Pulitzer Prize Winner Returns For Homecoming Encore Show

Homecoming at GSC will take a dramatic twist this year as the Speech Department hosts the 1952 cast of *You Can't Take It With You* at their October 18th performance of that Pulitzer Prize winning comedy.

In a human interest interview with Dean Clarence Maze, cast then as Paul Sycamore, we found theatre in 1952 an important and enthusiastic element of the college community.

"Four hundred students and thirty five faculty members contributed to a closely knit group and an excellent communication system. Every Thursday morning, all students would gather for an assembly at which time announcements were made. Theatre tryouts and technical crews were well supported."

1952 stage director, Marjory Skelton was a popular personality on campus promoting the excitement theatre offers still today. "All cast members, except one," mused Dean Maze, "were in academic areas other than Speech and Drama. Several star football players had roles in *You Can't Take It With You*. Paul Lanham, now assistant coach of the Washington Redskins, was a member of the cast."

In recalling the facilities of the former Speech Dept., Dr. Maze noted the area as located in what is

now the business dept. in the basement floor of the administration building. Plays were also done experimentally and riser seats were placed in the single large room that was occupied by the department. Ohnimgohow, Alpha Psi Omega theatre fraternity and forensics were strong.

You Can't Take It With You was performed only once as were most of the plays while GSC was at a smaller enrollment. The plays were greeted with enthusiasm, appreciation and pride.

In adding a comparative note, Dr. Maze recognized the GSC theatre of 1952 as being "excellent in its time...but the theatre at GSC in 1974 is staged technically more professionally and acting techniques are more superior."

"It was a time of fun, excitement and great reward," concluded Dean Maze.

"All these plans we make...what happens to them? It's only a handful of the lucky ones that can look back and say that they even came close."

The Mercury, Alumni Director, Judy Meads and Dean Maze contributed the names and present occupations of that hilarious group who made *You Can't Take It With You* a hit in 1952.

Get Out & Vote!

For those discontented students who have the audacity to complain about conditions at GSC, an eye-opening examination of the Gilmer County schools would soon change many minds. We at this college have much for which to be grateful but the area elementary and high school students are attending classes in somewhat deplorable facilities.

On November 5, 1974 the registered voters of Gilmer County will be provided an opportunity to improve the conditions for the area students. The vehicle to driving for better schools is the Bond issue. The issue at hand will, if passed, allocate funds for the construction of new facilities and partial renovation of existing structures.

Glenville and Tanner would share a new elementary school while Norman-town and Sand Fork would make addition to the existing structures.

When a bond and a levy were introduced last March both issues were sound-ly defeated. This was certainly a disappointment to those involved who worked so diligently for their success.

If Gilmer County is ever to free itself from the burdens of poor facilities, now is the time. Even though many of you who read this editorial aren't direct-ly affected by the Gilmer situation, compassion for the area students should compel you to register and vote in the November fifth election.

For those of you who wish to register to vote, you can do so by going to the county courthouse between the hours of 9:00 a.m. - 5:00 p.m. Voter's registration requires little time, but the time you spend could provide immense improvements for the area youngsters.

Tamburitzans Applauded

The Tamburitzans of Duquesne University displayed another dazzling per-formance here, last Friday evening. They first performed here in October, 1969.

The talented group of 40 singers, dancers and musicians reconstructed an atmosphere of a Serbian wedding and other celebrations of the Slovak people.

Dancers of the first number might play an instrument in the second and sing lead in the third. There was no doubt that these students were dedicated and talented artists.

Scenes of a Greek restaurant (complete with belly dancers) in the early 50's and a New England barn dance completed the link between the past and present, showing the influence of the Serbian appreciation of music.

As the curtains closed, or rather "didn't close", we hoped the 'Tammies' would not be long in returning.

On The Bench

by John Lilly

I have heard many times on a weekend television show, "the thrill of victory and the agony of defeat." Well, this little quote tells the way the Pioneer football season has gone through the first three games of the season.

Last Saturday night it was "the agony of defeat" when Salem's Jack Deoplaines showed why he was an All-Conference running back selection last year. Deoplaine's running combined with quarterback Dave Wright's running and passing kept the Pioneers off-balance most of the second half when the Tigers scored their second and decisive touchdown of the game.

The first half was so evenly matched this sports writer thought we would see our first overtime game of the season, but the Tigers from Salem proved the second half they didn't want anything but a win. The G-men didn't play badly, it was just that Salem played so well.

When the Pioneers put together their only score of the night, it looked like the team of last year. Joe Mitchem and his offensive unit blended together their running and passing game so well Salem didn't know which way to turn.

But the second half Salem was ready for anything, even the fog.

Outstanding J.V.'s

The football coaching staff was pleased with the junior varsity showing last Monday night with their win over the Salem Tiger J. V., 21-0.

