NTE Tests Scheduled

All persons enrolled in the professional semesters Spring and Summer, 1973, are required to take the National Teacher's Examination on April 7, and July 21, 1973.

Persons completing the requirements for a degree in Teachers Education in May, 1973, and who have not previously taken the examination are required to do so on April 7, having obtained the approval of the Dean of the College. Registration will be Feb. 22, 1973 at 3:00 p.m. in Clark Hall.

Majors in elementary education must take the common examination and 01 - Early Childhood Education. Majors in secondary education must take the common examination and the teaching area examination in one teaching field.

The student must bear the cost of the examination which is \$16 for the common examination and the teaching area examination in one teaching field.

Student Congress has announced the returns of the Tuesday election for the SC Constitutional Revisions and a \$2.50 per semester increase in student activity fees for the Lyceum Committee.

The returns are: 579 voted yes for Constitutional Revisions with 68 no's. The Lyceum increase received 556 yes votes with 98 voting no. A total of 650 people voted in the election. These provisions will take immediate effect.

New Semester Calendar Revised To Include Exams

Dean Clarence Maze, Jr. has announced a revised second semester calendar due to various policy changes and the timing of spring vacation. The D-F reports will be distributed to students before school is dismissed for Spring Vacation on March 9, 1973.

Final examinations will be given during regular class periods, and all classes will continue to meet through Thursday evening, May 10. No classes will meet on Friday, May 11. The following schedule will be followed in the giving of final examinations: Classes meeting at 8, 10, 12, and 2 MWF will have final examinations

Sororities Co-Sponsor Heart Fund's Campaign

The Heart Fund drive, sponsored by the Panhellenic, which consists of three sororities, will be held during the whole month of February.

Sigma Sigma Sigma will be going from door-to-door on Sunday, Feb. 18, which is considered Heart Sunday for donations.

Delta Zeta is in charge of going around from different organizations and businesses across the county for contributions to help in the aid of the Heart Fund drive.

Alpha Sigma Alpha will sponsor an event which should be of great interest to the campus. They will sponsor a lucky legs contest in which a guy from an organization will be picked to put his legs in the view of the public to raise money for the Heart Fund drive.

The whole month of February is designated as Heart Fund month, so help support the cause and combat America's No. 1 killer.

Mr. John V. White was named recently to West Virginia State Retirement Board.

Professor John V. White Named To Teachers' Retirement Board

Mr. John V. White, Associate Professor in mathematics and physical science, was recently elected to the State Teacher Retirement Board. The Board is responsible for all affairs dealing with retirement of teachers in the state of West Virginia. The members of State Teacher Retirement Board are the Governor, the Insurance Commissioner, Commissioner of Finance and Administration, the State Superintendent of Schools and three elected members. Mr. White and the other elected members are appointed to the board for six years by a nomination consisting of a petition of 100 teachers' names and then elec-

tion by all the teachers in the state.

Mr. White graduated from Normantown High School in 1942 as Valedictorian and graduated from Glenville State College in 1949 with honors in math, chemistry, and physics. He received a M.A. degree in Administration from West Virginia University and has done graduate work in mathematics at West Virginia University and the University of Wyoming.

Mr. White was assistant principal and a teacher of mathematics at Marlinton High School before he came to Glenville State College in 1955. He is active in the Alumni Association, Alumni Foundation, the Glenville State College Housing corporation, the Glenville State College Centennial Fund, the Faculty and Administrative organization and the W.Va. Higher Education Association.

Wanted: a male and female interested in state government to accompany Mr. Kenny J. Smith to Charleston Feb. 23. The students will be guest at a meeting of the Legislature at which Gov. Nelson Rockefeller will speak. Those interested contact Mr. Smith.

on Monday, May 7.

Classes meeting at 9, 11, 1, and 3 MWF will have final examinations on Wednesday, May 9. Classes meeting at 8 and 2 on TTh will have final examinations on Thursday, May 10. Night classes will have final examinations during the week of May 7-10.

Classes that do not meet at one of the regular periods detailed above will hold final examinations whenever they can be arranged. If more than one hour is needed for the final examinations, one of the class periods during the previous week will be used.

