Number 20

Glenville State College, Glenville, W. Va.

Friday, February 7, 1975

Pictured seated from front to back are Ms. Carol Hilleary, Ms. Judy Ditlow, Ms. Mary Lou Reed, and Ms. Joanna Icenhower. Standing are Mr. Larry Haddix and Mr. Bruce Brumage.

Ms. K. Announces Production Crews

Ms. Jeanne Kobuszewski, instructor in speech, drama and stage director of the winter production, *All My Sons*, has released production staff and crew members' names.

Holding major staff positions in *All My Sons* which received the Drama Critics Award for Best American Play in 1947 are Ms. Kyle Wilson, Ms. Carol Hilleary, and Mr. Bruce Brumage.

Ms. Kyle Wilson is serving in the capacity of Stage Manager. She is a sophomore speech and English major from Pennsboro, WV. Ms. Wilson appeared in the fall production of *You Can't Take It With You* and she also served as lighting coordinator for *Brecht On Brecht*. She will also serve as co-head of the lighting for *All My Sons*. Ms. Wilson is the granddaughter of Mrs. Dessie Mullenix of Pennsboro and is a member of Ohningohow Players.

A senior art major with a minor in English, Ms. Carol Hilleary will serve as Assistant Stage Manager. Her previous technical experience has included crew work on set construction and publicity for *Picnic*, *The Great Cross-Country Race*; costumes and running stage crew for *The Great Cross-Country Race*; co-head of set construction, a member of the publicity and running stage crew for *You Can't Take It With You*. She is a member of Ohningohow Players, and was selected as Editor of the 1975 *Kanawhachen*. Ms. Hilleary is the daughter of Mrs. Mary E. Hilleary of Charleston.

Serving as Set Designer and Technical director is Mr. Bruce Brumage, a senior Art major with a double minor in speech and journalism. He is also co-head of the Lighting crew, Head of the Publicity and a member of the House Management crew. Mr. Brumage has served as editor of the *Kanawhachen*, and senator-at-large on the Student Congress for two years. He is also president of Alpha Psi Omega, national dramatic honorary fraternity, and is past president of Ohningohow Players. Brumage has held major technical positions on all productions and designed the set for *The Great Cross-Country Race*. He received the 1972-73 and 1973-74 Publicity Award as well as the 1973-74 Scenery Award and Best Ohningohow Player Award. Brumage, the son of Mr. and Mrs. O.

Harold Brumage of Wellsburg, WV was named to Who's Who Among Students in American Colleges and Universities for 1974-75.

Reed & Barton Conduct 'Silver Opinion' Contest

During the months of February and March, Reed & Barton, America's oldest major silversmiths, are conducting a "Silver Opinion Competition" in which valuable scholarships totaling \$2,500 are being offered to duly enrolled women students at a few selected colleges and universities.

Glenville State College has been selected to enter this Competition in which the First Grand Award is a \$1,000 scholarship, Second Grand Award is a \$500 scholarship, Third Grand Award is a \$300 scholarship, and seven Grand Awards of \$100 each scholarships. In addition, there will be 100 other awards consisting of sterling silver, fine china and crystal with a retail value of approximately \$100.00.

In the 1975 "Silver Opinion Competition", an entry form illustrates twelve designs of sterling with eight designs of both china and crystal. The entrants simply list the three best combinations of sterling, china and crystal from the patterns illustrated. Scholarships and awards will be made to those entries matching or coming closest to the unanimous selections of Table-Setting editors from three of the nation's leading magazines.

Ms. Susan McCloud is the Student Representative who is conducting the "Silver Opinion Competition" for Reed & Barton at Glenville State College. Those interested in entering should contact Ms. McCloud at 605 Scott Wing for entry blanks and for complete details concerning the Competition rules. She also has samples of 12 of the most popular Reed & Barton designs so that entrants can see how these sterling patterns actually look.

Through the opinions on silver design, expressed by college women competing for these scholarships, Reed & Barton hopes to compile a valuable library of expressions of young American taste.

Adkins Releases Teaching Assignments

Have you noticed the "strange" beings floating around Clark Hall in the early hours of the morning are glassy eyed, sombre, and professional looking? No your imagination is not playing tricks on you! These are the same "beings" that used to sleep in, cut classes, play cards in the union, and wear faded blue jeans.

