

# The Glenville Mercury

Number 4

Glenville State College, Glenville, West Virginia

Friday, September 21, 1979

The 1979 Homecoming Queen and her court: (l to r) Freshman Lisa Pleasant, Junior Kim Bickel, Queen June Nohe, Senior Terry Evans, and Sophomore Della Seaman.

## Homecoming Changes Made

GSC Homecoming '79 promises to be quite a grand affair. Homecoming activities begin September 24 with Spirit Week and float building. Parade time is 10:00, however, line-up begins at 8:00. The parade will begin at the high school. A judge's stand will be set up in front of the Kanawha Union Bank, along with a public address system.

Many major changes have been made in this year's program. Coronation has been moved to halftime, and the Montrose Award, Distinguished Alumni Award, and winning float awards shall be made during the pregame show, which starts at 12:00.

The Homecoming dance will be held from 8-12, in the Ballroom. The theme this year is the "International Year of the Child". The band will be

"Songbird," from North Carolina. Cost of the Homecoming dance is \$1 per person. The Alumni are also having a dance Sat., Sept. 29. The dance is being held at the Gilmer Co. Recreation Center. The cost for this dance is \$10 per couple.

On Tuesday, Sept. 25, the Red Cross Bloodmobile will be on campus. Red Cross members will be in the Ballroom of the Pioneer Center from 1 p.m. til 5 p.m. to accept donations. One pint of blood can help save the lives of a maximum of nine people. Please take the time to help. It doesn't hurt more than a good pinch.

## BOR Meets At GSC

The West Virginia Board of Regents will hold its October meeting on the Glenville State College campus beginning Monday, Oct. 1 and concluding with a dinner meeting on Tuesday, Oct. 2, according to Glenville State College president, Dr. William K. Simmons.

The 13 member Board will arrive on campus about noon on Monday for their first Glenville-based meeting since 1972. Sessions will include a tour of the campus, in-

dividual meetings with students, with faculty, with classified employees, and with administrative staffs, as well as closed executive sessions. A dinner will be given at the President's Home with Board Members and administrative staff as guests. On Tuesday, the meeting will conclude with a community dinner at which legislative representatives, education and business leaders will hear Chancellor Ben Morton discuss the over-all state plan for higher education: "Profiles in Progress." Dr. Simmons will discuss Glenville State's role and scope in the over-all plan.

Among priority items to be decided at the October session is the lease arrangement between Glenville State-Gilmer County regarding Rohrbough Field.

Details of the meeting will follow next week.

## Melodrama To Be Presented Tonight

The play, "Desperate Desmond's Dastardly Deed", is set for this Friday night, September 21, in the Little Theatre in the Administration Building at 8 p.m.

Several times this story has been compared to the old "Dudley Do-wright" cartoons by its actors and actresses. But it is a lot funnier and most entertaining.

The play consists of a heroine, Ms. Clementine Cashmere, and her ever-loving white knight in shining armour, Montgomery Gaillard. There are also the town gossips, Tabitha and Ophelia, and the over-protective, ever-trusting mother, Mrs. Bayonne Cashmere. Honey and Hezekiah are the do-gooders for this play and as always there is the villain, Desperate Desmond Leffingwell, and in this story, a villainous, Rosamond Leffingwell.

The young heroine was misled and betrayed by the villain. Desmond's claim of love to Clementine was false and once they were married, she also found that their marriage was a lie and that her "beloved" Desmond was capable of such dastardly deeds as bigamy. So she immediately had him sent to prison, while she returned home, claiming to be a widow and to have her child with no name.

Suddenly the villain shows up, along with his wife, Rosamond. At this point Desmond was beginning to feel paternal and decided he would like to be a father. Rosamond plots along with Desmond to steal Clementine's "precious bundle of joy, Sunbeam", out from under her nose. Only they had not counted on the young, sweet Honey showing up at the wrong moment. Once she is out of the room Rosamond again tries to take Sunbeam, when in walks Clementine.

And as the arguing between the villain and heroine takes place, Desmond is mistaken for a skunk and shot by Hezekiah. At the end, Rosa-

mond is marched off to jail by Hezekiah and Honey. Montgomery and Clementine are together at last and everyone lives happily ever after.

Come see the performance Friday night and enjoy yourself for an hour.

