

# The Glenville Mercury

Number 24

Glenville State College, Glenville, W. Va.

Friday, March 11, 1977

## Six Girls Vie for Title

Six girls have entered the competition of the 1977 Miss Glenville State College Pageant.

Ohningohow Players are sponsoring Ms. Daysi Melo, a freshman. Ms. Melo is the daughter of Mr. Egidio Melo of Leisure City, Florida.

The Delta Zeta sorority is sponsoring three girls in the pageant. Ms. Karen Pettry, a freshman from Madison, is the daughter of Mr. Tommy G. Pettry. Ms. Debra J. Stalnaker is the daughter of Mr. & Mrs. W.C. Stalnaker. Ms. Stalnaker is a junior. Ms. Vicki L. Wilson, daughter of Mr. & Mrs. Robert Wilson of Vienna, is also a junior.

The Sigma Sigma Sigma Sorority is sponsoring two contestants. Ms. Deborah J. Clark, a sophomore is the daughter of Mr. & Mrs. B.H. Clark of Scott Depot. Ms. Rebecca L. Merriman a freshman, is the daughter of Mr. & Mrs. Donald Merriman of Sunderland, Maryland.

Ms. Pitty Groves, reigning Miss GSC will head the pageant.

## Rod Rodgers Dance Co. Scheduled To Perform

The Cultural Affairs committee of GSC presents the Rod Rodgers Dance Company on March 22, 1977. There will be a dance workshop at 3:00 p.m. in the auditorium for anyone interested. The concert will be at 8:00 p.m. in the auditorium. Students will be admitted free with I. D. Adults will be charged \$2.00 and Faculty will be charged \$1.00.

Black awareness is getting big these days and Rod Rodgers' choreography holds a steady stream of black consciousness that inspires each step. For an outlet from frustration, the black man often turned to music and dance, represented in Rodgers repertoire by traditional music and dances. The performance holds much content and drama of unity undisturbed. Prepare yourself for an evening of unique entertainment - an extraordinary performance of modern dance.

The Rod Rodgers Dance Co., pictured above, will appear here on March 22, 1977 in the GSC Auditorium.

## Pizza on Campus!

GSC may not have beer on campus but it does have pizza. The Student Union now sells pizza. A sausage or pepperoni pizza is \$1.75. A "deluxe" pizza, with various toppings, is \$2.25.

## Multi-Media Show Slated for Campus

You probably have seen the name or heard TWENTYONEHUNDRED. Just what is all the noise about? Ok, TWENTYONEHUNDRED is a multi-media show which is being sponsored by Student Congress. A team will be coming to Glenville March 23 and 24 to present the show. They will be using 14 projectors to show images on a wide screen and a quadraphonic sound system over which will be played music by contemporary artists. It will be shown in the ballroom and is free to everyone. The showing times are 8:00 p.m. March 23 and 12:30 and 8:00 p.m. March 24. Refreshments will be served. TWENTYONEHUNDRED should provide an interesting look at today's society and perhaps at ourselves. The show will last about one hour and there will be festival type seating on the floor. It will be an interesting experience for all who come.

## New Student Congress Members Elected Wed.

Congratulations to the new Student Congress officers. Elections were held Tuesday and Wednesday, March 8 and 9 and the following were elected: President, Dale Moore; Vice - President, Cindy Gunnoe; Treasurer, Deb Stalnaker; Parliamentarian, Dale Sparks; Sophomore Representative, Terrye Evans; Junior Representative, Don Post; Senior Representative, Debbie Nichols; Senators - at - Large: Mike Swann, Tom Phillips, Debbie Clark, Mark Rohrbough, Kenny Skinner, Patsy Groves, and Anita Keister. There was a tie for the position of Secretary and there will be another election at a time to be announced.

## Heart Fund Nets \$1,620

Gilmer County Heart Association has collected \$1620.30 toward its goal of \$2100 this year. House to house solicitation, business contributions, and special events have not been completed to date, according to Mrs. Garnett Taylor, County Chairman.

A breakdown of monies collected thus far includes: house-to-house, \$1016.90; envelopes recieved, \$84; business, \$274; special events, \$55.40; organizations, \$5; and memorial gifts, \$185.

