

THE 1976 NAIA CHAMPION BOWLING TEAM

Fredin Elected AAUP Officer

The Spring meeting of the West Virginia Conference of American Association of University Professors was held last weekend, April 9-10 on the Concord College campus. At the banquet on Friday, Dr. Esby Miller was given special recognition for his service to AAUP as chairman of the Advisory Council of Faculty to the West Virginia Board of Regents.

At the Saturday business meeting, Dr. Lowell Fredin, associate professor of English at Glenville State and local AAUP president, was elected secretary of the West Virginia Conference for 1976-77.

AAUP, according to Dr. Fredin, is the nation's most active and highly influential organization in higher education. Approximately 500 members comprise the state membership, and the local chapter of 32 members is one of the most active in the state. Local officers include president Fredin; vice-president Dr. Gary Gillespie; and secretary-treasurer, associate professor Virginia West.

OPEN HOUSE

There will be an Open House at the GSC greenhouse, located on Mineral Road on Friday, April 23, from 7 - 9 p.m. and Saturday, April 24, from 9 a.m. - 12 noon. There will be persons on hand to explain the greenhouse and the 2-year Ornamental Horticulture program. Anyone interested is encouraged to stop by.

Dr. Ben T. Morton, Chancellor of the Board of Regents, spoke at the banquet, addressing himself to the convention theme of "Cooperation Between Public and Private Colleges in West Virginia."

Pre-Registration Runs April 26-30

Pre-registration for the Fall 1976 semester will be conducted during the week of April 26-30. Registration hours will be from 8:30 a.m. until 3:30 p.m. each day.

Students should begin the registration process by consulting with their advisors and completing a yellow registration card. No blue card will be needed during pre-registration. Once the card is completed, students will then go to the Computer Center in the basement of the Administration Building and complete the registration process.

Pre-registration will assure students of their schedules in the fall. Fees will not have to be paid until regular registration day in August, but may be paid any time prior to then.

Those who pre-register will return in the fall, see their advisors for the purpose of completing a new form, and, once fees are paid, be ready to go to class.

CONGRATULATIONS TO THE
PIONEER BOWLERS!

G.S.C. Holds Art Exhibition

This is Glenville State College's sixteenth year in hosting the West Virginia Collegiate Art Exhibition. The exhibition is open to all undergraduate students of West Virginia colleges and universities. There are seven classes and a total of four entries may be submitted. The classes are oil painting, watercolor, sculpture and ceramics, graphics, drawing, mixed media, and photography.

Works must be original and completed after March, 1974. All works must be suitably framed and wired for hanging. Paintings, prints, and drawings must not exceed four feet by six feet. Sculptures should not be in excess of 100 pounds.

All entries must be in by April 24. The entry fee for the exhibition is \$3. Cash awards will be given to outstanding works in the exhibition regardless of entry classification. Last year over \$650. in prizes were awarded.

The judges of the exhibits will be Mr. Frank J. Puskas and Mr. Charles C. Scott of the GSC Art Department. For more information and entry forms, contact Mr. Frank J. Puskas in the Art Department.

GSC Bowlers Win NAIA Tournament

The Glenville State College Bowling Team has emerged as NAIA champions this year through an unusual set of circumstances.

West Liberty State College was the Area VI representative to the National Tournament. Seven teams in the national tourney are area champions; the eighth team is chosen "at large" in the area of greatest participation (again Area VI). Glenville State was invited to participate and was considered the 'Dark Horse' team of the tournament. Each area winner bowled each school represented twice. Teams were rated by pinfall plus 250 bonus pins if they won.

West Liberty was Glenville's first opponent and Glenville lost the first game by nine pins and lost the next game. They they lost one to Oregon College of Education and won one; did likewise with Southwest Baptist, finally winning both games with Saginaw Valley (Michigan). At the end of the first day, Glenville has won four and lost four games, for a fourth-place rating. Sam Ferrell was in the number 2 position with a 201 average., with Paul Woods of Clarion State in first place with a 203 average.

On the second day, Glenville State beat Winona State (Minnesota) twice, and Harding College (Arkansas) twice. (Harding has been to twelve of the fifteen annual tournaments.) Glenville State then lost one and won one in their contest with Clarion State (Pa.), who were national champions in 1974 and beat GSC in area playoffs that year.

