'Broadway' Trip Slated New York City's Broadway will

be the setting for an unusual offcampus program in contemporary theater being planned by instructor Linda McKown of the Department of Speech for next Jan. 4 to Jan. 9, 1981.

Named the New York Theater Visit, the low-cost program is open to all students and faculty with an interest in theater. It requires a group of from twelve to twenty or more students, who will view Broadway plays and musicals as well as off-Broadway theater. After performances, they will talk with members of the casts about the plays.

Participants in the program will not only have the pleasure of watching some of the world's best professional theater, but be able to explore one of the world's great cities.

The visitors will see 6 plays during their New York sojourn. Half will be Broadway productions, the re-mainder will be at the smaller off-Broadway theaters which serve as Broadway stars.

The Theater Visit will start with a seminar with T. E. Kalem, theater critic for TIME magazine. Mr. Kalem will talk about the elements that critics look for in rendering a verdict about a performance. An awareness of these guideposts, Mr. Kalem bebelieves, can deepen everyone's enjoyment of play-watching.

The daytime portion of the program will consist of the group's choices from among a number of guided tours. These include tours of a theatrical costume house, and collections centered on famous people and plays. The group may also make a backstage tour of the Metropolitan Opera House, a guided tour of Lincoln Center and of the New York Shakespeare Festival's Public Theater, founded by Joseph Papp.

During its stay, the group will live at a 600-room hotel in the heart of the Broadway district. The hotel is within walking distance of all Broadway theaters and a few blocks from subways to off-Broadway theaters

Students in all academic fields are invited to join the group and to pursue their own daytime interests, if they wish.

Transportation to and from New York will be arranged through Mrs.

Students and faculty who want to learn more about the New York Theater Visit are invited to be in touch with Mrs. McKown in Room 315 of the Ad. Building. Office hours are from 1:00 to 4:00 on Tuesday and Thursday. Her extension is 214. Cost of the tour is \$228.00.

Campbell Retires

After twenty-eight years of sertraining grounds for many future vice, James H. Campbell is retiring from the general administrative staff of GSC as Director of Physical Plant.

> Mr. Campbell, whose job included the direction of the maintenance staff, and the keeping up of the campus, enjoyed his job and the people of Glenville State College. He also commented that Glenville is a wonderful place to work.

> Mr. Campbell holds a BS in Industrial Arts and Vocational Education from the West Virginia Institute

of Technology. He resides in Glenville with his wife. They have two children and seven grandchildren.

Monday, October 27, 1980

Mr. 'Campbell's future plans include the restoration of two old houses, taking it easy and not meeting any time schedules.

After twenty-eight years of excellent service, James H. Campbell will be missed by all those who have known him, and those who have known the work he has accomplished

THE GLENVILLE MERCURY

The Delta Alpha chapter of Sigma Sigma Sigma would like to welcome our new sisters to our bonds. Ann Bailey, Debby Daff, Mary Flaherty, Kelly Ford, Elaine Harvey, Cindy Hemingway, and Jennie Spencer were formally initiated into the bonds of sisterhood on Saturday, October 25 at the Trinity Methodist Church. Awards were given for the pledge class at initiation, also. They are as follows: Model Pledge-Kelly Ford; Best Scraphook-Elaine Harvey; and Sweet Violet-Mary Flaherty. We are extremely pleased to congratulate you on a job well done during your pledge period and to welcome you to our bonds, Sisters!

The Delta Alphas were honored with the presence of our National Collegiate Chairman, Mrs. Joan Wehrli, this week-end. Joan, who lives in Alexandria, Va., arrived in Glenville Friday evening and spent the weekend getting to know the chapter. On Saturday, she met with officers and chairman of the chapter. Saturday evening, we were pleased to include Joan as a guest at our initiation dinner and initiation. Also, thanks to everyone who brought things for the dinner. On Sunday morning, we all attended church at the Trinity Methodist Church before Joan left on Sunday afternoon. We would like to extend our warmest thanks to Joan for visiting us and giving us time to get to know her.

The sisters have planned to make bulletin boards for hospitals in Richwood, Clarksburg, and Parkersburg on a holiday before the semester is over. We will also be making Santa Clauses from baby food jars and filling them with gum drops for patients in area hospitals for Christmas.

