Ministerial Assoc. To Assist Students

A body of interested representatives of the Gilmer County Ministerial Association met with Student Affairs Staff members and President D. Banks Wilburn on Monday, October 21, 1974 to discuss the possibilities of providing a united effort to serve the counseling needs of students at Glenville State College.

It was noted that the counseling experience of the ministers along with that of the Student Affairs Staff could be utilized in establishing a network of "helping professionals" that could be on call at any time that a student felt he had need of professional assistance with crises, decisions, or problems that surface from time to time.

Each person at this meeting agreed to work closely together as counselors for students asking their assistance and as referral sources for those who feel that a student could benefit by counseling interviews with these persons.

The Student Affairs staff in attendance were Mr. Kermit Kinder, Director of Guidance and Counseling, Mrs. Jean S. Wright, Associate Dean of Student Affairs, and Dr. A. T. Billips, Dean of Student Affairs. These persons can be contacted at their offices during college hours and at their homes afterwards. Their home telephone numbers are Kinder (Grantsville) Ph. 354-6445; Wright (Glenville) Ph. 462-7590 and Billips (Glenville) Ph. 462-8623.

"Pot Pourri"

There comes these weeks in every community's life when all the big news is still in the making at press time and the editor usually starts his "what's happening oncampus" then calls it something like "pot-pourri".

Dorm regulations, student rights, rising prices, the parking problem: all of these annual topics are dealt with through asking the same questions of the same people getting the same answers and then making the same resolutions about them.

It seems odd to write one week about traditions and then complain the next because it's hard to find "news" news.

People and their opinions make the news but either a voluptuous case of apathy has engulfed us all or nothing actually happens here, the latter of which I find hard to believe.

If any of "y'all" have opinions on anything whether complaining, explaining, expounding, or confounding, we want to hear from the student body if for no other reason than the Mercury is the voice of the students.

Any letters submitted will be subject to the staff's discretion regarding the printing date, knowledge of the author's identity, and the reserved right to comment or not to comment.

Letters which contain profanity or libelous statements will not be printed.

Surely there's more to your life than the census taker's interview! Find out what's going on and then let us know what you think about it.

GSC Student Suggests Glenville Shed Some Light On The Subject

Dear Editor:

I would like to suggest that GSC find parking space for freshmen and sophomores or should pay and/or request the city of Glenville to install street lights where students are forced to park their cars. Street lights have proven to be a factor in decreasing crime. The crime I am referring to is the ever present automobile vandalism. In the past two weeks three of my friend's cars have been vandalized. If GSC cannot afford on campus parking for freshmen and sophomores, at least they can afford to be responsible for adequate street lights, to combat car vandalism against freshmen and sophomores. Thank you.

PIONEERS DEMONSTRATE DOMINO THEORY TACKLING

On The Bench

by John Lilly

Last Saturday proved to be the day of the upset when both West Virginia Intercollegiate Athletic Conference division leaders, Glenville and Fairmont were beaten.

It just wasn't the Pioneers day against the Hilltoppers from West Liberty. Although West Liberty was ahead 13-0 in the fourth quarter, the Pioneers made a valiant comeback only to lose 13-7. The G-Men had an opportunity to win the game with only a couple of minutes left in the game but failed to score from the Hilltopper one-yard line.

Fairmont, the other division leader, fell to a vastly improved Concord College team, 27-15. The Mt. Lions, who are the Pioneers' last regular season opponent, are a very young team. They start nine freshmen on offense alone.

The WV State Yellow Jackets, whom we play tomorrow, won their first game of the season last weekend against Ohio Northern by the score of 28-20. State's record coming into the Pioneer tussle is 1-7.

Deloplaire Hurt

The Salem Tigers were dealt a severe blow when WVIAC leading rusher Jack Deloplaire broke his collarbone against WV Tech. The Tigers without Deloplaire fell to the Golden Bears.

In that game the Golden Bears used a trick play to beat the Tigers. With the Tigers leading 16-15 Tech lined up only ten men on the ball and the eleventh man was standing in bounds over by the Tech bench. When the ball was snapped he took off down the field and was thrown a pass for a fifty yard gain. That set up the game winning field goal.

JV's Look Outstanding

Last Monday night at Harrisville the Glenville Jr. Varsity creamed the Marietta College Jr. Varsity by the score of 27-7. The aggressive-hard hitting play of the junior varsity squad made the GSC coaching staff feel a little better after their unsuccessful trip to the northern panhandle. There were many outstanding individuals in that game. Tom Cowan, who returned to his hometown, quarterbacked the offensive unit for only eight plays but in those eight plays he threw for two touchdowns and ran for another. Split End Bob Shaffer had two touchdown catches both from Cowan. In the defensive unit Steve Chandler, who was a quarterback most of the year, moved over to a defensive back and showed some of his versatility by intercepting a pass and getting in on numerous tackles. Mike Reed, a defensive end, set up one of the Pioneers TD's by blocking a Marietta punt.

