# International Year of the Child

# Editorially Speaking

Homecoming is a time of renewal of school spirit and school pride. Homecoming is a time for graduates to return to their alma mater, see old friends, and stir up fond memories of college days gone by. Homecoming is a time for students to become involved in every possible homecoming activity on campus. Welcome graduates and students alike to the 1979 Homecoming.

One of the first activities in which every student should have participated was voting for the queen and her court. Congratulations to Queen June Nohe, Senior Princess Terrye Evans, Junior Princess Kim Bickel, Sophomore Princess Della Seaman, and Freshman Princess Lisa Pleasant.

Various other contests were held this week. Pickens Hall sponsored a banner contest. Each floor had the opportunity to make a banner (one for each of the three wings) to be hung outside facing College Street. The Banners were to depict the theme of this year's Homecoming "The International Year of the Child." Saturday morning will end another contest—the float competition for the Homecoming parade. Floats should also portray the Homecoming theme. This week has been spirit week. Monday was hat and sock day. Tuesday was blue and white day. Wednesday was 50's day. Thursday was dress-up and spirit badge day, and today is jersey or T-shirt day. Each day one Greek organization was to show their spirit by holding some sort of activity in the amphitheater at noon. Each group was also supposed to make posters to display on campus to be judged as part of their spirit. These activities were to be judged and an award given.

If you haven't participated in any of these activities you've missed a lot of fun, but you haven't missed out altogether. Tomorrow is the big day. The Homecoming parade starts at 10 a.m. Saturday. Pre-game activities start at 12 noon at Pioneer Stadium. At this time the winners of the Montrose Award, Distinguished Alumni Award, and float competition will be announced. Coronation will be held during halftime. The Homecoming dance will be held from 8-12 p.m. in the Ballroom. The admission is one dollar per person. Also, there will be a dance for alumni at the Gilmer Co. Recreation Center. If you haven't been involved in any Homecoming activities as of yet, tomorrow is your last chance.

I would like to add a welcome to the Board of Regents who will hold their monthly meeting at GSC next Monday. This is the first time the BOR has met at GSC since 1974.

## Samples Praises Little Theatre Production

There are many good things to say about the little play that some of us enjoyed in the Little Theater last Friday night. But, in my mind, the best thing about it all was the fact that the Little Theater was getting the use for which it was intended.

The Little Theater production was a prime example of what this campus needs and has not had during the past several years. It was concrete proof of the fact that the right kind of activity (activity in which the students themselves are involved) can be successful on a non-football (or basketball) weekend. The Little Theater was full, and there was a very interesting cross section of faculty, staff, and students.

The play itself was delightful. The players had fun and, as a result, the audience was entertained. The casting was superb. Roby Godfrey managed to convince me that he was indeed the good guy, although I had reservations at certain time. Diane Bach surely concurred with the casting of Gary Ross as the villain. Even Fran Davis, tempered by the innocence of a Preston County background, carried off her role as the dissolute city girl very convincingly.

I salute the cast. I salute Ms. McKown. I salute those who supported the production. At the same time, I challenge other departments and groups to emulate the effort of the drama department. It seems to me that Glenville State is on the verge of becoming what a college campus ought to be. Let's make it happen.

## LIGHTNER LIKES LAUGHTER OF LITTLE THEATRE

The 1979 theatrical season had an excellent start with the performance of the melodrama *Desperate Desmond's Dastardly Deed* on Friday, Sept. 21. The cast caught the spirit of this creaky farce perfectly, and the laughter rarely stopped.

The hero, Montgomery Galliard was played by Robey Godfrey. His straight-faced delivery of the hopelessly hokey dialogue and use of melodramatic gestures were hilarious. Melisa Melnick was perfect as the virtuous heroine, Clementine. Gary Ross as Desmond Leffingwell was delightfully evil, while Fran Davis played the vamp Rosamond Leffingwell to the hilt. The catty town gossips, Tabitha Spooner and Ophelia Light were played by Kathy West and Vannie Blevins respectively. Comic relief was provided by Carole Norton and Marshall Sears as the yokels Honey Hawkins and Hezekiah Beeze. Kate Reed's portrayal of the ever suffering Mrs. Cashmere was, as usual, quite good.

This play will be on tour as part of the recruiting program. It will undoubtedly draw hordes of Freshmen here next fall.

## NOV. DRAMA SET

## 'Earnest' Cast

Oscar Wilde's classic British comedy, *The Importance of Being Earnest* has been chosen as the second production of the GSC theatre season. The show will be seen in the auditorium Nov. 8, 9, 10.

