State Students To Meet For Nov. 2-5 Weekend

College students from around the state will meet at Camp Caesar between Webster Springs and Cowen for a weekend retreat next month planned by the Glenville Baptist Student Fellowship. The retreat will begin Friday evening, Nov. 2 at 5:00 p.m. and will end with lunch on Sunday, Nov. 5.

Throughout the weekend, there will be discussion groups and workshops where students will discuss what has been, is, and will be happening on different campuses around the state. It is hoped that many ideas will be exchanged to improve Christian witness and activities on each campus. Everyone is invited to attend this retreat and join the fun and fellowship. Reservations and additional information may be obtained from Becky Cutlip, Room 205, Scott Wing, Pickens Hall.

Cafeteria Situation Remains Unsettled

It has been almost a month now since the beef freeze has been lifted and according to the food service manager, Mr. Wayne Harkins, the situation has not improved to any great extent.

According to the prices, beef was up about 3 per cent. Flour is now running short. At the present there is a shortage of margarine. Just a few weeks ago milk went up in Elkins eight cents per gallon. The food service is not at a loss for milk because it is contracted for.

Eggs are now being limited to two cartons per person at retail markets. Mr. Harkins commented that vegetables will be loosening up because the crops are coming in. Asked if they had the same problem with making out the menu, Mr. Harkins says that it remains the same.

The biggest loss comes in the fruit or dessert line, and apples create the worst problem. Applesauce is still hard to get, according to Mr. Harkins, due to the 40 per cent drop in the apple crop of the early spring. Cottage cheese is also limited.

Some students have requested to be excused from classes at 3:00 on Wednesday, October 17, to attend an open meeting of the Publications Committee in the Little Theater. Students who wish to have their instructors notified of an excused absence may sign a statement to that effect at the meeting.

The W.Va. Board of Regents has changed the grade levels for elementary teachers. Seniors graduating in elementary will be certified to teach in grades 1-8. Their minors will remain 1-9. Secondary majors' certified areas have changed to grades 7-9. When filling out credential forms, seniors must be sure to put appropriate grade levels. While in the Placement Office, seniors should check about their recommendations.

All freshmen who have not applied for the Basic Education Opportunity Grant should contact Mr. Lamb, the Financial Aid Officer immediately, either by phone or by coming to see him, preferably the latter.

The College has for rent a two-bedroom furnished or unfurnished apartment in Louis Bennett Hall. Interested married students or faculty may contact Mr. Robert Gainer for additional information.

Consolidated Gas Corp. Donates \$1,000 Check

Consolidated Gas Supply Corporation presented their annual \$1,000 check to go into a matching fund by the Federal Government, totaling \$10,000. President D. Banks Wilburn accepted the check from Mr. Mead Kemper, Division Superintendent of Production and Lines from Division 3 in Weston; and Mr. Gerald Collins, Crew Supervisor of the Gilmer City Plant in behalf of Mr. John D. Laugh, Assistant to the President of Consolidated Gas Supply Corporation from Clarksburg; and Mr. Carl D. Reese, Manager of Division 3 out of Weston.

Consolidated Gas Supply Corporation is divided into 6 divisions, 3 of which are located in West Virginia.

President D. Banks Wilburn is shown accepting a \$1,000 check from Mr. Mead Kemper on behalf of Consolidated Gas Supply Corporation. Looking on is Mr. Gerald Collins also of Consolidated Gas.

Glenville Homecoming "Fabulous"

As a part of the GSC faculty for eight Homecomings, plus four Homecomings while I was a student, I feel qualified to write this guest editorial.

To me and many who attended the many festive activities, this past Saturday was, indeed, one fabulous day. In fact we could go back to the Friday night thuse, one of the best Glenville State has experienced—complete with 500 or more enthusiastic fans. Majorettes and cheerleaders, announcer Gene Chancey, and all participants made it an occasion to remember.

Saturday's parade was the longest and best-organized we've had, although some felt that many of the floats lacked imagination and were inferior to those of other years. Personally, the only complaint was that the entries moved much too fast; we didn't have time to finish looking before something else caught our eye.

