

The Glenville Mercury

Volume VI, Number 4

Glenville State College, Glenville, West Virginia

Friday, September 21, 1973

GSC Band Debuts Sat.

The 1973-74 GSC Pioneer Marching Band under the direction of Mr. Ed Vineyard will be the largest marching band in the school's history. The band, which has 74 members, will make its first appearance when the Pioneers meet Salem in the first home game of the 1973 football schedule Sept. 22 at 2 p.m.

The band will perform at all home games and will travel to Fairmont, Sept. 29, and to W.Va. State, Oct. 27.

Musical selections for half-time entertainment will include such popular hits as 'Dueling Banjos,' 'Ain't No Woman,' 'Sesame Street,' 'Alone Again Naturally,' theme from 'Last Tango in Paris,' theme from 'Men,' 'Lady Sings the Blues,' and 'Brandy.'

The majorette corp for the 1973 year will be Cheryl Rapp, a sophomore elementary major from Summersville; Karen Froent, a sophomore home ec. major from West Columbia; Sherry Horne, a sophomore music major from Ripley; Becky Groves, a sophomore elementary ed. major from Summersville; and Ellen Foren, a junior early childhood major from Summersville.

The drum major for the 1973 year is Kevin Dave Merchant, a Sr. physical ed. major from Clarksburg. Assistant drum major is Greg James, a sophomore music comp. major from Gilmer County.

The new twirlers for the upcoming year are Shae Turner, a freshman music comp. major from Gilmer County; and Stanley Taylor, a sophomore elementary ed. major from Tygart Valley. Returning as twirler for her second year is Beverly Yeman, a physical ed. major from Elmira, N.Y.

Mike Brown Heads WGSC

WGSC station manager for this year is junior, Michael Brown, better known as "Mike."

Other than a station manager, the WGSC staff includes: program director, Adrian Marini, who took; the place of Mark Caldwell who graduated. Assistant Adrian are sophomores Gene Chancey and Mike Beliveau. Heading the secretarial duties is Miss Roberta Liukart with her assistant, Anita Toth. Taking care of the music department is Toney Floyd with Rick Hickman assisting. Chuck Crookshanks has the task of advertising for WGSC.

New sports director is Gary Dobson who is taking over for Dave Merchant who will be playing basketball for Jesse Lilly's Pioneer team this year. Assisting is Bill Sparkman.

The business department is the new department added to the WGSC system. Heading the department is Tom Humphreys, replacing graduate George Dudding. John Tharp is engineer director.

Other people who play an important role with WGSC are: Brenda Chevrant, Rex Coombs, Dave Day, Bonnie Felton, Tom Griffin, Randy Johnson, Mike Crites, Mike Tingely, Vicki McGraner, Jack Rogers, and Paul Wilson.

Several changes in the Lyceum Movie schedule are anticipated. Please disregard the schedule previously printed in the Entertainment Program.

The Homecoming Queen for 1973 is Barbara "Bobbi" Shomo. The Princesses are: senior princess, Pam Sumpter; junior princess, Lesa Thrash; sophomore princess, Susie Schurick; freshman princess, Susan Wilson.

Fellowships Are Offered

Inquiries about the Danforth Fellowships, to be awarded by the Danforth Foundation of St. Louis, Missouri in March 1974, are invited, according to the local campus representative, Dr. Byron Turner, Prof. of chemistry.

The Fellowships are open to all qualified persons of any race, creed or citizenship, single or married, who have serious interest in careers of teaching and/or administration in colleges and universities, and who plan to study for a Ph.D. in any field of study common to the undergraduate liberal arts curriculum in the United States. Applicants must be under 35 years of age at the time application papers are filed, and may not have undertaken any graduate or professional study beyond the baccalaureate. Persons must be nominated, by Liaison Officers of their undergraduate institutions by November 20, 1974. The Danforth Foundation does not accept direct applications for the Fellowships. Approximately 100 Fellowships will be awarded in March 1974.

The award is for one year, and is normally renewable until completion of the degree or for a maximum total of four years of graduate study. Fellowship stipends are based on individual need, but may not exceed \$2025 for single Fellows and \$2200 for married Fellows for the academic year, plus dependency allowances for children and required tuition and fees.