You still can't place them? Well, Mr. Gary Adkins, Director of Student Teachers, can.

These awesome beings are seniors entering the professional block semester. They experienced their first visitation last Tuesday, January 28, and will do the same on February 11th and 18th. These potential teachers will then begin their assignments at their respective school on February 24th and will complete this on May 6th. If they are assigned to more than one school system, the point of change will be on March 28 with directed teaching beginning on Monday, March 31st at the new school.

These seniors have been assigned to the following schools:

Folk Culture Offered Here

Glenville State College will again present a one week course in Appalachian Folk Culture this summer which will operate in conjunction with the West Virginia State Folk Festival.

Participants will be schooled in the art of the Folk Song by Dr. Patrick Gainer, West Virginia authority on the folk song. Franklin George, the undisputed virtuoso of folk instruments will make the mountain instruments come alive. And, Charles Scott, Professor of Art at Glenville State College, and a recognized figure in the folk arts, will help you get involved in such mountain crafts as chair bottom weaving and mountain toy making. He will be joined by native craftsmen from the immediate area. You will learn to square dance in the streets at night during the festival.

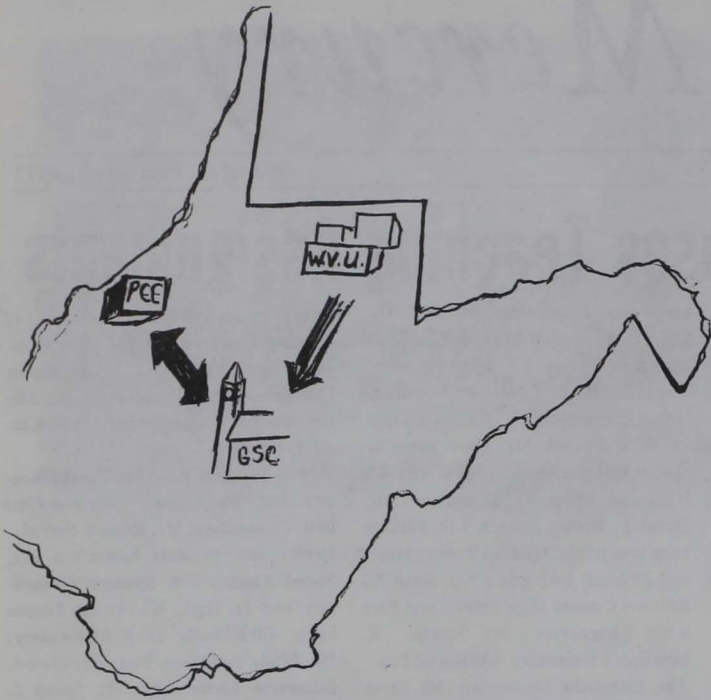

Registration for the course will be conducted on Sunday, June 15 at 6:00 p.m. Those taking part in the course may stay in our residence hall and eat in our cafeteria. Entire cost for room, board, tuition, and fees will be \$57.29. Those who take the course and stay elsewhere will pay \$22.00. Two credit hours may be earned in the course, or it may be audit. Anyone 16 years old or older is eligible. For more details, contact Mack K. Samples at Glenville State College.

Enrollment Announced

Mack Samples has released the summary head-count enrollment for this semester, the second of the '74-'75 Academic year. A total of 1406 are enrolled for resident credits while eight more are enrolled for noncredit. Of these, 1174 are on full-time status, while 240 are in the part-time category. The total count for West Virginia residents is 1327. Out-of-state students number 87.

Men outnumbered women this semester 747 to 667. Broken down into classes Glenville State has 385 registered freshmen, along with 331 sophomores, 263 juniors, and 270 seniors. Unclassed personnel number 157.

In all, enrollment comparisons of this semester with last spring include a summary total decrease of 94 students. This is a 6.3% drop from the second semester of 1973-74 academic year. These decreases include a 44 drop of in-state students and a 15 deficit of out-of-state students.

Upward & Onward

Contrary to popular belief, Glenville State College is moving upward and out ward in a move to increase its service to the students.