In the final round, the Pioneers defeated Oregon, to win with ten wins and five losses. The Cinderella team did the impossible - never before has a team won the National Championship while losing five games. Oregon was second; West Liberty, third; and Clarion State, fourth.

At the end of fifteen games, Sam Ferrell, GSC, had accumulated a pinfall of 3030 with games of 259, 246, 235, for a high average of 202. A senior physical education major from Pt. Pleasant, Ferrell was named Outstanding Bowler of the Tournament and was named to the NAIA All-Tournament team.

Ferrell and teammate Tom Newberry placed second in doubles with 215 and 193 averages, respectively. West Liberty team members, Doug

Tuskey and Bernard Lilley won by nine pins, with Clarion State coming in third.

Tom Newberry, a senior physical education major from Parkersburg finished with a 187 average in the tournament to place eighth of the forty bowlers. He received a plaque and was named to the All-Tournament team.

David Twyman, a freshman from Parkersburg, is a physical education major and is a member of the College Golf Team. His average was 183 for the tournament.

Mark Smith, also a freshman from Parkersburg, is a Business Administration major and bowled an average of 179 pins in the tourney.

Mike Hickman, a freshman from Dunbar, is a physical education major with a 166 average in the tournament.

Dr. Robert Dollgener, the Bowling Coach, is also Athletics Director and Professor of Health and Physical Education at GSC where he began work in 1967. He holds a M.Ed. degree from North Texas State University and a P.E.D. from Indiana University. He also serves as chairman of the Division of Health, Physical Education and Safety. This is Dr. Dollgener's ninth year with the nine-year-old bowling team. He cites proudly that this was the third trip to the nationals for his teams. They placed fourth in 1970 and

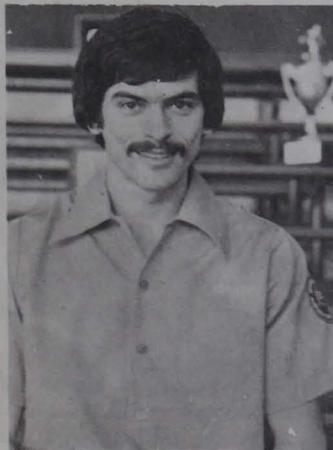

(Cont. on Page 4)

Tenures Approved By Bd. of Regents

The W.Va. Board of Regents has approved granting of tenure to the following members of the Glenville State College faculty:

Mr. Gary Allen Adkins- Chairman of the Division of Education; Dr. Joe Damall- Assistant Professor of Political Science; Dr. Frank Jenio- Associate Professor of Biology; and Mr. James T. Riffle- Assistant Professor of Safety Education.

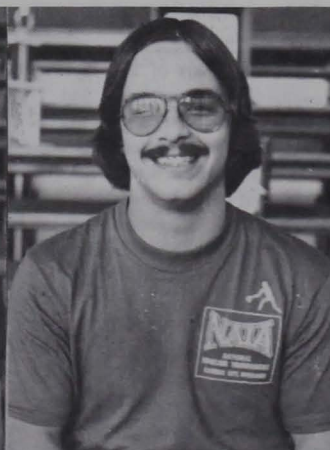

All new faculty members must serve a probationary period of six years. After serving the required probationary period, he may be granted tenure which allows more security in his position as he cannot be dismissed without a cause.

Sam Ferrell

Tom Newberry

Mike Hickman

Dave Twyman

Mark Smith

Pictured above is the championship Intramural Basketball team, B.U.T. downed the Stoppers 88-80 to claim the 1976 title.

On The Bench

The Glenville State College bowling team did themselves proud on April 10 when they captured the NAIA National Championship in bowling. That's right, the NATIONAL CHAMPIONSHIP!

Even though it happened almost two weeks ago, it's still hard to believe that a Pioneer team can accomplish such a feat.

It's the first national championship for any Glenville athletic team in the school's history.

The year started out to be a rebuilding year for Dr. Robert Dollgener and his Keglers, with only Tom Newberry and Sam Ferrell returning from last year's defending conference champs. But three freshmen, Dave Twyman, Mark Smith and Mike Hickman, all blossomed into strong performers for the GSC keglers.

