'Send Me No Flowers' Play Cast Chosen

The cast has been chosen for the Ohnimgohow Players production of "Send Me No Flowers." The production is scheduled for performances on November 9, 10, and 11.

"Send Me No Flowers" is a comedy about a hypochondriac who hears a telephone conversation between his doctor and another physician. He is given the false impression that he is dying which leads him to try to get his wife another man to take his place.

One of the co-leading roles in the play is that of Judy. This is played by Abby McHenry, a senior biology major. Abby played the part of Lizzie in the Spring '78 production of "The Rain Maker." A graduate of Gilmer County High School, Abby is a member of the Literary Society and the Chi Beta Phi.

The other lead role is played by Gene White, a junior also, with a biology major. Gene was voted best actor on the 1978 production of "The Rain Maker." Gene is a graduate of Green High School, Akron, OH, and is an officer of Tau Kappa Epsilon fraternity.

Elvis Impersonator Appears On Campus

He looks like Elvis, sings like Elvis, and acts like Elvis. Some people during his performance have got even so wrapped up they thought they were actually seeing Elvis in person. The man who has accomplished all of this magic is Jessie King and his tribute to Elvis, "Elvis, I'll remember you," which will be coming to the Glenville State Gymnasium at 8 p.m. Tuesday October 24, 1978. This event is being

The role of Vito is portrayed by Dave Blevins, a junior general science major. Dave, a graduate of Stoco High School of Beckley, has been in several productions both at school and for W.S.E.A.

Jeff Davis who plays the part of Bert, is a sophomore music major. Jeff who is a graduate of Gilmer County High, was in the 1978 production of "The Rain Maker." Jeff is in the GSC Band and a member of M.E.N.C.

Gary Ross plays the part of Dr. Morrissey. Gary, a freshman, is a graduate of Herbert Hoover High School and is studying Social Technology at GSC. Gary won awards for his acting abilities while still in high school.

Ken Anderson, a Biology major, plays the part of Arnold. Ken, a junior, is a graduate of Brandywine High School in Wilmington, Del. Ken has been in four plays while at GSC and is now a brother of the Lambda Chi Alpha fraternity.

Robert 'Dee' Walker, a Food Service major, plays the part of the First Pas-

serby. Dee, a senior, is a graduate of Greenbrier East High School in Lewisburg. Dramatic awards include Best Supporting Actor in a GSC production of "Mice and Men."

Akins will be portrayed by Kate Reed, a freshman at GSC. Kate is a graduate of Cape Henlopen High School, Milton, Del. Past acting experience include leading roles in high school plays. Presently, Kate is head of sound on "Send Me No Flowers."

Joy Westbrook plays the part of A. Girl and Miss Mason. Joy, a Business Administration senior at GSC is a graduate of Gilmer County High School and is on the volleyball team.

Kevin Lightner, a graduate of Parkersburg South High School plays the part of the 3rd Passerby in "Send Me No Flowers." Kevin is a junior, with a Social Work Major.

The play is under the direction of Ms. Janet Rubin. The assistant director is Kathy Sullivan. The play is scheduled to be presented Nov. 9, 10, and 11 at 8:00 in the auditorium. Everyone is welcome.

Students interested in pursuing a master's degree program in counseling please contact your Placement Office prior to November 1, 1978.

'Champions' Cited

On Saturday, Homecoming day, the Lambda Chi Alpha fraternity became GSC champions. The Chi's won the judged event with a car float that had an R2-D2 replica from the smash movie "Star Wars" on top. The idea was not the most original, but the craftsmanship displayed in the building to the copy was uncanny. During halftime, they actually had the robot moving - this was done by placing R2 on top of Chi Steve Snyder who must have been uncomfortable at least. In any event, their piece of art won the first prize.

Coming in second, was the Sigma Sigma Sigma float. Their scene was a spaceship float in the shape of a football. It had silver doors and was covered with light and dark blue foil. There was a goal post in back of the float. A sun, moon, stars and a lot of sparkles suspended in the air over the Tri-Sigma's who performed a Jetson's skit and sang a song.

