The Glenville Mercury

Number 19

Glenville State College, Glenville, West Virginia

Friday, February 15, 1980

There has been no activity fee increase for Glenville State College in three years. Yet, GSC students pay no additional amounts for a copy of the Mercury, admission to basketball and football games, admission to the movies and selected dances, cultural affairs movies or visits to the infirmary, among other services.

H1 14:

The proposal to increase the activity fee \$17.00 per semester is projected over the next three years, which is approximately \$5.66 per semester per year. This referendum will be voted on by students during the Student Congress elections, February 18 and 19, in the Pioneer Center. It is very important for at least a 40% voter turnout to pass this referen-

It must be stressed, however, that this activity fee is one fee that comes directly back to the student This is in opposition to the proposed Higher Educaiton Resource Fee, which is proposed to be raised from \$35.00 to \$70.00 for in-state students and \$180.00 to \$360.00 for out-of-state students. Only 40% of this money is actually spent on higher education. The other 60% goes into a general fund, and could, quite possibly be used to repair potholes.

Many colleges and universities require more than the proposed \$64 fee for a season football ticket alone. It is also anticipated that all fees will increase at all state institutions this coming year, due to inflation. It is hoped that the \$17.00 increase in the activity fee will bring a taste

of quality to GSC. This increase will also benefit the athletic program, entertainment, publications, and college departmental programs.

Next is a breakdown of fee increases; Intercollegiate athletics-increased \$5.00; medical--increased

\$.50; Student Congress-increased \$.50; Newspaper-increased \$4.00: Yearbook-increased \$1.00; Cultural Affairs-increased \$1.00; Movies and popular entertainment-increased

\$1.00; Speech and debate-increased \$1.00; Theatre (new item)-increased \$2.00; Music and band-increased \$1.00; Radio station-increased \$1.00, Student employment matching was eliminated. These increased in all aspects of the Glenville Sttae College performance, and well-being.

Members of "Mark Twain Sketches"

Archer Views Legislature

participated in the Frasure-Singleton Student Legislative Program during the week of Feb. 3-8. Basically, the program is a "hands on" type of approach to state government. Each participant is assigned a Senator or Delegate to observe and assist for one week. The observation period includes sitting with the assigned Delegate or Senator during each floor session, committee meetings, and public hearings.

Don was assigned to Delegate George Warner of Kanawha County. During the course of the week, Mr. Warner asked Don to research legislation and observe committee meetings that he was unable to attend. Mr. Warner serves on the House Banking and Insurance Committee, House Education Committee, and the House Committee on Constitutional Revision. Because of the

Don Archer, Social Science major, importance of these committees, Don was able to listen in on several important discussions, affecting nearly every West Virginian. "The Committee meetings were the most informative and most active part of the entire legislative process," remarked Don. Possibly the most significant piece of legislation passed during Don's stay was the Branch Banking Bill, which has been six years in passing the House, and now. goes to the Senate.

In addition with meeting with members of the House and Senate, a question and answer period was held with Governor Rockefeller. The discussion centered around energy and budget. Don found the Governor to be very responsive and open about his stand on various issues.

"The most important observation made, while in Charleston, was that (cont. on page 4)

The Social Work Department is once again sponsoring a Bloodmobile Feb. 20, from 1-5 p.m., in the Ballroom of the Pioneer Center. Everyone is asked to help in this drive by either giving blood or helping with the paperwork.

The Chi Beta Phi Honorary Math and Science Fraternity will hold its regularly scheduled meeting this Sun., Feb. 17. All members should report to the Vandalia Room at 6 p.m. An interesting program is planned.

vans R a m e o

The annual convention of the Va. Association of Fairs and Festivals was held Jan. 13, 14, and 35 fair and festival queens from all over the state met for a fun filled weekend at the Lakeview Inn and Country Club in Morgantown, WV, to compete for the title of Miss West Virginia-Assoc. of Fairs and Festivals. In order to compete in the Miss West Virginia pageant, one must first have won a title at a local pageant and be sponsored by her area (air. Terrye Evans won the Miss Wood County Fair pageant last June and was advanced by the Wood County Board of Directors to the Morgantown competition.

The 3 areas of pageant competition consisted of an interview session, street dress modeling, and evening gown. The girls were also judged on poise, personality, personal appearance, and appeal.

