

Alumni Honor GSC Students

The GSC Alumni Awards will be presented Sat., May 1, at the Alumni Banquet which will be held in the Ballroom of the Pioneer Center. The Awards are given on recommendations by faculty members in a given area and are then approved by the Scholarship Committee of the college.

Funds for the awards are provided by alumni, faculty, and friends of GSC and are managed by the Alumni Foundation.

The awards will be presented as follows:

The Charles Whiting Art Award, named in honor of Charles S. Whiting, a 1912 graduate of Glenville Normal School, will go to Deborah Ann Erwin. She is from Glenville, and attended Gilmer County High School. Ms. Erwin graduated Summa Cum Laud from GSC in Dec., 1975, with a major in Art Comprehensive.

She has been accepted to attend Graduate School at W.Va. University to obtain a Masters of Fine Arts Degree. The funds for the award, \$100, are provided by Mr. E. Paul Floyd, Mr. Whiting's nephew.

The Peterson Award in Library Science was named for Mrs. Dorothy Peterson who was Assistant Librarian at GSC at the time of her death in 1962. The \$50 award was received by Mary Louise Farnsworth, of Lynn, W.Va. She graduated from Kenwood High School, in Baltimore, Maryland, and is a senior at GSC majoring in Library Science. The award was provided by a permanent endowment set up by Mr. Dale Shaffer, who was Head Librarian at the time of Mrs. Peterson's death.

Old Grads To Revisit

Saturday's Alumni Day promises to be one of the biggest and best yet, according to Mrs. Judy Meads, Alumni Director. Featured in the day's activities will be the Collegiate Art Show, a baseball game with Fairmont, and a Spring Sing featuring campus organizations.

Christian Fellowship, Lambda Chi Alpha, Delta Zeta, and Sigma Sigma Sigma will enter competition for the "Sing". It will be held at 4 p.m. in the amphitheatre, or if there is rain, in the auditorium. No costumes, no excessive gestures, no more than three numbers and no musical instruments besides the piano are the guidelines set down for the "Sing."

Entr' Act (from the College Choir) will also perform at the "Sing."

Guest of honor will be Dr. Eddie C. Kennedy, professor of Education at West Virginia University and Alumnus of the Year.

Receptions will be held for the classes of 1926, 1956, and 1966. This reception will be held on the lawn of the President's home. In case of rain, the New Cafeteria will be the reception site.

DR. EDDIE CLIFTON KENNEDY

Barnett Receives AB

Not many men can attend both their class's 50-year reunion and their own commencement in the same month. Mr. Fred Barnett, a 1926 graduate of Glenville Normal School, will attend that class's reunion tomorrow preceeding the Alumni Banquet. On May 14, he will be graduated from Glenville State College with a Board of Regents Bachelor of Arts degree.

An attorney by profession, Mr. Barnett is familiar to Glenville, the town, the College, and the alumni. He is the composer of the Glenville State College Alma Mater and has served as president of the Alumni Association. He is a member of a native Glenville family and has two sisters and three brothers. His mother taught at the college at one time and Fred recalls that he spent 13 of his 19 school years in what is now Glenville State College, beginning at the age of five. He refers to his growing up years in J. Wilbur Beall's words as 'Glenville's Golden Years.' His family was launched in the Baptist Church where his mother played piano for all services and his father served as Deacon and Sunday School teacher. The entire family sang in the choir or played piano for the services. His father was County Clerk and the family participated in the community's activities. His sister, Susan, is now a teacher in Charleston and a member of the Alumni Council; brother Truman is a sales manager in Charleston; Charles, a retired professor in Detroit; John, a retired Air Force colonel in Florida; and Marjorie is the wife of John Willard Shreve who is a professor at Miami University, Oxford, Ohio.

An avid lover of music, poetry, golf and travel, Barnett and his wife, Hope, reside at 3 Meadowcrest Drive, Parkersburg. He is retired from his law career as counsel for Pennzoil United, Inc. His daughter, Rebecca, and son, Brooks, reside in New Haven, Conn. He taught four years in Gilmer and Ritchie County Schools; he left the teaching profession to pursue a J.D. degree at West Virginia University where he graduated in 1933.

Fred states that his desire for an

AB from GSC is born of 'emotionalism, not pragmatism--another bond to bind me to my Alma Mater.'

When asked why he wrote the Alma Mater, he replied that he believed the school to be unique so he felt it should have an original Alma Mater (not a copy of something else). He talks with fondness of the days when 'he knew everyone, everyone knew him, the school was small and a fine temple of learning.' He insists the discipline was strict in those days, but the college was the 'center of intellectual and social grace, with almost a family-like atmosphere.' Students had to find their own entertainment even in those days, so Fred organized a dance band in 1922. He and Evelyn (Beall) White combined choreography, music arrangements and presented live entertainment for the area.

Mr. Barnett is a member of the First Baptist Church of Parkersburg, Masonic and Elks Lodges, Parkersburg Country Club, Virginia's Seniors Golf Association, Wood County Bar Association, West Virginia State Bar, American Bar Association, and West Virginia Bar Association. He has served as official representative of the State of West Virginia on the Interstate Oil Compact Commission, and as president of Little Kanawha Re-

Mr. Fred Barnett

Kennedy Receives '76 Alumnus Honor

The Alumnus of the Year for 1976 is Dr. Eddie Clifton Kennedy, a 1947 GSC graduate. This honor is presented each year to the alumnus who has brought recognition both to himself and the College.

Dr. Kennedy has received many state and national awards and honors for his achievements in education; as well as for his pioneering efforts in the field of reading.

In the year 1932, Dr. Kennedy enrolled at GSC, as well as teaching in Gilmer County schools during the period he was attaining his degree. His activities as a student included college orchestra, Glee Club, the International Relations Club, and also reporter and editor of the Mercury for one semester.

The Air Force became his career during World War II and his studies and teaching were temporarily interrupted. While serving, Kennedy received the Belgian Fourragere citation and the Bronze Star Medal citation from the U.S.

Dr. Kennedy was born at Orton in Gilmer County and went to school there. He is the son of the late Howard E. Kennedy and Loretta L. Kennedy.

He married Marguerite Gerwig in 1946, who was a native of Bennett,

Gilmer County, and who attended GSC from 1935-36.

