## D. Watkins Speaks At S.E.A. Meeting

The H.Y. Clark Chapter of S.E.A. held their monthly meeting October 21, 1975. Ms. Donna Watkins was guest speaker.

Ms. Watkins, a senior Elementary Education major, showed slides of her trip to the Holy Lands and held a discussion afterwards.

Ms. Watkins' first place of interest was the Vatican, the residence of the Pope of the Catholic Church. Places of interest in Rome were the Roman (Coliseum), the Forum, and she also viewed Circus Maxems, where the chariot races took place. Also in Rome she viewed the Palace of Julius Caesar.

In Greece she viewed the Acropolis, the Parthenon and also the Aqueducts.

The highlight of her visit to Egypt was to sail the Nile. Ms. Watkins also had the opportunity to ride a camel. She viewed the Alabaster Palace built by the prophet Muhammad.

### THE HOLY LAND

Ms. Watkins also viewed the birthplace of Christ in Bethlehem and the Garden of Gethsemane. She saw the traditional Calvary and the Burial Place of Christ. Ms. Watkins viewed the Wailing Wall, Jericho, and the Golan Heights.

The last week of Ms. Watkins tour was occupied with the life of the Kibbutz. A kibbutz is a settlement community chiefly agricultural and one of Israel's forms of education. The Kibbutz is self-contained with Hebrew being the native tongue and Jewish as their choice of religion.

Ms. Watkins' talk was very informative and showed a new view of the Holy Land from the standpoint of education.

The members of S.E.A. especially enjoyed Ms. Watkins' talk on the Kibbutz. Everyone left with a broader knowledge of education in the Holy Land.

The next meeting of S.E.A. will be on November 18, at 6:00 p.m., in the Multi-Purpose room. The topic will be Educational Games. Everyone is invited to attend and bring at least one friend with them.

Shown above in her usual smiling position at the switchboard is Mrs. Norma Jean Barnett, who is leaving her post at the college.

## 'Friendly Voice' Hangs Up Phone

As of November 14, the friendly voice of our GSC switchboard operator, whose office is located in the Administration Building, will be replaced by a new one. Mrs. Norma Jean Barnett, who has efficiently worked the switchboard and handled mail for administration and faculty for nine years, will be leaving the college. Mrs. Barnett will be moving to Buckhannon, due to her husband's being transferred by Dowell Co.

This was the first job for Mrs. Barnett who was a housewife and mother for eighteen years before coming here. Mrs. Barnett enjoys talking to the students who stop by to see her, including her own 4 children, all of whom attend GSC. This is one part of the job Mrs. Barnett feels she will miss very much.

Mrs. Barnett hopes to be employed at WV Wesleyan in the future. But we are sure that wherever the job will be, her friendly voice and engaging smile will assure her success and many lasting friendships, just as it has here at GSC.

Dr. Joseph Darnall will serve as liaison man on the Glenville campus for the Public Service Internships outlined in last week's paper.

For further information, contact Dr. Darnall in the Social Studies Dept., extension 206.

## Library Services Outlined

Each week the Robert F. Kidd Library plans to publish an article explaining the features of particular reference services to which the library subscribes. These explanations are meant to inform faculty, staff and students of the advantages of these services.

The first of these is Newsbank. This service began in 1970, as Urban Affairs Newsbank. Its present thrust is toward thirteen major categories: Welfare and Poverty, Transportation, Social Relations, Political Development, Law and Order, Housing and Urban Renewal, Health, Government, Structure, Environment, Employment, Education, Consumer Affairs, and Business and Economic Development.

Two parts comprise the service: the microfiche file of clippings from urban newspapers throughout the country, and the index. The microfiche file is located in the Eric

Newsbank room next to the elevator on the first floor of the library. It is arranged by major category, then by year, and finally by card number.

The Newsbank microfiche file is searchable through the index, which is located in the reference section of the library. Each of the thirteen categories is indicated by a divider tab. Within each category is located a contents index of subjects, followed by articles under each of the subjects. The subjects are in bold type, with subheads in lighter type and indented; a geographical name, then card number, row letter and frame number, indicating the exact location of a newspaper article on the microfiche card.