The event was held on Saturday night and from a field of 35 girls, Terrye was chosen as the first runner up. A presentation of a trophy and a \$300 scholarship was made by Secretary of Agriculture Gus R. Douglass.

Theatre Group To Perform

The Chamber Repertory Theatre, Boston's continually touring professional theatre company, will be performing its nationally acclaimed live production of "Mark Twain Sketches", on 8:00 Mon. Feb. 18, in the GSC Auditorium. It is sponsored by the Cultural Affairs Committee. From the pitiless pennings of one of America's greatest writers & humorists, the Chamber Repertory Theatre has created an outrageous theatrical experience, "Mark Twain Sketches". Hailed throughout twenty-six states this vintage Twain is now in its third consecutive year of pleasing audiences of all ages. Its appearance at GSC theatre marks the first time local residents of this area will have had the opportunity of seeing it.

"Mark Twain Sketches" goes bevond the traditional view of Twain the clever humorist & lecturer and gives the audience a full panorama of Twain's fools and foolers in the excitingly unique and fully staged style of the Chamber Repertory Theatre. Blundering bluejays, tedious tourists, cannibalistic congressmen, a celebrated jumping frog, and an array of incredible characters weave in and out of this crazy quilt

of sketches, short stories and travelogues. With uncanny accuracy, Twain, in CRT's guise, and in hilarious fashion, mirrors Congress at work, enterprising businessmen, death rituals, medicine, pompous journalists. In withering satirical style, Twain thumbs his nose at anything in sight, then winks and says: "But, I was only foolin'"

Twain comes in many sizes. shapes & disguises and CRT director Ted Davis integrated a cast of five professional performers into a pure Twain event. The performers, all of whom have had years of experience on tv, radio, motion pictures, as well as in professional repertory theatres all over the county, play a multitude of different roles with realistic zest. Mr. Davis, who appears along with the acting ensemble, is a veteran performer-director-writer who recently appeared with Alan Arkin in the CBS-TV movie "The Defection of Simas Kidurka."

The Chamber Theatre will present a one hour workshop for interested students at 4:00 Monday afternoon in the Auditorium. Everyone welcome

Planned Discussions

In an effort to promote awareness and understanding of the needs of women in West Virginia, Glenville State College is sponsoring a series of discussions "A Woman's Place . . ." scheduled to begin Feb. 27, at 7:00 in the Vandalia Room of the Pioneer Center.

"A Woman's Place . . ." is a series of eight half-hour video programs produced in cooperation with the West Virginia Women's Commission, to explore issues that are important to today's women. Each program will be followed by a panel discussion giving participants an opportunity to express their vie discuss opinions and share ideas.

This program is free to all GSC staff, faculty, students and to the community. Programs are scheduled to begin at 7:00 in the Pioneer Center. Anyone having questions may call 462-5279

The following is a schedule of events. "Women in Politics"-Feb. 27; "Education"-March 5: "Career Counseling"-March 12; "Women in the Labor Force"-April 9; "Domestic Violence"-April 16; and "Health Care"-April 23. Please check the Mercury for guest speakers.

Terrve Evans

Read This ! Everyone Has.

Perhaps some of you out there in newspaper land can help us. There is a question that weighs heavily on our minds and we simply cannot come up with a suitable answer. If you could help us, we would be forever appreciative.

Simply, who is "they" and "everyone?" Ever since baby steps were our mode of locomotion, "they" and "everyone" have followed close behind, lurking behind every unanswerable question.

"But why do I have to wear those awful looking pants?" Mom: "Everyone is wearing them." Everyone has terrible taste.

"Who took my new glove?" I ask my little sister. "They did." We are gonna kill "they."

They even followed me to college. "Pledge a fraternity. Everyone does it." "They said you should not do that."

It became so bad after a while that every person, even close friends, became members of the "they" and "everyone" secret organizations. Around every corner stood a thing waiting to stamp a "they" or "everyone" label on our forehead.

"They" are still spreading their conformist claptrap. But we won't knuckle under to them. We will fight back with all our resources, however pitiful they are. We will be successful in our fight. Everyone says so.

Tim Brady, Editor

Parking Problems Stressed Again

Glenville State College has had a parking problem for a number of years but on Feb. 12, the problem got out of hand. The culprits were two high school games held at the college's gymnasium starting at 6:15 p.m. People who came to watch the game began parking in the designated spaces but ended up by parking any where, including the middle of the road. Many people who had night classes were blocked in until the games were over. The people who had classes had a validated reason for being here and their vehicles should not have been blocked. The people who came to the game should have taken upon themselves to find a space to park without infrincing upon another person's right.