The third place winner was Pickens Hall. Their theme was America's great trek to the moon, however, modified. Their clever idea was two football players standing side by side, a Salem player and a Glenville player. Behind them was a "lunar module." As the two began to move, it became apparent that it was "one small step for Salem, one giant leap for GSC." The later game proved Pickens right.

Lambda Chi Alpha fraternity's replica of R2 - D2 from "Star Wars," wins the 1978 Homecoming First Place Award.

Meeting Planned

A teacher education interview day is scheduled for November 8 from 8:30 - 4:30 in the Ballroom of the Pioneer Center.

If you are interested in interviewing with any of these participants, please come by the Placement Office prior to Friday, October 27, 1978 to schedule a time slot.

Mrs. Joanne Jordan, account executive from Management Recruiters will be on campus next Thursday, October 26, 1978 from 10 a.m. till 3 p.m. and Friday from 9 a.m. till 11:30 a.m.

Mrs. Jordan is from Winchester, Virginia and would be interested in interviewing Business degree majors. All interested students please come to the Placement Office for time slot prior to October 25, 1978.

2-year students are encouraged to attend.

The Career Planning and Document Office will hold a meeting of all students in 2-year Associate Degree Programs at 6:30 p.m. on October 25, 1978 in the basement of the Library. The meeting will consist of two primary functions: (1) Distribution of Credential Packets, and (2) Resume and letter writing workshop.

Credential Packets will be distributed and discussed with the students during this meeting. These packets are to be completed and will become a permanent part of your record in the Placement Office.

A resume and letter writing workshop will also be held during this time. The workshop will consist of: (1) Development of a resume, (2) Preparation of a cover letter, and (3) job interviewing strategies. All 2-year students are encouraged to attend.

Sigma Sigma Sigma sorority wins Second Place Award for their spaceship and Jetson's skit.

"One small step for Salem, one giant leap for GSC," brings third place to Pickens Hall float.

Saturday, although rainy, proved to be a profitable day. This, perhaps, can be attributed to the game against Salem, which marked our first Homecoming win since 1974. We wish to congratulate the Pioneers for their fantastic feat. Now, perhaps we won't be hearing about the crude harassment of our female sportswriter who, each week, pounds her opinions into the typewriter keys.

Homecoming 1978 has come and gone leaving us time to relax... but, we forgot about mid-terms! So much has been happening and we neglected a few extra hours towards a couple of classes and now we find ourselves with less-than-adequate grades. But, don't let this mere one-half of the semester distress you. You still have another one-half to bring your grades "back-up" to satisfy those at home who think you simply attend college to forfeit the working world a few more years.

Speaking of mid-term exams, there simply has to be a way to overcome that extremely detrimental situation that occurs when you receive your test, commonly known as "My Mind Went Blank" and "I Totally Lost It" syndrome. This is an ever-occurring problem and one that causes embarrassment as well as a bad mid-semester average. I find that before an exam I am overcome by a feeling of unending doom; it is as if the test will last forever and the next hour does not exist. The best advice for the "syndrome" other than screaming, running out of the classroom, or getting loaded after or even before the exam, is to relax.

Take ten minutes, with the exam on your desk, to read it over, inhale and exhale deeply, get your thoughts organized and by this time everything you have learned should re-enter your mind (providing you did learn something). If your mind is still blank and you completely "messed-up" the exam, simply write it off as a bad day and tell yourself you will do better the next exam. As far as embarrassment is concerned, you can't be perfect all of the time. Just because you did badly on the exam doesn't mean you didn't learn anything. If you can transfer your learned information to other situations, other than an exam, you are all right. This is more important than an exam grade.

Here are a few tips: (1) According to recent research into one's sleep and study habits, you should study before going to sleep as opposed to cramming at five or six a.m. before an exam. The research showed that "sleep prior to study disrupts memory significantly, unless considerable waking time is allowed before digging into the material you want to learn". The results also showed that "the shorter the period of sleep that precedes the studying, the more this sleep disrupts learning." Sleeping four hours or less was found to be more disturbing to memory than that of six or more hours of sleep.