Dr. Kennedy believes that his children are his most outstanding attribute. The Kennedys have four children. Edward Gerwig Kennedy is an attorney in Clarksburg. Helen Kennedy Davies lives in Morgantown and is a teacher. Anita Kennedy Belcastro resides in Glenville and is employed by the Kanawha Union Bank. Anita's husband, Robert Belcastro, is a GSC faculty member. David Lee Kennedy will graduate in the WVU Class of 1976 with a Bachelors Degree with specializations in accounting and business administration.

Alumni of the late 40's and early 50's at GSC know that Dr. Kennedy taught Education classes from 1948 to 1949. He then left to pursue his doctorate. He returned once again to GSC in 1951 to become chairman of the Division of Education and Psychology.

He stayed until 1953 when he assumed a position at WVU as a Professor of Education for 23 years.

This spring Dr. Kennedy plans to retire from the WVU faculty.

During 1965-66 Dr. Kennedy was honored as Outstanding Teacher in Education. This was given him as a result of a student vote. In 1973 Colorado State University chose him as a member of their Hall of Achievement in Reading.

The Academic Therapy Publications selected Dr. Kennedy in 1974 as Outstanding Teacher in Exceptional Education. He received this award due to his work in remedial reading and visual perception problems.

In 1965 and 1966, 2,400 students were enrolled in his courses. He appeared on television in Pittsburgh to do tapes on the area of Developmental Reading.

In 1974 and 1975, he made 87 taped lectures for WVU-TV. Both courses of the tapes, "Developmental Reading" and "Diagnostic and Prescriptive Reading Instruction" could be taken for three hours undergraduate or graduate credit.

Dr. Kennedy was project director and supervisor for the "Brandonville Research Project in Ungraded Elements" (Cont. on Page 6)

E. Turner Is Honored

Mrs. Elizabeth deGruyter Turner is the recipient of the 1976 Alumni Service Award and will be honored tomorrow evening at the Alumni Day Banquet. Mrs. Turner graduated from GSC in 1937 and in 1955 was elected Secretary-Treasurer of the GSC Alumni Association. Since then, she has served continuously as a member of Alumni Association Executive Council. She served as First-vice president from 1971 to 1973; as President from 1973 to 1975; and is currently holding the office of Second-vice president which she will hold until 1977.

Mrs. Turner has given invaluable and devoted service to the Glenville State College Alumni Association. For the twenty-one years that Mrs. Turner has been a member of the Association, she has helped organize and decorate nearly every Alumni Day Banquet and supervised finances for the sale of the Alumni Directory.

Besides working for the Alumni Association, Mrs. Turner has been active with various other organizations, such as the Women's Club of Glenville, Faculty Wives Organization and the Glenville Presbyterian Church where she is organist.

In 1968, Mrs. Turner was honored by the Glenville Public Schools by being made a Life Member of the West Virginia Congress of Parents and Teachers.

She is the wife of Dr. Byron Turner, professor of chemistry and they have one son, John Mark, who is a student at Rochester Institute of Technology in New York.

Mrs. Elizabeth Turner

Help Wanted!

The Mercury needs you -- if you can type, if you want to employ your talents as a writer, if you are a cartoonist, if you are an avid sports fan, if you are a photographer, or if you have an interest in lay-out design.

These are the qualifications for obtaining positions on next year's Mercury staff. You need not be pursuing a career in journalism to seek employment by the campus newspaper. You must, however, be able to sacrifice one night a week for press night (either Tuesday or Wednesday) and have a desire to devote time to either a full- or half-workshop.

There are certain fringe benefits that are provided to staff members such as weekly press night feeds, Xmas Pizza Parties, picnics, celebrations of all birthdays, and our annual trip (this year it was a free meal at The Point of View for staff members and dates). For many, the Mercury office is a home away from home -- it is a place to go to study or to just shoot the breeze.

Working for the Mercury is an enjoyable learning experience (ask John Lilly) and anyone interested in applying for a position on next year's staff should contact Mrs. King, 4 Clark Hall, or Extension 252, by Wednesday, May 5.

GSC Elevators Have Ups and Downs

Dear Editor,

Our women's dorm here at Glenville State College, although modern in every other way, fails in one major area, though I presume is a minor matter to any individual who lives other than in Pickens Hall.

For more months than one cares to count, the elevator in Scott Wing has failed in its attempt to carry residents of its halls to their destinations. Even though it is good for one's physical and perhaps mental health to exert oneself in some form of daily exercise, I am quite sure in saying that dozens of trips from ground floor to sixth floor via stairs goes beyond the point of a healthy experience. Sheer exhaustion and fatigue are the result of such motivation, especially after one has put in a tiring day of classes and work.

Of major interest now, is the fact that the semester is ending soon, and we as residents of Pickens Hall will have to once again play as pack-mules with our belongings. The fact that the elevator in Williams Wing is available for use is of little reassurance to residents of Scott Wing. This elevator, being small, will hold limited luggage and boxes, not to mention the fact that it holds only about seven people. Also, one is forced to walk around two entire floors to use this elevator then back another one to get off. If this is supposed to provide the utmost in convenience for residents of Scott Wing, I have to set a few people straight. Women having a large load will need to make no less than 20 entire trips to and from their rooms to their cars in order to unload their parcels from the dorm. This is 20 round-trips which counted one way is 40 trips. Need I mention, that in this event, males of any relation are not permitted to give a hand. Anyone with normal intelligence would agree in saying: "What kind of hanky-panky can go on in one afternoon of strenuous packing,

GSC Choir: An Evening of American Music

An otherwise dismal Sunday evening was transformed into a warm and exciting experience when the Glenville State College Choir presented its second program of this school year. Under the direction of Dr. Raymond Jones, Assistant Professor of Music, the choir presented an evening of American music, in honor of the nation's bicentennial.

The choir's formal dress probably contributed to the seriousness of intent with which they sang. However, the magical excitement which they created in the audience was primarily the result of the enthusiasm with which each student performed. Too often, musicians feel that a note-perfect performance is ideal. However, the truly enjoyable performance is that in which each performer is involved in heart and mind and soul.

From the opening national anthem to the closing "Battle Hymn of the Republic," a good pace was set that easily held the interest of the audience. Especially beautiful were "It's a Grand Night for Singing" and "Ezekial Saw de Wheel." Only on a few occasions did the tone of the chorus falter and become strained, mostly as a result of both the tension of performance and the heat on stage.

