The following campus parking areas will be closed this weekend for construction: High Street Lot (small); Clark Hall Lot; Health Building Lot (east side); and the driveway between the Health Building and the Clark Hall parking lot. The lots will close at 5:00 p.m. on Friday, September 19. Cars not removed from these lots by the closing time will be removed at the owner's expense.

Harold Dougherty Featured

Harold "Doc" Dougherty will dazzle the audience with his slight of hand and uncanny wit at the "Gong Show" sponsored by the Alumni Association of Glenville State College.

Dougherty, a native of St. Mary's, WV, lives in the Washington, D.C. area where he performs as a professional magician at clubs, discos, shopping malls, theatres and trade shows. He is employed as a photographer at the Smithsonian Institute in Washington.

"My father was a magician," says Dougherty. "I was three when I first walked on stage and I've been on it ever since. I guess you would have to say that I followed in my father's footsteps," he surmised.

Dougherty is very familiar with college campuses as he works the circuit in Washington - American University, George Washington University, George Mason and the University of Maryland.

All college parade entries should be submitted to Ann Woody by 10:00 p.m. Monday morning to be eligible to participate in the Homecoming parade. Any entries from the town should be turned in to Ann by Friday (today).

of Maryland.

Dougherty attended Glenville State College during the mid-sixties where he was very active in the Ohningohow Players, Alpha Psi Omega, the Mercury, and the Science Club. He was the only GSC student to participate on the West Virginia "Showboat Rhododendron," a restored sternwheeler for the state's centennial celebration.

The "Gong Show" is open for all staff, faculty and students to participate. Dougherty will not only emcee the show, but also perform his guillotine and double arm chopper stunts.

The "Gong Show" will be held at 7:30 p.m., Thursday, September 25, in the Ballroom of the Pioneer Center. Acts for the show are still being accepted. Contact the Alumni Director for further details.

Admission for Thursday evening is \$1.

Revenge Is Sweet ---

With four weeks of school gone by, you've probably gotten adjusted to the basic routine at GSC, but are you still having problems with that dear ol' roommate? Many of us are fortunate to be matched up with capable people. Some students aren't so lucky however.

What about that guy who comes stumbling in at 2 a.m. and blasts on his latest "Stones" album? Or what can we do about the girl who watches every move we make from the moment we step inside the door, but will never hold a friendly conversation? These incidents happen to one out of every five dorm or apartment dwellers. After years of investigation, researchers have come to two types of solutions for roommate problems: 1. The Compromising System, and 2. The Get-Even System.

The Compromising System is chosen most of the time by the "nice guys." It involves talking things over and finding solutions for problems and disagreements. This system may be used every time a problem arises or else once in the beginning of the semester when all annoyances are brought out in the open. One thing to remember in order for the "Compromising System" to work is that both individuals have to give in to some degree.

The second solution is commonly called the "Get-Even System." This system is generally wide open for new ideas, but here are the 5 basic ones. . . 1. Rearrange the furniture while your roommie is out on a late night binge leaving something to run into in his pathway. 2. Hide all his/her shoes during the biggest snow storm. 3. Put "Nair" in his/her shampoo bottle. 4. Remove the supporting boards from under their bed. 5. Spill something on their homecoming outfit ten minutes before the dance.

These are just a few solutions for the problem. Whatever road you choose to take, make sure it's suitable for the situation. Problems will most always smooth out after awhile. Give in yourself a little bit and if all else fails . . . move out!

Joe Crislip To Receive Montrose Award As Golfer During Homecoming Game

phy at halftime of the Homecoming game with West Virginia State next week.

The Montrose Award is given annually to a GSC athlete who has shown both academic skills, as well as athletic ability. The award was started in 1952 in memory of Frank Montrose, a former athlete at GSC.

Montrose entered GSC in the fall of 1939. He went out for football that year under head coach Nate Rohrbough. As the season started, Montrose looked to be a promising quarterback for the future at GSC. He never got to prove himself until the sixth game of the season. The Pioneers were losing terribly in the late minutes of the game. Coach Rohrbough thought it would be a good time to get a look at his freshman quarterback, so he put Montrose into the action. Montrose took control and led his team to four straight touchdowns and a nearly unbelievable victory!

The next week, GSC met arch-rival Fairmont State. The starting signal-caller for the Pioneers was Frank Montrose. Montrose took control again and led his Pioneers to a 27-8 win over the Falcons. A highlight of the game was a 63 yard punt return for a touchdown. It was Montrose's first college touchdown.

