SC President Expresses Thanks

Dear Student Body,

This is an end of the year wrap up from the Student Congress. We have been in office approximately two months and we have done our best to get things rolling to the best of our ability.

The Miss GSC pageant has been a success, a homecoming wagon for freshman was purchased and repaired, new uniforms for pioneer and cheerleaders are being purchased, college signs on route 79 were erected, homecoming and freshman week are being planned and all FAO committees have been named.

I would personally like to express my sincere appreciation to everyone who has helped the congress and me to make our efforts this semester a success. We are looking forward for even greater interest and help this fall.

Thanks Again,

Tim James, President
Student Congress

Someone Read the Mercury

Dear Ms. Bowman: (sic)

The Mercury is a rag, hardly deserving of anyone's reading and clearly not worthy of a reply. However, if you are going to use my name (May 12, p.2), You might try spelling it correctly. I realize the extent to which such professionalism and basic good manners overwhelm the abilities of the Mercury staff, but perhaps your Journalistic talents (??) would permit publication of a correction.

As the Mercury would likely put it, "I hope that my letter gets to where you are officed at."

JAMES F. HILGENBERG, JR.

Editor Bids Farewell

Being a member of the great and illustrious Mercury staff has been a rewarding and enriching experience and it is with difficulty that I write this final editorial.

Three years have come and gone and it is impossible to record all of the thoughts and feelings I have experienced here in the basement of Clark Hall during this time. The many Wednesday nights that quickly became Thursday mornings and all the anxiety of putting out this paper have become a part of my life that I will truly miss. The crazy antics of our often tired and sometimes hysterical staff, have always been enough to help us overlook the temperamental IBM machine and other last minute problems that plague us.

I extend many 'thank-you's' to Mrs. King who has been a wonderful advisor and boss, not to mention a very good friend. Also, thanks to Dana Jones and Mike Boggs who have always managed to do the impossible and to Steve Boilon for putting up with me. To the rest of the staff I also extend thanks for all the hard work and perseverance that has kept the Mercury going.

In closing, I must say that my years at Glenville have been very educational and enjoyable and being a member of this staff has been a large part of my life here. I commend the Mercury staff for the many amazing feats they have accomplished and I wish them good luck in the years to come.

Ron's Ramblings

by Ron Gregory

Well, it seems as though we just started and here we are with our final column of the 1977-78 school year. How time flies when you're having fun—I think.

There were a lot of things I would have liked to have gotten to prior to the end of the semester, but you know how it is. I don't know for sure how it is but I suppose you do.

Anyway, we've got to clean up the sports desk with a bit of "rambling." Where have I heard that word before?

To set something a little bit straight, in case it was ever confused, I never meant to imply that the men's track meet held at GSC on April 15 was the first to be held in Gilmer County, or Glenville for that matter. What I meant was that this was the first meet held at Glenville State College. In other words, the first one on the GSC campus. As far as I know, it was that. My column that week said that track is just beginning to catch on here at Glenville. I was not, of course, aware that track had been popular in 1913. Anyway, I hope the record is clear.

It's great to know that the Pioneer golf team will be flying to Texas for the national competition and

it's sad to realize the golfers have to battle to scrape up the money for the trip. Nevertheless, we are all proud of the Pioneer golfers and owe them a debt of gratitude for making GSC known across the nation. Coach Carney and his team deserve a lot of praise and credit. Coach Carney is to be especially commended. His teams have won the state championship five times in the ten years he's been here. That's a pretty good record—and that's an understatement!

The five members of the team who will be making the trip are Joe Crislip, Greg DelPrince, Jim Brady, Bill Hess and Perry Coe. A pat on the back to all for a job well done.

Coach Jesse Lilly and his staff are hard at work attempting to recruit players for the Pioneer basketball team, and Coach Adolphson and the football team are just winding up spring practice.

