

'Picnic' Is Selected Winter Production

The Glenville State College Speech department has chosen William Inge's Pulitzer Prize winning drama *Picnic* to be their winter production, performing February 6, 7, and 8 at 8:00 p.m. Also the Drama Critic's Circle Award winner, *Picnic* takes place in the joint back yards of two middle-aged small town women, both long since deserted by their husbands. One has an invalid mother, and the other two maturing daughters, and a boarder who is a spinster school teacher. Into this congested female atmosphere there comes an aggressive young man of neither polish nor promise, whose animal vitality seriously upsets the entire group. The visitor is a most interesting character, child of parents who ignored him, self-conscious of his failings and his position behind the eight ball. The mother is sensitively wary of temptations for her children.

The theme *Picnic* carries with it that love requires humility. Inge's characters are small, but genuine in their paths, most moving in their impotence before life. A play of many moods, *Picnic* hosts a cast of 4 males and 7 females. Under the stage direction of Miss Jeanne Kobuszewski, *Picnic* tryouts will be held Wednesday and Thursday, January 9 and 10, 6-8:30 p.m. in the Little Theater. All Glenville State College faculty and students are urged to tryout or get in on the excitement and fun of working back stage. Scripts are available in the library on Reserve after December 17th. For further information, phone Miss K. in the drama office, Ex. 318. Don't miss another exciting theatrical production.

This course (SP 399) is limited to five students, permission granted through drama office, Ex. 318. Cost for the 10 day trip is approximately \$150, which includes food, lodging, and the price of the tickets to the productions. Mr. Bush developed these puppets after graduation and his puppets have been all over the world. He gives regular programs on Friday and Saturday nights at the Pioneer Health Restaurant in Ripley.

'73 MERCURY STAFF HOLDS ANNUAL PARTY

Sunday night at seven o'clock the Glenville Mercury will have its annual Christmas party in the Mercury office.

In attendance will be the Mercury staff and reporters and former reporters. Pizza and coke will be served and an exchanging of gifts. Gag gifts will be given by the Editor and everyone on the staff will be dressed as a character of the Yuletide season.

Gifts will be presented to reporters and staff from Mrs. King and snow permitting, Christmas caroling after the party.

"Signs of Christmas" Shown above is the Christmas tree which stands in the Robert F. Kidd Library.

Fantasyland Revisited

Christmas has once again converted Glenville State College into a fantasy land. Look if you trust your eyes. It's Christmas Eve and there is Santa who looks amazingly like Dr. Wilburn getting ready to leave with his sleigh. Mrs. Claus, the staff's very own Mrs. King is waving good-bye with the rest of Santa's helpers who look amazingly like Rose Turner, Norma Jean Barnett and Jeanne Kennedy. Pulling the sleigh are, Rudolph the red-nosed McCartney, Sock hop Dancer Fredin, Prancer Piercy, Dasher Warren, Vixon Page, Donner Vineyard, Comet McKown, Cupid Miller, and Blitzer Hanlin. As they start off, one can see them flying past the Christmas Star Kobuszewski. They stop, of course at GSC right on the lawn by Frosty Dr. Good. But, before sliding down the bell tower Santa pauses to look at the three Wisemen, Kerr, Jenio, and Wiseman (naturally). After finally getting into the building, Santa goes straight to the Grafton Christmas tree. At first he started to put \$100 bonus gifts under it, but Scrooge Osborne is stopping him. Now he is setting out all of the rest of the gifts in his bag and there are so many they can hardly be described. There is a brown package for the computer center, it is marked "old watergate tapes." For the athletic department there are several packages: a winning season for Coach Lilly, a new state car for Coach Milliken, a hundred canned press releases for Mr. Riffle, and for Doctor Dollgener, a bottle of white shoe polish, and an NAAIA bill stamped PAID. There are two presents for the student affairs office, a parking ticket for Dean Billips and a calendar with a million open dates. For Dr. Manley there is a bottle of aspirin and for the Forestry department a brand new bus. Oh Wow, a brand new indoor tennis court marked, Hilgenbert, Orr, and Flack. For Dr. Simmons, some polish without requisition for his new filing cabinet and for Mr. Gary Gillespie a dozen free performers for Lyceum programs. For the radio station there are two gifts, a \$60 check to pay some fines, and lots of country music. For Ms. Leisering, he has great big trophy marked National Champ and for the cafeteria an endless supply of steaks. Since this is a fantasy and in fantasies anything can happen, there are several presents for everyone. First, a parking lot a hundred miles wide, Second, a good rating from NCATE for Glenville State College, last but not least, a Mercury with no mistakes requiring no work. Now, Santa hopefully hasn't left anyone out, if he did it was unintentional.

As the fantasy ends and reality takes over two wishes from **The Mercury**. First, don't let the Grinch Maze steal Christmas with bad grades, and have a happy holiday season.

