Heart Drive Successful

Last Sunday's Heart Fund Drive sponsored by the GSC Panhellenic was a great success. Delta Zeta and Sigma Sigma girls went out into the community between the hours of 1:00 p.m. to 6:00 p.m. and gathered a little over \$400.00 for the cause. The girls said that the community was very generous and that many people had been waiting for them to come to give their donations. The GSC Panhellenic wishes to thank all those who generously gave to this worthwhile cause.

Theta Xi Brothers Dribble to Tourney

Every year for the past twelve years the Theta Xi's have dribbled to Charleston in memory of Pat Wiant, and this year was no different. Pat Wiant was tragically killed in a car accident on the way back from Weston, where he had been trying to get television coverage for the dribble.

The fraternity left on Tuesday, Feb. 28, at 1:00 p.m. from the Student Union where they proceeded through Spencer, Clendenin, and then on to Charleston. At the capital the Charleston city police then escorted them down Kanawha Boulevard to the Charleston Civic Center, where the fratmen awaited the start of the basketball game. The group then dribbled around the gym and Steve Fisher stuffed a ball into the hoop after jumping up on a brother's back for an easier shot.

All the brothers became closer because of this event and supported our Pioneers. The Theta Xi's banner, which was carried down Kanawha Boulevard bore the Theta Xi crest and read, "Theta Xi's are Behind You Pioneers."

HC, Lizzie, Jimmy and Noah as portrayed by John Holland, Abby McHenry, Jeff Davis, and Robey Godfrey respectively are portrayed in a scene from the upcoming drama "The Rainmaker."

Sound System Received

During the last few home games of the Glenville State College Pioneer basketball contests, fans were treated to what could be termed "music to their ears."

Just before the game against Fairmont State College, the college received a \$4,049.72 package which would help clarify the garbled pregame and gametime announcing by Bob Belcastro and Ben Polis . . . a new amplifier for the sound system.

Spearheading the effort towards the sound system were Media Director Donald Phillips and Dr. Robert Dollgener, who began experimenting with different microphones, amplifiers and speakers several years ago.

"The custodian in the physical education building, Overt Snyder, and our electricians, Donald Jones,

Edsel De Wees and Golden Jenkins, have moved the speakers in the gym more times than they probably want to remember," Phillips said.

He continued, "Many times we would try new locations for the speakers and it would be worse than the previous location. The sound reverberation problem in the gym was so great that speaker placement alone was not the solution."

According to Phillips, last year, through the cooperation of Business Manager William Osborne and Administrative Services Director Robert Gainer, a plan was developed to provide good sound for both the gym and the football field.

The committee recruited the help of Alderson-Broadbudd College Media Director Richard Hudson and his sound engineer George Sommers in the formation of the plan.

As a result of the plans, Phillips said, monies were made available to purchase the new sound system, consisting of an Altec mixer, sound equalizer, Altec amplifier, speakers and low impedance microphones.

Electronic Speciality of Charleston was awarded the bid for the equipment and put it together in a locable equipment rack, with its sound technician Richard Hopkins installing the complete set.

"We plan on using this amplification system at the football field next year," Phillips said. "We hope to have new speakers permanently installed so as to have quality sound during the games."

Seniors must make sure they have made cap and gown reservations at the Alumni Office in the Pioneer Center next to the Book Store. The fee is \$10.00. Deadline for making your reservations is March 15.

Play Crews Are Announced

The Drama Department are hard at work in preparation for their March 9, 10, and 11 presentation of N. Richard Nash's *The Rainmaker*. Working behind the scenes, preparing costumes, set, sound, lights, and other technical components of a successful production are the technical crews. The crew members include: Set - Ken Anderson, Pat McKittrick, John Gasper, Billy Hutchinson, Richard Redd, Dan Greynolds, Daysi Melo, Dorothy Bennet, Kathy Sullivan, Joyce Jarrell, Bunny Tyler, Jim Cooper, Lynn Gough, Jim Dotson. Costumes - Debbie Cottrill, Janet Cogar. Lights - Daysi Melo, Ken Anderson, Lynn Gough. Sound - John Tomko. Props - Kathy Sullivan, Lynn Gough, Randy Gilles. Make-up - Debbie Graham, Paul Shepard. Publicity - Richard Reed, Doro-

thy Bennet, Bunny Tyler, Joyce Jarrell, Bev Skinner, Jamie Riggs. House Manager - Richard Redd, Sigmas, Delta Zeta, Theta Xi, TKE, Lambda Chi.

