Golden Anniversary Party Set

The Fiftieth Anniversary of the Glenville Mercury will be celebrated tomorrow with a huge birthday party in the Ballroom of the Pioneer Center. Invitations have been sent to past staff members, advisors, and editors of the paper. Friends of the Mercury and students of GSC are also invited.

Several members of past Mer-

cury's have been notified and are attending. Among the former editors that will be present are: Mr. Edgar Elder of Fort Lauderdale, Florida; Dr. Espy Miller of Glenville, and Miss Virginia West, also of Glenville.

The refreshments will include a three-tier cake that will be decorated with golden leaves, ice cream, and

gold sherbet punch.

Mrs. Carmen Rhinehart, our special guest, was responsible for the naming of the Mercury fifty years ago.

Dress for the event will be semi-formal. The party and open house will start at 1:00 and will conclude at 4:00.

Fifty Mercury Years Revisited

1920's

Glenville State College obsolete in 1979? Well! Maybe it is in comparison with other colleges but let us compare the Glenville State College of today with the Glenville Normal School of the twenties.

In the twenties, the emphasis was placed on academics and Glenville was noted for being an excellent producer of teachers, thus, many classes in methods were also taught.

Just as the names of the college and the school newspaper have changed through the years, so have many other things changed to a certain degree. For example, the enrollment in 1922 was 190 with 60 of the 190 being seniors.

If you find that hard to imagine, try this: There were two dormitories—Pine Kust Hall for the gentlemen and Verona Maple Hall, which housed the ladies. Room and Board in the dormitories ranged from 36.50 (for the ladies) to 38.50 (for the gentlemen) for 10 weeks. The enrollment fee was \$5.00 then, and the estimated cost for books was \$6.00 thus, a grand total of \$47.50 per semester for ladies and \$49.50 for gentlemen.

1930's

A catalogue of classes in the '30's contained 25 courses, which was a large curriculum. The college was also made into a 4 year degree college. The first 4 year degree was handed out in May of 1931.

Ethel Barrymore, famous opera singer, performed in 1937 to the student body. Mrs. Eleanor Roosevelt, first lady of the nation, also

addressed the students and faculty in 1939. Several operas were performed.

The Homecomings began in 1930. Sports were not that well reported, but were very important. The 1939 Pioneer basketball team won the Conference title and went on to Kansas City. The basketball team went on a 20 game winning streak in 1939.

Due to the depression the enrollment in '30 was only 284. In 1938 the enrollment jumped to 349. By the end of the decade ('39) 570 students attended Glenville State Normal School.

1940's

In the early 40's, 23 teachers taught at Glenville. This number was ever-changing because of the war. Teachers were expected to teach extension classes, Saturday classes and everyday classes. Toward the end of the 40's the staff grew to about 40.

Classes seemed to center around English and Education. Other classes that were offered were: Chemistry, Biology, Geography, French, and Social Sciences. At the end of the 40's classes had been added and changed until there were 96 classes offered.

As the war advanced, gym classes began to give war training and as the 40's neared its end, more classes in Political Science and History were added.

Sports were a major interest to the college student, both male and

female. Even during the time of war, football and basketball were major sports. Other sports enjoyed by the college student were volleyball, golf, tennis, softball and badminton. Intramurals were also a part of the college scene.

1950's

The fabulous fifties were a time of change at Glenville State College. New buildings were erected, the first sorority was formed, and new clubs were established.

The students of GSC experienced a new luxury in 1952, the Health Building, which was dedicated on February 28. A new modern swimming pool was the highlight of the building. 336 students enrolled in 1952. The football team had an even 3-3 record. Holt Gray served as Pioneer. The class of '52 had 89 graduates.

The first Montrose Award was given to a pair of athletes in 1953. Bill Hanlin and Cecil Johnson shared the award. The ex-servicemen of the campus formed the Veterans Club in January. The academic year ended with 113 graduating students.

Dr. Harry Heflin filled the seat of President of Glenville State College for the entire decade. One of the biggest highlights of the fifties was the appearance of Mrs. Eleanor Roosevelt on the GSC campus in March of 1950.

The fifties were indeed a time of change at GSC. The changes of that period helped to mold our college into the fine institution it is today.

From The Editor's Desk . . .

Time is a relative concept: a half an hour to a bride can seem like an eternity or pass away in an instant, a terminal hospital patient demands to experience every second of life while we healthy people callously shrug off years, and fifty years is but a fragment in a millennium or it can be a time filled with lasting pieces of an institution.

Fifty years ago the Glenville Mercury was born. It was not a particularly earth shattering experience. But to the people involved with the Mercury fifty years ago, twenty five years ago and today, it was a very special time.

