NCATE Affirms Accreditation

President D. Banks Wilburn has received notification that the National Council for Accreditation of Teacher Education has reaccredited Glenville State College for a 10-year period to offer programs to prepare elementary and secondary teachers at the baccalaureate level. The anniversary date of this accreditation is September 1, 1974 which extends the accreditation until September 1, 1984.

The college was visited this past March 24-27, 1974, by a team of educators from colleges and universities in the eastern and southeastern regions of the country. The report of the visiting team to the National Council was the basis on which the action resulting in reaccreditation was made.

With the reaccreditation by the National Council for Accreditation of Teacher Education, Glenville State College is now fully accredited by both a national and its regional accrediting agency. The North Central Association of Colleges and Secondary Schools returned the College on March 22, 1972, to full accreditation.

Traditions In Review

There are two ways to interpret traditions. One view might label a tradition as a verification that its owner balks at the thought change. The other portrays a heritage of pride.

The first view sustains its tradition openly out of reverence for its creator and quietly out of security in performance. Seldom do new situations arise which the philosophy has not made provision for. In this case it is the tradition that models (occasionally spindling and mutilating) the people.

The other case is the type of tradition where even though outmoded by the fads changing generations they remain to inspire the pride of those that see them for what they are. These remembrances of tradition provide a link of understanding between the emotions of the past and the enthusiasm of the present.

Ask a student what his schedule for Thursday is and he probably couldn't tell you, but, ask him who Sadie Hawkins is . . .

Ask an alumnus which game he wants to see most, Homecoming or Fairmont and he may have to flip a coin.

The Pioneer, the Homecoming parade and coronation, guessing the Montrose winner-these are all traditions that anyone of you at old Glenville can personally identify with.

This type of tradition adds an identity of uniqueness to its institution and the people involved therein.

It is sad to remember that such customs such as the freshman parade and the beanie of old that flew at half-time have been dropped from the celebration of Homecoming.

In a time when many colleges have Homecoming as a "promo" for alumni contributions. Glenville can still stand somewhat unique. Doing away with the pride filled events of sport rallies, Homecoming would be to Glenville College and its alumni like finding a laundromat on the spot where you parked for the first time. Be it far from me, to imply "going to Glenville" is a partially sensuous experience.

Although college life is continually changing those who return at Homecoming would like "home" to be the same alma mater they left as will you and I, someday.

Greek News

Theta Xi

The Brothers of Theta Xi have been busy with house improvements recently. Improvements such as painting, yard cleaning, installation of a new women's bathroom, re-flooring and general renovative activities have been completed.

The IFC semi-annual Blood Drive has been scheduled for October 30, 1974. The brothers will "do their part" to help reach the college quota.

The men of Theta Xi have planned a Big Brother Day for some twenty underprivileged children of Gilmer County. These children will be treated to attendance at the final Pioneer home game against WV State on November 9. Following the game the children will attend a weiner roast at the fraternity house.

The second monthly S.L.O.T.H. Award has once again been presented to Randy Scarlas, junior social probation major, hailing from Cleveland, Ohio. Incidentally if a brother is awarded the S.L.O.T.H. Award three consecutive times, the trophy is retired to its recipient. So, good luck Randy and keep up the good "work".

Keep this thought in mind, Sadie Hawkins Day is coming soon.

Delta Zeta

The sisters of Delta Zeta are planning a Founder's Day banquet for alumnae and members Oct. 24 in honor of the founders of Delta Zeta. State officers are expected to attend.

The sorority will collect for UNICEF Oct. 27 from 2:00 p.m. to 4:00 p.m. as a philanthropic project.

The brothers of Lambda Chi Alpha Fraternity have started a new program in which they spend time every Sunday with the younger patients at Weston State Hospital. They also have gotten several stores to donate toys for these children.

Plans are still in the making for a local philanthropic project.

Mr. T. Scott Hamilton Selected Winner

Today Glenville State College will honor Terrance Scott Hamilton with the presentation of the twenty-second annual Frank Montrose Award.

Hamilton played an important role in the past season's runner-up position in the NAIA Division II football playoffs for GSC. Hamilton's success ranged farther than Glenville as this stellar performer was named to the WVIAC All-Conference Team in the years of 1970, 1972, and 1973. In 1973 Hamilton was also named Defensive Player of the Year by the coaches of all the teams of the conference.