The revised second semester calendar for the 1972-73 school year is as follows: February 9, Friday - Last day for making application for May graduation; March 7, Wednesday - Mid-Semester; March 9, Friday - Mid-Semester D-F Grade Reports; March 9, Friday, 5:00 p.m. - Spring Vacation begins; March 19, Monday, 8:00 a.m. - Spring Vacation ends; March 21, Wednesday - Last day for withdrawing from classes with "W"; April 7, Saturday - National Teacher Examinations; April 19, Thursday, 5:00 p.m. - Easter Recess begins; April 23, Monday, 8:00 a.m. - Easter Recess ends; April 30, Monday, 7:00 p.m. - English Proficiency Examination; May 10, Thursday, 9:15 p.m. - Classes end; May 11, Friday, 8:30 p.m. - Baccalaureate Service; May 12, Saturday, 10:00 a.m. Commencement.

Veteran's Club president Brian Taylor has announced seven top notch movies on the agenda for this semester. Movies on order include: "Bullit," "Bonnie and Clyde," "Prime Cut," "Play Misty For Me," "The Boys In The Band," "The Trojan Women," and "The War Between Men and Women."

GSC Offers CLEP Exams Cr. Hrs. Given For Courses

Glenville State College is taking part in the new trend in higher education by participating as a test center for the College-Level Examination Program (CLEP). There are approximately 500 such "open" test centers in the Midwest, where CLEP tests are administered to anyone wishing to take them.

The learning needed to score well on the CLEP tests can be gained through any number of avenues. Correspondence courses, educational television, extensive reading, and company training programs are only a few examples of "non-traditional" learning that occurs outside of the traditional college experience of regular lectures, examinations, and term papers.

In many cases, high school graduates headed directly for college have had strong academic programs in their high schools. Such students have used CLEP to gain college credit before attending a single college class. In these cases, the students save the time and money they would have to spend on repetitious learning in their first year of college.

CLEP tests are designed to measure knowledge by comparing it with what the college undergraduate is expected to know. The validity of such testing is proven by the fact that nearly 1,200 colleges across the country are now awarding credit on the basis of CLEP scores. In 1967, only 55 institutions were taking part in CLEP. The policies on the amount of credit awarded and the minimum scores required vary from school to school.

The CLEP examinations are offered to the public during the third calendar week of each month. At Glenville State College the General Examination will be offered to high school students on the following dates: March 12-13, April 16-17, May 14-15, June 11-12, July 16-17, August 13-14, and September 10-11.

The Subject Examinations are specialized to measure a person's achieve-

ment compared to material presented in actual undergraduate college courses. The 29 different Subject Examinations are considered equivalent to final, end-of-course tests in comparable college courses.

The Subject Examination for college students will be administered on the following dates: March 14-15, April 17-18, May 16-17, June 13-14, July 18-19, August 15-16, and September 12-13. You may register for the Subject Examination by making arrangements with Mr. Kinder one week prior to the scheduled testing date. Mr. Kinder's office is located on the second floor of Firestone Lodge, Glenville State College.

The CLEP tests are demanding, but are designed to be fair yardsticks of college-level learning. People who go through the time and effort of taking the tests and doing well on them are usually working toward continuing higher education. Prospective CLEP candidates are encouraged to examine the policies for the use of CLEP scores at colleges and universities they might eventually want to attend. The CLEP scores themselves do not guarantee credit

(Continued on P. 4)

'Desire Under The Elms' Adds Admission Charge

"Desire Under the Elms," an intense drama about a group of people carried away on a torrent of love, hatred, and greed, will be presented in the GSC auditorium on February 21-22-23. Curtain time is at 8:15 p.m., and admission will be a minimal charge of \$.50 for those students with I.D.s. There will also be a small charge for non-GSC students and faculty. The money thus collected will be used to help pay the \$600 royalties on the final production of the year *You're A Good Man Charlie Brown*. Rather than to be unable to produce *Charlie Brown*, it was decided that there would be a small box office fee for *Desire*. The amount of the fee was decided upon by the Student Congress.

According to major critics, "Desire Under the Elms" is among America's greatest plays and written by one of our greatest playwrights Eugene O'Neill. It is a drama of passion and lusts over love and land on a stony New England farm. Ephraim Cabot sees his Creator in the stones with which he has wrestled all his life and piled into fences to hem himself in.

