U.S. News and World Report editor, Marvin L. Stone

## Marvin Stone Chosen 81 Commencement Speaker

Marvin L. Stone, editor of *U.S. News & World Report*, has been chosen as the 1981 commencement speaker for Glenville State College. Mr. Stone's 35 years in journalism have spanned every possible phase of news gathering, from daily newspapers, wire service, to news magazines. His career began in 1942 as a police reporter for the *Huntington Herald-Dispatch* of West Virginia. Since that time, Mr. Stone has filed dispatches from 35 countries, interviewed scores of world leaders, covered four wars, and reported from major international conferences.

After being named editor of the *U.S. News & World Report*, Mr. Stone modernized the format of the magazine, added new features, and it became the first national publication to generate its entire content via computer, a major breakthrough in publishing methods.

Marvin Stone joined *U.S. News & World Report* in 1960 as a Pentagon correspondent, moving up shortly thereafter to associate editor of military and scientific affairs. He later assumed general editor responsibilities, including national security affairs. His activities in this

post included traveling with Presidents Kennedy, Johnson and Nixon, witnessing many space shots, and on the spot war corresponding in Vietnam. In February of 1973 he became Executive Director handling the magazine's full spectrum of national and world news coverage. Mr. Stone was one of the four distinguished journalists chosen to question the presidential candidates in the Carter-Reagan televised debates in October 1980.

Marvin Stone is a Vermont native and attended Marshall University and Columbia Graduate School of Journalism, where he won a Pulitzer Traveling Fellowship. He is past president of the Foreign Correspondents' Club of Japan and the Columbia Journalism Alumni (Region South). Mr. Stone is a member of Cosmos, International, and National Press Clubs, a member of Sigma Delta Chi and is active as a trustee. The Washington Opera, and Director of the U.S. Navy Memorial Foundation.

Mr. Stone and his wife, Sydel, have one son, Torren, at home and two daughters, Mrs. Stacey Goodrich in Florida, and Mrs. Jarle Kelly of Maine.

## Farley Selected PCC Speaker

The Honorable Mr. George E. Farley of Parkersburg has been chosen as Glenville State College/Parkersburg Community College commencement speaker.

Mr. Farley, member of the West Virginia House of Delegates, reelected in 1981, is a native of Ritchie County, attended Wood County Schools and West Virginia Wesleyan College.

He has served as vice chairman of Finance Committee and on State and Federal Affairs Committee. He

is a member of the Parkersburg Charter Board, a Baptist, an insurance representative, Life Underwriters; W.Va. State Committee; a member of YMCA, National Association of Mental Health; Western District Citizens for Mental Health, and served on the Board of Directors for the Miss West Virginia Scholarship Pageant. Farley is a veteran of the U.S. Navy, and Korean War. He is married to Jean Dye of Parkersburg and they have two children, Brenda and Lynda. (cont. on p. 7)

## Editor Reviews Past Year

The clock slowly grinds down, and school is almost over. Another year of learning, of sharing, of friendship, and of caring has slipped past once again. For the graduating seniors, the past year has been a pivotal one; they leave after four years and begin that first step out into the '9 to 5' world to start their future. For the rest of the underclassmen, it has been another year of scholastic learning with more to come in the future. For the faculty, the staff, and the administration, it has been a year of instructing, of giving, and of caring. All in all, the year here at GSC has been a good one.

The year has seen us brave the winter and enjoy the autumn and now the spring. The problems have been outweighed by the good times, and good friendship has conquered the boredom. In the autumn, we watched our Pioneers go 1-8-1 for the season. In the coldness of the winter, the basketball teams (both men and women) warmed our hearts with records of 13-14 and 15-3 respectively, and this spring we enjoyed watching the track teams, the tennis team, the golf team, and the baseball team. In between these times, we all were given the chance to participate in intramural sports, GSC Field Day, field trips, charity fund raising events, the plays, and so on.

Summer is upon us and it's time to prepare for another year by getting jobs and by letting the memories sustain us till we all meet again. Some of us may not feel anything special about this year, but sit down and think about it for a while. You'll remember the draft scare, the hostages, the assassination attempt, registration lines, the cafeteria food, dorm life, friends and the caring that helped smooth the road. Who could forget all this?