Following the 1973 season and its success, Hamilton was named to the first team Kodak All-American Defensive Squad.

The Frank Montrose Award is given annually to the most prolific senior GSC athlete. The award was initiated in 1952 when the Student Council decided to showcase an outstanding senior athlete. The committee searched to find a man of athletic merit, outstanding scholastic average, and unimpeachable moral character. With the suggestion of Frank Montrose their search was ended.

One may ask who was Frank Montrose?

In the year of 1939 Frank Montrose came to the GSC campus as a promising football prospect. By the second week of the regular season, Montrose had proved himself as a college griddier. Against rival Fairmont, Montrose scored two six-pointers while passing for a third. His first collegiate score came on a dazzling 63 yard punt return.

Against Shepherd, Montrose "did it all", setting up the Pioneer's first score on a 17 yard sweep. GSC's next score belonged to Montrose on a 12 yard scamper. A 59 yard open field jaunt was the next Montrose score which he followed up with a 46 yard interception return enabling the Pioneers to score again.

This stardom was short-lived as Montrose began to play less and less. The spring of 1940 brought disaster as Montrose was stricken with nephritis, causing him to lose his eyesight and to withdraw from school.

Shortly before Montrose left school, *Mercury* sports editor, Earl McDonald, shook his hand and quipped, "See you in September at training camp." But September never arrived as Frank Montrose died from his fight with nephritis on June 21.

Six Cheerleaders Add Spirit To GSC

What do a Special Service Technology major, a 4-H member, a ballet dancer, a swimmer, a bowler, and a poet have in common? Why, they're the six young ladies who have been leading the cheers and spreading enthusiasm for Glenville's football team. The girls are Faye Kuhl, Phyllis Taylor, Dorothy Wright, Sherry Helvy, Becky Cummings, and Kathy Friend. And although cheerleading seems to be their main function on Glenville's campus, they are all interested in many other activities.

Head cheerleader, Ms. Faye Kuhl, resides in Letter Gap with her parents, Mr. and Mrs. John Kuhl. She is a sophomore majoring in music. Ms. Kuhl graduated from Gilmer County High School in 1973 where she served as majorette. Presently she is a member of the Lockney Braves 4 H club. She enjoys sewing and playing the piano in her spare time. Ms. Kuhl also represented Gilmer County in the Water Festival this fall.

Ms. Phyllis Taylor is the daughter of Mr. and Mrs. Forrest Taylor of Walkersville. She is a sophomore physical education major. Ms. Taylor served as cheerleader at Braxton County High School where she graduated in 1973. She enjoys bowling, tennis, and horseback riding. She also shows cattle which she raises and trains and is a pledge to the Delta Zeta sorority.

Ms. Dorothy Wright, a junior language arts major, is the daughter of Mr. and Mrs. Leonard B. Wright of Beckley. At Glenville, Ms. Wright is a member of SEA, a *Mercury* reporter, a crew member of *You Can't Take It With You*, and the president of Blacks United Together. In her free time she enjoys writing poetry, reading, drawing, and modern dance. Ms. Wright is a 1972 graduate of Woodrow Wilson High School.

The reigning Miss GSC, Ms. Sherry Helvy, is also a Glenville cheerleader. Her parents are Mr. and Mrs. James Paul Helvy of Belle. She is a junior math major. A 1972 graduate of Dupont High School; she enjoys modern dance and ballet, swimming, sewing, and gardening. Miss Helvy is a senator of the Student Congress and a member of Sigma Sigma Sorority.

A sophomore physical education major, Ms. Becky Cummings, is the daughter of Mr. and Mrs. Ewell Cummings of Sias. She served as cheerleader at Hamlin High School where she graduated in 1973. Ms. Cummings is a member of Tri Sigma sorority and in her spare time she likes to sew, swim, and horseback ride.

Kathy Friend, a sophomore Social Service Technology major from Gassaway, is the alternate cheerleader. Her parents are Mr. and Mrs. Ancel Friend. She graduated from Braxton County High School in 1973 and while attending high school, she was also a cheerleader. Ms. Friend enjoys working with the underprivileged and doing all types of social work.

The six girls lead different social and private lives. But their one common goal is to boost Glenville's team to victory. They urge the fans to help them with this endeavor by supporting the team.