Ms. Rubin is very pleased with the performance of her cast in rehearsals and with the response of those who are working on the technical crews. The first of three performances will begin March 9, and will continue with performances on the 10th and 11th. Everyone is welcome and it will definitely be worth the time and effort to attend.

The sisters of Sigma Sigma Sigma will be holding a Car Wash on March 5 at Chapman's Car Wash. They will start at 1:00. Come and get a shine on your car!

Inaugural Committees Plan

Inauguration committee appointments have been completed and meetings are in progress, according to the General Chairpersons Mrs. Luanna Smith and Mrs. Yvonne King. The week of April 25-28 has been set aside as Inaugural Week, with President Simmons' inauguration ceremony scheduled for Friday, April 28, at 2 p.m.

Committees include:

Academic Regalia : Mr. John White, Chairman; Mr. Bernard McKown.

Academic Procession and Robing: Dr. John Chisler, Chairman; Mr. Nick Murin, Mr. Jesse Lilly, Dr. Mildred Disko, Miss Kate Kalous, and students (if needed).

Hosting and Ushering Committee: Miss Karen Thorpe, Chairman; Mrs. Jean Adams-Smith, Mrs. Jean Spurgeon, Dr. Pam Brown, and students (if needed).

Inaugural Events Committee: Miss Virginia West, Chairman; Dr. Barbara Tedford, Dr. Gary Gillespie, Mrs. Judy Meads, Mr. David Harry,

Mr. Charles Scott.

Invitation Committee: Mrs. Luanna Smith, Chairman; Mr. Robert Gainer, Mr. Mack Samples, Dr. Lowell Peterson, Dr. William Simmons, Mrs. Yvonne King.

Luncheon Committee: Mrs. Elizabeth Turner, Chairman; Mrs. Yvonne King, Mr. Charles Scott, Mrs. Roma Adkins, Mrs. Jeanette Kulp, Mrs. Luanna Smith.

Arrangements for Parking and Gymnasium: Dr. A.T. Billips, Chairman; Dr. Joseph Now, Mr. James Campbell, Mr. Don Phillips, Security Personnel.

Reception committee: Mrs. Elma J. Woofter Chairman; Faculty Wives (Mrs. Raymond Jones, President).

Registration Committee: Mr. Joe Hickman, Chairman; Mrs. Yvonne Gillespie, Mrs. Virginia Hays, Mr. Kermit Kinder.

Inaugural Ball: Yvonne King, Chairman; Luanna Smith, Judy Meads, Robert Gainer, David Gillespie.

Mr. Bob Belcastro and Mr. Ben Polis are shown with the new amplifier that was installed in the gym.

The Theta Xis are pictured as they began their long trek to Charleston on Tuesday.

CANDIDATES SPEAK OUT

Letters To The Editor

I, Tim James, am a candidate for President of Student Congress. As a candidate I would like to express my point of view on what I feel are critical issues here at GSC. I am making no "Politician's Promises", and will not pledge to achieve everything I hope to, but I can promise to do my best to obtain and protect students' rights here at Glenville.

Some of the things I hope to achieve are: the opening of the elevator at Louis Bennett Hall; more open house hours with less restrictions; some "Speak Out Sessions" where students can express their views and ideas to Student Congress and the Deans of Men and Women; cable for the dorms' rooms for television sets; telephones for the dorm rooms (at the student's expense); more hours for use of the swimming pool; more prominent rock and soul groups performing on campus; more dances on campus with a disc jockey.

These are just a few suggestions for problems that students have mentioned to me. I will be open, of course, to any and all suggestions anyone has to offer.

I would like to thank all persons who have helped me thus far in this endeavor and would like to thank those who will support me on March 6 and 7.