Other fellowships may be held concurrently with a Danforth Fellowship, except for those administered through other programs of the Danforth Foundation. Income from other awards will be taken into consideration in determining the supplementary living expense stipend if the amount received is less than the Danforth Foundation maximum, and if the agency concerned will allow this.

The Danforth Foundation was created in 1927 by the late Mr. and Mrs. William H. Danforth of St. Louis as a philanthropy devoted to giving aid and encouragement of persons, to emphasizing the humane values that come from a religious and democratic heritage, and to strengthening the essential quality of education.

Float participation forms were due Thursday, Sept. 20. Please submit forms to S.C. as soon as possible.

Dr. Robert Deal has been chosen to represent his alma mater in the Academic Procession during the inauguration of John D. Rockefeller IV as president of West Virginia Wesleyan Sept. 28. Dr. Deal received his degree from Capitol University in Columbus, Ohio.

ANNUAL FIELD TRIP PLANNED BY GROUP

Sixty Biology 251 and Forest Technology students will participate in the annual field trip September 27, 28, and 29. This year the students, along with instructors Mr. Byrl Law, Dr. Robert Deal, Mr. Eldon Plaugher, Mr. Ed Grafton, and Mr. Bill Grafton will visit Cranberry Glades, Cass Scenic Railroad, and the New River Gorge. They will stay at Camp Pocahontas, the county 4-H camp, where they can study and observe the trees and vegetation in the given areas.

John Hartford To Sing, Boogie

"Hey babe, ya wanna boogie?" intones John Hartford, capturing the hearts of his audiences with his suddenly raspy, sexy voice, "boogie-woogie-woogie with me." John Hartford's voice is versatile and not only makes one want to "boogie" but it imitates washing machines, such as the one that "just sits there like Johnny Cash, going mmmmmmm." Then John Hartford's voice becomes clear and effortless for "Gentle On My Mind," a song he wrote that became Glen Campbell's first giant hit.

Not only is his singing voice versatile, but his repertoire of stringed instruments includes a six-string guitar, a five-string banjo, adobro, and a fiddle, all of which he has mastered.

Playing here tomorrow night at 7 p.m. and 9:30 p.m. in the auditorium, John Hartford will have as a backup group Colours, also talented musicians.

Born in New York City, John Hartford was reared in St. Louis. Before becoming a session musician in Nashville, he was a sign painter, a commercial artist, a riverboat deck-hand, and a disc jockey. His Nashville sessions led to a contract with RCA, for whom he cut eight albums. Tom Smothers heard one of these and flew John to Hollywood to write songs and dialogue and to perform for the Smothers Brothers shows. This led to the Glen Campbell Goodtime Hour, and public exposure for John Hartford and his talents.

Students To Teach Various Subjects

Students in the Secondary Education field will be teaching in various levels of Education, due to the variety of their specialization.

Jimmy Adkins-Health & Phys. Educ., Braxton Co. High; Carl Alloway-Health & Phys. Educ., Calhoun Co. High & Grantsville Elem.; Michael Barr-Health & Phys. Educ. and Special Educ., Sutton Elem. & Jr. High; Robert Beverage-Health & Phys. Educ., and Special Educ., Sutton Elem. & Jr. High; Beth Boggs-English, Braxton Co. High; William Bostic-Soc. High; David Wilson-Speech and English, Parkersburg High.

The Colours, above with John Hartford, will appear at GSC Auditorium, tomorrow evening at 7 and 9:30 p.m.

'Strife' Overcome; Voting Is Improved

The annual "Homecoming strife" has been overcome. Student Congress, at long last, has abolished the archaic, useless system of voting for class princesses and established a fair, sound, system in which we can elect our homecoming representatives.

The idea originated with the 1972-73 SC after much confusion and controversy over last year's Homecoming elections. The same 2% at most, were electing the princesses at class meetings every year. It was common to see little groups gathering outside of the designated meeting place persuading the few individuals entering to vote for their candidates. Once inside, half of the students gathered on one side and half on the other. Then a princess was elected by a relatively small number of students and the winner usually was decided by as few as two votes. When students finally became dissatisfied enough to protest not only this process of electing, but also some of the tactics and methods employed, the Student Congress decided the time had come for change.

