W. Va. Land Surveyors Meet In Forestry Dept.

The Board of Directors of the W. Va. Association of Land Surveyors held its quarterly meeting, Jan. 20 in the Forest Technology Building on the Glenville State College campus. Meetings of the Board of Directors are held in various locations throughout the state.

The Board of Directors makes policy for and carries out the business of the W. Va. Association of Land Surveyors. The Association was organized in 1969 to improve the practice of land surveying in the state.

RCIE Student Institute Offers Social Workshop

The first Regional Council for International Education Student Institute, held at Bethany in November, was widely acclaimed. There were 162 participants, representing 22 RCIE schools. The next Institute program is scheduled for Feb. 23-25 at Kent State University. The Institute will deal with the nature of response to social change. It will investigate political, social, and educational institutions and the arts in an international perspective. Students will carry the major responsibility for discussions, but faculty resources will be employed to give keynote presentations for each of the three major topic subdivisions.

Among the few universals in the world today is a concern for change. All students and faculty with an interest in the subject are invited to participate. International students are particularly invited. Glenville State College is interested in organizing a group of students to travel to Kent State to participate in this symposium.

Raise In Entertainment Fees Proposed To Provide Bigger Name Performers

A noticeable desire on the part of GSC students for both additional and bigger name entertainment prompted a proposal of an increase in student entertainment fees.

The Convocation-Lyceum Committee, whose responsibility is that of providing cultural and light entertaining programming, has been functioning for several years with one of the lowest budgets of all West Virginia colleges and universities. The budget has been limited to some \$6,500 a year, yet despite a small increase of fifty cents per student per semester, this past year the budget has not grown. The decline in enrollment since 1969 of about 200 full time students brought about a decline in the budget, thus making the 1969 budget of \$2 per person, per semester as large as our current budget of \$2.50 per student, per semester.

Fees throughout the state range from \$2-\$25 a semester which in turn is multiplied by the number of full time students. Currently GSC students are paying a fee that ranks near the bottom in comparison with other colleges, while the colleges entertainment budget is the state's lowest.

It is not difficult to understand, the problems of trying to provide programming of both quality and quantity with a budget of \$6,500 while other schools in the state are operating on \$20,000 to \$300,000 per year.

The request for a fee increase and the subsequent referendum should clearly represent the students' desires of more and better entertainment. The change in fee would increase both quality and quantity of current

March 10 Deadline Set For Miss GSC Pageant

This year the Miss GSC Pageant will be held Thursday, April 12 at 8 p.m. It is hoped that there will be more participation from all students on campus. In order to do this, all organizations on campus are invited to put up a candidate. This includes fraternities, Ohmingshow, band, choir, etc. As usual, there will be three girls, or perhaps only two, from each sorority. The organization must pay a \$10 entry fee for each candidate entered. The entries must be turned in to the local director, Terri Boso, in Apt. 100 C or Box 120-C, no later than March 10.

The winner of the Miss GSC Pageant will be entered in the Miss West Virginia Pageant and will be presented a \$2,000 scholarship. The six semifinalists receive smaller scholarships. From there, Miss W. Va. moves on to the Miss America Pageant. Larger scholarships than ever before are being offered this year.

It is something for one to begin thinking about. Each organization is urged to give some thought about a candidate to represent them.

GSC Students Invited To Attend AAUW Meet

Women of the campus! Welcome is extended to you to attend the next meeting of AAUW to be held at Wesley Foundation, 7:30 p.m. on Thursday, Feb. 1. The program will feature a film called "Woman's Place?" a panel discussion dealing with current issues in the feminist movement.

Accompanying the film will be discussion by the audience based on both the film and on a list of books dealing with aspects of the subject of woman.

With Glenville State College as a corporate member, all women students and faculty and staff are automatically entitled to attend as corporate members.