And I'm just winding up this column for 1977-78, so good-bye and thanks to everyone for being so helpful and cooperative. There isn't a better Athletic Department in the world than the one at Glenville State College. And there isn't a better newspaper staff anywhere than the one at the Mercury. Thanks to all.

Cave Class Concluded

The 1978 Glenville State College Cave Biology class has concluded its eight weeks of cave exploration and study. In addition to its regularly scheduled lecture sessions, the course provided week-end cave field trip activities for the students. Cave safety, conservation and preservation were an integral part of the cave biology class.

On May 5th the last cave trip was directed toward the exploration of the historic Sinks of Gandy Creek. Located near Spruce Knob, the highest point in WV, the Sinks is one of the oldest known caverns in state. The Glenville cavers traveled the approximate mile of subterranean passages by following Gandy Creek as it traveled under Yokem's Knob.

GS Third in WVIAC Meet

The Glenville State College track team placed a respectable third in the West Virginia Inter-collegiate Athletic Conference (WVIAC) Championship Track Meet held Saturday and Sunday, May 13 and 14, at Pioneer Stadium. This marked the first time for the state meet to be held at Glenville State.

West Liberty captured first place in the event. The Hilltoppers had a total of 183 points. West Virginia State came in second with 120 points. The Pioneers garnered 60 tallies, while West Virginia Wesleyan placed fourth with 58 points. Originally, point totals showed the Pioneers and Wesleyan tied for third place. An error in totaling had caused the tie, however, and when the results were re-checked Glenville emerged as the third place winner. Salem was fifth with 48 points, while West Virginia Tech was sixth with 29. In seventh place, Fairmont had 17 points, while Bluefield was last with five.

In the 110 meter high hurdle, Glenville's Gene White placed second with a time of 15.2. West Liberty's Dan Myer was first with a time of 15.1.

Ernie Gilliard of the Pioneers was fifth in the 400 meter hurdle. His time was 52.5. Winning the event was State, with a time of 42.5

In the 400 meter intermediate hurdle, Curtis Smith of GSC turned in a time of 57.0 as he placed fourth. First was Mike Casto of Tech with a mark of 54.8.

Mike Fragassi was second in the discus event with a toss of 37.14. Kevin Goist of West Liberty came in first in that event with a mark of 45.30.

Fragassi was third with the shot put. His throw there was 13.26. A toss of 14.17 won the event for Kevin Goist.

Glenville's Randy White was second in pole vault, with a jump of 4.10. Winning the vault was Tim Jergel of Wesleyan.

Lee Hodges of the Pioneers came in second in the triple jump with a mark of 14.09. James Coleman of West Liberty was first with 14.10 showing.

Glenville's John Irwin came in fifth in the high jump with a 1.83 leap. Artie Gilmore of West Liberty won the event with a 1.98 mark.

Scramble Planned For Golfers

The Glenville State College golf team, which will be competing in the National Golf Tournament to be held at Elkins Lake Country Club in Huntsville, Texas, will be flying to Texas for this national competition. The team is scheduled to leave Saturday, June 3. The tournament will be played June 6 through 9.

Coach Tim Carney and his crew of players will be competing in the national event for the fifth time in the ten years he has been coach at Glenville.

The South Hills Country Club in Parkersburg will sponsor a four-man scramble tournament on Sunday, May 21, with two-thirds of the proceeds going to the golf team to help cover expenses involved in the national tourney.

Last year a similar event raised \$250 for the Pioneers. Coach Carney said in an interview he believes a total of \$1400 will be needed for the trip and tourney.

The scramble tourney will be open to all area golfers with \$2 of the \$3 entry fee being donated to the college team. Anyone wishing to play must sign up either in person or by calling South Hills before 10 a.m. this Sunday. The pairing will be determined after the deadline, with tee-off times set at 1 p.m.

Each member of the Glenville golf team will be designated a team captain in addition to former Glenville golfers such as Parkersburg South's Terry Crislip and Harrisville's Jim Scott.