THEY'RE NOT THROUGH YET

In order to win the national title, the G-Men had to defeat Oregon College of Education in the last game of the tourney. And they did, with Twyman leading the way rolling a score of 220 in the exciting finish.

In winning the title the Pioneers have now earned the right to compete in the prestigious National Collegiate Bowling Spectacular in Oklahoma City on May 5, 6, and 7.

Ferrell and Newberry made the NAIA All American team, with Ferrell also winning the A.O. Duer Award for the outstanding bowler. The two GSC bowlers also qualified to compete in the national doubles toumey.

Now that's what I call making some strikes!!

DOC PREDICTS WRONG

Dr. Dollgener, before going out to the Kansas City tourney, did some predicting on how the teams would finish. And to say the least he didn't do a very good job of forecasting.

He predicted Harding College to win the tourney, but they finished fourth. And he thought Glenville

would finish fourth and they won it.

Doc, you must have had your wires crossed in your crystal ball. Next time, leave the soothsaying for Mr. Sooth, himself.

UP AND DOWN SEASON

The GSC golf team, the defending conference champs, have so far been having an up and down season.

Only junior linkster Terry Crislip has been playing near his capabilities, averaging a score of 77 for every 18 holes.

But coach Tim Carney and his sweet swingers should have it ready by conference tournament time.

UNLUCKIEST TEAM

Coach Bob Belcastro and his Pioneer diamond men have not had much luck at all this season.

The G-Men have had excellent hitting in recent games but they don't quite have the depth in pitching that every outstanding ball club has.

But still the Pioneers are a young and exciting club to watch because you don't know what they will do next.

SOME FINAL QUOTES

Pro basketball player Connie Hawkins on NBA referee Bob Rakel: "I'm allergic to Rakel. Everytime I see him, I break out in six personal fouls."

Lou Holtz, new coach of the New York Jets, who is an amateur magician, when asked his best trick, "The rope trick. If it doesn't work, you can always hang yourself."

GSC LINKSTERS WIN

The GSC linksters won a quadrangular match last Monday afternoon at Spiedel Golf Course nipping West Liberty by a mere one stroke. WVU placed third, followed by Muskingum.

Terry Crislip was low man for the Pioneers with an eighteen hole total of 79. Crislip was followed by Rick Simmons' 81, Jim Scott's 83, and Dave Twyman's 88. John Lilly struggled in with a 94.

"HE'S SAFE," but all in vain as the Pioneer Hardballers lost the game 5-4 to the Concord Mt. Lions.

GSC Drops 2, Record Now 1-16

The Glenville Pioneer baseballers lost another tough doubleheader, this time the Concord Mt. Lions did the job by the scores of 13-7 and 5-4.

In the first outing the Mt. Lions jumped on the G-Men's pitcher Roy Alltop for five runs in the first inning and then scored six more in the fourth to seal away the victory.

Dale Stover, Buddy Jarrell and Terry Baker all collected two hits in the losing cause. One of Stover's hits was a triple.

In the second game the Pioneers lost a heart breaker in extra innings when the Mt. Lions scored an unearned run in the bottom of the eighth.

Tom Phillips banged out two hits for the Pioneers.

The G-Men's record dropped to a disappointing 1-16 mark.

A-B Battlers Win Twinbill

The Glenville Pioneers lost a double hitter to the Alderson-Broadus Battlers on April 10 by the scores of 6-3 and 11-7.

In the first game, A-B's pitcher Sparky Burr stopped the Pioneers with three runs while the Battlers tagged Glenville's Ralph Smith for six runs and the loss. Smith was relieved by Dave Gibson and Tom Mathias.

Glenville's second baseman, Terry Baker, led the G-Men's offensive attack with three hits.

In the second contest A-B jumped on the Pioneers early scoring seven runs in the second inning. Sophomore pitcher Roy Alltop took the loss.

Dale Stover, Randy Buchanan and Charlie Hook all collected two hits for the G-Men. Tim Shepherd slammed a triple also in that outing.

Glenville's record slipped to a 1-6 conference mark.