As was mentioned before, the time draws near and everyone prepares for the end in a different way. Prepare for the summer and the future. Take care and have a happy and safe vacation. For the seniors, have a happy graduation, good luck in the future and do not forget the 'friendly campus.'

## SC Plans For Fall Semester

The members of the 1981-82 Student Congress have chosen a theme for Homecoming, planned for the weekend of October 3rd. The theme for next year is "Circus." Organizations are to be planning floats, banners and other activities that will coincide with the theme.

Other business discussed at the last meeting of congress included electing president Dena Dunlap to represent the students on the GSC Board of Advisors to the Board of Regents.

Students, faculty and administration are asked to make any suggestions needed to any congress member. Congress is making plans for the activities for the upcoming year.

E.G. Marshall narrates the film "Frank Lloyd Wright's 'Falling-water'" for the person who would like to preview an inviting vacation spot. It is a 24-minute color tour of the breathtaking summer home designed by the father of modern architecture, F.L. Wright. Mr. Wright sought to bring the beauty of all natural things into the great buildings he created.

If the film whets your appetite, you may personally visit Falling-water. It's located approximately 3½ hours from Glenville between Uniontown and Connellsville, PA.

To view this film (270), drop by the Media Center. You're welcome any time during Media Center office hours: 8 a.m. - 5 p.m. Monday through Thursday; 8 a.m. - 4 p.m. on Friday; and evening hours, 6 p.m. - 8 p.m. Monday through Thursday.

A reception will be held in the ballroom following graduation exercises. Graduates and their guests are invited to attend.

## Greeks End School Year

ΣΣΣ

The Delta Alpha chapter of Sigma Sigma Sigma Sorority held a grub meeting in the main lounge. The main discussion was about the house. Congratulations to all the Outstanding Women. Stinker of the Week was Debby Daff, so she could get her name in the paper. Sisters of the Week are the whole sorority, for being such great sisters. We wish everyone good luck on their finals and hope everyone has a great summer.

OD

The Order of Diana initiated its pledges in a special ceremony held on Thursday, April 30. Congratulations girls and welcome to the auxiliary.

We hope all of our TKE brothers and everyone else has an enjoyable summer. Good luck during finals week.

ΔΖ

Delta Zeta's had their annual Closed Ball this weekend at Lake Riley resort in Weston. The dance was held on Saturday night from 9 p.m. to 1 p.m. Thanks to John Huxley and Stan Cleavenger for being DJ's. A cookout was held on Sunday afternoon to wrap up the weekend.

Senior Ceremony was held on Sunday evening. Congratulations to all Delta Zeta sisters! We will miss you.

Good luck to everyone during finals week. We would also like to wish everyone a happy summer.

A special congratulations and best of luck is extended to sisters Andrea Lipscomb, Brenda Gray, and Donna Burdette on their proposed summer weddings.

Don't forget retreat on July 10, 11, and 12.

## Tennis Team Responds

*In response to the letter written last week in which the tennis coach was harshly criticized for not fitting the mold of a true coach. As members of the tennis team we feel this writer is out of line.*

*The coach has proven his interest in the sport although admitting his lack of knowledge of the game.*

*As participants of this years team, we have fun while competing with a winning attitude and that's what sports are all about. Under the coaches guidance and supervision these qualities are present.*

*We would like to express our appreciation for the efforts made by this years coach. We feel he has represented GSC in a positive manner and we are looking forward to working with him next year.*

## Note Concerning Intramurals

I would like to thank everyone this year who helped make womens intramurals a success; the players, officials, bookkeepers, umpires, observers, and anyone else who contributed their time and efforts. Both the basketball and softball intramurals were quite successful and alot of fun. Also, congratulations to the winners.

Thanks again,  
Annetta Haddox

## Take Advice, Think Twice

Students at GSC find it amusing to visit the so-called night spots in Glenville and to buy and consume alcoholic beverages to the point (and sometimes beyond the point) of intoxication. Some may only frequent such places once a week while others may consume the beverage by product every day. Everyone needs something to help them unwind, to forget their problems for a while, but some students at GSC carry this a little too far.