## Brass Ensemble To Perform Tuesday

Attention lovers of jazz, pop, and even movie music! The Chestnut Brass Company will be performing Tuesday, Sept. 25 at 8 p.m. in the auditorium. This vibrant young brass ensemble will put on a program featuring "Canzonas of Gabrieli," the "Contrapuncti of Bach," early instrumental dance music of Pezel and a wealth of other Renaissance music. Several classical pieces will also be performed.

Along with a free concert, the Brass Quintet will present a free workshop at 1 p.m. in the bandroom (214). The five young men

pride themselves on their ability to perform in any situation. The group has played together so often that the music is relaxed, as are the musicians. Traditional recital halls, supermarkets, city parks, and street corners are common stages for them.

All five musicians are exceptionally skilled and have worked for such people as Jimmy Dorsey and Bob Hope. Musical America named The Chestnut Brass "Young Americans to Watch" in July 1979. The concert is being sponsored by the Cultural Affairs Committee.

Robey Godfrey and Melisa Melnick portray the parts of Montgomery Gaillard and Clementine Cashmere in tonight's Melodrama.

## Joint Rush Held

Joint Rush was held on Sept. 16, 1979 in the Ballroom. Those girls attending were: Lois Alexander, Rhonda Anderson, Becky Bennett, Carla Boggs, Sally Haught, Georgetown Massie, Vicki Parrish, Lorrie Price, and Bev Skinner. Members from the Delta Zeta and Sigma Sigma Sigma sororities were on hand to explain what a sorority is and what sorority life is all about.

Signing of Preference Cards will be held from 8:45-9:30 p.m. on Sept. 23 in the Student Affairs Office in the Administration Building. Everyone is reminded of the one hour silence period which will be in effect during the signing of Preference Cards.

Bids may be picked up Monday, September 24 in Dean Vaughn's office in the Administration Building.

Immediately following the formal rush period, the Open Rush period will begin. At this time, any girl who did not go through formal rush may be extended a bid and pledge a Sorority.

## Contest Sponsored

The Top Ten College Women Competition is again open to our campus. The contest, sponsored by Glamour magazine, will be closed on Dec. 14, 1979.

Each interested student may obtain information from the Mercury office.

The ten national winners appear in the August College Issue of Glamour. In addition, the winners receive a trip to New York in May, June, or July.

They also receive a cash prize of \$500 and will enjoy entertainment arranged by Glamour.

### Male Singers Wanted:

If you are a male and can sing, join the GSC Choir. It is a one credit class that meets at 12 noon every Monday, Wednesday and Friday. Interested? Contact Dr. Raymond Jones in the Ad. Building.

### FORENSICS TEAM NAMED

The 1979-80 Glenville Forensic Team includes veteran Fran Davis, Prose Interpretation; and first year competitors Wendy Elliott, Prose/poetry Interpretation; Jennifer Chisler, Poetry Interpretation; Melody McHenry and Kent Woofter, dramatic duo; Kent Woofter, Prose Interpretation; Glenn Davis, Prose/poetry Interpretation; Eddie Harbert, Public Address; and Athelene Birchfield, Public Address.

Their first meet will be Oct. 6 at Shippensburg College in Pennsylvania. Nov. 2 and 3 will find them at Morehead University in Kentucky.

### "SONGBIRD" TO PERFORM

No one ever said a musician's life was easy. But some people just seem lucky. The eight young men that make up Songbird seem to be lucky. These men achieved in three years what it takes most bands eight years to achieve.

Songbird has played in several clubs and colleges throughout West Virginia, Virginia, and North Carolina. Repertoire for the Homecoming Dance includes: "YMCA", "Serpentine Fire", "Hot Blooded", and "Walk This Way", to name a few.

The dance will be held from 8 to 12 on September 29 in the Ballroom. Tickets are \$1 per person.

# Editor Turns Cold Shoulder To Artic Weather Showers

Of all the diseases anyone could imagine, pneumonia and whooping cough must be the least glamorous. Face it, with the water temperature down to 105° F and the heating set at 65° F in the buildings on campus, people will have more colds than ever this winter. And it's nearly impossible to recover from a cold when the air a person has to breathe is cold. Are we doomed?