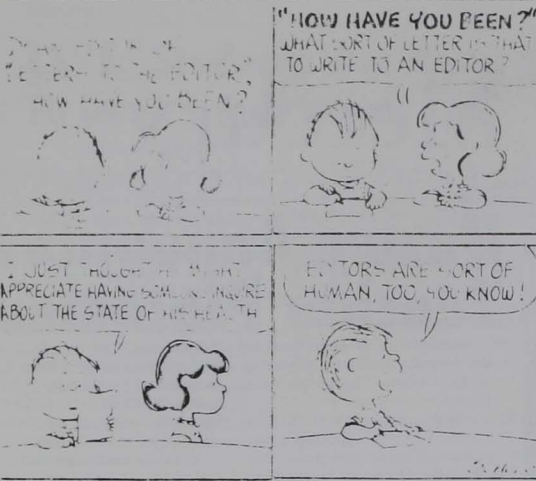

Mr. Steve Nichols, art instructor, is shown with his own work at the print show in the Multi-purpose Room.

O.U. Artists Exhibit Work

A traveling print show is on exhibit now in the multi-purpose room of the Pioneer Center. The exhibitors are students, faculty and guest artists who have created works in the print workshop at Ohio University. The exhibition presents 28 images in lithography, etching, relief and silk screen, some of which include photographic aids. Works by Donald Roberts and Abner Jones of the Ohio University staff and Steve Nichols of Glenville are included. Several prints in the exhibition are available for purchase.

The show will remain in the multi-purpose room until Feb. 7 and is open daily.

LAKE PARK, IOWA, NEWS: "If you think you have troubles pity the poor editor — if he attends a meeting he's being nosy, if he doesn't he isn't interested. If he writes an in-depth story, it's too long, if he condenses one, it's incomplete. If he takes sides on an issue he is prejudiced, if he doesn't he is a coward. If he asks for advice, he's incompetent, if he doesn't he is a know-it-all. If he makes a mistake he hears about it for weeks, if he doesn't he never hears about it. If he expresses an opinion, he wants to run the show, if he doesn't he lacks guts. If he misspells your name, you never forget it. If he doesn't you didn't read that story."

Defense of the GSC Yearbook

This year's yearbook, which recently came in was the subject of many conversations, at least for a few days. People have hated it, and others have liked it. It is my purpose here to answer some of the "charges" against the Kanawhachen, to explain a few things, and to justify a few more. Now, my authority on yearbook production is somewhat limited, because I have never worked on one, but I have had a class entitled "High School Newspaper and Yearbook Production" in which I learned a few of the basics.

The biggest complaint was its lateness. This, I agree, should never have happened. However, the fault here was the GSC photographer who never got around to taking or developing pictures, consequently leaving the yearbook very stuck for pictures. As a result, the duty of getting pictures was left to Chuck White, the Mercury photographer who not only takes pictures for the Mercury, but for weddings, brochures, sorority and fraternity composites, ball teams, and play casts, and 90,000 other things. Chuck is to be commended for getting anything done at all. The other photographer must have had some really good reason for letting the school down, like a girl, or a fraternity or something.

Some people said that pictures of underclassmen should have been included. There is validity to this complaint. When someone asks a student if they know so-and-so, they might not be able to find them in the yearbook. A yearbook is a sort of social-reference book. On the other hand, for whom is the yearbook except for seniors? And their pictures are included. There is also something to be said against "mug shots". Maybe it's my imagination, but it seems to me that such pictures always make the better looking people look gorgeous, and people like me that "need a break" look like they've been run over by a truck. Also, my sources tell me that only about 300 underclassmen showed up to have their pictures taken. But that's par for the course around here: don't show up to have your picture taken and then stream when its not in the yearbook.

As for the Kansas City NAIA pictures, what happened was this. The printer put the wrong color down first, and then put the other on top of it. It was supposed to look like the pictures on pages 4 and 5. Meanwhile, look at them under a black light. You ought to be able to see them, then, and if you're in a good mood you'll have fun, too.

Another slip of the printer's was that they were supposed to put a page in the center telling the readers to turn the book around. But if you're not smart enough to do that without being told, read it upside down. I don't care.

Two arguments against the yearbook don't even deserve rebuttal. One is that the yearbook is "too much art." But what is a yearbook except photographic artistry? Another is that it was too full of centennial pictures. I think it is only proper for a book, the purpose of which is primarily reminiscence, printed in a year when every activity was centered around reminiscence, be composed of those remembrances of the past.

