47th Homecoming To March To Tune Of Carnival Theme

On behalf of the Mercury staff, I would like to welcome all alumni to the 47th Annual GSC Homecoming.

Special effort has been taken to make this major social event of the season an enjoyable one. Organizations and individuals on campus will be presenting floats, banners, and carnival booths to correlate with this year's theme, "Send In The Clowns."

The football team, in its third game, will be facing the West Liberty Hilltoppers on Saturday afternoon. The game should be an interesting one, since the Pioneer team came out with a 44-20 victory against the Hilltoppers last year.

The coronation of this year's queen and court is also on the agenda for Saturday, along with the two annual dances in the evening.

I encourage all alumni, students, and faculty to partake in the festivities and to show that good ol' Pioneer spirit as we once again celebrate the Homecoming of our alma mater.

Michele Bruce

Alumni Welcomed Back

Dear Alumni,

I would like to take this opportunity to welcome you back to the campus of GSC. Homecoming is a time for reminiscing and renewing old acquaintances; for exploring a changed campus and learning of the new projects students are currently involved with. Take full advantage of your time while here on campus.

On behalf of the students, I wish you a very enjoyable Homecoming 1981.

When Fools Rush In

When stopping to talk to someone on the street, do you remove your sunglasses? If it is in the wintertime, the answer is no, but what about the summertime? Are you careful to glue stamps on envelopes right side up or are you one of those embittered few who just slap a stamp on the envelope? Who cares if its right side up, you paid your eighteen cents for it and if it is stuck anywhere on that letter, then it had better be mailed.

When parking parallel, do you back in whenever possible? On this campus if you find a parking space, not too many of us worry if we back in, slide in, or slam in. After you have finished reading the paper, do you put it back together again? If you are like me, you take great joy in being sloppy once in awhile and just let that ol' paper fly where it may.

Now we get into tricky questions. Question number one is (cont. on p. 9)

Jesse Lilly

Lilly to Lead Parade

Head basketball coach since 1961, Jesse Lilly has been chosen as the 1981 Parade Marshall for Glenville State College's "Send In The Clowns" Homecoming. Lilly graduated from Glenville State College in 1948 and began teaching at Elkview Junior High School. In 1959, he entered West Virginia University Graduate School, and in 1961 returned to GSC as assistant professor

Davisson is Pioneer

The GSC Pioneer for 1981-82 is Senior Tom Davisson. Tom was elected in May to be the mascot for the GSC football and basketball teams in all of their home and away games.

Tom, a 21-year-old Glenville native, is majoring in Sports Management. He is active as a member of the golf team, and is president of PBL, the business fraternity.

The tradition of the GSC Pioneer started years ago, in 1933. The qualifications necessary for the Pioneer are that he be a male senior with a good academic standard who would help raise the spirit of the student body.

His duties would include escorting the Homecoming Queen at her coronation and the dance, participating in the Homecoming parade, and leading the student body in enthusiastic backing of the football team at the Homecoming game.

The Pioneer's outfit of a buckskin suit, coonskin cap, muzzle-loading rifle, and jug has varied throughout the years, but the idea remains the same.

Perhaps one of the biggest requirements for a good Pioneer is to grow a beard. Tom Davisson fits this and all the other requirements and will lend an added touch to the annual Homecoming.

SC Carnival Is Slated

Keeping with the theme for this year's Homecoming, "Send In The Clowns", the Student Congress has sponsored a Carnival to be held in the Ballroom from 10:00 am - 3:00pm Friday October 2nd.

All departments and organizations on campus have been asked to participate. Each group will determine their activity and decide on their prizes.

Some scheduled activities include a Cotton Candy machine, operated by the Panhellenic, Delta Zeta will run a booth where you can test your aim at knocking over cans, Kappa Delta Pi will have a Penny-Pitch booth, Lambda Chi will offer a Wet-Sponge Throw similar to the old pie-in-the-face trick, and the Computer Club will offer Computer Posters.

Any group not scheduled may do so by contacting Ann Woody at Picken's Hall as late as Thursday night.

The Student Congress will be giving away balloons at the Carnival and during the Parade on Saturday.

A "Swim and Stay Fit" program has been initiated in cooperation with American Red Cross. The college swimming pool will be open each Monday, Wednesday, and Friday from 4-5 p.m.

This program is free to anyone who wishes to participate. Those who need assistance in setting beginning goals may consult available individuals at the pool, according to Dr. John Hymes, ARC Water Safety Chairman.