Recently, as functional agreement between GSC and Parkersburg Community College was arrived at to share faculty and facilities in order to make certain programs more available to both areas. Now a student may start a four year program at PCC, then transfer to the Glenville campus for the remainder of his studies. This program will be especially beneficial to students in the Parkersburg area wanting to go into education professionally.

Beginning this summer, GSC will serve as a branch campus for the West Virginia University graduate school. WVU faculty and some of our own faculty will be offering graduate level courses in such areas as education and administration.

This will enable students to get a Masters in three summers. This is part of an overall plan which will offer year-round classes at Jackson's Mill.

The Board of Regents also recently announced a new program where former students who did not finish due to academic failure or withdrawal may return to any of the West Virginia state schools to finish their degree. Special credit allowances will also be made for practical work experience.

Yes, Glenville has some new ideas with which to try. We only hope, those who complain of inadequacies take note of these advances.

For further information in any of these programs, contact Dean Clarence Maze, Dean of Academic Affairs.

GS Placement Provides Service

In November of 1974 the Placement Office in cooperation with the Division of Education circulated an opinionnaire to 25 of the 55 county school systems in West Virginia. The counties involved formed a belt across the state from Wood County on the west to Pocahontas County on the east.

The purpose of the opinionnaire was to obtain insight into what county school administrations believed the employment opportunities to be in their school system in the immediate

future. Twenty-two of the 25 opinionnaires have been returned.

In responding to the opinionnaires estimates for job availability and positions were given by the school officials. Those positions that seem to be in "continuing demand" are openings in Early Childhood Education, with 22 positions available; Special Ed., 61 needed; Elementary Ed., 241 required; and Secondary Ed., with over 140 teachers needed.

In the field of Secondary Ed., the superintendents questioned anticipate the future teaching positions to be mainly in the fields of mathematics, science, and English. Also, the fields of Business Ed. and Library Science are in demand.

Through the opinionnaire students should be able to estimate their chances of job placement according to their fields. The questionnaire is one of the many services offered by the Placement Office. Students are urged to use these services as frequently as possible.

'Greaser' Contest Scheduled Feb. 12

The King and Queen Greaser Contest which is being sponsored by GSC Cheerleaders, will be held Monday and Tuesday in front of the old cafeteria. There you can vote for the "Greasiest" for a penny a vote.

The winners are to be announced Wednesday, Feb. 12 at the game (cont. page 4)

Panhellenic Helps With Heart Sunday

Panhellenic volunteers will visit area homes in February to distribute educational literature and collect funds to support the work of the Heart Association. Heart Sunday is set for Feb. 23 in this area.

The Gilmer Co. Heart Association has announced a 1975 campaign goal of \$1200. The Heart Fund drive will be conducted nationwide and in Glenville during February.

Mrs. Garnett Taylor, Mineral Rd.,

Heart Fund campaign chairman, said the money collected will support research, educational and community programs sponsored by the Gilmer Co. Heart Association.

"The number of deaths caused by heart and blood vessels diseases—particularly heart attack and stroke—is overwhelming," Mrs. Taylor said. "They claim over a million lives a year. Heart attack alone will kill more than 680,000 persons this year."

PIGTAILS REC. HOLDER ENROLLED AT G.S.C.

Each year the Charleston Sunday Gazette conducts a Pigtails. Are you slightly intrigued, stupefied, or just plain wondering what this is all about? Read on . . .

1975 marked the 10th running of the Pigtails contest. Girls from one to eleven entered and were photographed the winners in the respective categories, are then awarded \$5.00 and were pictured in the Sunday paper.

Glenville State College now houses the all-time longest set of pigtails (35½ inches) a record holder in the state. The proud owner of the record is Ms. Charlotte Eary, a freshman elementary education major, minoring in art.

The Pioneer's 5'10 forward Greg Arnette scores two of his 16 points against the State Yellow Jackets. State won 66-56.

On The Bench

By John Lilly

How time flies! In just over two weeks the Glenville State Pioneer basketball team will meet in Charleston with fourteen other conference schools to see who can endure four straight nights of basketball and finish out on top.