GSC Keglers Finish Fourth

The Glenville State College Women's Team competed in the 4th Annual Dr. Pepper Marshall University Invitational Bowling Tournament on April 10th in Huntington, W.V. The Women's Team event was won by Marshall University, Bowling Green came in second, West Virginia University was third and Glenville finished fourth.

Jan Morris of West Virginia University had the high total pin fall with 1119. Karen Goodall was 6th with a pin fall of 1018.

The GSC Women's Team was comprised of: Karen Goodall, of Ronceverte, WV, a junior Physical Education major; Debbie Curry, of Strange Creek, WV, a junior Elementary Education major; Debbie Stalnaker, of Phillippi, WV, a sophomore Elementary Education major; Cindy Gunnoe, of Charleston, WV, a sophomore Elementary Education major; Christy Nida, of Looneyville, WV, a junior Business Administration major.

This was the last tournament of the season for the Glenville State College Women's Team.

The GSC baseballers play a home game Saturday starting at 1:00 p.m. Their opponent is D&E.

ALL AMERICANS GALORE AT GSC. . . Sam Ferrell and Tom Newberry, in addition to being named first team All-Americans, also placed second in the nation in doubles competition.

GS Linksters Place Fourth

The GSC linksters on April 10 finished in fourth place in the Marietta Invitational Golf Tournament. The University of Cincinnati won the tourney finishing 21 strokes ahead of Capital University and Wright State, who both tied for second place.

Third place went to Muskingum with a five man score of 398. Glenville followed with a 401, Wittenberg, 404; Mt. Union, 412; Dension, 416; Otterbein, 421; Marietta, 425; Heidelberg, 427, and Denison, 433.

The Pioneers' Terry Crislip finished second in the individual competition with an 18 hole score of 75.

Other Glenville scores were: Rick Simmons, 80; Steve Collins, 81; Jim Brady, 82; Jim Scott, 83; and John Lilly, 83.

Last year the Pioneers finished fourth in this tourney, with a team score of 410. This year they improved to a score of 401, but still finished fourth.

Female Speedsters Finish Fourth

The Glenville Pioneerettes track team placed fourth in the First Annual Women's Invitational Track Meet in Morgantown on April 14. Frostburg College of Maryland won the meet.

Patsy Groves led the six-member track squad placing second in the 440 yard run and the 880 yard run. Groves also anchored the 440 yard

relay which placed fourth.

Connie Franklin finished second in the 100 yard dash.

Judy Morris and Diane Ward placed third and fourth respectively in the mile run. Morris also placed fourth in the 880 yard run.

The Pioneerettes earlier in the season were nearly beaten by the WVU women in a dual meet.

Southern Regional Leaves GS Second

The Glenville Pioneer golfers finished a disappointing second place, behind the Concord Mt. Lions, in the Southern Regional at Pipestem State Park.

WV Wesleyan finished in third position, ten strokes behind the Pioneers. Wesleyan was followed by Morris Harvey, Shepherd, Alderson-Broadus, Bluefield, Fairmont, Davis and Elkins, West Virginia Tech and West

Virginia State.

The Pioneers' Terry Crislip finished second in the individual competition with a two day score of 154 (75-79).

Other Glenville scores were: Jim Scott, 77-84-161; Rick Simmons, 84-81-165; Jim Brady, 83-81-164; and John Lilly, 89-82-171.

The Pioneer linksters were the defending Southern Regional Champs.

A.O. Duer is shown presenting Sam Ferrell with the A.O. Duer Outstanding Bowler Award.

'Small time?' Come Now!

As this is America's bicentennial year, it seems only appropriate to mention the pioneer spirit of the mountaineers who started the move to the western frontier. This rugged spirit helped to mould and expand the U.S. to what it is today. Here, on campus, this pioneer spirit has prevailed in recent years and has reached its ultimate glory through the astounding efforts of the NAIA National Championship GSC Bowling Team. As Assistant Editor to this publication, I would like to take this time to commend the 1975-76 Pioneer keggers, their coach, Dr. Robert Dollgener, and also, to commend those individuals and teams who through their "Pioneer Spirit", have brought national recognition to this institution in past years.

