Jayne Ellen Humphrey, Vienna, Administrative Science; Sandra Ellen Matheny, Elkview, Crafts Designer-Director; Charlotte Jo Robinson, Grantsville, Administrative Science; Robin Lee Stalaker, Glenville, Secretarial Science; Stanley Michael Hull, Bridgeport, Forest Tech.; Timothy Ray Robinson, Tanner, Forest Tech.; Mark Steven Romage, Mt. Hope, Forest Tech.; Jacqueline Marion Romeyn, Seville, OH, Forest Tech.

Band To Play

Get your feet ready for some foot stompin' music! Bluegrass lovers beware! The Plum Hollow Band is a musical experience that is taking the country by surprise. The band is planning a concert here, at the college auditorium, Nov. 1 at 8 p.m.

The five man bluegrass band hails from North Carolina, and has played gigs from North Carolina to Montana. The band, which has been together three years, has been on stage with such notable names as: "Nitty Gritty Dirt Band," "Pablo Cruise," Elvin Bishop, and Alicia Bridges.

The songlist of Plum Hollow includes "Orange Blossom Special," "Rockie Top," and several songs written by the band itself. The songs depict bluegrass, yet, span the generation gap to make the atmosphere seem personal and intimate. Tickets are on sale at the Bookstore and the Office of Student Affairs. The price is \$1 per person. Tickets will also be on sale at the door.

Roberts Named

Mr. William S. Roberts, Director and Assistant professor of Social Work at Glenville State College, has been named a member of the social Services Advisory Committee of the West Virginia Department of Welfare.

He was appointed by Welfare Commissioner Leon H. Ginsberg, who has the task of providing counsel and advice through this organization. The Committee is composed of 35 citizens, who voluntarily give their time and efforts toward the improvement of quality and effectiveness of the Social Services in West Virginia. All members of this council are appointed to a three year term.

Trip Planned

Would you like to spend three days and two nights in New York City?

Twenty-four people can during the week of Jan. 7, 1980. Once again GSC students are being offered the opportunity of traveling to New York to view some of the cultural events that the city offers. \$119.00 apiece will cover hotel cost, and tickets for theatre and opera performances. Transportation will be provided by the college bus.

"Back Stage on Broadway" will include such activities as seeing a musical, going to the opera, touring the Lincoln Center, and a historical tour of Greenwich Village.

Anyone interested in going, or wanting more information should contact Dr. Jones in 313 AD.

Science Series To Be Presented

Glenville State College will present four series of Science Activities for elementary-aged students. Each series will consist of six meetings to be held during Oct., Nov., and Dec. The activities will be directed by college students enrolled in the "Science for Elementary Teachers" course. The program will be under the supervision of Dr. Joe Evans.

Second grade students will examine the topic of "Water" from 6-9 p.m. in room 107 Science Hall on the following Tuesdays: Oct. 23, 30; Nov. 6, 13, 27; and Dec. 4.

Third grade students will examine the topic of "Matter" from 6-9 p.m. in room 102 Science Hall on the following Tuesdays: Oct. 23, 30; Nov. 6, 13, 27; and Dec. 4.

Fourth grade students will ex-

amine the topic of "Air" from 6-9:30 p.m. in room 107 Science Hall on the following Thursdays: Oct. 25; Nov. 1, 8, 15, 29; and Dec. 6.

Fifth and sixth grade students will examine the topic of "Light" from 6-9:30 p.m. in room 102 Science Hall on the following Thursdays: Oct. 25; Nov. 1, 8, 15, 29; and Dec. 6.

All interested students are invited to apply for participation in the program. However, only the first fifteen names submitted for each series will be accepted. There is no charge for participation.

Those interested may obtain additional information and/or make application for participation by contacting Joe Evans (462-7361 ext. 294).