Do you realize that alcohol is like any other habit forming vice? You can become hooked on alcohol just like you can drugs and/or cigarettes or anything else. It can turn into an ugly, socially unacceptable habit that can destroy your own life and possibly someone else's. The scary statistics have been repeated over and over again and so has the gist of this article, but making one person stop and re-evaluate their drinking habits may be worth it.

Although this article preaches from the first word, it is sad to see the state some students get in after drinking all night. Their problems do not mysteriously go away, nor are solutions found for them, so in reality a student is merely postponing dealing with the problem. Hopefully, some people merely indulge now and then, but every night or every week becomes a problem, a problem to some that may become unstoppable.

So, before you go downtown the next time or before you have an inkling of getting plastered, just for fun's sake, remember these sections of Robert Service's poem entitled "The Reckoning."

It's great to go out every night on fun or pleasure bent;  
To wear your glad rags always and to never save a cent;  
To drift along regardless, have a good time every trip;  
To hit the high spots sometimes, to let your chances slip;  
To know you're acting foolish, yet to go on fooling still,  
Till nature calls a show-down, and you pay the bill.

Time has got a little bill - get wise while yet you may,  
For the debit side's increasing in a most alarming way;  
The things you had no right to do, the things you should have done,  
They're all put down; it's up to you to pay for every one.  
So eat, drink and be merry, have a good time if you will  
But God help you when the time comes, and you foot the bill.

## GSC Participates In Nationals

The GSC Forensic Team travelled to Western Kentucky at Bowling Green where they competed in the National Forensic Tournament. Out of seven rounds of competition, GSC advanced to the fifth round. The team was eliminated by the eventual National Champs, Eastern Michigan University.

Gathering sweepstakes points were Jennifer Chisler with 29, Raeleen McMillion with 22, Fran Davis with 21, Aaron Eubanks with 12 and Cindy Stewart with 10. The total number of points for the team was 94. This was Raeleen's, Aaron's and Cindy's first year of competition.

The following statement by Bobbi Nicholson, Forensic Coach, sums up the whole year, "It's been a successful year for us. I

think any time a school the size of Glenville can advance to a national tournament, it's been successful. There were major colleges and universities there - University of Wisconsin, University of North Carolina, California State at LA, West Texas University, Ohio State, Vanderbilt, University of Virginia, and about a hundred others. Agreed, some of them were as small as we are - but I doubt that there were any smaller, and we went to the fifth round with the best of them. I'm very proud of this team - they're only two years old on the college circuit - and they've represented GSC for two years at the national tournament. I'd call that successful, wouldn't you?"

## Orr Awarded Fellowship Grant

Christopher Orr, Associate Professor of English, Glenville State College, has been awarded a Fellowship Grant by the Humanities Foundation of West Virginia. Competition was open to all West Virginia college teachers in the humanities, with only six grants awarded in 1981.

The purpose of the grant is to assist Orr in his advanced study in the field of film art.

Orr has studied film at the University of Iowa and Ohio University. In 1981 he chaired the panel on Film Literature at the Ohio University Film Conference.

Orr is a member of the editorial board of *Wide Angle*. *Wide Angle* is a quarterly journal of theory, criticism, and practice in the field

of film/culture. He has published in *Film Criticism*, *Wide Angle*, and the Proceedings of the Fifth Annual Conference on Film.

The topic of Dr. Orr's study is Bernardo Bertolucci and the Contemporary Italian Cinema. Orr plans to do an extensive analysis of Bertolucci's 1969 film, "Before the Revolution." Central to the project will be an examination of the film within the context of Bertolucci's later works and also within the context of post-war Italian cinema.

Orr's analysis of "Before the Revolution" will include a description of such elements as shot composition, camera distance and angle, duration of shots, and sound track.

## William Pitzer Presents Art Work

Mr. William H. Pitzer, Jr., Senior art major at Glenville State College, has presented one of his works, "Downtown Glenville," as a gift to the Robert F. Kidd Library. The painting depicts in an abstract form a typical day along Glenville's Main Street - utilizing vivid oil colors on a masonite panel.