GSC isn't the only college in this predicament. All colleges and universities are required to comply with the new temporary restrictions on building temperatures as a part of the federal government's Standby Energy Conservation Plan No. 2. This plan went into effect July 16, 1979. Personally, I can understand the need to conserve energy, but the truth is, the hot water in the dormitories is cold. I used to use a combination of hot water and cold water to make a nice, comfortable shower. Now I turn on just the hot (warm) water, stand there shivering, and pray for warmer water. I don't want to be an "energy hog" but I would like to be able to rinse the soap out of my hair.

Sixty-five degrees in the buildings wouldn't be unbearable if it were really 65° F. If you are confused I'm not surprised. What I mean is this: When the thermostats are set at 65° F they don't keep the rooms that warm. If the thermostat in Clark Hall is set at 65° F the Mercury office is in all actuality only 46° F. And that is ridiculous. The same problem exists in all the dormitories. In order to keep the buildings heated to 65° F the thermostats would have to be set higher and that could bring on \$5000 a day fines. I like popscicles, but I don't want to be one.

Let's be a little optimistic about this. We'll be doing more than our fair share to conserve pure water. With slightly warmed water, and nearly no heat in the bathrooms, no one will be able to stay in the showers for longer than a couple minutes. And when people have pneumonia they won't feel like standing in a cold shower so we'll be saving water and energy. Just think, the president (Jimmy) may give us a conservation award if enough people should just happen to die from these energy conserving related efforts. To be even more optimistic, we can get all the penicillin and coricidin we need at the infirmary—just in case we should decide to give it a good fight.

Pamela Laign  
Editor-in-Chief

# Parking Solutions Offered

Letters to the editor about the parking situation on the GSC campus are a yearly tradition, like homecoming and graduation. Such letters could probably be traced back to the year GSC students stopped arriving on campus by flatboat and began using automobiles, or the year the Mercury began publication, whichever came first. However, rather than rehashing the same old complaints, I would like to offer solutions.

My economics instructor recently used the parking problem as an example of scarcity. It was suggested that by further raising the price of parking permits, less people would choose to drive to the campus, thus erasing the lack of available parking spaces. This is the simplest, most straight-forward, and possibly the most effective method. But because the method is so obvious, the GSC administration must have already considered it and rejected it for some good reason. So, what I plan to do is make some suggestions that likely have not yet been considered and may prove to be the key to the solution our administration is looking for. To accomplish this, I have gone from the "economic way of thinking" to the "trifling way of thinking."

I've often heard, "they shouldn't issue more parking permits than there are parking places." But who should the limited number of permits be given to? My solution—take them to the Glenville Auction and let each fend for himself. What an educational opportunity that would be for first time bidders.

Or, perhaps we could get rid of our football program and use the stadium for weekly demolition derbies. Rules requiring contestants to be GSC students or faculty and driving their own car should be sufficient. The beauty of this solution is that the number of available parking spaces would increase weekly.

Another solution along the same line would be to post 55 MPH Speed Limit signs in all campus parking lots. (It is understood that 55 MPH is the maximum speed; 40 MPH is the minimum speed.)

How about this one. Each instructor is provided with a chauffeur driven pick-up truck and a megaphone. Classes are conducted from the bed of the truck driving around campus with students following behind in their own vehicles. No parking needed!

Or perhaps we should drop the idea of alleviating the problem and just rename the game. Rather than buying "parking permits" you could buy "hunting permits." For spice, we could occasionally have "open hunting seasons" with no restrictions at all on where one may park. The amphitheatre the little theatre, the swimming pool, the chemistry lab, the restroom—take your pick. This, of course, would be optional, depending on administrative acceptance.

Respectfully yours,  
Kay Peters

## A Message from President Simmons

Dear Students,

On October 1 and 2 the West Virginia Board of Regents will hold its regular monthly meeting on the campus of Glenville State College. Their agenda includes meetings with the administration, faculty, classified employees and students.

We often speak of the "Board" or "Board of Regents" as an abstract body. The opportunity to meet the actual members of the West Virginia Board of Regents, as well as members of the Regents Staff, will provide an avenue of concrete communication with the individuals who are charged with governing the West Virginia Higher Education System. I would urge all of the college community to take advantage of the various group meetings that have been scheduled.

In addition to the regular meeting of the Board, the Regents will share with us the newly updated Profile for Progress which is a long-range planning document. Chancellor Morton will discuss the over-all role and scope of the system. Specifics concerning the role and mission of Glenville State College will be discussed by both the Chancellor and Glenville's administrative staff.