Alumni Dance at Rec Center

There will be an Alumni Dance held on October 3, 1981 at the Glenville Recreation Center at 9pm. Admission will be \$12 per couple and \$8 per singles. Music will be provided by 'Don Bartlett and the Country Gentlemen' and the theme for the dance will be "Circus".

Tickets are available in advance at the Town & Country Agency and all alumni are welcome.

The Pickers

'Pickers' To Appear

On Thursday, October 1, from 5-8pm in the amphitheatre, a nationally renowned band, "The Pickers," will play at GSC.

The group, which consists of four members, Ron Sowell, Steve Hill, Ammed Solomon, and John Kessler, were formerly known as the "Putnam County Pickers." In 1978, however, the band's name was shortened to "The Pickers." Since their conception in 1975, they have played over 200 shows, including a tour to Greece. They have also played with The Dirt Band, The Atlanta

Rhythm Section, Tammy Wynette, and George Jones, to name a few. They have also played at the Jamboree in the Hills, The State Capitol, and many high schools and colleges in their home state.

The Pickers have recorded two albums on ACI records. Their new one, released in November of 1980, is called "Let The Cat Out" and is available in local record stores.

So if you don't have much studying to do, check them out live and in concert at the GSC amphitheatre.

A meeting for all persons interested in working on the yearbook will be held Tuesday, October 6, at 6 p.m. in the yearbook office, 306 AB.

Attendants Chosen For Queen Angel

Crownbearer and trainbearer for the Homecoming coronation ceremony have been chosen.

Jennifer Dawn Rastle, daughter of Mr. and Mrs. David Rastle, will be attending Queen Angel as her trainbearer. Jennifer is four years old and attends the Glenville State nursery school. The Rastles reside at Joe's Run, Glenville.

Serving as crownbearer is James Anthony Jones. "Jamie" is the son of Alysia Jones of Mineral Road, Glenville. He is five years old and attends Glenville Elementary School.

Jamie and Jennifer will also be present at the pre-game introduction of the queen and court at Saturday's football game.

GSC Stage Lights Up

New lighting instruments and a new power pack/dimmer board have been purchased and installed in the GSC Auditorium light booth. If you have attended a play in the auditorium, the question, "Where is the light source?" may have crossed your mind.

The light booth is on the second floor of the Ad. Bldg. beside the balcony doors. This booth has been called many names from "snake-pit" to "electrocution city". All that has changed. A new STRAND CENTURY system has been installed.

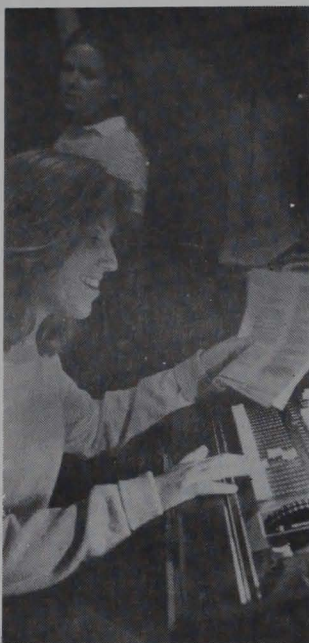

From a room full of cable and clumsy consoles, the new system offers more flexibility in less space. The dimmer console can even be programmed for two

scenes ahead.

The communications students are excited at the prospects of lighting the 1981-82 Theatre Season and all performances which occur in the auditorium.

The Drama Department is holding auditions for the one-act play, "Twenty-seven Wagons of Cotton" by Tennessee Williams on October 5 and 6 in the Little Theatre.

ALTERED STATES will be shown Tues. Oct. 6, at 9:30 in the ballroom and Wed. Oct. 7 in the auditorium.

Fran Davis works with the new lighting system in preparation for the play.

The 1981-82 Forensics team has been selected and is as follows: (left to right) front row - Jennifer Chisler, Harold Jones, Fran Davis; second row - Eddie Harbert, Jo Cooper, Kelly Davis, Raeleen McMillion, Charlotte Moore, Cindy Stewart; third row - Kim Evans, Tammy Igo, and Sheila Gill. Not shown is Aaron Eubanks and Craig Stewart.

Musical Groups Presented

"There are to be two musical groups this year", announced Dr. Raymond Jones, head of the vocal department at Glenville State College. The groups, The Camerata Singers, and the newest group, The Association, consist of students chosen from the larger GSC choir.

The Cameratas will perform 17th century, madrigal music, which is to be accompanied by recorder players. The singers are Dana Balachowski, Pamela Perry, Penny Poole, Terry di Vecchia, Paige Waldron, Danny DePugh, Kirk King, Mickey McDonald, Phil Minigh, and Bill Wilks. The recorder players are Letha

Butcher, Robin Crist, Randy Harper, and Betty Wagner.