Now, not only are princesses nominated more democratically, but the majority of the classes are involved in the election itself. Because, there are voting polls stationed in many convenient locations on campus, and these polls are open on two days, (also originated in last year's congress), no student has an excuse for not voting. Finally, Homecoming representatives can be elected by every student at Glenville. At the time of this writing the number of voters is not known. But, I personally feel that the percentage of voters will be much higher. And, if there isn't a tremendous increase only the student himself can be blamed. So, a commendation goes to the Student Congress for their ambition and progressiveness.

For all of the kiddies who tore down sheets and signs, and who also drew on pictures and wrote naughty words on campaign posters -- shame! If you get caught, your hands will be slapped! Forgive me if I sound condescending, but the immature behavior displayed by those guilty of these charges demonstrates that there are many children on campus.

Greek News

A coke party was held Sept. 10 so that the sisters of Alpha Sigma Alpha could become acquainted with the rushees.

The Alpha Sig also participated in their theme party entitled "Reminiscing," Sept. 18 and their preference party on Sept. 20.

A visit is expected this weekend by Paula Cyrus, a national officer of Alpha Sigma Alpha.

Theta Xi held their weekly meeting Sunday. Discussed were, reconstruction of the front porch, rush activities, signs for the first home football game and a house party Oct. 5.

They will be baffling off the Homecoming football. Tickets will be available soon.

On Wednesday Sept. 12, Lambda Chi's two softball teams participated in their first game of this semester's intramural softball tournament.

In the first game, Lambda Chi II was defeated 12-2 by the Frank Carroll team.

Once again this year, Lambda Chi Alpha will be awarding plaques to the outstanding offensive and defensive player of each home game.

The A.H. award went to Roger "Pope" Caudill for the third consecutive week, and the Award for Undistinguished Courage and Kindness went to Bruce Board.

Tau Kappa Epsilon fraternity announces their new house mother is Mrs. Nadine Wagner. At this time house improvements are being made

to include a fraternity recreation center in the basement, a larger living room, and an additional bedroom. Also, arrangements are being made to put a new roof on the house.

The fraternity is well-represented on the football team by the following Fraters: Mark Reger, Co-Captain; Steve Buffington, ranked 16th pass-receiver in NAIA competition; Kenny Morrison, Larry Chapman, Roger Bonnette, LesFacemyer, MikeRobison, Art Ausberry, and Keith Sayre.

GSC Parking Situation Aided By Zoned Areas

Zoned Parking Areas have been added on campus. Eligible students living in residence halls will purchase zoned R-stickers and "must" park their automobiles only in the Pickens Hall Lot "7F", the High Street Annex (gravel lot), and in case of filled-to-capacity, the lot adjacent to the Forest Technology Building on Mineral Road.

R-stickers are valid only in these R-zoned areas. Parking in any other GSC Parking Area is a violation.

Owners of registered automobiles in violation of parking regulations, other than blocking fire lanes or in "No Parking" areas, will be subject to the following procedures: (A) "Warning" for first violation, (B) Loss of registration, re-registration fee of \$2.00 for second violation, (C) Loss of registration, fee of \$5.00 fee for third violation and, (D) Terminal loss of registration for the fourth violation.

FRANKLY SPEAKING...by phil frank

Shallow Poetry

You see them now with their visual complaint
Working very hard to be what they ain't
They wear rural clothes, and let their hair grow out
But they don't know what redneck life is all about.

They drive the wrong kind of cars - a dead giveaway,
With the wrong kind license (now hear what I say)
Rednecks don't drive VW buses from the Northwestern States
But Chevys and Fords with Ohio plates.

And the guitars that they play - (It hurts me to see)
Those imitations of quality from the gentle Japanese
Among Redneck musicians - There are two kinds of guitars,
Martins and Gibsons, that's all that there are.

And when Rednecks go out for drinking and play,
They don't wear the clothes that they've worn all day.
They put on a clean shirt, with the sleeves rolled up some
Taking care that the top 3 or 4 buttons are undone.

And the dialect these intruders put forth
Makes us glad that we're from no farther north
They refuse to pronounce holler the way it's supposed to be
And insist on retaining the hard "ing."

They have been telling us that we are culturally deprived
I suppose that's why we are all so surprised
To see all these people in funny looking cars
With strange accents, dirty clothes, and junky guitars.