There is always an air of celebration when a birth is announced and I'm sure that's the feeling everyone associated with the Mercury had fifty years ago. After the birth, the college had an official voice for both the students and the administration.

I am not too familiar with the Mercury people of years past, their ideas or the aspirations. But I do know that there is an unspoken bond of friendship that exists between my predecessors and myself. I hope to realize this bond when young and old Mercuryites converge for our "aoldne" anniversary this Saturday.

Clark Hall Custodians Acknowledged

It's 8 a.m. As I stagger down the hall toward the Mercury office, I chant curses for everyone and everything that caused me to get out of bed so early. Just as I begin the grand finale of all curses, two "good mornings" greet me. That stops me right between the DA and the MN. Who are these two saints that turn my sleepy scowl to a smile? "Ma" (Nora Davidson), and Tom Marks, custodians of Clark Hall.

Ma and Tom are the people responsible for keeping Clark Hall clean and warm: scrap paper out, toilet paper in, heat up, windows down, garbage cans empty, soap dispensers full. They maintain 10 classrooms (2 of which are huge), 11 offices, 4 restrooms, 2 stairways, 5 hallways, and 1 Mercury Office. You simply cannot image what a job that last one is. Newspapers are notorious for making garbage (not printing it). You know how printer's ink smears on your fingers and everything you touch as you read a newspaper—with 50 newspapers per week arriving at the Mercury Office, there are 210 fingers (21 staff members x 10 fingers each) for Ma and Tom to clean up after. If you have ever witnessed the making of a newspaper, you know that the writing, typing, setting, correcting, cutting, pasting, etc. creates a pile of waste that would dwarf Mt. Everest. And Ma and Tom clean it all up—I guess you could say they move mountains.

I have identified Ma and Tom as custodians. That service is only part of the picture, though. Ma and Tom are unofficial counselors, substitute teachers, confidantes, messengers, saints and fill-in parents. They have a talent for making problems (both personal and universal) go away.

ALPHA SIGMA ALPHA

The interest group of Alpha Sigma Alpha held its weekly meeting Nov. 1 in the fourth floor lounge.

Old business was discussed and we all signed a get-well card for Ms. Bach, hope to see her back and around before Thanksgiving break.

This week our Province Director from national headquarters was here, Mrs. Carmine Alvey. Mrs. Alvey is from Muncie, Indiana and she travels and trains officers of colonies. She is a nurse by profession but now she spends her time with Alpha Sigma Alpha. She was mainly concerned with talking to the officers, answering any questions we had and giving us advice on what we should be doing, if we were not doing it.

Good luck to the volleyball team this week-end at the WVIAC Tournament at Concord. Good luck to the Pioneers against Tech this week-end.

We wish victory to both sports events.

Public Internships Become Available

Dr. Darnall has received application forms for the Spring Semester, 1980 Public Service Internship. Applicants from all academic disciplines are welcome. Candidates should be especially mature juniors or seniors who are capable of working in Charleston for some agency of state government for the entire semester.

Interns receive fifteen hours academic credit in areas appropriate for their major and a stipend of \$100 per week. Glenville State College has three interns serving in Charleston now out of a statewide total of fifteen. We hope to place an equal number next semester.

Pre-register Week of Nov. 26-Dec. 7

Pre-registration for the Spring 1980 Semester will be conducted during the two week period beginning November 26 and ending December 7. Students will follow the traditional pattern of working out a schedule with their advisor prior to registering.

Once a schedule has been completed and signed, students may come to the window at the Registrar's Office between the hours of 10:00 a.m. - 12:00 noon. Class schedules should be available about November 12.

Those who do not pre-register during the two week period in November will have to register on regular registration day, January 15, 1980.

Name Needed

Literary Magazine Under Organization

A meeting of the new literary magazine was held on Wednesday, October 24, with sixteen students and four faculty members attending. Plans for the magazine were announced by Mrs. Martha Keating, faculty advisor. The magazine, sponsored by the English Department, will have two purposes, to give talented students an outlet for creative work and to train the staff in publishing methods.

The first issue is planned for April. At present, a staff is being sought. Students interested in being considered for the positions of Editor and Art Director, or in being assistants on the editorial or art staffs, should submit a letter by November 7 telling the position(s) in which they are interested and their qualifications. Students who have stories, poems, essays, or drawings which they would like considered for publication should send them by January 30, 1980. A name for the magazine is also needed. All letters for application and materials should be submitted to Mrs. Keating, Room 317A, who can supply additional information.