The story involves two young English gentlemen who have nothing better to do with their time than to spend money and have a good time. Their position in society dictates that they must change identities when indulging in the fun of the sporting life. Each young man is in love with respectable young ladies of high social station. These young ladies are under the impression that an ideal name for a suitable husband is Ernest. Therefore, the young men assume the names of Ernest; which causes confusion for the two young ladies because they think they are both engaged to the same man. This confusion is cleared up to everyone's satisfaction—evenually.

In the course of the play other characters add interest. Lady Bracknell dominates everyone's life. A prim and proper governess and a reluctant minister of the church have eyes for one another. Two marvelous butlers keep everyone's lives in order.

Mr. Wilde's comedy was first produced in London in 1895. The play pokes fun at just about every social institution one can think of.

The cast is made up of: Gene White as John Worthing, Robey Godfrey as Algernon Moncrieff, Eddie Harbert as Lane (Algernon's manservant), Kate Reed as Lady Bracknell, June Nohé as Gwendolyn Fairfax (John's love interest), Kathy West as Miss Prism, Athelene Birchfield as Cecily Cardew (Algy's interest), Marshall Sears as Merriman (Butler to the Cardew estate), and Kevin Lightner as Rev. Chasuble.

There will be a Muscular Dystrophy Meeting on Monday, October 1. The location and time of the meeting will be posted. All interested faculty and students please be there. For further information, please contact Deena Snyder at 462-7985.

Tracy Piercy, daughter of Mr. & Mrs. William Piercy, will serve as train bearer for Homecoming '79

"Songbird," from North Carolina, will perform at the Homecoming dance to be held from 8 to 12 on Saturday, September 29, 1979 in the Ballroom. Admission is \$1.00.

## Cross Country Team Lists Goals

Human figures running through forests and over golf courses attests to the fact that cross country has started! Coach James Hilgenberg, Jr. and his runners are fired-up for another season. The team qualified for the National (NAIA) meet last year, but this year's goals are even higher.

The first of these goals is the capture of the conference trophy from the traditional winners, West Liberty. This would result in total points needed for the Nationals.

Coach Hilgenberg is assisted this year by Bill Pitzer and Rick Varian. All three are looking for a very successful season.

Mrs. Sandra Piercy

Back from last year's squad and serving as captain of this year's team is sophomore Paul (P. K.) Coon. Two other returning lettermen are Joey Herron (Junior), and Jeff Jones (Sophomore).

The other runners rounding out this very young squad are: Greg Anderson (Williamstown H.S.), Billy Belcher (Herbert Hoover H.S.), John Erskine (Greenbrier East H.S.), Russell Everts (Independence H.S.), Chris Keister (Huntington East H.S.), Asenso Kuffuor (St. Johns School, Sekond, Africa), Ray Loughry (Elkins H.S.), and Mark Riblett (Parkersburg H.S.).

## Piercy Named Advisor For GSC Cheerleaders

Have you ever noticed those five girls who stand down on the track during football games? Those are the GSC cheerleaders, chosen to lead the student body in spirit.

There have been major changes in not only the squad, but also the sponsorship of the squad. Mrs. Sandra Piercy, a GSC Physical Education instructor, has assumed the sponsorship of the football cheerleaders. She and the girls have planned many "spirit" activities in conjunction with Homecoming and Spirit Week. The activities include the selling of megaphones and streamers, and the distribution of cheers and chants for the students.

In late August, the six cheerleaders traveled to the Naval Academy in Annapolis, Maryland. While there, they attended numerous clinics to learn new cheers and cheering styles. The much improved squad practices daily, and plans on performing at all away games.

Different gymnastic stunts, mounts, and pyramids require the use of males. Currently Coach Piercy is soliciting for males interested in joining the cheerleading squad. Any interested students may contact her in the Health Building.

Most importantly! Back our cheerleaders and players—come to the game tomorrow!

## Pioneers Meet Rival In Homecoming Bout

The Glenville State gridders' return to their own turf this Saturday, Sept. 29 (1:30) hoping for better results. The Pioneers will meet WVIAC rival West Liberty in their annual Homecoming encounter.

The Hilltoppers are coming off a surprising 16-10 win over Shepherd College in Shepherdstown. West Liberty downed the Pioneers 17-13 in West Liberty a year ago.

Glenville State fell to WV State (20-0), last weekend in the rain. All-Conference passer Terry Spangler could manage only five completions for 48 yards under the wet con-

ditions.

During the season Spangler has completed 45 passes for 597 yards (199 yds. PGA), and one TD. His favorite target through the first 3 games has been Mike McGill. McGill has hauled in 22 receptions, which have covered 303 stripes and one score.

