The Glenville Mercury

Glenville State College, Glenville, W. Va

Number 8

Randall's '6 Rms Riv Vu' **Showing On GSC Stage**

Greet Homecoming with a smile! premiered yesterday and will conning time - 1 hr. 45 min.).

Traditions Preserved

Homecoming - a return of a group of people to a place formerly frequented or regarded as home; an occasion for or celebration of such a return.

Every year, campuses all over the country, whether high school or college, have just such a celebration to welcome back people who once roamed the halls and hills of Glenville State College

It is only fitting to have some person to reign over all of the festivities of the œlebration. GSC along with countless other institutions of learning crowns a queen to preside over the action and excitement of Homecoming.

Here are listed ten past queens of GSC Homecomings. In 1966 Sandra Salyers took the crown. She hails from Wood County. The 1967 queen from Belle Vernon, Pa. was Patricia Guzzi. Gloria Jean Halbert of Parkers burg was the 1968 queen. In '69 Brenda Kay Sinnet of Harrisville took the crown.

Julia Ruth Murin, 1970 queen, vas of Glenville. Brenda Dillon, of Richwood was 1971 queen and Judith Elaine Bias of Hewettt reigned in 1972. in '73 Barbara Shomo took the crown and was followed in 1974 by Susan Chapman of Weston.

Last year, Becky Watson of Elizabeth was crowned Homecoming queen. In 1976 Miss Shelly Adolfson has been chosen queen.

The script is handsomely adapted Attend Glenville: State College's warm, by eight GSC students and numerous sensitive comedy hit 6 Rms Riv Vu. talented technical persons. Characters The play, written by Bob Randall, range from an expectant mother and a zany old maintenance man who has tinue tonight and tomorrow at 8:00, a marvelous sense of humor, to a p.m. in the GSC auditorium. (Run- mother of two who has a short-lived but hilarious affair with a father of one. In between unexpected events during a picnic on the floor of an empty 6-room rent controlled apartment. Anne and Paul come to grips with their own sense of right and wrong, love and trust, when they decide to have an "affair."

Assisting Ms. Kobuszewski in stage direction is GSC instructor of social work, Greg Schneider. Mr. Schneider has had numerous theatre experiences prior to 6 Rms Viv Uv, including the West Virginia University Theatre Group. He plans to do his Ph.D. in Theatre Education

Ms. Kobuszewski agrees it is a very warm, amusing script but audience persons are summoned to re-evaluate their own thoughts concerning the morality of the situation and that way it's quite thought provoking. You won't go away the same person

Do yourself a pleasant favor, get another taste of the arts, support the GSC theatre, 6 Rms Riv Vu. General admission is \$2.00 for aulty \$1.00 and GSC students 50 cents with I.D.

LITERARY SOCIETY **MEETING SET OCT. 21**

The Literary Society will meet Thursday, Oct. 21, at 7:30 p.m. in the Ballroom of the Pioneer Center. The book considered this month is Erica Jong's Fear of Flying.

A lively discussion is anticipated by Mr. Wayne de Rosset, advisor of Sigma Tau Delta.

The book may be purchased in the College bookstore. Students and faculty are invited to participate

MACHELLE ADOLESON Homecoming Queen

Parade Line Up dults, \$1.00 for students, GSC fac- Features Disney

> "The Wonderful World of Disnev." GSC's 1976 Homecoming theme, will be carried out by some forty units in Saturday's Homecoming Parade, scheduled to start at 10:00. The U.S. Army Reserve Color Guard and Dr. D. Banks Wilburn, Honorary Parade Marshall, will lead the parade, followed by the Student Congress officers, the Alumni president, Mr. Herbert Shimer, and his wife, and Mr. Mack Samples, the coronation M.C. Next in line will be Congressman John Slack followed by the GSC Pioneer Marching Band, Steve Horner, the new Pioneer, the cheerleaders, the Freshman Class marching unit and the Queen's float, which was made by the freshmen. The Gilmer County High School Marching Band will follow the Oueen, then will come the Gilmer County High School Homecoming Oueen and her court. the two Montrose Award winners, Sam Ferrell and Jerome Fruit, gubernatorial candidate Cecil Underwood, the Gilmer County Board of Education, Coalton High School Marching Band, the Boy Scouts led by Mr. Sypolt, the Junior Girl Scouts led by Mrs. Ron Welty and Gilmer County Brownie Troop 1058 led by Pam Ratliff. Newspaper Week Headlines

The upcoming week has been chosen to represent a very important keystone of American life. The week of October 17-24 has been denoted National Newspaper Week, a period of time in which the newspapers of America are to be recognized as the primary source of in-depth, news reporting.

For the past two centuries men and women who recognized the need and potential importance of a system of communication of news to the masses have sacrificed their lives and freedoms to stand up for the principles of reporting and the canons; of journalism. Particularly in times of stress, the importance of getting the news truthfully and fully has been a major factor in the "binding force" to hold together cities, states, and nations. The newspapers of the past have served to inform the public

regardless of the threat of persecution. Today the press has taken their lumps. For the past few years any reporter who leaked valid information to the public concerning the government of the U.S. have been chastised to the extent of the law. Even though what went to press represented the truth, the reporter was harrassed unmercifully to reveal his sources. So even though the U.S. may be the coup de grace in terms of ideal environments, any government is hesitant to reveal all its works to the public.

To quote perhaps the most famous newspaperman of entire American history, "Were it to me to decide whether we should have a government without newspapers or newspapers without government, I should not hesitate a moment to prefer the latter." Thomas Jefferson made the forementioned comment in a letter in 1787; though nearly 200 years have passed, the newspaper has gained steadily in importance and impact.

The importance of the free press is typified by the fact that even though nearly every American household possesses at least one television and one radio most Americans still rely on the most stalworth of institutions for the bulk of the news: the newspaper.

It is a distinct honor and privilege for me to welcome all alumni, faculty, students, parents, and friends of Glenville State College to Homecoming 1976. We feel that "A Salute to Disney" will prove to be an exciting and memorable event. It is my hope that each and every one of you will attend as many of the activities as possible and make this Bicentennial Homecoming one of the most exciting ever.

Greek News $\Sigma \Sigma \Sigma$

The Delta Alpha chapter of Sigma Sigma Sigma held a ceremonial meeting Monday evening at 5:00. Everyone is busy preparing the float for Homecoming this weekend.