Again, I would urge you to attend appropriate meetings at places and times indicated in the published agenda.

Sincerely,  
President William K. Simmons

## LAMBDA CHI

The typical Bro Fraters of Lambda Chi held their weekly meeting Monday evening, with plans for various activities being finalized. Oct. 5 is the tentative date for the Toga party at the Conrad Ballroom. The party will be open to campus students, including fraternities and G.D.I's. Also, plans for homecoming were discussed with the float committee reporting great progress. Our thanks go out to Lady of the White Rose Carol Layne for the use of her garage.

On Tuesday evening the Chi's held a smoker in the ballroom. Close to 70 freshman and upper-classmen attended. Everyone seemed to enjoy himself. Any interested man that meets the eligibility requirements please feel free to contact any brother.

At this time we would like to extend a warm congratulations to Alpha Sigma Alpha, G.S.C.'s newest sorority.

Awards for this week are: A-H Disco Donnie and his Boogie down serious jam disco show. P.O.W. Kyle "BIG FIG" Spencer. KCUF Tom Wilbon. WINO Bob "Party-monster" Levendokis.

# Alpha Sigma Alpha Returns To Campus

No! Students, it isn't a rumor—it's a reality. Alpha Sigma Alpha is officially here. Alpha Sigma Alpha, a sorority that folded five years ago, is now on its way back to sisterhood. This past weekend a member of the National Organization for Alpha Sigma Alpha and 14 alumni met with those girls interested in bringing Alpha Sigma Alpha back to life on the GSC campus.

In a formal ceremony on Sat., Sept. 15, there was a ribboning ceremony. Those girls ribboned were: Della Seaman, Vera Smith, Cheryl Burns, Mona Ingram, Patti Dunleavy, Barbara Perry, Beth Litton, Fonda Short, Kim Dye, Jackie Makle, Tammy Allen, and Carla Mick. The ribboning ceremony also included the recitation of a verse which committed the loyalty of each girl to Alpha Sigma Alpha.

After the ribboning ceremony, each alumni chose one of the girls as a little sis and presented her with a carnation which represented Alpha Sigma Alpha's love and sisterhood. Officers were also chosen. Those officers are: President—Mona Ingram, Vice President—Beth Litton, Secretary—Vera Smith, Treasurer—Jackie Makle, Chaplain—Della Seaman, Fund Raiser—Fonda Short, Song Leader—Patti Dunleavy and Historian—Barbara Perry.

During their first meeting on Thursday, Sept. 20, the girls plan to ribbon 2 more girls thus raising their membership to 14. The first money-making project was a bake sale held on Wednesday in front of the union. Thanks to everyone who helped to make it a successful project. The Alpha Sigmas have many future activities planned and hope they will be just as successful as the bake sale. They wish to thank everyone for their support and hope they can do much for Glenville State College.

## KAPPA DELTA PI

Kappa Delta Pi held their first meeting for the fall semester on Sept. 13, 1979. KDP would like to encourage all members to attend the meetings. Meetings will only be held on the first Thursday of each month, instead of the past two meetings per month. It is hoped that an activity will be planned for each month such as a speaker, etc.

Plans are underway for future activities such as fund raising ideas, fall initiation and the possibility of making a composite for KDP. Many exciting things will be happening over the course of the semester, with details to follow in the later weeks to come.

## Pioneers Stumble; Set For WV State

The Pioneers traveled to Shepherd on Saturday only to return with the disappointment of defeat. After coming from the win over Georgetown last week, the 27-8 loss to Shepherd was very unfortunate.

The Rams of Shepherd led 13-0 at halftime when their fullback, Jim Pope, scored two touchdowns. Pope later added a second half touchdown.

In the third quarter, Glenville got its only tally as Mike McGill scored on a 13 yard pass from Terry Spangler. Dennis Gilchrist scored the two point conversion to make the score 20-8.

McGill made 12 receptions for 126 yards. Last week he broke two GSC records against Georgetown. He broke records for the number of catches and set yards gained in a single game.

The Pioneers now 1-1, will travel to WV State on September 22.