(Continued on P. 4)

GSC Lyceum Program Features Players' 'As You Like It' Comedy

The Lyceum program to be held tomorrow night at 8 p.m. in the auditorium will feature *As You Like It*, a comedy acted in part by the National Players. Admission is by I.D. cards.

As You Like It is the story of a French Duke who has been deprived of his throne by his younger brother Duke Frederick and now lives in exile in the Forest of Arden. At the same time, another pair of brothers - Orlando and Oliver - are at odds because of the wicked treatment of Oliver to Orlando. When Orlando tests his strength in a wrestling match against Duke Frederick's champion and wins

the match, he thereby gains the love of Rosalind but incurs the displeasure of Frederick. The Duke banishes Rosalind, so Rosalind and Celia, the Duke's daughter, go to the Forest of Arden to seek Rosalind's father.

In Arden, love turns Orlando into a versifier who hangs his poems on trees where they are found by Rosalind, disguised as a boy, Ganymede. She teases Orlando and offers to cure his love-sickness if he will woo her as if she were Rosalind.

Oliver meets Celia and they fall in love and plan marriage. Orlando is saddened, but at the wedding Rosalind comes in feminine clothing and solves not only her own but even the love tangles of the other shepherds and shepherdesses. To add joy to the occasion, the two Dukes are reconciled.

Members of the cast are: Duke

Junior Phys. Ed. Major Dies After Brief Illness

Susanna Kathryn Ball, a physical education major and a junior at Glenville State College, died unexpectedly Jan. 31 at St. Joseph's Hospital after a brief illness. She was born in Parkersburg Oct. 9, 1952.

Funeral services were conducted Feb. 3 at the Ogden Funeral Home. Burial was in the Arlington Memorial Gardens.

Sympathy is extended to her parents and brother who survive.

Alan Share will portray Jacques in "As You Like It" tomorrow night in the auditorium.

Parking Lot Proposed

The suggestions made by the Governing Board of Women's Hall last week, and James Bleigh's editorial of Jan. 29 has prompted me to write something I've been starting to write since the first of the semester. The Governing Board has suggested placing benches on the Women's Hall lot. James says that we need another 25-50 car lot. I tend to agree with James.

Several members of the administration—especially the ones who are responsible for the situation I am about to mention—probably just read his editorial and then promptly forgot about it. But despair not all ye commuters! There is a place that such a parking lot could be built.

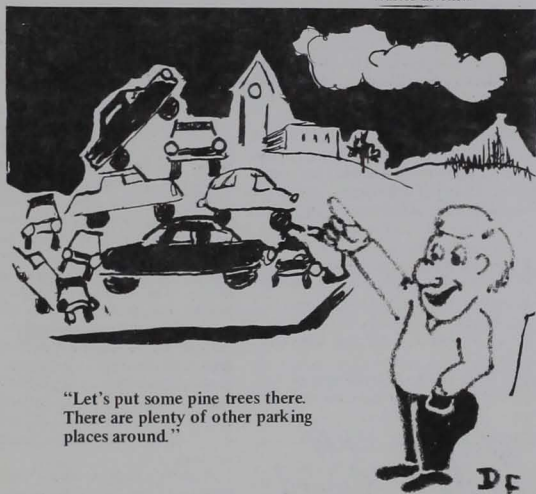

The place is the lot surrounded on three sides by Women's Hall. Those of you who have been here a while will recall that there was a parking lot there before C-wing was built. I see no reason why that lot cannot be converted back to a parking lot.

There is a matter of shrubbery however. I have nothing against trees, birds, animals, or any other thing generally associated with Mother Nature. However, those shrubs in that lot serve no earthly purpose whatsoever, except to prevent Women's Hall residents from playing frisbee and football on the only available, legal place on the street. Here we must digress to ask a philosophical question! Does this school have the right to deprive Women's Hall residents of their right to play games on that lot, knowing what a strain it is to walk up to Verona Maple lawn to play those games, and knowing that in football, baseball, and frisbee weather that lawn is usually occupied by someone else?

I do not think that it would be too great an inconvenience, and I know it would be a great service, to have those bushes removed and to black top that area. The sidewalk near the street could be slanted so that cars could drive upon it and the parking area could be marked with yellow lines. The parking lot could have driving lanes running one way so that more cars could be accommodated. The lot should extend from the sidewalk parallel to C-wing to the bottom of the steps near the door to A-wing, and from B-wing to the street. The shrubs being the A-wing walk and on one side of the C-wing walk could be left as they are.