The concert reflected the many hours of rehearsal that went into it. Enthusiasm is insufficient. Dr. Raymond Jones deserves a great deal of credit for the disciplined work which he obviously did with this group in the weeks before

Left to right are the new S.E.A. officers after being formally installed: Mary Davis-Treasurer; Becky Simmons-Secretary; Brenda Smith-Vice-president; Melodie Jones-President; and Dr. Gray, Sponsor.

carrying, and loading with your father or brother?"

To further voice my opinion, I would also like to remind everyone that we women in Scott Wing were literally forced to move to another wing this year so that our rooms could be painted. This, of course, was without the use of an elevator. This event alone retarded Scott Wing in the area of studying and carrying on a normal daily routine, not to mention the detestful attitudes several women developed.

Even so, I have observed the elevator being catered to on several occasions by mechanics, however, we still do not have the use of an elevator, nor does it look like we will have one in the near future for moving day. It seems to me that in all the GSC efforts to improve itself, that this would be a good place to start.

Finally, to those who wonder why minor vandalism occurs in the dorm I will tell them this: Such vandalism as fire-alarms being pulled at late night hours, trash thrown to and fro, refrigerators being ripped off, obscene graffiti found in various places on dorm walls, and any other malicious activity is an indirect protest to such inconvenient and unfair situations as the Scott Wing elevator being out of order for one year. Wasn't it put there for a purpose?

All in all, I know one cannot expect life, especially college life, to be a bed of roses, for even roses have thorns. However, the sweet aroma of just one rose overcomes the prickly thorns just as a reliable elevator in Scott Wing could help overcome many thorns of dorm life.

Karen McKee

S.E.A. News: State Meeting

The local chapter of Student Education Association sent four representatives to the W.V.S.E.A. convention which was held at Jackson's Mill this past week-end, April 23-25. Those attending as delegates were president, Melodie Jones, and vice-president, Brenda Smith. Others attending as alternates were membership chairman, Susan Mouser and publicity chairman, Mona Morton. At the convention, new state officers were elected and membership was a main topic of discussion.

Tuesday, April 27, S.E.A. held its monthly meeting. The new officers were installed being Melodie Jones, president; Brenda Smith, vice-president; Becky Simmons, secretary; Mary Davis, treasurer. Mr. Ron Welty, superintendent of Gilmer County Schools, spoke to the group on the qualities administrators look for when they interview prospective teachers.

SIGMA SIGMA SIGMA

Delta Alpha chapter of Tri Sigma held its regular meeting Monday evening in Clark Hall. Plans are being made for Senior Send-On (May 9) and summer retreat. Last week was a busy one for the girls, with Founder's Day Banquet on April 20 and initiation of new members on April 22. The chapter welcomes these new sisters heartily.

Several awards were announced at the Founder's Day Banquet. The chapter selected Sherry Helvy as Delta Alpha of the Year. Pam Lipscomb won the chapter's nomination for Mabel Lee Walton Leadership Award. Sherry Helvy was nominated for this award by the alumnae chapter. The alumnae chapter also named Outstanding Seniors as being Becky Watson, Jeannie White, and Bev Knotts and Outstanding Juniors as Becky Cummings and Kathy Riddle. The chapter named Lyn Bartges as Model Pledge Award winner and Debby Nichols as winner of the Best Scrapbook Award.

Congratulations are in order for sister Sandy Betler who was named Theta Xi Sweetheart by the fraternity.

TAU KAPPA EPSILON

The Iota Omega Chapter of Tau Kappa Epsilon held its regular meeting Sunday night, April 25, 1976.

The fraters had a fabulous time at the 'TKE Closed Ball' this past week-end held in the Uptowner Inn in Parkersburg, and wish to thank the social committee for a job well done. The fraters were also proud to announce 17 alumni were present.

Mr. John Talbott, regional director presented the fraters with a plaque from St. Jude's Children's Research Hospital.

Plans are now being discussed for summer retreat, and the pledges are now in their final week.

Spring Banquet Is Held

The Kappa Omicron chapter of Kappa Delta Pi held its annual Spring Banquet on Wednesday, April 21, at 6 p.m. in the ballroom.

The highlight of the evening was the initiation ceremony for 21 new members. The new initiates are: Paul-ette Anderson, Brenda Smith, Mary Ann Radabaugh, Frances Swope, Cheryl Swope, Charlotte Eary, Janet Cunningham, Anita Poling, Bessie Yoak, Amanda Lemly, Lois Hamilton, Luann Jones, Jeanette Owens, Beth Steidl, John Gumm, Janet Griffin, Nancy Rhodes, Debbie Nettles, and Sharon Moss. The chapter would like to congratulate all these new members.

The guest speaker was Dr. D. Banks Wilburn, who spoke on the four ideals of Kappa Delta Pi.

Another highlight was the presentation of three Compatriot Awards in Education by Dr. Gary Adkins to the recipients, Dr. D. Banks Wilburn, Dr. Woodrow Morris, and Dr. Larry Nuzum. These awards were presented by Kappa Delta Pi for the outstanding work in education done by these three dedicated men.

The College will have several short-term employment vacancies during the period of May 17-June 30. These positions are available to students who qualify for Work-Study only and are for a 40 hour work week at \$2.20 per hour.

Students going to Summer School could work full-time from May 17 to June 11 and part-time after school opens. Students not going to Summer School may work full-time from

Dr. Joe Darnall, Mr. Tim Butcher, and Ms. Vickie Mc Cracken are shown leaving for last weekend's National Symposium in Washington, D.C.

GSC Group Tours D.C. Area; Capitol

On April 23-25, 1976, Vickie McCracken, Tim Butcher, and Dr. Joe Darnall of Glenville State College attended the Seventh Annual National Student Symposium, sponsored by the Center for the Study of the Presidency. The Symposium was held at the Sheraton National Hotel in Arlington, Virginia.

Participation was limited to outstanding undergraduate and graduate student representatives from 400 colleges and universities from throughout the United States. A guest observer from each college faculty or administration was also permitted to attend.

The purpose of the meeting was to provide an opportunity for students and faculty from over the U.S. to come together to discuss issues and problems related to the Presidency.