Many individuals sparkled for the Pioneers in that win. Offensively, center Greg Huffman; guards Pat Joyce and Terry Lahman; fullback Keith Murdock; kicking specialist, Bob Casto; tight end, Mark Houser; and quarterbacks Tom Cowan and Steve Chandler just to name a few.

Outstanding players on the defensive unit included linebackers J.T. Petties and Rick Reidl; defensive ends, C. W. Campbell and Mike Reed and defensive tackles, Scott Anderson and Randy Hudson.

These are just a few names that one might want to remember 'cause they are the future Buffingtons, Maynards, Buttreys, and Hardmans of Glenville State College.

Finished 14th

Sophomore golfer, Terry Crislip, finished fourteenth in the amateur division of the West Virginia Open Golf Tournament held this past weekend in Moundsville. Crislip finished with scores of 74-79-77 over the three day event.

Mr. Soothsayer

This past weekend proved to be a disaster in the eyes of this soothsayer. Predicting correctly in only two of the five games played last week led to threats of bodily harm if I didn't improve on my predictions. So after three weeks of guessing Mr. "Sooth" has a magnificent record of 11 right and 10 wrong for a 55% guessing average.

Well last week I was shootin' for the stars and 100% correct, this week I'm shootin' at the squirrels hopin' to hit one!
-W. Va. Wesleyan 9-W. Va. Tech 8. The Bobcats should scare the Bears into losing their third straight.
-West Liberty 19-Wittenberg 17. The Hilltoppers should win one out state.

Salem 24-Concord 7. I feel sorry for the Mt. Lions.
-Bluefield 28-W. Va. State 12. The Big Blues are comin' on.
Shepherd 18-Madison 13. I can't tell what the Rams are going to do from one week to another.
-Glenville 16-Fairmont 13. This could be even closer.

Salem Tigers Defeat G-Men

The Salem Tigers came out roaring the second half of last Saturday's game to take a hard fought 14-6 win over the Pioneers. The loss was the second of the year for the Pioneers, while the Tigers stayed unbeaten with a 4-0 mark.

Salem opened the scoring with 2:31 left in the first quarter when All-Conference running back Jack Deoplaine galloped fifteen yards for the touchdown. The extra point try was missed.

With the Tigers ahead 6-0 the Pioneers put together a 56 yard eight play drive that tied the score at 6-6. Rick Lemley crossed the goal from the three yard line with 9:38 left in the half to score the only GSC touchdown of the night. Larry Wolfe's extra point try was wide to the left.

Near the end of the first half Glenville mounted another scoring threat, but Wolfe again pulled his 31 yard field goal attempt to the left, leaving the score knotted at 6-6.

The final and winning score of the night came in the third stanza when quarterback Dave Wright engineered a 55 yard seven play drive. Wright ramblod over from the nine yard line. Deoplaine scored the final points when he ran for the two point conversion.

The Pioneers never threatened in the closing minutes of play when Salem smothered both the passing and running attacks of the Pioneers.

Statistically, both teams collected 12 first downs, but Salem rushed for 172 yards on the ground compared to 62 yards for Glenville. GSC held the aerial advantage with 88 yards to 44 yards for Salem.

Individually, Ed Wilson led the Pioneer running attack with 20 yards in 17 carries; Lemley and Mitchem carried the ball for 18 and 15 yards respectively.

cided. This tournament, which Glenville will attend will be held March 21-22 at Parkersburg Community College.

The delegates from Glenville attending the workshop were: Vicki McGraner, Roberta Luikhart Barbara Stemple, Skip Kincaid, and Melanie Hess. Other team members include: Art Wilt, Dave Brown, Judy Ditlow, Brenda Maylee and Brenda Steele.

The team's first tournament will be the Mad Hatter Individual Events Tournament at Bloomsburg State College, Bloomsburg, Pa., Nov. 1-2.

*It is perhaps interesting to note that just two years ago, Glenville was not an active participant in the W. Va. Speech Association and in that time it has become one of the leading voices in that association, largely due to its impressive foren-

Keith Murdock's 1-yard plunge during Glenville's J.V. shutout over Salem's baby tigers, 21-0.

Glenville Smashes Salem Cub Tigers

The Glenville Junior Varsity avenged the varsity's loss to the Salem Tigers Monday night at Weston when they rolled over the "baby cub tigers" by the score of 21-0.

Sophomore fullback Keith Murdock opened the scoring for the Pioneers when he bulled his way over from the one-yard line with 33 seconds left in the first half. Bob Casto kicked the extra point to make the score 7-0.

Neither team scored in the second or third quarters when the defensive units of both teams tightened up.

With 9:56 left in the game again Murdock bulled his way over the goal line this time from 5 yards out. Casto, the kicking specialist, booted his second of three extra point conversions.