I do not think this plan is too extravagant or expensive; at least, no more than having a couple hundred dollars worth of shrubbery planted in the middle of December. But I do know one thing: If a parking lot isn't put in there, it will prove a theory of mine; that theory being that one can fight, scream, yell, and kick to save this place from its own damnation, and it doesn't do one iota of good. And I believe still another thing: If that useless lot isn't put to some practical use by December of this year, some people claim that they already know where they are going to get their 1973 Christmas trees.

Delta Zeta Plans Trip & Party

Delta Zeta held its formal rush party Jan. 29 from 5-6:00 p.m. The theme was "Delta Zeta Madrigal" and favors consisting of glassware and garters were given to those in attendance.

This was an exciting week for the Delta Zeta sorority. The girls introduced 18 new pledges at the pinning ceremonies held on Sunday, February 4, and Monday, February 5.

The sorority has been planning for State Day. It is to be held at the Up-Towner Inn at Clarksburg. Fairmont will be hosting the occasion.

The Philanthropies committee had a bake sale on Thursday, February 8. The profits will be used to send clothes to a Korean orphanage. The group is also planning an Easter party at Weston State Hospital sometime in April.

Alpha Sigma Alpha pledges are: standing, Sandy Bowling and Patricia Burrough; seated, Celia McCoy and Patsy Gherke.

Glenville Greeks Rush, Take New Pledge Classes

Sorority formal rush parties began Jan. 29, with the Delta Zeta Madrigal. The minstrel was held from 5:00 - 6:30 p.m. at the Delta Zeta sorority house. The sisters began their party by telling the fortunes of the rushees. This was followed by a tour of their sorority house, refreshments, and entertainment. Rushees left with favors consisting of root beer glasses, garters, and song books.

Alpha Sigma Alpha sorority held their formal rush party, Flight to the Moon, on Jan. 30 from 5:30 - 6:30 p.m. in the ballroom. The sisters of Alpha Sigma Alpha dressed as astronauts while they escorted their rushees on an imaginary trip to the moon. The moon travellers were served tang and cookies and returned to earth with candy astronauts for favors.

On Jan. 31, from 4:30 - 6:00 p.m. in the Old Louis Bennett Lounge, the sisters of Sigma Sigma Sigma held their formal rush party which was entitled Sigmas in Story Land. The rushees entered story land to be introduced to the sisters of Sigma Sigma Sigma. Later the rushees were served vegetable soup, crackers, peanut butter sandwiches, and ice cream sundaes for refreshments. The party ended with entertainment where the rushees were given favors of yarn dolls and parafit cups.

Each sorority held their own preference party on Feb. 1. The sisters of Delta Zeta held their preference from 6:00 - 6:45 p.m. at the sorority house. Alpha Sigma Alpha held their

preference party from 7:00 - 7:45 p.m. in the ballroom and the sisters of Sigma Sigma Sigma sorority held their preference party from 8:00 - 8:45 p.m. in old Louis Bennett lounge.

Friday, Feb. 2, began the first day of pledging for the spring semester. The pledges for the Alpha Sigma Alpha's are: Celia McCoy, Sandy Bowling, Patsy Gherke, and Patricia Burrough. Delta Zeta pledges are: Martha Law, Lori Tomey, Eileen Fisher, Sharon Manning, Patty Sparks, Linda Dillon, Debra Cole, Vicki McCracken, Nancy Lockhart, LouAnn Jack, Rebecca Groves, Rotha Frame, Terri Feaster, Marlena Smith, Peggy Fitzsimmons, Ann Parsons and Rhonda Efaw. The pledges of Sigma Sigma Sigma will be announced in three weeks.

On Jan. 29, the fraternities of GSC each held a pinning ceremony receiving their pledges for this semester.

Theta Xi fraternity held their pinning Monday at 10:00 p.m. for the following: Paul Fredrick, George Bivens, Pat Stump, Chris Noble, Tom Knotts, Dennis Hunt, Steve Deem, John Wolfe, Joe Mills, Chester Mills, Donnie Price, Rick Scarlas, Chuck Miller, Jim Selby, Scott Bickel, and John Lilly.