Students and faculty observers heard government officials and academicians speak on matters related to the Presidency. Participants then broke into discussion groups and had an opportunity to ask questions of the officials and make comments of their own.

Among the national leaders who participated were: U.S. Senators Bill Brock and Jennings Randolph; Secretary of Commerce, Elliot L. Richardson; Chairman of the National Center for Voluntary Action, George Romney; Secretary of HEW, F. David Matthews; Chairman of the Joint

Dr. Espy Miller, chairman of the Division of Language and professor of English is shown here with President Wilburn as he receives a certificate of merit at Friday's dinner honoring him and other retirees.

GSC Committee Studies Title IX

Is there sex discrimination on the Glenville State College campus? A committee consisting of Dean Simmons, Dr. Billips, Dr. Dollgener, Mr. Samples, Mr. Adkins, Mrs. Wright, Mr. Hickman, Mr. Kinder, Mr. Campbell, and Mr. Perkins have been appointed to make an initial survey of the access, participation, and involvement of women and men in educational programs, activities, and employment.

This survey is being done because the Title IX of the Education Amendments of 1972 requires that each institution of higher education complete a self-evaluation within one year of the effective date of the act, July 21, 1975. Failure to complete the self-evaluation can lead to complete withdrawal of all federal financial assistance, including student financial aid.

Regulations Outlined...

This regulation stipulates that each institution, prior to July 21, 1976, must: (a) Evaluate in terms of sex discrimination its current policies and practices concerning admission of students, treatment of students, and employment; (b) Modify any policies or practices which do not meet the requirements of the Title IX Regulations; and (c) Take whatever remedial actions necessary to eliminate the effects of past sex discrimination.

The Title IX Self-Evaluation committee will be studying different areas and must submit a complete report to the Title IX Coordinator, Robert K. Gainer, who will notify the campus community of the availability of each area report for comment, during the term of September 1-15, 1976. The areas to be studied are as follows:

Admissions-Mr. Samples, assisted by Mrs. Mills; Educational Programs and Activities-Dr. Billips; Programs not operated by Institution (e.g. student teaching)-Dr. Adkins; Housing-Mrs. Wright; Comparable facilities over the campus-Mr. Campbell; Assessing course offerings-Dr. Simmons; Counseling-Mr. Kinder; Financial Assistance (Loan and Scholarship Committee)-Mr. Perkins; Employment assistance to students-Mr. Hickman; Health Insurance-Dr. Billips; Marital or Parental Status-Mr. Gainer; Athletics-Dr. Dollgener.

Procedures Outlined...

The following procedure and time proposals were presented and accepted by those attending a meeting held April 22, 1976: A) An initial survey and written evaluation report is to be completed and forwarded to Robert Gainer no later than July 15, 1976; B) The written evaluation report is to follow the format of "suggested procedures contained in the publication, Institutional Self-Evaluation: The Title IX Requirement; C) Copies of all printed materials that are reviewed during the survey are to be submitted with the report as the survey are to be submitted with the report as supporting data; and D) A separate document entitled "Proposed Remedial Action" is to be prepared and submitted with each evaluation report where instances of discrimination are found.

Also, the collective evaluation reports are to be placed and opened for public (on-campus) comment and inspection during the period of September 1-15, 1976. The final report should be completed by late fall.

DON'T MISS the drama department's spring production of *The Dragon of Nitt* to be staged Tuesday and Wednesday of next week.

Crewmen Selected

Spring—time for all things to burst forth with vigor and color! Such is the case as the GSC speech department prepares its spring children's production, *The Dragon of Nitt*.

Ms. Jeanne Kobuszewski, instructor in speech, drama and stage director of the play, has released the names of the heads of crews for the production.

Ms. Kobuszewski will complete her ninth directing assignment at GSC with *The Dragon of Nitt*.

Following her undergraduate work at Marymount of Kansas, Ms. K. entered Central Michigan University and was graduated with a Masters degree in Speech and Theatre. She has also obtained hours toward her Doctors degree in the field of Children's theatre from the University of London.

Construction of the set will be co-headed by Ms. Joanna Icenhower and Mr. Billy Hutchinson.

Ms. Icenhower has worked extensively in all areas of theatre. She is presently president of Ohnimgohow Players and Cast Director of Alpha Psi Omega. She received the 1974-1975 Opie awards in lighting, sound, costumes and set as well as being voted 1974-75 Best Ohnimgohow.

A junior Speech/Theatre major, Ms. Icenhower is the daughter of Mr. and Mrs. Charles Icenhower of Ravenswood.

Ms. Icenhower will also hear the lighting crews for this production.

Mr. Hutchinson is a sophomore physical education comprehensive major who hails from Elizabeth and is the son of Mr. and Mrs. Chester Hutchinson.

Mr. Hutchinson portrayed Slim in *Of Mice and Men* as well as working extensively on the set of that production.

He is currently serving as vice-president of Christian Fellowship and is a member of the GSC track team.

Lighting Technicians for the play will be Ms. Amanda Lemley and Mr. Rex Combs.

Ms. Lemley has worked on all aspects of technical theatre during the productions of *Never Too Late* and *Of Mice and Men*. She is a junior elementary major and makes her home in Vienna.

She is the daughter of Mr. and Mrs. Rolan Lemley.

Ms. Lemley is a member of Sigma Sigma Sigma Sorority, Alpha Psi Omega and Kappa Delta Pi. She is also an active member of Ohnimgohow players.

Mr. Rex Coombs, a voice major, hails from Sutton. He is the son of Mr. and Mrs. Odis Coombs.

Mr. Coombs portrayed Judas in *Jesus Christ Superstar* as well as working technically on the production.

Set Decoration will be headed by Ms. Belita Jones. Ms. Jones is an art major, and makes her home in Cox's Mill and is the daughter of Mrs. Anne Jones. Ms. Jones designed and painted the scenic set design for *Of Mice and Men*.

Sound will be co-headed by Ms. Peggy Collins and Ms. Ruth Meadows. Ms. Collins will portray the role of Ovid, the Saint Bernard in this production. She has to her credit numerous...

(Cont. on Page 6)

Dr. Byron Turner, professor of Chemistry, is pictured above as he receives a certificate from Dr. Wilburn at the Retirement Dinner last week.