On that day students will register in the basement of the Administration Building and will pay fees in the Little Theater.

Student data sheets will not be updated during the pre-registration period. Students will make necessary corrections on their data sheets prior to paying their fees. Procedure for this process will be announced later.

It should be remembered that those students who do not pre-register are usually the ones who have to learn to live with undesirable schedules. Pre-registration is conducted as a service to the students and everyone should take full advantage of the service.

Dr. Hook Slated

Glenville State College music fans are invited to the first area appearance of Captiol recording stars "Dr. Hook." "Dr. Hook" will be in concert on Friday, Nov. 16 at 8 p.m. at the Braxton Co. Armory, between Gassaway and Sutton. The small confines of the Armory will afford everyone an "up close relationship" with the artist that is impossible to obtain in a big city arena.

Council Changes Summer Session

The College Council met on Thursday, October 25, 1979 and approved a new summer school calendar for the Summer of 1980. It was decided that one six-week term, beginning on June 18 and ending on August 1 would be more practical than the two four and one-half week terms that have been conducted during recent years.

One of the problems with the two four and one-half week terms is that the public school teachers are not released from their work responsibilities early enough to enroll for the first term. And, a large number of our summer school students are teachers who are adding another teaching specialization. Another problem with the two short terms is that two hour sessions are required for a three hour course and this allows for only two morning sessions and one afternoon session. Many times students have found the two classes that they needed being offered at the same time. The six week session will permit three morning sessions and one afternoon session, each running for one hour and fifteen minutes.

It is also hoped that some one or two week "short session" courses can be arranged during the times between Commencement and June 18, and again between August 1 and registration for the Fall 1980 Semester.

Veteran's Meet Re-Organize Club

The GSC Veterans Club held its second meeting on Monday, November 5th. The main topic of discussion related to the writing of a new constitution for the club. The organization is being re-activated as there are many veterans now enrolled at GSC.

The group's primary purpose is to recognize and serve these individuals in areas of veteran rights and benefits and as a vehicle for becoming better acquainted with one another. The group would also like to get involved in service projects for the college and the community. Present members include Terry Hawkins, Mark Stafford, Brooks Harris, John Roberts, David Mills and John Volski. The club advisor is J. Michael Geary.

All veterans with a minimum of 180 days active duty and/or an honorable discharge are urged to attend the next meeting. Cagers Prepare For Season Opener

The WVIAC basketball season is just two weeks away. The Glenville State College Pioneers are being put through strenuous drills to get ready. Coach Jesse Lilly, who has led the Pioneers through 219 wins, will once again be at the head of the helm.

The lack of a big man may well be the weakness that will hold the Pioneers back. Five returning lettermen, a transfer from Fairmont, and 3 freshmen recruits will make up the team. Coach Lilly is hoping that they will get Glenville back into the conference chase.

There is a real battle going for the guard position. Ernie Gillard, Mike Forbes, Gerry Myers, Randy Anderson, Clayton Smith, and Bill Lilly are the hopefuls for these two positions.

Doug Watts and Don Bullet will be filling the post of forward. Both of these players are returning team

members. Watts, a 6' 5", 189 lb. senior, had an average of 13.4 points per outing, and Bullet, a 6' 5", 190 lb. sophomore, averaged 10.7 points per game.

Stan Clevenger, a freshman recruit, and upper-classman Phillip Thomas are being assessed for the position in the middle.

John Irwin or freshman Mike Morrison will be called upon if additional strength is needed at the forward position. Three other forwards listed on the pre-season roster are Jesse Johnston, Curt Smith, and Paul Wills.

The Pioneer season starts Nov. 20, when GSC travels to Montgomery to tackle the Golden Bears of West Virginia Tech. The first home game is on Nov. 27. Glenville is scheduled to participate in the Marietta Shrine Tournament during the Christmas break.

There was a slight drop in 1970, with enrollment dipping to 1617 students. However, that was the only drop at the GSC campus. The basketball team ended their season their season 17-11 and placed 3rd in the WVIAC. Jackie Joe Robinson copped top honors by being named basketball's Most Valuable Player, and also served as GSC's Montrose Award recipient. The Keglers of GSC won the State Championship and went on to Kansas City to take 4th place.

All unmarried students were required, beginning in 1971, to live in the dormitory. Also, women in the dorm were given a later curfew. Coach Hanlin had his 100th football victory with this year's Pioneers. The GSC Bowlers, once again, won the WVIAC title in 1971. The May graduation at GSC was one of the largest ever. Graduates totalled 318.