I.R. Redneck

SIGMA'S TOP AVERAGES FOR SPRING SEMESTER

Dean Jean S. Wright has announced the sorority grade point averages for Spring 1973 semester and individuals with 3.00 or better. Sigma Sigma Sigma ranks number one in grade point averages with a 2.78 average. Tri Sigma's who received 3.00 or better were: Leah Ball, Margaret Ball, Judith Bias, Beth Boggs, Jeanette Bonnette, Susan Chapman, Cathy Rader Cowen, Debroah Davis, Deborah Goodwin, Sandra Hall, Sherry Helvy, Melanie Hess, Sherry Horne, Marcia Huffman, Kimberly Jones, Pam Lipscomb, Avalae McElwain, Deloris McKown, Raylene Ray, Brenda Rose, Janet Rose, Terry Smith, Pam Sumpter, Phoebe Sunderland, Becky Von Buseck, and Norma Jean White.

Alpha Sigma Alpha ranked second with a 2.68 average. Marlene Gregory, Barbara Groves, Norma Rexroad, Sharon Sturm, and Patricia Thomas received 3.00 or above.

Delta Zeta received an average of 2.66. Those making 3.00 or above were: Jo Ellen Athey, Kay Bunton, Patricia Canterbury, Carol Dennison, Rhonda Efaw, Barbara Emerick, Paul-ette Jackson, Connie Kuhl King, Peggy McDonald, Judy Meads, Bobbi Nicholson, Mary Ann Nugen, Patsy Reeves Wells, Donna Sowa, Sandi Suran, Lesa Thrash, Artie Walters, and Donna Wilt.

The overall women's average was 2.89. The overall sorority average was 2.37.

Scholarship Is Awarded

Miss Karen Marie Baker, a native of Glendon, Braxton County, has been awarded a scholarship from the West Virginia Congress of Parents and Teachers, Inc. which will be used to finance a portion of her college expenses this year. Miss Baker, a freshman biology major, is working toward a teaching degree and perhaps graduate school.

The scholarship was awarded to Miss Baker as a result of her outstanding high school scholastic record. During her sophomore and junior year she did research projects on mice which dealt with vitamin metabolism and genetics. In her senior year she presented a paper entitled "The Expression and Interaction of Factors Influencing Spontaneous Variation in Coat Color and Possible Sex-Linked Traits in Mice" to the West Virginia Junior Academy of Science. She won honorable mention with this paper and was selected as a member of the West Virginia delegation to the National Science and Humanities Symposium at West Point, New York.

Between her junior and senior years in high school, Miss Baker participated in the National Science Foundation Summer Student Science Training Program, High Schools Honors Biology Program at West Virginia University.

GSC Students Gain Awards

Do you smoke or use alcoholic beverages? If not, then you may be in for a treat! Back in the years between 1901 to 1908, Mr. John C. Shaw, then president of Glenville State College established a portion of income from trust funds to the account of Glenville State College. The scholarships are in the amount of \$150 each year.

Students eligible for this fund are to be West Virginia students in need of financial assistance, whose health, intelligence, character, and habits merit consideration.

Mr. Shaw's only stipulation to people receiving this award is that they must not smoke or use alcoholic beverages. Adding to Mr. Shaw's request, the Scholarship and Loans Committee maintains that students must have a 3.0 academic average.

Those students who are receiving the John C. Shaw award are: Debra Curry, Norma J. Harper, Randy Hunt, Sharon Jones, Charles Julian, Susan Ledahawsky, Richard McFee, Brenda Means, James Pyles, Marsha Reid, Connie Snider, Teddy Stover, Sarah Wagner, John Wayne, and Denise Young.

Save Gilmer Beauty--Protest Strip Mining

Dear Editor:

Orlando Coals Inc., of Spencer has submitted a request for a permit to strip mine approximately 35 acres of land in Glenville District in Gilmer County. It is now up to the citizens of the Little Kanawha area whether the land will be stripped. Will you help stop this desecration of the scenic beauty of our state? Letters of protest to the Dept. of Natural Resources in Charleston, W.Va. are urgently needed by Oct. 12 to deny this permit.

Stripping of this area, that has already been stripped before, would not only cause an ecological imbalance, but aid in the destruction of natural beauty still bleeding from the wounds of its last strip job. This would cause siltation of some of our clearer streams which in turn would affect the Little Kanawha River basin, into which they flow. Large pieces of equipment make the dirt roads slippery in the winter and spring and dangerous, if not impassable, for a school bus.

