Social Science Class Is Offered

Viewers of "Roots", the 12-hour series to be seen on ABC television outlets WOWK-TV Huntington (Ch. 13) and WOAY-TV Oak Hill-Beckley (Ch.4) from January 23 to January 30, can also take a three hour college credit course from Glenville State College that ties-in with the telecasts.

"Roots" traces the history of a Black family from today to its forebears in The Gambia, Africa, of the 1750's. Writer Alex Haley devoted 12 years to this project of genealogical research. This exhaustive search and Haley's talent produced a rare history of a Black family from colonial days on.

That the end of the book and telecasts prove to be an affirmation of life is testimony to the love, kindness, pride and aspirations passed on to each succeeding generation. The horrors of being torn away from family and an African village and being sold into slavery become very real to both viewer and reader. Both the book and telecasts vividly depict what is meant to be a slave, the debasement of the individual, the lack of control over one's life and the physical abuse a Black was forced to

Glenville State College is offering a course, Social Sciences 399, "Roots of Black America," Which for the most part, parallels the time period of "Roots". Where the book, published by Doubleday and Co., and the telecasts concentrate on the Haley family, the course relates also to the typical experiences of Afro-American Blacks For more information on the course call the Academic Affairs Office

Into Center Revisited

GSC students, staff, and campus visitors can obtain quick answers to their questions concerning the college from the "Little Red School House or the Information Center. 77 Glamour Contest Open

All GSC women are invited to enter Glamour Magazine's 1977 Top Ten College Women Contest. College women from all over the United States will be competing in Glamour's search for ten outstanding students. Winners are selected by a panel of Glamour editors on the basis of their solid records of achievement in academic studies and/or in extra curricular activities on campus or in the community.

The 1977 Top Ten College Women will be featured in Glamour's August College Issue. During April, May, or June, the ten winners will be invited to New York to meet the Glamour staff and will recieve a \$500 cash prize.

If you are interested in entering the contest, applications are available in the Mercury office (Room 4, Clark Hall). The deadline for entering is February 1, 1977.

New Class Is Offered

In response to a number of requests from the community and from students, Glenville State College will offer an introductory course in major world religions beginning on Monday, January 17, 1977 at 6:30 p.m. in room 208 of the Administration Building. The course will begin with a study of primitive religions of India, Far East, Near East, including Judaism and western religions.

Ms. Catherine Kalous, Instructor in Speech, who holds a master's degree in religious studies from Aquinas College, Grand Rapids, Michigan will teach the course.

Students who wish to register for the course should come to room 200A on January 17, 1977. The class is listed as Philosophy 310-01 Major World Religions - 3 hours credit, Ms. Kalous. Questions concerning the class or registration may be answered by contacting Ms. Kalous at 462-7361, Ext 318, or the Office of Academic Affairs, Ext. 233.

Students who are expecting to student teach either semester next year must pick up their respective Education courses this semester.

These courses are Secondary Methods Courses and prospective Student Teachers are requested to see their advisors immediately.

Snow came to the campus last week causing many problems including delays in registration.

The "Little Red Schoolh ase" offers information services to GSC students, and visitors.

Here's To A Good New Year

Face it folks! The vacation is over and it's time to get down to some real studying. After all, we're here to get an education (I think) and since we've had a whole semester to get back in the swing, this one should be a real success.

Of course the snow and cold weather has put a damper on spirits and getting up the hill seems to be more of a hassle than it's worth. But since we're the the diligent har, working students that we are supposed to be, most of us manage to make it through sheer patience and endurance.

Now that we've had a vacation and resolved to become model students, GSC will be easier to live with. The Mercury staff wishes everyone of you good luck in your endeavors throughout the semester.

'If Winter Comes . . .'

As you rush to class, do you hear a jingling sound coming from some cars? If you do, don't be alarmed, because Santa isn't making late visits, and he didn't get his sleigh and eight reindeer stolen. The sounds you hear are cars with chains on them.

With all of the snow that has accumulated in this area many people are having problems getting to and from college. During the past weekend some students actually stayed on campus! During this time many intellectual activities were enjoyed, including sledding, snowball fights, making snowmen (and women) and falling down the hill.