In accepting the gift, Dr. David Gillespie, Library Director, states, "I am pleased to accept this painting on behalf of the Library. While we have all enjoyed Mr. Pitzer's

work on dozens of class schedules, posters, and Mercury cartoons, all which are before our eyes for a limited time, the presentation of this painting will offer enjoyment to library patrons for many years to come. His generosity is indicative of the many hours which Bill has devoted in service to the College."

The painting was completed in 1980 and will be hung in a section of the library stack area on the second floor.

## Staff Holds Annual Dinner

The Mercury staff held their annual dinner at the Point of View Restaurant in Parkersburg on May 7, 1981.

Mr. H. Y. Clark, retired professor of Elementary education and supervisor of student teaching at Glenville State College is this year's Honoree.

Following the dinner, Mrs. King presented various journalism awards to members of the Mercury staff. After the hectic pace of chasing stories, meeting deadlines, and getting the paper ready for printing with too few personnel, it was a time for unwinding and relaxing.

The Mercury regrets two errors in last week's paper. Summersville Award should have been presented to Christine Lockhart and Dean Vaughn is an Associate Dean of Student Affairs.

## Crissman Awarded Appalachian Fellowship

Dr. James Crissman has been awarded a summer Appalachian Studies Fellowship at the University of Kentucky at Lexington. The \$2600 fellowship is made possible through a grant from the Andrew W. Mellon Foundation of New York.

Crissman will be researching the changing attitudes and practices of death and dying in central Appalachia. The study will consist of extensive research and personal inter-

viewing. The two-month study will end in several published articles for Crissman. He has researched the changing attitudes of southwestern Virginians and West Virginians.

An assistant professor of sociology at Glenville State College, Crissman hopes to publish a book entitled *Changing Attitudes and Practices of Death and Dying in Central Appalachia*.

Graduating Cum Laude are Sandra Jean Duskey, Nancy Sue Workman and Jane Meredith Palazzolo.

It's the end of the school year at Glenville State College and it's that time when awards are given out and banquets are held. And so as a grand finale to my illustrious column, I feel it my responsibility to hand out the awards in athletics at Glenville State College.

We've experienced many wonderful moments at GSC in the world of sports over the last nine months. Our football team almost beat Fairmont, something we haven't been too close to in years. I think the biggest advantage to our football team is the optimism that surrounds the future of the sport. I wholeheartedly believe that Coach Vincent is the man we need to turn the program around. Don't be surprised if GSC wins six or seven games next year. I won't be.

Cross Country earned respect last fall. Larry Taylor and crew were undefeated in regular season and Mr. Taylor won the WVC race. Basketball was great this year. Both men's and women's teams placed in tournament action and we had two players named to the All-WVC teams.

The spring sports were just as exciting. The baseball team won more home games and some were pretty suspenseful. The track teams won their share of events. Ed Huffman won the WVC trackman of the year. Tennis also had excitement. What better way to soak up the rays and enjoy yourself?

I've comprised my list of awards for GSC sports and am now prepared to reveal the recipients. So without further ado, here we go:

**BEST NEW COACH OF THE YEAR** - I give this to two coaches: Frank Vincent and Gary Nottingham. This was a hard decision because I had so many to choose from.

**FEMALE COACH OF THE YEAR** - Once again I have to pick two because of a large amount of selections. The winners are Sandra Piercy and Kay Chico.

**MOST CONSISTENT TEAM OF THE YEAR** - This award goes to the TKE fraternity for winning the Commodore Bowl for the third year in a row. Can they do it again? Not even the Pittsburgh Steelers can win four Super Bowls in a row.

**THE "ALMOST" TEAM OF THE YEAR** - This belongs to Coach Carney and his golf team. For the second year in a row, the golfers have "almost" won the WVC tournament, getting defeated by Davis & Elkins both times.

**THE "SPORTS PAGE" AWARD** - Ed Huffman wins this award for being mentioned in my sports page for more issues than anyone else. Nice job, Ed.

**THE "BOSTON MARATHON" AWARD** - This goes to Larry Taylor for his performance in the WVC tournament. Larry won first place as he crossed the finish line long before anyone else. Larry and roommate P.K. Coon, captain of the team, live beside me on the top floor of Louis Bennett Hall. That's how they got so good. The elevator doesn't work.