The Stinker of the Week Award is passed on this week to Sisters Becky Bennett, Cheryl Cline, and Debbie Godfrey for trashing Sister Cheryl Keenan's and Sister Sue Bennet's room. The Sister of the Week Award is given to the Glenville Tri-Sigma Alumnae Chapter for all their support and love. Thank you!

AZ PLEDGES

At the last meeting of Delta Zeta Pledges, plans were made for a bake sale which will be held Monday, Oct. 27, from 10:00-2:00 in the student union. Monday night the DZ pledges will go to L.B.H. and continue the bake sale starting at 9:00. The items for sale will be in the price range of \$.25 to \$.35. On Nov. 1 the pledges will journey all over Glenville on an "Egg Beg.

Don't forget about the Baby Beautiful Contest to be held Nov. 12-14 and the 17th. Sponsor your favorite Baby Beautiful! The dance will be held Tuesday, Nov. 18, and during the dance the winner of the Baby Beautiful Contest will be announced. Plans are still in the making for an outing with the Big Sis, and we've been discussing a party for our Big Bros.

We'd like to welcome our newest pledge sister, Sheila Martin, into the bonds of sisterhood. We wish her much good luck and happiness as she begins the pledge period. We'd alsolike to thank everyone who came down to the Raggedy Ann party.

Mary Grose was elected as "Airhead of the week."

The Ladies of the White Rose held their weekly meeting at 5:30 on Wednesday evening. Plans were discussed to have another pepperoni roll sale on Wednesday, Oct. 29, from 10:00-1:30. Ladies are reminded to meet at 7:00 the night before to make the rolls.

We would like to give our welcome and warmest wishes to the new ladies. They are: Donna Burdette, Annetta Haddix, Traci Carter, Lauren Welch, Margaret Ingram, Lorrie Price, Anna McKinley and Joyce Fitzwater. Initiation will be on Nov. 20 at 5:30. We would also like to send our welcome and congratulations to Mrs. Rose Turner, who is the new advisor of the Ladies of the White Rose.

The Turkey Dinner for the Brothers and Ladies has been set for Wednesday, Nov. 19, at 5:00. The Big Sis-Lil' Brother ceremony will also be held at the dinner.

The Ohnimgohow Players will hold a slave auction, Thursday, October 30 at 12:30 in the Student Union. Slaves will be sold to the highest bidder. The actives will serve as slaves. Ohnimgohow pledges are sponsoring this event.

Letters to the Editor

Changes, changes! As students of GSC we have witnessed many positive changes that have taken place on campus until now. At this time we are being exposed to a change which has absolutely no value what so ever! I fail to see how distribution of The Mercury on Monday can help this campus in the way that it was intended, to inform students of the week's events.

In past years The Mercury has been distributed on Fridays and reached the majority of students. If they did not pick up a paper on Friday, I'm sure that they did when classes resumed on Monday. Why bother to pick up a paper now? All we get is outdated sports and greek news which holds no significance once stale.

Surely there is another solution! I would like to suggest that the Student Affairs Office send The Mercury a weekly calendar of events for publication for the week following: Friday distribution. If students are concerned about weekly activities they will more than likely clip this calendar for personal use. Let's please have a paper on Friday so we can be informed of current events. Changes-are they worth it?

200000000000

In reference to the Monday edition of the Mercury, I would like to register a few complaints. (1) The news is outdated. What is the use of reading news that is almost two weeks old? (2) There is no schedule of what is happening during the weekend or the week following the publication of the Mercury. (3) I do not feel that the Monday publication of the Mercury reaches as many students as the Friday publication did.

> Thank you, **Jill McCartney**

C.C.

This letter is in reference to the Monday delivery of the Mercury. The paper reaches far less people when it is distributed on Monday, and many of the items are outdated. I and many others feel the paper will better serve the students' interest with Friday delivery.

DE PHONE!

WHY DON'T YOU

The C & P Telephone Company is no exception. They have come up with the exclusive 'Dial-it Services.' You can use these services to get a good laugh, a good tip or good advice (or so the advertisement states). A total of eight services is offered.

A sports phone is the first one offered. You can get the latest news, scores and interviews in sports. The number is (212) 976-1313.