If anybody would have asked me who would win this tourney I would have naturally said the powerful Fairmont Falcons, the number one ranked team in the NAIA.

But funny things happen in the world of sports especially last Monday night when Beckley Junior College beat the number one ranked Fairmont Falcons 61-55. It just goes to show that any team in this conference can beat any other team no matter how strong or weak they are on a given night.

Jinx?

The West Virginia State Yellow Jackets seem to have a jinx on the Pioneers in recent years. The Curtis Price coached team has beaten the Jesse Lilly coached teams five out of the seven meetings over a three year span. And Glenville has lost the last four outings against the Jackets.

Not Superstitious Anymore

It seemed that Coach Lilly had found the secret ingredient in winning home games. It was where he parked his car before every home game. The two games that Glenville had lost this year at home he didn't park in that exact space, but the four home games the Pioneers won this year, he parked in the "lucky" parking space.

Well, last Tuesday night when we played State he parked his car exactly the way he did on the nights we won the previous four games, but the witches' spell or something must have been broken because the Yellow Jackets won the game.

Well, so much for superstitions.

"All Freshmen Team"

Last week if you read my column, I picked my "Most Underrated Team" which included the Pioneers' Arnie David. Well this week I have selected my "All Freshmen Squad" which includes a first team, a second team and three honorable mentions.

My First Team Selections: Greg Arnette, 5'10 forward from Glenville, is the most exciting freshman in the conference this year. He is averaging over 16 points and 10 rebounds a game and he is only 5'10!

Colos Hampton, 6'3 forward from Morris Harvey, is another jumping jack who is pulling down more than 10 rebounds a game.

Vance Carr, 6'4 center from Fairmont, is helping the Falcons to another banner year. Carr's hitting over 50 per cent of his shots from the floor and is hauling down more

than 10 rebounds a game.

Mark Page, 6'3 guard from Bluefield, is leading the conference freshmen in scoring with a 17.2 average. And he is hitting over 55 per cent of his shots from the floor.

Glen Thomas, 5'11 guard from Morris Harvey, is averaging nearly 17 points a game for the Golden Eagles and he is hitting nearly 83 per cent of his free throws.

My Second Team consists of: Dickie Hardman, 6'1 guard for the Pioneers, is averaging over 11 points a game for the G-Men this year and is coming on strong down the stretch.

Tim Hutchings, 6'1 guard from WV State is averaging over 8 points a game for the Yellow Jackets. Hutchings is quick and he can play defense.

Bob Wetesnik, 6'5 center from Morris Harvey, does not score that much, but shows great potential. He hits on over 75 per cent of his foul shots.

Al Walker, 6'6 forward from Wheeling, is another freshman who can jump. Walker's averaging over 10 rebounds a game.

Bill Thomas, 6'4 forward from WV Wesleyan, is coming around for the Bobcats. Last weekend Thomas scored 29 points in one game for his highest output of the season.

Three other freshmen show great promise in their first season in the WVIAC and they get my honorable mention. They are 6'4 guard Paul Brownlee from Fairmont, 6'7 center Tim Farley from Bluefield, and 6'5 forward David Shepperd from Morris Harvey.

Jackets Sting Pioneers

The West Virginia State Yellow Jackets came from behind with less than four minutes to go in the game and overtook the Glenville Pioneers 66-56 on February 4.

In that four minute span the Jackets outscored the G-men 12 to 2 and they were led in that shooting spree by Dave McDaniel.

The contest was a see-saw battle throughout the game. The Pioneers led at halftime 28-27, but State jumped out to a three point lead with less than sixteen minutes left in the game.

Then with less than six minutes on the clock the Pioneers made their move led by Arnie David and Greg Arnette and went ahead of the Jackets by four points. But the G-men could not hold their lead and State took control of the game.

David led the Pioneers in scoring with 18 points followed closely behind by Arnette with 16. Arnette also pulled down 11 rebounds.

Grapplers 4th In Tourney

The GSC matmen copped a fourth place finish in the West Liberty Invitational tournament last weekend.

Host West Liberty claimed the team title followed by the University of Pittsburgh, Johnstown, Frostburg State College, Glenville State College, Cedarville College, Malone College, and Concord College.

