat drives in the second and third quarters and was all over the slippery field throwing Bobcat runners to the ground. In addition to his linebacker duties, Hamilton also ran back three punts for seven-teen yards.

"Wesleyan had one of the better offenses in the conference," noted Hamilton, an All-Conference award winner. "It was a real close ballgame until the fourth quarter, when we scored twice."

On Bluefield, the Pioneers' Homecoming opponent this Saturday, Hamilton said, "They throw a lot and have two real good, big running backs. However, they throw anytime and anywhere. We should be able to beat them, though. This is Homecoming to the fans but, to me, this is just another ballgame we have to win in order to win the conference."

The 1972 GSC cheerleaders are from left to right: Sue Ann Maxwell, Becky Von Buseck, Jo Ann Westfall, Cathy Deem, Sandy Roberts and head, Sherri Catalano.

# Glenville State Downs Wesleyan 19-0

Clutch fumble recoveries by five members of Glenville's proud defense plus the dynamic running of John Pratt and the pass catching of Steve Buffington provided the trust last Saturday afternoon to spring the Pioneers past West Virginia Wesleyan, 19-0.

The Blue Wave starting out slowly, finally got their offense rolling in the second quarter after a scoreless first quarter. Glenville started their first drive on the Wesleyan 45. Stanley Harris picked up three, but a facemask penalty was called and the Pioneers had the ball on their own 37. Chris Anderson then put his golden arm to work hitting speedster Steve Buffington on a 35 yard hook-up. John Pratt carried the ball to the one, Harris was stopped for no gain, and on fourth and inches Pratt plunged over for the score. The try for the extra point was wide and the Pioneers ended up with a 6-0 lead at the half.

Glenville had another opportunity to score but failed to cash in on it. Anderson hit Buffington for a 38 yard pick-up, putting the ball on the six but a holding foul moved the ball back.

The second half opened up with the Pioneers being stopped on two long drives. Pratt and Harris made long runs the first time they had the ball, but a pass interception broke up the drive.

On the second series of plays, Scotty Hamilton recovered a Bobcat fumble on their own 24, but the Pioneers were unable to move the ball in. The third quarter was scoreless and the Pioneers still had their 6-0 lead intact at the start of the fourth.

Glenville's second touchdown carried 57 yards on 12 plays. Pratt carried the ball three times with gains on seven, eight and ten yards to give the Pioneers good field position. The big play of the series came on fourth and inches, when Anderson hit tight-end Kenny Morrison for an 11 yard pick up placing the ball on the 16 yardline. Randy DeBastiana carried the ball down to the one, where Anderson quarterback sneaked the ball over with

9:41 left on the clock. Chambers' extra point try again was wide on the left and the Pioneers were up 12-0.

Mark Reger's fumble recovery on the Bobcat's 34 set up the Blue Wave's final touchdown. Pratt went up the middle to the 10, but a holding penalty put the ball on the 19 yardline.

Buffington then put a great move on the Bobcat's defensive halfback to free himself in the endzone. Chambers' kick was good and the Pioneers went up 19-0 with 5:52 to go in the contest. The drive carried 34 yards and took four plays.

Wesleyan's offense could only muster up one good drive, this came near the end of the game when Coach Hanlin had taken most of his first liners out. The game ended with the ball on Glenville's one yard line. The Pioneers held Wesleyan on fourth and goal but an offside violation gave the Bobcats another chance but time ran out before they could get the play off.

John Pratt had one of the biggest days of his career gaining 110 yards in 19 tries. Freshman Stanley Harris also had a good day rambling 66 yards in 15 carries. Randy DeBastiana had 11 carries for 25 yards.

Les Hart was the leading Bobcat ball carrier with 91 yards in 27 tries. Quarterback Terry Landis did a good job of running the option play gaining 60 yards in 14 carries. Halfback Scot Jefferson had 55 yards in 14 carries.

Glenville amassed 391 total yards compared to 189 for Wesleyan. The Bobcats had three more first downs than Glenville, 21-18.

Chris Anderson had another big day passing-completing 11 of 19 for 176 yards. Back-up quarterback Eddie Williams completed one of one for 12 yards.

Anderson's key receiver Steve Buffington had a big day catching eight passes, and gaining 150 yards.