True, the 1972 Kanawhachen has its faults. Few will dispute that. But it is a reminder of our Centennial year.

4 New Faces Seen On Mercury Staff

A new staff for the Glennville State College newspaper assumed its duties for the second semester with the Jan. 19 issue of the Mercury.

Members of the new staff include Ruth Swatzyna, editor-in-chief. This resident of Beckley, a senior, has served previously as editor and assistant editor.

Other members of the staff are: James Bleigh, assistant editor; Steve Boilon, News Bureau director; and Mike Rust, sports editor. Also, Jo Conley, Kim Jones, and Sandra Roberts, IBM operators; Vic Fitzsimmons, circulation manager; Rick Waller, advertising manager; Chuck White, photographer; and Kay Bunton, Patsy Reeves, and Ruthann Shanklin, typists.

Mrs. Yvonne H. King, advisor, selects the news staff each semester.

Ruth Swatzyna, editor-in-chief of the Mercury, shows the headlines to Patsy Reeves and Kay Bunton, two new Mercury typists.

ASA Attains #1 Average

Jean S. Wright, Dean of Women, has announced the sorority grade point average for the first semester of 1972-73 and all of the individual members with 3.00 average or better.

According to the statistics, Alpha Sigma Alpha was first with a 2.73 average. Next was Delta Zeta with a 2.72, followed by Sigma Sigma Sigma with a 2.71. This made the overall sorority average 2.72 and the overall women's average 2.71.

The girls comprising the averages included: Alpha Sigma Alpha-Phyllis Barnhart, Janie Cochran, Marlene Gregory, Barbara Groves, Vicki McGraner, and Nancy Taylor. Delta Zeta-Jody Athey, Kay Woody Bunton, Patricia Canterbury, Sherri Catalano, Cheryl Chaddock, Brynda Dunlap Dillon, Pamela Greyndols, Paulette Jackson, Peggy Ward McDonald, Connie Kuhl, Barbara Wall Lipscomb, Judy Meads, Barbara Nicholson, Patsy Reeves, Beverly Rogers, Susan Smith, Donna Sowa, and Sandra Suran. Sigma Sigma Sigma-Margaret Ball, Judy Bias, Kathy Casey, Kathy Wagner Carpenter, Susan Chapman, Debbie Hardman, Melanie Hess, Marcia Huffman, Kim Jones, Avela McElwain, Debbie Moody, Jackie Morton, Lucille Nakoneczny, Cathy Rader Cowan, Brenda Rose, Janet Rose, Jenny Pitzer Sirk, Phoebe Sunderland, and Diane White.

Tri Sigma Sisters Plan Virginia Trip

Sisters of Sigma Sigma Sigma sorority are making tentative plans to visit their national headquarters at Walton House, Woodstock, Va. The Delta Alpha chapter will be initiating their spring pledge class of 1973 there. In order to finance this trip, several money-making projects have been scheduled.

Thus far, a spaghetti dinner is being planned for February 14. It will be held in the ballroom with entertainment provided. Tickets may be purchased from any member of Tri-Sigma.

Another project that will coincide with the spaghetti dinner is the election of a Sigma Hero. There will be one representative from each fraternity and two independents participating in this contest. Voting will be held in front of the cafeteria and votes will be by contribution. This Tri-Sigma Hero will be announced at the spaghetti dinner. As a part of his honors, the sisters will perform various tasks on his behalf such as washing his clothes, baking cookies for him, and other activities.

The sisters of Sigma Sigma Sigma will greatly appreciate all support in attaining their goal.

Solutions Suggested For Parking

It has been almost a year since the Glennville State College basketball team went to Kansas City to play in the National Association of Intercollegiate Athletics (NAIA) tournament. At that time I wrote a letter to the editor of the Mercury denouncing the parking situation here.

In my letter to the editor I suggested a commuter parking lot be established. I also suggested that more space be needed. Neither has been accomplished although parking was included in the Board of Regents plan for this college.

The only progress in this parking situation, since the NAIA tournament, has been the paving of the large parking lot below the Administration building. Although this didn't increase the available space, it did add to the convenience of parking in that lot.