The Pioneers were paced by junior Joe Mills in the 158 lb. class as he wrestled to a second place finish by losing an 8-3 decision in the finals. Jerry Harris and Steve Lewis, competing in the 126 and 167 lb. classes

respectively, gathered in third place medals by defeating their opponents by decisions. Dan Clevenger and Mike Snider finished fourth while Tom Brum, Ron Furby and Rick Pierson finished fifth, sixth and seventh respectively.

Preliminaries: 118 lb. class-Ron Furby loss by pin; 126 lb. class-Jerry Harris loss by decision; 142 lb. class-Rick Pierson loss by decision; 150 lb. class-Mike Snider win by decision; 158 lb. class-Joe Mills win by pin; 167 lb. class-Steve Lewis, bye; 190 lb. class-Tom Brum loss by pin; Unlimited-Dan Clevenger, bye.

Second Round: 126 lb. class-Harris winner by pin; 142 lb. class-Pierson winner by decision; 150 lb. class-Snider loss by decision; 158 lb. class-Mills winner by pin; 167 lb. class-Lewis loss by decision; 190 lb. class-Brum winner by decision; Unlimited-Clevenger loss by decision.

Consolations: 118 lb. class-Furby loss by pin; 126 lb. class-Harris winner by decision; 142 lb. class-Pierson loss by decision; 150 lb. class-Snider loss by decision; 167 lb. class-Lewis winner by decision; 190 lb. class-Brum loss by decision; Unlimited-Clevenger lost by decision.

Finals: 158 lb. class-Mills loss by decision.

The GSC Pioneers will face the West Liberty Hilltoppers in a home dual match tonight in the gymnasium. Come and support your team.

Wesleyan Gals Defeated

The last home game of the GSC women's basketball team took place Monday night, February 3rd in the gymnasium.

It was a close hard-played game against W.Va. Wesleyan with the final score Glenville 33 - WVW 32. Kim West was our leading scorer with 18 points, and she also put in the winning shot with only six seconds left on the clock.

Although Coach Cooke's team didn't do too well at first their effort finally paid off in the last two winning games. Let's hope they finish with another win on Thursday night, when they will play Morris Harvey. Good Luck, girls!

State had four players hit double figures with McDaniel leading them with 14 points followed closely behind by Paul Toombs with 13, Dickie Russell with 12 and Ron Calloway with 11.

Statistically Glenville made 27 out of 62 for 43.5 while State made 30 of 80 shots for a 42%. The Jackets out rebounded the Pioneers 36 to 32.

The Pioneer's next game will be tomorrow night when they travel to Elkins and play the Senators of Davis & Elkins.

Pictured above is the 1974-75 Pioneer Wrestling Team. Front row (L-R) Mike Snider, Rick Pierson, Jerry Harris, Ron Furby. Back row (L-R) Dan Clevenger, Tom Brum, Marty Proctor, Steve Lewis and Joe Mills.

Glenville's Keglers Capture Fourth Place

The Glenville State College men's and women's bowling teams both finished fourth in the Association of College Union International Region Four Tournament last weekend in Morgantown.

There were 32 colleges participating in this regional event with teams coming from West Virginia, Maryland, Pennsylvania, the District of Columbia and Virginia.

The Pioneer men's team led the field in the first day of competition but West Virginia University, Penn State, and the University of Maryland came on to overtake Glenville in the final day of the three day tourney. The national NAIA Champions of last year, Clarion State, finished seventh in the event.

Individually, Glenville's Sam Ferrell finished third with a 199 average, while Dirk Jackson of WVU won it with a 205 average.

GSC's women's team, like the men's team, finished fourth out of a field of 32. Penn State, which is the best women's team in the nation, finished first followed by the University of Maryland, West Virginia University, and Glenville State. Ironically, the women's individualist leader had a higher average than the men's highest individualist.

The Pioneer bowlers, which are tied for second place in the conference behind West Liberty, travel to the TV Lanes in Oak Hill tomorrow to bowl in a regional tournament against other conference schools.

Pioneers Win In Overtime

Sophomore guard Arnie David sank a 15 foot jump shot with eight seconds left in regulation play to tie WV Tech Golden Bears at 71 all and the Glenville Pioneers went on to win in overtime 81-79.

