

Mr. Benjamin J. Polis, GSC's newly-selected PR Director.

## Vocations Seminar Held In November

"Career Options in Religious Vocations" is the title of a seminar planned for November 8, 1977, by the Career Planning and Placement Office. This seminar is intended to provide exposure concerning the various careers available in religious oriented occupations. Some of the areas planned for discussion are:

1. Christian Broadcasting of Christian Communication
2. Christian Education
3. Ministry of Music.
4. Pastoral Education and Counseling.
5. Missionary.
6. Peace Corps.

Mr. Carry Rickman from the Asbury Theological School of Kentucky will also be on campus that day for the seminar, and to interview students. Anyone interested in speaking with Mr. Rickman should stop by the Placement Office to schedule an interview.

The seminar, in cooperation with Reverend Adkins, is to be held in the Wesley Foundation at 6:00 p.m. Everyone is invited to attend.

## President's Family to Move

The President's Home, located beside the Pioneer Center, will soon be occupied again.

President Simmons and his family plan to move in around the first of November. The Simmons family will occupy a slightly redecorated home, with the major changes being new carpet and a freshly painted interior on the first and second floors. The new carpet is a rust color which contrasts nicely with newly painted walls of antique white. New draperies and some new, brightly colored Early American furniture have been ordered. The drapes and furniture previously used in the house will be stored for future use.

Noticeable changes of the grounds around the brick home have been

## Polis Assumes PR Position

The assistant editor of *The Inter-Mountain*, a daily newspaper published in Elkins, has been selected for the job of Public Relations Director for GSC. Mr. Benjamin J. Polis will assume his new duties on November 1.

Mr. Polis worked as a staff writer and photographer for the *Wheeling News-Register* before he moved to Elkins. Before working in Wheeling, Mr. Polis was the Personnel and Finance Manager of Polis Brothers, a wholesale-retail food outlet in Fairmont.

Mr. Polis is married and has one child. He is a 1973 graduate of West Virginia University, with a Bachelor of Science degree in journalism-public relations.

There were a large number of applicants for the position. The primary job for the new Director will be to make the public aware of activities concerning GSC.

ities concerning GSC.

Members of the Search and Screening Committee who unanimously selected Mr. Polis were Dean Mack Samples, Dean Lowell Peterson, Director of Administrative Services Robert Gainer, Assistant Professor of Journalism Mrs. Yvonne King, and Placement Officer and Director of Off-Campus Activity Joe Hickman.

The GSC Student Congress would like for all functioning organizations on campus to submit a list of their officers to the Student Congress by next Wednesday.

The Student Congress is starting a Housing Directory for the Glenville area in order to aid students in finding available housing. If you know of any apartments or other housing being rented to college students, please submit the information to Deb Stalnaker

## NTE Has New Significance

The National Teacher Examination is required of all education students for graduation and certification. Until recently, the NTE seemed to exist only for that purpose. Now, however, the NTE has gained a new significance.

On October 20, a workshop was held in the ballroom of the Pioneer Center to explain specific areas of deficiency among graduating GSC seniors as shown on the NTE. In past years, the administration and faculty have had difficulty in evaluating the effectiveness of the education curriculum on the basis of the NTE percentile scores which failed to indicate areas of weakness.

Mr. Richard Majetic, Program Director of NTE, and Mrs. Aileen Cramer, Director of Test Development for NTE, led the workshop and discussed the NTE results with GSC faculty, administration, and other

education personnel. Factual knowledge and value judgments seem to be adequate among GSC graduates. Questions concerning ethnic situations which are unfamiliar to GSC students and tests and measurements appear to be areas of deficiency. According to President Simmons, this should not cause a great deal of concern because these areas are not stressed and required of GSC students. Low scores in areas emphasized by the education curriculum (such as math in the elementary program) would arouse concern and indicate a definite need for reform.

President Simmons hopes to obtain a yearly report indicating the strengths and weaknesses of GSC graduates. With the use of such reports and other information, President Simmons hopes to keep an up-to-date evaluation of the current education curriculum.

Representatives Mrs. Rita Shamblyn, Dr. John McClure, and Mrs. Ann Shelley also attended the workshop.

## CHOIR PLANS TOUR

The Glenville State College Choir will make a tour throughout the eastern part of the state from November 16 through November 18. This is the annual Fall tour which takes the Choir primarily to high school audiences.

The itinerary for this Fall's tour includes Braxton County High School and Midland Trail High School, November 16; Pocahontas County High School and Circleville High School, November 17; and Union High School, Mt. Storm and Preston High School, November 18. An evening concert is scheduled in Fayette County at Ansted on November 16, at the Ansted Baptist Church.