The Fraters of Tau Kappa Epsilon held their pinning ceremony Monday, Jan. 19 at 10:00 p.m. for the following: Art Ausberry, Gary Steele, Dave Morrison, Danny Shock, Terry Rollins, Gary Dodd, R.J. Westbrook, and Bill Smith.

The Associate members of Lambda Chi Alpha fraternity were pinned Jan. 29 at 10:00 p.m. and they are as follows: Jackie Adkins, Roger Allen, Bruce Board, Bernie Buttrey, David Dorsey, Mark Elder, Harold Galner, William Fox, Roger Johnson, Richard Lacke, Paul Latos, Neil Lothes, Richard O'Reilly, Dennis Pack, Kevin Place, Robert Sponagle, Rick Vass, David White and Ted Williams.

Fraternity News

Lambda Chi Alpha

Lambda Chi Alpha's Flight I is currently leading the intramurals being held in the gymnasium. They were visited by their National Representative last week. During his three day visit, interviews were held with all the officers. The representative spoke with the chapter and the new associate members. Brother Larry Legg is this week's recipient of the Lambda Chi Alpha A.H. award.

Theta Xi

During Theta Xi's last formal meeting the brothers started plans for their traditional dribble to Charleston. A house party was discussed for the future. Brother Britton saw tree action.

Tau Kappa Epsilon

Tau Kappa Epsilon light bulb sale was a success last Saturday morning the frater, announced. Also announced. Also announced were big brothers for the pledges, which are as follows: Gary Steele-Guy Perry; R.J. Westbrook-Mike Snider; Art Ausberry-Bill LaVoie; Terry Rollins-Keith Sayer; Gary Dodd-Bill Sellards; Dave Morrison-Junior Riley; Lee Bennett-Terry Bean; and Bill Smith-Dave Sizemore.

Valentines Day Is Date For Tri-Sigma's Dinner

The sisters of the Delta Alpha Chapter of Sigma Sigma Sigma held their regular meeting on February 5, 1973 in the Sigma Lounge of Women's Hall. It was decided that there would be a Chili dinner held on Valentine's Day, February 14, in the ballroom. Food will be served from 4:00 to 7:00 p.m. Tickets may be purchased from any Tri-Sigma member.

The girls also made final arrangements concerning closed ball. It was decided that it be held on March 24, at the Mont Chateau Lodge in Morgantown.

The Sigma's are still readily trying to raise the money to take their spring pledge class to Walton House, in Woodstock, Virginia, to be initiated. The definite date is still undecided.

Recommendations are now being made for the Mabel Lee Walton Award. The award is presented by the Tri-Sigma alumnae, to a junior or senior girl who is outstanding in her service to Sigma Sigma Sigma sorority.

Alumni Hired By Redskins

Paul Lanham, alumni of Glenville State College, who was assistant coach last season with the St. Louis Cardinals, was recently named by George Allen to succeed Marv Levy as coach of the Redskins' special teams.

Last season was the 42-year-old Lanham's only year in pro ball. The Ripley native spent 12 seasons in college coaching, including the 1970 and 1971 seasons as coach of tight ends and kickers at Arkansas, where he came to Allen's attention.

Lanham will be working for the second straight year as head of special teams. He held the same position last season with the Cardinals under Bob Holloway.

Lanham was a three-year letterman as a line-backer at Glenville State College and earned his master's degree while serving on the football staff at Delaware in 1960. He coached at Dayton in 1961 before moving on to Colorado State, where he spent eight years as offensive coordinator.

A Cardinal spokesman described Lanham as "a hard worker" and "very quiet, easy to get along with," adding "He knows what he's doing."

Theta Xi pledges are: first row, l-r.; John Lilly, Dennis Hunt, Pat Stump, John Wolfe, 2nd row: Donnie Price, Tom Knotts, George Bivens, Randy Scarles, 3rd row: Scott Bickel, Jim Selby, Chris Noble, and Steve Deem.

Lillymen Post Win Over Salem Tigers

Glenville State College led all the way in posting a 76-61 win, over Salem College Tuesday night. This win makes the third time GSC has defeated the Tigers this year.

Salem has a very much improved team this year and just last week defeated the Falcons of Fairmont State.