A pair of Herbert Hoover High School stars, John Coutz and Joey Douglas, have combined to lead the GSC defense thus far this season. Coutz has 17 tackles and 19 assists while Douglas has brought down 15 ball carriers and assisted on seven others.

# Pioneers To Battle Hilltoppers In Homecoming

## Brady Honored As Montrose Winner

Jim Brady has been named the 1979 Frank Montrose Award winner. Brady is being recognized for his outstanding performance in golf while at GSC.

Jim is from Olean, New York, and graduated from GSC with a 3.56 grade point average. He received his Bachelor of Arts degree in Business Administration with concentrations in the fields of accounting, finance, and economics.

Brady was a regular for the GSC golfing squad all four years, and played on three conference championship teams. He was named to the All-conference team last year, and earned medalist honors twice in his career at GSC. One medal was received at the Southern Regional Golf Tournament at Pipestem State Park last spring, and the other was in the Glenville State College Fall Tournament, which was held last September.

Golf Coach Tim Carney described Jim as someone who was "not only an excellent golfer, but also a very fine young man. He was well respected by his teammates."

The Montrose Award is given annually to a senior GSC athlete who possesses outstanding academic skills, as well as athletic ability. This award originated in 1952 in honor of Frank Montrose.

Montrose came to Glenville State, as a student, in the fall of 1939. After the pre-season football practices had ended, and the regular football season had started, Montrose had proved to be a very promising quarterback. Montrose never really got a chance to prove himself until the sixth game of the season, when the Pioneers' head coach, Nate Pohrbough, started playing his freshmen and reserves. Montrose turned the seemingly beaten Pioneers around, and led them to their third win of the season.

Glenville, under their new starting quarterback, played arch-rival, Fairmont, the next week and upset them by a very deciding margin of 27-8. In the game, Montrose ran for his first college touchdown, a 63 yard punt return.

The next week, Glenville played Potomac State in the season's final. Behind the leadership of freshman Montrose, the Pioneers won 7-0 and ended their season 5-2-1.

Although only starting in two games, and seeing very little action in the first five games, Montrose was stricken with nephritis, and he later lost his eyesight. He had to drop out of college, which ended a short but great GSC football career.

On June 21, 1940, Frank Montrose died at the age of 21.

In 1952, Student Congress initiated the annual Frank Montrose Award in honor of this man. Jim Brady is the twenty-seventh recipient of this award, and the last of the seventies. He joins these winners of the 1970's:

1970-Jackie Joe Robinson (basketball, baseball, football)  
1971-David Barnes (basketball)  
1972-Randy Dillion (football)  
1973-Neil Christianson (football)  
1974-Terrance Hamilton (football)  
1975-Tom Lilly (baseball, basketball)  
Bob Hardman (football, basketball)  
1976-Sam Ferrel (bowling)  
Jerome Fruit (football)  
1977-Terry Crislip (golf)  
1978-Tom Coates (basketball)

## Tennis Team Schedules GSC Tournaments

The Glenville State College tennis team will sponsor the GSC Open Tennis Tournament on October 5-7. The cost will be \$5.00 per person, per event and will include men's and women's doubles and mixed doubles. This replaces the tournament that was sponsored by the alumni in previous years.

The following rules have been established for the 3-day competition:

(1) Each player and double's team will supply a new unopened can of tennis balls for each event.

A. One can (3 tennis balls) will be opened for a match. Winner of the match gets the unopened can of balls-loser of the match gets the 3 balls used during the match.

B. Winner always advances with a new can of balls.

(2) Each match will consist of the best 2 of 3 sets.

(3) Players will make their own line calls. There will not be line judges. Be fair because there will be a replay of disputed points.

(4) A 9 point tie breaker will be used in the event of a tied 6-6 set.

This is an open single elimination tournament. Trophies will be awarded to each of the first and second place finishers. Tennis balls will be sold at

the tennis courts.

Anyone wishing to sign up should do so by Friday, September 28-at noon by mailing application and entry fee to Dale Sparks, GSC Tennis Tourney, Box 111, Louis Bennett Hall, Glenville, WV 26351.

GSC Tennis team members will not be allowed to participate in the tournament.

## State Defeats Pioneers In 3rd Game of Season

The WV State Yellowjackets downed Glenville State 20-0 last Saturday afternoon at Institute.

Harold Wicks of State ran for two touchdowns and passed for the third score to raise their conference record to 2-0.

Wicks ran for 13 yards for a touchdown in the first period, giving State a 6-0 halftime lead. In the third period Wicks threw a 48 yard pass to Terry Atkinson for a touchdown and ran 63 yards for the final touchdown of the game to shut the Pioneers out.