## When They Call Wolf, It Could Be For Real

The little boy is crying wolf again and nobody seems to be concerned. The fire alarm at Pickens Hall (whether malfunction or prankster) is getting quite a work-out this fall. This, in itself, is cause for concern, because many residents forget that there may be a valid reason for the alarm. Another cause for concern is the evident fact that few residents bother to follow the proper procedure for fire drills in these instances.

It's rather surprising that the officials of the building don't even bother to get everyone out before they turn off the alarms and give the command to go back to bed. Of course, it should be mentioned that the Resident Assistants check every room for fire or for persons who would rather die happy in their warm beds than survive in the cold. Even with this precaution, the correct procedures should be followed every time that alarm rings.

The procedures are simple and are listed on signs which are posted near the fire extinguishers on every floor. In some institutions, students are fined if they don't follow these rules and others are given demerits for carelessness. At GSC, the carelessness during these drills is slightly less than shocking.

Sometimes we tend to forget that a fire or disaster is most likely to occur when there is a surprise alarm. Or has someone at the college hired a fortune teller so signs can be posted two days in advance?

The next time the fire alarm wakes you from a sound sleep, pull your body out of bed and grab your hard-soled shoes and get out of the dorm! Maybe it is someone's idea of a joke, but someday you may find out too late that it isn't that funny.

The Student Education Association (SEA) will meet Tuesday, November 8, 1977, at 6:00. Guest speaker will be Dr. Louis Rutherford, an instructor of education courses at Parkersburg Community College. Any student interested in becoming a member of SEA is welcome.

## Tim's Tales

by Tim Brady

This week's futile attempt at literary utterances is only for those who are not native or acquired "hillbillies." The following is a partial guide to those uninitiated people who have not as yet mastered the art of talking hillbilly.

First of all, one must realize when one is conversing with a genuine hillbilly, for it would be futile folly to utter hillbilly words to the N.H. (non hillbilly.) A common ordinary hillbilly can be recognized by either one or all of the following:

(1) A roundish protrusion from the cheek or lower lip, evidence of snuff or tobacco (notice hillbilly pronunciation, ta bac ē.)

(2) A chapeau that bears a C.A.T. patch, a Mountain State Mack patch, or "I'm a real C. B. er."

(3) A true hillbilly will also take offense at being referred to as "those dumb coal miners."

Now some of the words and phrases the N.H. should be aware of: Hep-assistance or services one can give to another. "I will hep you with your corn crop."

Tar-a round rubberized object that makes things move easily.

"Hey buddy, you got a flat tar."

Havanity-a thought or an idea. "I havanity that you think I'm crazy."

Band Egel-The symbol of the nation.

Hypard rifl- a weapon used to hunt deer and other large animals, spect-to make a supposition or guess. "I spect I better be going."

These few hints on how to speak hillbilly may be helpful to you out there who do not as yet speak the language. "Well ya'll come back now, ya hear?"

## STRANDED

## Drama Players Choose Initiates

Ohnimgohow Players have announced the names of eleven pledges for this fall. They are: Ritchie Reed, Dee Walker, Christy Poole, Janice Smith, Jonalene Paxton, Barbara Burkhamer, Debbie Grahm, Susan Parsons, Stephanie Davis, Debbie Wildman and Kenny Anderson.

According to pledgemaster Charlotte Eary, pledges are required to carry a sign upon which they must get the names of active Ohnimgohows. Other duties include reporting to the "Underground" daily, attending pledge meetings, wearing felt Ohnimgohow patches, passing the pledge test, and attending Ohnimgohow get-togethers such as the Halloween party to be given October 31.

The pledge period lasts four weeks at the end of which there are informal and formal initiations.

The purpose of the Ohnimgohow Players is to promote drama and appreciation of the theater on the GSC campus. Active Ohnimgohows devote at least five hours a week on drama productions, view other plays and theatrical companies, and help any or all visiting organizations set up on GSC stage.

Don't forget the Michael Johnson concert tonight at 8 pm in the GSC auditorium. Admission is free by ID.

## Contest Held

The "Great Chi Beta Phi Frisbee Contest" was held last Saturday, 22, at Rohrbough Field with competition in three different divisions.

In the accuracy contest the competitors were required to throw a frisbee through a tire positioned 1/3 way up the goal post. The winners in this division were Wayne Ervin, first, and Lee Hodges second place.

In the distance competition, those with the strongest arms and best style emerged as the victorious. Nathan Knowles garnered the first place position, followed by Tim Coffman and Karl Bennett.

Testing both accuracy and distance, the field goal competition was hotly contested. Starting at 10 yards distance from the goal posts, the participants tried their hand at "throwing" a field goal. The distance of the throw was increased until Nathan Knowles emerged the winner. Second place was occupied by a six way tie.