Won't you help stop this? Please write to the following address: Director, Department of Natural Resources, 1800 Washington Street East, Room 322, Charleston, W.Va. 25305, Attn: File no. 928.

Sincerely,
Debbie Erwin

Glenville Crushes Tech, 42-0; Carter Shines

Glenville State romped to a convincing 42-0 win over W.Va. Tech at Montgomery last Saturday night. The G-men led by Chris Anderson and Jim Carter on offense rocked Tech's defense with Anderson's pinpoint passing and Carter's strong running. After receiving the opening kick-off on their 28 yd. line, Glenville marched up the field behind the long yardage running of Rick Lemley and John Pratt. A facemask penalty, a 9 yd. run by Lemley, and 16 yd. and 5 yd. runs by Pratt moved the ball

down to the Tech 15 yd. line. From there Jimmy Carter burst over guard, broke several tackles and scampered into the end zone. Jay Chambers added the extra point and at 11:12 to go in the first quarter, Glenville led 7-0. Glenville kept Tech deep in their own territory for most of the first period. The Pioneers started a scoring drive from their own 25 with Anderson hitting Facemyer with a 23 yd. pass setting the ball at the Glenville 48. Then Facemyer gained 9 yds. and

Carter gained 16 yds. and 13 yds. on two outside runs. On 1st and goal from the Tech 1 yd. line, John Pratt scored over right guard and following Chambers' extra point Glenville had a 14-0 lead.

Late in the second quarter, Glenville took a punt on their 40. From there, Carter gained 30 yds. total on four different runs. After a clipping penalty caused Glenville to have a 4th and 10 situation on Tech's 34 yd. line, Anderson hit Facemyer with a 34 yd. scoring strike and Glenville carried a 21-0 lead into the dressing room at half time.

The Pioneers kicked off to Tech to begin the second half. The Golden Bears began their only sustained drive of the night with running thrusts off tackle. After three first downs and a personal foul penalty for roughing the passer, Tech had the ball 1st and goal to go on the Glenville 7 yd. line. Tech then tried to run for the score but the Pioneers' vaunted defense led by Bernie Buttrey and the middle of the Pioneer line managed to hold

downs on their own 1 yd. line. The Blue Wave moved the ball out to the 13 yd. line where they punted to Tech's yd. line where the Pioneers recovered the Tech fumble. On the first play from scrimmage, Carter took a hand-off from Anderson and scampered 47 yds. around right end for the Pioneers fourth score of the night. Chambers again added the extra point.

On the next series of downs, Tech was again forced to punt. This time the ball slid off the side of the kicker's foot and Glenville had the ball in excellent field position on the Tech 25 yd. line. From there, it took the Pioneers just three plays to score with Anderson hitting Steve Buffington with a 16 yd. aerial scoring strike to end the third period.

When the Pioneers took over the ball in the 4th period, Coach Hanlin sent in almost a whole new offensive team. However, when this didn't stop the Glenville offense with reserve quarterback Joe Mitchem passing, tight end Kenny Morrison re-

ceiving, and good running by Lemley, Brady, and Robison, Glenville moved slowly but surely down the field.

This scoring drive concluded with Mike Robison diving into the end zone from the Tech 1 yd. line. After Chambers' extra points Glenville had a 42-0 lead.

The rest of the final period was devoted to exchanges of punts since neither team could generate an offensive drive. The final score was Glenville 42, Tech 0.

There were several highlights in the game. Chambers kicked six consecutive extra points; Pratt and Carter ran extremely well; Anderson's passing was on target to his fine corps of receivers: Facemyer, Buffington, and Morrison. Glenville is now averaging 28.5 points per game while holding their opponents to seven points per game.

So that all five cheerleaders and the Pioneer may cheer together, we request that all students try to sit at the far end of the stadium where the band sits.

Jim Carter is shown running around tight end toward the Tech end zone.

WRGT WILL BROADCAST GSC FOOTBALL GAMES

Football fans will be able to follow Glenville State College's games this year on WRG-T-FM, North Central West Virginia's 50,000-watt-sterio station, 106.5 on the dial.