A stupendous year of sports! That is how GSC sports could be termed in 1972. The football squad ranked 5th in the Conference, with a record of 6-3. The GSC roundballers won the WVIAC, traveled to Kansas City and while there, beat Missouri Southern 68-66, and then lost to Augusta 76-75. Jesse Lilly was named "WV Coach of the Year."

Football fever hit the GSC campus hard as the Pioneers went 9-0 in the '73 season. The squad then defeated the Carthage Redmen in semifinal action 14-7. However, in the championship game against Northwestern, Iowa, the G-men

Pioneers Defeated By Concord

The Blue & White of Glenville went down to defeat Saturday night at Pioneer Stadium. It was Glenville's sixth defeat in nine tries (3-6).

The G-Men hung tough, with the Mt. Lions of Concord, during the first quarter. The score was 3-3, with the Blue and Whites' only tally coming on a 46 yard field goal by Reno Gande.

The offensive running attack sputtered, but the passing of Terry Spangler to Mike McGill was one bright spot in favor of the Blue & White. Spangler completed 17 passes on 37 attempts for 194 yards. On the receiving end, Mike McGill caught eight passes for 109 stripes, while Wayne

Voris, playing in his last home game, had three catches for 33 yards. GSC's total yards for the game were 209, to Concord's 306.

On the defensive side of the line, Glenville was led by defensive halfback Danny Amich and linebacker John Coutz. Amich had eight total tackles, while Coutz had seven total tackles and a pass interception. Adding aid were Chuck Ludewig and Larry Cundiff with six tackles each, and Kemp Kelly with five tackles and a pass interception, with a 46 yard return.

The Pioneers close out their season tomorrow at West Virginia Tech in a day game (1:30).

Runners Place Second

The Glenville State Cross Country team travelled to their conference meet on Nov. 2. The meet was held at the Sandy Brae Golf Course in Clendenin.

There were seven teams at Sandy Brae, all competing for the opportunity to race at the NAIA meet to be held in Wisconsin.

West Liberty won the conference meet for the sixth straight year. They had a total score of 33 points. GSC placed second, with a tally of 41 points.

This year's race was a rerun of last years, where West Liberty won with a score of 40 points and Glenville was again second with a score of 82 points.

Dr. James Hilgenberg, the coach for the GSC team commented on the race: "our guys didn't really lose the meet. They ran a strong race, but W.L. ran better. This is because they have had more over-all experience. What it comes down to is this, there's two teams competing, West

Liberty and GSC. And what it came down to on Friday was that what counted was a lot of talent and experience. West Liberty's team consists of Freshman with a lot of talent, and not a great deal of experience. W.L. will be losing their seasoned runners. W.L. has been a tough team to beat, but our guys can do it. All they need to do is work hard."

Upon the return from Thanksgiving break the guys will begin a "summer" work-out program to prepare for next year.

GSC's NCAA record for this year was 57 wins and 36 defeats against all other NCAA schools. Glenville's WVIAC Conference record is 26 wins and 5 losses.

The final score for the meet was: 1st-West Liberty-35, 2nd-Glenville-41, 3rd-Fairmont-102, 4th-Davis and Elkins-109, 5th-Wesleyan-118, 6th-W.V. State-126, and 7th-W.V. Tech-153.

Placing 8th out of 60 contestants in poetry was Jennifer Chisler. Fran Davis and Kent Woofter finished 9th, while Wendy Elliot and Eddie Harbert finished 14th out of 24 teams in Dramatic Duo. Of the 71 contestants participating in prose, Fran Davis placed 6th, Wendy Elliot 10th, Athelene Birchfield 11th, and Kent Woofter 12th. Informative Speaking had 27 participants. Eddie Harbert finished 6th and Fran Davis placed 13th. Athelene Birchfield placed 12th in Persuasive Speaking out of 29 contestants.

The top three teams to take the sweepstakes were Ohio University, Tennessee Temple University, and Miami University.

I. C. SHREVE WINS STEER

Mr. I. Cobb Shreve from Burnsville, was the lucky winner of the drawing for a 1100 lb. Simmental-Cross steer which was held at the Glenville State-Concord football game on Nov. 3. The project benefitted the Glenville Athletic Scholarship Fund. Kanawha Union Bank donated the steer to the college following its purchase at the West Virginia State Fair. The steer was raised by Randy Peggs of Cox's Mill, West Virginia.

Forget the horror movies, forget the growing inflation, because the 1978-79 Kanawhachen has arrived. If you haven't picked up your copy, you are missing an event as great as the great Wall Street Crash.

Many people do not stop and consider just how hard and how many hours it takes to put together such a book. Congratulations should go to the staff, the editor and the advisor.