On two mornings of this semester I arrived here with about ten or 15 minutes left before class. By the time I had checked all parking lots and found that I had to park about five minutes' walk away, I had little time left. One of the mornings I was late for class; another I had about five minutes before class. On one of these mornings I also noticed Dean Jean Wright having trouble finding a place to park and she had a reserved staff space that I didn't have available to me.

I believe that the immediate answer to the parking problem is to enforce no parking stickers rule for anyone under 21, unless they commute. This would make more spaces available for those who do not live within a five minute walk of the school. A better solution, but more expensive and one that would take more time to make available, would be another 25-50 space parking lot.

Although the ones who are in the best position to do something about the parking situation are the least affected (which is usually the case at GSC) the ones of us who are most affected should let them know our feelings on the subject and get something done if not for us at least for those to follow.

Pioneers Demolish Beckley By 78-52

Glenville State College broke open a tight ballgame the first ten minutes of the second half to go from a 29 - 27 halftime lead to a 56 - 31 lead with 9:25 left in the contest, enroute to a 78 - 52 victory over Beckley College Friday night.

The Pioneers shot poorly in the first half as the blue wave did not make a field goal until Steve Datcher's layup with 14:22 remaining in the half. The game was tied four times at 8, 10, 12 and 14 before the Pioneers held a 25 - 21 lead with 2:45 to go in the half.

Beckley came roaring back on six straight points by Mike Wicks to give the Hawks a brief 27 - 25 lead. Ron Jones came right back on two layups to give the G-men a 29 - 27 lead at half.

The Pioneers came out running and shooting the second half to outscore Beckley 27 - 4 the first ten minutes of the half. Earl Hawkins,

Steve Datcher and Ralph Cook combined for 20 points during this period of play. Many of these baskets came off fast break situations set up by the fine passing of Jim Garnett and Gene King, who had replaced Ron Jones when "Itchy" picked up his fourth foul with 17:19 remaining in the game. John Hudson also did a fine job replacing Steve Datcher who picked up his fourth foul with 14:17 to go in the half.

The blue wave stretched a 56 - 31 lead out to 76 - 48 with 1:05 left in the contest before rolling up the final count of 78 - 52.

GSC was led in scoring by Earl Hawkins with 20 points. John Hudson, Steve Datcher and Ron Jones came in with 14, 13 and 10 markers respectively.

Beckley was led in scoring by Mike Wicks with 14 points and Mike Goad with 9.

Jumping Earl Hawkins goes high up into the air in last Friday's contest against the Beckley Blue Hawks. The Pioneers defeated Beckley 78-52.

First Two Ballgames Lost By Girl's Basketball Team

The GSC girl's basketball team started their 1973 season on the road January 19 when they travelled to Charleston only to be defeated by the First Presbyterian Church team. The Church team made an excellent performance against the GSC girls.

Saturday, Jan. 20, the team played their second game against Morris Harvey on their home court in Charleston. The GSC team played a tough defensive game but 3 GSC starters; Newberry, Archer, and Elmore fouled out and Morris Harvey pulled away in the second half to win with a final score of 42-30.

The following girls scored points in the GSC vs MH game: Donna Newberry-14, Jane Archer-4, Leah Ball-3, Karen Goodall-2, Kathy Perkins-1, Barb Walker-2, and Karen Froendt-4.

Monday night, January 22, the GSC team travelled to Alderson Broadus College to defeat AB 42-30.

GSC shot 31% from the floor and the scoring was as follows: D. Newberry-10, K. Froendt-9, J. Archer-8, L. Ball-8, C. Cole-4, B. Walker-2, and C. Hunter-1. The girls played their first home game Friday at 6:00 p.m. against Marietta College.

'Grapplers' Defeat MH

In their home debut, Coach "Whitey" Adolfsen's mighty grapplers scored a very impressive win over the Golden Eagles of Morris Harvey.

With the help of four M.H. forfeits, the Pioneers won nine of ten matches, five by pins. Receiving wins by forfeits were 118 lb. Jimmy Neal, 126 lb. Luther Hanson, 190 lb. George Welch and unlimited Terry Tyree.