Doing the play-by-play sportscast will be Al Newton, operations director for WRG-T, assisted by color man Mike Shirley.

Glenville games which WRG-T will carry include: West Virginia Tech, Sept. 15, 7:30 p.m.; Salem, Sept. 22, 2 p.m.; Fairmont, Sept. 29, 1:30 p.m.; Bluefield State, Oct. 13, 8 p.m.; West Liberty, Oct. 20, 2 p.m.; West Virginia State, Oct. 27, 2 p.m.; Concord, Nov. 3, 2 p.m.

Preceding each game Glenville's Bill Hanlin will be featured on a "Coaches Corner."

Sportscaster Newton has previously covered many state college and high school games as well as national events.

Bob Wilson

WILSON PLACES SECOND

Bob Wilson, a senior business major from Charleston, placed second in a golf tournament at the Glenville Golf Course recently. Wilson's 36-hole total was 155 with him shooting a 79 the first day and a 76 the final day of competition. Wilson is a member of the GSC golf team and last year he received All-Conference honors for his play in the conference tournament. The winner of the tournament was Lit Wilson, a member of the golf club, who shot a 151 total.

GSC To Tackle Salem

Tomorrow, Glenville State College renews its rivalry with the Tigers of Salem. The series between these two WVIAC teams began in 1925, and tomorrow's game will be the 38th meeting between the two clubs. Currently, Salem owns an 18-17 edge in victories, with two contests ending in ties. As usual, this game will be a hard-hitting contest with defense expected to play a major role in either team's victory. The game against Salem is the Pioneers' home opener and a victory for the G-men could give them the impetus to drive for a conference crown. The contest will start at 2 p.m. with an overflow crowd expected.

Shown in action against Tech is the Pioneer defense; and (bottom) Ken Morrison

Dr. Dollgener Announces New GSC Multi-Sports Complex

'Touchdown, Touchdown, Rah-Rah-Rah, it's a long drive to deep left field, it's going-going-going, Deuce, Double Fault, Love-15.' All these sounds are familiar but also puzzling. From where are these sounds coming? Students, lend me your ears, for a great thing is about to happen.

For several years now, the administration and coaching staff have been talking and making plans to construct an athletic field and other facilities. At the present time, on Mineral Road, below the Forestry Building, contractors are busy grading, laying the drainage routes, basic groundwork, seeding, soiling of the football field, and laying the base of the track. According to Dr. Robert Dollgener, Director of Athletics, these areas of construction are to be completed by January 31, 1974.

As the Mercury went to press the sports department was informed that the entire defensive line and linebacking corps were nominated for the WVIAC player of the week. The defense composed of Marshall, Rice, Reger, Buttrey, Hamilton, Taylor, Frederick, Hardman, Matheny, Fruit, and Bonnett were outstanding as the Pioneers crushed Tech 42-0.

Construction of the locker room and field house are in the planning stages. At the present, funds are available to complete certain segments of the proposed plan. Bids for work or completion of the entire complex will be submitted next summer. If the plans are approved during the legislative session next year, money will be available by March 1 to continue construction.

Officials involved with this project expressed hope that the field will be ready by the first home football game of next fall (1974). Presently, there are only minor problems facing the contractors but Dr. Dollgener admits that, as with all new programs of construction, there will be these minor problems. Dr. Dollgener did state that the contractors are on schedule, according to the plan.

Such things to be included at the new site will be: one regulation football field, one regulation baseball field, an area for field hockey, and other fields for playing areas. Four tennis courts will be available.

There are no immediate plans for

MORRISON, HAMILTON LAUDED FOR EFFORT

When Glenville takes to the field this Saturday, number 20 Scotty Hamilton and number 84 Ken Morrison will be on the field helping the Blue Wave open up their 1973 home football season.

Ken Morrison is a senior physical education major from Weston by the way of Lewis County High School. He has lettered for the past three seasons and started at tight end since he was a freshman. When asked about this Saturday's game with Salem, Morrison replied, "I feel that Salem will come here with the same big physical team that typifies their brand of football. For us to win we will have to beat Salem in the interior line. The game should be a close and hard-hitting contest."

the construction of outdoor basketball courts. Plans will be made later to construct outdoor courts.