Sincerely,
Tim James

Dear Editor,

As a candidate for Vice-President of the Glenville State College Student Congress I have chosen this method for expressing my viewpoints because I feel the Mercury is the best medium for student expression.

I only regret the fact that more students and organizations, particularly the Congress, do not utilize the school newspaper to its fullest potential.

Through an active process of communication, we the students can reveal and eventually solve some of our problems.

Yes, we do have our problems! Student tranquil apathy is extremely prevalent—this is exemplified at the ballgames, at long awaited quorums at Congress meetings, and in many other areas around campus.

As many nominations for Student Congress offices are sincere, there are several candidates that appear on the ticket because their particular Greek organization desires to have a party on the ticket. First of all, the independent students should participate more because they constitute an overwhelming majority. Secondly, I feel that candidates who are not willing to accept the responsibilities that go with the job should withdraw.

I appeal to all of the student body to become more active so that the congress can work better to serve you in your needs. I am very interested in working with the congress and I would appreciate support from any student at Glenville State College.

Sincerely yours,
Randy Gilles

Dear Editor,

It's time for Student Congress elections and as a candidate for Parliamentarian, I feel it is fair to share my views with you and your readers through the use of media.

As an objective participant of Louis Bennett Hall's judicial board, I have noticed that the men living in the dorms are acting more mature. This is due to a slow process of giving these men more responsibilities. With these responsibilities, more maturity can be expected. On the whole, this is the general observance of the judicial board.

I have been and will continue to represent these men at Student Congress meetings to the extent of my capabilities. During the time I have represented these men, I have not missed a meeting. There are, however, a large number of absences at these important meetings. While a few faithful officers attend meetings hoping for a quorum, I often wonder what is happening to the concern of the student body. There is a large amount of apathy on campus as exemplified by attendance at sporting events, cultural affairs, and Student Congress meetings.

I have a plan to help, and I must ask all individuals at Glenville State to participate. My plan consists of basic steps. They are: (1) Read the list of candidates, (2) Talk to each and ask their views and reasons for wanting this office. This is important because as much as I hate to say it, many candidates did not know they were candidates until a few days after it was announced. Many may not care whether or not they are elected and many may simply want the office for status. This should not be the case. (3) Vote: Apathy must be defeated! A proper turnout would yield a true representative. Elections are March 6th and 7th.

Thank you,
Doug Bailey

ALONG THE "HIGH"WAY

BY VALDEZ

'Greeks' Anticipate Spring Activities

SIGMA SIGMA SIGMA

The sisters of the Delta Alpha chapter of Sigma Sigma Sigma held a school dress meeting on Feb. 27.

The sisters would like to welcome Annette Mylar and Debbie Metz as new pledges. Plans were furthered for Closed Ball. The sisters decided to have their closed ball at Wells Inn in Sistersville. It will be held on May 13.

The sisters would like to announce the Big-Sis - Little-Sisses: Martha Crump - Shelly Nichols, Marc McLaughlin - Beth Meredith, Debbie Nichols - Annette Mylar, Peggy Bauman - Barb Farley, Sheila Hamden - Ann Johnston, Debbie Grogg - Tami Wiegel, Cindy Russell - Linda Collins, Beth Dunn - Cindy Chiarenzelli, Debbie Wildman - Barb Perry, Karen Goodall - Kim Bickel, Carla Whalen - Mariann Malone, Janet Cogar - Pame Laign, Dawn Knicey - Brenda Heatherly, and Dawn Butler - Becky Criss.

The sisters will be holding a car wash on March 5 at Chapman's Car Wash beginning at 1:00 p.m. On March 6 there will be a Big Sis-Little Sis ceremony for Debbie Metz at 9:00 p.m.

The sisters would also like to thank the pledges for the serenade at the meeting Monday.

Congratulations to Dawn Butler who was pinned to Pat Beebe and to Melanie Wilcox who was pinned to Tom Keene.

TAU KAPPA EPSILON

Fraters of Iota-Omega chapter held our weekly meeting Sun. the 26th of Feb.

THE FOOSBALL TOURNAMENT will be held as planned. Play will take place at the scoreboard on the 7th and 8th of March. Participants must sign an entry sheet. Fees will be \$1.50 for singles \$3.00 for doubles. All advances in competition will be determined by single elimination with the final game a 2 out of 3 contest. Look for playing schedules and times to be posted on and off campus.

