Of Mice and Men (1937), a popular and critical success, was selected by Book-of-the-Month Club, and shortly afterward author John Steinbeck was selected as one of the then outstanding young men of the year. After touring England and Ireland, Russia and Sweden, he produced a play version of the book with the famous

playwright, George Kaufman. Steinbeck enjoyed a long-running hit on Broadway and with it win the New York Drama Critic Circles award on the first ballot.

When you come to Of Mice and Men, a homey, tranquil atmosphere will greet you. Eager crew members will be positioned to enhance the tragic and pathetic motifs of Steinbeck's masterpiece. In the first scene, the dreams, desires, and personalities of Lennie and George are presented. Through the next four scenes, we watch these aspects against a social

is the daughter of Mr. and Mrs. John Gunnoe of Charleston, W.V. She is a member of the Delta Zeta Sorority and currently serves as Standards Chairman. She plans on teaching and later working on a masters in Special Education.

In Ms. Gunnoe's opinion, "involvment is not only physical, but emotional. It means caring about and being interested in what is going on at Glenville State College." She feels that she has never been involved in life as she has been in the last two

Ms. Gunnoe is very active in intramurals, and believes that these activities have served several purposes in her emotional development. She believes that "physical sports, when supervised in the way they are here, instill pride and a sense of fair play along with a competitive spirit."Sports and sorority have both helped her to learn to work with others for common goals. She says, "I have also made personal, lasting friendships with different types of people-people that I would not have known if it were not for these organizations."

An English major from Glenville, Ann Hamric is the daughter of Mr. and Mrs. William Hamric.

Ms. Hamric feels that her past 21/2 years at GSC have been the most important of her entire life. She also feels that each of them " has helped to develop my character and mold me into the person I am today."

Ms. Hamric goes on to say, "I think that being a member of Delta Zeta Sorority has helped me in many ways. First of all, it has helped me to develop my qualities of leadership. . . I feel that I now have a greater understanding of people."

Jo Harvey, a sophomore at GSC, is the daughter of Mr. and Mrs. Handley R. Harvey of Fairlea, W.V.

Ms. Harvey realizes that "we live in a world where we are active, working, productive, involved human beings, besides being mothers and wives. These new roles demand intelligence, determination, integrity and most of all, a sensitivity that only a woman can give." She contends that the contest is looking for more than a bathing beauty. It is looking for a girl that justifies the role of a woman

Throughout history various forms of government have, indeed, been placed under a scritinous attack. Each form has had its own system of regulations and values having evolved into a conglomeration of republics, states, democracies, and social committees. State and local organizations follow one type of government, while clubs and associations use other governing bodies. Unlike earlier years in history, today the forms of government are various and many.

Thus, the question arises as to the actual effectiveness of the form of government used by Genville State College's Student Congress. Under the present constitution of this student-governing body, there seems to be one branch of government—the executive. This branch primarily deals with monetary and social matters, as well as selecting the student representatives of the various educational and student welfare committees. However, this alone does not constitute a total, or full, student voice in campus reform.

Nowhere does there seem to be an active student judicial branch of government. Without a judicial branch, how can students effectively enact policies, rules, and regulations concerning the student welfare on campus? Instead of a fair representation of students on policy-making committees, there seems to be that extensive right arm of the faculty and administration—the so-called "parent away from home." The conservative attitude of the administration can be seen in the ultra-conservative policies and regulations set forth in the Student Handbook. In an age of changing liberal views, these policies are only familiar symbols of the former military and private institutions of the Victorian era. Students as a body of unity, have very little, if anything, to say in making rules and regulations on this campus. Great strides have, however, been taken to include students on committees, but even on policy-making or judicial committees such as the Committee for Academic Affairs there is a ratio of more faculty and administration than students. Since we are adults, why then are we misrepresented?

By adding a judicial branch to the student government on campus with one prominent campus administrative official serving in an advisor capacity, students with social, academic, and other legal problems can be tried by their peers. Policy-making will be more on the student level. Student rules and regulations can be made, then presented to our administration to be enacted upon, Whether these rules are vetoed or passed, students will have a louder voice in campus decisions.

Concord College, for instance, has been using a student court system for the past two years. The Student Court is designated with sharing administrative responsibility, not being oppressed by it. The court represents the college as a whole-students, faculty, and administration. In these past two years, the court has heard approximately 200 cases involving the whole college community. The most of these cases have dealt with broken visitaiton codes and interpreting the constitution of the student government and college.

While still looking further, Concord is not the only institution providing a judicial arm for the student government. Approximately 50-60% of the state colleges and universities incorporate a judicial branch in their governing bodies. In reviewing the present situation, the ineffectuality of our S.C. could be greatly reduced by a platform calling for government reform. This could be an issue for students seeking office in the upcoming election.

Posts Are Refilled, Pageant Underway

The weekly meeting of the GSC Student Congress was held Wednesday, February II, at 5:00 p.m. The first order of business was to fill the vacancies in the offices of vice-president, treasurer, and parliamentarian.