The Association will be the "Pop Group" performing show times, rock times, and pop-country music. The singers are Dana Balachowski, Letha Butcher, Leesa Holder, Anna McKinley, Jamie Martin, Pamela Perry, Eddie Harbert, Herald Jones, Kirk King, Mark McFadden, Mike Schartiger, and Randy Vannoy. The rhythm players consist of Phil Minigh, Carl Watson, Guy Boggs, and Aaron Eubanks.

Dr. Jones said he has been extremely busy putting these groups together in hopes they will be a great success.

Janice Vicory, portrayed by Debby Dean, explains why she should win first place at the science fair.

Director Linda McKown and Assistant Director Louis Kent, discussing lighting for the play.

Pulitzer Prize Drama 'Theatre 81' Premieres

Gamma Rays have hit Glenville State College. Paul Zindel's 1971 Pulitzer Prize winning drama THE EFFECT OF GAMMA RAYS ON MAN-IN-THE-MOON MARIGOLDS will be the first production of the GSC 1981-82 Theatre season. The play will be presented October 1, 2, and 3 at 8:00 in the GSC Auditorium. Tickets are now on sale on the first floor of the Pioneer Center, at the auditorium, and each night of the performances.

MARIGOLDS is one of the highlights of Homecoming Weekend. The unusual script with a cast of five women concerns itself with the problems of coping with the chaos of our erratic twentieth century society. Mrs. Barb-

ara Nicholson, instructor in speech at Glenville State College, portrays the role of Beatrice, divorced and widowed mother of two frighteningly different daughters - one a convulsive, the other a sensitive, isolated student of life. Cara Keenan, a freshman from Gauley Bridge, and Tammy Igo, a sophomore from Clay, play the daughters.