Dr. Darnall has received application blanks for the Fall Semester 1977 Public - Service Internship. The program will continue for a period of sixteen weeks or one semester. All interns will receive 15 hours of college credit upon satisfactory completion of the internship and a weekly salary. The program is open to full-time juniors and seniors.

## Spelunking Course May Be Expanded

According to GSC instructor Mr. Jim Meads, the interest in the cave biology field course has been fantastic and additional courses may be planned in the future. The first spelunking field trip will be conducted on Saturday, March 26. The purpose of this trip will be to acquaint the students with the commercial aspects of West Virginia caverns.

Smokehole Caverns, located in Grant County will be toured Saturday morning. This is an active cavern and will allow the students the opportunity of observing a variety of cave formations. The Main Room, with its abundance of beautiful stalactites, is worthy of the title - "The Room of a Million Stalactites." Smokehole Caverns was opened for commercial purposes on May 30, 1940.

Two additional caverns will be explored. Seneca Caverns, developed for commercial use in 1930, is located in Pendleton County and will be the first cavern that will be visited during the afternoon session.

The third cave that will be explored is the Stratosphere Balloon Cave which is named for the large ribbed flowstone mound that extends twenty-five feet to the ceiling. This will be a unique experience for the student since this cavern was formerly commercialized. This cavern is located 200 yards from Seneca Caverns and is one of the oldest known caves in West Virginia. Bishop Francis Asbury described it in his journal for July 21, 1781. While the formations in the Stratosphere Balloon cave are well worth the visit, of equal interest is the fungus action on the old wooden stairs and walk. Large sheets of white slime fungus hang from the railings and walk.

Additional spelunking trips are planned throughout the term. The Sinks of Gandy, Carter and Cascade Caverns in Kentucky, and selected Pendleton County caves will be explored.

PITTY GROVES - ALPINE FESTIVAL QUEEN

## Ms. Pitty Groves Becomes 1977 Alpine Festival Queen

On March 6 Ms. Pitty Groves returned to the GSC campus as the reigning Alpine Festival Queen. Ms. Groves and the other contestants attended a German Fest Dance. Saturday Mar. 5 Ms. Groves attended a Ball given for the contestants. That night she also attended a buffet with her escort. Sunday, Mar. 6, Ms. Groves attended the Governor's Cup Race. She also visited Canaan Valley, Black Water Falls, and enjoyed a Swiss picnic with wine and cheese.

Her lodging was provided for by the Pageant and her escort, Riley Barb, a TKE from Fairmont State College, was also provided by the Pageant.

On Thurs. Mar. 3 she met the judges. On Friday Mar. 4 she attended the skiing competition which she thoroughly enjoyed, despite, as she says, "I have never skied in my life." Friday afternoon at 3:00 p.m.

Ms. Groves was crowned the Alpine Festival's Queen. That night Ms. Groves and the other contestants attended a German Fest Dance. Saturday Mar. 5 Ms. Groves attended a Ball given for the contestants. That night she also attended a buffet with her escort. Sunday, Mar. 6, Ms. Groves attended the Governor's Cup Race. She also visited Canaan Valley, Black Water Falls, and enjoyed a Swiss picnic with wine and cheese.

Ms. Pitty Groves, 20, is the daughter of Mr. and Mrs. John Groves of Summersville. Ms. Groves is an active member of the Delta Zeta Sorority here at Glenville and the reigning Miss GSC.

Over all it's been a good week for Ms. Groves, and as she looks back on it all, she has only to say, "I intend to go back to Tucker County!"

On Tuesday, March 8, 1977 several GCHS students attended a visitation day on the GSC campus. Pictured above, Dr. D. Banks Wilburn talks to the college-bound seniors.

## Week of Bliss After Snow

Are you on your way to the sunny shores of the Atlantic or (heaven forbid) the ski slopes? It's spring break (but who needs it?) A week of sheer bliss away from the books and the happy hills of GSC.

Remember a month or two ago when many students were shouting "Let's go home?" After suffering through the snow drifts and cold temperatures in classrooms won't it be nice to have this week to get over the insufferable mid terms?