## 'Greek' News

THETA XI

Kappa Eta Chapter of Theta Xi fraternity held its weekly meeting Tuesday, Oct. 25. The Brothers are looking forward to their shooting match Nov. 5, at the college barn from 9:00 a.m. - 2:00 p.m. Several turkeys will be given away. Everybody is invited to attend. Sadie Hawkins will be held Nov. 12. Further information will be forthcoming in later editions. The Brothers held a talk session with the pledges after the meeting. Awards this week are as follows: S.L.O.T.H. - Tom Antill, HOGGER Awards - pledge Jim Huffman, and LOVER Award to Mark "DZ" Dorsey. Congratulations to all.

## SIGMA SIGMA SIGMA

The sisters of Delta Alpha Chapter of Sigma Sigma Sigma sorority and their pledges have been quite busy this week. A School Dress meeting was held Monday at 5:00 in Clark Hall. Besides working at the Day Care Center and selling popcorn for Monday Night Football watchers, they have found time for a Coke party and for get togethers for enjoying their sisterhood.

A housewarming was held for sister Carla and her husband Don Whalen Wednesday evening. Best wishes are warmly extended to the Whalens for a happy future.

Birthday greetings are extended to Sister Kathy Arthur and Sister Penny Sizemore. Also Tri-Sigma's salute the Delta Zeta sorority sisters who celebrated their 75th birthday Monday.

Tri-Sigmas are proud and wish to acknowledge Mary Martin who represented GSC as Homecoming Queen, new pledges who accepted the challenge of new awareness through sisterhood, and to the sisters who find time to not only prepare a first place Homecoming float for the past 3 years but still manage to maintain the highest sorority average on campus.

The sisters are looking forward to Greek Week and improving sorority and fraternity interaction. Congratulations to those girls who accepted a bid to Order of Diana Auxiliary.

Fall Formal will be held Nov. 4 in the conference room of the Conrad Hotel. This "foilage festival" will be the beginning of a Sigma tradition at GSC.

Chili Dinner tickets may be purchased from any Tri-Sigma for \$1.75 to be held Oct. 31, in the ballroom or may be purchased at the door.

# Halftime Talk

By Doug Martin

The tough luck Pioneers. That's what this year's football team could be labeled. They haven't gotten their share of wins this year anyway, and when they get a chance to put two wins together, some unforeseen bad luck pops up. Injuries have already taken their toll this year, but last week against West Liberty the biggest tragedy of all occurred. Trailing 9-6 the Pioneers had the ball on the Hilltopper 1 yard line. One play later, West Liberty led 16-6 on a 99 yard run with a recovered fumble. The G-Men were never able to recover completely, and the rest is history.

Statistically, the game was pretty even. We led in total yards, 142 to 116, while both teams had 6 first downs. WL committed 5 turnovers compared to four for the Pioneers. The teams were also even in penalty yards, both having 92 yard markers stepped off against them.

Once again Rick Reidl was a domineering figure on defense. Besides scoring Glenville's last touchdown on a 23 yard run with a fumble, he made 7 unassisted tackles and recovered one other fumble.

Something that surprised this writer was the fact that Van Vaughn did not play any offense this week after scoring on a 46 yard run from his fullback position in last week's win.

The G-Men now face the uncomfortable task of facing W.Va. State at Institute tomorrow. Although the Yellow Jackets are 1-6 they have always been a tough opponent for the Pioneers. Last year they thumped us 53-8 and the last time we

travelled to their home turf, the bus broke down causing the team to be an hour late. They had to go through a hurry up pre-game warm-up due to this and went on to lose the game 24-3.

## WOMEN'S VOLLEYBALL

For the first time in recent Glenville history, the women's volleyball team will be playing a home game. Coach Chico will send her squad into a tri-match against Fairmont and Salem at the GSC gym at 4:30 on November 1. Lettermen (or is that letterpersons) Kim West and Connie Franklin will lead the Pioneerettes who are 0-6 on the year. This is a fine opportunity to support our women's sports, so everybody come on out and watch them play. There will be no admission charged.

## GRID FORECASTS

I must be like a fine wine or cheese. I seem to improve with age. As the season keeps rolling along, I get luckier with my picks. I was 4-2 last week to raise my percentage to .572. Still not great, but respectable.

Glenville - 10, W.Va. State - 6.  
Guilford, N.C. - 21, Bluefield - 13.  
Concord - 28, West Liberty - 7.  
Mt. Lions bounce back after upset by Fairmont.

Shepherd - 24, Fairmont - 20  
WV Tech - 28, Lockhaven (who?) - 14.

Salem - 17, Waynesburg - 14.  
WVU - 31, Villanova - 17-Maybe.  
Louisville - 35, Marshall - 27. The Herd just can't find a defense.

## LOOKING FOR A JOB?

The Mercury is looking for a sports editor to take over at the end of this semester and continue into the new year. If interested contact me or anyone at the Mercury office located in the basement of Clark Hall.