The office of vice-president will be vacated as of Feb. 20 when Sherry Poole will resign due to entrance into the professional semester. Replacing Ms. Poole as vice-president will be Lyn Bartges. Ms. Bartges was appointed by Student Congress.

Debbie Wildman was appointed to the office of parliamentarian. This office was vacated when Kathy Riddle was suspended due to excessive absences.

Jane Stump was appointed to the office of treasurer. This office became vacant when Treasurer Barb Stemple was suspended due to excessive absences.

Other items on the agenda were the finalizing of plans for the upcoming S.C. Elections and the Miss Glenville State College Pageant.

The next regularly scheduled meeting of the Student Congress will be Wednesday, February 18, at 5:00 p.m. in the Student Congress room.

SEA Meets, Reviews TV

"Childrens Television—On or Off," is the topic for this month's meeting of the H.Y. Clark Chapter of Student Education Association. The meeting will be held in the Media Room of the Library at 6:00 p.m. on Tuesday, February 17, 1976. Dr. Palomeada Brown, of the Education Department, will be the guest speaker.

Dr. Brown has studied extensively in the field of childrens' television and has made friends with people such as Captain Kangaroo and Misterogers of Misterogers Neighborhood. She has also visited the sets of Sesame Street along with those of Captain Kangaroo and Misterogers Neighborhood.

Dr. Brown's program will consist of pictures and slides evolving around her television career. Questions to be answered will be how a children's television show is produced. ("It's not just thrown together," quotes Dr. Brown), and the objectives of a television show for children. Dr. Brown will show color excerpts from Sesame Street, the Bilingual Triethnics (about Anglos, Chicanos, and Blacks), and segments from the Appalachia Educational Laboratory Program which was filmed in the southern mountains of West Virginia (it is this film that Dr. Brown made her television debut). Dr. Brown will also discuss the 3-4-5 Club for child-

Dr. Brown urges audience participation at the end of her discussion.

However, if none of this impresses you, at least come out to see Dr. Brown going on her great Lion Hunt. The Lion Hunt was filmed in Houston, Texas, at the Botannical Gardens and is complete with Dr. Brown in her safari outfit.

The movie "High Plains Drifter" will be shown in the Auditorium on February 23 from 6-8 p.m. and 8-10 p.m. Clint Eastwood plays the part of a sophisticated cowboy who is hired to protect the town from three determined gunfighters. Admission is free with I.D. and for those without I.D.'s \$1.

On The Bench

The Glenville Pioneer cagers have regrouped after two heart-shattering losses to Beckley College, 70-68, and to Davis and Elkins, 69-67. The G-Men have bounced back with a reshuffled starting lineup to crush West Liberty and to upset the fourth place WV Tech Golden Bears.

Coach Jesse Lilly has inserted three new players into the starting lineup to add needed quickness and so far that move has paid off.

Charles "Stretch" Warner has regained his starting berth by taking over the center position. In the last two games, Stretch has scored 35 points and has hauled down 20 re-

Speaking of WV Tech, this sportswriter has never seen any Glenville guard dominate a game as much as Tom Coates did against the Golden Bears.

Coates, single-handedly, pulled away from Tech midway through the second half when he scored nine straight Pioneer points.

Coates, by the way, ended up with 29 points, 13 rebounds, and 4 assists. No had for a guard.

CONFERENCE TIDBITS

West Liberty's Jim Schmidt had him one heck of a night against Morris Harvey when he poured in 45 points. The G-Men, the game before, held him to just 12 points . . . After watching some of the games recently, I wish some of the WVIAC officials

would get lost trying to find the town of Glenville. That way we wouldn't have to yell at them . . . It looks as though if Glenville finishes ninth in the standings, they would play Bluefield State in the conference tournament, but if the G-Men can move up to eighth place, they would play the 13 rebounds and handing out four twelfth place team, Beckley

The Pioneers travel to the southern part of the state tonight and take on the Bluefield Big Blues. Tomorrow night they play the Concord Mt. Lions at Athens.

Keglers 3rd In Regional

The GSC Pioneer bowling team finished a disappointing third place in the WVIAC Regional Tournament held last Saturday in Clarksburg.

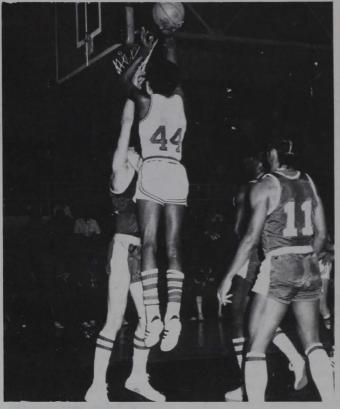

The Pioneer team presently stands only one game behind West Virginia Wesleyan in the race for the conference title. The Pioneers have one more regional to try and catch the Bobcats for the title. There are five possible teams who could win the championship: WV Wesleyan, Glenville, Concord, W. Va. State and West

In the regional last Saturday, Glenville had the first woman ever to bowl in a WVIAC Bowling Tournament. Junior Karen Goodall was fourth high on the Pioneer team with an eight game average of 162. Her high game was a 189.