New Policy Announced

The Office of Academic Affairs would like to announce that the new policy for withdrawing from classes is now in effect. The policy states that students may withdraw from classes any time during the first nine weeks of classes with a "W." A grade of "W" does not affect a student's grade point average one way or another.

This policy replaces the old policy which gave students only five weeks to withdraw with a "W." The Committee on Academic Affairs

changed the policy mainly because so many students complained that they did not really know where they stood in a course when only five weeks had passed.

The Committee believes that everyone should know whether or not they want to continue in a class by mid-semester and the nine week period will give students an opportunity to drop after they have taken mid-semester exams.

All students should be advised that the Office of Academic Affairs will approve no drops after Oct. 31.

Student Rights Protected

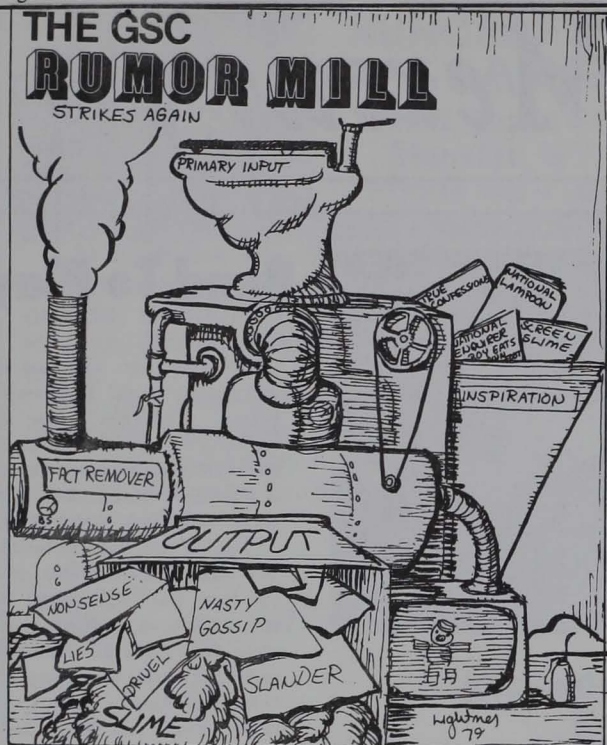

A student's address is his own personal business, according to the Federal Rights and Privacy Act, and the Registrar attempts to protect that right. Student addresses are never released without the consent of the student. However, it is imperative that your friendly Registrar be kept informed of your whereabouts.

Situations arise on a daily basis that someone needs to find a student, not to mention the fact that routine correspondence must be handled constantly. Excessive absence reports, mid-term grades, and evaluations are returned all too often marked "not in dorm," or "moved off-campus." The Registrar is then at a loss as to how to find the errant student. Then the student

will complain that he was not kept informed about the state of his academic affairs.

The Registrar realizes that students either do not know what their local address will be at the time of registration, or that students move during the course of the semester. But students should make an effort to keep their address current. There have been instances of emergencies when no one knew where to find a student. This is not only embarrassing, but also unhealthy.

So let the word go forth. If students will keep the Registrar informed of their whereabouts, the Registrar will protect students from creditors, investigators and discarded lovers.

From The Editor's Desk . . .

The job of a newspaper person, be it reporter, editor, publishers, etc, is seldom an easy one. Very difficult decisions legal, moral, and personal arise: Is a story valid? Is it newsworthy? Does the public deserve to know? All these factors enter into a decision to print or not to print a story.

These remarks are a preface to the following editorial by Dale Sparks. Like every good reporter, Dale reports what he believes the people have a right to know. Read and make your own decisions.

Tim Brady
Editor

The Truth of the Matter is . . .

As of right now, today, tomorrow and for the season, Whitey Adolfson is our head football coach. But what will happen at the season's end?

In the midst of another controversial fiasco, we find a few irregularities surfacing.