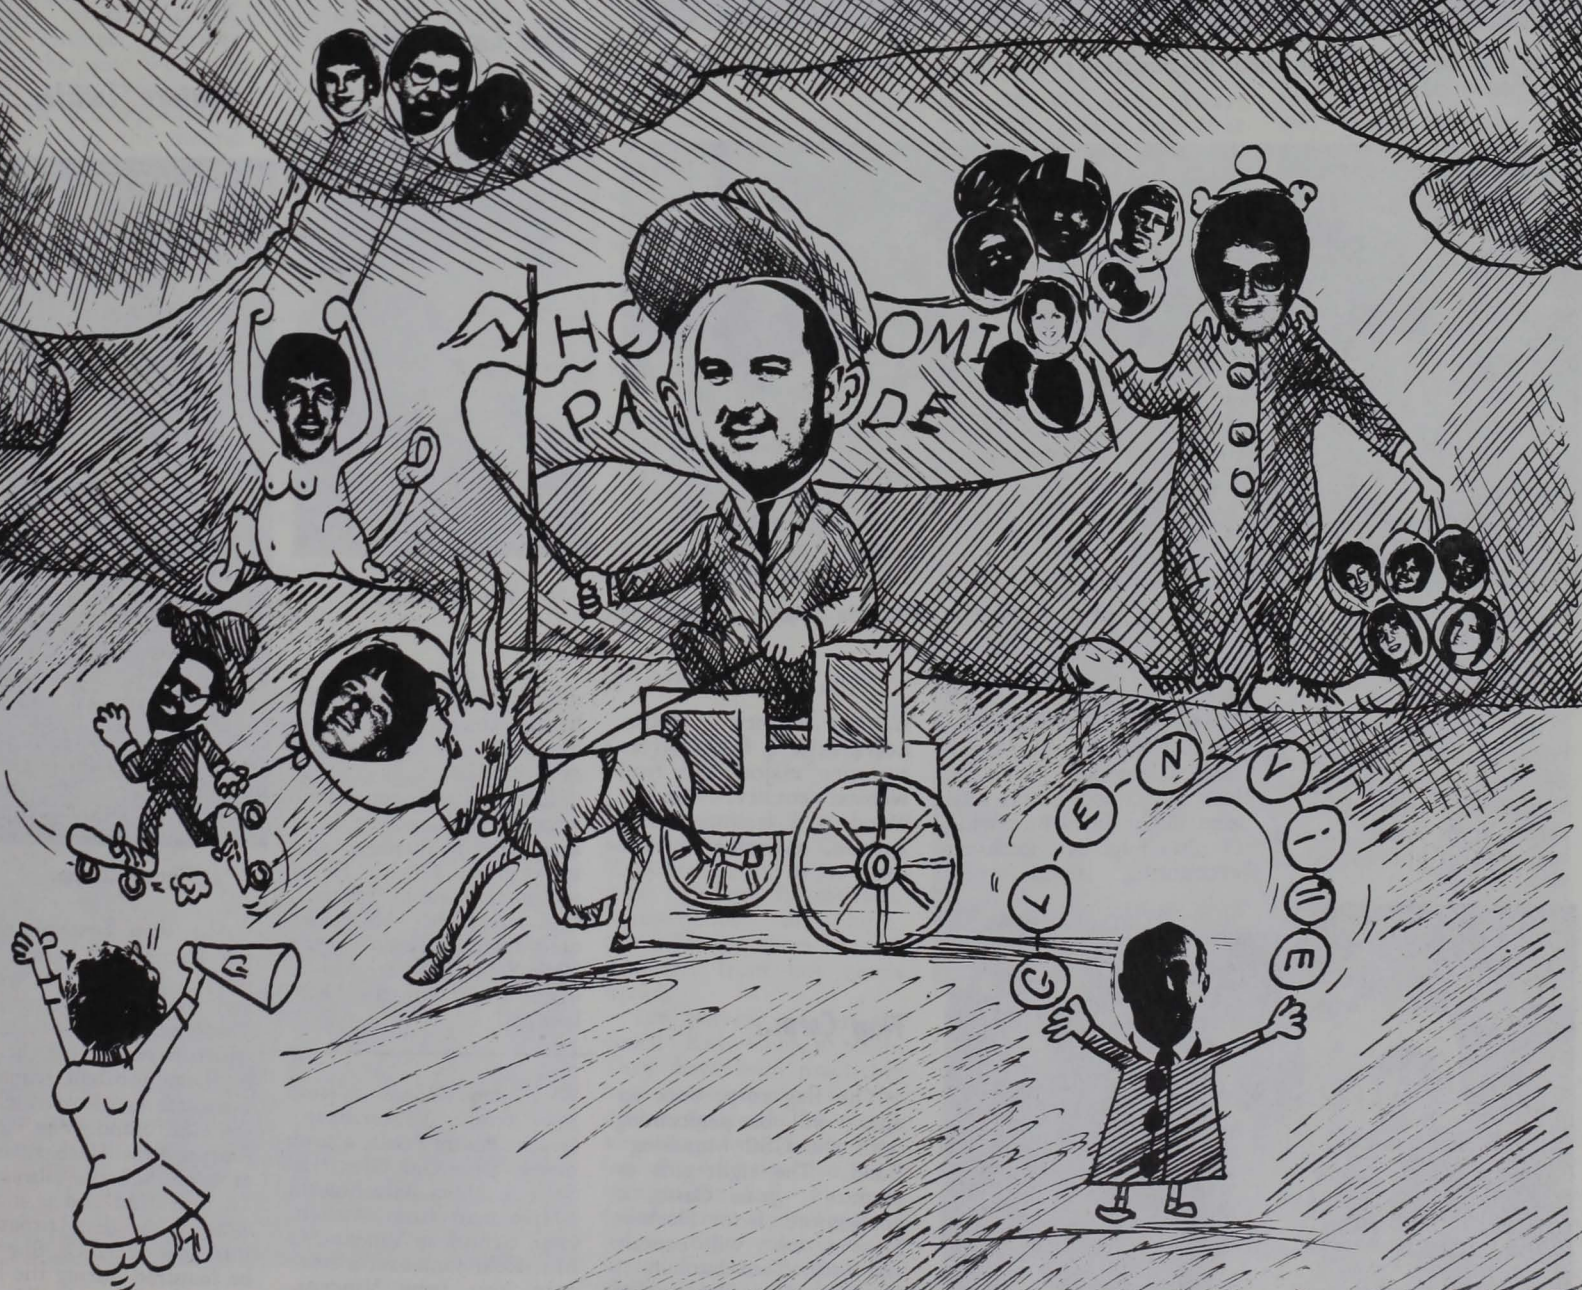

Liz Sweeney, a senior from St. Marys, and Debby Dean, a senior from Weston, add two fascinatingly different performances. Liz portrays a hundred-year-old woman who has withdrawn from the world. Debby adds the obnoxious spark of a would-be winner.

The production is designed and directed by Mrs. Linda McKown, Director of Theatre at GSC.

Members of the set crew, Louis Kent, Jupe Morton, Penny Poole, Neil Benson, and Ronnie Hall, prepare to make final adjustments to the set.