Glenville's record now stands at 4-1, the Bobcats drop to 1-4.

Members of the 1972 Glenville State College Football Squad include (from left to right): V. Butta, R. Smith, G. Moore, D. Sizemore, N. Christianson, L. Chapman, I. Braniff, C. Alloway, B. Taylor, R. DeBastiana, M. Rice, J. Pratt, K. Wilson. Row Two: S. Hamilton, H. Hoetzel, P. Ashby, T. Harvey, B. Garrison, C. Anderson, J. Mitchem, B. Werry, B. Lavoire, J. Chambers, J. Carter, M. Reger. Row Three: D. Evans, B. Pierce, R. Bonnette, M. Toney, B. Maynard, L. Facemyer, R. Hunt, P. Nettles, P. Fredrick, G. Matheny, K. Sayre, B. Smith, B. Hardman. Row Four: D. McDermitt, J. Harbour, R. Hudson, J. Selbe, B. Rhodes, M. Brown, M. Watkins, R. Richmond, S. Buffington, M. Robison, K. Morrison, E. Williams, R. Trickett. Row Five: C. Noble, D. Kittridge, J. McIntyre, H. Campbell, J. Mills, G. Welsh, W. Marshall, M. Cougar, R. Tomasini, T. Rellins, J. Fruit, T. Tyree, A. Ausberry. Row Six: D. Corbitt, R. Nutter, B. Dunfee, S. Dean, D. Price, S. Dean, A. Keith, D. Hunt, L. Wolfe, T. Williams, J. Rich, J. Cronin, J. Leggett. Row Seven: G. Brumfield, B. Nicholson, F. Marcinko, C. Stepp, Coach Summers, Coach Adolfson, Coach Milliken, Head Coach Bill Hanlin, G. Nicholson, D. Foutty, and D. Adkins.

The 1972 Homecoming Court is as follows: (L to R) Beatrice Brown, Freshman Princess; Sandi Suran, Senior Princess; Judy Bias, Homecoming Queen; Joyce Paugh, Junior Princess; and Diane James, Sophomore Princess.

All varsity men and women interested in bowling should meet Wednesday, October 18, at 3:00 in Room 209H.

Glenville is always a top contender for the bowling title. GSC has won the conference championship for the past three consecutive years and has received the Bowler of the Year award for the past five years.

## David Hewitt, New Pioneer

David Hewitt has been voted the Glenville Pioneer for 1972. Dave was voted spirit leader by his fellow students over two other worthy candidates, Mark Smith and Joe Parton.

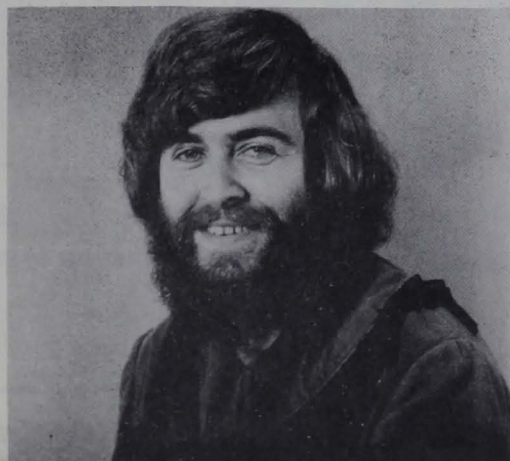

The qualifications necessary for a candidate are that he be a male senior who has a good academic standing and has never lettered in any sport at Glenville. With these demands in mind, the all-campus election was held and Hewitt won the election.

One of the biggest qualifications for a Pioneer is to grow a beard, and at year's Pioneer fits this requirement admirably. Dave has a full well-trimmed beard.

In an interview with the new Pioneer, he stated that being elected Pioneer, was a great honor for him. Dave also stated that he will strive to keep the spirits of the students up at all the ball games.

David is a senior business administration major from Glenville. Besides serving as Pioneer, David is a member of Tau Kappa Epsilon.

One of the key attention getters that will allow David to be readily noticed is his rifle. It is a .58 caliber replica of a Doug Aims issue muzzle-loader.

David Hewitt, shown above is the 1972 - 73 Glenville State College Pioneer.