**THE "HOP DOWN THE COURT AND MAKE A BASKET" AWARD** - This award goes to the Lady-Pioneer, Bunny Taylor. Bunny was an all-conference selection for Coach Carney's basketball team. She led the team to a second place finish in the WVC.

**THE "SHOOT THE BALL INTO THE BASKET" AWARD** - This goes to Don Bullett, an all-conference selection for the men's basketball team. Number 40 rifled in his one-thousandth career point this season as a GSC Pioneer roundballer.

**THE "YOU GOTTA LOVE IT" AWARD** - The football team wins this award. Any bunch of guys who get together in the spring and go through what they go through for fifteen days can't be ignored. Keep up the good work, fellas.

**THE "THIRD TIME'S THE CHARM" AWARD** - This goes to Kevin Johnson, a member of the baseball team. Kevin hit a game-winning home run in the last inning to give GSC their first victory of the season after he had struck out twice before.

## Pioneer Tracksters Win Fourth In Tourney

West Virginia State College amassed 189 points to 106.6 for its nearest competition to capture the West Virginia Intercollegiate Athletic Conference Track and Field Championship, which was held this past weekend at Glenville State College. Second to State was last year's champion, West Virginia Wesleyan. Third position went to Fairmont State with 101.3 points, while GSC duplicated its finish of last year by placing fourth with a total of 73 points. Fifth through seventh went to West Liberty (43), Salem (37) and West Virginia Tech (6).

Tyrone Smith scored 29 points to earn the high point trophy for the two-day meet. The West Virginia State athlete won both the javelin and the triple jump, placed second in the long jump, and earned sixth in the 400 meters. State also had a couple of other high points. Jerry Early of WVSC set a Pioneer Stadium and WVIAC record in the 800 meters in 1:57.8, one of only two records set during the meet. Also, State's Coach Mike Smith was awarded the WVIAC Coach of the Year honor.

GSC has two individuals turning in outstanding performances over the course of the meet. Herbert Hoover graduate Eddie Huffman was voted the conference's Trackman of the Year for 1981 by the coaches. Huffman's sterling running included first-place finishes in the 200 and 400 meter dashes and anchor leg of the third-place 4x400 meter relay. Huffman, who will return to GSC next year, ran the 200 meters, an event he ran sparingly this season, in 22.48 seconds for the victory. His winning time in the 400 meters was 49.32 seconds. Huffman, due to running the 200

meters only a few minutes before, failed to place in an event in which he was the clear-cut favorite, the 400 meter intermediate hurdles.

The Pioneers' only other All-Conference performer is freshman distance runner Larry Taylor of St. Marys. Taylor won one event and gained second in two others to score 26 points. Running in the 10,000 meters for the first time on the track, Taylor won the 6.2 mile event in 33:26.5. He placed second in both the 5,000 meters (15:34) and the 1500 meters (4:10.6).

Other GSC members turning in good performances were the following: Mark Price - third in the 800 meters in 1:59; the third-place 4x400 relay team of Huffman, Scott Pottmeyer, Ray Loughry and Greg Anderson; Bill Belcher - fifth in both the 5,000 meters (15:51) and the 10,000 meters (34:18.7), and sixth in the 1500 meters (4:22); P.K. Coon - fourth in the 1500 (4:13) and sixth in the 10,000 (34:52); Loughry - fifth in the 800

(2:01.4); Anderson - sixth in the 800 (2:02.5); and John Irwin - sixth in both the 110 high hurdles (16.15) and the 400 intermediate hurdles (1:02).

Also participating for GSC but not scoring were: Rick Murray and Dave Husk in the javelin and discus; Craig Worl in the discus; Steve Roberts in the 1500, 5000 and 10,000; Steve Keenan and Craig Bock in the 5000 and 10,000; Virgil Davis and Gerald Miller in the 100 and 200 meters.

Coach Jerry Milliken remarked on his team, "We did pretty well. The good thing about this season is that we gained valuable experience for next year. Also, we'll only lose one person (Irwin), so we'll be in good shape."

Milliken went on to commend all of those who helped make the meet a success. He stated, "Meet Director Jim Hamrick wanted me to convey his thanks to all helpers for a job well-done. Again, thanks to everyone!"