House of Delegates member Billy B. Burke presents a certificate to Dr. Wilburn in appreciation of the College's cooperation and service through its blood donors to the Blood Bank.

Meads Is FAO Pres.

The Faculty Administrative Organization announces their new officers for the coming year. They are: President-Mr. James Meads; Vice-president-Mr. Buford Young; Secretary-Mrs. Virginia Hays; Treasurer-Mr. Bernard McKown; and Members-at-large-Mr. Robert Belcastro, Miss Mary Ellen Kennedy, Mr. Nicholas Murin, and Mr. Donald Phillips.

Mr. Meads is acting Chairman of the Division of Foundation Studies and is an instructor in Science Foundations who came to GSC in 1972. He received his M.S. from Marshall in 1972.

Mr. Young is Assistant Professor of Social Work and came to GSC in 1973. He received his M.S.W. from WVU in 1971.

Mrs. Hays is Assistant Professor of Business Administration and became a member of the faculty in 1969. She received her M.A. from Marshall in 1969.

Mr. McKown is Associate Professor of Mathematics and Science and in 1963 began teaching at GSC. He received his M.A. in 1960 from WVU.

Mr. Belcastro is an Instructor in Foundations Reading who came to GSC in 1974 after receiving his M.A.

Barnett

(Cont. from Page 1)

fional Council. In 1974, he served Glenville State College as Parade Marshall for Homecoming and in 1974 he delivered a tribute to Mrs. Bessie Boyd Bell Scott at the Pickens Hall Dedication. He is a member of the Advisory Board of GSC and will deliver greetings from the Board during Commencement exercises this spring.

Mr. Barnett was chosen Alumni of the year in 1960.

It is a unique distinction that marks Mr. Fred Barnett's love for Glenville and a more loyal alumnus cannot be found than the gentleman who will play his own composition on the piano tomorrow evening as banquet attendees sing the lovely words he penned on a train trip early in 1937. The trip 'back home' is more dear now since Fred has spent the winter recuperating from an automobile accident suffered on his return trip from the Pioneers' last home football game, and you can bet the alumni reunion will be complete when this 'old prospective grad' returns to his beloved Alma Mater.

from WVU.

Miss Kennedy is Assistant Librarian and Instructor in Library Science who has been at GSC since 1971. She received her M.L.S. in 1970 from the University of Pittsburgh.

Mr. Murin is Associate Professor of Social Science who has been at GSC since 1954 and received his M.S. in 1949 from WVU.

Mr. Phillips is Director of Learning Material Center and Assistant Professor of Education who started at GSC in 1968. He received his M.S. in 1961 from the State University of New York at Albany,

The brothers of Beta Beta Zeta are getting ready for spring softball tournaments. We will field two teams and have been practicing almost every night.

Last Saturday saw some of the brothers entered in the annual WV Tech Oil Drum Regatta. Those riding the raft were Randy Johnson, Scott 'Big Wood' Barkwill, John Malcomb, Rex Mitchell and David Jaffre.

The brothers will sing in the Spring Sing held May 1. We will be assisted by the Ladies of the White Rose.

The brothers made special note of two brothers who aided in winning the NAIA Bowling Championship. They are Tom 'Dingle' Newberry and Sam Ferrell.

We would like to congratulate Mark Elder for winning the GSC one-on-one basketball tournament.

The Brothers of Theta Xi celebrated their annual Closed Ball this past weekend in Charleston. The event has been termed a great success. The active brothers would like to thank the alumni for their presence and help. At the annual fest, George Bivens was named recipient of the Pat Wiant Memorial Award as well as being named 1976 Outstanding Senior.

On the Greek scene, the Kappa Eta chapter of Theta Xi is "throwing down the gauntlet" to all organizations in the form of a challenge in any event during Greek Games this weekend.

Rusty Pauley was unanimously elected to be the first recipient of the S.C.O.R.C.H. Award. Pauley is a sophomore social probation major from Big Chimney. He also serves as fraternity vice-president.

Metric Ed. Course Offered

If you are "petrified of becoming metrified", Glenville State College will be offering a solution to your problem this summer.

The Division of Education is offering a new course for elementary education students, entitled "The Laboratory Approach to Mathematical Problem Solving." This course will stress the use of concrete manipulative materials in teaching mathematics from Kindergarten through eighth grade. The particular emphasis will be on introducing the metric system by involving students in actual measuring equipment. No previous knowledge of the Metric System is necessary. Dr. D. Banks Wilburn secured funding for the program partially from federal funds and partially from state funds, in order to offer students an opportunity to work with a wide variety of high quality professional equipment suited to all grade levels.

Although the course will be conducted as a laboratory course, similar to a chemistry or physics laboratory, the principal objective will be to improve the basic computational skills and problem solving abilities of children. Instruction will begin with the use of manipulatives, then progress through the talking and listening stage, the picture or semi-abstract stage, and end with the abstract

stage. At this point children can manipulate numbers and symbols in the "Old Math" tradition of learning their addition and subtraction combinations, and the times tables. The advantage of this approach is that children begin to understand the "how" and "why" of arithmetic, and are not so fearful and hostile toward solving word problems.

Although commercial materials will be used in the course, students will be given opportunities to construct some of their own manipulatives. They will also have catalogs, professional magazines, posters, and pamphlets available for their use.

The number of the course is Education 399-01, and will be offered for three semester hours credit from June 14 through July 14, from 10:00 to 11:50 in Room 101 of Clark Hall.

The instructor of the course will be Dr. Theresa Gray, who designed and supervised Mathematics Laboratories in Ohio for several years. She is planning an Open House before the end of the semester, to give a preview of the materials which will be available. For further information, you may consult Dr. Gray, or Division of Education Chairman, Dr. Gary Adkins.

A two hour Movie Marathon will be shown Monday, May 10 at 8 p.m. in the Snack Bar of Pioneer Center.

The film, sponsored by the library as a tension reliever during final exams, will feature Charlie Chaplin, W. C. Fields, the Marx Brothers, Roadrunner, and Laurel and Hardy.

Admission is free.