Now everyone is headed out. Over half of the student body is already on the road and the campus is a bustle of activity. Within a few hours it will be deserted (and Glenville will have some peace and quiet for a week.)

We on the Mercury staff wish you a good holiday. Drive safely and be back in time for finals!

Peggy Bauman,  
Editor

## KDP Elects Officers

A meeting of Kappa Delta Pi was held February 24, 1977, at 5:30 in Clark Hall. Plans were discussed for the meetings. It was suggested to form a committee to find out what KDP is and what it stands for. This committee will present their findings as a program for one of the meetings or at Spring Banquet. Programs were also discussed which would deal with new ideas in education and keeping up with such things as setting rules for attendance at meetings; sponsoring an essay contest on "Futurism"; offering an outstanding student teacher of the semester award; and possible speakers for the Spring Banquet.

It was decided at this meeting to meet every third Thursday at 5:30.

The dates are as follows: March 10 (due to Spring Break), and April 14.

The last KDP meeting was March 10. Attendance will be required for all future meetings of KDP. Pictures were taken for the Kanawha Chapter and plans were finalized for the Spring Banquet. The date is for April 18, in the Ballroom.

The Officers of Kappa Delta Pi are as follows: President- Kim Beebe ; Vice-President-Debbie Randolph; Secretary-Linda Sparks; Treasurer-Debbie Wildman; and Historian-Reporter-Dale E. Moore; and they would appreciate your support and attendance at the meetings.

The application deadline for the West Virginia Higher Education Grant has been extended from March 1 to April 1 by the West Virginia Board of Regents. Any student interested in applying for this award should submit an application to the Office of Financial Aid no later than March 28.

Education 301 will be offered during the second semester summer school 1977. (July 13 - Aug. 12, daily) Anyone planning to enroll in this course should report to the placement office at their earliest convenience. Arrangements must be made for the activity which accompanies the course.

# College 'Greeks' Plan Spring Activities

## LAMBDA CHI

The Brothers of Beta Beta Zeta will probably be on their way to Florida by the time this edition of the Mercury comes out.

The chapter would like to take this time to congratulate Brother Mike McClung on being accepted to med school and Brother Mark Elder on being named MVP in last week's regional Jaycee tournament in which the Glenville chapter won.

Congratulations also go out to Don Whalen on last week's top average of 190 in the weekly bowling league at Al's. Whalen also had the top game of 253 while assoc. member Alan Farnsworth had the low mark of 104.

C.V. is this week's distinguished recipient of the WINO award for "doing it in the dirt" while Mike McClung won the KCUP, Tim (portabar) Bryant the AH, and Jeff Efaw the POW.

## TKE

The regular weekly meeting was held Tuesday, March 8. Plans were discussed on court ball and getting news letters to Alumni. Money making projects were discussed, such as: bread sales, car washes, and the Sixth annual softball tournament.

The Chi Beta Phi meeting that was scheduled for Sunday March 20, 1977 has been moved to Sunday, March 27, 1977 at 7:00 p.m. The topic of the meeting will be a discussion of the trips mentioned in the first meeting. If you are planning to go on some of these trips, please attend.

## National Nutrition Week Celebrated March 6-12

"Nutrition: Foodway to Fun and Fitness" will be emphasized during the fifth annual National Nutrition Week, March 6 - 12, 1977, sponsored by the American Dietetic Association.

Maintaining nutritious eating habits and keeping active enhance a body's health and state of mind. Practicing both can actually be fun!

Nutrition need not be monotonous. Persons can vary their daily food intake because of the many components which make up a balanced daily diet. In this diet, meals and snacks should be built upon milk and dairy products, meat and fish, fruits and vegetables, and enriched or whole-grain breads and cereals.

Exercise need not be limited to calisthenics. Walking, bicycling, and swimming are some pleasant and effective ways to burn up calories and shape up bodies.

Conveying this National Nutrition Week message to the nation is jointly undertaken by ADA and its state and local affiliates. The approximate 31, 250 dietitians who are ADA members work in hospitals, universities, industry, and federal, state, and local health agencies.