The G-men jumped out to a 12-6 lead with 16:11 remaining in the first half, and 35-26 with 1:56 to go in the half. Salem was able to get a bucket just before the end of the half to cut the lead to a 35-28 count.

GSC and Salem exchanged baskets at the start of the second half, then the Pioneers ripped off 10 straight points to put the game out of reach. The Blue-Wave led by a 49-30 score with 15:55 left in the contest and by 53-38 with ten minutes left in

the contest.

Archie Talley banged in 22 points to lead Salem but the freshman from Seat Pleasant, Maryland, wanted no part of Ron Jones and Jim Garnett, as Jones' sticky defense and Garnett's ability to take the youngster to the hoop, got him in early foul trouble.

With Earl Hawkins scoring 14 of his 20 points in the second half, GSC moved out to a 70-50 lead with 3:12 left in the contest.

Besides Earl Hawkins' 20 points and Steve Datcher's 18, Ralph Cook also added 13 markers while Ron Jones and Jim Garnett chipped in with 12 and 11 points, respectively.

Archie Talley took game scoring honors for Salem with 22 points, while Bobby Johnson and Fred Cline added 13 and 12 points, respectively.

Passing off for another assist is Pioneer ball handler Jim Garnett.

B-Ballers Offense Is Key To Victory

Steve Datcher and Earl Hawkins combined for 45 points to lead Glenville State College to a 88-53 romp over Concord.

Concord jumped out to a 4-0 lead, but Jim Garnett's lay-up with 16:35 to go in the first half tied the game at four each. The contest was also tied at six and at eight before the Mountain Lions enjoyed their last lead of the night at 10-9 with 13:40 left in the half.

Earl Hawkins put the Pioneers ahead to stay at 12-1 on a three point play with 12:34 on the clock.

GSC then went on a scoring spell to outscore Concord 17-2, the next six minutes of the half and lead 29-12 with 6:30 on the clock. The Pioneers coasted from here on in to a 42-21 lead at intermission.

The G-men came out after intermission and extended their lead to 54-28 at the fifteen minute mark to the second half.

As the Pioneers controlled both boards, lead by Earl Hawkins' 14 rebounds, GSC moved out to a 64-38 advantage with ten minutes left in the contest. The Blue Wave coasted the final ten minutes as Coach Jesse Lilly cleared the bench, enroute to the 88-53 victory.

Bowlers Compete

Dr. Robert Dollgener and his bowling team made a great showing as they tied Morris Harvey in the Second Regional Bowling Tournament in Charleston last weekend. Tom Newberry finished with a 176 average, with Sam Ferrell and Jim Mattox both close behind averaging 175 pins. Dave Grapes, Ron Vaughan and Gary Humphreys followed.

After tying Morris Harvey in the regional, the Pioneers have a 6-2 tournament record, one game away from first place in the WVIAC standings.

Several GSC students participated in the ACUI-Regional Bowling Tournament held Feb. 2-3, at Morgantown. The ACUI tournament is arranged for students who attend any school and a first place finish gives them a chance at the World Cup in Bowling.

Among the students who competed in the tournament were: Dave Wright, Les Richards, Steve Martin, Bill Nicholson, Rich McLee, Dianna Moore, Barbara Walker, Donna Newberry, Glenna Gainer and Karen Goodall.

Donna Newberry, a senior from Parkersburg, finished fourth among the competition with 1578 pins. Also the GSC girl bowlers finished third with a total of 2380 pins behind first place Penn State and second place University of Maryland.

Overall Conference Standings:

	Wins	Losses
Morris Harvey	12	4
Glenville	11	5
Alderson Broadbudd	10	6
W.Va. State	8	8
West Liberty	8	8
Concord	6	10
Fairmont	5	11

Matmen Win

Making it twice this season, the Pioneer grapplers scored a very substantial win over visiting AB college. The G-men won seven matches and tied one to win by a team score of 35-8.

Jimmy Neal, freshman 118 pounder won by a 4-2 decision. The dynamic duo of 126 pound Luther Hanson and 134 pound Jerry Harris both scored wins by pins over their opponents. Mike Snider, undefeated at 142 pounds won by forfeit and then shellacked his exhibition opponent by a score of 16-4. Steve Lewis scored the third pin for the Pioneers by doing away with his opponent in the second period.