Food Service Class Visits Restaurants

Students enrolled in the food service management, a two year associate degree program at Glenville, have visited several restaurant facilities recently. On Thursday, April 22, the group visited Sedans on the Mall in Parkersburg. Mr. Thomas Watts, owner and manager provided a work-demonstration of the restaurant operation in all aspects of preparation needed for banquet service, wine and bartending services, scheduling of personnel and their responsibilities, ordering, purchasing and inventoring needs of such an establishment.

Several demonstrations were presented on the use and care of various types of equipment. Students were given the opportunity to observe ordering techniques, preparation and service of these orders and general dining care.

They also visited the Red Dragon Restaurant, Long John Silvers, and Shoneys in Parkersburg for a guided tour conducted by the managers of the establishments.

On Wednesday, the Greenbrier Hotel of White Sulphur Springs was visited. Ms. Becky Fisher, social director, provided a tour of both the hotel accommodations and the kitchen and dining facilities. Students had an opportunity to discuss with the chefs and maitre de of the Greenbrier.

The final trip to the Holiday Inn in Morgantown was under direction of Regional Director, Mr. Oran 'peanut' Smith, of W.H.O. operations along with Mr. Dick Baumgardner, executive chef of the Morgantown Holiday Inn will present a demonstration on meat cutting and also one on original ice carvings. The food service management students will have an opportunity to take chisel in hand and try an ice carving for themselves. In addition a tour of the food service facility will be conducted.

Housing Available

The College will have the following housing facilities available for married students for the Summer and Fall Terms: 6 one-bedroom furnished apartments located in Pickens Hall - Rent \$140.00 per month with utilities paid.

2 or 3 two-bedroom furnished mobile homes located at College Park - Rent \$90.00 per month plus all utilities.

Reservations should be made now for both summer and fall terms. Not all of the above listed facilities will be available for the fall term.

For information and/or leasing contact the Office of Administrative Services, old lounge area of Louis Bennett Hall.

TKE's Efforts for Children Lauded

St. Jude's Childrens Research Hospital was founded in Memphis, Tennessee in 1962 by frater Danny Thomas.

The story of Danny Thomas and the founding of St. Jude seems like a fairy tale to many.

Danny Thomas was young and looking for his career in show business with little luck. He was standing at the statue of St. Jude where he gave the last bit of money he had and prayed to the St. Jude for guidance in life. He promised St. Jude that if he succeeded he would worship him by building a statue in his honor. Danny's future and success started to roll when he got a chance to perform in a night club in Chicago.

After consulting a few close friends Danny decided to honor St. Jude with more than just a statue, something that would be lasting and worthwhile to the lives of children.

The St. Jude's Childrens Hospital opened in 1962 with 45,000 children all over the world being treated for

catastrophic childhood diseases.

St. Jude operates on donations from charitable organizations. Their are no charges to the child or parents, being treated by the hospital. Even hotel accommodations are set up for the parents, so they may be close to their children.

This story and history of St. Jude was told to the fraters by John Talbott, Regional Director of St. Jude, at the TKE Closed Ball Banquet, April 24, 1976.

Mr. Talbott presented a plaque and a letter of appreciation from St. Jude and Danny Thomas to the fraters for their efforts.

The fraters left from Glenville on April 8, at 9:30 and pulled 107 miles to Charleston arriving in the early hours of the morning of April 10.

The proceeds this year were close to \$600. The bathtub pull is now an annual event for the Iota Omega chapter of Tau Kappa Epsilon, so when you see us pulling a 200 lb. porcelain bathtub next year, donate. Help save a child's life.

Terry Crislip, one of the Pioneers' golfing standouts, recently broke a course record at Oxbow Golf Course during the Central Regionals. Crislip shot a blistering 31 on the back nine to set the new mark.

On The Bench

The GSC spring sports are winding down their seasons so the players can prepare for their final exams. But before they crack open their books, the Pioneer golf and bowling teams will compete in very important tournaments this coming week to see if their seasons will be extended a while longer.

The Glenville keglers will travel out to Oklahoma City the first of next week to compete in the prestigious National Collegiate Bowling Spectacular which will start on May 5. It is the first time in the history of this school that the bowling team has competed in such a tournament.

The Pioneer linksters will travel to Cacapon State Park on Tuesday to defend their 1975 Conference Title. The two day State Tournament will be the hottest competitive tourney in recent years. Five teams are capable of winning the event, Glenville, WV Wesleyan, West Liberty, Concord, and Shepherd. And who ever does come out on top will represent the WVIAC in the NAIA finals held in Burlington, NC.

The GSC golfers have their work cut out for them next week. But a win is not out of the question.

MORE GOLF NEWS

While on the subject of the GSC golf team, the linksters support a fine 38-6 record going into the state tourney.

Within a week and a half the Pioneer golfers have experienced weather which has ranged from temperatures in 90's to temperatures in the 30's with a chill factor sometimes in the teens.

Just like the blistering hot temperatures last week, junior Terry Crislip blistered an amazing score of 68 on the tough Oxbow Golf Course during the Central Regional. Crislip shot a 31 on the back nine to set a course record.

But the temperatures dipped into the 30's earlier this week when the

Linksters Nipped

The Glenville Pioneer golfers faltered last Tuesday when the West Liberty Hilltoppers came from eight strokes behind to win the Northern Regional at the tough Speidel Golf Course in Wheeling.

With snow falling and temperatures dipping into the 30's, the GSC golfers let the title slip away. The Hilltoppers made up all eight strokes on the final nine holds of the 36 hold tournament.

Hobie Bauer of West Liberty was medalist with a two day score of 78-78-156.

Terry Crislip, Jim Scott and Rick Simmons all made the All-Tournament team for Glenville. Crislip fired a 80-83-163, Scott went 77-88-165, and Simmons came in with 83-83-166. Other Pioneers' scores were Jim Brady, 93-88-181 and John Lilly, 94-92-186.

Only three scores were registered in the 70's in two days of play while over twenty rounds were shot in the 100's.

The GSC linksters finish out their season next week on May 4-5-6 when they defend their Conference Title in the WVIAC State Tournament at Cacapon State Park.

Pioneers Split, Improve Mark

The Glenville Pioneer baseballers broke out of a horrible slump last Saturday afternoon as they split a doubleheader with the Davis and Elkins Senators. The G-Men lost the first contest 6-5 but bounced back to roll over the Senators 10-0 in the nightcap.