Seating capacity, as requested by Dr. Dollgener, is 5,000 which is twice as many people as the present stadium seats. Parking may create somewhat of a problem explains Dr. Dollgener. There may be room for 100-200 cars, but at the present time, parking locations have not been determined.

Further information about the new athletic complex will be available at a later date.

FOUR SOFTBALL TEAMS LEFT UNDEFEATED

Four teams still remain undefeated in the Intramural double-elimination softball tournament. Frank Carroll, TKE Tyrants, Lambda Chi Alpha Number 1 and the Cavaliers.

Frank Carroll defeated BUT 1 and then went on to beat Lambda Chi Alpha Number 2 to remain undefeated.

The winners defeated the Spartans but went down to defeat, losing to the TKE Tyrants. Lambda Chi Alpha Number 1 defeated the Vets, Theta Xi defeated the Beckley Studs and then lost to the Cavaliers.

Games are still in progress and volleyball is expected to start as soon as softball is completed.

Scotty Hamilton, a senior business major from Marietta, Ohio, also lettered three years for Glenville and started since his freshman year. Hamilton has played safety, defensive halfback, and is now playing linebacker. In his freshman and junior years, Hamilton received first-team All-Conference selection for his fine defensive play. Hamilton feels that this week-end's game will be a tough one. His goal this season is to help the Pioneers win the conference championship.

With Morrison catching passes and Hamilton intercepting them, you can be sure that Glenville is a much better football team.

On September 21, 1973, a dance will be sponsored in the ballroom by the MENC. The band playing will be "Judas," a well known dance and concert band. Refreshments will be served and there will be an admission charge to enter.

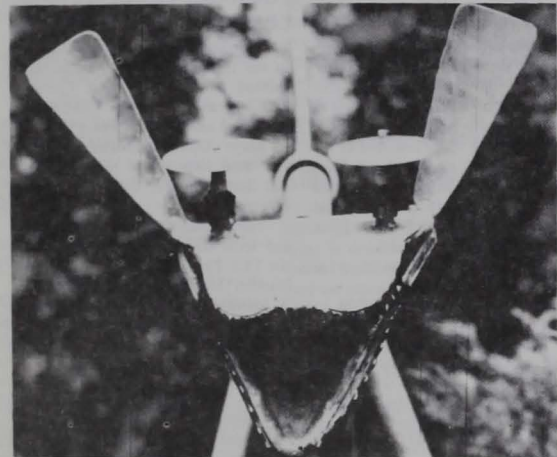

Enrollment Released

Mr. Mack K. Samples released the enrollment figures for the fall semester Sept. 14. A total of 1501 students enrolled, 1381 are in-state and 120 are out-of-state students. The men have a 832-669 margin over the women students.

Gilmer County leads the state's enrollment with 264 students. Following Gilmer is Wood County with 103 students. Kanawha and Lewis Counties are both third in enrollment figures with 101 students each.

The counties are listed in coordination with their enrollment figures: Braxton-94, Nicholas-68, Calhoun-66,

Jackson-43, Ritchie and Roane-37, Fayette-35, Mason and Webster-32, Raleigh-31, Clay-30, Harrison and Upshur-29, Pocahontas-24, Wirt-23, Greenbrier-20, Randolph-18, Pleasants-16, Wetzel and Tyler-15, Doddridge and Putnam-12, Cabell and Marion-11, Preston-7, Taylor, Boone, Brooke, and Logan-6, Mercer, Monroe Wayne, Barbour, and Lincoln-5, Wyoming-4, Berkeley, Grant, Summers, and Tucker-3, Hancock, Hardy, Marshall, Mineral, Mingo, and Ohio-2, and Hampshire, Jefferson, McDowell, and Mingo-1.

"Puff The Magic Dragon," lives by the sea no more, he's presently staying in Dean Maze's front yard. He was made by Cecil Snyder, a retired welder from Pennsboro, WV.

Greynolds Enters In Beauty Contests

"Wisdom is the abstract of the past, but beauty is the promise of future." This could well describe the runner-up to the West Virginia Water Festival, at Hinton, Miss Pam Greynolds. Besides being runner-up for the festival, she was also third runner-up for the title of Miss GSC last spring. A princess at the Strawberry Festival this summer, she was also a princess at the Braxton County Regatta and runner-up to the Water Nymph. All of these beauty contests make it evident of the beauty which she possesses.