## Tradition of GSC Pioneer Had Early Beginning In 1933

By Wade Coffindaffer

The tradition of the Glenville "Pioneers" had its start much earlier than most people realize. In the fall of 1933, it was decided to hold an election to select a spirit leader from the student body. The qualifications necessary for a candidate were that he had to be a male senior who had a good academic standing and had never lettered in any sport at Glenville. With these demands in mind, an election was held.

Charles Barnett had the distinction of becoming the first official Glenville "Pioneer." His duties were to be present at the coronation of the Homecoming queen, participate in the Homecoming parade and to lead the student body in enthusiastic backing of the football team at the Homecoming game. It might also be worth noting that Barnett rode in an ox-cart pulled by a team of yoked oxen in the parade. This was also to be part of the tradition.

In 1934, Homer Blackhurst was elected to be the "Pioneer" and received, as did many more after him, memberships into the G-Club for athletic and letter-sweater. This recognition became a big part of the honors bestowed upon the outstanding upper-classmen.

This tradition continued through the fall of 1942 when John Tyson was elected to the post. Then the war effort made it necessary to cancel the Homecoming activities until the fall of 1946.

In 1946, John Fiddler was elected to rouse the spirit of the students

at the Homecoming game with Concord. This was the only Homecoming game that ended in a tie score.

Again in 1954, Homecoming was out of the ordinary. The "Pioneer" for that year, William Rumbaugh, is probably the only one that did not preside at the Homecoming. Why? That fall, Glenville was victimized by a flood and the game was cancelled.

The "Pioneer's" regalia of a suit of buckskin, coonskin cap, muzzle-loading rifle and the jug has varied through the years, but the idea is still the same as in 1933.

When I talked with Robert "Butch" Hays, he recalled that when he was "Pioneer" in the fall of 1965, quite a few unusual things happened to him. For instance, during the football seasons, he used three different rifles: a Kentucky Long Rifle, a double-barreled muzzle-loader, and a 69 cal. muzzle-loader that belonged to the school. Of those three, two of them blew up.

In a conversation with the 1970-71 "Pioneer," Dan McPherson, I learned that his bad luck created quite an embarrassment for him. It seems that during the course of the 1970 Homecoming parade, his rifle fired only twice out of several tries. The first shot was at the beginning of the parade and the second one rang out as he finished marching.

The following is a list of "Pioneers" from the period of 1933 to 1970. Glenville "Pioneers": '33 Charles Barnett, '34 Homer Blackhurst, '35 Lloyd Metheny, '36 Millard Cunningham, '37 Willis Tatterton, '38 Clifford Garrett, '39 Herbert Brooks, '40 Johnson Burke, '41 Billy Adams, '42 John Tyson, '46 John Fiddler, '47 Jim Lilly, '52 Holt Gray, '53 Harold Butcher, '54 William Rumbaugh, '55 John Lazear, '56 Ronald Rokisky, '57 Marvin Stemple, '58 Bob Eakins, '59 Jim Brabham, '60 Bill Simmons, (Dr. Simmons of our English Department), '61 Ron Stoops, '62 Jim Rogers (a former faculty member of our art department), '63 Wes Bargeloh, '64 D. Maynard Shoemaker, '65 Robert "Butch" Hays, '66 Dale Campbell, '67 David "Grub" Stephens, '68 Michael "Boats" Taylor, '69 Roger Cutright, '70 Daniel McPherson, and '71 Pioneer Wade Coffindaffer.

Summer school for the 1973 session will be held in three three-week sessions and one nine-week session that runs concurrently. The normal credit-hour load for each student is nine hours, but a student may take ten hours with special permission.

## Past Homecoming Queens Listed In Event's History

By Linda King

Every college campus across the nation seems to have one thing in common and that is electing many different types of Queens. The most honored of any type of queen is the Homecoming Queen. Homecoming is an exciting time, and no Homecoming would be complete without the parade and most of all a queen.

The first Homecoming Queen was not crowned until Oct. 22, 1938. At that time Mrs. Lois Mason Mace was crowned Homecoming Queen by President E.G. Rohrbough. Mrs. Mace was graduated from Wirt County High School.

In 1939 Miss Jean McGee from Glenville reigned as the second Homecoming Queen.

Miss Ruth Annabell Hull, a resident of Glenville was crowned queen on Oct. 26, 1940.

