Committee Budgets Fees For '78-79 Entertainment

At the beginning of each semester every student who has enrolled in 9 or more hours pays a \$47.00 Activity fee. Of this total, \$7.50 per semester is allotted to the committee for programming entertainment. This is equivalent to \$15.00 per year/per student and this provides the committee with a budget of \$14,000 (more or less, depending on enrollment figures for 1978 - 79).

With this budget the committee has scheduled 21 popular movies (a movie program that is second to none in this state - including WVU). We have scheduled concerts, dances, and speakers for the '78 - '79 school year too. Listed below is the Entertainment Schedule for 1978 - 79:

Tuesday - Aug. 29, 1978 - Mix - 'The Willie Boy Band' (Freshman WK Activities)

Saturday - Oct. 14, 1978 - 'Sugar Creek'

Thursday - Dec. 7, 1978 - James J. Mapes (hypnotist)

Thursday - Feb. 15, 1979 - 'FATE' (Dance - Ballroom)

Thursday - March 15, 1979 - John

Roarke (comedian - impersonator) Friday - April 27, 1979 - 'Staircase' [not confirmed] (Spring Semi-Formal Friday - May 18, 1979 - 'OLIVER' (musical entertainment)).

Another Year to End

Faculty, Staff, and Students,

We have nearly reached the end of another academic year. It has been a busy year for most of us, and it has been a particularly challenging year for me as I have faced the duties of a college president. I would like to express my sincere appreciation for the splendid cooperation I have had from students, faculty, and staff. For this institution to function successfully, a great degree of teamwork is necessary. Glenville State College has the necessary teamwork. Throughout the year we have worked together on examining our institutional and academic policies; we have made some significant changes in our dormitories; we have faced a serious energy curtailment. In all cases the attitude has been positive and the results have been positive.

For those students, faculty and staff who will be returning another year, we shall look forward to seeing you next August. For those who will not be returning, we wish you the very best success in whatever you choose to do.

Sincerely,

William K. Simmons
President

The President of Student Congress would like to ask each organization on campus to consider having a display at the Freshman Picnic and Carnival which is held every year during Freshman Week on the Lawn of Verona Mapel. Their displays are to orient the incoming freshman with the many organizations on the Glenville campus. The display may be set up in any fashion that is appropriate with the theme of your organization.

The Freshman Picnic and Carnival will be held: Wed., August 30, 1978, from 5:30 p.m.-6:30 p.m., on the lawn of Verona Mapel. We hope to see many displays at this carnival.

Lucie P. O'Brien, Assistant Professor of Social Work at Glenville State College, will speak at 8 p.m. Wednesday, May 24 in the Multi-Purpose Room of Glenville's Pioneer Center. Professor O'Brien's program is being sponsored by the Glenville Branch of the American Association of University Women. The public is invited to attend.

Her presentation, titled "Children-Property or Heirs?", is part of the Mountain Issues Forum, funded by the Committee for Humanities and Public Policy in West Virginia. The purpose of the project is to enable scholars in the humanities to lead discussions of public policy issues of concern to West Virginians.

Professor O'Brien holds the B.A. from Lebanon Valley College, the M.A. from the University of Chicago, and the M.S.W. from the Catholic University of America. A teacher of English before going into the field of social work, Ms. O'Brien has had experience in child welfare and other social services in several states.

Cynthia J. Musser's name was inadvertently omitted from the list of Honor Graduates last week. She should have been listed as a cum laude graduate (overall academic average of 3.3 to 3.49). The Mercury regrets this error.

Ode to GSC

It was over a hundred years ago
But I'll not deliberate.
For I was built, not to recall,
Just to serve and educate.

Someone it seems; was very wise.
At least I thought so,
And I was placed upon a hill,
Not in a valley low.

Where we could look together
And dream with all our might,
Of climbing higher mountains,
To attain the greatest height.

We started at the bottom,
And a few had to stop,
But, many of my children
Have reached the very top.

They've achieved the highest honors.
Fulfilled their goals at last.
As they anticipate the future,
I cherish memories of the past.

Why am I enthusiastic?
There's enchantment we confess.
It isn't magic - but delight,
In the newness we possess.

The harmony is sensational,
Like bells with endless chimes.
Wisdom charts our course today.
We will now - change with the times.