No words can aptly describe the beauty and solemnity of coronation, and this one was no exception. Beginning with Master of Ceremonies Clarence Maze's reference to words of "The West Virginia Hills" written in Glenville, right through to the placing of the crown on majestic Queen Barbara's head, the ceremony was lovely and reverent.

Nationally-ranked Pioneers were hard to control as they kept scoring and scoring—and on—and making their tremendous skill apparent to alumni, friends and students alike as they brought us a Homecoming victory—complete with a 55-0 score!

The lovely sunny 70 degree weather added to the opportunity to chat with old friends, enjoy the Alumni buffet/reception with its 105 guests, attend the truly outstanding performance of the WVU Percussion Ensemble, or get to the Homecoming dance before everyone else.

The dance bands were good, attendance was great, and the only sore spot of the whole evening, according to reports from older alumni, was that they didn't appreciate being carded or not being allowed to take even a coke into the ballroom. Understandably, much of the free beer went unclaimed while guests suffered through a 'dry' dance.

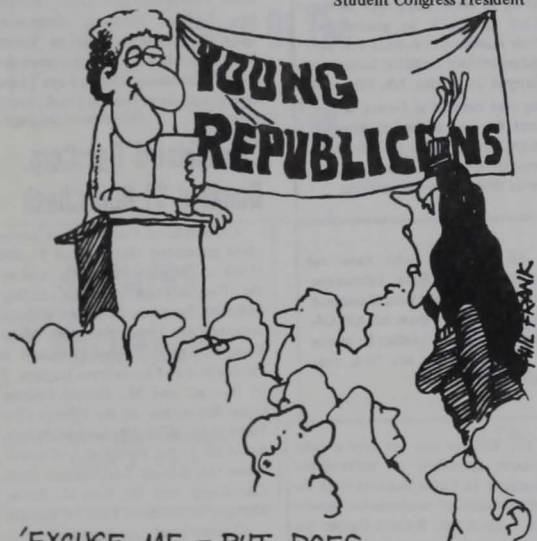

All in all, the weekend was definitely one to remember, and if it's true, as many say, that Homecoming celebrations are on their way out, then let's hope it's awhile before Glenville State conforms. It was enjoyable; it was well-organized; it was nostalgic; it was 'Yesterday once more' . . . Congratulations, Student Congress, sororities, fraternities, bands, newspaper staff (who put out an eight-page paper despite four machine breakdowns); ADE for the programs and all you wonderful Pioneers who were just there. They'll be talking about Homecoming '73 for many, many years to come.

Mrs. Yvonne King

S. C. President Appreciates Help

The Student Congress has termed the Homecoming weekend a great success and wish to extend thanks to all students, faculty, administration, and everyone who cooperated with the Student Congress during the weekend. Special recognition should go to the students who attended the activities of the weekend. Without the student participation and attendance during Homecoming, the weekend would have been less glamorous. The large crowd for the thuse Friday night and the record crowd at the annual Homecoming dance Saturday night. All and all, the Homecoming weekend brought out a warm, friendly Pioneer spirit in their student body.

It Is National Newspaper Week

Considering the apparent relationship and relativity of the Mercury to National Newspaper Week, Oct. 7 - 14, it is important for this editor, to at least make mention of the week and its significance.

Oct. 7 - 14 is a special way of recognizing the press and the role it plays in American public life. On a national level the aspects are limitless. Especially in the last year the newspapers have undauntedly worked at exposing for example, corruption in the government, at the rush of the journalist own personal freedom. The press has been instrumental in making the public aware of social ills such as drug abuse, child beating, venereal disease, etc. Still, sensationalism is leveled, and accusations of criticism are offered with every page of print. Sensationalism - no! Constructive - yes! By exposing anything, no matter how sordid or gruesome, the public is, at least, made aware, and almost always, encouraged to act. Criticisms of this ever informative, ever inquisitive press are numerous and without question invalid. The journalist crusades for the right that entitles every American to know the who, what, where, when, why, and how of any relevant situation. Sentimental? Probably so. But as an object of much criticism regardless of the effort and devotion produced by this staff, any sentimentality is justified.