Christmas Greeting

Each year around this time, the President of our college, Dr. D. Banks Wilburn delivers his annual Christmas greeting to the students of Glenville State College.

Below is his greetings for the upcoming Christmas holiday:

Dear Students:

As you are now about to leave the campus for the Christmas vacation, I wish you much happiness and joy at this Christmas season, and extend to your families and friends at home and abroad my best wishes.

It seems that the spirit of Christmas should cause us to reflect much upon the many aspects of life in our world today. There are the problems of peace in the world. There is the need to make certain that people everywhere have the privilege of governing themselves as they see fit, and of rearing their families in an environment which will be conducive to an ever-increasing grasp of recognizable standards of worthwhile living. Here at home there must be greater concern expressed in positive action for the poor, for those often afflicted by disease, for the plight of the elderly who too often must live in humiliating circumstances, and for those for whom it seems there are too few opportunities to participate fully in the cultural, educational, and social self-sustaining endeavors that are aspects of the personal aspirations of all persons.

You hear much in your studies and view all too frequently the results of disregarding the natural relations between living organisms including human beings and their environment. You ask and are asked, "Can we afford to have clean air and water, and re-establish the natural relations between living organisms and their environment?" Others declare that we cannot afford any imbalance between man and his environment to continue longer. Some tell us that the problems of man and his environment overshadow all other problems to the extent that life as we know it and like to view it may possibly be affected markedly if we do not now within the confines of the knowledges that we now have solved the problems.

All of these problems should challenge you to be a part of the great positive force of mankind which is required in order to solve these and many more unrecognized problems of the present and the future. Your best chance of being able to accept the challenge is to make certain that you secure now the best possible preparation during the years that you are at Glenville State College. This must be your first concern. It must be revealed through your eagerness to learn, to question your own ideas, those of your fellow students, and of the faculty. You must be willing to accept new ideas about your worth and that of those around you. You must earn to test that which seems new in order to gain security in recently acquired ideas. This must be if your educational endeavors are to cause you to become the kind of men and women who can accept the challenge of today and tomorrow in the spirit of Christmas.

You did I often say, "What can I do to make the spirit of Christmas become a reality?" All of us affect someone's life positively when we least expect it to do so. We find these opportunities more often if we look for them. As I suggested a year ago, why not find a child or youth who needs tutoring in order to succeed in school.

Scores of students here in the College are not succeeding with their studies. The Foundation Studies Program, with a limited staff, is not in a position to assist all who want or need assistance. Therefore, if these students do not receive assistance, they may lose the opportunity that you have. Why, then, not find a fellow student who may have a better chance to succeed because you took the time to help?

Best Wishes for the Christmas Season.

Cordially yours,
D. Banks Wilburn
President

Pioneers Halt Tigers

Last Tuesday night Jesse Lilly's Pioneers put it all together and played probably its best basketball of the young season. In recent games the Pioneers have had their problems putting together two good halves of basketball but that wasn't the case against Salem.

The Pioneer defense rose to the occasion as it has done in the past and put the lid on Salem's lightning, fast, hot shooting guard Archie Talley. The Pioneer defense caused Salem to commit 25 turnovers. Score at the half was 43-22 Glenville's favor.

At the beginning of the second half Salem started a surge to come back and try and keep its perfect record in tact. Archie Talley began hitting 15 and 20 foot jumpers and it appeared as though Salem would

close in on the Pioneers, but the Glenville five prevailed and only allowed Salem to get as close as 13 points, from here on out the Pioneers played up to par.

Randy Datcher led the G-men in scoring with 22 and Earl Hawkins chipped in 20. Archie Talley led Salem with 21 followed by Bobby Johnson with 18.

Salem 22-45-67; Glenville 43-40-83; Salem: Talley, 8-5-21; Warfield 1-0-2; Johnson, 9-0-18; Patton, 2-0-4; Kinlock, 1-0-2; Clevenger, 1-0-2; Lorina, 5-0-10; Vondreau, 2-2-6; Ford, 1-0-2. TOTALS: 30-7-67 (13).

Glenville: Hudson, 6-3-15; Datcher, 10-2-22; Hawkins, 9-2-20; Merchant, 3-4-10; Makle, 4-2-10; Colin, 0-2-2; Lilly, 1-0-2; Bartley, 0-2-2. TOTALS: 33-17-83 (30).

Mark Reger

Lineman Chosen

"Surprised"!!! That's how Mark Reger expressed his feelings after being awarded lineman of the game in the NAIA finals. Mark also commented, "a large amount of luck contributed in being chosen. It could have easily gone to someone else on the front four or someone on our offensive line, the unsung heroes of football."

Mark is the son of Mrs. W.H. Reger from Shinnston. He lettered three years at Shinnston High School. Upon graduation he attended Fairmont State College but did not enjoy the school or people. He quit and went to work in a sheet shop for one year. Mark heard about Glenville State College and decided to come, where he said, "I found the best people in the world."