Researchers believe that hormones have something to do with how sleep disturbs memory. In laboratory tests on mice, the hormone somatotrophin, produced naturally during sleep, severely affected the memory of mice injected with it."

(2) An article in the March 1978 edition of *Psychology Today* mentioned that changing answers on multiple choice exams not only increases your chances of doing better, but in addition, the more answers you change, the higher your score is likely to be. Psychologist Gerald R. Stoffer and two associates from Pacific Lutheran University, who conducted a study concerning changing answers, gave this advice: "If you know the subject well, sticking to your first impulse won't hurt you. If you are shaky, you might profit by making some changes."

Letter To The Editor

Dear Editor,

Looking back upon the excitement of last week, we would like to commend Student Congress for the best Homecoming ever. The whole week before Homecoming was great. There were activities everyday that involved not only Greeks but the whole GSC student body.

We know this was a lot of extra work for Student Congress but feel that their efforts were very worthwhile. We only hope that the Student Congress of future years will keep up the great work.

Sincerely yours,
Delta Zeta Sorority

Sororities, Fraternities Report

SIGMA SIGMA SIGMA

The Delta Alpha chapter of Sigma Sigma Sigma would like to welcome all new Greeks, Delta Zeta pledges, Theta Xi, TKE, and Lambda Chi new members. Tri-Sigma wants you to enjoy Greek life.

The following are the Fall 1978 pledges and their Big Sis's: Debbie Bennett- Sue Baisden, Candy Burdette- Peggy Bauman, Becky Carr- Melanie Wilcox, Debbie Carson- Kim Bickel, Joyce Fitzwater- Jane Bell, Cheryl Cline- Janet James, Carol McClung- Beth Meredith, Karen McClung- Pame Laign, Susie Stalnaker- Kathy Asseff.

The sisters received 2nd place on their Homecoming float. Thanks to all who helped.

All the sisters would like to welcome another new pledge, Joy Westbrook.

THETA XI

The Kappa Eta chapter of Theta Xi fraternity held its weekly meeting on Oct. 16 and would like to announce that another house party is being planned for after the Fairmont game. We had a good turn out last time and would like to see everyone back plus more.

The brothers are selling chances on the Fairmont game ball. We would like to congratulate pledge Spangler on his performance in the past two games.

Congratulations are also in order to brother Ronnie for his wise decision.

The SLOTH award goes to Queen and Dillenger for their job on the porch and in the house and LOVER award goes to Mark D. (either one will do considering the course of events that took place during Homecoming.)

Off The Wall

by Tim Brady

The world is full of heroes: military heroes, sports heroes, political heroes, etc.etc. etc. Supposedly these men and women are honest, forthright, unafraid, and a multitudinous multitude of other enviable qualities. They involve great spasms of admiration and envy throughout any populace that they come in contact with. BULL - LONEY.

The real heroes of the world go unnoticed, unacknowledged by the majority. They accomplish feats unparalleled in time; difficult tasks become easy-impossible ones become common place, and the unthinkable ones strain them only minutely. Who are these champions of which I speak? I shall tell you about one such "superman."

His name is Phillippe Tothe. It is not important where he was born or where he lived. What is important is what he has done. At the tender age of ten he rescued his mother and sister from their blazing home, risking his own life to save the lives of the ones he loved. Unfortunately his mother and sister were immediately run over by the fire trucks that were

LAMBDA CHI ALPHA

The brothers of Delta Beta Zeta of Lambda Chi Alpha held their weekly meeting Tuesday. Vice-President Tim James presided over the meeting.

Homecoming will be one to remember for a while as several brothers and Alumni got together all weekend.

Congratulations to the brothers on their 1st place float. Let's see if we can make it a yearly tradition from now on.

Brothers are also selling tickets for a stereo. The drawing will be held at half time of the Tech game on Nov. 11.

Awards this week are: AH- Chuck Hupp, KCUF: Tim James and Jeff Hudkins, POW: Chuck Hupp, WINO: Jeff Wiles.