	GSC	Shepherd
total P-R	249 yds.	293 yds.
1st downs	21	18
fumbles	4	4
yds. penalized	87	112

### 2 Game Statistics

	GSC	Opponents
total P-R	643 yds.	647 yds.
1st downs	40	43
fumbles	6	7
yds. penalized	145	142

## MUSKET TO BE RAFFLED BY ALUMNI ASSOCIATION

The Glenville State College Alumni Association is sponsoring a drawing for a .50 caliber caplock Thompson-Center Hawken MUSKET with a leather case. It's a new musket, with a retail value of about \$265. The drawing will be held at the Homecoming Dance Sept. 29, 1979 at midnight. Ticket holders do not have to be present to win. There are several alumni on campus that have tickets, please support the association by giving a five dollar donation, and perhaps you will win a musket.

## Important Dates To Remember

Cross Country Schedule  
Coach-Dr. James Hilgenberg

Sept. 22	GSC Invitational
Sept. 29	Oak Hill Invitational
Oct. 5	Rockefeller 5-0 Invit.
Oct. 11	Sandy Brae Invit.
Oct. 20	Washington and Lee
Oct. 24	WV Tech
Oct. 26	Joel Varian Invit.
Nov. 2	WVIAC Meet
Nov. 15-18	NAIA National Meet (Kenosha, Wis.)

Volleyball Schedule  
Coach-Kay Chico

Oct. 4	Salem College
Oct. 10	Alderson Broaddus and Salem
Oct. 15	Bluefield and Alderson Salem
Oct. 26	Concord and Fairmont
Oct. 27	Fairmont and AB
Oct. 29	University of Charleston
Oct. 30	Salem
Nov. 5	WVIAC Tournament
Nov. 9-10	

### Pioneer Football Schedule

Sept. 22	WV State	Away	1:30
Sept. 29	West Liberty	Homecoming	1:30
Oct. 6	Bluefield	Home	7:30
Oct. 13	Salem	Away	7:30
Oct. 20	Wesleyan	Home	7:30
Oct. 27	Fairmont	Away	1:30
Nov. 3	Concord	Home	7:30
Nov. 10	WV Tech	Away	1:30

### First Semester:

Sept. 7, Friday	.... Last day for Changing Classes and Late Registration
Sept. 21, Friday	.... Last day for Making Application for Dec. graduation
Oct. 8, Monday	.... English Proficiency
Oct. 19, Friday	.... Mid-Semester
Nov. 19-23	.... Fall Vacation
Dec. 21, Friday	.... End of Semester

### Second Semester:

Jan. 14, Monday	.... Faculty Meeting
Jan. 15, Tuesday	.... Registration
Jan. 16, Wednesday	.... Classes Begin
Jan. 24, Thursday	.... Last day for Changing Classes and Late Registration
Feb. 22, Wednesday	.... Last day for Making Application for May Grad.
March 12, Wednesday	.... Mid-Semester
March 31-April 7	.... Spring Vacation
May 16, Friday	.... End of Semester
May 18, Sunday	.... Commencement

## Mercury Staff Named

"I'm looking forward to the 50th anniversary of the Mercury in November," stated new Editor-in-chief Pamela Laign when asked about her new position on the staff. "This is going to be a big year for the paper," she confidently added.

Pamela, a junior English major, moved up to Editor-in-chief after holding down the positions of Assistant Editor, Circulation Manager, typist, and reporter in the two years prior to this year.

Aiding Pamela in getting the Mercury to you will be Tim Brady, Associate Editor; Becky Triplett,

Assistant Editor; Cheryl Cline, Sports Editor; Photographer, Dale Sparks; Jenny Sheppard, Copy Editor; Janie Thabet and Carron Smith, typists; Mike Maloney, Advertising Manager; Della Seaman and Kay Peters, IBM Operators; Michele Bruce, Circulation Manager; Kevin Lightner, Cartoonist; and reporters Sue Baisden, Debbie Mays, Debbie Moore, Carron Smith, Dale Sparks, Jim Wright, and Ray Hanks.

Advisor Ms. Yvonne King summed up this year best by stating that, "we have a good staff and we'll have a great year!"

## Cross Country Team Hosts 1st Invitational

by Robey Godfrey

The tranquil, post-card beauty of the Lake Riley Country Club will be invaded by the sound of pounding feet this weekend as the 79 edition of the GSC Cross Country team hosts its first invitational.