The index contains "see" and "see also" references, to direct research to the correct location of (cont. to p. 4)

The Glenville State College Alumni Assoc. is sponsoring an Alumni Party to be held October 25, 1975 in Washington, D.C., at the Holiday Inn of Tyson's Corner. A social hour will begin at 6:30 p.m. and dinner will be served at 7:30 p.m. All Alumni and friends are cordially invited to attend. Cost of the dinner is \$7.75 per person and reservations must be made with the Alumni Office by Friday, Oct. 17, 1975.

## Fellowship Group Walks For Money

Several members of the GSC Christian Fellowship will walk 20 miles November 1 to raise money for an interfaith chapel at the West Virginia Rehabilitation Center.

The Center, located at Institute, serves more than 1500 disabled and handicapped students of all faiths. Previously, students were transported to community churches by concerned volunteers, but often this entails moving much equipment such as wheel chairs, walkers, and so forth. In some cases, it is practically impossible to take students out at all.

Presently, Center students are ministered to by various religious groups who hold worship services in the recreation hall. Bible studies are held in the library and student lounge.

The Chapel will be a centralized area for meeting these and other spiritual needs. In a year's time, more than 150 worship services will be held there, along with Bible studies, group discussions, and religious drama groups.

Approximately \$150,000 is needed to build the chapel and the money has to come from sources other than Federal and State funds.

Churches, civic clubs, service organizations, veterans groups, and national foundations are being asked to assist the project.

Students, faculty, and other interested parties can help the project on the Glenville campus by sponsoring someone to walk in the November Marathon. By pledging a nickel, a dime, or a dollar a mile—however much the individual wishes to contribute—he can help make this 20 mile hike worthwhile.

Anyone interested in contributing may contact Jim Kelly, president of the Christian Fellowship, or Sue Craddock, vice-president.

## 30 Students Are Honored By 'Who's Who' Committee

The national office of Who's Who Among Students in American Universities has returned the list of approved list submitted by Glenville State College. Those selected were as follows:

Mr. Gordon Lee Allen, Ms. Cynthia K. Bennett, Mr. William Clayton Boyd, Mr. Thomas E. Brum, Ms. Latonya Denise Caldwell, Ms. Janet Elaine Cunningham, Mrs. Karen Lynn Froendt Facemyer, Ms. Ann Hamric, Ms. Sherry Lee Helvy, Mrs. Cayla Lynn Hunter Hess, Mr. Randall D. At the Monday night meeting, the Brothers of Beta Beta Zeta discussed the plans for the future public relations which are already on the calendar. Instead of taking the children at Weston State Hospital trick or treating, we have decided to have a party for them in their ward.

On Friday afternoon, the Brothers will be cleaning the graveyard behind Louis Bennett Hall. This has been done in previous years and is carried on in tradition.

Ladies of the White Rose and Sigma Sigma Sigma sorority have consented to helping us with the annual Christmas party for the underprivileged children in the Gilmer county area. This is probably the most appreciated and successful event of the semester. The Brothers go to merchants in the Charleston and Parkersburg areas collecting toys. The Sigmas are in charge of collecting clothes for the children.

At the weekly meeting, two new offices were filled, due to the original officers resigning because of stu-

### Sigma

The Delta Alpha Chapter of Sigma Sigma Sigma is holding a Chili Dinner on Wednesday, October 29, from 5:00-7:00 p.m. in the ballroom. The menu will consist of chili, peanut butter and egg salad sandwiches, milk and kool aid, and various homemade desserts. Tickets are \$1.25 for adults and \$.75 for children and may be obtained from any Tri Sigma.

The pledges held a bake sale last week and the chapter also conducted an egg beg in the college community.

National chapter excellence scores were received and Delta Alpha ranked number two in the nation.

The chapter will have a Halloween Party for actives and pledges following the Chili Dinner.

dent teaching. The Brothers appointed Jeff "HipCat" Matthews to the office of social chairman and Tom "Dingle" Newberry was appointed to the position of representative to the Executive Committee.

The Brothers of Beta Beta Zeta would like to extend our deepest sympathy to George "Smoot" Bivens.

### Delta Zeta

Theta Xi Chapter of Delta Zeta held a formal meeting on Tuesday, October 21 at 5:00.