GSC Pioneer Football Team

Football Squad Loses 23-6, To W. Va. State

West Virginia State College defeated GSC's Pioneer football team by a 23-6 count this past Saturday in college football action. According to GSC coach, Frank Vincent, "Errors cost us the game. We stayed in the game, which was quite an accomplishment in itself, but the mental mistakes killed us."

GSC played right with the 3-0 Yellow Jackets practically the whole contest. In fact, the Pioneers held a 245-244 edge over State in total yardage, and had a 16-11 edge in first downs. It was State's ability to convert its opportunities that proved to be the difference, however.

West Virginia State scored first, in the second quarter, to take a 7-0 lead. GSC retaliated with a beautiful scoring drive of its own to pull within 7-6 in the third period. The drive end

ed with a 10-yard scoring toss from Jeff Matheny to tight end Steve Williams, who caught four passes on the day for 69 yards.

After GSC scored, the Yellow Jackets tallied again in the third period to take a 14-6 lead. Then, they put nine more points on the scoreboard in the final quarter to make the score 23-6.

Offensively, GSC had 245 total yards, 113 on the ground and 132 through the air. Byron Brooks, a freshman from Jeannette, Pa., was the Pioneers' top rusher with 33 yards on nine carries. Jeff Matheny had a pretty good passing day. The sophomore signal-caller completed eight of 19 passes for 132 yards and one touchdown.

The Pioneer defense did a good job of containing the potent State offense most of the time. Junior

nose guard Andy Marchal led GSC with seven tackles and two assists. Also, Junior defensive back Bernie Bertus was a defensive leader. He intercepted two opponent's passes and returned them for a total of 49 yards.

Vincent commented, "As a total unit, the team played well. In a few areas, we broke down at times." In concluding his statements about the State contest, he said, "We still have to eliminate our mental mistakes. We want to continue to improve and hope to start winning."

GSC will have its Homecoming contest with West Liberty this weekend. Both teams will be looking for a good outing. Last year, the Pioneers beat the Hilltoppers, 44-20, in their only win of the season.

Game time is 1:30 pm on Saturday, October 3.

Women Netters Compete Friday

The GSC Women's Volleyball team will open its season this Friday, October 2, by competing in the Concord College Invitational. Inexperience may hurt Glenville, as there are no returners from last year's squad.

Ten players are out for coach Kay Chico's team. They have been practicing hard in preparation for the upcoming season. A recent scrimmage with Salem College should help, also. Although the Lady Pioneers failed to win a game against Salem, they gained valuable experience needed for playing out their tough schedule.

Five juniors, three sophomores, and two freshmen

Women's volleyball schedule:

Oct. 2-3, Concord Invitational, Away; Oct. 7, Salem and WV Tech, Home; Oct. 14, AB and Fairmont, Away; Oct. 16, Fairmont and Concord, Home; Oct. 21, AB and West Liberty, Home; Oct. 26, WV Tech, Away; Oct. 28, Salem and West Liberty, Away; Oct. 30 Fairmont, AB, and Shepherd, Away; Nov. 6-7, State Tournament, Away.

BEST GROUP

Cheerleaders Profiled

The 1981-82 Glenville State College cheerleading squad has quite a reputation to live up to and it has started off the year with a good performance. The squad won the best all-female squad award at UCA camp at Virginia Tech, after having won the Best Cheering Squad award at the WVIAC Basketball tournaments for the past two years.

This year's squad is led by senior business administration major Angel Goddard, from Elkview, as head cheerleader. The remainder of the squad is made up by Melissa Simpson, a junior business major from Weston; Beth Carpenter, a sophomore pre-medical major from Craigsville and last season's Best Individual Cheerleader at the WVIAD Tourney; Mary Grose, a junior physical education major from Clay county; and Donna Bumgardner, a sophomore art major from Glenville. The squad's alternate is Candi Hagi, a freshman from Clarksburg.

Linksters Place Fifth

The GSC Pioneer golf team is already halfway through its fall season, and, so far, the Pioneers have performed fairly well. GSC has placed fifth in both matches it has competed in this fall.

Eight teams participated in Glenville's initial fall match, the West Virginia University Invitational. GSC placed fifth behind winner WVU, Clarion State (Pa.), Indiana University (Pa.), and Davis and Elkins. Finishing behind the Pioneers were Fairmont State, West Virginia Wesleyan, and West Virginia State.