Listed below are the season statistics for the GSC baseball team's starting nine:

|                 | AB  | H   | 2  | 3 | B | HR | AVE  |
|-----------------|-----|-----|----|---|---|----|------|

## Tennis Team to Play in Tournament

The West Virginia Conference tennis championships, a four-day affair, will be the GSC Pioneers' last competition of the year. The WVC tourney, with 11 teams participating, was to have begun Thursday, May 7, and continued through Sunday, May 10.

The tournament's no. 1 seeded team is West Liberty State College. Three other tough teams, the University of Charleston, Concord and West Virginia Wesleyan, will battle it out with West Liberty for the team title and the chance to advance to the nationals in Kansas City. Other teams entered are GSC, West Virginia State, Wheeling, Alderson-Broadus, Shepherd, West Virginia Tech and Fairmont.

In the couple weeks prior to the WVC match, GSC dropped three matches to end the regular season at 2-7. In a triangular at Fairmont, the Pioneers fell to both FSC and Wheeling. Fairmont won by an 8-1 count, with GSC's no. 5 man, Bill Welch, taking his singles match, 6-4, 6-2, for his team's lone victory. The Wheeling match was much closer, with the final tally at 6-3. No. 6 singles player Jeff Borah won, 7-5, 6-2, as did the no. 1 doubles team of Dave Clites and Bob Baker (6-3, 6-3), and the no. 2 duo of Todd Killen and Bill Welch (6-1, 6-3). The GSC netters' next outing was a close 5-4 loss to A-B. GSC winners were Randy Anderson at no. 4 singles, Bill Welch at no. 5 singles, Anderson and Clites

at no. 1 doubles, and Borah and Baker at no. 2 doubles.

Going into WVC play, no. 4 man Randy Anderson had the best record for the Pioneers at 6-2. Anderson, who Coach Gary Nottingham feels has the best chance of any of the Pioneers' to place, teamed up with no. 1 singles man Dave Clites for a 4-3 mark at no. 1 doubles. Clites had a 2-8 season mark, no. 2 Todd Killen was 0-6, no. 3 Bob Baker, the only senior, was 2-5, no. 5 Bill Welch was 3-7, and no. 6 Jeff Borah was 1-6. Also, Happy Joe Parsons was 1-2, Jim Jones 1-2, Keith Hite 1-0 and Greg Martin 0-2. In doubles, besides the Clites-Anderson duo, Killen and Welch went 3-5 and Borah-Baker 2-4.

## Golfers Take Second In WV Conference

Davis and Elkins came on strong in the final two days of play to cop their second straight WVIAC golf tournament at Cacapon State Park.

Glenville State College led by one stroke after the first day of action but D-E outdid the Pioneers by 18 strokes in the second day to ice the win. Davis and Elkins finished the tournament with a 960 total followed by GSC with 979.

Rounding out the remaining teams were West Virginia State with 1035, Fairmont State College with 1040, West Virginia Tech with 1056, Shepherd with 1071, Bluefield State College with 1072, and West Liberty with 1080.

Glenville had two players named to the All-West Virginia Conference team. They were Randy Slabaugh and Jerry Kurjian. Slabaugh shot a 83-85-80 = 240 and Kurjian 77-

85-80 = 242 for the three day event. They joined Ric Phillips, of Bluefield for All-WVC honors. Phillips won Player of the Year for the third year in a row as he copped medalist honors.

Other GSC players included Gordie Delaat, who shot 91-91-77 = 249, John Forrest with a 83-84-86 = 253, and Dave Lamm with 81-83-88 = 252.

## Baseball Team Ends Season With Losses to D-E and FSC

Glenville State College's baseball team ended their 1981 season on a distressing note as they lost their last four games.

On Sunday, the Pioneers hosted the defending West Virginia Conference Champions, Davis and Elkins. D & E played like champions as they defeated GSC 8-1 and 5-1. The stiff D & E pitchers left the Pioneer batters idle as they gave up seven GSC hits in both games. In the first game D & E scored six runs in the third inning and held off Glenville for five scoreless innings to grab the win. Bob Davis went 2-3 on the season as he pitched the entire game and was tabbed with the loss. He struck out four batters.