Beth Ware a student at GSC stated, "We did not get home till eleven o'clock because we were blocked in. We (the students) had to be in class and we had to park our vehicles. We did not expect to be blocked in."

The high school and the college should try to find a solution to this problem before tempers start to explode. Becky T.

The Cultural Affairs Committee will present the film MODERN TIMES, produced by Charles Chaplin, on Tuesday, Feb. 19, 1980, at 8:00 p.m. in the Auditorium. The film is classic Chaplin comedy, as the little tramp confronts the machine age and the assembly line in one of the funniest and most popular films of all time. Laugh sequences include Charlie going berserk in a factory, Charlie as a night watchman on roller skates, and many others.

The Ohnimgohow Pledges will be having a quilt raffle starting Tuesday, Feb. 19th. Each ticket will cost \$.50, or you may buy 3 for \$1.00. The quilt will be displayed in the Administration Building on 1st floor in the show case. If interested contact Nancy Sutton, Lorrie Price, Louis Kent, Vannie Blevins or Ms McKown. Drawing will be held March II, at the Pioneer Center. Time will be posted later.

Candidate for SC President

Pi Gamma Clarified

Although I was pleased to note that the Mercury recently covered the chartering banquet of Pi Gamma Mu, a few misunderstandings appeared in the article and need clarification. The first concerns the title of the article, "Social Science Fraternity at GSC". While Pi Gamma Mu does have a "Greek" name it is not a fraternity. It is instead a national Social Science Honor Society open to outstanding men and women who have distinguished themselves academically in the social sciences. The second refers to a slight indecision on the part of the author concerning the actual status of Pi Gamma Mu-is it a social or honorary society?

Pi Gamma Mu is a member of the Association of College Honor Societies and is affiliated with the American Association for the Advancement of Science. Finally, while I would agree with the article that one of the purposes of Pi Gamma Mu is to introduce the college community to the concept of a national social science honor society, its truer purpose is to improve the scholarship in the field of the social sciences.

We of Pi Gamma Mu appreciate the Mercury's interest and we hope that our future programs will be of interest to the college community and will continue to be covered by the Mercury staff.

Sincerely, Dr. John Hymes, Jr. Faculty Advisor of Pi Gamma Mu

Kim Bickel Candidate for SC President

SC Candidates Speak Out

I, Deena Snyder Warner, am a candidate for President of Student Congress. I feel I have the qualifications to fill this office and will do my best for the student body.

Student Congress was instated to act as a go-between for the student body and the administration along with planning affairs and events for each student attending our college. Over the past years much money, your money, has been spent on concerts, cultural affairs, movies and many dances. This is all well and good except for the fact that many people were unable to view these activities because of Thursday and weekend performances.

If elected President, I will try to bridge the communication gap between Student Congress and the body it governs by better planning the activities you pay for. I want to help the studentbody pull together with Student Congress and the administration. I want to see this campus using the potential it has to its fullest.

In order to do this, I need your support. Please, come to the polls on Feb. 18 & 19 and vote for the candidate of your choice. The betterment of Student Congress depends on you!

Sincerely, Deena Snyder Warner Candidate for Student Congress President

I, Dena Dunlap, am a candidate for Vice-President of Student Congress. Realizing that Student Congress is very instrumental in student participation here on campus, my past year's experience as Senator-atlarge has given me insight into some of the needs of the GSC students. This year I was instrumental in working with the commuters who now have lockers to use while on campus. I also worked extensively with Homecoming and the other events sponsored by Student Congress. With this experience, I feel that I am qualified for the office of vice-president.

If elected, I will make the office of vice-president non-honorary by backing the president and extensively working, to the best of my ability, for the entire student body. I am very interested in what happens to and for the students of GSC and because of this interest I will work. There are changes and improvements needed here at GSC and I am willing to take on the responsibility of initiating these actions.

I feel that I am qualified for the office of vice-president and would appreciate your support and vote.

Sincerely, Dena J. Dunlap Candidate for Vice-President

I am a junior elementary/early childhood major with an overall 3.21 average. I would like to serve as your student congress secretary and would do the job to the best of my ability.

At the present time I am serving as a senator at large on student congress as well as being involved in several other GSC organizations such as the Delta Zeta Sorority, Kappa Delta Pi, Order of Diana, and a GSC majorette.