LADIES OF THE WHITE ROSE

The Ladies of the White Rose met for their weekly meeting Tuesday in Pickens Hall.

All new Ladies were welcomed. They are: Georgetta Massie, Wendy Elliott, Timmie Lilly, Brenda Marks, Beth Meredith, Carol Layne, Becky Carr, Regina Leach, Fran Davis, Dena Dunlap, and Sue Baisden.

Plans were finalized for the upcoming Money Making Projects.

All brothers and Ladies are invited to attend the Hayride on October 20th.

ORDER OF DIANA

On Oct. 16th the Order of Diana held its regular meeting.

TKE buttons were given to all the O.D. pledges.

Final plans for the Halloween party and hayride were completed.

Also the plans for the girls' formal and informal initiation were completed.

DELTA ZETA

The sisters of the Delta Zeta Zeta sorority held a formal meeting in the chapter room on Monday, October 16, 1978.

We wish to congratulate and welcome our pledges. They are: Meg Groves, Debbie Stalnaker, Tracey Rymer, and Carol Spangler.

The sisters held a dinner on Oct. 18, 1978 for the 'single' women on campus. Thanks for the pleasure of your company.

An open rush party was held on Thursday at 7 p.m. Thanks to all the girls for coming down and spending their time with us. Also held was the Big Sis Ceremony.

The DZ turtles were victorious in their intramural volleyball game defeating the Sigma Floor Women.

October 24 is the Delta Zeta's Founders Day. The sisters will be wearing their pins, eating dinner at the college cafeteria, and later that night we will sponsor a dance. We urge everyone to come and help us celebrate our Founders Day. Plans for the dance will be completed.

The Study Turtle Award for this week goes to Joyce Jarrell with Terrye Evans following behind with the wilted rose.

On Friday, October 27, the sisters will be having a hayride to Cedar Creek and then a cook-out. On Sunday of that same weekend we will be collecting for UNICEF. Please help us by donate ing.

We wish to express our warmest wishes to our Homecoming Court and we extend a special thanks to Student Congress for a terrific Homecoming weekend.

The Pioneers played a great game Saturday as they gave us a victory for Homecoming.

racing up the driveway to the house.

Following this tragic accident, Phil turned his attention to thoughts of school and an education. At the local high school, Phil was remembered by his classmates as someone who was constantly giving to other students, giving dope, the shaft, hard times, and occasionally a 12 inch stainless steel razor sharp switch blade --usually in the back. Phil was so gifted in school

that he was ordered to graduate after only three months in class and four stabbings in the hallway.

In civilian life, Phil continued his pastoral ways by joining what he described as the combination local Baptist Ministries Association and KKK Klub, which stood for Killers, Kooks, and Krazies, the only black mark on Phil's life record occurred during this time. He was accused of murdering a family of twenty-six Jews with a

The leading passer in the WVIAC, Terry Spangler loads up another one.

New Programs Start at Pickens Hall

Diane Bach, house director of Pickens Hall has coordinated several programs which will involve students both in directing and in participating. Many faculty members will also be involved in the following programs.

A Cake Decorating class, taught by Jeanne Kennedy, will be held in the basement kitchen of Pickens Hall on Thursday, October 26, 1978 at 7:00 p.m. The cost is 50 cents per person, limit 15.

An evening of music will be performed by Wayne de Rosset and Gary Norum in the Scott Wing Ground Floor Lounge on Sunday, November 5, 1978 at 8:00 p.m. Cost is FREE.

Lou Ellen Brumage and Beverly Moore will be teaching basic chords and finger picking techniques on the guitar in Scott Wing Ground Floor Lounge on Wed. at 6:00 p.m. beginning Oct. 25, 1978. Cost is FREE.

Dr. Mary Jo Pribble will be teaching the basics of rug hooking, Macrame, and quilting in 3rd floor lounge on Scott Wing of Mondays at 7:30 p.m. beginning Oct. 23, 1978. Cost is FREE.