As a prelude to GSC's first national sports championship one should mention the valiant efforts of individual and teams who have strived to achieve excellence in national competition. In March of 1972 the GSC basketball team represented West Virginia in the national championship tournament in Kansas City. This team portrayed great determination and stamina in gaining their berth and fared well as they won their first round game and then were defeated by one point in overtime in the second round.

During 1972-73, the Pioneer football squad went undefeated during the regular season and accepted a bid to the NAIA Division II Championship. The team won their semifinal game under adverse field conditions, then lost a heart-breaker to settle for national runners-up by a close score of 10-3. In 1974, the GSC golf team made the NAIA Final Playoffs in South Dakota and again in 1975 in Texas.

Along with these sports achievements, GSC's Sigma Sigma Sigma sorority attained national recognition by receiving the National Chapter Excellence Award in October, 1973 and the National Sorority Education Award this past month. This is a high honor as there are seventy-five Sigma chapters in the nation.

To further the list, in 1974, and again in 1975, the GSC Forensics Team placed fifteenth and nineteenth, respectively, in the National Finals. In 1974, Ms. Skip Kincaid, a former GSC student, placed fourth nationally among 212 contestants in Poetry Interpretation. Ms. Dorothy Wright, in 1975, received the national second place trophy in After Dinner Speaking. This year's five-member team is representing the college in the national tournament held in Los Angeles, California.

Thus, we reach 1976 — the year for Americans, and a so-called age of apathy — to receive national recognition of the highest calibre by our Pioneer bowling team, headed by Sam Ferrell, the Outstanding Bowler of the Tournament. This team, along with those GSC teams and individuals in the past, should be most highly commended for that rugged spirit needed to achieve national recognition. Thanks to individuals like these, Glenville State should be redeemed in the eyes of those who abruptly pass it off as small-time.

Steve Boilon
Assistant Editor

Sigma's Hold Banquet

On April 20th of each year, Tri-Sigma's all over the nation join in honoring their sorority and its founders. It is good to remember one's past history and achievements, and to Sigma's all over America, April 20 is THE day to celebrate Sigma's past, present, and future.

On Tuesday, April 20, Delta Alpha Chapter celebrated the founding of the Sigma Sigma Sigma Sorority. The girls donned their dresses of purple and white, and their pins worn with ribbons of purple and white, to attend their annual Founders' Day Banquet. The following is a brief account of the founding of the Tri-Sigma sorority:

On April 20, 1898, at Longwood College (formerly the State Female Normal School), in Farmville, Virginia, was founded Sigma Sigma Sigma Sorority. Longwood College has been called the "mother of sororities", since four sororities—Kappa Delta,

Sigma Sigma Sigma. Zeta Tau Alpha, and Alpha Sigma Alpha—were born there. The eight girls who founded Tri-Sigma were no doubt influenced by their observances of fraternity life at a man's college which was located only a few miles from Farmville. The eight founders: Sallie Michie, Louise Davis, Elizabeth Watkins, Martha Trent Featherston, Lelia Scott, Margaret Batten, Lucy Wright, and Isabella Merrick were a close circle of friends. They first organized a club in 1897, then, with the help of a fraternity man from the neighboring college, drafted a constitution and established Sigma Sigma Sigma in 1898.

Summer employment is available with the Consolidated Gas Supply Corporation. Positions are available in Grantsville, Valley Chapel, and Weston. The salary is \$3.64 an hour and anyone interested may contact the placement office.

The Gilmer County Mental Health Clinic, of the Central District Mental Health Center, Inc. is now located in the Court House Annex. The hours are from 8:30 to 4:30 and the phone is 462-8226.

Available are psychological and psychiatric services, individual and group counseling, child guidance, marital counseling, after care services, alcoholism information and drug therapy.

Greek News

The Theta Xi Chapter of Delta Zeta held an informal meeting Tuesday, April 20. The girls have all recovered from State Day and are once again filling their calendars with activities.

Candy bars are still being sold. They are chocolate with either peanuts or almonds and sell for 75 cents each. They'll be great to soothe nerves while studying for finals!

The girls helped work at the Blood Drive. Practices are being held with the help of Coach Stout for the Powder Puff Football game April 29. See you there!

Lamplighting Week begins April 26. Plans are being made for Summer Retreat and the annual Big Brother picnic is being discussed.