To bring this to a local level - one request. Think before you utter this criticism that leaks back to the Mercury office after publication each week. We are 12 staff members, 1 advisor, and 7 reporters, working around classes, extra-curricular activities, and personal lives to put out a newspaper each week. If we cut stories, it is a necessity; if we deem some news more important—it is an objective opinion; if we are late or have errors it is due to stress or mechanical errors. One statement can be made without reservation. We work, we put in 100% effort—that is a fact. Criticism if often needed, if it is constructive. But the only possible solution of the Mercury's faults is manpower. Care to volunteer?

Hickman Presents Sr. Recital Oct. 14

On Sunday, October 14, 1973, at 8:00 p.m. in the Glenville State College auditorium, percussionist, Dent Hickman will present his Senior Recital. The program will consist of three selections for marimba, two of which are transcriptions: "Toccata for Marimba," by Emma Lou Diemer; "Sonatina," by L. van Beethoven; and "Duo No. 1," by Ignace Pleyel. Also to be performed is the "Sonatina for Three Timpani and Piano" which has been arranged for two pianos, with percussion accompaniment and cadenza, for twelve percussion instruments by Mr. Hickman.

Mr. M.S. Barnhouse, Gilmer Co. Band Director, will accompany Mr. Hickman on piano on three of the selections. Other musicians who will assist in the performing of the Ostinato Ensemble are M.S. Barnhouse, Mr. John S. McKinney, Calhoun Co. Band Director, Michelle Boggs, Brian Deever, Lee Harbert, Rick Hickman, Steve Lee, Mary Prather, Kim Smith, Jackie Stricker, and Reggie Turner.

A graduate of Elkins High School, Mr. Hickman entered Glenville State College as a business major and two years later became a music comprehensive major. He is a member of Lambda Chi Alpha fraternity, and has served for two years on the Lyceum Convocation Committee. He has also been a member of the college marching and concert bands for the past six years and was President of M.E.N.C., Chapter 537 during the 1972-73 academic year. Since 1967, Mr. Hickman has been a member of the W.Va. Highlanders Bagpipe Band of Elkins, W.Va.

Mr. Hickman will be student teaching at Ravenswood High School for the remainder of this semester and will graduate in December.

Faculty, staff, the student body, and the general public are cordially invited to attend the recital and a reception which will follow the program.

It's Yesterday Once More

Lambda Chi Alpha

Lambda Chi Alpha proudly announces the initiation of fourteen new associate members this semester. The new men are: David Harris, Bruce Roberts, Jeff Mathews, Gary Williams, Woody Wilson, Ken Swisher, John Hudson, Rich McFee, Gordon Allen, Sam Ferrell, Larry Perrine, Bill Sturgeon, Steve Debetta, Gary Dobson.

The Lambda Chi softball team won this semester's softball tournament by defeating the Frank Carroll Five 16-6 in five innings.

Larry Wright won the award this week for Undistinguished Courage and Kindness.

David Jaffre received the A.H. award.

Mrs. Genevieve B. McDaniel, GSC faculty member, was elected treasurer of the West Virginia Association of College English Teachers. The meeting, which is held twice a year at Jackson's Mill is for College English professors in West Virginia.

Revised second semester schedules will be available in the window outside the Academic Dean's office next week.

The GSC Cheerleaders were aptly representative of the 50's in their old timer outfits. Pictures l-r: Sandy Roberts, Jo Ann Westfall, Cathy Deem, Bea Brown and Linda McQuain.

Bruce Brummage and Barb Stemple Boogie all the way to 1st place in participation for the Ohningohow float.

First place in the float competition was taken by Alpha Sigma Alpha, shown Boogieing down the Bobcats.

Preparing to march onto the field at halftime during the Homecoming game is the GSC Pioneer Marching Band.

Children are always darling, and the kindergarten class proved no exception, since their float warmed the hearts of the judges and took third place.

An unscheduled entry in the parade is shown as he seems to think, "What? I thought Homecoming was next week!"

Student Congress Voids Balloting

Dorm elections that were recently held were declared invalid by the Student Congress, because of incomplete information on the ballots.

Four representatives from Pickens Hall and three from Louis Bennett Hall will be elected. All nominations should be turned in to the Student Congress by Oct. 18.

The next elections will be held Oct. 22 and 23.