With 30 seconds left in the first period, Pioneer Captain Brian Taylor 158 pound class, suffered a knee injury. Using all of his three minute injury time, Taylor returned to the mat and obtained a 1-0 victory by escaping with 20 seconds left in the match. In the 167 pound class, Joe Mills scored a 6-1 decision over his opponent. Corby Stalnaker managed a tie at 177 with last year's conference champion. George Welch, 190 pound class, lost a 4-1 decision to last year's conference champion. Heavy-weight Terry Tyree dropped an exciting 6-4 decision to his opponent.

The win brings the Pioneer record to 5 and 1.

GSC's Offensive Attack Results in D&E Defeat

Glenville State College uncorked a scorching offensive attack and played great defense in handing Davis and Elkins a 99-47 thrashing.

The Pioneers jumped out to a 8-0 lead while holding D&E scoreless the first five and a half minutes of the game.

GSC led by a 20-8 score at the ten minute mark of the first half. GSC then went on a scoring binge to outscore D&E 38-12 the second ten minutes of the first half and lead 58-20 at intermission with the Pioneers leading 38-16 at 5:14 of the first half at 58-17, a 41 point spread.

With the Pioneers getting great scoring balance in the second half, the Blue wave led by a 70-28 count with fifteen minutes left in the half and 77-38 with ten minutes left in the contest.

The G-men continued to pour it on the last ten minutes and roared out to a 97-45 lead with 2:04 left on the clock.

The Pioneer offense definitely put it all together in this game and received great balanced scoring from Ralph Cook with 20, Steve Datcher with 19, John Hudson with 12, and Earl Hawkins and Ron Jones with 10 each.

There will be a meeting of students planning to do student teaching either the first or second semester of 1973-74 on Tuesday, February 20, 1973 in the Administration Building Auditorium from 4:00-5:30 p.m.

The purpose of this meeting will be to provide information concerning the student teaching program and give students an opportunity to make choices for student teaching placement in the public schools.

Have You Heard?

By M. Thomas Rust

Tip-off . . .

History seems to be repeating itself as it did last year with Glenville State basketball squad beginning to start playing their best ball now. The Pioneers currently stand in fifth in the conference behind Fairmont, Morris Harvey, Bluefield, and West Virginia State.

The offense has really began to play together and defense has been great all season. The key in recent weeks, I believe, is the way the Pioneers have had balanced scoring usually having four of the starters in double figures and sometimes even all five.

The WVIAC tournament is only three weeks away and this year's contest should be a real toss-up. Seven teams have a real chance to win the tournament Fairmont, Glenville, and Morris Harvey will probably be considered the favorites with West Virginia State, Bluefield, Salem, and Shepherd to be strong darkhorses.

Glenville stands 12 - 4 in the conference and could end up in third place at the end of the season depending on how the rest of the top teams do. The Pioneers received a lot of help this week, when Salem upset Fairmont and West Virginia State topped Morris Harvey. Salem's victory over Fairmont was the Tigers' first one since 1962. The administration called off school in order to celebrate the victory.

Junior Varsity . . .

Coach Carney's J.V.'s are really playing good ball now also. Since an opening loss to West Virginia State J.V.'s, the junior Pioneers have dropped only one game. Randy Datcher is the leading scorer and rebounder on the squad with strong support from Roger Caudill and Eric Mackel. Other members of the junior varsity squad are Randy Hess, Bobby Hardman, Mark Elder, Jim Cook, and Tim Cunningham.

Matmen . . .

Coach Whitey Adolphson's wrestlers continue to move right along in quest of the conference championship. The Pioneer matmen are unbeaten in conference competition and

have only one loss in the over-all column. Three Pioneer's have perfect records; Jimmy Neal, Luther Hanson, and Captain Brian Taylor.

This year's national wrestling championship will be held in Kansas City City and I feel sure that at least two or three of the Pioneers will be there. One main concern of Coach Adolphson's has to be the condition of Brian Taylor's knee. Brian injured his knee in a match last week against Alderson-Broadbudd. Taylor has not been scored on yet this year.

Bowling Team . . .

Dr. Dollgener's bowling teams came through with fine showings in competition this past weekend. Both the men and women teams performed great. The brother and sister team of Tom and Donna Newberry won individual honors.

Odds & Ends . . .