The actives would like to thank the pledges for remembering the house at Easter. Traces of the marvelous decorations can still be seen.

Delta Alpha Chapter of the Tri-Sigma held a ceremonial meeting Monday, April 12, at which a special election was held to select officers for several posts which will become vacant during the fall term. The new officers will be: Janet Cogar, president; Mary Martin, vice-president; Sandra Moats, secretary; and Kathy Riddle, rush director.

Initiation for the Spring pledge class was held Thursday, April 22. The new members are: Lyn Bartges, Martha Crump, Carole Humphrey, Amanda Lemly, Mary Martin, Debby Nichols, Linda Hall, Libby Reed, Debbie Wildman and Katrina Young.

Next week Delta Alpha Chapter will observe Ritual Week.

Tri-Sigma is proud of its softball team, which recently defeated the Delta Zeta Team.

The Brothers of Kappa Eta will hold their annual Closed Ball this Saturday in Charleston. The festivities will begin with a banquet at Smiley's Restaurant in St. Albans. The dance and closed party will then shift directions as the forces will regroup at the Holiday Inn No. 1.

This week's recipient of the S.L.O. T.H. award is Russell Stump. The Randello Scarlotto Memorial Award was awarded to Barry Lyons. This is the first time that the award has gone to an alumnus of the fraternity. Lyons is now attending Marshall University attempting his Masters' in the fields of Microbiological Chemotherapy and Business.

The Brothers of Beta Beta Zeta congratulate Sam Ferrell and Tom Newberry on the fine showing in the NAIA Bowling Championships. Both won All-American honors with Brother Ferrell being named the outstanding bowler in the tournament. They also combined to finish second in the doubles competition, losing by only nine pins.

The chapter held their annual Closed Ball at the Holiday Inn in Morgantown this past weekend. The event was enjoyed by both the active brothers and alumni, and plans for next year's Ball are already being discussed.

Joanna Icenhower and Mary Morton are seen here with the stuffed dog Ohningohow Players will be raffling.

SEA Plans "Career Day"

The Student Education Association and Kappa Delta Pi are to conduct a "Career Day" on Saturday, April 24, 1976, at Glenville State College.

High school seniors throughout the state and their advisors and chaperones have been invited.

There will be guest speakers faculty members, and members of the student body of GSC.

FAO Sponsors Banquet To Honor Five Retirees

The Faculty Administrative Organization of GSC will honor five members of the staff and faculty who will be retiring prior to the end of the next academic year on Friday evening April 23, 1976.

The retiring members are: Mrs. Winnie M. Davidson, Clerk of the Snack Bar; Mrs. Lula A. Fittro, Director of Louis Bennett Hall; Dr. Espy W. Miller, Professor of English and Chairman of the Division of Language; Mrs. Maude Seckman, Clerk of the Snack Bar; and Dr. Byron J. Turner, Professor of Chemistry.

Dr. Lowell Peterson, President of the Faculty Administrative Organization, will be in charge of the program.

Mrs. Seckman

Mrs. Davidson

Seckman-Davidson Are Retirees

Mrs. Maude Amber Seckman will be one of the retiring faculty and staff members honored at a banquet April 23 in the Ballroom of Pioneer Center.

Mrs. Seckman, who lives at 102 Walnut Street, has worked as a clerk in the Snack Bar for nine years. She graduated from Doddridge High School in West Union and married Cecil Seckman, an engineer for Hope Gas Company. They took up residence at Jackson's Mill, where they lived for eighteen years until Mr. Seckman was transferred to Glenville.

Mr. and Mrs. Seckman have seven children and eleven grandchildren. Two of the children attended GSC, and one son-in-law graduated from GSC.

Mrs. Seckman's hobbies include sewing, reading, and playing the guitar.

Mrs. Winnie Davidson, better known to most students as "Mom", will be honored at the Alumni Banquet to be held Friday, August 23.

Mrs. Davidson, who resides in Baldwin, has worked as a clerk in the Snack Bar for nine years, and during two of those years also served as the house mother to the TKE's. She enjoys fishing, crocheting, making beads, and working here.