In the second game, D & E grabbed an early lead and built it up until the seventh inning. Glenville's last inning rally fell three runs short as D & E claimed victory. Gerry Myers took the loss as he went seven innings. Keith Underwood was good for both runs-batted in as he hit a

two-run single.

Glenville's season came to an end at Fairmont on Monday. The Falcons took it to the Pioneers by scores of 8-6 and 11-8. In the opener, Glenville jumped out to a 5-1 lead but a seven run inning propelled Fairmont past their opponents. Terry Mullens took the loss with a 5 1/3 inning performance. He fanned five batters. Jeff Matheny and Mike Lilly smacked doubles and John Henderson swatted a triple in the losing cause. All three Pioneer batsmen also hit singles. Matheny had two rbi's.

In the nightcap Fairmont grabbed an early lead and held on to claim victory. Glenville again fell short on a last inning rally. Mike Pszczolkowski took the loss with a 3 1/3 inning bout. Myers and Jeff Wilcox both stroked doubles. Wilcox also hit a single and had two rbi's.

The defeats gave Glenville a final 8-12 conference record and a 9-13 overall mark.

## Tim Carney Recruits Basketball Standout

Women's basketball coach, Tim Carney, has announced a new recruit for the 1981-82 season at Glenville State College.

Maria Lothes, a six foot center-forward from Elkins has agreed to play her college ball at GSC. While at Elkins High School, Lothes made quite a name for herself on the court and in the classroom.

Lothes lettered three years at EHS. She was co-captain of her team during her junior and senior years. She led her Elkins team to a 22-1 season, their only loss coming to East Fairmont in the Regionals. During that season she scored 403 points for a 17.5 average. She grabbed 232 rebounds, handed off 40 assists, and had 65 steals.

In her three-year career at EHS she scored 1,032 points, averaged 18.9 points per game, and had 824 rebounds, good for a 13.5 average per game.

Coach Carney commented on his

recruit by stating that, "Maria comes from a solid program where there is a winning tradition. She will give us the size and strength inside to go with our speed and quickness."

Lothes has won several awards on the court including All Big Ten team her sophomore, junior and senior years, All State honorable mention her junior and senior years, sectional All-tournament her junior and senior years. She was the first women's basketball player at Elkins to score 1,000 points.

Miss Lothes has also excelled in the classroom, as she ranks nineteenth in the graduating class of 268. Her grade point average is 92 percent. She plans to major in special education at GSC.

## Vincent Drills

Head football coach Frank Vincent recently held spring practice for the GSC football team. The training period lasted about fifteen days and the players wore full gear.

The highlight of spring ball occurred on Wednesday as a blue-white scrimmage game took place. The scrimmage pitted the offensive team against the defensive team.

Coach Vincent, 1-8-1 last year in his debut at Glenville State, will begin regular practices late in the summer. The spring training program is a regular part of GSC football.

## WOODCHIPS

# GRADUATE FROM DEBT.

By joining the Army for certain specialties, you can now get part of your college debt forgiven.

Here's how it works.

If you've attended college on a National Direct Student Loan or a Guaranteed Student Loan made after October 1, 1975, and qualify, the government can absolve you from 1/3 of your debt (or \$1,500, whichever is greater) for each year you serve.

Obviously, a three-year enlistment would eliminate 100% of your debt. But if you want a shorter tour of duty, you can still receive 2/3 loan forgiveness with our two-year enlistment. (Only the Army can make this offer.)

Or you might consider serving in the Army Reserve. If you qualify, as a Reservist you can stay home, get paid for your active duty, and receive 15% loan forgiveness (or \$500, whichever is greater) for each year of service.

And if you ever want to go back to school, your Army enlistment will qualify you for thousands of dollars for educational assistance. On top of that, you might even qualify for a generous Army educational incentive. (And you'll still receive loan forgiveness.)

So if your dream is to go to grad school, today's Army can help you get out of debt and into grad school in just a few years.

Of course, with your education, you can probably qualify to start at a higher rank and pay grade. (And, later, there may be opportunities for promotion.)

Remember, only the Army can offer you such comprehensive benefits for such a brief enlistment.

To find out how you can serve your country as you serve yourself in just two years, call 800-421-4422. In California, 800-252-0011. Alaska and Hawaii 800-423-2244. Ask for the name of the Army's college representative nearest you.
