Number 10

Glenville State College, Glenville, W. Va.

Friday, Nov. 4, 1977

Sadie Hawkins is coming and the whole dern gang is getting ready for next Saturday's celebration!

## Sadie Hawkins Comes Soon

In one week perhaps the most cataclysmic event of the entire fall semester will occur (well, not counting the time the hog ate your sister.) This campus will be occupied by some of the shadiest characters this side of the Lil Kanawha River. On Sat., November 12, Dogpatch will actually come to life at GSC as the Theta Xi Fraternity sponsors their 30th Annual Sadie Hawkins Day.

Next Saturday the setting will be the 4-H Grounds on Mineral Road. The Mayor of Dogpatch Joe Kniceley will fire his squawk-gun and the day's celebrations will begin. At this year's Sadie Hawkins Day, various and sundry games and con-

tests will be undertaken such as: tugo-war, pack races, turnip eating contest, three-legged races, tobacco spitting (for accuracy and distance), greased pole climb, hollering contest (to determine who has the best set of lungs), throw-a-pie at a Theta Xi, the apple bobbing championship of the Eastern United States, and more fun than you can shake a stick at. Prizes will be awarded to the winners. (the losers won't get anything but a hard time.)

Lil Abner and Daisey Mae contest will start this coming Monday in the Student Union.

Bobby Lane will hold a dance Saturday night at the Scoreboard in honor of Pappy and Mammy Yokum.

So put on your best old duds and come on out to the 4-H grounds for all the fun you can handle next Saturday. Plan to finish off the day boogieing down to Disco music at the Scoreboard.

## SEA To Meet Tuesday Night

Dr. Lewis Rutherford will be on campus Tuesday, November 8, 1977 as guest speaker for the monthly meeting of the Student Education Association (SEA) at 6:00 p.m. in the ballroom of the Pioneer Center. Dr. Rutherford is an Education and Speech Instructor at Parkersburg Community College. The topic he will be speaking on is "Why Should We Go Back to Basics?"

In addition to the regular meeting and program, the Membership Committee and chairman Brenda Foster, will be taking memberships at the door. All education students or student pursuing the teaching profession are eligible to join. Annual dues are \$9.50. There are presently 45 members in Glenville's local chapter of SEA. Members of SEA automatically become members of the West Virginia Education Association (WVEA) and the National Education Association (NEA).

Dr. Gray's Education 301-02 class will be serving refreshments

## Program to Begin

Things have been adding up to four, when it comes to the recently approved "Two plus Two" program at GSC. On October 26, it was approved by the curriculum committee and will see implementation, hopefully at the beginning of Spring semester.

The title of the program comes from a proposal drawn up specifically by three members of the curriculum committee: John A. Chisler, Chairman, Division of Science and Mathematics; Professor of Biology; Albert Edwin Grafton, Chairman, Dept. of Forest technology and Land Surveying; asst. Professor of Forest Technology. Ernest H. Smith, Asst. Professor of Business Education The proposal involves an associate in Science degree plus two years for bachelor of arts degree in Business

## Audience Is Undesirable

Every year the Cultural Affairs Committee and Student Congress do their best to select movies and activities that they feel will be entertaining and enriching to the students of GSC. There have been so many complaints about nothing to do on campus so these committees worked harder to please the students and I feel that they have done a fine job in their selection of movies and activities. The students, however, do not seem to appreciate this. I would especially like to complain about the conduct of the students at the movie "The Sailor who Fell from Grace with the Sea." I will not, at this time, go into a critical review of the movie but instead a critical review of the audience. There were several members of the audience during both showings who portrayed a very immense lack of manners, intelligence and taste. I hate to sound like an old-fashioned school teacher, but really! We are all adults now and I see no sense in acting so immaturely as to practically hang out of the balcony, throw objects from the balcony and whisper, talk and giggle throughout the movie. The sound system in the auditorium is not that good anyway and all of these disturbances do not help at all. This, of course, is not the first movie where I have noticed the immature conduct of the students. I think it is very embarrassing and does not present a good image to visitors who attend our activities. This is a college and we are all supposedly adults and I think it's about time we start acting that way.

## Mining Movie To Be Shown

The movie "In Memory of the Land and People" will be shown on Wednesday, November 9th at 7:30 PM in the Little Theatre in the Administration Building. The film deals with the effects of stripping on the land surrounding the mines, and on the lives of the people living in areas where extensive stripping is being done. People from SAVE OUR MOUNTAINS, a statewide group opposed to strip mining, will be here to discuss the subject.

Who benefits when land is stripped? There are a few jobs created by stripping—but not very many. For the most part, its the coal companies that benefit from strip mining as they can mine the coal more cheaply, and sell in competition with deep mined coal. Stockholders, mostly out of state stockholders, benefit from strip mining.