Art Workshop 'Successful'

"In every respect, a very successful day," was the comment that Dr. Gary Gillispie made concerning the art workshop held here Nov. 5. 18 area high schools were represented by a total of 63 students and advisors. Turnout for this event was so good that, according to Dr. Gillispie, the art workshop may be expanded to twice a year, with the northern half of the state attending first and the southern part of the state attending at a later date.

The day began with registration from 8-9:30 in the Ad Building. While there, students were served refreshments and viewed art work done by GSC students and faculty.

At 10 a.m., the workshop began. There were five different categories: Cartooning, taught by Mr. Charles Erkman, a cartoonist for the Charleston Daily Mail; Pottery, taught by Charles Scott; Photography, taught by Mr. Robert Cooper of Sutton; Printmaking, taught by James Rogers; and Watercolor, taught by George Harper. Each workshop was limited to 20 students.

The workshop continued after a break for lunch. A critique was held from 3:30-4 p.m. Dr. Gillispie felt the students were serious about art and hoped to see many of them come to Glenville for study.

'Speak Up!' Mini Course Set Nov. 13

There will be a self-development mini course held Tuesday, Nov. 13 at the Scott Lounge of Pickens Hall. This mini course is designed to help a person convey their feelings to another person without violating their rights. John Vaughn, Associate Dean of Student Affairs, makes this announcement.

Assertiveness behavior includes being honest and direct in your communications with other people, yet,

still relaying your needs, feelings, and ideas. It means standing up for your rights, while still respecting the rights of others.

This mini course could be helpful in Consumer Rights, borrowing and lending, and other day to day associations in the business world. Another area this course will be helpful in is Roommate Relationships.

ART CLASSES TRAVEL

The art, ceramic, and photography classes accompanied by their instructor, Mr. Charles Scott, traveled to the Cleveland Museum of Art on November 6, 1979.

On arrival, the students were given a lecture tour by a museum instructor, and were later able to walk at their leisure through all the galleries and exhibits of art.

The Cleveland Museum of Art is world famous for its collection of Far Eastern art outside the Orient. Our tour included Oriental porcelain and ceramic art objects and pottery. The lecturer was particularly interesting in his talk on glazed pottery.

The main exhibit was Claude Monet's Triptych: Water Lilies. The displays also included Medieval, Western painting, decorative arts, and prints and drawings collections.

Students making the museum tour were: Melinda Baisden, Illa Jean Boggs, Tim Brady, John Butler, Rebecca Criss, Jeff Davis, Nancy Di Lorenzo, Dwayne Duffield, Edward Evans, Tamela Garton, Susan Greathouse, Melanie Green, Deborah Knopp, Humid Massomian, Terrence McAllister, Hossein Nilszad, Elizabeth Scott, Kimberly Setler, Beverly Skinner, Curtis Smith, Glen Smith, William Szabo, Malinda Truex, Jeanine Weese, Scotty Wigal, Vonda Jene Williams, Melody Wilt, Kent Woofter, Donna Wood, Karen Pettry, Agnes Jordan, Gary Looney, Shahin Sadaughi, and Gary Shaffer.

lost 10-3. Incidentally, a running back for GSC sported the name; Jimmy Carter. Kim Wilson acted as Pioneer for 1973.

The golf team became the '75 WVIAC champs and Jimmy Scott was named WVIAC golfer of the year. The Keglers of GSC made themselves nationally known as they ranked 7th in national competition.

Sports seemingly dominated the campus, until 1975-76 when the Forensics team placed in the top 20, nationally. Perry Stovall was honored as the '75-76 GSC Pioneer. As reported several times previously, the GSC bowling team of '76 won the WVIAC Tournament.

After a grand Bicentennial celebration, GSC started the 1976-77 academic year with the Shakespearean play "Hamlet." The play was given by the New Shakespeare Company of San Francisco. Glenville was privileged to hear well-known author and prosecuting attorney, Vincent Bugliosi, lecture on the Charles Manson case. The sports program was highlighted by the bowling team ranking 7th in the nation, and having Sam Ferrell named to the team for the Pan-American games.

Rosie Grier and Michael Johnson made guest appearances on the Glenville campus in the academic year of '77-78. Terry Crisp was presented with the '77 Montrose Award for his bowling accomplishments. This year also marked the arrival of 25 Iranian students.

Bowling and golf were the most outstanding sports of the '70's. The school progressed socially with the appearance of several nationally known groups, singers, and speakers. The campus also saw much renovation, with new buildings built and others torn down. However, one main problem has remained throughout much of the Mercury's 50 years—the parking problem.