Miss Greynolds, the daughter of Mr. and Mrs. Larry W. Greynolds of Sand Fork, is a senior at GSC. She is a 1970 graduate of Gilmer County High where she was a majorette, a member of the band, chorus, Modern Music Masters, National Honor Society and other prominent organizations.

An honor student at GSC, Miss Greynolds is also courtesy chairman for Delta Zeta Sorority, Vice Chairman for Phi Delta Phi and a member of the Concert Choir.

Miss Greynolds said of the Water Festival, "If you have a chance to go to the festival-go because the people down there are the friendliest I've ever met."

After graduation from GSC, Miss Greynolds plans to get a master's degree in Social Work.

Dance Highlights Homecoming Plans

A freshman class meeting was held last week to discuss the freshman class participation in this year's Homecoming. This class will be responsible for providing the float upon which the Homecoming Queen and class princesses ride.

Other Homecoming announcements concern the tentative schedule of activities. Friday night WGSC will host a 50's-type sock hop at which free "refreshments" will be served. There is a \$1 cover charge for non-students.

Saturday nights dances will feature two bands with two distinct sounds - one may either waltz or boogie! The times for these dances are 10 p.m. Cover charge will be \$1 per person (students and non-students) and free "refreshments" will again be served. Student Congress is sponsor of this dance.

Elections to elect dormitory representatives will be held shortly. There will be three representatives from Louis Bennett Hall and four representatives from Pickens Hall. People wishing to file for these Student Congress positions may do so at the Student Information Center at these times: MWF, 9-11, 12-1; TTH, 8-9:30, 11-11:30.

Miss Pam Greynolds, a senior music major at Glenville State College, was recently named first runner-up at the annual Water Festival at Hinton.

Minigh Spends Summer Touring With The Heckels

Eric Minigh, a math major and social studies minor from Gilmer County, spent a very interesting summer traveling with a nationally-known Country and Western Group named the 'Heckels'.

The group consisted of seven members. Susie, 18, and Beverly Heckel, 13, were the vocalists, on the drums, Jaybird, 12, and Bill Heckel their father, played the guitar. They are all from Elkins. Buddy Griffin, from Sutton, a 1971 graduate of GSC, played the fiddle and banjo. Mike Gregory, from Summersville, a freshman at GSC, played the bass guitar. Mr. Minigh played the guitar and when a piano was available he played it, too.

Minigh was asked to be part of the 'Heckels' when they heard him play on the Capital City Jamboree, Charleston. He accepted and a tour of the eastern states began.

During this tour, they presented 75 to 80 shows which lasted one-half hour to two hours. Mr. Minigh was **JURORING MEETING**

NAMES MS. WELCKER
Mrs. Suan Welcker, of Glenville was selected as craftsman by the West Virginia Arts and Humanities Council preliminary juroring meeting Sept. 6 in Charleston.

West Virginia craftsmen chosen from the preliminary juroring will receive commissions for craft works. After selection by the West Virginia Crafts Commission the works will be placed into the State's permanent collection of art.

Craftsmen to be commissioned at the final juroring will be announced early October.

fortunate enough to play with prominent Country and Western singers such as Hank Williams, Jr., Connie Smith, Cal Smith, and Red Sovine.

This weekend he will be traveling to Big Bear Lake, York, Pa. where the 'Heckels' will present two shows, one on Saturday and one on Sunday.

The 'Heckels' presently have one album out called, *Country Road Take Me Home*. They have recording and writing contracts with Screen Gems.

Nigerian To Talk In Two Sessions

Mr. Maurice Nduanya, a Nigerian graduate student at the University of Pittsburgh will be on campus Wednesday, September 26 to speak before two classes in the social sciences division. Both sessions will be open to interested faculty and students.

Mr. Nduanya who comes from the East Central State, the Ibo heartland, will observe the following schedule: 2:00 - Sociology 402 (Minority Groups) Room 102 CH, Mr. Nduanya will talk on conditions in Nigeria today, with reference to nationalistic movements of recent years (e.g. the abortive Biafran independence movement). 3:30 - History 399 (Black Experience in America) Library, Mr. Nduanya will speak on life styles and culture in Nigeria today and on the concept of surviving Africanisms as part of the culture of American Blacks.

The college community is invited to attend both sessions.