"Nutrition: Foodway to Fun and Fitness" will adorn many of these facilities in March.

Although National Nutrition Week spans 7 days, the practice of eating properly and exercising regularly should apply for lifetimes. As Clara Zempel, R.D., A.D.A. Executive Director, points out: "Our nation emphasizes the necessity of good nutrition for the health of its people. Members of the American Dietetic Association and allied associates are urged to continue to stress that each person of every age pursue a balanced diet and moderate exercise for optimal strength and vitality."

We would like to congratulate the TKE Tanks for their wins in the intramural contest. Their skill and hustle proves they are number 1. Also with a 2-0 record are the Street Rats. We are still hoping for the TKE 1 team to pull one out.

## THETA XI

The brothers of Kappa Eta Chapter of Theta Xi Fraternity held their meeting of Monday, March 8. Many fund raising projects were discussed. The brothers are now in the process of raffling off a \$25.00 savings bond. We are also washing and waxing cars. Also, after spring break the brothers will be offering their services for spring clean-up for people around the community.

Awards this week are as follows: S.L.O.T.H. award goes to Jeff Castin. And the L.O.V.E.R. award goes to Fred Copely because Mom Adkins says he deserves it. Congratulations.

## SIGMA SIGMA SIGMA

The Delta Alpha Chapter of Sigma Sigma Sorority held a Grub meeting in the Sigma Lounge March 7, 1977. Many activities were planned for the week we return from Spring break including: a Sisterhood workshop, a swim party with the pledges, and a car wash.

Spring Sing will be the 30th of April and sorority participation is expected.

The sisters were fortunate to have a guest speaker, Pat Wilmoth, from Parent Education Research Center (PERC) speak at the meeting about the philanthropy project Sigma is participating in.

Sister Lyn Bartges is the newly elected President of Panhellenic council, Congratulations Lyn.

Sigma's wish everyone a happy, safe, enjoyable Spring Break.

## DELTA ZETA

Due to the annual spaghetti dinner, there was no meeting of Theta Xi chapter of Delta Zeta. The sisters extend their thanks to everyone who supported the chapter by attending the dinner.

Pledge class officers for this semester are: President - Sue Lieving; V. P. - Deena Snyder; Secretary - Jaquetta Mahan; Treasurer - Bev Hamric; Panhellenic Rep. - Daisy Melo.

The pledges have been planning many surprises and activities involving the activities.

The sisters hope everyone has a good spring break and arrive back rested and safe when break is over.

## Student Reiterates

Well, I'm back again! I'm not sure how many of you remember me. I'm not even sure how many of you ever knew me. My name is Terry Crislip and I am a senior business major here at Glenville State College.

If the name doesn't catch your eye, then maybe you'll remember the article which I wrote in the Mercury. The name of the article was "A STUDENT PLAYS 20 QUESTIONS." I didn't expect any answer. The purpose of the article was to point out to the students and the administration some problems here at our college. I think the article did what it was intended to do, it got people thinking out loud.

I received a report that the administration was taking steps to answer my questions. One question which I asked, was intended to show the foolishness of making adults sign in and out just to read a daily newspaper. I heard that the House Director in Louis Bennett Hall had her workers timing the actual amount of time it took to sign in and out. (In my article, I asked why a student has to go through 5 minutes of paper work just to read a .15 newspaper) Everyone understood that the time wasn't important, it was the idea. (I guess it only takes 33 seconds of paperwork but that's being picky and not in anyway answering the question.)

Now getting around to the main reason I'm writing this follow up article, I started here at Glenville in 1973 and will graduate in May of this year. As shown in my article, I've seen a lot of injustice here at GSC, but the people here are fantastic.

I came to Glenville to play golf. For three years in a row we have sent golfers to the nationals (which is some accomplishment). And now that I'm a senior they came up with the idea that Glenville doesn't need golf. Because of the great students here, though, we will have golf. Thank you.

There are rumors floating around about Glenville being shutdown in a few years (maybe just rumors) but I think this would be an injustice to the great people here. The students and most of the faculty here have made my four years very precious. You won't find friendlier people in the entire world.