1941's Homecoming celebration crowned Miss Madlyn Conrad as GSC's fourth Homecoming Queen. In October, 1942, a new president D.L. Haight crowned Miss June Wilson of Clarksburg Queen of the Homecoming celebration.

In October of 1946 Miss Katherine Hall a resident of Hallburg, W.Va. was crowned Homecoming Queen.

In 1947 President Heflin crowned Ella Mae Scott of Beckley Homecoming Queen for that year.

The student body chose Jo Ann Foreman of Porter to be Homecoming Queen in 1948.

The next year (1949) Queen Altruda Taylor reigned over the Homecoming festivities. Miss Taylor was from Richwood.

A commerce major from Cowen, Miss Nadine Clark, was the tenth Homecoming Queen. Miss Clark was crowned in October, 1950.

Miss Doris Perkins was chosen as Homecoming Queen on October 20, 1951. Miss Perkins was a music major from Nicholas County.

The Homecoming celebration of 1952 had Dorothy Terril reigning as Queen. Miss Terril was from St. Marys.

The thirteenth Homecoming Queen was Miss Sally Waggoner of Elizabeth who was crowned in October, 1953.

In 1954, Miss Elaine Bell was honored as the 14th GSC Homecoming Queen. Miss Bell was from Huttonsville and a business administration major while at Glenville. Miss Bell was active in many activities such as FTA, Ohnimgohw Players and Kappa Chi Kappa sorority.

In 1955, Miss Mary Lee Foster was elected by the student body to reign over the 23rd Homecoming event.

The next year (1957) an elementary education major from Richwood, Miss Rose Marie Gwinn, reigned over the 24th Homecoming events. Miss Gwinn was on the Mercury staff and Editor of The Kanawhachen while at Glenville.

Renee Louann Scherer  
Train Bear

Miss Leona Hampton in 1958 reigned over the 25th Homecoming festivities. Miss Hampton was from Richwood, W.Va. She was a social studies major and a member of Kappa Chi Kappa sorority.

In 1959, Miss Flora Ann Dyer was crowned Homecoming Queen over the 26th annual Homecoming festivities. Miss Dyer was from Flatwoods and while at Glenville she was a member of Phi Delta Phi and president of WV College Home Economics Association.

In 1960, Miss Mary Ann Graham was crowned the 27th Homecoming Queen. Miss Graham was from South Charleston, and was president of Kappa Chi Kappa while at Glenville.

In 1961, Miss Shelia Wilmoth from Millstone, held the title of GSC Homecoming Queen.

Miss Betty Ann Brown in 1962 was elected by the student body as GSC Homecoming Queen. Miss Brown was from Orlando.

A Glenville girl in 1963 held the title of GSC. She was Miss Mary Jo Nocida. Miss Nocida was active in many events while at Glenville State.

In 1964, Miss Maribeth Taylor from Rainelle, was crowned Homecoming Queen to reign over the 31st annual Homecoming events.

The next year in 1965, Patsy Ruth Brake was elected Homecoming Queen. Miss Brake was from Canvas and was a home economics major.

Miss Sandra Kae Salyers, in 1966 was crowned Homecoming Queen to reign over all Homecoming events. Miss Salyers was from Parkersburg, and a member of Alpha Sigma Alpha sorority.

A Pennsylvania girl held the title of GSC Homecoming Queen in 1967. Miss Patricia Guzzie reigned over the 34th annual event. Miss Guzzie was from Belle Vernon, Pa. She was a member of Delta Zeta sorority.

In 1968, Gloria Jean Halbert was crowned Homecoming Queen. Miss Halbert was from Parkersburg, an elementary education major, and a member of Delta Zeta sorority.

Miss Brinda Kay Sinnott was crowned in 1969, GSC Homecoming Queen. Miss Sinnott was from Harrisville, and a physical education major. She was also a member of Nu Lambda Psi sorority.

In 1970 Miss Julia Murin was crowned Homecoming Queen to reign over the 37th annual events. Miss Murin graduated in May from GSC where she was an English major and a member of Sigma Sigma Sigma sorority.

Last year Miss Brenda Evelyn Dillon was crowned the 1971 Homecoming Queen. Miss Dillon, from Richwood was a member of Theta Girls and Kappa Delta Phi honorary society. She was an English major and physical education minor.