The sisters would like to welcome their National Field Secretary Cheryl Meyers. She will be on Campus Oct. 19 through Oct. 24.

The pledges are planning a Halloween party for the collegiates. Plans are being made for a hayride for this fall. Secret Sis week will be held as a Halloween activity.

There will be a reception for the alumnae of Sigma Sigma Sigma following the Homecoming game. Good luck to the football team as they battle against Bluefield.

A special pinning ceremony was held Sunday, Oct. 10, for Susan Parsons. The sisters are very pleased with this semester's pledge class. On Tuesday, Oct. 12, a formal

meeting was held by Theta Xi chapter of Delta Zefa Sorority. A sorority standards meeting

was held Thursday, Oct. 14. Dean Wright was guest speaker.

A toy collection will be held Sunday from 1:30 to 4:00 for the underprivileged children in the Glenville area. All contributions will be appreciated.

On Monday Oct. 18, Future Enterprizes, Inc. will be having a "party" at the sorority house at 9:15. All interested persons are invited.

A bake sale to raise money for Campus Crusade for Christ will be held Thursday, Oct. 28.

Big Sises are: Big Sis - Cindy Gunnoc, Lil Sis - Karen Busn, Big Sis - Marsha Scarbro, Lil Sis - Susan Parsons, Big Sis - Kim Casto, Lil Sis - Vickie Wilson. The Big Sis-Lil Sis ceremony was held Friday Oct. 15 at 5:00.

The Brothers of Kappa Eta Chapter of Theta Xi held their weekly meeting Monday, Oct. 1. Plans are being finalized for Sadie Hawkins set for November 20. The Theta Xi's once again reigned as we soundly beat Lambda Chi last Thursday in the Commode Bowl Championship by a score of 48-6. The Brøthers would like to apologize for omitting one of our pledges. Rick Debold. a transfer student from the University of Pittsburgh. The Brothers are planning a trip to the Theta Xi Chapter of W. Va. Weslvan to help with their Homecoming, on October 23. Once again it's time for our bi-monthly and weekly awards. The H.O.G.-G.E.R. award goes to Mike Swann for his exploits in Buckhannon and to George Bivens his second S.L.O.T. H. award. A new award, the LOVER award, also goes to George Bivens. Two out of three, not bad, Smoot!

The Brothers of Beta Beta Zeta wish to congratulate the Theta Xis on their Commode Bowl victory last Thursday and add that "one game does not a season make." The Brothers are planning a Homecoming reception for our Alumni after the game. Our sincere thanks to all the wonderful people who braved the rain and gave us their unwavering support despite the beating we took last Thursday. We know that your loyalty to our fratemity will continue and our faith in you will never falter. Greetings Extended To be associated with the Alumni, faculty, staff, and students of Glenville State College gives me a most cherished feeling of belonging to, and being a part of a fine group of persons whose contributions to West Virginia, our country, and the world have been, are, and most assuredly will be boundless as the future becomes the present and the past. Then on this Homecoming Day, October 16, 1976, it is my distinct honor and pleasure to greet you and be in your presence.

> Cordially yours, D. Banks Wilburn President

'22 Grad To Attend

Only 54 years late, a prodigal is en route to Glenville State College to observe Homecoming for the first time. The cares of this world and the deceitfulness of riches have had their role. For me, all roads now lead to Glenville. In German, this is "Der Tag" and it must be a success in every way. Weather should cooperate. I shall arrive soon enough to convey word to football men, who succeeded Stanley Hardman and Wilfong Brothers, that – "This time we win."

I claim merit on two counts. I was in the auditorium when Professor H.Y. Clark delivered the address at dedication of Clark Hall. I had served on his staff, 1924-25, at Grafton High, a model school. Those who knew the operation of that school were not surprised that Clark Hall was so named.

A second merit was the 50-year reunion of my class in 1972. Honors came to Miss Phala Woods, and Paul Floyd, '22 was Alumnus - of - the - year.

My message to students of '76 concerns the clock tower of the Normal Building, for during the next half century it will influence their lives as it has mine. Except for the tower, and the form of the Administration Building, the only permanent thing about the college is change. Two sacred landmarks bind all alumni of GSC into one family, because they are equally known and loved by all of us.

For change, let students of '76 turn back half a century and note how I first traveled to Glenville. In Marion County I endedl a first term as teacher in 1921. Spring term at Glenville had begun and I made haste to arrive. On Saturday I came via inter-urban car from Mannington to Weston. There was no boat from Gilmer Station to Glenville on Sunday, so I left Weston on Monday morning on a B&O train. Lunch was at Flatwoods. A train took me to Gilmer Station where about 2 p.m. I took boat for Glenville. Among those aboard were three students who were returning from a Y.M.C.A. convention. One was A.E. Harris who later taught at GSC, Marshall University and was mayor of Huntington. Where water was shallow, men in boots pulled the boat.

Thus on April 4, 1921, about 5 p.m. I arrived at Glenville. My correspondence was with President Edward G. Rohrbough and he was at the office to greet me. The office was at the west end of the Administration Building. How clearly I remember the event! I said, "I need a place to stay and school work to do." In his laconic way Rohrbough replied, "I think we can furnish both." We walked around the corner of the building, lower side, and he pointed to the home of William Moss, a stone's throw above Kanawha Hall (now site of Library).

Schools opened at 8 a.m. I was a freshman and did not know that I should report early. As class bells were ringing I appeared at the office where the president was waiting. He enrolled me in three minutes and said, "Come with me." He set a fast pace to the other end of the building and up a flight of stairs. My Webster Springs stride served me in hot pursuit. The president had rubber heels, whereas I wore a new pair of Sears Roebuck shoes, guaranteed for six months. In spite of my effort, the clatter of those shoes resounded through the hall.

We arrived at a room in which 20 students had assembled for a class in Ethics. Rohrbough taught the class, and through the years that course has proved one of my most valuable investments. In the classroom in a case, partly glass, stood the first human skeleton I ever saw. With freshman intellect and in jest, I wondered if such were the remains of a student who had failed the course.