HOMECOMING THUSE

Last night at 6:00 pm in the amphitheatre, the cheerleaders sponsored a Homecoming Thuse. All fans were invited to come out and show their team their spirit. The cheerleaders dressed in accordance with the Homecoming theme. The activities included skits from the fraternities and sororities, selections from the band, and various yells led by the cheerleaders.

The cheerleading squad is composed of clockwise: Phyllis Taylor, Dorothy Wright, Sherry Helvy, Kathy Friend, Becky Cummings and Faye Kuhl.

Pioneer Is An Old Tradition

In the fall of 1933 the students of Glenville State College decided to elect a spirit leader for the athletic teams. The qualifications were that he must be a senior male in good academic standing and having never lettered in any sport. With this criteria in mind an election was held in which Charles Bennett was chosen as Glenville's first Pioneer.

His official duties in his new position were to attend the coronation of the Homecoming Queen, participate in the Homecoming parade, and fire up the student spirit for the Homecoming game.

Homer Blackhurst, the 1934 Pioneer, had the distinction of becoming the first Pioneer to be admitted for membership in the G-Club.

In 1942 John Fiddler was chosen to enthuse the teams and lead the student body at the games.

Then in 1954 GSC's Homecoming was a little dampened when the field flooded and Homecoming was cancelled. William Rumbaugh was the illustrious Pioneer that year.

In 1965 Pioneer Butch Hays had the unique experience of using three different muzzle loaders: a Kentucky Long Rifle, a double barrel muzzle loader, and finally a .69 caliber rifle. Of these three the first two exploded.

In this year of 1974 we at GSC are proud to have Rick Pierson to lead our spirit as Pioneer. Pierson is a senior business administration major from Milton, WV. He is vice-president of Tau Kappa Epsilon fraternity and also an active letterman of the wrestling team.

Like the forty-two Pioneers before him, Pierson sports the garb of buckskins, coonskin cap, and beard.

PAST QUEENS — Cont.

Brinda Sinnett from Harrisville.

Miss Julia Murin reigned over the 37th annual Homecoming event.

President D Banks Wilburn crowned the 1971 Homecoming Queen Miss Brenda Dillon. She was from Richwood.

The 39th annual festivities were reigned over by Miss Judith Elaine Bias of Hewett.

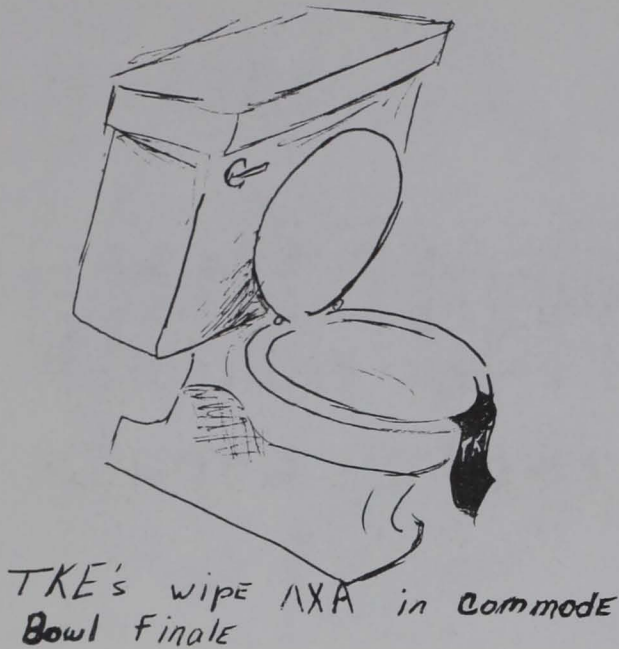

The 40th Homecoming Queen crowned was Miss Barbara Shomo of Gassaway.

With invitation, GSC senior, Sandy Roberts was unanimously elected as an associate member during the Oct. 10th meeting of the Vets Club.

All GSC Veterans and associate members are urged to attend our next meeting, Oct. 17th, at 4:00 in the Admin. Bld., Room 102.

Rick Pierson is the 1974 Glenville State College Pioneer.

On The Bench

by John Lilly

An old coaching proverb, "Luck is what happens when preparation meets with opportunity," best describes the Pioneers' come-from-behind win over the winless Wesleyan Bobcats last Saturday afternoon.