The next service offered is a supplemental sports phone line (what a mouthful). You can call the number (212) 976-2525 and get seasonal information on all current sports.

For all of you ace investors, you can call the Dow Jones Report and get the latest financial news. You get stock quotes all day and commodities three times daily. That number is (212) 976-4141. For all you conceited devils who need an ego boost, you can call

(212) 976-2626 and get the Good Looks line. You get beauty tips from the experts.

If you are in need of a psychologist, you can call (212) 976-4444 and get Dr. Joyce Brothers (naturally, this service is called DialDr. Brothers). You then get daily advice and an update on current social issues.

When you are depressed or need to put a smile on your face, you can call Dial-a-joke at (212) 976-3838 and get jokes from the best comics of today.

When your little sibling or your brother or sister is begging for a story, you can call Children's Story at (212) 976-3636 and get a story or fable and news just for the little tots. Also, you can even get excerpts from classics but no, you of college age cannot get any info for your college term paper.

Finally, at (609) 976-0711, you can get the Atlantic City Report and get the scoop on the latest resort news for all of your vacations. You get a rundown on entertainment, hotel accommodations, weather, crowd conditions and other activities.

Hopefully, some of you may find a use for these numbers. Naturally, this editor has called the Dial-a-joke and Dial Dr. Brothers. (Of course, both were just testers.)

So, the next time you are lonely, just pick up the telephone and start calling, courtesy of C & P. Becky Triplett, Editor-in-Chief

-Campus Events Need Ok'd

All organizations are required to complete an application for off-campus events. The member in charge should fill out the type of event, place, time and should obtain the organization's president, advisor, or chaperone's signature. The application must be turned in to the secretary at the Office of Student Affairs one week prior to the Tuesday hearings. The next step consists of two members to attend the hearing on Tuesday at 3:00 p.m. in Dean Vaughn's office. An approval must be obtained

Grant Awarded To Foundations

The Division of Foundation Studies at Glenville State College has been awarded a grant in the amount of \$18,500 under the provisions of the Vocational Education Amendments of P. L. 94-482. The project is designed to provide for those vocational/technical students, who demonstrate a need for basic skills instruction, an opportunity to correct these deficiencies in a manner that will correlate in time and content with the specific vocational/technical courses. The emphasis of this project directed toward those students who are currently enrolled in the Social Service Technology program.

Throughout this 1980-81 project period, members of the faculty in the Division of Foundation Studies and the Department of Social Work will be involved in planning and developing basic skills learning activities that will be integrated into the curricula of the Social Service Technology Program. In the future, it is hoped to incorporate programspecific basic skills learning activities into other vocational/technical programs at Glenville State College.

five days prior to the event. The approval notification will be placed in the advisor's mailbox. The event is approved and sent to President Simmons for his approval.

This procedure must be followed with only the following exceptions: 1) Functions at sorority or fraternity houses may be filed on regular oncampus applications. The houses are considered campus "en locus quo." 2) Car washes and bake sales down town. (Weather factors cannot be controlled and these are money raising events.)

3) Charitable functions or solicitations. (You may collect for Heart Fund, etc.; and, may have an Easter Egg Hunt for children etc. without filing an off-campus form.)

4) Spontaneous gatherings such as a sleigh ride gathering when snow arrives.

NIC Enforces Hazing Policy

The National Interfraternity Conference has released that the 52 member organization has approved a statement against hazing. The fraternities on campus, which are Lambda Chi Alpha, Tau Kappa Epsilon and Theta Xi, are members of the National Interfraternity Conference.

The resolution against hazing states the conference fully expects each fraternity to take appropriate action to follow the rules set by the legislation. As a further step, the conference has established a monitoring committee to note the incidence of hazing activities.

The NIC is a federation of 52 fraternities with about 4,800 chapters at approximately 650 colleges and universities in the United States and Canada.

All organizations are urged to contact the yearbook office (306) AB) to make appointments for group pictures to be used in the 1980-81 Kanawhachen.