It was easy in those days to recognize on sight all students and to know names of most of them. On completion of the Standard Normal Course, I was prepared to transfer credits to West Virginia University. President Rohrbough had business there and he and I went together by train. He took me to the office of President Frank B. Trotter who became the first acquaintance I made on campus. I treasure a letter Trotter wrote stating requirements for my graduation.

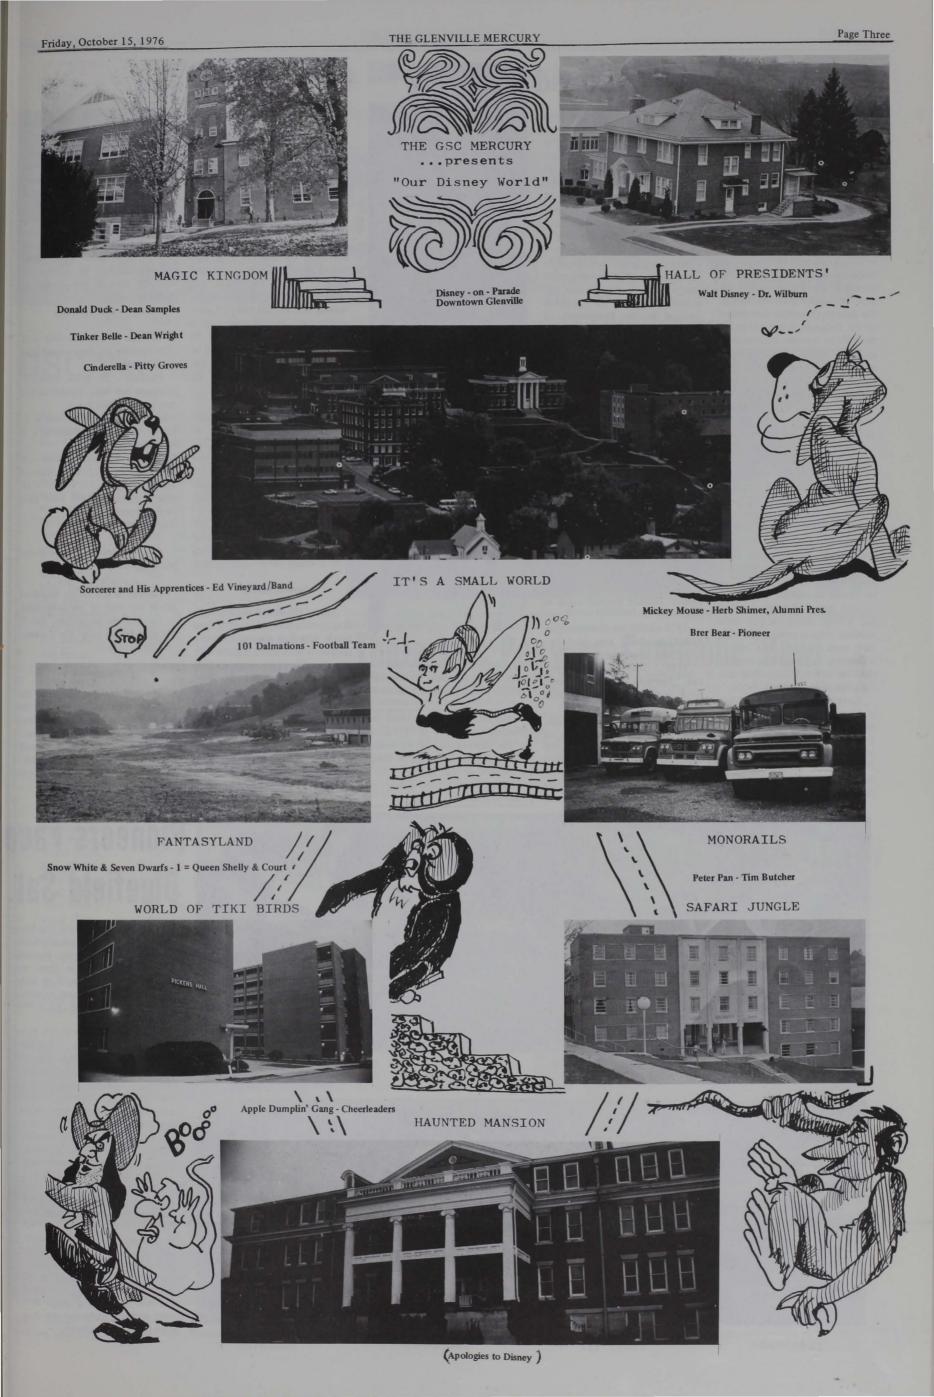

President D. Banks Wilburn has served our college in brilliant manner and I dislike to think of his retiring. It will be consolation to see him and Mrs. Wilburn at the head of the parade. Col. Brent Cool will be a judge. His father was my roommate at GSC.

May the Search and Screening Advisory Committee make it clear that we alumni expect a good deal of a president. Let the new president know how he can be of service to a freshman by meeting him after school hours, locate a room for him, then enroll him and teach his first college lesson. You can assure the new president that this has been done.

One thing more. I look forward eagerly to the Drama Department's production. The last play I saw at GSC, Paul Floyd and I were in it. I needed a pair of white shoes, had none, and Miss Willa Brand, play director, borrowed them from President Rohrbough. I claim to be the only Glenville graduate to wear the president's shoes before getting a diploma.

Dr. Berlin B.Chapman'22

Dr. Berlin B. Chapman was a faculty member in the College of the City of New York, Oklahoma State University, and Florida State University.

by Doug Martin

Ferrell, Fruit Honored

Sam Ferrell and Jerome Fruit have been chosen as co-recipients of this year's highly coveted Frank Montrose Award by a select committee of faculty and student personnel. The award is given annually to the most prolific senior athlete who displays an unimpeacheable moral character, outstanding athletic prowess, and above average academic record for the four years spent at GSC. Because of the outstanding qualifications of both students, the committee decided to name them both co-recipients of the Award. The Athletic Committee is composed of: Dr. Dollgener, Athletic Director, Mr. William Osborne, Business Manager, Dr. Ronnie Burke, Director of Research Development (Forestry) Mrs. Kay Chico, Professor of Health and Physical Education, Dale Fox, Career Counselor, Scott Anderson, Gerald Cooke, Jim Sabo, Phyllis Taylor, Ron Hill, and Randy White.