Who pays the price when land is stripped? Whose homes are washed away when average Spring rains turn into raging torrents of mud? Whose gardens turn marshy and unusable because of silt buildups in the creeks? The damage caused by erosion of barren hillsides is severe and costly. I do not believe that strip mining is good for the people of West Virginia. If the coal is valuable enough, they can remove it without seriously disturbing the environment.

I urge everyone to come and see this film.

HEBU enjoyed the challenge and will continue to accept and meet new intellectual and political issues on campus.

## Open House Changed

During this week's Governing board meeting it was decided that Pickens Hall open house will be changed to every other week instead of every week. Open house also may be in jeopardy because the girls are not following the rules for Open House in the Student Handbook. So therefore the governing board urges the girls to take part in open house.

## The Yellow Jackets Sting G-Men

The Pioneers went down to their seventh defeat of the season down at Institute last Saturday, losing to W.V. State 19-7. As was the case the week before, both teams had only one win going into the game and the Pioneers came out with still just one win in eight tries.

Again the Pioneers played good enough defense to win, but the offense faltered, giving up two of the three State touchdowns on interceptions. The other Yellow Jackets score came after a bad snap from center on a punt attempt put State deep in Pioneer territory. Terry Atkinson was the big problem for the G-Men; he intercepted both passes that were returned for touchdowns. One an 85 yarder, after the Pioneers drove to the "Jack-et" 20 yard line. All three State scores came in

the first half and put the Pioneers down 19-0 at intermission.

Early in the third stanza, quarter back Kemp Kelly attempted to throw his third interception to Atkinson but Bob Eaton wrestled the under-thrown ball away from the defender and glided down to the State 15 yard line. This set up Glenville's only TD, a 1 yard plunge by Tom Phillips. This made the score 19-7 with still 11 minutes to go in the third quarter. After holding State on downs the Pioneers drove down to the Yellow Jacket 20 yard line before the defense stiffened and on fourth down Kelly was thrown for a big loss trying to pass, and the drive was stopped. After this neither team could mount much of a threat for the rest of the game and the Jackets held on for a 19-7 win.

Glenville won the game of statistics, outgaining State 219 yards to 118. They also kept State from completing a pass in 8 attempts (Jim Henderson picked off 1 pass). In the first down department we held a 17 to 6 edge. Neither team lost a fumble. Linebacker Chuck Barker and Rick Reidl led the defense in tackles.

The Pioneers now close out the season at home against the always strong Concord Mt. Lions. The Mt. Lions were in contention for national playoffs in the first 7 weeks of the season when they ran up a perfect 7-0 record. But the last two weeks they have faltered, losing to Fairmont and tying West Liberty. This is always a head popping game so come out and see the Pioneers close out the season.

## Phys Ed Club Helps With Halloween Party

Several members of the Physical Education Majors Club helped with the annual Halloween Party sponsored by the Lion's Club at the Gilmer County High School. The members led games for the children ages ranging from pre-school to 8th grade. The majors judged the costumes and made up the activities for each age group. The children had an exciting time playing games such as: pin the nose on the witch, bal-

loon stomp, a toothpick and lifesaver relay, a broomstick relay, and others. The majors had as much fun as the children. Members of the club that participated were Heather Wels, Mary Martin, Sarah Westfall, and Tami Wigel. The Lions Club held a pizza party later in appreciation. Thank you to all those who helped make the Halloween Party a great success.

Also, the Physical Education Ma-

jors Club held its bi-monthly meeting November 1. Final plans were made for the trip to the state P.E. convention to be held in Charleston, W.V., November 11-13.

Committees were chosen to rewrite the constitution and by laws of the club. Also committees were formed to begin plans for high school day to be held sometime during the month of May involving area high schools.

Ideas were discussed for future social activities for the club during the remainder of the semester. The club also plans to have a bake sale November 15 in the Student Union.

## Twelve Senior Footballers Retire

When the Pioneers take the field tomorrow night against the Mt. Lions of Concord, 12 players will be playing their last game as G-Men. These are the graduating seniors of the 1977 team. They are: Tom Cowan a three year letterman from Harrisville, Bob Eaton a two year letterman from Moundsville, Mike Reed a four year letterman from Dunbar, Jim Henderson a two year letterman from Moundsville. Lee Hodges, who served as a co-captain. He is a four year letterman from Virginia Beach, Va. Rick Reidl is the other co-cap-

tain. He hails from Dundee, Ohio. Don Stout a four year letterman from Harrisville, Joe Noble a two year letterman from South Point, Ohio. Terry Lahman a two year letterman from Lahmanville, Bob Finnerty a two year letterman from McLean, Ohio, C.W. Campbell a three year letterman from Glenville and Steve Brown a two year letterman from Cottle.

These players deserve recognition for their dedication to football and to GSC. I wish them all the best of luck in future endeavors.