After she retires, Mrs. Davidson plans to visit her daughter, who teaches in Belpre, Ohio, and three grandchildren. She also plans on visiting Virginia and Florida.

bowling champs

(CONT.
FROM
PAGE 1)

seventh in 1975. He further notes that this is the first time two teams from West Virginia have competed in the NAIA Tournament and judging from their finish marks (GSC-1; West Liberty -3), the high caliber of competition is evident.

The Glenville Team is now eligible to compete in the Second Annual National Collegiate Bowling Spectacular '76 in Oklahoma City on May 5, 6, and 7. This includes the ACUI Area Champions, NAIA Champions, National Junior College champions and two, 'at large' teams. Twelve teams will comprise the Bowling Spectacular. They include: Nassau Community College, Garden City, N.Y.; University of Florida, Gainesville, Fla.; Canisius College, Buffalo, N.Y.; University of Illinois; Southwestern Louisiana University; Arizona State University; Portland State University; University of South Carolina; University of Santa Clara, top military teams plus professional bowling teams. It is sponsored by the National Bowling Council.

7 Get Promotions By BOR and Pres.

The Board of Regents has approved recommendations coming from President D. Banks Wilburn for promotions in professorial rank for seven members of the Glenville State College faculty. They are:

Dr. Herbert Gary Gillespie from Associate Professor of Fine Arts to Professor of Fine Arts; Mr. James J. Hinter from Instructor in Business to Assistant Professor in Business; Mrs. Yvonne Hart King from Instructor of Journalism to Assistant Professor in Journalism; Ms. Katherine Jane Leisner from Instructor in Speech to Assistant Professor in Speech; Mr. James H. Meads II from Instructor in Science Foundations to Assistant Professor in Science Foundations; Dr. James Lowell Peterson from Assistant Professor of Physical Science to Associate Professor of Physical Science; Mr. Edward M. Vineyard from Instructor in Music to Assistant Professor of Music.

The promotions are effective with the beginning of the 1976-77 college year.

Teams will bowl four three-game blocks on Wednesday and Thursday. The top six teams will bowl on Friday, with the two outstanding teams bowling for the championship.

This, according to Dr. Dollgener, marks the first national title of any kind to come to Glenville State College. It is only West Virginia's third, he believes, with a national football title once going to Fairmont and a national soccer title claimed by Davis and Elkins College.

The team will be honored with a dance on Wednesday, April 28.

N. School 'Moves'

Beginning August 30, 1976, the Glenville State College Nursery School will operate on a yearly basis. To be eligible to attend this fall, a child must be four years of age by November 1, 1976. The fee will be \$25.00 per semester and the regular college calendar will be followed. The first nine applications will be accepted. To get an application form, contact Miss Elma Jean Woofor, Glenville State College, Glenville, WV, or call 462-7361-Ext. 276 or 255; or 462-8109.

The Nursery School will be held in Suite 2, Scott Wing, Pickens Hall. It will be in session from 9:00 a.m. to 11:30 a.m. Monday through Friday.

Hays Is Pioneer

The new GSC Pioneer is Robert Hays. He was elected during April 6 and 7 of last week. Hays is in Business Administration with emphasis on Marketing Retailing. His hobbies include all sports, as he is active in GSC football and baseball. He also is the current Student Congress treasurer and an active member of the Drama Club, Alpha Psi Omega. Hays is the president of Theta Xi Fraternity. He has made the comment that he is "rearing to go" as the GSC Pioneer. Cincinnati, Ohio is his home town and he is the son of Mr. and Mrs. Roy D. Hays.

Applications are now being accepted for staff positions on The Glenville Mercury for this summer and next Fall. All positions are open and one may apply by writing a letter listing qualifications and experience.

Positions carrying full workshops include: editor, assistant editor, news bureau director, typists, IBM operators, photographer and sports editor. Half workshops include circulation manager, advertising manager and cartoonist.

Those interested must submit a letter of application to Mrs. King in Room 4, Clark Hall, by May 1.

Fellowship Gives Money To Rehab

On February 12, Christian Fellowship gathered together and piled on the college bus, headed for the Institute and the Rehabilitation Center. At long last, our fruitful efforts were visible. We were able, as a group, to present the money we earned during the Walkathon for the InterFaith Chapel at Institute.

Once at Institute, we enjoyed viewing slides of the Center. This slide presentation was followed by lunch, after which we divided into tour groups to view the Center. The tour provided many touching moments for all.