Last evening the sisters attended supper in the cafeteria with their pledges in honor of Founder's Day. A ceremony was held in the Ballroom following the meal.

A bake sale will be held October 16 in Louis Bennett and Pickens Hall Lounges.

The sisters are getting excited about the Halloween Party to be held down at the House. The girls escorted by Big Brothers or dates, will be bedecked in their costumes. Secret spooks will be announced.

### TEKE

Iota Omega Chapter of Tau Kappa Epsilon met in formal fashion on Sunday, October 19 at 9:00.

The fraters would like to congratulate Charles Drainer, who will be no longer free after this Saturday. Congratulations also go to Toad Man.

A very special thanks goes to the 25 "pledges" for their nice job of messing up the house.

### Theta Xi

The Brothers of Theta Xi would like to extend condolences to Brother George Bivens at his recent tragic loss. Words cannot express the sympathy which the brothers feel.

The fraternity house is nearing completion of the painting of the exterior.

## Faulkner Is Subject Of Sigma Tau Delta

Sigma Tau Delta, honorary literary fraternity, will discuss three of William Faulkner's novelettes at its monthly meeting, Wednesday, October 29th, at 6:30 p.m. in the Multi-Purpose Room of the Pioneer Center.

The stories can be found in one volume entitled *Three Famous Short Novels, Spotted Horses, The Old Man and the Bear*, published by Random Houses's Vintage Press. It is available in the bookstore.

"Spotted Horses" is the hilarious account of a horse auction. When the laws tries to settle a dispute caused by the sale of wild horses, it finds opposition in the cold practicality of Mrs. Tull. "The Old Man" recounts the adventures of a convict who finds himself adrift with a pregnant woman when the lower Mississippi floods the countryside. "His one aim is to return the woman to safety and himself to prison where he can be free of women." "The Bear" is often considered one of Faulkner's best works. It is the story of Ike McCaslin's coming to terms with the adult world and the world of the wilderness. Through his confrontation with Old Ben, the bear who for years eludes Ike's older relatives, "the boy is taught the real meaning of pride, humility, and courage, virtues Faulkner feared would be almost impossible to learn with the destruction of the wilderness."

All students, faculty, and staff members are invited to participate in the discussion.

## Art To Be Shown

Glenville State College will sponsor an exhibit and sale of approximately 600 original prints from the famed Ferdinand Roten Galleries collection on October 28, 1975. The event will be held at the Multi-Purpose Room. Along with prints by such masters as Picasso, Goya, Renoir and Hogarth, can be seen works by many of today's American artists, some famous and some not yet famous.

Area residents are invited to browse through this outstanding collection of original graphics. A knowledgeable Roten representative will be on hand to answer questions about the prints and the artists and to discuss other prints not in this collection but which may be obtained from the gallery in Baltimore.

A world-respected authority on graphics of all types, Roten holds exhibitions and sales at major museums colleges, art galleries and art centers throughout the United States and Canada.

The informal displaying of the collection allows visitors to examine at close range the various graphic techniques of different artists. The exhibit takes place from 11 a.m. to 5 p.m.

### SPOOK CONTEST HELD

The Delta Zeta pledge class is sponsoring a Halloween Spook Contest. Voting will begin October 28 and will end October 31 at noon. Each campus organization may run one representative and the students will vote on the best costume. Each vote will cost a penny and the contestant who earns the most money will win. Prizes will be awarded to first and second place winners.

Mrs. Nellie Engleke, manager of the Bookstore since 1966, will retire Nov. 10. She began working at the bookstore, which used to be where the faculty lounge in the Pioneer Center is now located, in September of 1958.

## Happenings At M.E.N.C.

The M.E.N.C. wishes to report a lot of their latest happenings.

The M.E.N.C. raffle, the drawing of which was held during the homecoming game half-time, proved to be a profitable investment for the winner, Mr. Buck Stevens.

M.E.N.C. members from Glenville State College student chapter 537 along with student chapters from other colleges and universities in the state held their annual Fall Conference in conjunction with the State Music Leadership Conference at Jackson's Mill on October 19, 20, and 21. By joining forces with this group the M.E.N.C. members benefited by more workshops and clinics.