Frater Ted Smith has scheduled a bread sale for Friday, March 10th. We hope this sale will be as successful as the last one, and with the extra help the O.D.s will give, we're looking for good things to come from this sale.

We have planned two trips to Virginia for the months of March and April. In March, the weekend of the 17th, our associate members will truck to Virginia polytechnical Institute to visit the Xi-Omega chapter of TKE. Also, in April the fraters will compete in a basketball tournament at George Mason University. Mu-Omega Chapter. Get ready fraters!

Frater Mark Rohrbough has ordered favors for this year's court ball. Thanks Mark from all the fraters.

LAMBDA CHI ALPHA

The Brothers of Beta Beta Zeta would like to welcome a new associate member, Greg Martin, who was accepted prior to last Monday's meeting. Congratulations, Gregg.

There is a lot of activity in the Brotherhood this semester. The Housing Committee is in the process of securing a house for the near future. Make up date for picture composite photographs will be next Monday. Closed ball plans are now being finalized. We would like to thank everyone for coming to the Smoker last Wednesday. We hope everyone enjoyed himself.

The Brothers are looking forward to hearing Jeanie Sheppard present her platform at our next meeting.

Brother Randy Gilles won the A-H award for the second week in a row. Good job, Randy. The WINO award goes to Brother Dave Tehay. How's your fist, Dave? The KCUF award goes to Brother Chuck Case. The PIG of the week award once again goes to Brother JJ Jaffre.

DELTA ZETA

The sisters of the Delta Zeta sorority held an informal meeting on Monday, February 27. I wish to thank the pledges for taking time out to come to our meeting.

Awards this week are; the Best Room Award goes to Susan Pyles and Kathy Sullivan. It was announced at the meeting that Shelia Drenin was the pledge with the highest grade point average for last semester. Congratulations Susan, Kathy and Shelia.

The sisters are having an Easter Party for our adopted welfare children on March 18. Some plans are still incomplete.

We have 8 new initiates in the Theta Girls as of Sunday, Feb. 26. They are: Pam Collins, Susan Pyles, Pam Sheppard, Judy Boso, Bev Gregg, Kathy Sullivan, Jenny Sheppard, and Marsha Scarbro. The sisters wish to congratulate these girls.

Our big sis-little sis week started Wednesday. Our ceremony will be held on Sunday, March 5.

Who do you think yours is, pledge? I want to thank everyone who helped with the heart fund last Sunday. It helped. Thank You.

Good Luck to the Pioneers this weekend. We hope you go far. Also, good luck to the cheerleaders. We're sure you will do a good job.

Theta Xi pledges this semester are left to right: Doug Bergeon, Mike Beeson, Jim Fritas and Ron Wildman. Not pictured are Kirk Epling and John Erwin.

Ron's Ramblings

by Ron Gregory

Glenville State College Head Basketball Coach Jesse Lilly was honored during halftime ceremonies of the February 23 game with West Virginia Tech. Coach Lilly was presented with an award from the GSC Athletic Department recognizing his 200th college victory. The win came against the Salem College Tigers.

Coach Lilly's teams at GSC have now won 206 games (not including games played in this week's WVIAC Tournament at Charleston). He has been at GSC since 1961, when he served one year as Interim Coach. He took over the head coaching responsibilities on his own in 1966.

Coach Lilly has a winning record on the hardwood at Glenville State College. His winning percentage is 59 per cent.

However — and much more importantly — he has a winning record with the students, fans and people of Glenville. The crowd at the Tech game showed the winner that Coach Lilly is when they rose in unison to give him a standing ovation on the presentation of the award.

All too often, it seems to me, coaches are judged only on their win-loss record. Naturally, I suppose that's a measurement of the kind of coach they are. Sadly, though, many a good man has not proven to be a winning coach.

The GSC community is lucky to have a winner in more ways than one in Coach Lilly. He is a dedicated, honest, thoughtful man. While many of us may like the entertainment of a coach who storms and rages on the sidelines, I think we feel a different sort of sentiment toward a coach like Coach Lilly.