Alpha Sigma Alpha Wins First Trophy

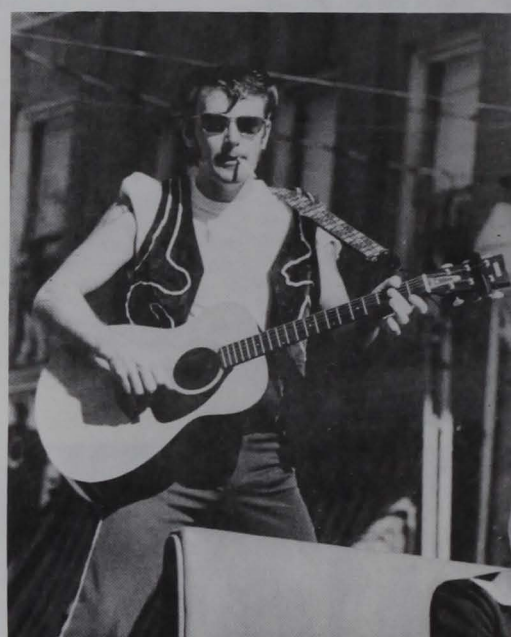

Float winners for the 1973 Homecoming parade were Alpha Sigma Alpha, first place; Tau Kappa Epsilon, second; and third place, Mrs. Tennant's kindergarten class. Trophies were awarded to the three organizations.

Alpha Sigma Alpha's theme for their float was "Boogie on the Bobcats". As the band pantomimed the boogie music, Julie Posey, Marlene Lively, Mike Chaddock, Mike Gregory, and Gary Gregory danced to the music.

Theme for the Tau Kappa Epsilon was "Singin', Swingin', Slingin' 50's". Their float consisted of a goal post and a football player. Also participating were two greasers and two cheerleaders. While music was played to the tune of the 50's, the participants portrayed a Glenville Pioneer atop a Wesleyan Bobcat.

Rounding out the winners, the kindergarten class selected as their theme "We Will Go To College on the Moon". This came about as a result of their anticipation of going to school via the "big yellow school bus." With the bus as their transportation, the children made a moon constructed from large cardboard boxes over which was placed chicken wire and molded to give a rounded appearance. Blue tissues were used to complete it. It was placed on a box especially built to fit on a VW and a mock administration building was atop the moon. The bus was constructed of three separate cardboard boxes and the children as passengers carried them. Also significant in their theme was the portrayal by the children of various administrative staff members at GSC.

Ohnimogohows won the participation award for this year's activity. Their theme was "Let's Go to the Hop", complete with a street dance demonstration. For this, the organization won a cash award.

Ralph Carpenter is shown in his '50's style splendor on the Lambda Chi float.

Ken Pritt (winner) and Paul Ayers (runner-up) are shown with their trophies for tennis singles competition.

Tourney Captured

Sparked by the long ball hitting of Dave Jaffre and Bob Werry, the Lambda Chi Alpha No. 1 team captured the Intramural football championship by defeating the Frank Carroll Five, 16-6. Jaffre had two hits including a three run homer and Werry banged out four straight hits including a triple and a homerun. Other players collecting two or more hits were Kevin Place, 2 singles; Paul Ayers, 2 singles; Ray Dooley, 2 singles; and Dave Bunton, 1 single and a triple.

To reach the finals of the double-elimination tourney, Lambda Chi first defeated the Vets 15-1, then the Winners 6-2, then Frank Carroll 5-10-7 and finally they defeated the champs of the loser's bracket, Frank Carroll 5, by the score of 16-6.

Frank Carroll Five defeated Lambda Chi II, the Vets and the Beckley Studs. This is the second softball championship for Lambda Chi as they won last fall's softball classic.

Members of the team are: Steve Pridemore, Ray Dooley, Doug Mahaney, Paul Ayers, Mike Simmons, James Lee Maddox, Kevin Place, Bob Werry, Dave Bunton, Dave Jaffre, Roger Allen and Mitch Mace.

FRATERNITY AWARDS OUTSTANDING PLAYERS

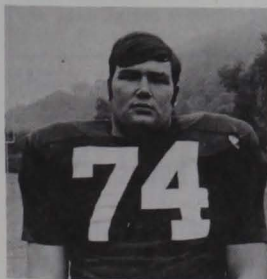

Lambda Chi Alpha announced last Saturday that Steve Buffington and Mark Reger were chosen as the outstanding players of the Pioneer's 55-0 victory over West Va. Wesleyan. Buffington and Reger are roommates and members of Tau Kappa Epsilon fraternity.