These well-planned clinics and workshops consisted of: Kodely-Teaching Theory in Public Schools-Music Teaching in the Middle School-Beginning Band Techniques-String Workshop and performance groups-Music Supervision and Jr. High School Music.

The Computer Center will be closed to students the 13th, 14th, and 29th of each month from 8-4. This is due to the monthly reports which are due at these times. It will be opened on Monday, Tuesday, and Wednesday evenings from 6-8 for the student's use.

Don't let the prospect of a long, cold winter get you down. Have a large supply of firewood on hand throughout the frost-bound season with the help of GSC's Forestry Club. For \$15 per cord, the Foresters will cut and deliver locally as much fuel as you need, as often as you need it. Call 462-7361, ext. 228, to order or replenish your supply.

## Classes Scheduled

The Education 380 class is happy to announce the dates of adult education classes. Classes will be held November 5th, 12th, and 19th of 1975 from 7 00 to 8:00 p.m. in the Home Economics Department in the Science Hall.

Subjects included this year are: 1) Piecin' and Patchin', this includes: pillows, wall hangings, pot holders, skirts, patchwork and applique skills. 2) Happy Hooker, this includes: basic crochet, broomstick lace, centerpieces, ripple and granny afghan, flower loom, hat, mittens, and scarfs. 3) Quilting Bee-'76, this includes: machine cathedral quilting, baby quilt, placemats quilted, and pot holders quilted. 4) Sweet and easy, this includes: old and new ideas in confectons.

The class will be limited to eight participants per class. For reservations call Home Economics Department from 9:00-12:00 a.m. weekdays, 462-7361 Ext. 276.

## SEA Conferences at Wash.

An interesting and exciting trip to Washington, D.C. was the highlight of the West Virginia Student Education Association conference this past weekend. There were 35 representatives from colleges and universities around the state. Included were Bethany, Bluefield, Shepherd, WVU, Fairmont, Salem, Davis and Elkins, Southern West Va. Community College and Glenville. The weekend was designed as a "fun" weekend. Those Glenville students in attendance were Sue Craddock, Wanda Patrick, Cathy Bail and Joe Lyle. Dr. Pam Brown was the faculty member present.

Saturday in Washington, D.C. included a meeting with Dale Rumbarger, the Student National Education Association president at the N.E.A. building. A tour of Wash-

ington followed. Included in the tour were the Smithsonian Institute, the nation's capitol, and Washington Monument.

The entire group was lodged in the Holiday Inn at Martinsburg, near Shepherd College. A banquet followed the trip. Afterwards, Mike Dunn, the WVSEA president conducted a business meeting. The main goal this year is membership. The goal was set at 1400 members and the present total is 332. The Glenville chapter ranked third in the number of members in the state, with only WVU and Fairmont having a larger membership. Comparatively, Glenville has few problems and was able to make suggestions to help the other colleges with their programs and membership drives.

On The Bench

By John Lilly

With only three games left in the regular season, Coach Whitey Adolfson and his Pioneers are getting right into the nitty-gritty part of their schedule. Although the Pioneers have lost three conference games they are still right in the thick of things in the race for the Southern Division title in the WVIAC.

Although tomorrow's game against the Hilltoppers from West Liberty is a conference outing it still has little effect on who will win the Southern Division. The GSC Pioneers' 'Must-Win-Game' will be their last game of the season when they entertain the Concord Mt. Lions, who now stand in first place in the division.

Reliable sources who watched the Pioneers beat the Bluefield Big Blues last Saturday afternoon said the G-Men played a much better football game than the previous week when they were beaten by the Wesleyan Bobcats. They also said it was probably their best game of the season.

This sportswriter is sure glad to hear that because the G-Men are now getting into their crucial part of the season.

**Pioneer Stats**  
The Pioneers have scored only 57 points this season but the amazing fact is that eight different people have scored...the G-Men have only scored 11 points in the first half all season compared to their opponent's 46...GSC's total offense for the year is 1430 yards, their opponent's have had a total offense of 1493...Glenville has had 73 first downs compared to their opponent's 77...the Pioneers have allowed only one TD in the third quarter all year...eleven people have caught passes for

Pioneers

Beat Blues

The Glenville Pioneers won their second game of the season last Saturday afternoon in Bluefield when they came from behind in the second half to defeat the Big Blues from Bluefield 17-7.