The most important thing in the world are its people. I'm making a written request to Dean Simmons--Please make some liberal changes which will result in more students, which will result in keeping Glenville State College people.

I and the Stoppers salute all the people for making Glenville what it is!!!

Terry Crislip

Two GSC students display Nutrition Week poster.

# Halftime Talk

By Doug Martin

We're at one of those times of the year again when the campus sports are few. Both basketball teams just ended successful campaigns and put their uniforms back in moth balls. The bowlers have finished another good year and are all now busy having plastic surgery performed on their thumbs. Baseball doesn't start until next week, and golf not until the last of the month. I've no sportsworthy news to bore you with, so I'll just let my mind and pen wander.

It's been a hot rumor on campus the last couple of months that we will have a new athletic director next year. I have not heard any official announcement from the administration so I do not know if it's anymore than a rumor. But if it is the truth I think the replacement should be named soon by the Board

of Regents or whoever is responsible so that the Physical Education Dept. will not be left out in the dark concerning who their new head man will be.

It would be terribly hard to try recruit or schedule activities for next year when you're not sure who is going to be calling the shots. In my opinion, it would only be fair to name this replacement (If there is going to be one) as soon as possible, so things can be carried out under his leadership and ideals.

\*\*\*\*\*  
Another thing that I have been asked about quite frequently lately is whether or not there will be a GSC varsity track team this spring. I have not heard one way or the other, but I hope we do since valuable money was spent on a track at the new athletic facility on Mineral Road,

This year's version of the GSC baseball team which will head south today. Front Row (L to R): Tom Shreve, Tom Mathias, Tim Shepherd, Ralph Smith, Gary Nottingham, and Dale Norman. Second Row: Pat Beebe, Dale Stover, Randy Newlon, Roy Alltop, Tom Keene and Bill Chichester. Third Row: Ronald Chadwell, Joedy Moots, Fred Smith, Ted Valentine and Randy Whytzell. Fourth Row: Duane Lipps, Eddie Hendricks, Larry Salisbury, Karl Beenett, Don Casto, and Coach Belcastro.

## Baseball Team Opens With Southern Trip

The 1977 version of GSC baseball will take its southern trip next week while everyone else is enjoying a needed Spring Break. It will be all business for the baseball team as they try to make a better mark for themselves than they did last year, when they not only lost all seven games while down south, but were beaten handily in each one of them. The baseballers start their journey with a game at Erskine College in South Carolina. They will then go on to play a game each day except Wednesday, finishing against Madison College of Virginia next Saturday.

The baseball team suffered through a 3 - 24 season last year, but have the earmarks of bettering that record this year. Coach Belcastro didn't get to recruit last year, having to depend on walk-ons to carry much of the load. But this year is dif-

ferent with 10 freshmen recruits and walk-ons to go along with 6 lettermen and various upperclassmen walk-ons.

The 6 lettermen returning on this year's squad are Captain Tim Shepherd, a senior first baseman; Scott Anderson, a senior outfielder; Tom Mathias, a senior outfielder; Roy Alltop, a junior pitcher; Ralph Smith, a junior pitcher; and Dale Stover, a sophomore second baseman. There are also two junior college transfers on this year's team who lettered last year at their respective schools: Bill Chichester (third baseman) and Tom Shreve (pitcher).

There are nine players missing from last year's team. Three seniors graduated last year (Buddy Jarrell, Terry Baker, and Rick Vass), and 6 other players did not return for various reasons.

This year's team is shaping as one

with more depth and stability. Coach Belcastro has six front line pitchers, who he feels can start on any given day. There is also a big battle going on for the catching position where freshmen Pat Beebe and Joedy Moots have both shown the ability to get the job done. Infield positions seem pretty well set with Tim Shepherd playing first, Dale Stover at second, either Fred Smith or Randy Newlon at short and Bill Chichester at third. Outfield positions may be juggled around a bit, but look for Scott Anderson, Gary Nottingham, Tom Mathias, Tom Keene, and Moochie Bennett to share most of that load.

After returning from the southern trip next week the Pioneers open their regular season at home with a single game against Point Park next Tuesday and a double header against Morris Harvey next Saturday. Game time for these games is 1:00 p.m.