GSC won the next game, also under Montrose, slipping by Potomac State 7-0. The win ended the season for GSC and gave them a 5-2-1 final record.

In early 1940, Montrose was suddenly stricken with nephritis which caused him to lose his eyesight. He then dropped out of school, thus ending a short but brilliant football career. In the three games in which he appeared, he was undefeated by sometimes unbelievable odds.

On June 21, 1940, Frank Montrose finally lost. He died at his home at the age of 21.

The Student Congress of GSC initiated the annual Montrose award in 1952 in honor of this man. Joe Crislip is the twenty-eighth recipient of this award.

Crislip will be awarded the trophy

Women interested in participating in Intramural Volleyball need to see Linda Collins, Annette Haddox or Diane Bach in Pickens Hall to sign up. Team rosters are due by 4 p.m. Wednesday, Sept. 24.

Fall Golf Team Is Previewed

Coach Tim Carney has released his roster of golfers for the 1980 Fall season. Five freshmen and two returners are looking forward to participating in three tournaments this fall.

"I want to get a good look at the Freshman recruits that we have," Carney stated. "These Fall tournaments are the best way to go about it."

The Freshmen are Chris Passero, from Nitro; Randy Slabaugh, from Chippewa Lake, Ohio; Jerry Kurjian, from Westfield Center, Ohio; John Forrest, from Olean, New York; and Dean Prowse, from Cleveland, Ohio.

Dave Lamm, a Parkersburg South graduate, and Gordie DeLaat, from Ashtabula, Ohio, are the two returners from last year's squad.

On September 25, these seven golfers will travel to Canaan Valley to take part in the Davis and Elkins Invitational. On September 29, they participate in the California State (Pa.) Invitational. Finally, on October 10, the linksmen will journey to Canton to take part in the Malone College Tournament.

The tournament at Canaan Valley will prove to be exciting as Glenville, who was conference runner-up last year, will face Davis & Elkins, the returning Champs.

"D & E will be the team to beat again this year," declares Coach Carney. "They have four of five returning starters back. GSC has had six conference Championships in the 1970's. Hopefully, the '80's will be just as good if not better!"

A display will be set up in the lobby of Louis Bennett Hall for National Hunting and Fishing day on Sept. 27.

There will be brochures on hunting, trapping, and gun safety offered to the public. Bill Pitzer is in charge of the set up and the National Rifle Association is the sponsor.

Glenville Drops Opener Against Georgetown 47..6

Glenville State's Pioneer football team travelled to Georgetown, Ky. Saturday for their season debut and fell victim to a massive offensive attack as the Tigers piled up 536 total yards in recording a 47-6 defeat of the Pioneers.

GSC could only muster 62 total yards against the awesome Georgetown squad in the contest.

Georgetown jumped ahead early in the game with seven points in the first quarter. They scored 10 points in the second period, but GSC chalked up six of their own before the first half came to an end. Speedy defensive back Virgil Davis took a punt and raced 55 yards for Glenville's only score of the game. Georgetown scored 17 and 13 points in the third and fourth periods, respectively.

Linebackers Mark Shafer and Terry Kendall led the defensive attack for the Pioneers. Shafer had 7 solo tackles and 4 assists for the game. Shafer also grabbed a pass interception for the Pioneers. Kendall contributed 7 solos and 6 assists for GSC.

Roy Nurkka also had a fine showing defensively with 6 solo tackles and 1 assist. Bernie Bertus had a fumble recovery to his credit. Scott Taylor also had a pass interception.

Tomorrow the Pioneers host the Fairmont Falcons in a 7:30 p.m. contest.

Fairmont, 9-1 last year, was ranked eighth in the preseason NAIA poll among small colleges. But the Falcons also fell victim to defeat

last Saturday, losing to Wofford (S.C.) College.

"We're looking forward to Fairmont," Head Pioneer coach Frank Vincent stated. "They got blasted last week and are out for revenge. But then, so are we! We're going to be ready for them this Saturday."

Vincent went on to state that "It's not every week that we get a chance to play a nationally ranked team. I'll say one thing, we will be ready for them."

Fairmont is working with a 138 man roster. Forty-four return from last year's nationally ranked team. Players to watch will be quarterback Luc Tousignant from Quebec, a starter for the last three years; Jerome Hoes, a talented tailback who was out last season with a broken leg; and Dickie Tennant who begins his fourth year as a starter in the defensive secondary.