The shortage of salt for the roads has caused a lot of problems. This could help with the gas shortages of the past, because cars can slide down the hills and halfway to their destinations. People who have problems getting their cars going may also experience difficulty getting themselves going in the morning due to the coffee shortage and its new high price.

Although the weathermen have no better picture for the future, just remember that there are only two more months of winter left, and then spring begins. Spring doesn't have snow, just cold rain!

T. Crump, Bryant Poems Published

Ms. Tina Crump, and Mr. Tim Bryant have been honored by The National Poetry Press of California. Both have had poems accepted for publication in the biannual anthology of poetry.

Ms. Crump, a sophomore Social Science major, is the daughter of Mr. and Mrs. Donald Crump of White Sulphur Springs. Her poem is entitled 'Natural'.

Mr. Bryant, a freshman from Rockford, Ill., entitled his poem 'In the Mountains.' He is the son of Mr. and Mrs. John D. Bryant and is an English major here.

The poems will be published in March, 1977.

Today, January 14, 1977, is the last day for changing classes.

The sisters of Theta Xi chapter of Delta Zeta hope everyone has returned safely by now.

The sisters enjoyed sleigh riding on the hill with friends on campus last week.

The chapter met for an informal meeting Tuesday, Jan. 11 in the chapter room. Plans for rush, a so-tonity composite, the spaghetti dinner, and projects for this semester were discussed. Last semester's predge class awards were awarded to Susan Parsons—model pledge, Vicki Wilson—best scrapbook, and Vicki Wilson—Becky Raymond Memorial award.

The sisters would like to remind all GSC women that Joint Rush is Sunday at 7 pm in the ballroom.

Sigma Sigma Sigma

The sisters of the Delta Alpha chapter of Sigma Sigma Sorority held a grub meeting January 10, 1977 with newly-elected president Mary Martin presiding. The major item of discussion was joint rush which begins January 16th. Three workshops will be held throughout the week to continue plans for rush activities. On January 18 at 5:00 p.m. the sorority will hold the first coke party in the Sigma Lounge which is located on the second floor B wing of Pickens Hall. The sisters are looking forward to joint rush and meeting many new girls on campus. Congratulations to Debbie Wildman and Larry Wright upon their engagement and to Martha Johnson and John Malcomb upon being lavaliered.

Lambda Chi Alpha The Beta Beta Zeta chapter of

The Beta Beta Zeta chapter of Lambda Chi Alpha is now busy with rush. Our second smoker is scheduled for Wednesday night at 6:00 in the Ballroom. About 60 prospectives attended the first smoker and enjoyed four kegs of "refreshments."

The Brothers would like to thank the Ladies of the White Rose for their help at the smoker and wish President Carla Godwin a happy birthday.

Brother Frank McCreery is this week's winner of our coveted POW award while Bill Rubin, Scott Barkwill, and David Jaffre made a clean sweep of the other awards.

Theta Xi

The Kappa Eta Chapter of Theta Xi Fraternity would like to welcome everyone back from the Christmas holidays. The brothers are proud to announce that our house is now open after a semester of remodeling. lany long hours have been put into the house, and we are now ready to reap from the benefits. Our first smoker is Thursday, January 13, followed by the second one on Monday, January 17. We are all looking for a very successful spring pledge class. Awards this week are as follows: SLOTH award goes to rookie Mark Dorsey. And the Ditch Award goes to Fred Copley for his driving skills up at the house. Congratulations!

Tau Kappa Epsilon

The TKE fraternity held their regular monthly meeting. Plans were discussed on money making projects. The first TKE smoker was held Wednesday Jan. 12 in the ball room. We would like to thank everyone for attending and if you couldn't come the first time hope you can make number 2.

The "Silver Bullet" Award goes to C.W. Campbell.