Reger lettered three years for the Pioneers being elected tri-captain his senior year. Commenting on this year's team, "This was by far the greatest thing I have ever been associated with. We have a lot to owe to our loyal Glenville fans and a huge debt of gratitude to our coaches who made it all possible."

He is a physical education major and speech minor. He will graduate in May 1974 with an A.B. degree in Education.

The Pioneer basketball team will journey to Beckley, on Dec. 15, to take on the Beckley Junior College basketball team. Game time is at 8:00 p.m. at the Beckley field house.

Muckraking

by Dave Buntion

It's a new season. The Glenville State basketball team opened up its basketball season Nov. 19 and for the first five games the Pioneers were, on the whole, very unimpressive. The G-Men lost close games to Salem and W.Va. State and were clobbered by Fairmont last Saturday night. The Lilly-Men had beaten Alderson-Broadus and West Liberty but they lacked a certain cohesiveness that has characterized Glenville teams of the past. Maybe all of this has changed. Wednesday night the Pioneers soundly thrashed the conference leading Salem Tigers. The G-Men outshot, out rebounded, and out everythinged the Tigers. Defense and team play was the name of the game and the Lilly-Men had no peer in either department. "So what," I'm sure a lot of people are saying "They finally won a ballgame." Well, I'll tell you what, I've got a feeling that the Pioneers are going to keep on getting better.

Sure, the G-Men probably don't have a chance for a conference championship but you look for them to be in the top four when the conference playoffs come around.

Dave Merchant has really played well for the Pioneers and seems to

have no trouble adjusting to the Glenville pattern of offense. Merchant also has done an exceptional job on defense and directing a Pioneer attack.

John Hudson and Eric Makle have helped pick up the Pioneer's performance. They both have done a good job on the boards and their scoring has helped pick up the Glenville offense.

As usual Earl Hawkins is playing well. Against Salem, Hawkins hauled in 22 rebounds and scored 20 points. Earl stands only 6'3" but I'm sure his opponents feel he is 6'6".

Randy Datcher is averaging over 10 points per game and as soon as his rebounding picks up he will be tougher than ever.

The Pioneer coaching staff is looking to Rushon Colin, Will Stewart, Tom Lilly, Roger Caudill, Darrell Bartley, Jeff Jackson and Allen Dye all to provide the bench strength to push the Pioneers back to the top in conference play.

Larry Chapman and Jim Carter were given honorable mention in the picking of small college All-American team. Congratulations are in order for both of these fine men. It sure feels funny to be number two in the nation and number two in the WVIAC. Are you listening, George Springer?

Glenville plays Beckley, Dec. 15 at Beckley to close out the 1973 part of their basketball campaign. The G-Men are participating in the Marietta Holiday tournament on Jan. 2 & 3 at the Marietta field house.

Since this is the last paper before the Christmas break, I'd like to make a few comments. First of all, I feel that writing for the school paper and being associated with the finest athletes Glenville has to offer is one of the greatest honors I have ever been given. Secondly, I feel that I couldn't have done my job without the tremendous cooperation of the Mercury staff, Mrs. King, the advisor and Dr. Dollgener, head of the Physical Education department. Thirdly, I am proud to be a Glenville student and a member of the outstanding student body cheering section. And finally let me wish each of you a very Merry Christmas, a Happy New Year and many more memorable experiences at Glenville State College.

By the way, I hope Rookie's dog doesn't attack his Christmas tree.

Wrestling Team Is Optimistic

Coach Adolfsen has only twelve men out for the wrestling team compared to eighteen men last year. Factors contributing to this; seven freshmen were recruited, out of these seven, three dropped out of school and four did not bother to come out. Coach Adolfsen is very disappointed at the turn out but he is very optimistic about the season and he believes this season could be just as good, if not better, than last year's WVIAC third place team.

Despite the low turn out and the loss of Brian Taylor, 158 lbs. and Terry Tyree, unlim. Coach Adolfsen still has eleven men back from last year. Competing for weight classes this year are: 118-Jim Neale, 126-Luther Hanson, 134-Jerry Harris, 142-Rick Pierson, 150-Steve Lewis, 158-Mike Snider, Curtis Travis, and

Joe Mills, 167-Corby Stalnaker, 177-Tom Brum and George Welch will have a wrestle off and the loser will fill in the 190 lb. class, and the unlimited class will picture Danny Clevenger who will help the team very much.

Coach Adolfsen states, "the competition is very good this year, we wrestle Marshall who is in the Mid-American Conference, Fairmont and West Liberty who have almost their entire team returning, American University from Washington and Frostburg, Md. both are always tough, Marietta, Ohio is strong this year, and Bowling Green another strong Mid-American Conference team are among our competition."

Anyone interested in coming out for the team, Coach Adolfsen would welcome.