These are just a few individuals who played outstanding, there are many more. When Coach Hanlin was asked who played a good game, he said "The whole team, they played with so much enthusiasm."

Alumni Cage Game

If anyone wants to watch basketball during football season come up to the college gym Saturday at 7:30 pm. The 1974-75 basketball squad will scrimmage the GSC alumni. The alumni will be composed of people like Jackie Joe Robinson, Steve Datcher, Earl Hawkins, Ron Jones, Jim Spicer, Ken Ledbetter, Gene King just to name a few.

Mr. Soothsayer

Upsets, upsets, upsets, galore, which makes Mr. "Sooth" very upset. Going into last week I was flying sky high with my not so good not so bad guessing record of 23 right and 16 wrong. The thing of it was I was steadily improving on my guessing, but last weekend destroyed both my record and my confidence when I only got one right out of six attempts. Fairmont, Salem and West Liberty sure put a hurt on my soothsaying. Let's hope both the Pioneers and Mr. "Sooth" get back on their winning way this weekend!

WV Tech 17 - Frostburg 13. Tech gets another win after their upset over Salem. Concord 17 - West Liberty 14. The Mt. Lions are tuning up for the big one against the Pioneers. Bluefield State 24 - WV Wesleyan 12. The Big Blues are still keeping their hopes for the division title.

Bridgewater 24 - Shepherd 15. The Rams just don't have it this year. Glenville 24 - WV State 19. The Pioneers bounce back.

A Final Quote

Cowen Leads Jayvees Over Marietta

Freshman quarterback Tom Cowen unleashed with two touchdown passes and ran for another as he helped propel the Pioneer Junior Varsity over the Marietta College Junior Varsity, 27-7.

Another GSC quarterback, Roger Young, scored the first TD when he galloped 7 yards around the end on an option play with 9:54 left in the second quarter. Bob Casto, who also kicks for the varsity, booted the extra point.

Later on in the same quarter the G-Men took the ball on their own 44 yard line and on the first play from scrimmage Cowen hit wide receiver Bob Shaffer on a 56-yard TD aerial. Casto again kicked the extra point.

With less than a minute left in the first half, defensive end Mike Reed blocked a Marietta punt and recovered it on the Marietta 11 yard line. The next play Cowen rolled around the end for the third touchdown of the period. The extra point was missed due to a bad snap from

the center.

The Pioneers from Marietta scored their only touchdown when they marched 80 yards in 13 plays on their first series of downs in the second half.

Glenville's last touchdown came in the final quarter when Don Crump intercepted a Marietta pass and returned it to the 40 yard line. An unsportsmanlike conduct penalty moved the ball to the 25, the next play Cowen threw to Shaffer for the final TD. Casto kicked the extra point to make the final score 27-7.

Statistically, Glenville had 259 yards total yardage compared to only 107 for Marietta. Leading ball carriers for the G-Men were Keith Murdock, 11 carries for 56 yards, and Maurice Boggs, 6 carries for 42 yards.

Cowen led the Pioneers in passing with 80 yards in 2 out of 3 three attempts. Chuck Drainer threw for 22 yards and Young for 11 yards.

The JV's record for the season is now 2-0.

Up ! Up ! and away goes running back Ed Wilson as he scores the only Pioneer touchdown in their 13-7 loss inflicted by West Liberty.

Hilltoppers Upset Pioneers Saturday

The West Liberty Hilltoppers upset the Glenville Pioneers last Saturday afternoon by the score of 13-7. The Pioneers who are the southern division leaders in WVC play, never were ahead in the ballgame.

West Liberty struck first as quarterback, Joe Pepe hit Randy Little on an 18 yard touchdown aerial in the first quarter. The point after touchdown was good making the score 7-0 in favor of the Hilltoppers.

There was no more scoring in the first half, but West Liberty increased their lead, 13-0, when John Samsa bulled his way over from the three-yard line in the third period. The extra point attempt was missed.

The Pioneers, known for their second half comebacks scored their only touchdown in the fourth stanza when senior running back Ed Wilson dived over from the one-yard line. Freshman Bob Casto kicked the extra point making the score 13-7.

The G-Men almost made a thrilling comeback when junior safety

Jerome Fruit intercepted a Hilltopper pass and the Pioneers immediately marched to the West Liberty one-yard line, but the Hilltopper defense held the G-Men. The last Pioneer play ended when quarterback Joe Mitchem overthrew split end Randy Hunt, open in the end zone.

Statistically the Hilltoppers led in total offense - 229 yards to the Pioneers' 155 yards. Glenville had 116 yards on the ground and 39 yards in the air, while West Liberty compiled 129 rushing yards and 100 yards even in the air.

GSC punter, Bob Casto had a great day averaging 44.1 yards per punt in eight attempts. He also kicked the extra point for the Pioneers.