Steve Buffington is a junior physical education major from Ravenswood. Buffington was chosen as the offensive player of the game for his receiving. Buffington made several one-handed grabs of Chris Anderson passes and one of these was good for a touchdown. Last year, Buffington was chosen All-Conference 1st team for his play at split-end.

Mark Reger is a senior physical education major from Shinnston. Reger's defensive line play brought him the award for the outstanding defensive player. Reger is a Co-Captain of this year's Pioneer squad and has lettered all four years he has played. Reger plays defensive tackle and makes his presence felt with his strong pass rush.

Steve Buffington

Mark Reger

G-Men Trounce Wesleyan

The Glenville Pioneers displayed a super charged offense and a rock-hard defense as the Pioneers crushed W.Va. Wesleyan 55-0. The score set a record for the most points by a Glenville team in a homecoming game.

After receiving the kickoff, the Pioneers drove down the field and in eleven plays they tallied their first score of the afternoon. The last 16 yards of the drive were gained on a Chris Anderson pass to Kenny Morrison. Big plays in the drive were Jim Carter's 12 yard run, a 14 yd. pass from Anderson to Steve Buffington and a 15 yd. pass from Anderson to John Pratt.

Wesleyan then received the ensuing kickoff but the Bobcats could go nowhere and were forced to punt. The Wesleyan punt was taken by Rick Lemley on the Pioneer 41. After waiting for the interference to form Lemley followed his blockers down the sideline and Glenville had a 14-0 lead at 7:57 to go in the first quarter.

Wesleyan couldn't get an offense generated and once again punted. This time Lemley took the ball on his own 30 yd. line and ran the ball 30 yds. to the Bobcat 40. The Bobcat defense stiffened and Wesleyan regained the ball after Jay Chambers' punt landed in the end zone. Wesleyan gained 7 yd. in three plays and were forced to punt to the Glenville 47 yd. line. The Pioneers then moved into Bobcat territory and with two seconds to go in the first period, Chambers kicked a 38 yd. field goal, giving Glenville a 17-0 lead.

The second quarter was much the same as the G-men dominated every statistic. Glenville took the ball over on the Bobcat 40 when Roger Bonnett intercepted a Wesleyan pass. Three plays later, Anderson hit Buffington with a 34 yd. T.D. toss and the Glenville lead jumped to 24-0. Minutes later Jerome Fruit picked off a Wesleyan aerial and returned it to the Bobcat 15. After 3 running plays, Jim Carter broke into the Wesleyan end zone and after Chambers' kick, Pioneers had a 31-0 lead with 3:34 to go in the 2nd quarter.

With seconds to go in the first half, Glenville again crossed the Bobcat scoring line with Anderson hitting Ken Morrison on a 15 yd. scoring strike! At the half Glenville had an astounding 38-0 lead over Wesleyan. Much of the 3rd quarter was devoted to defense as the Pioneers failed to muster any scoring drives. Wesleyan had their only scoring chance halted at the Pioneer 2 yd. line when the middle of the Glenville line stopped the Bobcats. Soon after the 4th quarter began, Chambers added his second field goal, this time from 37 yd. out. Wesleyan could muster little offense and once again punted. Reserve quarterback Joe Mitchem then directed the Pioneers on a 45 yd. scoring drive. A 12 yd. Mitchem-to-Art Keith pass enabled the Pioneers to hold a 48-0 advantage over the Bobcats. The final Glenville score came when Mitchem found Mark Toney behind the Bobcat defenders for a 45 yard T. D. bomb. After Chambers' kick, the Pioneers had an amazing 55-0 win over the hapless Wesleyan Bobcats.

Pritt Wins In Tennis

The second annual Fall Tennis Tournament was completed last Friday with the finals being played in both the singles and doubles. Ken Pritt won the singles division beating Paul Ayers 10-3 and Ken Pritt teamed up with Dave Wright, had little troubles, beating the team of Dave Merchant and Mark Huffman 10-0.