The fastest of three Pioneer first period pins came in the hands of 134 lb. Jerry Harris, who took only one minute and five seconds to nail his opponent. It took injured Mike Snyder at 142 lb. class almost seven minutes to finally pin his man. Action at 150 saw Steve Lewis score a fall with 35 seconds gone in the second period. The slowest first period fall was registered by Captain Brian Taylor 158 lb., with a time of 1:45. Joe Mills scored the final pin and win for the Pioneers, sticking his 167 lb. opponent in 1:42 of the first period.

Corby Stalnaker in the 177 lb. class gave MH their only win of the match when he fell victim to a fluke move and was turned over for the fall.

This victory ups the Pioneer record to three wins against no losses.

GSC Matmen Edge AB Team On Jan. 17

On Jan. 17, the GSC wrestling team journeyed to Phillipi to do battle with the Alderson Broadus wrestlers. For the second time this year, the Pioneers brought home a very convincing win. With the help of one forfeit, the final score stood at 35-11 in favor of Glenville.

Starting the team win-off on the right foot, 118 pounder, Jimmy Neal, won a 13-4 decision. Luther Hanson, 126 lb. dynamo, registered the first pin of the evening by sticking his opponent in the middle of the second period. Jerry Harris, a freshman from Calhoun, was on the receiving end of the only AB forfeit. At 142 lbs., Mike Snider scored a well-earned decision over his rival by a score of 5-2. The second fall of the evening came at the hands of 150 lb. Steve Lewis, who pinned his man at the start of the second period. The 158 lb. action saw Pioneer captain Brian Taylor struggle through a very tough AB opponent by a 4-0 score.

Freshman Joe Mills, 167 lb. class did an excellent job of controlling last year's 177 lb. conference champion until late in the third period when his opponent scored four quick points to force Joe to settle for a tie. The third win by pin was secured by 177 lb. Corby Stalnaker who nailed his opponent with two minutes left in the third period. The first of two Pioneer defeats was felt by George Welch at 190, who lost a 7-1 decision. Unlimited action saw AB's behemoth heavy weight turn Terry Tyree with 45 seconds left in the third period.

The win upped the Pioneer's record to 2-0 for the season.

Bowlers Ranked Third In Regional Tournament

Glenville State College Bowling Team in their first Regional Tournament, Saturday, January 20, placed third behind, first place Alderson Broadus, and second place Morris Harvey. This also presently gives our keglers a third place ranking in the conference.

Leading our bowlers this season are two veterans of last year's squad. One, David Grapes, from Parkersburg, had a sizzling 197 average and finished fourth in terms of individual averages. Jim Mattox, the other veteran on the squad bowled a 167 average.

Three freshmen made a nice debut into conference bowling, Tom Newberry, from Parkersburg, bowled a 186 average; Sam Ferrell from Pt. Pleasant, had a 177 average; and Ron Vaughn, from Warren, Ohio, had a 163 average. Rich McFee, from Elizabethtown, also bowled in this tournament, for Glenville but had an off day.

G-Men Prove Skill In Monday's Battle

Ron Jones and Ralph Cook combined for 41 points to lead Glenville State College to a 86 - 63 victory over W.Va. Wesleyan Monday night.

The Pioneers took the lead for good at 4 - 2 on a jump shot by Ron Jones at the 19:00 mark of the first half. The G-men increased their lead to 18 - 8 on some fine outside shooting with 15:22 left in the half.

Wesleyan then chipped away on the fine shooting of Skip Davis and cut the Pioneer lead to 24 - 20 with ten minutes left in the half.

The Pioneers, then within a five minute span, moved out to their largest lead of the first half at 35 - 20. Wesleyan then cut the lead to 41 - 30 at intermission.

With Ron Jones' red hot outside shooting and Ralph Cook's dynamic

play on the boards, the Pioneers moved out to a 61 - 44 lead with 9:28 left in the contest. Besides scoring 21 points the "Bear from Blair" also pulled down 18 rebounds.

As the blue-wave continued to control the boards and get fine all around play from Jim Garnett and Steve Datcher, GSC rolled out to a 86 - 61 lead right before the end of the contest.

Following Cook's 21 points, were Ron Jones 20, Steve Datcher 18, and Jim Garnett with 10.