# Keglers Do Well In Morgantown

The bowlers have returned from the Mountaineer Classic and the results, although not complete, are impressive. Thirty-two teams competed in the tournament and all their scores were not in by press time, but it appears that the Pioneers finished in the top eight in the team event. We had a total pinfall for 15 games of 2584. Marshall was leading toward the end of the event with a 2805 score but final tallies are not available.

Greg Martin led the GSC keglers in the team event with a 3 game series of 525 (175 avg.). He was followed by Dave Twyman with a 522 series. He also bowled a team high 202 game. In the singles competition Twyman led all Glenville bowlers with a 510 series. This was good for a 170 average. He was followed in the singles competition by Mike Scarbrough with a 430. Glenville entered 3 teams in the

doubles competition. The duo of Dale Sparks and freshman Greg Martin had the best two-man score. They combined for a 1009 total pinfall. This was an average of 168. Dave Twyman teamed up with Mike Hickman to average 163 and Mark Smith and Mike Scarbrough combined for a 1480 average.

When all the GSC scores were in Dave Twyman was the overall leader. In 9 games the Parkersburg junior averaged 171. Next came Greg Martin with a 161. They were followed by Dale Sparks-158, Mike Hickman-155, Mark Smith-150, and Mike Scarbrough (6 games)-145.

Besides host WVU other familiar names competing in the tournament were Villanova, Ohio State, Western Kentucky and Slippery Rock. The bowlers' next competition will be in the WV Intercollegiate Tournament to be held November 18 and 19 at Marshall University.

GSC quarterback Kemp Kelly looks for running room during second half action of last week's West Liberty game.

# Hilltoppers Put Glenville In The Valley

The Pioneers lost for the sixth time last Saturday night, but again they played well enough to win. Ironically the score was the same as last week when the G-Men got their only win of the season, 16-12. This time the Pioneers never led in watching their record drop to 1-6.

The Hilltoppers from West Liberty were the opponent and they came into the game with an identical record as ours at 1-5 and saw it rise to 2-5. They jumped out to a 7-0 lead in the first quarter when a fifteen yard penalty on Glenville gave them a first down deep in our territory. Dave Allen finally scored on a 1 yard plunge. Glenville came back a few minutes later on a beautifully executed play action pass of 74 yards from Kemp Kelly to Bob Eaton who never had to break stride. The only other score of the first half came when Bob Finnerty had a punt blocked out of bounds in the end-zone. The Hilltoppers took a 9-6 lead to the locker room.

Late in the third quarter with the score still 9-6, Glenville found themselves deep in West Liberty territory after a Hilltopper turnover. The Pioneers drove to the 1 yard line, where on third and goal Tom Phillips fumbled in the middle of the line. The ball was caught in the air by a WL lineman who ran the ball about 15 yards before lateraling to Hobie Baker who ran the other 85 yards for the score. This gave the Hilltoppers a 16-6 lead and took most of the fire out of the Pioneer faithful.

But the G-Men were not finished. With about 5 minutes to go in the game, linebacker Rick Reidl scooped up a West Liberty fumble and jogged 23 yards for a TD. This brought the Pioneers back to within four points at 16-12 after the two point conversion failed. The Pioneers got their last chance with about 3 minutes to go when they received a Hilltopper punt close to midfield. But four plays could not muster enough yards

for a first down and West Liberty was able to kill the clock.

Tom Phillips carried much of the load on the ground for the Pioneers. He had 74 yards in 24 carries. Kemp Kelly had 104 yards through the air with one touchdown, but gave up 3 interceptions. Rick Reidl led the defense with 7 tackles and 9 assists. Jim Henderson and Bob Eaton each had a pass interception. The Pioneers now travel to Institute tomorrow to play the WV State Yellow Jackets who haul an identical record to ours. The Pioneers will be seeking revenge for the 53-8 trouncing the Jackets gave us up here last year in the last home game played on Rohrbough Field. Game time is 1:30 p.m.

Pioneer Field was dedicated last Saturday night during halftime activities. Speakers were former President D. Banks Wilburn, Delegate Billy Burke, President of GSC William Simmons, and Athletic Director Joseph Now.

## GSC Roundballers Will Play Chinese

On Sunday, November 6, 1977 at 7:00 the Glenville State College Pioneers will be playing the Republic of China National Basketball Team in the College Gymnasium. This game will be played according to International Rules. A copy of these rules will be printed on the game programs. Since this is a Special Event under the direction of the NAIA, admission will be \$1.00 per person attending the game. Tickets will be on sale at the door the night of the game or advance tickets will be on sale at the Athletic Department Office on Thursday and Friday, November 3rd, and 4th. Coach Jesse Lilly's Pioneers are looking forward to this game and the beginning of their 1977-78 Basketball Season. This will mark the first time for an international team to participate at the college and we are hoping there will be a large crowd turn out for the game.