I feel that I am qualified to do the job and I would appreciate your support. Thank you.

Respectfully, Jane Annette Bumgarner Candidate for S.C. Secretary

I, Jennifer (Jupe) Morton, am running for the Presidency of the Junior Class. I am qualified for this position, because I have held high school offices and offices in college. Presently, I am Vice-President of the Ohnimgohow Players and a Pickens Hall Representative to Student Congress, and a member of the governing board.

With these qualifications, I think I am prepared to do the best job I can to make GSC a pleasant place to be.

Thank you, Jupe Morton.

I, Carron Smith, do hereby submit my name for the office of Senator-at-Large for the 1980-81 term of Glenville State College Student Congress. As a member of Student Congress, I will work toward goals that will better the campus. Since I am a student living on-campus, I feel that I can speak for the students who are also living on campus. I will appreciate your support. Bill Pitzer, House Director of

Louis Bennett Hall, is proud to an-

nounce the hiring of two new office

workers and three new Resident

Assistants. David Hall and Andy

Ondeck are the two new office work-

ers. David is a freshman and is a

native of Pinch, WV. David is a

P.E. major and a Theta Xi pledge.

Andy Ondeck is the second new

office employee. Andy is a freshman

English and Secondary Education

major. Andy lists his activities as

intramurals, TKE pledge and Vice-

President of his TKE pledge class.

His hometown is Moundsville.

THE GLENVILLE MERCURY

Louis Bennett Gets New Workers Reflections For Valentines Day I received candy

in boxes by the score

And red roses, maybe a dozen or more.

Nice little cards, funny and sweet, Cuddly little animals that made you want to weep

And some gifts that I wanted to keep.

For Valentines day I received a nice bottle of wine but no cheese And a couple of kisses for a small fee.

How nice! How sweet! But this poem must end.

But I have a dream I could lend. All I really wanted for Valentines States and the states of the s day Was a nice simple wedding in May.

Given Begins

Placement

This semester Jane Given is a

senior ir the Social Work program

here at Glenville State College. To

complete her degree, she is presently

involved in field placement at the

Gilmer County Mental Health Clinic.

Although having been at the clinic

just a little over two weeks, she

says that the staff there has done

a great job of making her feel wel-

come and of orienting her to the

agency. According to Jane, "They

are a warm and accepting group of

people who are very interested in

other people and any problems that

they may be experiencing. People

are their business, and listening,

Since starting her placement, Jane

caring, and helping are their jobs."

says that she has really come to

appreciate those mornings that she

dragged herself out of bed to go to

class and those all night hours that

she grumpily put into homework

assignments. She realizes now that

this time was indeed worthwhile

The SW classes at GSC have supplied

her with a good background that

will benefit her in whatever field

of social work that she may choose

to enter. She's very grateful to her

instructors for providing her with

has already found and expects to

continue to find that this experience

will be invaluable. Besides gaining

an awareness of the functioning of

an agency, she is also gaining an

awareness of people. This, Jane

feels, is the most important require-

ment for working in any of the

helping professions. With the sup-

port and guidance that the staff

of the clinic has already shown her,

she will certainly complete the re-

quirements for her degree with a

successful and rewarding field place-

ment.

As for the field placement, she

such an excellent preparation.

An exhibit featuring the sculpture of Robert Fetty, a 1971 Glenville State College graduate, has been on display since Jan. 15 at the Museum of Arts and Sciences, Davtona Beach, Florida, A resident of Florida, Mr. Fetty has spent the past five years working in New York. His work has been exhibited at Old Sculpin Gallery and Field Gallery, Martha's Vineyard, Mass.; Galeryl At Oui, Boston; James Hunt Barker Gallery, New York; Muggleton Gallery, Auburn, New York; Mendon Gallery, Honeoye, New York: College of the Finger Lakes.

Canandaigue, New York; and Sampson Art Gallery, Stetson University, DeLand, Florida.

The three new RA's include Steve

Gandee, a sophomore Business Ad-

ministration major, who is a native

of Clendenin. Steve is a member of

the football and baseball teams and

is a Theta Xi member. Terry Haw-

kins of St. Marys, lists his activities

as secretary-treasurer of the Veterans'

Club. Terry is a junior Social Stud-

ies/School Library Media major.

Business and Physical Education ma-

jor Gary Sigman is the third new RA.