Joe Retton stated that this year would be his last at Fairmont State. Retton said that the pressure and lack of adequate facilities and staff were the main reasons. Of course, this might be a move to get the state legislature moving in terms of getting a new field house over at Fairmont. Also Retton stated in the interview that if he had Archie Talley over at Fairmont that the Falcons would win the national championship.

Word is out that Tally has been approached by scouts from Marshall University. That ought to make Don Christie happy.

Sonny Moran has done a great job up at the University this season. The Mountaineers were not expected to have an even chance of having a so-so season. But with a line-up including three sophomores and two freshmen, the young West Virginians have done a remarkable job. Warren Baker has to be one of the top freshmen in college basketball today.

The Theta Xi's have already begun practicing their dribbling skill with the upcoming dribble to Charleston. This will be the fifth straight year that this dribble has taken place, to give support to the Pioneers in the tournament. Have a good week and keep that good attitude, mask and D.D.A.

Students should be encouraged to utilize this means to demonstrate their competence in an area. If they pass an examination, the grade of "Credit" (Cr.) will be entered on their permanent record.

Cost of each examination is \$5.

CBP Fraternity Banquet Honors New Members

The Alpha Iota chapter of Chi Beta Phi held its annual banquet last Thursday, Feb. 1, to honor those students who have achieved academic excellence in the sciences and mathematics. Membership in the honor fraternity, which is a national organization, is exclusive and by invitation only. To be eligible, a student must have completed sixty hours in science and/or mathematics by the end of the current semester and maintain a scholastic average determined by the local Chapter in all his subjects as well as in the sciences.

The chapter president, John Templeton, introduced guests of honor to the current members and the science/math faculty attending the banquet.

The candidates for membership are listed below according to their major: Biology - Mac Bailes, Janie Cochran, Larry Godfrey, Virgil Ray, Mike Smith, Issac White; Math - Allan Edwards, Brenda Freeman, Bob Hardman; Medical Technology - Lois Nottingham.

Pictured above is one of the Lambda Chi Alpha's Field Representative's, Ed Wynne, Chuck Celejewski, Chapter Secretary, and Steve Pridemore, Treasurer.

The Alpha Delta Epsilon Business Fraternity would like to thank all of those who contributed to the book exchange.

'DESIRE UNDER THE ELMS' (Continued from P. 1)

To himself and his three sons, the farm stands as a symbol of all things to be desired. This character part is beautifully portrayed by a well-experienced actor, Dave Grapes. Ephrim's wife, portrayed by Celia McCoy, another GSC student, coldly and masterfully manipulates father and son to gain her advantage. However, her passion becomes an obstacle which she cannot overcome and therein lies her tragedy.

The Drama Department invites you to share in an evening of absorbing passions and struggles on February 21-22-23, at the GSC auditorium. Attend "Desire Under the Elms" and share in the intimacy and compassion of this magnificent drama. Re-member: Curtain time is 8:15 p.m.

Student Congress Salaries Explained

The subject of the salaries of the Student Congress officers has been brought to the attention of the student body recently. This was intended to give the students of GSC a clear understanding of the financial situation.

At the beginning of the year, the Student Congress had a \$3600 estimated budget of which \$1350 was used for salaries of the president the secretary of the Student Congress. As it was previously pointed out, the salaries of the SC officers were enacted without the consent of the GSC student body. The members of the 1972 - 73 Student Congress, however, thought this practice was unfair to the students.

The reason for the change was that more than 1/3 of the budget is currently used for paying the two officers. The Student Congress members do not feel this will take away any quality leadership from their officers.

The 'extra money,' approximately \$1350, could be used to help bring to GSC a big name group. The GSC Student Congress has sponsored two dances for the students this year—Homecoming Dance and the Brain-child Dance.

Found: A woman's wedding band at the Ben Franklin store in town. Owner inquire at cashier's register.

Musician Gives Recital

Mike Barnhouse, a senior music major, will present a piano recital Feb. 15, 1973 at 8:00 p.m. in the Auditorium. The compositions to be performed will represent a variety of musical styles.

Barnhouse has been active in such categories as principal accompanist to the Concert Choir and Chamber Singers, percussionist in Wind Ensemble, drum major in Marching Band, and pianist for GSC Stage Band. His future plans are to attend graduate school to seek a degree in Music and Applied Piano.