With time running out the Tigers fumbled a punt and sophomore guard Pat Joyce picked up the loose ball and galloped to the 2 yard line setting up the final score. Running back Leandis Hodges dived over for the score. Casto then converted the extra point to make the final score 21-0.

Statistically, Murdock was the leading ball carrier with 36 yards followed by quarterback Sjeve Chandler with 33 yards. The other Pioneer quarterback Tom Cowans completed three of six for 74 yards. Two of the completions were to freshman tight end Mark Houser for 40 yards.

sics record of the past two years.

**The second general division of the Individual Events Workshop, consisted of discussions of Expository Speaking, Salestalk and After Dinner Speaking. A separate workshop was held in debate with Fairmont and W. Va. Wesleyan providing a demonstration debate on the national topic: Resolved: That the powers of the Presidency should be significantly curtailed.

The Major's Club will be selling football mums for Homecoming in front of the old cafeteria from 11:00-1:00 on Oct. 7 through Oct. 11. Prices are \$2.00 for the mum and a Glenville ribbon with an additional \$.25 for an extra ribbon for a sorority or fraternity.

GSC Pioneers Set For Bird Plucking

Coming into Glenville Saturday are arch-rivals, the Fairmont Falcons, who are supporting a 4-0 conference record and an overall record of 4-1. The last time the Pioneers played the Falcons was for the WVIAC Conference Championship in Parkersburg last year where the "birds" upset the eventual NAIA runner-up Pioneers.

Coach Bill Kerr's forces are one of the strongest opponents Glenville will face this year. Salem, one can say, was another strong opponent. Fairmont has won eight out of their last nine contests dating back into last year's season. This year the Falcons have beaten Shepherd, Bluefield, WV Wesleyan, and WV State. Their only loss was inflicted by Edinboro College by the score of 12-7.

Fairmont State has many outstanding individuals on their squad. On offensive, Fullback Mike Maxim and tailback John Paul Jones, provide most of the running game for the Falcons. Quarterback, Terry Galambus compliments the running game with his passing ability. Galambus's favorite targets are Lawrence Goodine, Ken Kerr, and Jones.

Defensively, the Falcons have outstanding individuals in Anthony Monday, defensive back; Harold Gillard, middle guard; Roger Johnson, defensive back; Jim Boyd, defensive back; and Doug Kiger, defensive tackle.

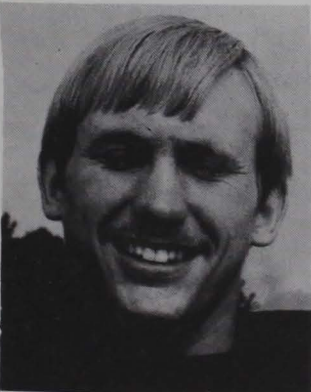

Game time will be at 1:30 p.m., Saturday at Rohrbough Field here in Glenville. Sure hope it doesn't snow!

Fall Golf Season Begins With Dual Match Loss

The 1974 fall golf season opened up with a bad slice when the Hilltoppers of West Liberty captured a dual golf match from the Glenville Pioneers by the score of 538 to 501. The score was computed by, taking the top six scores from each team.

Terry Crislip was the low man for the Pioneers with an 87 for eighteen holes. Crislip was followed by Rick Simmons-88, Jim Scott-88, Dave Thompson-89, Rick Morgan-92, Ted Daughtery-94 and Joe Keener who withdrew.

The next match is today in Bel-pre, Ohio against the Hilltoppers.

Kaufman and Moss Hart centers around the Sycamore household and the episodes that ensue when the straight laced Kirbys arrive for dinner in an every-man-for-himself room. Here meals are eaten, fire cracker displays created, snakes are collected, plays are written, ballet steps practiced, xylophones played, and printing presses operated. Add a Jewish maid and her boyfriend, an ex-grand duchess' man, a ballet instructor, some G-men and chaos prevails!

You Can't Take It With You opens October 16 and runs through the 18th. Curtain is at 8:00 pm for each performance.

STUDENT CONGRESS

The GSC Student Congress is now in the process of reorganizing its structure so it will be similar to that of the US Congress. Business of the Congress will be sent to small committees who will then report their findings to the congress. The Student Congress will act on the finding of the small committees with a motion of approval or disapproval. This type of procedure will make for a more efficient Student Congress.

President Jeff Garton submitted a proposal for two new congress officers. They are a Public Relations Director and Art Director.

Juniors and seniors are encouraged to apply for *Who's Who in American Colleges and Universities* by October 7. Applications can be picked up in the information booth.

The results of the poll concerning the user fee were 278 for and 243 against and 143 voted yes to raise the activity fee while 100 voted no. The results of this election will be taken to the college council.

The Homecoming band has been changed. Smoke will play at the dance October 19th.