Runners Compete In First Invitational

The GSC Cross Country team got its season off to a good start at the California State (Pa.) Invitational meet on Sept. 13. GSC finished tenth in a field of around 20 teams, beating all of their West Virginia Conference foes in the process.

Led by sophomore Asenso Kuffour, the Pioneer Harriers placed four runners in the top 100 of the race. In comparison, last year only one GSC runner, Chris Keister, broke the top 100.

Kuffour placed 55th in a field of approximately 215, many of which were from NCAA schools. Kuffour's time for the 5.1 mile course was 29:28. Right behind him, in 57th place with a 29:30 time, was freshman Larry Taylor. Captain P. K. Coon was the third Pioneer through the finishing chute. Coon recorded a time of 29:45, good enough for 67th place. Another freshman, Steve Keenan, was GSC's fourth man with a time of 30:20 for 90th position. Rounding out the five-man scoring for GSC was sophomore Billy Belcher, who came in 138th with a 31:49. Freshman Steve Roberts placed 141st in

a time of 32:15. Chris Keister, a sophomore, finished in 32:31 for 149th position.

Coach Hilgenberg exclaimed, "We did real well considering that we ran against schools which were much bigger than us. I was pleased with the times of our first four runners." Hilgenberg also noted, "I was especially pleased with our freshmen runners." Roberts was competing in his first-ever cross country meet, while Taylor and Keenan are both in only their second year of cross country.

Hilgenberg concluded his remarks by saying that "this kind of performance at a meet of this caliber gives us optimism for the remainder of the season."

A rock-n-roll music show will be held in the Main Lounge of Pickens Hall Monday, Sept. 29 at 6 p.m. The entertainment will last for an hour and a half. Everyone is welcome and it is free. The music is sponsored by Bob Dinkler, Greg Anderson and John Walker, all RAs of Pickens Hall.

Glenville State College Sponsors Cross Country Invitational Tomorrow

For the second year, the GSC Pioneer Cross Country team will host an invitational meet, with at least ten teams participating. The meet will begin at 11:00 a.m. tomorrow near the practice football field at Pioneer Stadium.

Last year's invitational, the first annual, was held at Lake Riley in Weston. Frostburg, MD. captured the team title. Carson-Newman of Tennessee placed second, with Rio Grande of Ohio third. GSC was fourth.

There are ten schools entered this year. Following is a list of those teams: Indiana University of PA., Frostburg University of MD., Otterbein College of OH., Fairmont State College, WV., West Virginia State College, West Virginia Wesleyan,

Davis and Elkins, Concord College WV., West Virginia Tech, and host Glenville State College.

Following the start, the race, which will be 10,000 meters (6.2 miles), will follow Mineral Road to the Glenville Golf Course. Two loops will be run on the golf course, then the runners will turn back onto Mineral Road and race to the finish line in the vicinity of the practice field.

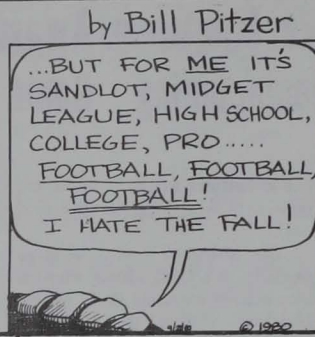

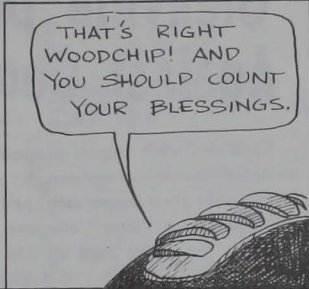

Following the race, an awards ceremony will be held. Trophies will be presented to the first three teams. Plaques will go to the first fifteen runners across the finish line.

Pioneer Coach Jim Hilgenberg emphasized that "we still need volunteers to help us out with the

course on Saturday morning." Anyone willing to give a little bit of their time in helping with various aspects of the meet should report to Pioneer Stadium at 10:00 a.m. on Saturday morning.

Also, for the GSC team to have a good chance at the team title, they need as much of the fan support as they can get. The competition, with the three out-of-state schools and six West Virginia Conference opponents, will be very tough. So, if you're staying over for the football game with Fairmont State on Saturday night and you don't have anything to do on Saturday morning, make it a point to go out and see the GSC harriers in action.