Halftime Talk

By Doug Martin

It looks as though this semester of basketball may be remembered as the start of the Ledbetter Era as the Pioneers have turned everything around since he has become eligible and has been inserted into the starting lineup. Ralph has averaged over 19 points and 7 rebounds a game but his greatest attribute to the team may be his mere existence on the playing floor. He seems to give the team's morale and confidence a lift and he is a menacing figure in the middle of a tenacious zone defense. Since "Led" has been playing the Pioneers have won 3 in a row and raised their record to 4-7.

I look for the G-Men to continue on the upswing and become the conference contender they should have been from the start of the season. It seems that everytime the Pioneers get momentum going something disastrous happens such as someone quitting or becoming ineligible or not be able to get eligible. I think it is a tribute to Coaches Lilly and Carney and their players that they have been able to keep their heads above water during all of this turmoil.

The girls' basketball team is getting back into the swing of things with a game against Alderson-Broaddus next week. This game will be played at home. Their record stands at 2-2 after defeating Tech Tuesday night. paper the Glenville State College basketball team has been very busy as they played two games the last week of the first semester, participated in a Christmas tournament at Marietta and have put three games under their belt this semester.

After a successful Shrine tournament the Pioneers found the first semester and holiday sledding very tough as they lost six games in a row. second semester things have turned around as they have won all three games of the term

Here is a run down of the Pioneers since you last heard from The Mercury:

Morris Harvey - 77, Glenville - 74

The Pioneers blew a 15 point lead in the last 8 minutes of the game to lose their third game in a row and third of the season. The pioneers played too well to lose but the Morris Harvey press and fan pressure proved too much as Morris Harvey was able to come from behind in the game played at Eddie King Gym in Charleston. Tom Coates led the Pioneers with 23 points while Charles Warner chipped in 13 markers and 11 rebounds. John Jividen and Dennis Harris led Tuesday night the G-Women leveled the Golden Eagles with 16 points

Fairmont - 90, Glenville - 69

The top ranked and at the time undefeated Fairmont Falcons came season for the Pioneers and for a time A-B here on it looked as if the G-Men might be able to pull off a major upset as they played Fairmont to a standstill in the first half trailing by only 6 at halftime. But Fairmont showed too much strength in the second half as they blew the Pioneers out for a 21 point win. Charles Warner and Tom Coates led Glenville with 25 and 24 points respectively. Warner

led Fairmont with 21 points. Salem-83, Glenville-62

Glenville turned in their worst performance of the year as they were routed by the outmanned Salem Tigers. 83-62 at Salem. The Pioneers played 40 minutes of flat basketball in dooming themselves to their fifth straight loss. The G-Men were led by Ernest Gilliard's 17 points and had only one other player in double figures. This was the final game of the first semester and left us with a 1-5 record. Next came the Christmas tournament at Marietta and no better luck.

Rio Grande-90, Glenville-87

In the first round of the Marietta tournament the G-Men met the highly respected Rio Grande Team and came away a 90-87 loser although playing one of their better games of the year. Rio Grande had too many shooters for the Pioneers to stop and pulled the game out going down the stretch Wayne Washington led Glenville with 28 points and 6 rebounds. Joe Knicely added 12 points to the attack.

A-B-116, Glenville-104

In the consolation game the Pioneers faced the only team they had beat all year but this time Alderson-Broaddus speed proved to be too much as they outran the Pioneers for a 116-104 verdict. Tom Coates had a career high of 42 points and Charles Warner added 26 points and 13 rebounds. Coates was the only Pioneer named to the Alltournament team

Glenville-84, Morris Harvey-82

Second semester brought better times for the Pioneers as they started the year off with a big come from be-The G-Men were down by 9 at halftime but fought behind to defy the game at the end of regulation time. Glenville won their second game of the second semester and second in a row with a 76-73 thriller over Davis& Elkins in Elkins last Saturday. The G-Men once again trailed at halftime but came back to win it when Ralph Ledbetter and Joe Knicely hit foul shots to secure the win. Ledbetter led the Pioneer attack with 20 points. This rallied Glenville's record to 3-7

Glenville-63, W V Tech-58

The Pioneers' latest conquest came at the expense of the WV Tech Golden Bears Tuesday night when the G-Men shot down the Bears in front of an enthusiastic crowd at the GSC gymnasium. Ralph Ledbetter, playing with an energy eating cold, turned in his best performance of his short season, knock ing in 22 points, pulling down 13 missed shots, and rejecting numerous other ones. Joe Knicely, Wayne Washongton, and Tom Coates added 10 points a piece. Coates and Charles Warner also pulled down 12 rebounds.