D&E, in the first game, jumped on losing pitcher Roy Alltop scoring four runs in the first three innings. The Senators scored again in the sixth and seventh innings. Glenville tallied three runs in the fifth and two more in the bottom of the seventh, but it just wasn't enough.

Buddy Jarrell slammed a triple and Scott Anderson pounded out a double to be the big sticks for the G-Men.

In the second contest senior pitcher Rick Vass tossed the first shutout for the Pioneers this season. Vass struck out one while not allowing a walk. Vass also allowed only seven hits in the 10-0 shutout.

Glenville scored runs in each of the first five innings, pushing across three in the first, one in the second, one in the third, two in the fourth, and three more in the fifth.

Roy Alltop led the Pioneers in their offensive attack smacking a double and a triple.

With this win, the G-Men improved their record to 2-12 in the conference and 2-22 overall.

Bob Hays, the newly elected Pioneer, is armed and ready to go for next season.

Pioneer Linksters Win WV Regional Tourney

The Glenville Pioneer golf team, led by the excellent play of junior Terry Crislip, won the WVIAC Central Regional last week at Oxbow Golf and Country Club in Belpre, Ohio. The Pioneers edged the WV Wesleyan Bobcats by six strokes to take the two day tournament.

Crislip shocked the field with a blistering first day score of 68. He set a course record of 31 on the back nine of the challenging Oxbow course.

Crislip came back the second day to shoot a four over par 75 to take medalist honors for the tournament.

Glenville's Jimmy Scott finished third individually with two day scores

of 75-76-151. Other Pioneer scores were Rick Simmons' 81-78-159, Jim Brady's 84-84-168, and John Lilly's 83-90-173.

Concord College, who earlier won the Southern Regional, placed third with a two day total of 635, nine strokes behind second place Wesleyan. West Liberty finished fourth at 638. W.L. was followed by Davis and Elkins (652), Morris Harvey (668), Alderson-Broadbudds (669), Salem (693), Fairmont (707), WV Tech (770) and WV State (DQ).

The Pioneers improved their record to 30-5.

Golfers Win Elkins Match

The Glenville State College golf team won a triangular match last Saturday afternoon in Elkins, beating both WV Wesleyan and host team Davis and Elkins.

The Pioneers had a four man team total of 306, while Wesleyan came in with a 312 total and D&E holed out with a 328 total.

Glenville's junior Jimmy Scott

took the medalist honors with a three over par 75.

Three other GSC linksters scored in the 70's on the tight Elks Country Club Course.. Rick Simmons shot a 76, followed by Terry Crislip's 77, and Jim Brady's 78.

The Pioneer linksters' record now stands at 32-5.

Pioneers Still Held In Season Slump

The Glenville Pioneer baseball team ended up on the short end of the stick last Thursday afternoon when the WV Wesleyan Bobcats swept a doubleheader. Wesleyan took the G-Men by the scores of 9-7 and 15-5.

In the first contest the Pioneers jumped out to an early 5-1 lead in the first inning. But Wesleyan bounced right back in the top of the second to score six runs which put them ahead for good.

Ralph Smith lost his seventh game for the Pioneers against no wins. Smith struck out three and walked six in his appearance. Rick Vass relieved Smith striking out one and walking one.

The Pioneers' Chris Anderson was the big stick in the game belting

a solo homer in the first inning with two on. Terry Baker also added to the Pioneer offensive attack collecting two hits.

In the second contest the Pioneers pounded out nine hits and five runs but it just wasn't enough, as the Bobcats scored 15 runs which secured the victory.

Freshman pitcher, Dave Gibson started for the G-Men but was relieved by Vass and Tom Mathias.

Dale Stover was the top stick for the G-Men going two for three which included a triple. Randy Buchanan smacked a double and Tim Shepherd drove in two runs to add to the Pioneers' offensive attack.

The Pioneers' record dropped to 1-21 overall and 1-12 in the conference.

Crew Selected -Cont. from page 3-Student Awards

(cont. from page one)

ous active accomplishments. Most recent was her moving portrayal of Medea in the Miss GSC Pageant.

Ms. Collins is a Dean's List student, vice-president of Kappa Delta Pi, Business Manager of Alpha Psi Omega, and Pledge Master of Ohningohow Players. She also reigns as the current Miss GSC.

An elementary major, Ms. Collins hails from Moorefield, and is the daughter of Mr. and Mrs. Roscoe Collins.

Ms. Meadows is a sophomore elementary major. She makes her home in Gassaway, and is the daughter of Mr. and Mrs. R. McKenlie.

She currently serves as treasurer of Ohningohow Players and is a member of Christian Fellowship. Ms. Meadows has worked on lighting, publicity and costumes and skillfully portrayed Curley's wife in Of Mice and Men.

Make-Up will be under the direction of Ms. Amanda Lemly and Ms. Judy Ditlow.

Ms. Ditlow has worked in every technical field of theatre at GSC. She received the 1972 and 1974 awards in make-up, as well as the 1973 costume award. She is a member of Who's Who in American Colleges and Universities and has received numerous honors through her extensive work on the GSC Forensics Team.

Ms. Ditlow is a past president of

Ohningohow Players and past Stage Manager of Alpha Psi Omega. Ms. Ditlow is a senior at Glenville with a major in elementary education, and is the daughter of Mr. and Mrs. John Ditlow, Jr., of Harrisville.

Co-Heading Costumes will be Ms. Brenda Means and Ms. Sue Bame.

Ms. Means is a Home Economics major and makes her home in Vadis. She is a member of Delta Zeta Sorority where she is the Collegiate Education Chairman. She is also a member of the Home Economics sorority.

Brenda is the daughter of Mr. and Mrs. Williams Means.

Ms. Bame has previously worked on sound for Of Mice and Men before becoming co-head of costumes for The Dragon Of Nitt. She is an English major.

Ms. Bame is an active member of Ohningohow Players, radio secretary at WGSC, and a member of the GSC Literary Society. She is a daughter of Mr. and Mrs. Clarence Bame of Forest, Ohio.

Heading the Publicity crew will be Ms. Joanna Icenhower and Ms. Kyle McCartney.

Ms. McCartney has worked on numerous technical aspects of theatre as well as acting. She is a Dean's List student and an active member of Ohningohow Players of which she is currently vice-president.