Linda Collins will be teaching conditioning exercises in Scott Wing Ground Floor Lounge on Tuesdays at 9:00 p.m. Beginning Oct. 31. free

Dale Sparks and P. Kay Nottingham will teach basic photography in the Scott Gr. Floor Lounge on Tues. at 6 beginning Oct 24. FREE. Bring your own equipment if you can.

The R.A.'s will teach the 'roommate game' in Scott Wing Ground Lounge on Mon. Oct. 23 at 9:00 p.m.

Square Dancing, with Mack Samples directing, will occur in the BR on Tues. Oct. 24, 1978 at 7:00 p.m. Cost is 25 cents. Dancing duds req.

Jim Ross will show one the rules of Table Tennis in the Penthouse on Wed. Oct. 25, at 7:00 p.m.

Try the Variety Gong Show with Barb Quinn and Shirley Williams directing. Scott Ground Lounge, Wed. Nov. 1 at 8:30 p.m.

Dr. Katharine Kiehl will be speaking on Nov. 15 in Scott Ground Lounge at 8:00 p.m., Cindy Russell presides.

Dave Drennon is organizing Men's Intramural Teams.

Lawyer Scheduled to Speak

"Wills and Estates" will be the subject of a talk to be given by Paul Nagy, local attorney, Tuesday evening at 7:00 in the Library. The program is open to the public. It is being sponsored by the GSC Federal Credit Union.

Making out a will enables one to have a choice in how property is to be disposed of, according to Nagy; otherwise the estate will be administered strictly according to the statutes set up for the purpose. Nagy will point out the advantages of making a

will and will also discuss the statutes that govern trusts and how to establish trust funds.

Nagy has recently moved back to Glenville after a three-year absence. During part of the nine years when he lived here before, he taught in the education and business departments at the College and served in the administration. He holds the J.D. Degree from West Virginia U., and also received a B.S. from Wisconsin State College, a B.S. in Ed. from West Virginia U., and the M.Ed. from Temple U.

Tigers Bombarded By G-Men, 28-12

There is a rumble in the woods of Gilmer County and it is not squirrel hunters. Head Coach "Whitey" Adolfson and his Glenville Pioneers have started making some noise.

The G-Men notched their second consecutive victory by shooting down the Salem Tigers 28-12. This marked Glenville State College's first varsity win in the Pioneer Stadium.

Salem led the Pioneers 6-0 going into the third quarter. That was when the Glenville offensive unit untracked themselves. Brad Batten returned a punt 39 yards setting up the 1st Pioneer score.

Bryan Ferguson recovered a blocked punt in the end zone for GSC's second touchdown of the afternoon. Dave Boggess and Mike McGill hauled in Terry Spangler passes for the final two six pointers of the contest.

On the season, Spangler has completed 47 of 106 attempts for 729 yards. Five of the completions have gone for touchdowns.

Van Vaughn and Brad Batton are Glenville State's leading ground gainers through the first five games. Both have picked up 200 yards.

The Pioneer defense continued to look impressive last Saturday. They allowed the Salem Tigers only 126 yards on the ground and were responsible for only one of the visitor's scores.

Linebacker Chuck Ludewig was one of the defensive standouts for Glenville. He came up with five tackles to go along with eight assists and two fumbles recoveries.

The charging GSC Pioneers seem to have risen from the grave. They will take their music to Buckhannon this Saturday Oct. 21, for a 1:30 p.m. contest with W. V. Wesleyan, The Bobcats downed Glenville State 6-0 last season, in Glenville, but the Pioneers seem ready to return the favor.

(continued from page 2)

small pen knife and a Thompson 50 caliber machine gun. He was acquitted however, when the jury committed suicide by jumping off a 40-story cliff. Some eyebrows were raised when it was discovered that they had all been tied up and blindfolded. But who pays attention to details.

Still continuing his generous ways, Phillippe offered his services to a group of civic minded individuals in a European country. He was often asked, when he returned home, what that strange looking red and black arm band meant, but he never replied. Too modest I guess.