With time ticking quickly off the clock and all hopes for a win nearly gone, the G-men finally came alive with less than four minutes in the game and scored two exciting touchdowns for the win. The Pioneers must have heard the Bobcats' cheering section yelling, "Hang it up Pioneers," and thought they were saying, "Hang it on 'em Pioneers," because they sure hung it on the Bobcats the last four minutes of play.

Although the Pioneers did not play exceptionally well compared to the week before against the Fairmont Falcons there were some outstanding individual play against the Bobcats. Quarterback Joe Mitchem had his best passing day of the season completing 11 of 20 passes for 169 yards. Freshman split-end Bob Shaffer, caught three Mitchem aeriels for 93 yards. The first two set up touchdowns and the last catch was the winning TD. Safety-man Jerome Fruit is closing in on the school record for interceptions when he picked off his sixth of the season.

Pivotal Game

The game today could tell who will represent the Southern Division in the November 16 Shrine Bowl. If Bluefield State beats the Pioneers the Big Blues will automatically represent the Southern Division in the Bowl, because they had beaten all

the other teams in their division. But if the Pioneers win today, they still have to beat WV State and Concord before they can play in the Shrine Bowl.

Cagers Start

Although football season is but half over, the GSC basketball team started practice last Tuesday with eighteen cagers making up the 1974-75 squad. Coach Jesse Lilly also announced his co-captains for this year. They are senior Eric Makle and sophomore Arnie David.

Mr. Soothsayer

This past weekend proved to be the best forecasting weekend of the season for Mr. "Sooth." In picking five out of the six games, it hiked my seasonal record to .19 right and 14 wrong. Not good, but steadily improving. I'm keeping my fingers crossed for this week's games, so why don't you all!

Tech 20, Concord 14. The Golden Bears are shootin' for three streak. West Liberty 17, Shepherd 7. The Hilltoppers are going to kick the Rams off the hill.

Salem 21, WV Wesleyan 15. The Bobcats aren't that bad; they could surprise the Tigers.

Fairmont 24, Ashland 21. The Falcons are warming up for the Shrine Bowl. Howard 28, WV State 14. The Yellow-Jackets just don't have the sting.

Glenville: 17, Bluefield 10. The Pioneers need this win to get their hopes up for the Shrine Bowl.

Gandeeville Speaks Out

In a recent **Charleston Gazette** newspaper a lady from Gandeeville, WV sent a letter to the editor. Here is how that letter goes.

Editor of the Gazette:
Being a sports fan (avid Cincinnati Reds) I am let down by your sports section each day . . . Just this past weekend for instance, I searched the Sunday **Gazette-Mail** for the results of the Glenville (my favorite college team)-game to no avail. I never did find Glenville mentioned in the sports section at all.

As you well know (I don't recall if you kept up on the team last year or not) they had an outstanding team and record for 1973. I would think the **Gazette** would be as interested in keeping their fans informed as well as the WVU fans . . .

Faye Randolph,
Gandeeville

Now that's my type of fan. The best college team is Glenville State and the best team in baseball is the Cincinnati Reds. - J.L.

Pioneers "Skin" Bobcats

The winless Bobcats from WV Wesleyan put a scare into the Glenville Pioneers last Saturday afternoon. Trailing 17-7, the Pioneers finally got things together with four minutes left in the game and scored two quick touchdowns to win a come-from-behind 21-17 thriller.

The Bobcats jumped off to an early lead when they recovered an Ed Wilson fumble to set up their first score. Quarterback John Luchs, who was making his first start darted in from the three yard line and Jeff Haymaker converted the PAT to make it 7-0.

The Pioneers came back to knot the score at 7-7 with 6:26 left in the half when sophomore Don Brady dove over from the 2-yard line. Bob Casto kicked the extra point. A Joe Mitchem to Bob Shaffer pass completion set up that score.

But the Bobcats went ahead 10-7 with only 53 seconds left in the first half when Haymaker kicked a 37-yard field goal.

Both teams were held scoreless in the third stanza but the Bobcats

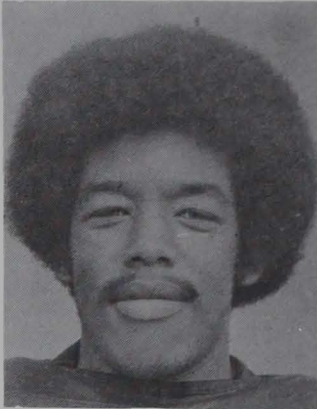

widened their lead with 11:33 left in the game when Luchs plunged over from one-yard out. Haymaker again added the conversion to make it 17-7 in favor of Wesleyan.