Carl Franklin Pennington III  
Crown Bear

Twirler Bev Yeman, Mike Barnhouse, Drum Major and Greg James, twirler are shown as they rehearse for Saturday's activities.

## Two New Twirlers Featured

The Glenville State College Pioneer Band has two new people leading it this year. In case the average spectator hasn't noticed, they consist of a young man and woman, who during half time performances, astound us with their quickness and skills in twirling.

The young lady, who is very often referred to as "the little twirler," is Miss Bev Yeman of Elmira, New York. She is the 18 year old daughter of Mr. and Mrs. Donald Yeman. Miss Yeman was a majorette in high school four years where she held the position of

captain for two years. Miss Yeman has had four years of twirling lessons, attends camp every summer, and gives twirling lessons in New York.

This young lady who is 4'9" with dark brown hair and hazel eyes is a physical education major and says that she likes Glenville because everyone is so friendly.

The male member of the twirling team is Greg James, a 17 year old freshman from Glenville, son of Mr. and Mrs. Clark James. Mr. James was drum major at Gilmer County High for three years. He is 6' with dark brown hair and is majoring in music.

James has won several twirling and strutting contests and in a recent Ohio contest beat the state champion twirlers of Ohio, Indiana, and Pennsylvania.

We are looking forward to these two newcomers' performances during this football season.

"Those Were the Days" featuring the majorettes, "St. James Infirmary" featuring the twirlers, and "Beginning."

This year's Big Blue Pioneer Marching Band has eight seniors, twelve juniors, eighteen sophomores, and twenty-two freshmen. Thirty-five of these members are new. Leading the band is Mike Barnhouse, Drum Major; Greg James and Bev Yeman, twirlers; and Russee Ann Garrett, Kathy Eye, Susie Wagner, Rosie Weaver, Ellen Forren, Darlene Rogers, and Karen Frondt, majorettes.

## Blood Drive Held; IFC-NPC Thanked

The IFC-NPC blood drive was held in the Pioneer Center Ballroom on Thursday, Oct. 5th. The blood drive was conducted by the Tri-State Blood Center of Huntington in conjunction with the Calhoun County Chapter of American Red Cross. Credit is due to the Greeks on the GSC campus who organized and aided in the operation of the program.

Although it was physically impossible to meet the established blood unit quota of 350 pints, the one-day visit of the Red Cross blood donor facility was a tremendous success. In lieu of the fact that the quota could not be met in this visit, the Red Cross has agreed to return in the spring. It should be noted that those persons who donated on last Thursday's visit will be eligible to donate again this spring.

Total volunteer working hours for the program (including: M.D.'s, registered nurses, several Red Cross staff members, and 59 student volunteers) amounted to 168 man hours of work. The statistical results of the Oct. 5th visit, show that 229 persons presented themselves as prospective donors; 69 persons were deferred for medical reasons, therefore productive donors equalled 154. In short, since our goal was 350 pints, and 154 pints were obtained, the drive which is tentatively scheduled to be conducted this spring must obtain 196 units of blood. The spring visit, however, will be longer (two days) and better equipped in order to facilitate the processing of a larger amount of donors.

The student body, staff, faculty, and administration are to be commended for their generosity in such a humanitarian gesture. President D. Banks Wilburn has expressed his thanks and appreciation to everyone concerned with the blood drive. He stated that the "drive was an ultimate success in every way," and that such an event was a "reinforcement of his faith in human nature." Furthermore, the student body should be especially congratulated for their superb cooperativeness and participation in the drive. The Greeks at Glenville would like to express their gratitude to the Tri-State Blood Center and the Calhoun County Chapter of the Red Cross who made the program possible. It is sincerely hoped that the spring drive will be equally successful.

Miss Vickie Ratliff is shown interviewing Mrs. Louise Leonard, Republican candidate for the U.S. Senate.

## Computer Complex

(Continued from page 1)

with this class to allow students an opportunity to gain experience on a wide variety of equipment, including: key-punch, data recorder, sorter, accounting machine, verifier, and collator.

Computer Science 355 -- Introduction to Computers and Computer Programming -- is the second course now in the GSC curriculum. It deals with computer concepts, elements of a computer system, storage and retrieval of information in a computer, operation and management of a computer installation, time sharing of computers, teleprocessing, and an introduction to several computer programming languages. This class is scheduled for 9:00 MWF during the Spring semester.