Jerome Fruit is a graduate of Collins High School in Oak Hill. He is the son of Mr. and Mrs. Lacy Earl Fruit of Box 558, Scarbro. Fruit is a '76 graduate of GSC with a degree in health, physical education, and safety comprehensive. Jerome graduated with a 2.5 overall average. He lettered all four years in football at GSC and was All-Conference in football for two years. He was Co-captain of the '75 football team and holds the GSC and WVIAC record for pass interceptions. He was active on the GSC track team for three years. Jerome is presently employed at a machine shop in Mount Hope and is also doing substitute teaching.

Co-recipient, Sam Ferrell, 22, of Point Pleasant, is the son of Mr. and Mrs. James Ferrell of Route 1, Box 92B, Point Pleasant. Ferrell is a '72 graduate of Point Pleasant High School and is married to Kathy Johnson Ferrell of Dayton, Ohio. He has a son, Samuel

Arthur Ferrell, who is three years of age. Sam Ferrell is also a member of the Lambda Chi Alpha Fraternity. Ferrell graduated from GSC with an overall 2.8 average. He has a degree in health, physical education, and safety comprehensive. He was a member of the NAIA All-Tournament Team for the years '75-'76 and was All-Conference in bowling. While at GSC he lettered all four years in bowling and was the captain of the '75-'76 bowling team. Sam Ferrell was also chosen outstanding bowler in the '76 NAIA National Bowling Tournament, At Kansas City he was the recipient of the A.O. Duer Bowling Award. He is qualified to compete in the sum-mer of '77 for the U.S. Bowling Team. If Ferrell qualifies, he will bowl in the International| Tournament for the World Cup. At the present time, Sam Ferrell is on a Graduate - Assistant Scholarship to WVU for Physical Education. Some of the tormer Montrose

recipients are:

1953 - Bill Hanlin (football), former football coach at GSC. 1954 - Paul Lanham (football), present assistant football coach of the Washington Redskins.

1955 - Jack Tennant (football), Presently an instructor at Reston High School in Reston, Virginia.

1962 - Bob Summers (football), present assistant football coach at GSC.

1970 - Jackie Joe Robinson (basketball, baseball), now head basketball coach at Beckley.

1971 - David Barnes (basketball, baseball), present basketball coach at Gilmer County High Sch-001.

Many students may well ask, "Who was Frank Montrose?" I shall endeavor to sweep away the mist for Frank Montrose, upon completion of a long and intensive search for a suitable athletic award. Frank Montrose was a voung man

SAM FERRELL

JEROME FRUIT

who built this dreams upon the concrete blocks of reality. In the year 1939, a young man from Richwood, cont. on p.

Bowling practice will begin on Monday, October 18 at 3:30 p.m. in the bowling alley of the Game Room. Anyone interested in being a member of the bowling team (male and female) are invited to come to practice.

Well, Glenville won two games in a row for the first time in quite. a while, but don't be surprised to see them add a few more conquests to that streak before it is ended. Glenville's stubborn defense got its first shutout of the year last Saturday, (and the first one since the second game of last year), as they seem to improve each week. Leandis Hodges kept up his effective running with another 100 yard game, and it looks like he may have chance at a 1000 yard season. He has 681 yards in six games and he still has four more games to go. No Glenville runner has ever accomplished this feat.

Football

Halftime Talk

As I stated in last week's column, when Rick Reidl is out of action he is sorely missed. We are going to find out just how true this is in the next couple of weeks because Rick broke his arm in last week's game and it looks as though he is going tobe out for the rest of the season. I hope Rick has a full and speedy recovery, and I am sure that the coaches will find somehody to do a worthy job in replacing him.

Nate Rohrbough

Among the crowd at Saturday's Homecoming game will be Nate Rohrbough, who first descended on this campus as head football coach fifty years ago. During his seventeen year tenure here, Mr. Rohrbough compiled a record of 68-45-14. He will be watching the last homecoming game on the field that was named after him when it was christened in 1931.

Mr. Rohrbough is now a resident of Florida and will be flying in especially for this game.

The cagers begin practicing this Sunday for their upcoming season. It sure doesn't seem like it's that time yet, but before you know it, the Shrine Tournament at Weston will be upon us. The outlook for the team this year is the best it has been in three years and I think everyone involved has a very enthusiastic attitude going into the campaign.

Basketball

Grid Forecasts

Glenville - 14, Bluefield - 0 (The Pioneers get their second shutout in a row.)

Concord - 28, W.Va. Tech - 7 (Concord has been struggling, but they get a breather here.)

Ashland, 0. - 17, Fairmont - 9 Salem - 35, W.Va. Wesleyan - 3 (what else is new?) Shepherd - 21, West Liberty - 8

Kentucky State - 25, W.Va. State - 8 Boston College - 27, W.V.U. - 17 (The Mountaineers will wish they were at Temple!) Dayton - 10, Marshall - 0

I was 4-3 last week for a season percentage of .613.

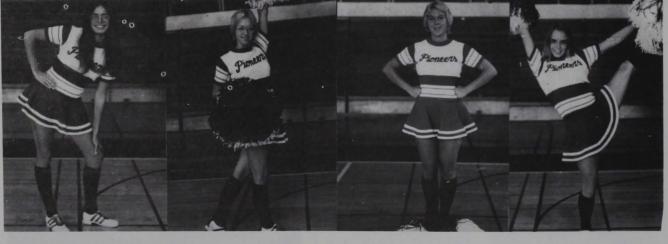

* * * * *

It looks as if I let my emotions get in the way of my judgement in my baseball predictions, but I will stick by my guns: The Yankees over the Reds in 7

Final Notes

The golf matches scheduled for this week were washed out, and the one at Fairmont has tenatively been rescheduled for next Wednesday.

The entire Mercury staff would like to congratulate Sam Farrell and Jerome Fruit for being co-winners of the Montrose Award!

Pioneers Face Bluefield Sat.

Glenville comes home this Saturday to play its 43rd annual Homecoming game against the Bluefield "Big Blues." The game will State help highlight a weekend of activities here on campus, and a victory will make the weekend just a little more enjoyable.

Bluefield comes into this game with a 1-5 record after getting their first victory of the season last week against Bridgewater College, a smal school in Virginia. It seems that every time we play a team, they have jus won their first game the week before This was the case with Wesleya and Tech and now comes Bluefield The Big Blues are in our division : we need this win to keep the to rating in the Southern Division.