Generally, he sits relatively quiet on the Pioneer bench. He isn't on his feet screaming at the referees on every call. He doesn't jump up to berate his players when the going is tough. Many times, Coach Lilly registers his displeasure with the officiating by the action that is now familiar to fans around the state. He stands up, looks disgusted, and rams his hands deep into his pockets, his suit coat bulging out above his arms. The picture is seen every so often.

As I said, I think we all have a different feeling toward him than toward those of the coaching world who rant and rave with every call — with every move, in fact.

When Coach Lilly objects to a call, it is because that call was bad — really bad. There is no question about it. Coach Lilly doesn't waste time screaming when the officiating is a little questionable. He realizes that there is a little give-and-take, even in officiating. But when he does object, the referee knows he has made a mistake and every fan in the house knows it too — even if he's for the opposition.

I have seen Coach Lilly sit calmly through situations where other coaches would be in hysterics. He doesn't play to the crowd. If you

go to the game to see the coach put on a show, Coach Lilly will disappoint you. But if you go to the game to see a gentleman on the bench, to see a man who treats others with respect and realizes they are human beings, then Coach Lilly is your man. And the man who respects others deserves respect himself. I think that's what most of us feel for Coach Lilly that we may not feel for every other coach we've seen.

So on February 23 they gave Coach Lilly an award for his winning record in basketball. They were basing the award on the number of games his teams have won. But Coach Lilly has won a much bigger award. He's a winner in the game of life and he deserves a big award for the impression he's made on the hundreds of young men he's coached through the years and for the fact that he's simply a great human being. The world of sports — the world in general — would be a great deal better off with more Coach Jesse Lillys. There aren't many around. Look and see.

This is being written prior to the start of the WVIAC Tournament in Charleston, so I have no idea how the thing is going. Remember I'm picking the Pioneers to win the tourney with Morris Harvey a close second. By the time you read this, you may see if I know anything at all about basketball.

Bowlers Even Season Mark

The GSC bowling team closed out the regular season last weekend with a 6-2 series at TV Lanes in Oak Hill. The winning weekend allowed the Pioneers to end the season with an even .500 mark at 16-16.

West Liberty captured the regular season championship with a 24-8 record. Fairmont was second at 23-9. Concord had a 20-12 record to finish third. The G-Men were fourth. West Virginia State, at 14-18, came in fifth. Morris Harvey was sixth with a record of 10-22. In seventh place, West Virginia Wesleyan had a 9-23 mark. Alderson-Broadbent was last with a record of 6-26.

Darrell Baylous had the high game for the Pioneers at Oak Hill with a 222. Baylous and Dave Twyman finished in tie for average with 180.

In final regular season averages, the Pioneers were led by Twyman with a 177. Baylous had a 174, Greg Martin rolled 170, Phil Shortall came in with 165, Joe Noble had a 165 and Randy Miller rolled 162. Jim Brady, a substitute, had an average of 166.

The Pioneers will be moving into the state tournament next which will be played March 4 and 5 at Ren-Dor Lanes in Parkersburg.

Congratulations both ways. GSC Coach Jesse Lilly was presented an award for his 200th basketball victory and center Ralph Ledbetter received recognition as the Most Valuable Player in GSC's pre-season game with the Republic of China. The two were given the awards at the Tech game February 23.

Wheeling Defeats 'G-Men'

The Pioneers staged a tremendous comeback in the final three minutes and 28 seconds in the opening round of the WVIAC tournament Wednesday afternoon but could not overcome Wheeling as the Cardinals won 75-74.

Wheeling, playing a controlled tempo game, fell behind the Pioneers early in the contest but used a full-court press to face Glenville turnovers in grabbing the win. Wheeling was 12-14 going into the game. The Pioneers finished the season 12-10. Wayne Washington got the Pioneers on the scoreboard first. The teams exchanged baskets and Gary Nottingham sank two free throws to knock the score at ten. It was at that point that Wheeling went into the full court press.

GSC continued to cling to a five point lead until James Ferguson hit a jumper to cut the lead to 22-19.