Gary is a sophomore from Bancroft,

WV. Gary is a member of the base-

ball team and is active in intra-

murals.

Sculpture Is Featured

Mr. Fetty works primarily in wood, sometimes combining other materials such as cardboard and palm fronds. His sculpture ranges from table-size pieces to outdoor sculpture over 12 feet high. The strength and power of his work assures him of becoming a major figure in American sculpture in the very near future.

His show at the Museum of Arts and Sciences, entitled "Robert Fetty/ Recent Sculpture," .runs through Feb 15

Carters EnhanceAudience

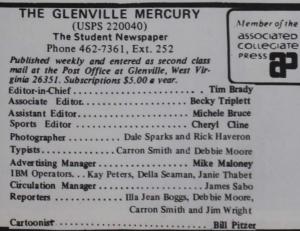

Jeanette and Helen Carter drew a fair sized crowd in the college auditorium on Wednesday night, February 6. The girls, who are the second generation of the famous Carter Family, entertained the audience with many of the standards that have been associated with Maybelle Carter for years, including the "Wildwood Flower."

Helen has assumed the guitar responsibilities for the group since the death of Maybelle. She experienced some difficulty in keeping her picks on her fingers, but she demonstrated that she has successfully copied Maybelle's famous "church lick." She sings very well and her voice shows more polish than is normally apparent among country singers. Helen also shows an improving style on the autoharp, an instrument made famous by her Mother.

Jeanette Carter, daughter of Sara, charmed the audience with her rich western Virginia accent and her ease with the old songs. Her excellent rendition of Sara's "Elbow Room" was a good demonstration of both the aforementioned qualities. She also demonstrated a smooth lick on the autoharp.

Buddy Griffin and Rick Roberts provided a pleasant mid show break with some fiddle tunes. Their twin fiddles on the difficult tune "Roanoke" was indeed superb.

The Carter girls ended the program with the most famous of all the Carter Family tunes, "Will the Circle Be Unbroken." The song brought a hush over the audience and was an appropriate ending to a good evening of Mack Samples nostalgic music.

The Fraters of the Iota-Omega chapter of the Tau Kappa Epsilon Fraternity would like to announce the signing of 11 pledges. The names of the hopeful initiates are Dale Teeney, Dave Powell, Andy Ondeck, Garry Harvey, Chuck Ludewig, Kevin Johnson, Dan Dennis, Jeff Stanley, Kreig Savre, Rickey Kinder, and John Huxley. Good luck to all you in the coming weeks.

Congratulations to TKE I and TKE III, who were victorious in last week's intramural battles. TKE I has an overall slate of three wins and no defeats. TKE III is 2 and 1. Each team has two games remaining.

A "pledge trip" has been set for this weekend. Pledges and actives are planning on going to Richmond, Va. on Friday night. Then, on Saturday evening everyone will go over to the Bluefield-Glenville game and hopefully spur the Pioneers on to a victory. Let's all go party!

Lambda Chi

The typical bro-fraters of Lambda Chi Alpha held their weekly meeting Tuesday evening in Clark Hall, directly following the pinning of another Associate Member Bringing our total to eight for the Spring semester is Andy Cosper. Congratulations Andy and good luck to all of the Associates.

Bro-fraters Bob Dinkler is in the stages of finalizing another Closed Ball to be held the weekend of April 19 at the Ramada Inn in Marietta. We hope everyone is supporting our tent and sleeping bag raffle and don't forget that the Associate Members are also raffling off a half gallon of your choice. Also, get prepared for another of the Chi's Beer Bashes, Feb. 25 We will participate and support a local bike-a-thon.

Awards: A-II-(Honorary) Ruben and the Pit Crew and California Dreamer, Jay Rapp; WINE-(Honorary) Avery, Carder and Ruben and he may be new, but everyone knows him-Andy Cosper; PIG-(Honorary) Miller and Gary "Neck" Ross; KCUF-(Honorary) Visiting Alumni and Dink for a job well done.

Theta Xi

Theta Xi would like to congratulate Mike McGill, Lynn Stalnaker, and brother Joey Douglas for making all-conference in football. It's really bad when three of the school's team makes it and they get no attention for it.

Theta Xi will be doing their annual dribble this year to Charleston. It is for Muscular Dystrophy and it takes place the first day of tournaments. If you would like to sponsor a Theta Xi member contact any Theta Xi before Feb. 26th.