Individually for GSC, Dave Lamm's round of 74 was the best score of the day. Next was Gordie DeLaat at 76. Randy Slabaugh shot a 77, Jim Nash an 80, and Jerry Kurjian an 81. Tommy Davisson shot an 89, but his score wasn't included in the team total.

Coach Tim Carney remarked on his team's play, "We did pretty well. We finished only two strokes behind Indiana and one behind Davis and Elkins."

The Pioneers' second match was the 36-hole WV-IAC Tournament at Huntington. GSC played extremely well on the first day, but their performance was mediocre the second day, as they fell from fourth to sixth place.

On the first day, GSC recorded a score of 301 for four members, the second lowest total that a Pioneer team has ever recorded. The second day proved to be Glenville's undoing. The Pioneers shot

a 316 score to drop themselves down two notches in the final standings.

GSC's final day of 316 was a poor round, considering the way they had played the previous day. The 617 total put them four strokes behind Fairmont and one behind Davis and Elkins.

The Pioneers' scoring went as follows: Jerry Kurjian, 75-76-151; Gordie DeLaat, 74-80-154; Jim Nash, 75-81-156; Dave Lamm, 77-82-159; Randy Slabaugh, 82-79-161.

Carney said, "We played all right, but we're looking for more consistency."

GSC has matches at Davis and Elkins and California State (Pa.), before closing out its fall season.

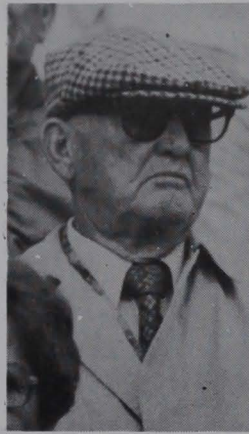

The Winkies and the Sweats are currently tied for first place in the women's intramural softball standings. Both have 2-0 records.

Games on Wednesday, September 30 are: Winkies vs. Sweats; and Fundamental 5 vs. Long Shots. On Monday, October 5, the following games will be played: Sigmas vs. Sweats; DZ Turtles vs. Winkies; and Fundamental 5 vs. Sweats.

Also, women are reminded to turn in their nominees for outstanding woman player.

Following are the standings:

Sweats	2-0
Winkies	2-0
Long Shots	1-1
Fundamental 5	1-1
Sigmas	0-2
DZ Turtles	0-2

Nate Rohrbough

Fri. Reception Honors 'Nate'

A reception honoring A. F. "Nate" Rohrbough, former Glenville State College coach, will be held on Friday, October 2, in the Pioneer End Zone Club Room at Pioneer Stadium. The reception, held for the purpose of reuniting Rohrbough with some of his former players, will be held from 7:00-10:00 p.m. Friday evening.

Rohrbough, a West Virginia University graduate, was a coach at GSC from 1926 to 1946 while at Glenville, he coached basketball, baseball, and football. He was also athletic director for a period. Rohrbough grew to be respected by all who knew him.

GSC's current athletic director, Jesse Lilly, remarked concerning the event, "We're having an old-fashioned get together to honor Mr. Rohrbough. An invitation is extended to all GSC alumni to attend. Those who played under him and would like to visit with him for a while should feel free to come."

GSC Runners Win

The Glenville State College men's cross country team added another impressive showing to its credit last week by winning the college division of the Oak Hill Invitational. The Pioneers brought home a big team trophy and four individual trophies for their performance at the meet, in which they defeated four conference schools.

In a first for GSC, the Pioneers entered two teams in the competition. Glenville "Blue" consisted of six members, while Glenville "White" consisted of five members. "Blue" team members were Billy Belcher, Lee Haddox, Steve Keenan, Steve Meckfessel, Steve Roberts, and Larry Taylor. "White" team members were Randy Anderson, Craig Bock, Eddie Mazzella, Chuck McKnight, and Biddle Williams.

Larry Taylor led the 35 runners over the 5.2 mile course in 26:52. The sophomore All-Conference runner was 23 seconds ahead of his nearest competition. Third overall and second "Blue" team finisher was freshman Lee Haddox. He covered the course in 27:24. Billy Belcher, the team's Junior Captain, finished fifth overall and third for GSC "Blue" with a time of 28:16. Right behind him was sophomore Steve Keenan, who was sixth overall and fourth, for GSC, in 28:24. The Pioneers' fifth scoring "Blue" team member was sophomore Steve Roberts. He was 15th overall with a time of 30:57. The sixth man of the "Blue" squad was freshman Steve Meckfessel, who turned in

a time of 32:24, good for 20th place.