Wesleyan To Offer Italian Tour Course

W. Va. Wesleyan College will be offering a college level history course, and a vacation holiday, with an Italian excursion, for three weeks in January of 1981. The tour group will leave New York City on January 5 via Alitalia airlines, and will spend twenty days touring Italy, before returning to the United States on Jan. 24. The cost for this trip is \$1,368 per person. This includes round-trip transportation accommodations, continental breakfast and dinner daily, as well as sightseeing.

"Italy, a Western Cultural Ex-perience," offers college credit from W. Va. Weslevan College. There is an additional charge of \$20 to cover application and Special Student Fees. Students must develop a theme on a subject of their choice within the areas of art, history, and the humanities. There will be assigned reading and a journal of experiences in Italy. Upon returning to the U.S., the student will complete a paper about their experience and research.

Interested students are asked to contact David F. Sharpe, Dept. of History, W. Va. Wesleyan College, Buckhannon, WV., 26201. The phone number is (304) 473-8028. There is a December 1, 1980 deadline on registering for this course.

Students, their family, or friends who wish to join the tour, but do not desire college credit, can contact Professor Sharpe or CVTS International, 113 East Mall Plaza, Pittsburgh, PA., 15106. That phone number is (412) 923-1318.

World Hunger Needs Help

Any organization on campus needing a project may take on the challenge of world hunger. The Presidential Commission on World Hunger has issued a pamphlet concerning projects that will help ease the problem.

Student Congress urges any group or organization to take up some of the ideas. The pamphlet, "World Hunger, Everybody's Problem, Everybody's Challenge" is available in the Student Congress Office.

Some of the suggestions in the

pamphlet include: forming a group for study and action; finding out what resources are available in the library, and ideas to end world hunget; asking that programs on world hunger be included in the school's professional meetings as well as the curriculum; and working with civic organizations in the community.

For more information and suggestions for possible projects, people are asked to contact the Student Affairs Office.

Glenville State College has been invited to participate in this year's competition, which has already attracted over 50 new schools. If enough people are interested in forming a team, GSC may participate

in the Region 4 competition. There are many advantages to GSC joining Region 4 of the College Bowl. The College Bow. is played on intramural, regional, state, national and international level Radio and maybe television appearances would be made, and scholarships are awarded to schools across the nation.

GSC would be competing against such Region 4 members as Marshall University and the University of Charleston. The Regional Tournament will be held at the University of Maryland, February 6 and 7, 1981. The University of Maryland is the reigning Region 4 champion and is also ranked third in the nation.

All students interested in beginning a varsity scholars College Bowl team should sign up in the Student Affairs Office.

Literary Magazine Organizes

If you have a knack for writing illustrations and drawings for the stories and poems or doing a little artistice work, now's your chance to exploit these talents.

Mrs. Martha Keating, advisor of the Trillium, which is a literary magazine featuring the works of GSC students, held its first meeting last Tuesday in Room 305 of the Ad building at 3:00 p.m.

The purpose of the meeting was to elect officers and set the deadline for submissions. Deadline for submissions is January 31, 1981. All submissions will be accepted from now until the deadline.

Mary Hughes was selected as Editor of the Trillum. Working closely with her will be the Editorial Board which reads the stories and poems and selects those for publication. Members of Board are Carron Smith, Raeleen McMillion, Madaline Crowder, Harry Harpold and Dollie Woodell.

Art Editor is Scott Wiegel. Members of the Art Board are Mark Gue and Gary Looney. Positions are still open for the Art Board. The Art final competition were students from Board will be responsible for selecting

Crash Witnessed

Mr. James Rogers, art instructor, witnessed the outcome of a crash landing early Wednesday morning in room 309 of the Administration Building. The result of the crash was not debris from an airplane but from a dead grouse hen.

At about 7:50 a.m. the grouse hen came crashing through the window in the Art Department scattering glass from one end of the room to the other, leaving a 14" by 26" hole in the window. "It made one hell-of-a-crash!" expressed Mr. Rogers. "It sounded like one of the overhead lights had fallen."

After noticing the broken window, Mr. Rogers said he started looking around the room for a ball or stone which could have been thrown through the window, but approximately 30 feet from the window he found the grouse hen lying by the kiln.

According to Mr. Rogers, some of his art students were threatening to eat the grouse hen, and wanting to use the bird's feathers for hats. It was decided that the grouse would be taken to a GSC graduate, who, being a taxidermist, will add the grouse to his collection of birds.