The new Theta Xi pledges for spring class are: Terry Mullen, John Henderson, Joedy Moots, Chris Keister, Louis Hill, David Hall Billy Belcher, Joe White, Andy Marshall, and Larry Greyhouse.

PBL held their bi-monthly meeting last Wednesday, Feb. 6, at 6:30 in 101 A.B. The raffle for 50 gallons of gas was won by Bruce Doaks.

The meeting time has been changed from 6:30 every first and third Wednesday, to 5:30 every first and third Wednesday. The next meeting will be Wednesday, Feb. 20 at 5:30 in the Verona Mapel Room. There will be a guest speaker. The meeting is an open meeting, every one is welcome. Refreshments will be served afterwards.

For any PBL member who wishes to purchase a tee-shirt, there is a catalog in the secretary's office at the Division of Business. We'll be taking checks for these at the next meeting, Feb. 20.

The PBL smoker held last Thursday was a success. We'd like to thank everyoone for coming.

Delta Zeta

A formal meeting of the Theta Xi chapter of the Delta Zeta Sorority was held on Feb. 11th.

We are proud to announce our new pledge, Tammy Gumm. Pinning was Tuesday, Feb. 12th.

Big Sis ceremony will be held at 6:00 on Feb. 17th.

The Clean Room Award went to Sally Haught and the Pig Pen Award went to Pam Collins.

Study Turtle went to Sally Haught while the Wilted Rose went to the House.

The Sisters will be collecting for the Heart Fund on Feb. 24th.

Sigma Sigma Sigma

The Delta Alpha Chapter of Sigma Sigma Sigma held a ceremonial meeting in the Vandalia Room.

The sisters discussed several money making ideas including selling items at our national convention. Sisters are reminded of the grub meeting on Monday as these items will be voted on then. The Chapter decided that they and the pledges would decorate the Medical Center for St. Patricks Day. They will also help with the local heart fund drive on Sunday, Feb. 24.

The Chapter is now in the process of planning a trip to Walton House, our National headquarters located in Virginia. Pledges

The spring pledges of the Delta Alpha chapter of Sigma Sigma Sigma held their weekly meeting on Sunday at 8:30. Many items were discussed, including Picky Purple Pledge Week which will be March 3-7. Money raising projects were also discussed. The pledges plan to have some bake sells in the Student Union and also to sponsor a "kissing booth" on Valentine's Day. Finally, plans for the reverse rash party were discussed which will be held after initiation. The initiation date is set for March 14. Big Sis-Little Sis ceremony was also held Sunday night at 7 p.m. Everyone was both surprised and pleased to find out who had sent them gifts all week.

Gillespie Awarded Degree Decterate

David M. Gillespie, director of the Robert F. Kidd Library at Glenville State College, has been awarded his doctorate degree in library science from Florida State University at Tallahassee.

His dissertation, "A Survey of Business Managers and Library Directors to Identify the Variables Affecting the Final Decision on Library Budgets in Institutions Awarding at Least the Baccalaureate, But Less Than the Doctorate Degree," culminates a four year effort in postgraduate coursework and in-depth research.

Gillespie surveyed the library directors and business managers of 75 colleges whose size were equivalent to GSC. He experienced a 97% return from the 75 colleges and an 86% return from either the business manager or the library director or both. Gillespie found that approximately 10 variables are present when a library budget is determined. Of the most pronounced, the library budget rests on the recommendation of the dean, the recommendation of the library director, enrollment size, projected income and college accreditation status.

According to Gillespie, a doctorate degree in library science is a rare commodity. "This year alone, approximately 70 individuals will receive a doctorate in library science. Since the late thirties, only 900 doctorates (in library science) have been awarded, the first being in

Dr. David M. Gillespie 1938 from the University of Chicago.'

"Currently, there are only three Ph.D.'s in West Virginia who are practicing librarians," he commented. "Those who get their Ph.D.'s in library science are usually absorbed by the 72 accredited library schools as teachers rather than practicing librarians."

Gillespie noted, "This degree will open a lot of doors that wouldn't have been opened. Getting my doctorate proves that in higher education a Ph.D. is still expected."

Gillespie received his A.B. degree from GSC and his master's of library science form Indiana University. He is president of the WV Library Association, a former mayor of Glenville, author of several publications and a member of seven professional organizations., A native of Webster Springs, Gillespie is married to the former Yvonne Row of Elkins.