Phillippe Tothe's enlightened life tragically ended one day, late last year. In keeping with his life-long policy of service and generosity he was attempting to help a rich elderly lady through a park by carrying her handbag, coat, jewelry, dress, shoes, hat and false teeth. Unfortunately a nearby S.W.A.T. team misunderstood his intentions and unknowingly shot him 342 times.

A great man has died.

Susie and Debbie say that I have to apologize. I am sorry Anita.

Dave Boggess scoring one of four Pioneer touchdowns against Salem.

Forensics Team Prepared

The first forensics tournament is coming up November 3rd and 4th and the Forensics team expects to do well in the competition.

The forensics team consists of six novice participants in events ranging from impromptu speaking to dramatic duo.

Participants include Francene Davis who is entered in poetry interpretation, prose interpretation and dramatic duo.

June Nohe is currently entered in three events including prose interpretation, poetry interpretation and dramatic duo.

Athelene Birchfield, a freshman, is involved in poetry interpretation, prose interpretation and dramatic duo.

Tim Miller, a freshman, is entered in three events. These events are dramatic duo, after dinner speaking and prose interpretation.

Mike Maloney, a junior is currently involved in after-dinner speaking, extemporaneous speaking, impromptu speaking and informative speaking.

Organizations Highlighted

In order to be of service to all of those people who have stated in this paper that there is nothing to do, the Mercury will be running a series of articles profiting various campus organizations.

The Mercury will also be running various articles featuring GSC students and their contributions to the campus. Mike Maloney

Glenville State College's chapter of Delta Zeta sorority is one of the many worthwhile groups on this campus. I could tell you about this organization but I thought it would be better if a member did the talking so I asked Deena Snyder to tell you about them.

On May 18, 1963 the Xi Beta Tau chapter went national. Xi Beta

Sandy Farris will be competing in poetry interpretation.

The forensics team currently has two public service events planned. Monday, November 6, the team will perform for the Gassaway Women's Club. Also, on a date as of yet un-set, the team will perform at an assembly at Ripley High School.

Forensics gives the students of GSC an opportunity to develop the art of speaking skills and compete as any collegiate team competes and have the chance to see and learn from a variety of other speakers.

Mrs. Monica Kretzchmar-Young the Forensics instructor, offers the students 1 to 3 hours of credit depending upon what the individual wants or needs. Mrs. Kretzchmar-Young says that "all participants are novice. The new team is young, but shows every evidence of being both a sophisticated and excited team."

No new students will be accepted in Forensics this semester, but the class will be open to new students next semester.

Tau became the 150th of Delta Zeta. The flower of the Delta Zeta is the pink killarney rose, and our colors are rose and green. Our jewel is the diamond and our national magazine is the Lamp.

The first sponsors of the Theta Xi chapter was Mrs. William Douglas and Mrs. Jesse Lilly. Patronesses were Miss Virginia West, Miss Emma Jean Woofter, and Mrs. Byron Turner.

The first chapter of Delta Zeta was founded in 1902 at Miami University, Oxford, Ohio and has the largest membership of any social sorority in the United States. The purposes of our sorority are: to unite its members in the bonds of sincere (continued on page 6)

Cline's Lines

The force was certainly with the GSC Pioneers Saturday as they fearlessly demolished the Salem Tigers by a score of 28-12. After a slow seasonal start, the Pioneers are finally coming full force onto the field and continue to play the game in that same aggressive way.

I'm glad that the Pioneers are making a definite 'to-the-rear' and hope that they continue to play in that same manner. If you happened to miss the Homecoming game show up for the next home game because they are definitely showing good team spirit and good team work and are worth watching!

As I said last week, the sports stories have the game stats, but I would like to congratulate the pioneers and coaches for the outstanding job that they did on Saturday. Salutes go to Brad Batten, Tom Phillips, Steve Gandee, Bryan Ferguson, David Boggess, Terry Spangler, Mike McGill, Chuck Ludewig and Paul Duffy for their tremendous efforts that helped lead the Pioneers on to their

second victory. Congratulations also go to Glenville's individual players who hit the spotlight in the WVIAC stats. Terry Spangler, GSC's quarterback, is leading with 1st place in passing. He has an average of 145, hitting 41 of 90 attempts. Terry is holding the lead by 8 yards. Mike McGill is 2nd in pass receptions, Brad Batten is 2nd in punt returns and Mitch Guy is 6th in kick off return. John Countz is 10th in overall individual defensive stats.