The Pioneers trailed 69-62 with 2:38 left in the game when they started their comeback. Robert Hawkins converted one of two free throws attempts and guard Dickie Hardman connected on a jumper to narrow the Tech lead to 69-65 with only 2:11 left on the clock.

Then David scored two quick field goals to knot the score up at 69 all. Tech's Matty Watts put the Bears up with only 18 seconds when he connected for a field goal, but David came right back to tie it up at 71 all and send it into overtime.

In overtime the G-Men went ahead to stay when Greg Arnette converted three free throws and Hawkins connected on a field goal to put the Pioneers up 76-71. With less than two minutes to go in overtime Glenville connected on four free throws and a technical foul shot to rout out their scoring while Tech's Allen Dye and Jerry Vorholt combined to do all of the Golden Bears' overtime scoring.

David led the "Mighty Mites" in scoring with 21 points, followed closely behind by Arnette with 19, Eric Makle with 18, and Hardman with 15. Other Glenville scorers were Hawkins with 5 points and Roger Caudill with 3.

Tech was led in scoring by Matty Watts with 24, followed by Vorholt with 21 and Dave Tossie with 11.

Lillymen Soundly Defeat Beckley

The Glenville Pioneers won their second straight game on February 1 when they rolled over the Beckley Blue Hawks 96-74. It was the highest offensive output for the G-Men this season.

Glenville jumped out to an early lead when they scored ten straight points and they never looked back. Freshman Dickie Hardman scored the G-Men's first six points and with that lead Beckley never got any closer to the "Mighty Mites."

The Pioneers led at intermission 50-33 with freshman jumping sensation Greg Arnette leading the G-Men with 17 points and ten rebounds.

In the second half, all eight Pioneer players outscored the Blue Hawks 46-41 with every G-Man scoring.

In the final statistics Arnette paced the Pioneers in both scoring and rebounding with 29 points and 14 rebounds. Arnette was followed in scoring by Hardman with 19, Arnie David with 18 and Robert Hawkins with 13 points and 10 rebounds. The other Pioneers scoring were Roger Caudill with 5, Randy Hess with 4 and Larry Norman connected for 2.

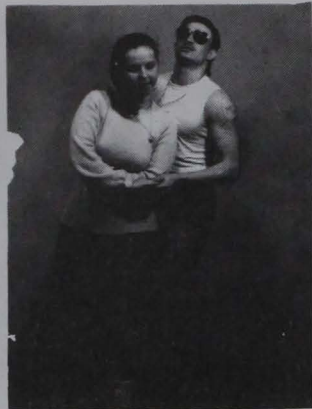

This win was the biggest winning margin for the Pioneers this season, while it was the worst defeat Beckley has taken this year. Beckley, which hit for only 38 per cent, was led in scoring by sophomores Rufus Johnson with 27 points and John Mollohan with 14.

EUROPE in '75?

wouldn't you rather come with us?

Last year over 200,000 students summured in Europe. And the travelwise flew on charters because it costs about HALF! This year a 3 - 6 week ticket to London is \$512; 2 - 3 weeks \$597. And its \$767. for over six weeks from New York. (That's what the airlines say now. Last year there were two unforecast increases!)

Not only do you fly with us at half, but you can just about have your choice of dates for 4, 5, 6, 7, 8, 9, 10 week duration during the summer. And all you have to do to qualify is reserve your seat now by sending \$100. deposit, plus \$10. registration fee. Under recently new U. S. Government regulations we must submit all flight participants names and full payment sixty days before each flight. If you take the June 21 - August 19 flight to London for example, deposit reserves your seat and April 15 you send the \$199. balance. Just one price for all flights whether you pick a weekend departure (\$15. extra on the regular fare airlines) or peak season surcharge date.

So send for our complete schedule, or to be sure of your reservation now, mail your deposit for one of our 3 to 5 weekly departures from June through September. Just specify the week you want to travel and for how long. You will receive your exact date confirmation and receipt by return mail. All our flights are via fully certificated, U. S. Government standard jet and all first class service. From London there are many student flights to all parts of the Continent, frequent departures and more at 2/3 off the regular fare.