Glenville holds a pretty good record against the Blues from the southern part of the state. The G-Men have defeated them the las three years, including Homecomin; two years ago, 23-12. But Bluefield did defeat us in our Homecon ing game in 1972, 10-0. This wa: also the last time that the Pioneer lost two homecoming games in : row; another misfortune we face if we fail to win tomorrow.

Friday, October 15, 1976

1976 Glenville Pioneer Football Squad

This is the 1976 Glenville State College Pioneer football team that will face Bluefield in our 43rd and

Bobcats Bow To G-Men 7-0

A couple of weeks ago Glenville played in the Fishbowl at Norfolk and lost. I thought this was the only bowl game that the Pioneers had scheduled for this year, but apparently not because last Saturday they played in the "Flood Bowl" at Buckhannon, This time they came out a winner against W. Va. Wesleyan, 7-0, in some of the worst game conditions I've ever witnessed. The contest was played on a field that had been rained on for four straight days, and this rain presisted throughout the whole event. Winds blew and temperatures were in the high forties, making for some of the worst football environment a person could play in, or sit and watch in for that matter. But this did not stop a lot of loyal Glenville fans from making the trip to Buckhannon and almost outnumber home team fans.

Glenville got the only score of the game on a dazzling 57 yard pass run combination from Tom Cowan to freshmen end Gene White. In the fourth quarter, Glenville had first and goal from the seven, but was held at the one yard line. Lee Hodges contributed his consistent running last Saturdav as he picked up 119 yards in 28 carries for a 4.2 average. Tom Cowan also had a good day carrying the pigskin, as he ripped off 63 yards in 9 carries. Although just scoring

THE GLENVILLE MERCURY

1976 GSC Majorettes, Drum Major, and Feature Twirler

KENNETH WHYTSELL ******

Kenneth Whytsell Is Feature Twirler A newcomer to the GSC campus

has been selected as Feature Twirler for the 1976 marching season. Mr. Kenneth Whytsell, son of Mr. and Mrs. E. B. Whytsell, has been selected to entertain the home crowd at the GSC Pioneer football games with his feats of skill and daring.

Mr. Whytsell, a resident of Grantsville is a 1976 graduate of Calhoun County High School. He is a freshman majoring in Business Administration with a specialization in Accounting.

As a twirler, Mr. Whytsell has won several awards. He has received two first place awards and one second place at the Black Walnut Festival and one first place at the Calhoun Wood Festival.

With nine years of experience behind him he enjoys performing at GSC and for a college crowd. Twirling at GSC is fun and the kids in band are nice according to Mr. Whytsell and when this reporter asked him why he decided to become a twirler he answered simply, "I like it." PIONEER BAND

Jeff Hudkins of Richwood has been selected to lead the GSC marching band as Drum Major.

Mr. Hudkins, son of Mr. and Mrs. Harold Paul Hudkins, is a sophomore majoring in music.

While in high school, Mr. Hudkins was very active. He was a member of the Lumberjack Express Show Band for three years, Lumberjack Singers for two years, Richwood High School Choir for three years, and Lumberjack brass for three years.

During his senior year in high school, Mr. Hudkins was Drum Major at Richwood. This was the first time in 15 years that the school's marching band was led by a drum major.

Mr. Hudkins stated that "performance at GSC is more exciting than any other performance and I'm sure that myself and the band can do a lot better if the crowd were more responsive "

nhances Homecoming

The Glenville State College Pioneer Marching Band has been working hard the past two weeks putting together their half-time show for Saturday's Homecoming game. They will be drilling to "76 Trombones" and "Intermission Riff." For the

Poetry Contest Is Set

The National Poetry Press announces the closing date for the submission of manuscripts by College Students is November 5. Any Student attending either junior or senjor college is eligible to submit his verse. There is no limitation as to form or Wallace Jim Anderson, Tim James theme. Shorter works are preferred Beth Steidl, Mike Belleveu, Janet because of space limitations.

parade the band will play "Knock Three Times" and "Get It On." Other music that the band will perform includes "Theme from S.W.A. T.," "Men of Ohio," "Colonel Bo-gey," and "Disco Fever."

The band, under the direction of Mr. Ed Vineyard, consists of Kim Beebe, Jackie Stricker, Tony Bar-nett, Jackie Romaine, Jay Byrd, Jeff Ward, Claude Phillips, Stephanie Davis, Patricia Hausser, Julius Smith, Jim Kelly, Judy Davisson, Bruce Wendelken, Greg Haddox, Bryan Deever, Doug Bailey, Dana Jones, Greg Songer, Richard Redd, Sheila Hamden, Debby Randolph, Twyla Williams, Beth Dunn, Joanna Zicke-Manuscripts should be sent to the Office Of The Press, National Poetry George, Abigail McHenry, Janet Cofoose, Mickey McDonald, Michael

Pictured above is the 1976 rendition of the GSC Pioneer Marching Band under the direction of Mr. Ed Vineyard.

Calendar Adopted

The academic calendar for 1977-78, 1978-79 has been approved by the College Council. An attempt has been made to achieve a balanced calendar from semester to semester. Some of the ideas that went into the schedule are outlined in the following paragraphs.

Opening of the Fall Semester has been occurringearlier each year. In 1977-78 August 29 will be the opening date. Hopefully, the College will be able to keep the last week in August as the earliest date for beginning the fall semester. Another change that can be noted is a oneweek all vacation which covers the week of Thanksgiving. In Appalachia Thanksgiving is traditionally a time of close family relationships. A oneweek vacation at this time seems appropriate. Between first and second semesters there is approximately a three-week period of time. The College Administration is taking all possible steps to conserve energy and cut utility costs. During the time between semesters, energy consumption will be held to an absolute minimum.

year, there were two breaks in the Spring Semester: Easter vacation and spring vacation. In the next two years there will be one vacation which will occur during the Easter holiday. One long vacation seems more appropriate than two short vacations for preserving continuity in the semester.