With less than six minutes left in the game the Pioneers got things moving when the Bobcats fumbled inside their 40 yard line. Again a Mitchem to Shaffer pass set up the touchdown. Wilson ran over from the 1-yard line. Casto kicked the PAT narrowing the gap to 17-14.

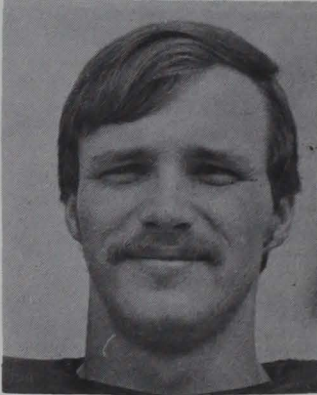

After holding Wesleyan, the Pioneers seemed to have stalled at their 49 but Mitchem rolled out of the pocket and hit the wide-open Shaffer for the 51-yard TD pass. Casto kicked the conversion to make the final score 21-17.

The Pioneers held a 16-12 advantage in first downs, but the Bobcats held a 208-131 advantage on the ground. Mitchem completed 11-20 passes for 169 yards, while Luchs hit 2-7 for seven yards.

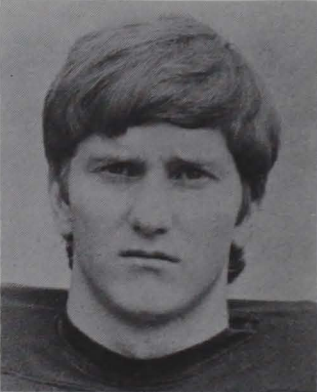

The Pioneers return home to play the Big Blues from Bluefield in Glenville's Annual Homecoming game; time will be at 1:30 pm.

Diva Eleanor Elizabeth Steber

Diva Eleanor E. Steber To Appear In Auditorium

Miss Eleanor Elizabeth Steber holds a unique position in the music world today in eight fields: opera, concert, musical comedy, television, radio, records, lectures and teacher. She was born in Wheeling, WV and attended and graduated from the New England Conservatory of Music in Boston. Miss Steber has been a leading diva of the Metropolitan Opera many seasons. She starred in its first production of Mozart's *Abduction from the Seraglio*, Berg's *Arabella*, the world premiere of Barber's *Vanessa* and many others.

Many consider her the modern re-incarnation of the legendary "Golden Age" prima donna. Her unmatched versatility is one factor prompting this. Her natural flamboyancy is another. The third factor is her truly international reputation in her musical undertakings. Today she has more than 65 operatic

roles in her performing repertoire, many sung as guest artist at every major international musical festival. She presents yearly concerts, throughout the world, lectures, gives workshop demonstrations and is now transferring some of her vast musical knowledge to vocal students at the Cleveland Institute, Juilliard, and the New England Conservatory when time permits.

In addition to her musical performances, Miss Steber has the largest single privately-owned collection of batons presented to her by the world's most famous conductors. She collects china figurines, antique silver and rare glassware. She does oil and water color paintings, is an amateur photographer, excellent sportswoman, and an excellent cook.

Miss Steber will appear at Glenville State College at 8:00pm on Monday, October 28, 1974 in the Auditorium.

Congress Approves Compromise Bill

By unanimous votes, both House and Senate Oct. 10 approved a new compromise bill raising GI educational benefits 23 percent retroactive to Sept. 1. The bill (HR 12628) now goes to the White House. The measure also established a new loan program for veterans to supplement their benefits, and increases veterans' maximum entitlement to the present 36 to 45 months of benefits, with the extra months usable only for undergraduate study.

Under the measure, the monthly benefit for a veteran studying full-time would be increased from \$220 to \$270, while the rate for a veteran with one dependent would rise from \$261 to \$321 and the rate for veterans with two dependents from \$298 to \$366. Proportionate increases would be provided for veterans studying three quarter and half time.

The loan program, to be run by the Veterans Administration, would provide loans up to \$600 to veterans

who could not get help from other Federal loan programs.

Approval of the GI bill was one of many actions taken by Congress this week as it worked to clear the decks of legislation and start a month long election recess at the close of business Oct. 11. Congress is scheduled to resume sessions Nov. 12.