Skip Davis led Wesleyan in scoring with 21 while Randy Smalridge and Dave Clapp finished with 14 and 11 markers, respectively.

GSC now has a record of 12 - 3 overall and 7 - 3 in the conference.

Swim Team Takes Win Classic Finale, 57-56

Coach Ed Smith and the GSC swim team played host Jan. 20 to a strong and very determined Berea team. The meet was a nip-and-tuck battle from the start, only to end in a classic finish, with the Pioneer's 400 yard relay team grabbing seven crucial points in the final event of the day to gain a 57-56 victory for the Pioneers.

First place honors went to Curt Harper and Terry McCartney in the 200 yard and 50 yard freestyle, respectively. Ken Wilson placed second in the 1000 yard freestyle and made a strong showing in a come-from-behind victory in the 500 yard freestyle. Besides those first place honors, there were other individual honors scored by some of the G-men in the meet. R.J. West-

brook and Terry Moore, while only scoring second place in their events, did set new school records in these events. Westbrook bettered the Pioneers mark in the 200 yard breaststroke to 2:57.3, while Moore lowered the mark in the 200 yard backstroke to 2:44.8.

The G-men's number one diver Gary Moore is still doing a fantastic job. In this meet he placed first in the required diving and second in the optional dive. But the 400 yard relay team, consisting of Bill Smith, Gary Fields, Curt Harper and anchorman Terry McCartney was the real hero for the day, with that superb victory in the last event while trailing the Berea squad 50-56 and giving the Pioneers the 57-56 victory.

Exhibition Chess Match Will Be Held on Campus

The West Virginia Chess Champion will challenge up to 50 persons in a simultaneous chess match. Dr. John Phythyon, Assistant Professor of Biology at Bluefield State College, is the recent winner of the 1972 State Chess Match defeating the former champion Charles Szasz of Charleston.

The match will be Saturday, Jan. 27, at 1:00 p.m. in the ballroom of the Pioneer Center. Entry fee is \$3.50 to take care of the expenses of the match. Anyone interested in playing in this chance of a lifetime, please contact Mark Stover, Room 306 Louis Bennett Hall or Mr. David Gillespie in his office in the library. The public is invited to come and watch the match.

Pioneer diver competing in last week's swim meet at Berea College of Kentucky. The Pioneers' swimmers defeated Berea in a close match 57-56.

Wrestling in the 142 pound class for the Pioneers is Mike Snyder. The Pioneers defeated the Golden Eagles of Morris Harvey, with Snyder pinning his man in the second round.

Old Music Gets New Recognition

January 20 brought a different atmosphere to Glenville. The big change was from hard rock and roll, to music of the 50's and early 60's. This was presented to Glenville State College by Blue Moon, a talented cast of ten entertainers who bring back the style and mannerisms of the 50's and 60's.

In spite of the drastic change in music, the turnout was very good and the show was enjoyed by those who attended. The performance was presented somewhat like that of a Dick Clark show, consisting of funny commercials, dance contests, and rate-a-record. Joe Parton and Winnie Jamison were the lucky winners of the dance contest. They worked and jerked and moved and grooved to "Wipe Out," a hot number of the 50's to sail to an easy first place honor in the contest. Their prize was an album by the Searchers. Prizes were also given to those rating records that will soon hit the charts.

Famous songs by Elvis and Bobby Vinton were sung by the entertainers who were in the best attire of the 50's. The entertainers' dress ranged from tiny knotted ties to motor cycle caps.

The show clearly let the audience take a look at what used to be the going thing of the times. One might wonder if ten years from now that same audience will laugh at the things that are presently considered normal.

Lambda Chi Alpha Has Party For Mr. Asholter

The brothers of Beta Beta Zeta recently had a birthday party for a Mr. Robert Asholter at the Wilson Reed Personal Care home in Camden Flats as part of a new public service program.

Asholter and a few of his friends at the rest home joined many of the brothers in eating cake and ice cream and reminiscing about his earlier years.

All brothers in attendance found the experience very rewarding and plan to return on a regular basis. The Lambda Chi's responded to the suggestion of Mr. Mike McCartney, volunteer service director for the Department of Welfare.