A laboratory experience is arranged with this second course, too. Last year's class used the IBM Communicating Mag Card Terminal at GSC to process its programs through the Computer Center at West Virginia University. It is anticipated that students taking the class next year will use both System/3 and WVU's computer resources. Glenville State College will then join Fairmont State College as the two state institutions offering students this accelerated degree of computing instruction.

Because the College does not plan to offer a four-year technical degree in computer science, GSC is studying the needs and trends of businesses with majors in the business environment to determine what courses and facilities it should offer to meet their

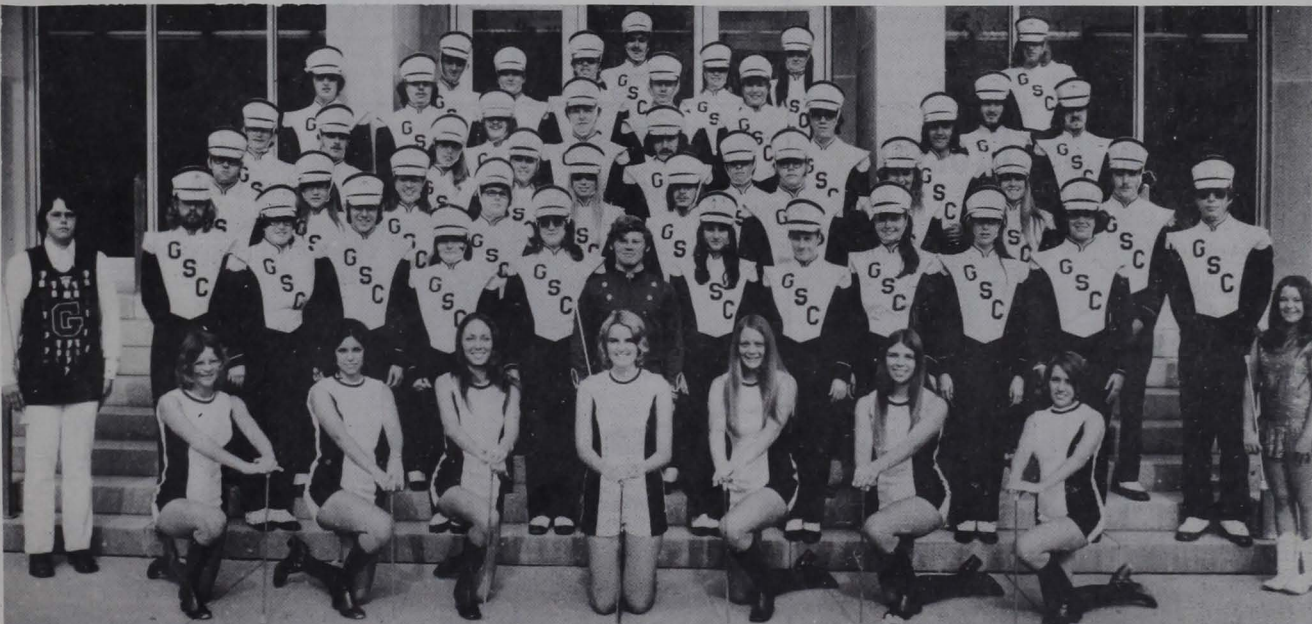

requests for well-educated personnel for responsible positions. GSC believes that many computer-related activities can be intermingled with current course offerings. While additional courses may be necessary, the College expects to include them within subject concentrations in the Division of Business. This will permit the College's business administration general studies program, recommended by professional educators and praised by business leaders, to continue as an integral part of the students' total preparation.

## Oct. Calendar

The October activities calendar as released by the Dean of Student Affairs Office includes a varied selection of programs for the Glenville State College Student.

The meetings to be held for the remainder of October include: The production of the play *Butterflies are Free* by the drama department Oct. 18, 19 and 20, and a State Student Education Association Meeting to be held Oct. 21. October 22-23 will be the try-out for a Readers/Theatre Production, drama department's second production this season. Recital programs will be given by members of the Music Department Oct. 24-25-26. The 27th of October will be a presentation of a movie by the Veteran's Club.