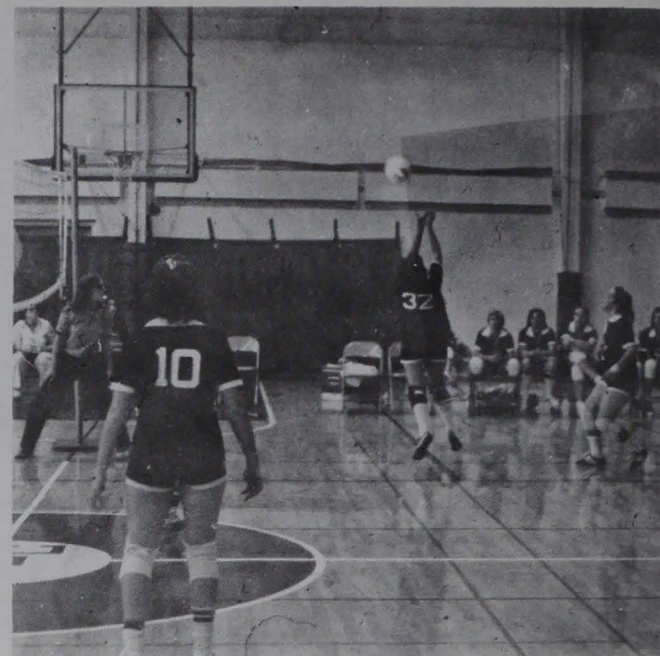

Graduating seniors: Front Row (L. to R.): Steve Brown, Mike Reed, Jim Henderson, Tom Cowan and Lee Hodges. Back Row: Rick Reidl, Terry Lahman, Bob Eaton, C.W. Campbell, and Bob Finnerty. Not pictured: Joe Noble and Don Stout.

## Glenville Runners Chase Fairmont

Our newly formed GSC cross country team participated in its second meet last Saturday, this time a dual meet at Fairmont. The Pioneers lost, but more importantly, did field a team, keeping the program going. The Pioneers used a five man team while Fairmont ran seven players, with the top five from each team counting. The final tally was Fairmont-22, GSC 37 with low score winning.

Fairmont runners finished first, third, fourth, sixth and eighth, while GSC joggers finished second (Bill Hutchinson), fifth (Robey Godfrey), seventh (Randy White), eleventh (Jim Pritt), and twelfth (Gary Smith). It may be added that Jim Pritt and Gary Smith had no cross country experience but still managed to finish the 4.2 mile trek.

The GSC runners have one more meet left. That will be this afternoon at the WVIAC Conference Meet hosted by West Liberty. Approximately seven other conference schools will participate in this.

Kim West goes over the shoulder to return a smash from the Salem side of the net.

## Volleyballers Host First Match Ever

History was made here at Glenville State College Tuesday evening. For the first time ever a home volleyball game was played in the GSC gymnasium by the Glenville women. The opponents were Fairmont State and Salem, both of which defeated the Pioneerettes, but this was not the only important outcome. What is important is that steps are being taken to broaden intercollegiate athletics here at GSC. When Dr. Now became Athletic Director at the beginning of this semester, he stated that one of his priorities was to expand women's competitive sports. In bringing volleyball home to GSC, a small step has been made in that direction. Girls basketball has already become established here, being very successful last year. Right now there are tentative plans for a girls tennis and track team this spring.

Fairmont defeated our ladies in their best 3 out of 5 match 3

games to none, 15-12, 15-12, and 15-3. Fairmont then defeated Salem 3 games to none to sew up the entire match. This left Salem and Glenville to battle for second place. Then Salem won this dog fight, taking the best 3 out of 5 series 3 games to 2. The teams traded wins with Salem winning the fifth game. The scores were 15-5, 7-15, 15-2, 8-15, and 15-7.

Glenville's six starters were Kim West, Agnes Lindenthal, Linda Collins, Kim Short, Connie Franklin, and Kennetha Parker. Other players are Sally Haight, Patty Stephens, Sue Baisden, Sue Leiving and Elaine Nichols.

This leaves Glenville's record at 0-8 for the year. Their next action will be against Fairmont and Morris Harvey at Fairmont. Next Thursday they travel to Concord for the state tournament that will be held there next weekend.

Agnes Lindenthal returns a serve during the Fairmont game in Tuesday's trimatch in the GSC gymnasium.

# Halftime Talk

By DOUG MARTIN

Well, a long autumn comes to an end tomorrow for alot of people and I doubt if many people are sorry to see it come. I speak of the end of the 1977 Pioneer football campaign. Not since the 1955 season when the team went 1-7 has a Pioneer team suffered like this one. Only an upset of the mighty Concord Mt. Lions tomorrow can keep this from becoming a reality.