Commencement will occur one week later in 1978 than in 1977. Summer school 1978 will begin on June 12 and end on August 11, 1978. There will be two weeks between the end of summer school and the beginning of fall semester. As stated previously, an attempt has been made to establish a reasonable balance between work and vacation.

who fought every fight to win, lost his fight and his life to nephritis. He died of the illness on June 21, 1940 at the tender age of 21.

Frank Montrose will always be remembered at GSC everytime the award named after him is presented to outstanding seniors, like Sam Ferrell and Jerome Fruit.

Montrose Winners Honored at Game a young man had come to Glenville

W.Va., came upon the GSC campus like a ray of forgotten sunlight. He came to us as a promising football prospect. He set his goals high and everyday, on and off the grid-iron, he welcomed new challenges with the ferocity and tenacity of a hungered lion. Almost single-handedly he led the Pio-neers through one victory after another. When defeat seemed imminent, young Montrose arose to the occasion and turned the tide in GSC favor. He won the hearts of GSC faculty and fans alike with his runs, interceptions, and ferocious tackles. To him the word football meant a way of life, and life was a game he loved to play. At long last

Steve Horner Pioneer Horner Steve tled

(By GIL VALDEZ)

After remaining dormant among the Student Body of Glenville State College for three years, a man among men has arisen to take up the gun and buckskin of a man of action - a In past years, and in the current pioneer. The man of course is none other than Steven Howard Horner.

Mr. Horner replaces Bob Hays who resigned this esteemed position last week. Due to reasons not covered in this article, Hays resigned and the decision of a new Pioneer was left to Student Congress president Tim Butcher. Steve Horner was elected first runner-up in the Pioneer contest held fast year. For this reason Mr. Horner has assumed the role of GSC Pioneer.

Steve Horner comes to us from Pennsboro, W. Va. He is the son of Mr. and Mrs. Howard Horner of Box 2, Pennsboro, W. Va.

A graduate of Pennsboro High School in 1973, Mr. Horner participated in various athletic competitions. He was All-State in football, All-LKC football and basketball and Secretary of the Athletic Club. He was the vice-president of his sophomore class.

Mr. Horner, 21, presently a Senior at GSC is a Business Administration major and he is minoring in Management. He is a member of the Tau Kappa Epsilon fraternity. He is an assistant chairman of the annual TKE Bathtub Pull. He is currently on the Bread Sale Committee, the TKE Activities. Committee and the TKE House Improvement Committee.

As GSC Pioneer, Steve will escort Homecoming Queen Shelley Adolfson to her coronation which will be held in the Little Ampitheatre. He will also escort the Queen to the Homecoming game.

When this reporter asked Mr. Horner what he thought of Glenville State College his reply was: "I like Glenville but I think there should be more campus activities." Concerning school spirit, Mr. Horner replied: "I think the Student Body could get fired up a little bit more ... and I think the cheerleaders are doing a great job."

PARADE LINEUP (cont.)

School Marching Band and the Student Education Association float.

Bringing up the rear and completing the parade will be horses owned by Mr. Langford. There is a possibility that Glenville's Senior Citizens will also have an entry.

After the parade, activities will move to the Ampitheatre where the

Mr. White Attends Hawaiian Meeting

Page Seven

Mr. John V. White, head of the Math Department at Glenville State College, attended meetings of the National Council of Teachers Retirement in Hawaii. Members of the Board attended these meetings from all over the United States and four attended from West Virginia. Besides Mr. White from West Virginia attending were Mr. Lloyd Farinash from Parkersburg High School, Mr. John Pisapia, also from West Virginia University and Mrs. Velma Allen from Phillipi.

The purpose of these meetings were to discuss retired teachers problems, hiring staff and personell, selecting a social secretary, actuary, and executive secretaries. Also, to discuss legal problems pending of programs and present bond market situations.

Mr. White left Glenville on Friday, **Pioneer** September 24 and returned Sunday, October 3rd Wednesday was set October 3rd. Wednesday was set aside for sightseeing. Mr. White saw a Polynessian Culture Program put on by Brigham Young students which was about the different cultures of the island.

> This is Mr. White's fourth trip to the National Council of Teacher's Retirement. His previous trips were to San Diego, California; Houston, Texas; and San Juan. When asked which trip he enjoyed the most, Mr. White said the one to Hawaii because the people were so friendly.

Social Workers Choose Officers

The Social Work Club of Glenville State College is organizing for the 1976-77 term.

At a meeting held October 7, 1976, they elected officers. These officers are Chairperson, Sue Shaffer; Vice-Chairperson, Sue Fletcher; Secretary-Treasurer, Pam Jones: and Student Congress Representative, Janie Given.

Other business taken care of at this meeting consisted of: Brenda Reed reported on the Child Abuse Seminar that was held. Angela Lafferre was put in charge of a Student Directory of Social Work majors in the two and four year programs. The group also discussed kick off activities for group organization and a community organization benefit.

At their meeting October 11, they discussed having speakers come to campus. A keg party is being planned for Wednesday, Oct. 27, at at 8:00

The club By-Laws were read, and it was decided to make four changes and then resubmit them to Student Congress. The changes are: the addition of a Student Congress representative; to change the set time of the meetings; to include nonmajors; and to drop the attendance policy.

The next meeting is scheduled for Monday, October 18, at 4:30, The meeting will be held at Sue Shaffer's house. All interested people are urged to attend.

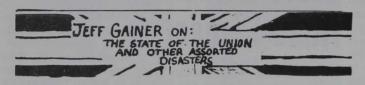

coronation of the queen will take placeat 11:00. The pre-game show will begin at 12:25 at Rohrbough Stadium and the football game will start at 1:30. To conclude the 1976 Homecoming activities, there will be a dance in the Pioneer Center from 9:00 to 12:00. "Freedom Sound" will play in the Student Union while "Ukiah" plays in the Ballroom

Page Eight

Miss GSC. Patricia Groves

The McCarthyian dream seems, at last to have come true. We don't have a president who disbelieves in the Red threat today, if he still holds his adolescent belief. According to a usually reliable source, Prince Jerry Jr. has been Anti-Communist since the days when he played football with out his helmet. Some years ago, in Grand Rapids, the home of Gerald R., there was a group of young socialists literally painting the town red. Actually, they were painting slogans on public buildings in the area. Ford, along with his loyal football team, caught the "reds" preparing to paint a lengthy quotation from the works of Marx on an innocently by-standing wall. Ford and his army leapt from the shadows (in the style of the CIA), attacked the socialists, and poured the paint over their heads. Some years later. Lyndon Johnson remarked that Ford had played too much football with his helmet off. I hasten to explain that I will not dispute this statement, but Jerry F., probably used a paint bucket instead.