Results of the American Presidency class election poll were announced by Dr. Darnall. The results were:

WV Governor-Rockefeller-122 (35.9%); Moore-166 (48.8%); Kelley-3 (.09%).

President--Carter-137 (40.3%); Reagan-44 (27.6%); Anderson-39 (11.5%).

Harriers See Action

In their last meet of the season before the West Virginia Conference meet, the GSC cross country team went to Oak Hill on Oct. 21 for a dual meet with the West Virginia Tech Golden Bears. The Pioneer runners came away with a nearperfect team score of 17 points to win by a 17-38 margin.

The GSC Harriers took the top four places and a seventh place to account for the final team score. Sophomore Asenso Kuffour led the runners over the five-mile course, finishing in 25:31. Freshman Larry Taylor was a step behind in 25:32. Following those two were sophomore Billy Belcher and Junior P.K. Coon. Belcher clocked in at 26:33, and Coon finished fourth in 26:44. Glenville's fifth and final scoring runner was freshman Steve Roberts, who placed seventh with a time of 28:46. Also finishing for GSC were Craig Bock and June Casto. Bock crossed the line in 34:45 while Casto finished in a strong 36:22. Another GSC student, Pat Godfrey, ran unattached and completed the course in 30:04.

This meet was the final one for GSC until the WVC meet, which will be staged at the Sandy Brae Golf Course on Nov. 7. The Pioneers will enter the WVC meet with a 16-0 conference record, with West Liberty expected to be their toughest connetition for the conference crown

Thornton scored first in the game and Salem led 7-0

The Pioneers came right back with quarterback Ed Huffman scampering Belcher, a business major, stated, Weight Lifting quarterback Ed Hultman scampering nine yards for a six pointer. Reno Gandee kicked the extra point and the score stood at 7-7.

> after that. Steve Kirby scored on a three yard run, Thornton broke free on a 65 yard jaunt, Kirby scored with a six strip run, and Larry Deliwiche intercepted a pass on his own one yard line and went the Salem led 35-7.

> Glenville came back out into the fog in the second half and scored on David Boggess's run of seven yards. Gandee's PAT was good and the score was 35-14.

> But once again Salem came back and scored behind Thornton. Thornton went 23 yards to give the Tigers their sixth TD of the tilt. Bob Grasty added one final score in the fourth quarter on a 71 yard scamper.

Pioneers Fall To Salem , 49-21

If anyone saw the motion picture "The Fog" they must have thought they were seeing it again last Saturday when Salem came to town to play Glenville State, Glenville handed the Tigers eight turnovers enabling them to score a 49-21 victory in a very foggy Pioneer stadium.

Salem's Greg Thornton was the star of the game as he rushed for 172 yards on 19 carries and three touchdowns. Salem accumulated a total of 471 net yards for the game while GSC

with a 3 yard run in the first period. The point after touchdown was good

A Herbert Hoover product, Belcher finished 13th in last year's conference meet, despite being injured. He started his running career as a hurdler and sprinter in his freshman year of high school. When he turned to distance running, he claimed a couple of regional titles

before graduating. This season, he has turned in several strong performances for the GSC squad. Belcher, a business major, stated, and the team have run so far. We're all looking forward to doing well in the conference championship. We need more school support, though. There isn't enough school spirit behind us '

Netters Split In Triangular

The GSC women's volley ball team travelled to Montgomery on Oct. 20 to participate in a triangular match involving themselves, the University of Charleston and the host West Virginia Tech team. The Lady Pioneers gained a split by defeating Tech before falling to UC.

Glenville swept Tech, taking the first two games in the two-out-ofthree match. GSC captured the initial game by a 15-13 margin. The score of the second game was GSC 15. Tech 11. By winning, Glenville advanced to the final match against UC

The Lady Pioneers triumphed in the first contest with UC by a score of 15-13. The Charleston team rallied in the second outing for a tight 17-15 win. Finally, in the third and deciding game, UC coasted to a 15-3 win to claim the match.

The Glenville women, coached by Kay Chico, who stated that the competition in the Tech match was good, were to have played their next match at Fairmont State College on Oct. 23.