Before leaving, the check for \$743.55 was presented to Mr. Mallory, Chairman at the Center, by Jim Kelly, Fellowship President.

From April 23-25, GSC Christian Fellowship will be sponsoring the Spring Retreat for 1976, entitled "Let the Son Shine In". The Fellowship is looking forward to this opportunity to share with the campus and the area. Therefore, we sincerely encourage participation of both high school juniors and seniors along with campus students.

There will be a variety of activities to participate in beginning with the feature presentation, the movie, "The Cross and the Switchblade," starring Pat Boone as Rev. David Wilkerson, on Friday at 7:30 p.m. There will be numerous other activities to participate in, including a Coffee House Saturday at 7:30 p.m. daily Bible studies, discussions, fellowship, and fun.

'I.D.' Photos To Be Taken

An opportunity will be given for ALL STUDENTS who will be returning to Glenville State College August 1976 to have their (I.D.) Identification Photographs made in advance of their return to campus.

WHEN: Monday, April 26, and Tuesday, April 27.

WHERE: Ballroom in the Pioneer Center.

TIME SCHEDULE:

Monday, April 26-9 a.m.-12 noon & 1:00 p.m.-5:00 p.m.

Tuesday, April 27-9 a.m. - 1 a.m.

Please make every effort to have your picture taken during one of these times. There is no immediate charge. You will pay for this when you pay your fees in the Fall. Also, this means that you will be able to pick up your permanent I.D. during registration in August.

If you are unable to have the I.D. Photo made at this time, you will be given another opportunity during registration August 23 and 24, Monday and Tuesday.

Faculty and Staff members may also have new or additional I.D. Photographs made at these times. Faculty and Staff members pay \$2.00 for each card; however, the cards they now have are non-expiring.

Veterans Benefits Before '66 To End

The end of the ten year period of time to use the GI Bill is approaching for those veteran students who were discharged prior to 1966. This means that benefits will expire for those veterans on May 31, 1976.

Any veteran who falls into this category and who plans to go to summer school should stop by the Office of Academic Affairs and be certified for the first session of summer school. This will allow payment for the remainder of May. Otherwise, the veteran will be paid only for the first 14 days in May.

Veterans who plan to draw full benefits during the summer sessions must enroll for six credit hours, and must be enrolled for at least three hours each session. Veterans who want to draw uninterrupted checks during the spring and summer should notify Mrs. Stump of their intention to attend summer school by April 15, 1976.

Banquet Highlights 'Alumni' Festivities

Alumni Day has been scheduled for Saturday, May 1, according to Mrs. Judy Meads, Alumni Director.

Highlighting the day's activities will be the annual banquet honoring the 1976 Alumnus of the Year Eddie C. Kennedy.

Beginning the festivities will be a baseball game with Fairmont State at 1 p.m. at Rohrbough Field. The Collegiate Art Show will be held on the lawn of Verona Maple Hall.

A new feature, a Spring Sing, will be the attraction at 4 p.m. as five organizations on campus vie for top honors. This concert will be held in the amphitheatre.

A lawn reception for classes of 1926, 1956, and 1966 will be held from 5-6 p.m. on the lawn of the President's home. Following this will be a social time for all alumni.

At 6:30 p.m., the banquet will be held. Also honored at the banquet will be Mrs. Elizabeth Turner who will receive the Alumni Service Award.

Council for Exceptional Children is for you if you are a teacher or if you plan to be one. It is for people who like to serve children.

Council for Exceptional Children (CEC) is now in the process of organizing at Glenville State College. The purpose of the CEC is to serve exceptional children throughout Gilmer County and surrounding counties.

Projects the organization is now considering are: acting as aids at the Region IV Special Olympics which will be held at Braxton County High School; raising money to send two children from Gilmer County to Camp Apache for the summer and acting as chaperones for Gilmer County children who will be attending the Special Olympics at Parkersburg. Whatever the project the CEC will be working with children and helping them. Members of the CEC will also be helping themselves because they will gain much experience by working with these children.

If you would like to know more about the CEC or you would like to join the organization, get in contact with Dave Day, Sharon Moss, or Mrs. Campbell.