### SOUTHERN SCHEDULE

Sat. March 12	Erskine Coll.
Sun. March 13	Francis Marion
Mon. March 14	Coastal N.C.
Tues. March 15	Wake Forest
Thu. March 17	Baptist Coll.
Fri. March 18	The Citadel
Sat. March 19	Madison Coll.

losing only two seniors off of this year's squad, Debbie Curry and Phyllis Taylor. A successful year like the one they just had should also help Coach Davis's recruiting for next year.

## Pioneerettes End Successful Season

The women's basketball team finished a highly successful season last week by competing in the W.Va. Women's Basketball Tournament. They found some success in this, too, winning their first round game over Fairmont before losing to powerful Marshall in the quarterfinals.

Wednesday afternoon the ladies outperformed the Fairmont Falconettes 70 - 46 to advance in the tourney. That made two wins for GSC over rival Fairmont in less than a week. Debbie Grogg, who had an outstanding tournament, led the Pioneerettes with 18 points and 20 rebounds. Kim Short, Kim West, and Kim Roten scored 12 points each to round out the double figure scoring for the G-Women. Karen King led the Falconettes with 15 points.

Thursday afternoon our women advanced to the quarter finals against Marshall U. The ladies played hard but couldn't overcome the strength of major college Marshall, losing 75 - 65. Debbie Grogg once again led the Glenville attack with 23 points enabling her to average 20.5 points for the tournament. Kim West added 18 points to the cause (15 point tournament average), and Kim Short contributed 10. (11 point tournament average). Mary Lopez, a flashy guard, scored 27 points, and proved to be too much for our ladies to handle.

This tournament ended Glenville's most successful girls basketball season with a 12 - 6 overall record and 8 - 3 conference record. Coach Davis's squad can look forward to continued success since he is

## Women's Final Regular Season Stats

Name	Game	Field Goal Percentage	Free Throw Percentage	Rebound Average	Assists	Turnovers	Scoring Avg.
Patsy Groves	14	.240	.200	3.4	6	35	3.8
Kathy Wass	14	.148	.250	1.6	1	11	.7
Sarabeth Deem	16	.420	.444	5.4	2	19	3.1
Kim Short	16	.372	.629	2.8	21	76	16.1
Kim Roten	16	.315	.389	5.1	14	67	7.6

## Bowlers Place 2nd in WVIAC

The bowling team finished their season as expected, with a second place finish in the state conference tournament last weekend at Parkersburg. West Liberty won the event (as expected) with a 16 game total pinfall of 15, 181. We followed with 14,233 and Concord was a close third with 14, 210.

To show just how much West Liberty dominated the tournament they placed four out of five bowlers on the all-conference team. They should be a good representative out of this district to go to the nationals and place well there.

Dale Sparks led the Pioneers in this final roll-off with a 16 game average of 180. Dave Twyman was second with 177, Bob Davison third with 175, Mike "Stretch" Hickman was fourth with a 173, Mark Smith fifth with a 162 and Dave Eckhart finished up the field with a 157 average. Each bowler for GSC had a 200 game, and most of them had at least two. Dale Sparks led in this statistic, too. He had a high game of 237 along with games of 219 and 215. Twyman had a high game of 225, Eckhart a 217, Hickman a 212, Davison a 209 and Smith a 200.

Now the Keglars must wait to see if they will receive a "wild card" bid

Tim Shepherd  
Baseball Captain

to the nationals in Kansas City. If they don't their season is over for this year, and it's been a good one, even if they didn't win the conference, or get a chance to defend their national championship. Here is how the players finished the season average wise: Once again Freshman Dale Sparks is at the top of the list with a season average of 178; freshman Bob Davison was second with a 177; Sophomore Dave Twyman finished third with a 176; sophomore Mike Hickman came next with a 175, sophomore Mark Smith never completely recovering from a mid-season leg injury finished with a disappointing 158 average, and freshman Dave Eckhart finished with a 153 season average.