Those lucky enough to have cable TV or an expensive antenna are graced by the miracle of public television. Since the public channels transmit over small distances, they are received by a small population living close enough to the city and those who enjoy the ballet. Other video delicacies are added, as last week, the viewers were told that Gus Hall and Roger Mac-

Bride are presidential candidates drawing a minority, though a sizable num ber of votes. Gus Hall is the American Communist party candidate. Each year he gains more and more votes, as is indicated by the 1968 and 1972 returns. Still, American capitalism is in no immediate danger. Mr. Hall speaks strongly against racism and advocates jail sentences for anyone performing acts of racism. He believes firmly in the inevitability of socialism, but the United States is, as a whole, so paranoid that socialism won't occur unless it is called something else and tied with a red, white, and blue ribbon.

Roger Macbride appeals mostly to the New Times set, the same as Eisenhower appealed to the Reader's Digest set. Macbride says that since the two major parties are now saying the same thing, that the Republican party will fade away in the next few years, and the Libertarian party will take its palce. Personally, I don't believe this will happen. The Republican party will continue to be the same as the Democratic as long as ninth-grade civic students are taught the endless virtues of our holy two party system. The Libertarian party will still be Circular File 13 for minorities.

Expectant parents Pitty Groves and Randy Gilles look over the apartment in a scene from 6 Rms Riv Vu.

Miss GSC **To Appear**

Congratulations to Miss Marion Patricia (Pitty) Groves, the reigning Miss Glenville State College, Miss Groves, chosen first runner-up at the, Miss GSC Pageant held in March of 1976, was given the crown by Peggy Collins Mathias upon her marriage earlier this year.

Miss Groves, the petite 19 yearold daughter of Mr. and Mrs. John Groves of Summersville is a sophomore majoring in Business.

Miss Groves is active on campus in many organizations. She is an active member of the Delta Zeta Sorority and holds the major office of Treasurer. She is also on the Education Committee of the FAO. Last year Miss Groves was among a group who modeled fashions from different eras at the 1976 Alumni adquet. She is currently appearing ne GSC Drama Department proction 6 Rms Riv Vu.

As Miss GSC, Miss Groves will appear in the Homecoming Parade, will compete in the Alpine Festival and will Shakespeare's plays, will be performbe Mistress of Ceremonies and Director ed by the NEW SHAKESPEARE of the 1977 Miss Glenville State COMPANY OF SAN FRANCISCO College Pageant.

In the Homecoming Parade tomorrow Miss Groves will wear a dark green, three-piece suit of courduroy and her crown.

November 13 Is NTE Day

Students completing teacher preparation programs may take the National Teacher Examinations on any of the three different test dates announced today by Educational Testing Service, a nonprofit, educational organization which prepares and administers this testing program.

Dates for the testing of prosective teachers are: November 13, 1976, February 19, 1977, and July 16, 1977. The tests will be given at nearly 400 locations throughout the United States, ETS said.

Results of the National Teacher Examinations are used by many large school districts as one of several factors in the selection of new teachers and by several states for certification or licensing of teachers. Glenville State College requires all seniors preparing to teach to take the examinations.

On each full day of testing, prospective teachers may take the Common Examination's which measure their professional preparation and general educational background and an Area Examination which measures their mastery of the subject they expect to teach.

Prospective candidates should contact the school systems in which they seek employment, or their colleges, for specific advice on which examinations to take and on which gates they should be taken.

The Bulletin of Information for Candidates contains a list of test centers, and general information about the examinations, as well as a Registration Form. Copies may be obtained from college placement officers, school personnel departments, or directly from National Teacher Examinations, Box 911, Educational Testing Service, Princeton, New Jersev, 18540

Hamlet, (Cal Bedford) contemplates Yorick in the above scene from next Tuesday's production.

`Hamlet' To Be Presented By New Shakespeare Co.

HAMLET, the most esteemed of at the Glenville State College Auditorium on October 19, at 8 p.m. presented by the Cultural Affairs Committee of the college.

It is believed that HAMLET was written and first performed in 1602-1603, in Shakespeare's 40th year, the 25th of his 37 plays. The basic plot was adapted form a true chronical in "The Latin History of the Danes" written about 1200 by Saxo-Grammaticus.

HAMLET is generally considered the play of most towering grandeur of all Shakespeare's works-a play of infinite psychological and philosophical subtleties which has lent itself to innumerable interpretations. The role of Hamlet has long been considered the test of an actor aspiring to greatness. Notable Hamlets have in-David Garrick, Edmund cluded: Kean, Henry Irving, Edmund Booth, John Barrymore, John Gielgud, Lau rence Oliver and Richard Burton. The methods of staging have ranged from settings in medieval time through the elegant Elizabethan and Victorian eras, to the modern dress and bare stage of the Burton Hamlet.

As staged by Margrit Roma, the company's director. Hamlet is a man driven by a demon he can't control. He is filled with rage over his father's death, his mother's disloyalty, and the need for revenge.

The NEW SHAKESPEARE COMPANY, under the direction of Margrit Roma, was founded and ded-icated to the concept of making Shakespeare's plays total theatre and relevant to today's world. They have achieved a rapport with audiences that is rarely equalled by any other Shakespearean company.

The cost of admission to the general public and Glenville State College faculty will be \$1.00. GSC students

will be admitted free with I.D. cards. In addition, the NEW SHAKE-SPEARE COMPANY will offer a workshop on drama at 3 p.m. in the auditorium on October 19. All interested students are welcome to attend. The workshop is funded in part by a grant from The National Endowment for the Arts in Washington, D.C., a federal agency.

Available now in the Placement Office is Business World, a career for college seniors. The magazine copies are free and can be picked up any time.

Also, December graduates are asked to pick up their credential packets, and 10 positions are still available with CSEP

The Placement Office also has gradlate and undergraduate catalogues from schools all over the United States, and two new books available to students, How to Study for the Civil Service Exam and the 1976 West Virginia Manufacturing Directory.