Glenville's "White" team was paced by junior Randy Anderson. The basketball standout, running in only his second cross country meet, placed 13th overall with a time of 30:32. Senior Craig Bock was second for GSC's "White" team. He was 16th place overall in 31:03. Freshmen Chuck McKnight and Biddle Williams came in 22nd and 23rd, respectively, for Glenville "White". McKnight's time was 32:34, while Williams was a second behind. Finally, Eddie Mazzella, a freshman running in his first meet, placed 33rd with a time of 38:02.

Team-wise, GSC's "Blue" squad dominated. With four runners in the top ten, the Pioneers totaled 30 points. Fairmont State was second with 61 points. West Virginia State was third with 71 points, Wesleyan fourth with 97, and GSC "White" fifth with 107. West Virginia Tech did not finish as a team.

Dr. James F. Hilgenberg, Jr., was excited about his team's running. He exclaimed, "Our guys did a great job. We ran well on both teams."

Hilgenberg concluded, "We are right where we want to be now. When our injured runners (P. K. Coon and Frank Lewis) get back into shape, it will make us even stronger. We just have to work patiently toward the WVIAC meet."

GSC will have its next meet tomorrow (Thursday) at Coonskin Park.

Irwin, Goodwin Are Montrose Winners

This year's Montrose Award has a couple of firsts associated with it. For the first time ever, there are co-winners of the award. Also, for the first time, a woman winner was named as a recipient of the award.

The two student-athletes named as winners of the award are Kimberly Short Goodwin and John Milton Irwin.

Kim is the Daughter of Mr. and Mrs. William Short of Lost Creek, WV. She is married to Mr. Dana Goodwin. A May 1981 graduate from GSC with an A.B. degree in Education (Physical Education K-12 and Safety Education 7-12), Goodwin is

currently doing substitute teaching in the Harrison County school system.

While at GSC, Goodwin was a four-year letter winner in basketball, track and field, and volleyball. She is the only woman to ever letter in three sports while participating at Glenville. Goodwin was an outstanding 100 meter runner in track. She won the WVIAC 100 meter dash during her career.

Also, Goodwin was a member of The Majors Club.

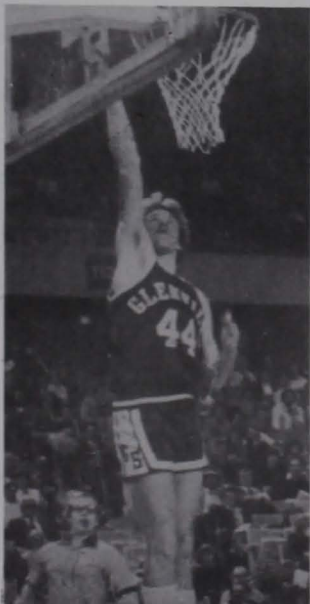

Irwin is the son of Mr. and Mrs. John K. Irwin of Elkins, WV. He is an August 1981 graduate of GSC with an A.B. degree in Business Administration: Marketing and Re-

tailoring and Economics.

Irwin was a four-year member of both the GSC basketball and track teams. He was a regular on the basketball team in his senior year, scoring 274 points with an average of nine points per game. His game high was 27 points. In track, Irwin participated in high hurdles, high jump, 400 meter intermediate hurdles, and javelin.

The 1981 Montrose Award will be presented immediately before the Homecoming game on Saturday, October 3.

Patricia Jarvis

Husband, Wife Team At Methodist Church

Glenville has two new and interesting faces in the county. They are Patricia Jarvis and Julian Sulgit, the first husband and wife minister team in the Wesley Foundation's History. In June, Patricia Jarvis was named pastor of the Trinity United Methodist Church and Julian was appointed to the Wesley Foundation.

The couple, who met in seminary school in Indianapolis, were married in January of 1969. They came from Charleston to Glenville, and their family includes eleven-year-old Clare Juliette and six-year-old Andrew.

Patricia Jarvis is a native of Fairmont and is the daughter of Reverend and Mrs. Clair Jarvis. Patricia's father is the pastor of St. Marks United Methodist Church in Charleston. Patricia attended Ohio Wesleyan University in Columbus, Ohio, and received her Master of Arts degree in religion from the Christian Theological Seminary in Indiana. She received her Masters in Divinity from United Theological Seminary in Dayton, Ohio.

Julian Sulgit, from Chicago, Illinois, was educated in Chicago Catholic Parochial Schools. He attended Loyola University and trained in Urban Mission Work in Chicago and Tulsa. He studied for the priesthood in the Tulsa Diocese. He received his Master of Divinity at United Theological Seminary in Dayton, Ohio in June 1981.