## 1972-73 PIONEER MARCHING BAND

The band is shown above with its twirlers, drum major and majorettes left to right: Rosanna Weaver, Susie Wagner, Russee Garrett, co-head; Darlene Rogers, Sharon Frondt, Ellen Forren, Cathy Eye, co-head.

# What's Up Doc?

Here are a few of your questions answered. If you have a particular medical question or a personal question that may be answered medically, address your question(s) to "What's Up Doc?" Just drop these in the mailbox

Mr. Jeffrey Del Col

## Mr. Jeffery Del Col Is New English Instructor

Mr. Jeffrey Del Col has been employed as a new English instructor here at the college. Mr. Del Col is teaching English 101, English 202, and English 315.

He is originally from Cleveland, Ohio, however, he received most of his college education in West Virginia. He attained his MA degree in English at West Virginia University where he did his MA thesis on Christopher Marlowe. He also holds an AB degree in Political Science received at West Virginia University.

By Doctor Manley

at the switchboard in the Administration building or leave them in the Mercury office.

Only your continued interest will keep the column interesting.

Q. How long does it take a fractured clavical to heal?

A. Fractures of all bones in the body generally will be considered to be mechanically healed in six weeks. Complicated fractures will take longer. Simple incomplete fractures (sometimes called "greenshick" fractures) may be treated in little less time.

Q. What is the best way to cope with an ulcer.

A. Ulcers among college age students generally are of psychosomatic nature. Examine your own personality and tensions in your college environment.

Medication for ulcers are many and varied and it will be a matter of your doctor's individual medication for your problem.

Q. Is it true that some doctors will not treat VD?

A. I personally do not know of a physician who would not take the opportunity to rid a patient of VD. If it is a problem case of long standing, it might be advisable to see someone specializing in that field.

Q. Is make-up dangerous for the skin? Can it cause acne and blemishes?

A. Many persons are allergic to the contents of some of the cosmetics that are frequently used today. A prime example would be eye make-up.

Many people that do not react to other cosmetics will react to the ingredients of eye shadow, eye brow pencil, and mascara. Anyone finding irritation to their skin from any form of cosmetics should eliminate usage of it or look to a brand that is hypo-allergenic.

Serendipity Singers

## Serendipity Singers To Appear

The "Serendipity Singers" were first formed in 1963 at the University of Colorado. From that instant on, they were dubbed for stardom. Their first major engagement at the Bitter End Cafe in New York City was such a success that it brought them to the attention of the producer of the Hootenanny Show, who immediately signed the group as regulars for the network television program. From that day on, the group has played approximately 800 colleges, 49 states, 15 countries, and has recorded 6 albums. They have played on the Dean Martin show, Mike Douglas show, Ed Sullivan Show, Johnny Carson and approximately 30 other network television specials.

The group travels approximately 200,000 miles each year which encom-

pass major nightclubs such as the Playboy Clubs, Harrah's, Lake Tahoe and Reno, and of course, a heavy accent on college concerts.

To hear the "Serendipity Singers" on an album is not enough! To experience them, you must see them in person. Perhaps this is where the groups' greatest success lies - in the excitement of college concerts.

Mrs. Yvonne King, Director of News Service and Publications at Glenville State College and Miss Dianna Moore, editor-in-chief of The Glenville Mercury, appeared at Parkersburg High School Monday, Oct. 9. Their purpose was to participate in a journalism program oriented by Mrs. Carolyn McCune, journalism instructor at Parkersburg High School.

The program concerns weekly and daily newspapermen and college publications. Students in three classes were allowed to ask questions concerning journalism hours and degrees at Glenville State College and College publications in general.

ment they generate among themselves as well as the audience. The "Serendipity Singers" will appear Saturday, October 14 at 8 p.m. in the auditorium; admission by I.D. The "Serendipity Singers" are a presentation of the GSC Lyceum committee.

As defined in the dictionary, serendipity is a discovery of a new and happy event. As used in the colloquial sense it is the ability or art of doing things well at the same time. Both of these definitions reflect the essence of what is now the most exciting and refreshing singing group today.

### Final Exams To Be Changed

This semester final exams will be given differently. The examinations will be given during regular class periods and the classes will continue to meet as scheduled through 5:00 p.m., December 19. The semester ends two days earlier than shown in the College Calendar.