Women's volleyball got underway October 4 as Glenville travelled to Morris Harvey College for a tri-match which included Glenville State, WV Tech, and host Morris Harvey. Morris Harvey defeated Glenville by scores of 15-4 and 15-0. Glenville then defeated WV Tech by 15-7 and 15-10.

On October 10, Glenville travelled to Alderson Broaddus for a tri-match including Concord and Glenville. Concord won by 15-2 and 15-5 and Glenville won by scores of 15-13 and 15-3.

Glenville Takes 3rd In MH Meet

Cross Country team finished in third place behind West Liberty and Davis & Elkins in the Morris Harvey Invitational held Oct. 12. It was run over the hilly Sandy Brae Golf Course track.

Mark Turelove was the top Glenville finisher (9th place) in 29:46. Jim Chivers (11th place) covered the ground in 30:02. Jeff Jones (31:08) and Joey Herron (31:16) placed 17th & 18th. Mitch Arbauch (32:41) was the 27th runner to cross the line and Pat Godfrey (37:46) the 40th.

P.K. Coon was forced to pull out of the meet due to an injury and Godfrey did not do nearly as well as expected.

"If those two had run their regular races," Hilgenberg stated, "I think we would have slipped into second place."

Morris Harvey Invitational Standings:

West Liberty - 26; Davis & Elkins - 68; Glenville State - 82; WV Wesleyan - 91; WV State - 102; WV Tech - 120; Morris Harvey - 163.

The Morris Harvey Invitational upped GSC's conference record to 9-3 and overall record to 9-5.

"The surprise element is over for us now," Dr. Hilgenberg said, "We are going to have to go to work."

The Pioneer Cross Country team's remaining schedule includes visits to Wesleyan (Oct. 21), WV Tech (Oct 24), West Liberty Invitational (Oct 27), and the WVIAC Conference Meet (Nov. 3) at the Sandy Brae Golf Course.

The 1978 Girls Volleyball team from left to right: Lyn Bartges, Kennetha Parker Pam Linger, Joy Westbrook, Kim Short, Donita Cox, Linda Collins, Not Pictured: Debbie Grogg

Players Listed

Coach Kay Chico listed members of the 1978 volleyball team as: Lyn Bartges from Charleston, Linda Collins from Palestine, Donita Cox from Washington, WV, Debbie Grogg, Vikki Janes, and Judy Kibble, all from Parkersburg, Kim Short from Lost Creek, Joy Westbrook from Burnsville and Bev Wilkinson from Ravenswood.

The remaining schedule for October will be a tri-match at Concord on October 23, a home tri-match on October 26 and another tri-match on October 30 at Fairmont.

Class Instructs

Mrs. Piercy's Elementary Physical Education class has been teaching elementary students in Gilmer County, gymnastics including stunts and tumbling, small equipment, apparatus, and trampoline.

The students pictured are Mrs. Milliken's class from Glenville Elementary School.

Mrs. Piercy stated that the primary objective of this activity is to give college students the actual experience of teaching and working with elementary students in physical education.

It is hoped that students would be able to analyze the various stunts and skills in terms of the movement elements involved, because one of the primary thrusts of this program is the understanding of basic movement.

Other activities will include: Manipulative Skill Development: problem solving with objects, creating new activities, factors of object control, exploring movement with objects. Manipulating Objects with Feet: basic movement experiences, activities using a soccer ball, and kickball. Manipulating Objects with Hands: activities using a volleyball, basketball, and football. Manipulating Objects with Implements: basic movement experiences with scoops, sticks, and bats, activities using softball and bat, basic movement experiences with paddles and rackets.

Dr. Now and Dr. Simmons congratulate Montrose Award Winner, Tom Coates.