Other Pioneer scores were Tom Newberry, who had an eight game average of 198 and a high game of 242 Sam Ferrell came in with a total pinfall of 1515 which was an average of 189. Mark Smith followed with a 178 average and a high game of 221. Dave Twyman was fifth high on the Hickman followed the pack with a 158 average.

The conference title will be decided tomorrow when the Pioneers participate in the 4th WVICA Regional Tournament in Fairmont at the Pleasant Valley Bowling Lanes.

For the last home game the cheerleaders are sponsoring a greaser game. This will take place on Tuesday, Feb. 17. Come out greased and support the Pioneers. Get in the spirit!!!

four game losing streak last Saturday night when they rolled over the West Liberty Hilltoppers, 93-76. It was Glenville's ninth win of the season against 13 losses.

The Hilltoppers took a 6-4 lead early in the game but the G-Men quickly erased that lead and built up a 13 point advantage which held up through the first half.

Junior forward Robert Hawkins keyed the Pioneer victory as he came off the bench midway in the first half to spark the G-Men. Hawkins scored 18 points and collected 12 rebounds in the contest.

Charles Warner, starting for the first time in three games, poured in a game high of 22 points and hauled in a game high of 14 rebounds. Tom Coates followed with 17 points and 12 rebounds. Freshman guard Wayne Washington pumped in 15 points while Roger Dingey added 10 for the G-Men.

West Liberty was led in scoring by Kirk Miller and Al Rosczyck with 18 apiece and Jim Schmidt with 12.

The Pioneers improved their conference record to 6-9 while the Hilltoppers slipped to 4-17' overall mark.

Childs Leads Senators Over G-Men

The Glenville Pioneers lost another heartbreaker last week when the lowly-regarded Davis and Elkins Senators eased by the slumping Pioneers 69-67. It was the G-Men's fourth straight loss.

The big factor in D&E's win was 6'7" center Jim Childs who poured in 24 points and dominated the boards with 22 rebounds.

In the first half, both teams seesawed back and forth with the lead but at the end of the twenty minutes the Senators took a 32-31 halftime

Davis and Elkins came out in the second half and quickly took a commanding 10 point bulge, but the Pioneers fought back and put on a rally that ended only two points short.

Randy Hill followed Childs in scoring for D & E with 15 points. Kerry McGee added 10 for the winners.

The Pioneers who shot a disappointing 33% from the floor were led in scoring by freshman Wayne Washington who bucketed 21 points. Tom Coates was the only other Pioneer to score in double figures with 16.

The G-Men were outrebounded by the taller Senators, 57-46. Roger Dingey yanked down 13 missed shots for Glenville.

The Pioneers' record now stands at a disappointing 8-13 overall and a 5-9 mark in the conference.

Karen Goodall Is 1st WVIAC Woman Bowler

Karen Goodall, of Glenville State College is the first woman to bowl in a WVIAC Bowling Tournament which was held Saturday, Feb. 7, 1976, at the Compton Lanes in Clarksburg.

Alderson-Broaddus has a woman on their Bowling Team, but she has not competed in a tournament.

Miss Goodall is the daughter of Mr. and Mrs. Kenneth Goodall of Ronceverte, W. Va. She is a junior Physical Education major at Glenville State

Karen had a 162 average for eight games. Her high game was 189.

Choreographers Appear At GSC

The North Carolina Dance Theatre has been engaged by Glenville State College to appear in the GSC Auditorium on February 24-26, 1976. Performances will include both classical and modern works.

The North Carolina Dance Theatre, a professional touring company of fifteen dancers, was established in 1970 with the aid of a grant from the Rockefeller Foundation, and is affiliated with the North Carolina School of the Arts in Winston-Salem, Originally created to serve the southeast, the Dance Theatre has achieved a reputation as a major dance company, and has extended its touring area throughout the United States.

Renowned choreographers have created works especially for the company, and with the addition of two new ballets for the coming season, the Dance Theatre now offers a repertoire of sixteen. The works reranging in mood from the subtle humor of Charles Czarny's "Bach: Brandenburg Three" to the deeply moving "Myth" by Alvin Ailey.

The Dance Theatre is supported by a grant from the National Endowment for the Arts, and participates in its Dance Touring and Artists-in-Schools programs. The Company's residency includes a lecture to be given three different times on February 24, which are: 10:00 a.m.; 11:00 a.m.; and 2:00 p.m., and on February 25 everyone is invited to open rehearsals at 2:00 p.m. and that evening the Grand Dance Concert at 8:00 p.m. Again, on February 26, a master for dance and physical education students will be scheduled in the mor-