Brenda Henthorn and Alan Latanzio contemplate the possibility of an affair in a scene from the fall comedy production of <u>6 Rms Riv Vu</u> which opened last night and will be shown tonight and tomorrow night.

Butcher, Student Congress Plan Homecoming Activities

Action and involvement are the key words for Tim Butcher, Student Congress president for the 1976-77 school year. Tim, a Glenville native, has been involved in many activities, both in high school and college. During his four years at Gilmer County High School, Butcher was active in football, basketball, track, and wrestling, and served as Student Body President his senior year. Currently he is a member of Tau Kappa Epsilon Fraternity and co-chairman of the West Virginia Board of Regents Student Advisory Committee. In 1974, Tim served as a Senator - at - Large and learned about the workings of Student Congress, which, he says, is helping him now to do a good job as President. Tim hopes to serve Glenville State

college students well, but, he says, "I'm disappointed that students won't tell me what they would like to have done. My idea of student government is to give students a say in the college process. The problem is that the students don't say anything."

This year's Student Congress officers are: Tim Butcher - President, Jane Stump - Vice President, Sandy Betler - Secretary, Bob Hays -Treasurer, and Ann Hamric - Parliamentarian. Senators - at - Large are: Russ Stump, Phyllis Taylor, Jimmy Scott, Cindy Gunnoe, Gary Skinner, Dee Walker, and Joe Boggs. Representatives are Patsy Groves, sophomore; Mike Swann, junior; and Shelly Adolfson, senior.

Children take time out of their busy schedules to hear a story.

Training Grounds for Foresters

Jake's Run Property Provides

Positions Open Spirit Rivalry Set

The Placement Office has announ ced the beginning of the College Student Employment Program (CSEP). There are 28 positions available. In order to qualify, students must be a resident of West Virginia, between. 16 and 25 years of age, a full-time student, unemployed or underemployed, have financial need as defined by the Financial Aid Office (see Mr. Perkins) and veterans will be shown preference. The pay is \$2.30 per hour and students can work up to 20 hours a week. The positions available are mostly with the city and county agencies. Anyone interested in CSEP can contact the Placement Office for further information.

Second half of meal plan pay-

nent is due October 18, 1976.

The Order of Diana would like to extend their congratulations to the Glenville State College Marching Band for their enthusiasm at our last home game. We would like also to thank all of the other participating organizations and hope that all of you will continue to support your team by further participating in our competition.

The competition is not limited to sororities and fraternities, but is open to any and all organizations on campus. The only requirement to compete is that you must bring a poster identifying your group. Remember, this weekend is not only a home game, but it is also our Homecoming Game and we hope that all of you will do your utmost in supporting your team! Last February the Glenville State College Alumni Association was awarded 733.39 acres of land on Jake's Run and Stewart's Creek near Baldwin, W. Va. This land was a gift of Eastern Associates Coal Corporation. It is now being used as a training site for the Forestry, Land Surveying, and Horticulture programs currently being offered by the College.

This summer the professors of the Forestry Department revised their classes to include class work at Jake's Run.

The surveying classes are working on finding the boundaries of the plot. They will subdivide the forest into smaller areas for classroom study and management. Silviculture classes are working on a timber stand improvement. Management classes are helping with timber, wood products, wildlife and smaller scale recreation. They have a class project of drawing up plans for a recreation are. If this is successful this recreation area may be open to the public if state road improvement can be obtained. Recreation classes are dealing with the disturbed surfaces of the mine area. Wildlife classes are planning on planting new vegetation in the area.

Last Wednesday the second year Forestry students left on a three day trip to parts of the Monongahela Forest. Conducting the trip were: Dr. Edwin Grafton, Mark Hornish, and Charles R. Sypolt, of the GSC Forestry Department.

On Wednesday they visited the Department of Natural Resources in Elkins. Here they listened to lectures on the management of fish and wildlife in the state. They spent the night and the next near Parsons.

Thursday the group visited the Fernow Experimental Forest, a part of the Monongahela National Forest, in Parsons. This experimental forest was established in 1934. They research hardwood forests and study the cutting and erosion that has taken place due to logging. They also noted the collecting, sorting, grading, and selling of seeds and the planting of new seedlings. They visited the state nursery in Parsons, and that evening they toured the Forest Festival in Elkins.

Friday was spent at the Otter Creek Game Management facilities. Here they were given a demonstration of trapping wild animals. They also visited the Bowden fish hatchery.

Nursery School Has New Home

Page Nine

Would you believe that there are eight four-year-olds attending Glenville State College? This special group of children is attending the GSC Nursery School which is now located on the ground floor of Pickens Hall.

Directed by Miss Elma Jean Woofter, the school was created as a lab for the Child Care and Guidance Class (Home Economics 301). The objectives of the class are to observe the children and study their behavior.

The first nine children to apply are accepted for the Nursery but they must be four years old by November I. The children inhabit their rooms in Pickens Hall from 9:00 a.m. to ll:30 a.m. and engage in many various activities. They play with puzzles, building blocks, and other toys and they also play at the sand table. They also have miniature wooden kitchen appliances with which they play.

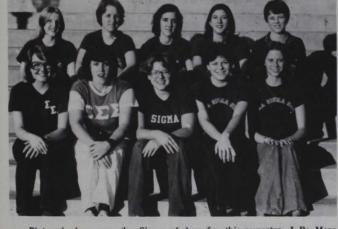

After all of this activity the children are given a snack and end the morning with a story and reading time.

The new locations is much more roomy than the former one in the Pioneer Center. The only disadvantage is that there is no outdoor play area.

Miss Woofter feels that it is very challenging to work with a group of four-year-olds. Every year the incoming children have a larger vocabulary than those of the year before and they are more aware of their surroundings. Although it is a challenge, it is very interesting and enjoyable.

Recital Set

Music lovers will be pleased to note that the first senior recital of the year will take place Thursday, October 21, at 8:00 p.m. in the auditorium. The recital will feature Gordon Allen, a trumpet major from Princeton, and Janet Griffin, a French horn major from Flatwoods, Jackie Stricker will accompany Mr. Allen and Twyla Wallace will accompany Ms. Griffin. Works by Haydn, Mozart, Corelli, Nelhybel, Beversdorf and Goedicke will be performed. There will be a reception in the Ballroom immediately following the recital.