Both of the two have encountered many and exciting adventures in their careers. Both were very active in the Civil Rights and Anti-War movements in the 1960's. One of Patricia's most interesting em-

ployments came when she worked in New York City in the East Harlem and the Bedford Stuyvesant through the general church Board of Evangelism. While she was there she worked with teenagers in the ghetto districts. Also in 1969, the couple began a three-year teaching experience with the Board of Missions in Sievia Leone, West Africa. While in West Africa, their daughter, Clare, was born.

In 1974, the couple returned to Charleston and worked for the Department of Welfare. In 1974 they began the process of ordination through the United Methodist Conference. Julian was named Deacon in 1976 while Patricia was in 1974 and Julian was named Elder in 1977 and Patricia in 1978. They later became associated with the Urban Mission Progress in the Charleston District. Julian served as Outreach Ministeries pastor of a church, director of food-co op projects, and managed programming. Patricia served as the first director of the agency until her return to seminary in 1978, then Julian took her place.

The couple plan to make the Wesley Foundation a center of activities for the coming year. Their format will strive to promote spiritual growth and provide more counseling services. Included in the counseling services will be help with marriage or child rearing problems.

The Coffee House is scheduled to open soon and it will provide students, staff and faculty with an informal setting in which they can unwind and make friends.

Everyone is urged to stop by and get acquainted.

From The Wesley Foundation

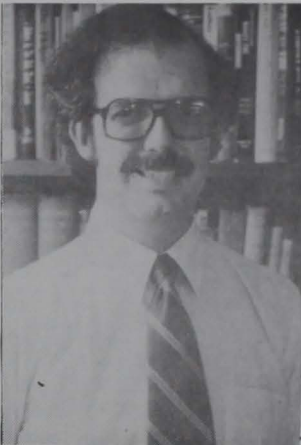

Wesley Foundation announces the opening of the Coffee House, beginning October 1 from 8:30 a.m. to 11:00 p.m. Located on the lower floor of the Wesley Foundation, this informal setting provides a place for conversation and entertainment. Refreshments will be served, and the donation will be \$1 at the door.

This week's entertainment will be a film entitled "A Question of Intimacy." The 19-minute film deals with the different kinds and degrees of this essential part of the human condition. It explains how each individual's unique values, fears, and sense of self-worth influence his perceptions of intimacy and his expectations from a relationship. It also suggests practical helps in understanding the problems of conflict-

ing definitions of intimacy. This film should be a helpful take-off point for the evening's conversation and discussion.

Another service provided at the Wesley Foundation is that it offers a nice place to eat for the "brown bag" set. If you have wondered where you could buy a cup of coffee or a soda and enjoy a quiet break, then the Wesley Foundation is for you. Students, staff, and office personnel are urged to come in for conversation and a change of scene.

A reminder: the Wesley Foundation is open from 9 a.m. to 5 p.m. and in the evenings from 6:30 to 9 p.m. Monday through Friday. Monday Night Worship Service will be held each week beginning at 7:30 p.m.

David Carpenter

Carpenter Is New Minister

A new face in town this year is Parkersburg native Rev. David Carpenter. A seven-year veteran of the ministry, Carpenter is a graduate of Alderson-Broadus college in Phillippi.

Upon graduation, he attended Eastern Baptist Theological Seminary to complete his schooling. When asked, he expressed a genuine feeling of encouragement that Religion and morality are not as dead as some would have us believe.

A group of 25-30 students attend regular services on Sunday, and several have gone to a special Bible study offered.

Being the Reverend of the First Baptist Church in Glenville consumes much of his time, but his interest in working in a college climate is obvious.

The father of two daughters Kathy, five, and Karla, three, he enjoys photography and most spectator sports. He and his wife Linda reside at the Parsonage on Johnson Street (462-8636) if you ever need someone to talk to. He requested that you use some discretion as to time and a call to ensure he is there first as the only prerequisite.

strictly a personal query. Do you feel awkward talking on the telephone when you're naked? I won't push for an answer on this one because I may be invading your personal space. Of course when you are in this situation, naturally everyone in the neighborhood picks that particular time to visit you. The next question is when using book matches, do you tear out each match in order, or do you forget to close the cover on the matchbook and torch yourself?

Okay, I have one last question to ask. Do you close the bathroom door, even when you're the only one home? Who knows, there may be a sex-starved sparrow outside the bathroom window looking in, so it is okay to shut the door.

If you have answered yes or turned beet red at some of these questions, just remember you are answering these questions in your own little mind, so don't blame me if someone looks at you strange when you swallow your tongue.