Taking care of Props for the production will be Mr. Paul Harkins and Ms. Mary Morton.

Ms. Morton is a Physical Education and Speech major. She has worked on all aspects of theatre including her role as "Roo" in Winnie the Pooh.

Ms. Morton is currently serving as secretary-treasurer of the Majors Club and secretary of Ohningohow Players. She is a member of Christian Fellowship and Alpha Psi Omega.

Mary makes her home in Cairo, and is the daughter of Mr. and Mrs. James Morton.

Mr. Harkins is an active member of Ohningohow Players, will also assemble props. Mr. Harkins is a food service major, has worked on the production Of Mice and Men and makes his home in Glenville, where he resides with his parents, Mr. and Mrs. Wayne Harkins.

House Management will be under the direction of Ms. Pam Stout and Mr. Robert Hays.

Ms. Stout is a senior elementary education major and is a member of Kappa Delta Pi and Student Education Association. Ms. Stout makes her home in New Jersey.

Mr. Hays, a marketing major, is the son of Mr. and Mrs. Roy Hays of Cincinnati, Ohio.

He has portrayed "Charlie" in Never Too Late, "Lennie" in Of Mice and Men and Co-headed props in that production. Mr. Hays serves as president of Theta Xi Fraternity and is a member of Alpha Psi Omega.

Curtain time will be at 10:30 a.m., 1:30 p.m., and 8:00 p.m. on May 4 and 5, and 10:30 a.m. and 1:30 p.m. on May 6.

Admission is \$0.50 for GSC students and \$1.00 for faculty and staff. General admission is \$2.00 for adults and \$0.75 for children. Tickets are now on sale in the campus Information Center.

The Christena Lockhart Somerville Award was given in memory of Dr. Somerville's mother. Dr. Somerville was the Dean of the College for many years until his retirement in 1971. This year, Ms. Peggy Collins is recipient of the award. Ms. Collins is a graduate of Moorefield High School. She is a junior elementary education major and is currently reigning as Miss

GSC. Funds for the \$150 award were provided by Dr. and Mrs. D. K. Somerville for the area of education.

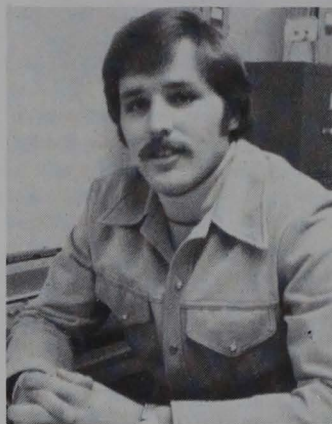

The Frank L. Toth award is presented to the outstanding student in the area of science and mathematics. Mr. Toth was Associate Professor of Physics at the time of his death in 1970. Miss Kathy Rogers will be receiving this award. She is a senior Biology major with an A.B. in Education. Miss Rogers graduated from South Harrison High School. Funds for the Frank L. Toth award are provided by alumni, faculty, and the Alumni Foundation.

The Ratliff Award was named for Carlos Ratliff, teacher and coach at GSC from 1946-1962. It will be given to Mr. Jerome Fruit for his outstanding contribution of the sport of football at GSC. Mr. Fruit has been captain of the football team for the past two years. He was chosen WVIAC All-Conference in 1975. He holds the Glenville State College record for the most pass interceptions in a season and for a four year career. He is a senior physical education major from Scarbro, W.Va. The \$50 is provided by alumni of the college.

The Wilburn Award was provided by President D. Banks Wilburn for physical education. Mrs. Debbie Blankenship Nettles receives the \$150 award for her outstanding contribution to women's athletics and physical education at GSC. She has lettered two years in Women's Basketball and has been active in Women's Intramurals and the Majors Club. She is a senior physical education major from Richwood, W.Va.

Sam Ferrell will also receive the Wilburn Award of \$150 for his contribution to the sport of Bowling. He is a four year letterman in bowling, selected All-Conference, 1975, and received the A.O. Duer Award, 1976, as the outstanding bowler in NAIA.

He has been accepted at WVU for the Fall of 1976 as is the recipient of an outstanding Graduate Assistantship. He is a senior physical education major from Point Pleasant, W.Va.

Daniel J. Perkins

Daniel J. Perkins Named To Post

Mr. Daniel J. Perkins will assume the official position of Financial Aid Officer of Glenville State College as of July 1, 1976.

Mr. Perkins' wife, Judy, works as secretary to Mr. Robert K. Gainer, Director of Administrative Services (and both are expecting their first child this June).

Mr. Perkins was first employed on June 15, 1973 as the Student Loan Clerk. He holds an A. B. degree with a major in accounting from Glenville State College, which was received in 1973.

Mr. Perkins is an avid tennis and basketball enthusiast.

He enjoys working at Glenville State College because of the friendly, informal atmosphere that exists on campus among faculty, staff, and students.

Weightlifting

Gary Marks, sophomore, finished 3rd in the Huntington Open Weightlifting Meet with a 3 lift total of 1,070 pounds. Gary also won the Class 4 lifters award. He was fourth in WVA State Championship.

the last half of the 1950's. . . Governor Underwood and his staff would like to hear from you.

As that same GAZETTE column concludes, Cecil Underwood is ". . . a thoroughly decent and able man who has the background and the stature to give the people of West Virginia a clear choice."

If you are interested in the Underwood Campaign or if you have spare time to help in this effort, please send your name and address (both college and home address, please) to: Ronald Gregory, 110 East Main Street, Glenville, West Virginia 26351.

It makes no difference what county or area of West Virginia you come from, Governor Underwood needs your help in this campaign and he is waiting to hear from you.

Former Governor Cecil H. Underwood is vitally interested in recruiting young people for his 1976 Gubernatorial campaign.

Having been West Virginia's youngest Governor when he assumed office in 1957, Governor Underwood realizes the assets and capabilities of the young people of West Virginia. He is, therefore, extremely hopeful of being able to bring a significant number of young people into his 1976 campaign.

If you are concerned about the future of West Virginia, if you want to see the Interstate system that Governor Underwood inaugurated continue to build, if you want to see an upgrading of secondary and rural roads. . . If you believe, as does Charleston GAZETTE Editor Harry Hoffman, that ". . . there is every reason to believe he would be a better governor in the last half of the 1970's than he was in