Short Stories Series Produced

The American Short Story" is a series of 17 stories, which began the week of Feb. 4. The Media Center will make each story available for viewing the day after broadcast. This series has been produced by Learning in Focus, Inc., with grants from the National Endowment for the Humanities, the Corporation for Public Broadcasting, and the Xerox Corporation.

The following is the program schedule, including the story/author and airdates. "The Golden Honeymoon" by Ring Lardner-week of Feb. 4; "Paul's Case" by Willa Cather-week of Feb. 11; "The "Ranpaccini's Daughter" by Nathaniel Hawthorne-week of Feb. 25; "The Jilting of Granny Weatherall" by Anne Porter-week of March 3; "The Sky is Gray" by Ernest Gainesweek of March 10; "The Man That

Rick Simon, Financial Aid Director, and the Student Congress will be sponsoring two financial aid workshops next week. The session will be held Tuesday, February 19th at 2:30 in the Vandalia Room and 6:00 Thursday evening in the Vandalia Room.

Harper Earns Award

George Harper, instructor in the Art Department of GSC, was notified this Wednesday, Feb. 6, that he is the recipient of a purchase award for his watercolor painting entitled "Vermont House." The painting was one of three entries to the Tri-State Arts Association Juried Exhibition, 1980. The exhibition is currently being shown from Feb. 2-March 2 at the Huntington Galleries. This competition was open to all artists in the tristate area involving Ohio, Kentucky, and all of West Virginia.

Corrupted Hadleyburg" by Mark Twain-week of March 17; "Barn Burning" by William Faulkner-week of March 17; "Bernice Bobs Her Hair" by F. Scott Fitzgerald-week of March 24; "I'm a Fool" by Sherwood Anderson-week of March 24; "Soldier's Home" by Ernest Hemingway-week of March 31; "Almos' a Man" by Richard Wrightweek of March 31; "Parker Adderson, Philosopher" by Ambrose Bierceweek of April 7; "The Jolly Corner" by Henry James-week of April 7; "The Displaced Person" by Flannery O'Connor-week of April 14; "The Blue Hotel" by Stephen Crane-week of April 21; and "The Music School" by John Updike-week of April 28.

This series covers a 200-year period of American literary history, some of the authors being very well known and others not so well known. In the Feb. 16, 1980 issue of Saturday Review, Peter Andrews reviewed the 17 stories, describing some of them as "meticulously mounted" and "extraordinary pro-

Archer Is Intern

(continued from page 1) government can only be truly understood when examined on a first hand basis. I'm not sure my observation is an encouraging one, but it is, I feel, an honest one," was Don's summary of his week long experience.

State Program Coordinator for the Frasure-Singleton Student Legislative Program is Sue Tewksbury. Faculty Sponsor is Dr. Joseph Darnall. The internship is held during the weeks of Feb. 3-8 and Feb. 10-15 with 25 participants each week.

Students are selected from colleges and universities throughout the state and earn one hour credit for their participation. The program includes housing and meals at no cost to the student. Applications can be filled out in December.

ductions." Andrews explains that not all of the stories are that well performed. After two "extraordinary productions," Andrews feels that James Thurber's "The Greatest Man in the World" is completely pulled out of shape. However, Andrews feels that there is a lesson to be learned from these authors, and that is that they can speak to viewers just as effectively as ever when they are given thoughtful productions that preserve their original works.

The program also comes with a viewers guide which enables various individuals' and groups' background information on the stories. This guide includes biographies of the authors, and questions and exercises concerning the stories. A limited number of posters are available. 'A Teacher's Guide to the American Short Story" is a convenient source for teachers to use for discussion and classroom assignments. Anyone interested in this series should contact Mr. Chuck Julian at the Media Center.

"Women's Day" Plans Finalized

This is the last reminder to all students, faculty, and staff planning to attend the "Women's Day in the Legislature" program, scheduled for Feb. 19th. The bus will be leaving for Charleston at precisely 7:15 a.m. The cost of this program is \$3.00, which is payable in Charleston, to the West Virginia Women's Commission.

The bus is due back in Glenville at approximately 6:30 p.m. Anyone who is on the waiting list should come to the bus at 7:15 a.m., and they will be seated on the space available on the bus. Anyone having questions' should contact Dean Vaughn,, in the Student Affairs Office.

Roger and Deborah Lucas are shown in concert on the GSC stage as Tuesday's Cultural Affairs' presentation.