Looking back on the season one does not remember too many pleasant moments. The highlight of the season has to be the 16-12 win over Bluefield away from home. Not only did the Pioneers lose alot games but they led during only one of these losses. That was the first game of the season against Gardner-Webb. We took an early 7-0 lead but went on to lose 34-7.

I'm sure the coaches and players do not feel that the season was a complete waste. If nothing else the season can be written off to experience and learning.

\*\*\*\*\*  
Last week's game was another case of mistakes killing us. While the defense shone, the offense made miscues that cost us the game. All three W.V. State scores were set up by errors.

\*\*\*\*\*  
One good thing about last week's game was the Glenville attendance. We had nearly as many fans there as

State did, including our Best Ever Marching Band.

## B-BALL CLINIC HELD

This past Saturday a basketball clinic was held for all elementary and junior high boys in the Gilmer County area. Kent Kennedy, the new Gilmer County H.S. basketball coach coordinated the event and he was helped by GSC Coach Jesse Lilly and several Pioneer basketball players. Those players assisting were: Greg Arnette, Ernie Gilliard, Gary Nottingham, Calvin Page, Calyton Smith, P.T. Thomas, Charles Warner, Wayne Washington and Bill Brafford.

The clinic was termed a huge success and is expected to become an annual event.

## GRID FORECASTS

I slumped again last week going 4-3-1 but who expected WVU to lose to Villanova or West Liberty to tie Concord? My seasonal percentage now stands at .589 as I move into the final week of the regular season. Concord - 21, Glenville - 7 Fairmont - 15, West Liberty-9 Shepherd-14, Salem-13. This one decides the Northern Division title and could go either way.

W.V. Wesleyan-20, Geneva, Pa.-7 Pitt-35, WVU-14. It could be worse.

Marshall - 21, Akron - 20

1977-78 GSC Basketball Team: Front Row (L. to R.): Bill Brafford, Doug Watts, Charles Warner, P.T. Thomas, Ralph Ledbetter, Joe Knicely, John Irwin and Paul Wills. Back Row: Calvin Page, Gary Nottingham, Ernie Gilliard, Greg Arnette, Andre White, David Gobel, Wayne Washington and Clayton Smith.

## Roundballers Open Season With Chinese Squad

The Pioneer Basketball Team will open its 1977-78 season with an exhibition game Sunday night at 7:00 p.m. This is a special type of game for GSC because the opponent will be the Republic of China National Basketball Team and this is the first time an international athletic team will perform on campus. This game is being sponsored statewide by the NAIA and WV Intercollegiate Athletic Conference. The Chinese team will also play at WVU, Fairmont and Bluefield. The game is being sponsored locally by the GSC Student Congress. One dollar admission will be charged for the game which is scheduled for the GSC gymnasium. WVIAC commissioner Mike McLaughlin will be present as a representative of the NAIA.

An interesting facet of this contest will be the fact that the contest will be played under international rules. There are approximately 32 major differences between interna-

tional (Olympic) rules and United States rules. Some of these are: (1) Dunking is permitted during warm-ups as well as during the game. (2) The game is played with a 30 second clock, in which time the team with control of the ball must shoot. (3) A player has three shots to make two if he is fouled in the act of shooting and misses the goal. (4) Players are allowed to touch the ball while on the rim or above it. They cannot however, touch it if it is inside the ring. (5) Players have only 5 seconds to shoot foul shots after the official hands them the ball. (6) Officials do not handle the ball after violations. (7) You may not deliberately throw the ball off of an opponent, causing it to go out of bounds. It will still be the opponent's ball.

The Chinese team will be made up of 12 players plus a team leader, deputy team leader, manager and coach. Their heights range from 5-9 to 6-5 and their average age is 25.

Head Coach Jesse Lilly and assistant Tim Carney will be introducing their squad with this initial game. This game is replacing the alumni game which is usually played on the weekend of the final football game. It is not known at this time whether or not an alumni game will be played.

Lilly will be dressing a team that is high on experience and depth. They came on strong last year and finished with a 13-8 weather shortened record. This enabled them to finish second to Fairmont (Who else?) in the conference and they al-

so picked up third place in the conference tournament. Two lettermen are gone from the fine team (Tom Coates and Robert Hawkins) but nine of them return for this year. At the top of the list has to be big Ralph Ledbetter, the legendary transfer from St. Francis. Other returning lettermen are Greg Arnette (who returns after sitting out last year), Ernie Gilliard, Joe Knicely, Gary Nottingham, Calvin Page, P.T. Thomas, Charles Warner and Wayne Washington. Added to this are Andre White and Doug Watts, two transfers from Beckley Junior College which dropped basketball. Rounding out the squad are five promising freshmen: David Gobel, John Irwin, Clayton Smith, Bill Bratford, and Paul Wills.

Remember, there can be no real loser in this contest, so everybody come out Sunday evening and watch international relations brought closer together!