'Brady's Banterings'

Like Rocky, the Glenville Pioneer football team has been down but not out. The performances turned in the last two Saturdays are a barometer of the pride and character that the football team possesses. It would have been easy for the team to quit after disappointing losses in their first three games. The team did not quit however, and has come back the last two weeks to beat Bluefield 38-14 and at Homecoming burying Salem 28-12.

The win against Salem was important in several ways. First it proved that the win against Bluefield was no fluke. Bluefield does not have a good team as their record attests; and it could have been simple to file Glenville's win as a shallow victory. But when Glenville beat Salem all those arguments were irrelevant. Second, the win was important because it established that the Pioneers can come from a deficit and win a ballgame, which has happened so infrequently in the recent past.

In front of me I have some interesting stats on the football team. Offensively the Pioneers have begun to even out some figures that they were trailing so poorly early in the season.

The Pioneers have run the ball 212 times for 533 yards at an average of 2.5 a carry. Passing yardage is a bright spot for the Pioneers. Terry Spangler lead the WVIAC in passing with an average of 145 yards per game. Spangler has completed 41 of 90 for 580 yards through 4 games. The receiving corp for the Pioneers is lead by Mike McGill with 15 catches, Paul Duffy with 8, Van Vaughn and Rich Hefflefinger with 6. The scoring leaders for Glenville are Paul Duffy, Mike McGill, and Tom Phillips with 12 points. Van Vaughn, Brad Batten, Dave Boggess, Chuck Ludewig and Brian Ferguson have each scored one touchdown. Kickers Steve Gandee has 12 points.

(cont. on page 6)

Grade school student receiving instruction in Mrs. Piercy's Elementary Physical Education class.

BANTERINGS (Cont.)

On defense Glenville is paced by Greg Dunhing with 20 tackles and 26 assists, Chuck Barker with 19 tackles and 25 assists, Tim Carter with 18 tackles and 9 assists and Ed Donatell with 13 tackles and 20 assists.

The Pioneer defense ranks fifth overall in the WVIAC. They have allowed 165 yards on the ground to rank sixth and fourth against the pass with 119 yards.

They have allowed 83 total points with their best effort coming against Salem allowing them only 12 points. Their alert play has resulted in the recovery of 17 fumbles and 4 interceptions. If all that is enough, they have even contributed in the scoring department with 12 points, Chuck Ludewig's runback with an interception and freshman Brian Ferguson's recovery of a blocked punt in the end zone.

The Offensive unit ranks seventh overall in the conference offensively. They are eighth in rushing with an average of 103.8 yards a game and third in passing with a 150 yard average.

It is no longer a surprise when the Glenville Cross Country Team finishes well in a meet. Coach Hilgenberg and the team deserve a great deal of praise for their efforts so far this season. They finished third at the Morris Harvey Invitational October 12, behind West Liberty and Davis and Elkins. We intended to have a team picture this week but unfortunately the picture did not turn out.

It was a pretty decent world series. My MVP was Brian Doyle. This is the time of the sports year I enjoy most. Football is heating up and my favorite sport is just beginning, basketball (Pros).

(cont. from page 4)
and lasting friendship, to stimulate one another in the pursuit of knowledge, to promote the moral and social culture of its members, to develop plans for guidance and unity in action; objects worthy of the highest aim and purpose of associated effort.

Since May 18, 1963 the Theta Xi chapter of Delta Zeta has evoked to keep the purpose in sight. We do projects for the school, community, and our bonds of sisterhood are growing more each day.

COLLEGE POETRY REVIEW

The NATIONAL POETRY PRESS
announces

The closing date for the submission of manuscripts by College Students is
November 5

ANY STUDENT attending either junior or senior college is eligible to submit his verse. There is no limitation as to form or theme. Shorter works are preferred because of space limitations.

Each poem must be TYPED or PRINTED on a separate sheet, and must bear the NAME and HOME ADDRESS of the student, and the COLLEGE ADDRESS as well.

MANUSCRIPTS should be sent to the OFFICE OF THE PRESS.