Dr. Flack has announced that the tennis team will start their season against conference power West Liberty and then Wheeling College. The only returning lettermen are Ken Pritt, Chris Anderson, Gary Dobson, and Mike Kerns. With plans of four new courts in the new athletic complex, hopes are brighter for the team. Several impressive freshmen are on campus this year. Among some prospects are Dave Day, Mark Huffman, Paul Ayers, Doug Mahaney, Gary Canterbury, Dave Merchant, Brian Deever and others.

Rick Lemley is shown here beginning his 59 yd. punt return for a touchdown. Jerome Fruit (24) is leading the interference.

The Bobcats of Wesleyan must of felt like they were being stepped on too, as the Pioneers crushed the Bobcats 55-0.

SPORTS SHORTS

by Dave Bunton

In NAIA national rankings, Glenville is rated as eighth after they crushed W. Va. Wesleyan.

After five games several Pioneers are doing quite well in the Glenville rushing categories. Jimmy Carter has rushed for 383 yds. in 92 carries for 4.2 yds. per carry. John Pratt has gained 234 yds. in 54 carries for a 4.3 average. Don Brady, a freshman, has gained 146 yds. in 28 carries for a 5.2 average. Rick Lemley has 59 yds. in 23 carries for a 2.6 average, and Mike Robinson has 37 yds. in 10 carries for a 3.7 average.

In the passing category, Chris Anderson has completed 37 of his 62 passes for 501 yds. and eight touchdowns. He has been intercepted five times. Joe Mitchem is 4 of 8 for 92 yds. and two touchdowns.

On the receiving end, Steve Buffington has caught 11 passes for 188 yds. and 3 TD's; Ken Morrison has caught 8 tosses for 105 yds. and 2 TD's; Les Facemyer has caught 7 passes for 100 yds. and 2 TD's; Jim Carter has received 6 passes for 57 yds. and 1 TD; and John Pratt has caught 4 passes for 44 yds.

Jay Chambers is averaging 35.2 yds. per punt. Jim Carter is averaging 42 yds. per return on kickoffs and 23 yds. per punt return. Rick Lemley is also averaging 23 yds. on punt returns. Scott Hamilton and Jerome Fruit lead the Pioneers in interceptions with two apiece.

In scoring, Carter has 38 points, Chambers 26, Buffington 18, Morrison, Pratt and Facemyer 12, and Robinson, Lemley, Keith, and Toney, six apiece.

As a team Glenville has outscored their opponents 142 to 28 and outgained their opponents 1497 yds. to 974 yds.

Glenville needs a win Saturday to gain first place in the WVIAC Southern Division. Even though they have the best record in the conference, if the Pioneers lose they will not get a shot at the playoffs because Bluefield would finish with a 4-0 record within the division.

The cheering section for the Pioneers has been outstanding this season. At Fairmont, Glenville had more supporters and a louder cheering section than the Falcon rooters even though it was Fairmont's Homecoming. If you get a chance, go to the game and let's all pull for the Pioneers.

Another oddity of the conference division set-up is apparent if you look at the conference standings. Do you realize that even though the Pioneers have already defeated Fairmont that the Falcons and Glenville could be playing in the conference playoffs on Nov. 17? Fairmont is currently leading the Northern Division with a 2-0 record.

GSC PLAYERS PROFILED

The two players profiled this week are offensive guard Bob Maynard and defensive end, Willie Marshall. This is the first year that both of these men have started and thus far both have played excellent football.

Bob Maynard is a junior physical education major from Marsh Fork. Maynard took over the offensive guard position in the Pioneer's third game and has started ever since. Maynard's play is characterized by his excellent pass blocking and hard hitting.

Willie Marshall

Bob Maynard

Willie Marshall is a sophomore defensive end from Oak Hill Prior to attending Glenville, Marshall attended Greenbrier Military school. Marshall has recovered one fumble this year and has been in on numerous tackles. He had an outstanding game against Salem, hampering the Tiger quarterback all day. Marshall's major is physical education.

Due to the late news release of the WVIAC records, Jay Chambers' honor was not mentioned in our last issue. Chambers was nominated for conference offensive player of the week.

Heeeeeeees Bobbi !!!!!!!