A disputed out-of-bounds call cost Coach Baker a technical foul. Warner sank a shot from the charity stripe to put Glenville up 23-21.

After Wayne Washington hit to mark the score 29-27 with 1:27 remaining, Wheeling went into a 4 corner offense. The Cardinals took advantage of various opportunities and led at the intermission 33-29.

Wheeling stayed in front by about 6 until Ledbetter sank 2 free throws to make the score 58-57.

The Pioneers finally took the lead on 2 free throws by Watts. At that point GSC led 61-60.

Wheeling came back quickly on a basket by LeRoy Wilson to go in front 62-61. When Riley hit a lay-up Wheeling had its biggest lead at 72-63.

The Pioneers went into their own full-court press. Ralph Ledbetter hit for GSC to cut the lead to 72-68, following 5 straight Pioneer points.

Wheeling turned the ball over on an offensive foul by Pete Thompson and then Ledbetter sank 2 from the charity line to cut the margin to 72-70.

James Ferguson sank a jumper to put Wheeling in front 74-70.

Washington came back to make the score 74-72.

Washington hit the final Pioneer basket. The Pioneers called a time out with 3 seconds remaining and Warner forced a jump ball with 1 second. The tip was to Washington who shot within the air after the buzzer. It didn't go in anyway. Washington led the Pioneers with 22 points. Warner had 18, Ledbetter - 12, White - 10, Watts - 7, and Nottingham - 3.

Glenville's Gary Nottingham goes up for a jumper in the final Pioneer regular season game of the year, played February 23 against West Virginia Tech.

Women Upset In Tournament

The Pioneer womens' basketball team won in the opening round of the West Virginia Intercollegiate Athletic Tournament at Buckhannon on Friday, but fell in the second round Saturday to Davis & Elkins.

In the first game, Kim West scored 27 points to lead the G-Women in a 78-51 trouncing of Shepherd's Rams. Mindy Barrows was the leading scorer for Shepherd with 21.

Cindy Stinger poured in 20 points and hauled down nine rebounds to pace Davis & Elkins to victory in the game on Saturday. The Senators shot 51 per cent from the floor. Other D&E players in double figures were Boyd, with 12, and Crump, with ten.

For the Pioneers, Kim Short had 20 points; Kim West had 18; Debbie Grogg, 13; Kim Roten, seven; and Mary Zangari, three.

Pioneers Nix Finale

West Virginia Tech used the free throw line to great advantage February 23 as the Golden Bears defeated the Pioneers, 70-66, in a game played in the GSC gymnasium.

The game was the final one of the regular season for the Pioneers. Coach Jesse Lilly's crew finished the season with a 12-9 overall record and a 10-7 mark in the West Virginia Intercollegiate Athletic Conference (WVIAC).

The score was tied at 59, having been close all the way, before freshman Don Meadows sank a field goal with 3:47 flashing on the scoreboard clock. Tech followed the Meadows' goal with another basket, then rattled off six straight free throws to ice the victory. Glenville trailed by one at the half as Tech's Ameche Watson hit on a long shot as time ran out in the period.

The victory was a case of nephew topping uncle. Tech is being coached this season by Interim Coach Jim Lilly. He is sitting in for Head Coach Pete Phillips, who is recuperating from surgery. Jim Lilly is the nephew of GSC Coach Jesse Lilly.

Andre White and Charles Warner led the Pioneers with 14 points each, followed by Ralph Ledbetter with 13. Ernie Gilliard added eight, Gary Nottingham, six, Doug Watts, five, and Wayne Washington, Joe Kniceley and Phil Thomas, two each.

Tech was led by William Hall with 19 points.

Glenville outrebounded Tech, 45 to 41. The Golden Bears shot better from the floor, however, canning 45 per cent of their tries on 27 of 60 shots. Glenville shot a respectable 40.3 per cent, making 31 of 77 shots from the floor.

Warner led the Pioneers in the rebounding department, grabbing 11, while Ledbetter snatched ten.

Inaugural Ball Planned

The Inaugural Ball for President Simmons, scheduled for April 28, 1978, will be sponsored by the Alumni Association. The Dave Bauden Quintet will be the featured band. A finger food buffet will be served. The price for those attending has not been determined at this time.