Here is the 1976 - 77 Intramural Volleyball Champs, The Stoppers. Left to Right: Ralph Smith, Terry Crislip, Danny Pruden, John McCutcheon, Randy McLead and Dave Twyman.

# Slalom Course At Snowshoe

Snowshoe announced that it will hold its first annual College Invitational Race, Sunday, March 13th. The race is a giant slalom course set on the challenging Cup Run slope. It will be 360 meters in length with 48 gates, utilizing 1160 feet of Cup Run's 1500 vertical feet. All colleges in the middle Atlantic area are invited to send teams to participate.

The race is primarily a team event, but medals will be awarded for the first three individual finishers with the best time in both women's and men's divisions. Each team can have a maximum of six members per team with the best four times for the final winners. Individual medals will be awarded to the first, second, and third place team finishers with a team trophy to the best team.

Each racer will have one run which will count for both individual and team event. Entry fee is \$10.00 per person and should be submitted no later than March 10th to Walter Hundt, Ski School Director at Snowshoe. The maximum number of racers will be limited to the first 100 racers applying. Pre-race regis-

tration from 8:30-9:30 A.M., Sunday, March 13th. Race time is 10:30 A.M.

The public is invited and there is no charge for spectators.

## Eating Contest

The 4-H club held a cupcake eating contest March 9 in the Multi-Purpose room. The "No Heartburn six man team" consumed 81 iced chocolate cupcakes in two minutes. August "Gook" Kafer won in the singles finals, eating 16 in two minutes. Finalists "Balboa" Beliveau and Jeff Gainer reported that they suspected they had eaten part of the paper covering their cupcakes.

Teams competing, numbering six stomachs per team, were the 4-H team, "Del Prince's Italian Army," The Mercury's Skinny Six," The "No-Heartburn Six", the Theta Xi team, and the "Sexy Six."

Prizes awarded were five dollars, a box of Ex-Lax, and a box of Alka-Seltzer.

The Mercury Staff would like to issue the following spring vacation warning: don't drink too much, drive too fast or study too hard!

"Gook" Kafer stuffs 'em in during the singles competition in the GSC Collegiate 4-H Club Cupcake Eating Contest.

The residence halls will be closed on Friday, March 11, 1977 at 5:00 p.m. and will open on Sunday, March 20, 1977 at 12:00 noon. The noon meal today, March 11 will be the last meal served until the evening dinner meal on Sunday, March 20, 1977.

# Student Teachers Present Program

A panel of student teachers will present the program at the March meeting of the Student Education Association to be held at 6 p.m. on Tuesday, March 22, in the ballroom. The panel is composed of students who completed their student teaching during the fall semester in Braxton, Calhoun, Lewis, Wood, and other counties. They will be representing various teaching fields: Early Childhood, Elementary Education, Special Education, Music, Art, Physical Education, and Secondary academic areas. The student teachers will describe their experiences, demonstrate some of the instructional aids which they used, and give helpful hints for future student teachers.

Daniel Tingler, newly appointed Student Education Association president, will conduct the meeting. He will be assisted by Kim Poling, vice president, Becky Simmons, Secretary, and Carolyn Holstein, treasurer. The publicity committee is composed of Joyce Feldman, Betty Cross, and Gloria Ross.

Mrs. Mary Rodebaugh, chairperson of the Membership Committee, will

report on the current membership drive. She and Committee member Brenda Foster have been visiting Education classes, and telling about the advantages and privileges of being a member of the educational organizations. Membership has already passed last year's total, and students are encouraged to join by contacting Ms. Rodebaugh, Ms. Foster, one of the officers, or Dr. Theresa Gray, SEA sponsor.

After the program, refreshments will be served by Connie Snider and her committee.

## STUDENT CONGRESS SCHEDULES MOVIES

The Student Congress has two more movies scheduled for the Spring semester: "Judge Roy Bean" (March 23) and "Funny Lady" (April 21). Paul Newman is the main attraction in the quite entertaining "Life and Times of Judge Roy Bean." Barbra Streisand and Omar Sharif star in "Funny Lady." Both movies will be shown in the Auditorium, each with two showings; the first from 6 to 8 and the second from 8 to 10. Admission will be free for those with ID's.