Fresh from the Cal State Pennsylvania run on Sept. 22 which Coach James Hilgenberg termed, "a learning experience," the Pioneers anxiously await the starters gun. Highest finisher for the Pioneers was freshman Chris Keister. Competing against thirty teams, mostly NCAA schools, the Pioneers beat all the Conference schools except

West Liberty.

This weekend the Pioneers will be up against eight teams. Frostburg, Maryland; Malone, Ohio; Rio Grande, Ohio; Carson Newman, Tennessee; Fairmont; West Virginia State; West Virginia Tech and West Virginia Wesleyan. Trophies will be awarded to the top three teams and plaques to the top fifteen runners.

Since good meets are hard to find so early in the season come on out and share the enthusiasm of the Pioneer harriers this Saturday at 1 p.m.

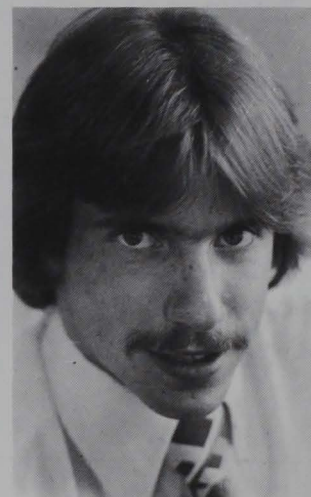

## 9 Roles Available In Autumn Drama

Tryouts for the classic comedy The Importance of Being Earnest by Oscar Wilde will be held at 7 p.m. Monday, Sept. 24 and at 3 p.m. Tuesday, Sept. 25 in the Little Theatre.

This will be the major production of the semester. The play will be seen in the auditorium on Nov. 8, 9, and 10.

The play is a British three-act involving wrong identities. There are roles for five men and four women.

Mrs. Linda McKown announces work on all technical crews can be assigned during tryouts. All students are welcomed for acting roles and technical crew work.

Dale Sparks

## MENC News

On Thurs., Sept. 6, the officers and advisor of Music Educator's National Conference held a meeting in the bandroom.

The newly elected officers are: Mary Langford, president; Carol McClung, vice president; Maureen Kraus, secretary; Athelene Birchfield, Treasurer; Ann Johnson, reporter; and Mr. David Harry, faculty advisor.

Plans were discussed for many fund-raising activities.

Anyone interested in joining M.E.N.C. may attend the next meeting Thurs., Sept. 20, at 5 p.m. in the bandroom.

### INTRAMURALS SLATED

Those men who are interested in Intramural volleyball should contact Dr. Dollgener by 3:00, Monday, September 24. Requirements for play are a \$4.00 entry fee, a nine man roster, and a designated team captain.

Play will begin on Thursday, September 27. Games will be played on Monday and Thursday evenings in a best two-out-of-three match.

Attention women. Interested in intramurals? Fantastic! Sue Baisden, Linda Collins, and Diane Bach are in charge of the women's intramurals. Those persons wishing to have a volleyball team please get your roster of 8 persons (6 regulars and 2 substitutes) to one of the above people no later than Tuesday, Sept. 25.

## KENNEDY-FOR-PRESIDENT MOVEMENT UNDERWAY

"I believe Ted Kennedy would be a strong leader, one who could take over our country, and put it back on its feet." Those are the words of Dale Sparks, a senior English major. Dale is currently attempting to reactivate the Young Democrats Club with a special emphasis on the Kennedy-for-President movement. The club is inactive at the moment, but plans are being made to work closely with the State Democratic Party and the State Kennedy Movement.

The club will be used as a basis for promoting Ted Kennedy for President. Dale remarked that the country now needs a political leader who has spent a lifetime in politics. "We must urge Senator Kennedy to accept the Presidency of this nation. Your help is needed to convince him. On this GSC campus I see the urge for students to show their support and enthusiasm for Senator Kennedy," says Dale. When asked about the possibility of assassination, Dale remarked that Kennedy will and does face the problem of assassination daily. However, Dale feels security will be tight.

Anyone interested in joining the Young Democrats Club and the Kennedy-for-President Movement can contact Sparks, or come to the organizational meeting, Tuesday, Sept. 25 at 7:30 p.m. This meeting will take place in the Mercury Office in Clark Hall.

If anyone needs Science 321-Science for Teachers- before Fall Semester, 1980, contact Dr. Chisler immediately.