Bluefield jumped on the Pioneers early when big John Monroe of the Big Blues bulled his way over from the one yard line with 7:47 still left in the first period. Joe Johnson converted the extra point.

With the score 7-0 in favor of Bluefield, Glenville's kicker Bob Casto booted a 41 yard field goal of the season.

The second half was nothing but Glenville's as Coach Whitey Andersen got his troops fired up. By alternating two quarterbacks, Chris Anderson and Tom Cowan, the Pioneers were able to score two touchdowns, each quarterback throwing one touchdown apiece.

The go-ahead touchdown came with 5:19 left in the third stanza when Anderson took the G-Men in to score from nineteen yards out. The score was set up after freshman Ed Donatell intercepted a Bluefield pass and raced 45 yards to the Big Blues' 19 yard line. Andersen, the senior signal caller, capped the drive with a 10 yard pass to sophomore tight end C.W. Campbell. It was Campbell's first touchdown in his college career. Casto added the PAT to make the score 10-7.

With 5:03 left in the game Cowan guided the G-Men to their final score when he hit slotback Steve Chandler on a 13 yard touchdown pass. Casto's successful PAT made the final score 17-7.

The Pioneers led in statistics with a total yardage of 248 compared to Bluefield's 208. The G-Men had 14 first downs to 13 for the Big Blues. Cowan and Andersen combined to completed 11 out of 16 passes for 132 yards. Bluefield managed only to complete 6 out of 17 passes for 91 yards.

The Pioneers, whose record now stands at 2-3-1, will host the West Liberty Hilltoppers tomorrow.

Women's Volleyball

Places Third at MH

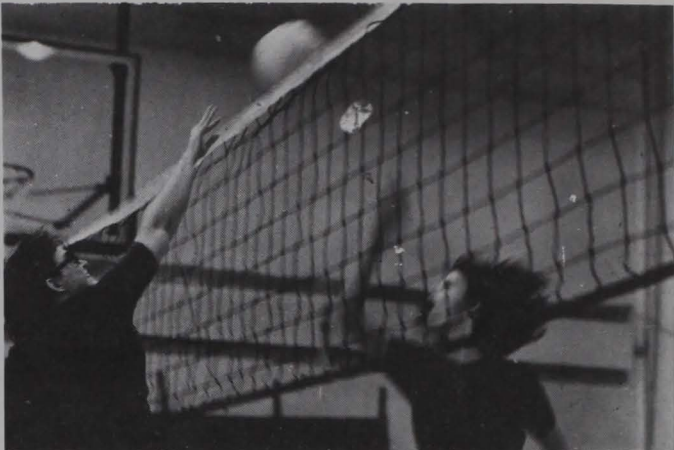

The Glenville State College women's volleyball team, under the guidance of Mrs. Kay Chico, opened their 1975 season last Thursday afternoon placing third in a quadrangular match held at the Eddie King Gymnasium on the Morris Harvey campus.

Host team Morris Harvey won the match, followed by the Fairmont Falcons, then the G-Women and finally the Bluefield Big Blues.

The Pioneers in placing third played seven games, winning three. They beat Fairmont one game out of their best of three series. Glenville then beat Bluefield, winning two straight games from them.

The Pioneer women play again today when they travel to Morgantown where they will compete with WVU, Marshall, and Concord.

Any male or female interested in going out for the men's or women's bowling team should meet in the game room on Monday, Oct. 27 at 4:00 p.m. You must furnish your own bowling ball.

The women's volleyball team is seen practicing up, as Diane Bach returns a Joan Stanley spike for today's match in Morgantown.

the articles, or to further locations of articles.

Microfiche cards can be read at any of the readers located on the first floor of the library.

This material has expanded over the years to include much topical information about important issues of the day. Each month supplements to the index are issued, as well as additional microfiche. Accompanying these are copies of the Newsbank newsletter, indicating important and interesting articles contained in the month's issue. This newsletter, meant to arouse interest and inform users in the service, is distributed to various departments, throughout the campus.

The staff at the library will be glad to demonstrate various aspects of this service to any individual or class upon request. It is felt to be an important source of information for debates, term papers, or reports on general and current topics.