First, if Whitey Adolfson has been, will be or might be fired, why is it being hushed up or covered up? If Adolfson is to be fired, nothing should have been said till the season's end. As it stands, the football team could be somewhat hurt mentally, the college could be hurt in publicity, and most important of all, Coach Adolfson and his family members obviously could face embarrassing or hurting moments.

If Adolfson will be fired, the time to do it is at the season's end, not in the middle of the season. Talk of a firing and hiring of a new coach will hurt the recruitment aspect, thus Glenville will face more rebuilding years. Adolfson must start looking to next year immediately following the last game, but if he has to doubt his job security, he obviously could not be as effective recruiting.

If Adolfson might be fired, again all talk of reorganization should wait until the season's end. The season is not over, four games remain and the Pioneers could have a winning season of 6-4.

As the record stands, 2-4, an objective look to the 4 losses reveal no terrible lashing.

The G-Men lost to Shepherd 27-8, WV State 21-0 in a rain-drenched game, a 21-12 heartbreaking loss to West Liberty at Homecoming, and a close 9-3 loss at the defensive hands of Salem. They have shown in these games no loss of desire to win, failing pride, or gross errors. This comes from the coaches and team leaders enthusiasm to do their very best.

Pioneer football started on the right foot (Steve Gandee's) by defeating nationally known Georgetown and then later defeated Bluefield—who usually ends up in the cellar. We beat the best and the worst. But we did win and we did lose some close games, regardless of score.

After a few rebuilding years, the Pioneers seem to have the ball rolling. Coach Adolfson has given 110 percent to the team, fans, and the college.

The players have given 110 percent to the coaches, fans, and college. The fans, however, have not given 110 percent to the coaches, team, or college—but that is another story.

The main point here is that the handling of the whole situation was wrong. You should not tell a coach he is fired, will be fired, or might be fired in the middle of the season. All comments should be held until the season's end. At that time, reorganization can take place whether it be personnel changes or whatever.

We at least should remain supportive through the season's end. Only at the season's end should a reorganization occur. As students, faculty, administration and Glenville residents, we should back Coach Adolfson and the football team to the end. Whenever it may be . . .

Dale Sparks

The Ohningohow Players will be sponsoring a Masquerade Dance in the Ballroom from 8-11 p.m. on Friday, Oct. 26. There will be an admission charge of \$.51 and refreshments will be served. The Ohningohow Player's would like to congratulate the new members of the organization.

Pop Bottle Drive 10:00 Saturday, October 20th, sponsored by the Glenville Collegiate 4-H Club. Anyone wanting to donate pop bottles can give them to any 4-Her or contact the placement office.

The Glenville Chapter of Land Surveyors are in the process of raffling off a 30-30 Marlin, Lever-Action Rifle. The donation is \$.25 per ticket or five for \$1. Contact Willie Johnson or any other surveying member for more details. The drawing will be held Nov. 12. Make your donation now!

Fall semester pledges of Sigma Sigma Sigma Sorority are (left to right) Bev Skinner, Becky Bennett, and Lois Alexander.

Greek Organizations Report

ALPHA SIGMA ALPHA

The interest group of Alpha Sigma Alpha held its weekly meeting on Thursday, Oct. 11.

We would like to thank Dr. Now for letting us use the facilities at the concession stand to pop popcorn and thanks to all who bought popcorn. It was a big success.

Plans are still underway for the future social get together for meeting potential members and giving them a chance to ask questions about ASA.

Good luck to the Pioneers this week against WV Wesleyan.