Glenville trailed only once in the game at 47-45 with about 5 minutes to go in the game, but fought back to take a 7 point lead with less than a minute to go to make certain the win. Matty Watts led the Tech attack with 20 points; most of them coming from outside.

Glenville's record now stands at 4-7. They travell to Wheeling tonight for a game with the Cardinals. They're back home tomorrow night for a hind overtime victory overMorris Harvey, game with the explosive Concord Mt. Lions. Next week the Pioneers have two more home tilts. Cancelled Bus Protested By

day (reminescent of some duck hunting trips) Representative Billy B. Burke picked up A.T. Billips, Dean of Student Affairs at Glenville State College and headed for Charleston in his 3/4 ton 4-wheel drive truck to attend a Public Service Commission Hearing concerning the elimination of two bus trips passing through Glenville.

The two trips proposed by The Greyhound Bus Lines for elimination were Bus no. 4554 which leaves Charleston at 5:30 p.m., arrives at Clarksburg at 10:15 p.m., and at Morgantown at 11:35 p.m.; and Bus no. 4581 which leaves Clarksburg at 8:50 a.m. and arrives in Charleston at 1:35 p.m.

Delegate Burke acted as .spokesman for the opposition which consisted of several Senior Citizens from Roane County, representatives from The State Vocational Rehabilitation Center in Charleston, and Glenville State College

Senior Citizens were mainly concerned that elimination of these trips by Greyhound would make it impossible for them to ride to Charlesto and return home on the same day. This was clearly their only transportation available out of Roane County They stated, 'We don't mind you raising the rates but please don't take the bus away from us!"

Vocational Rehabilitation expressed concern that approximately sixteen (16) clients per week were affected adversely by the elimination of these runs. There are over 300 rehab clients at the center from all around

Affairs expressed the concern of the college and several individual students that reduction in bus trips could provide real hardship for many students in obtaining transportation to and from their homes. He reported the following numbers of students enrolled at Glenville State College who reside in the directly affected counties: Calhoun County-61, Harrison County-24, Kanawha County-76, Lewis County-142, Roane County-31, for a total of 334 potential users of the Greyhound Transportation. He further expressed concern for the continuing cost of operating an automobile and felt that continued inflation and energy crisis, especially if resulting in gasoline rationing, would force more and more students to rely on public transportation. Billips felt that the state of West Virginia should investigate the possibility of subsidizing rural highway trips through the Urban Mass Transportation Authority.

Delegate Billy B. Burke summarized all of the arguments of the protesters; and, was instrumental through his cross examinations of the Greyhound Officials present including Regional Vice-President Ballard Peyton in placing necessary and relevant facts on record that insured proper representation of the protesters. Delegate Burke was successful in having Judge Tom Hanna demand an accounting of revenues derived from freight. Greyhound reported an annual loss of \$53, 673.25 as a result of the trips in question

on consideration of freight revenues being reported, Dr. A.T. Billips, Dean of Student had inserted into the hearing records revenues from freight amounting to \$17, 503.79 which immediately reduced their annual loss to \$36, 169.46. Burke felt that good management could go a long way in further reduction of losses. He felt that the Greyhound officials have chosen statistics to make their case stronger. He pointed out that one period of samp ling from October 1-14, 1976 occurred during the opening of hunting season and most West Virginians are in the woods during this period of time. The other sample date chosen December 4-17, 1976. Delegate Burke pointed out that this period came after Thanksgiving vacation and immediately before final examinations at the college. He felt the samples were not representative. Officials agreed with Burke that July was a much better month for passenger miles.

> The next hearing will be held in Clarksburg on Wednesday, January 12, 1977. Dr. D. Banks Wilburn, President of Glenville State College will attend this hearing.