The Alumni Association would like to encourage faculty, staff, students, and alumni of GSC to attend. The dance is semi-formal.

Mrs. Yvonne King is Chairperson of Dance Arrangements. Mr. Robert K. Gainer was in charge of music.

Pickens Hall will have their first open house this semester on Wednesday, March 8, 1978.

At last week's Governing Board Meeting it was decided that Pickens Hall should have a newspaper. This will be a free publication for Pickens Hall residents. Dorm news, advertisements for rides home, poems written by dorm residents, mini course news, etc. will be the content of the paper. Cristy Collins and Becky Criss will be in charge of the paper. Any news should be given to them or put in their mail boxes.

A questionnaire will also be circulating. The subject of the questionnaire is open dorm for fall 1978.

Social Work Meet Held

The Social Work Club held a meeting on Monday, Feb. 20, in room 105 Pioneer Center. Many new activities were discussed. The club will sponsor and work the next blood drive at GSC. It will be on April 11 and further details will be released later. If you would be interested in working on this drive contact Debbie Vance, Connie Emerson, Dawn Kniceley, or Karen Lay. All help would be appreciated. The club has also picked Dawn Kniceley to head a committee to work on either getting the Civil Service Test scheduled here at GSC or chartering a bus to Charleston to take the test there. Cram sessions have been suggested before the test for all interested persons. This is open to everyone. Very soon the club will be posting a club calendar in room 336 LBH in the Social Science Offices. Bill Graham will be heading this committee. This calendar will list all club activities with details. Stop by and take a look—you may find an activity in which you'd like to participate! The club would like to wish good luck to Ms. Lucy O'Brien, a Social Work instructor here at GSC. She will be attending the Council on Social Work Education in New Orleans from Feb. 26 to March 1. The next SW club meeting will be announced in the *Mercury* at a later date. Again, we would like to welcome everyone—Social Work major or not! The club is staying busy and we'd appreciate your help and support.

Hurley Book in Library

The latest gift to R.F. Kidd Library is the most recent collection of poetry by Edith Hurley, Welch, WV, resident for a number of years. The book, *Faint Echo*, is an attractive edition of some seventy-eight poems, generally delicately lyrical in mood.

The volume is dedicated to Phi Chapter of Delta Kappa Gamma, which subsidized publication of the collection. It was presented to the Library by Helen M. Kiser, a sister of Mr. Murin of the Division of Social Studies. *Faint Echo* will be available for circulation as soon as technical processing is completed.

Tapes, Study Kits Available At LMC

You've seen it on television. Now you can listen to the author tell his own story on cassette tape. Ask for Alex Haley's one-hour discussion on *Roots*.

For your entertainment and enjoyment, the LMC has acquired a series of *Radio Reruns* on cassette tapes. Some titles in this series include: "Amos 'N Andy, with Fibber McGee, Bob Hope, and Red Skelton"; "Abbott and Costello"; "Jack Benny Show"; and "History of Radio Commercials."

An excellent collection of study prints entitled *Famous Women* are now available in the media center. This set consists of twelve posters and a handy guide for classroom discussion.

Two filmstrip kits for the recreational-minded are *Four Wheeling* and *Backpacking*. You will find the pictures in these kits very aesthetically pleasing.

For the history buffs on campus, the media center has received the filmstrip kit *Progressives, Populists, and Reform in America 1890-1917*.

Glenville State College has been allocated 18 additional positions under the College Student Employment Program for Fiscal Year 1978. Anyone interested in working in this program should contact the Placement Office for more information.

Anyone interested in forming a Gamma Beta Phi Society (Service Fraternity) see Dr. A.T. Billups.

ASTRONOMY CLUB MEETING IS HELD

The Astronomy Club held its first meeting of this year, Feb. 6 in room 308 of the Science Building at 8:30 p.m. under the supervision of Mr. Ralph Bame.

Kitty Galford, a member of the club, spoke about the constellation, Cancer.

We would like to invite everyone to come to our next meeting to be held at 8:30 on March 6. Donna Ramsey, another member of the club, will be speaking on Gemini.

Come out and join us.