CHI BETA PHI

Chi Beta Phi, the honorary Math & Science Fraternity will be holding their Annual Recruitment Day Program October 22 & 24. Senior High School students from Gilmer Co., Braxton Co., & Duval in Lincoln Co., will be touring our campus. The students are to meet at 11:00 for a seminar on the degrees offered and perhaps where the degrees may lead them in the professional world. Lunch will be served and college information materials will be distributed. The remainder of the day will prove especially interesting as they travel to various divisions of the sciences and observe demonstrations. Time will then be provided to speak with department heads individually. A special thank you is in order for Dr. John Chisler for his work with the seminar, Dr. Frank Jenio, Dr. Mary Jo Pribble, Mr. Bernard McKown, & Mr. Francis Edwards for the work with member's departments. The members of Chi Beta Phi are also thankful for a specialized show from Dr. Frank Jenio in the photography field, Mr. Joey Herron with his display of bird and Mr. Gene White with his collection of insects and most of all Dr. Mildred Disko for her continual work and support for the group. The members have worked very hard to be successful in recruiting young people to GSC and should be commended for their efforts.

Chi Beta Phi will hold their regular bi-monthly meeting, Sunday Oct. 21. As always the group will meet in the multi-purpose room at 6:00. The meeting is very important and attendance of all members is required.

THETA XI -

The Brothers of the Kappa Eta Chapter of Theta Xi Fraternity held their weekly meeting on Tuesday night. We are happy to announce another pledge for this fall semester. He is Dan Zakany. This brings the total number of pledges to five. Plans are being finalized for a Halloween party by the brothers for the Theta Girls.

DELTA ZETA

The Theta Xi Chapter of the Delta Zeta Sorority held a formal meeting Monday, October 15, at the Sorority house.

The activities for the week included singing to the girls of Pickens Hall Wednesday evening, T-shirt day Thursday followed by an open rush "Hat" Party that night, and a Pizza party tonight for the girls and a date.

The infamous Pig Pen award went to the whole house (our maid & butler took a small vacation) and the Clean Room Award went to Joyce, Debbie, Debbie and Donna. Our study turtles of the week were Bea, Donna and Joyce. The Wilted Roses were Pam S. and Carla.

On next week's agenda is the election of officers and a Big Sis Ceremony for the pledges. At this time, the sisters would like to Thank all out-going officers for their time and devotion to the Sorority.

Good Luck Saturday to the Pioneers and Whitey!

LADIES

The Ladies of the White Rose discussed more money making projects at their meeting on Wednesday. They also discussed the selecting of a new advisor. The Ladies would like to congratulate the brothers on their success with the Spaghetti Dinner. We would also like to let the associates know we are still backing them. Lots of luck guys!

SIGMA SIGMA SIGMA

The Delta Alpha Chapter of Sigma Sigma Sigma held a ceremonial meeting in the Vandalia Room on Monday, Oct. 15.

The main order of business was fund raising ideas. Tentative plans are to sell candy bars and stationary.

The Chapter decided to collect a child's book from each member at the next meeting. These books will later be sent to a children's ward in a nearby hospital along with the clown dolls.

The group will be taking orders for Sigma T-shirts, so please get your orders in soon.

Candle lighting was held on Wednesday evening for Sister Skinner. Congratulations, Desi!

Good luck to the Pioneers and Coaches—beat Wesleyan!

Violets, Tri-Sigma's flower, are like friendship; they take root and keep on growing.

Salem Drops GSC

The Salem Tigers downed the Pioneers 9-3 last Saturday at Salem. Steve Gandee put the Pioneers on the board in the 2nd quarter with a 21 yard field goal to give GSC a 3-0 lead.

Salem kicked a 25 yard field goal in the 3rd quarter to produce a 3-3 tie which quickly vanished when Ken Bailey intercepted a Pioneer pass and ran 39 yards for a touchdown with 2:47 left in the 3rd quarter and gave the Tigers the 9-3 victory over the

Pioneers.

Salem is the only team without a loss inside the conference and the Pioneers are 2-4 on the season.

In the number of passes caught and yards gained, Dennis Gilchrist was 1 for 5 yards; Mike McGill was 6 for 32 yards; Terry Markham had 3 for 19 yards and Gene White was 1 for 21 yards.

The Pioneers host WV Wesleyan at Pioneer Stadium on October 20th.