Director Announces Stage Crew, Prices of Admission Released

Ms. Jeanne Kobuszewski, director for 'Come Blow Your Horn' has announced the members of the stage crew for the hilarious play to be presented Oct. 31, Nov. 1 and 2 in the auditorium.

At the same time Ms. Kobuszewski released the prices of admission recently approved by the Student Congress. All GSC Staff, faculty and students will be admitted for .50, other adults, \$2, children, \$1. It may be noted that this required fee has been put into effect to supplement the inadequate production budget of the Drama Department. Instead of charging all students, an increase of a blanket activity fee only students interested and involved with the production will be charged.

Stage manager and assistant technical directors are Bruce Brumage and Dave Brown.

Each of the crews are listed below with the members and their duties: PROPS-(These people get the equipment that the actors will carry on or use.) Co-heads-Vickie Jones and Vickie McGraner; Crew-Ann Miller, Sherri Catalano, Peggy Klemick, Ruth Swatzyna, and Tom Isenhardt.

COSTUMES-(These people get the costumes and must be there to give the proper costumes to the actors at the right time.) Co-heads-LaDonna Chapman and Peggy Klemick; Crew-Skip Kincaid, Ann Miller, David Veith, Melanie Hess and Ann Isenhardt.

SOUND-(They are in charge of the background sounds for the production.) Head-Kim Johnson; Co-heads-Skip Kincaid and Tom Isenhardt; Crew-Roberta Luikart.

MAKE-UP-(They make sure that the make-up is applied correctly so the actors' portrayal of characters is realistic.) Co-heads-Ann Miller and Sherri Catalano.

SET CONSTRUCTION-(These people are responsible for building the set.) Head-Dave Brown; Co-heads-Melanie Hess and David Veith; Crew-Play Production Class.

LIGHTING-(These people run the lights, before and during the production to set the right mood.) Head-Kim Johnson; Co-heads-Tom Isenhardt and David Veith; Crew-Mark Reger, Jessie Rader and Gene Chancey.

HOUSE MANAGEMENT-(They are in charge of sitting arrangements and handing out programs.) Co-heads-Melanie Hess and Art Wilt; Crew-Play Production Class (except those who serve as running stage crew).

PUBLICITY -(These people are in charge of making all posters and programs. They also do all the advertising for the production.) Head-Bruce Brummage; Co-heads-Celia McCoy and Sherri Catalano; Crew-Play Production Class.

CHANCEY PORTRAYS CHARACTER IN PLAY

The Mercury staff would like to extend its apologies to Gene Chancey for leaving out his name in the list of people who will act in 'Come Blow Your Horn'. Gene will portray the part of Mr. Baker, a typical Jewish father, who is always telling his sons that they are bums if they aren't married.

Awards Revealed For 1973-74 Year

Mr. Larry Lamb, Financial Aid Officer, has announced the total number of scholarships, loans, grants, workshops, and work studies awarded for the fiscal year '73-74.

A total of 214 students are receiving the National Direct Student Loan which amounts to \$150,000. Supplementary Opportunity Grants are awarded to 124, amounting to \$74,000.

Approximately 110 students are under the work-study plan which totals for the year to \$85,000. Another 85 students are on the work-study program.

Some 200 students depend on the Guaranteed Student Loan which they receive from their hometown bank. The amount awarded is based upon the need of the individual student. The Basic Education Opportunity Grant, which is awarded only to freshmen, totals \$18,000 which is divided among 80 students.

The John C. Shaw Scholarship is now given to 15 students attending GSC. This award is given in the amount of \$150 each year for four years. The Claude W. Benedum Scholarship was awarded to 41 students at \$200 each. This amounts to \$8200.

Talented and deserving, the West Virginia University Percussion Ensemble was warmly recieved by the audience at the Lyceum program on Oct. 6.

"Putting It All Together" Ends Lyceum Program

"Putting It All Together" ended the Lyceum program Saturday, Oct 6 by the West Virginia University Percussion Ensemble.

The group which featured WVU students played several musical selections. Included, was one section devoted to African music performed on native instruments. All instruments were of percussion nature. The last number, which featured a part of every selection played during the evening featured a long drum solo. The crowded auditorium gave the talented musicians a long standing ovation at the end of the program.