	GSC	SALEM
Total P.-R	125	169
1st downs	14	10
Penalties & yds.	4-35	12-101
Fumbles	3 lost 0	2 lost 1

Costume Drive Slated Sat.

Is your closet or attic cluttered with Grandma's old hats, a gown or two, a silly wig, boxes of out-dated dresses, shoes, purses and coats that would never be used or worn?

Here's the solution to that problem—contribute the items to the Glenville State College Costume Drive being sponsored by the Oh-nim-gohow Players.

The organization wants to build up a costume wardrobe for use in plays and programs to be performed at the school. Since nothing such as this presently exists, the department members are searching for any clothing items and accessories suitable for

stage use - even sheets and drapes that could be redesigned into some type of outfit. Also needed are old armed service uniforms, as well as nursing uniforms, jackets, robes, parasols, even petti-coats, jewelry, and household items.

Collection day will be Saturday between 10:00 a.m. and noon. Donors are asked to take the items to the intersections at Main Street.

Anyone unable to transport the goods is asked to call the school (462-7361, ext. 253) before Saturday and leave their name, address, and phone number. Clean your houses on us.

STEER TO BE RAFFLED

The Glenville State College Athletic Department will raffle off a Simmental-Cross steer (1100 lbs.) that was judged "choice" at the WV State Fair.

The proceeds will be used to establish an athletic scholarship program that will include all sports.

The drawing will be held at the Concord football game on Nov. 3. Tickets are \$2 each and can be purchased at the Athletic office.

The steer was donated by Kanawha Union Bank.

Cross Country Takes Third

The GSC Cross Country team traveled to Wesleyan on October 5th for the Rockefeller 5-0 Invitation. Although it was rather cold and muddy that day the meet turned out rather well.

The GSC team finished in a three-way tie for third place, but did defeat all competitors from our conference, including West Liberty, a first for Glenville, Mark Riblett, a freshman, was the first runner in for Glenville and the 15th finisher in the race.

The scoring for the meet was: Frostburgh, Maryland - 23, Rio Grande, Ohio--108, GSC--108, West Liberty--171, and Davis & Elkins--203.

Last week the GSC Cross Country team traveled to the Sandy Brae Invitational at the Sandy Brae Golf

Course in Clendenin. The Sandy Brae Invitational was sponsored by the W. V. State College. Out of the eight teams at the invitation, GSC came in 5th, ranking above all our conference schools with the exception of West Liberty.

Both Chris Keister and Ascenzo Kuffuor ran very strong races.

Dr. Hilgenberg, Cross Country Coach for Glenville, commented on the race, "The team didn't have a very good day, overall. We have a long way to go and a short time to get there. It all comes down to what we do in the next three weeks. We have to win the conference to go to the Nationals."

Lots of luck guys in the next two races!

Any person who is to help with the Speech Contest Oct. 27, or any person willing to do so, should contact Ms. Nicholson in the Ad. Bldg. as soon as possible.

There will be a meeting of all persons interested in reactivating the Veteran's Club on Oct. 22 at 3 p.m. in the Student Union. If unable to attend, see John Voloski, room 246 LBH, or Mr. Mike Geary, Advisor, 3rd floor of Science Hall.

Don't touch that dial—leave it on 640 AM!! Why? WGSC will be having a Halloween show on October 31 with lots of fun and rumor has it that "The Great Pumpkin" will be giving away more records!!!

WGSC will be changing broadcasting hours starting Sunday, October 21. The new schedule will be from 5:00-12:00 Sunday through Thursday. WGSC would like to thank all of those people who helped us celebrate our 10th Birthday on October 9 by coming to our open house and by calling our DJ's during their album and 45 give aways.

The 1979 GSC Women's Volleyball team: Row 1--Vicki Martin, Kim Goodwin, Kennetha Parker, Donita Cox; Row 2--Becky Gilchrist, Linda Collins, Sally Haight, Judy Niday, Pam Linger. These girls are coached by Kay Chico.
