'Plaza Suite' Cast Named

The bridegroom waits patiently with the wedding party in the lobby of the Plaza Hotel. "This story is turned around, you are thinking. Grooms are late, but I've never heard of a bride not being on time."

In *Plaza Suite*, by Neil Simon, the bride is late, and all the wedding plans could be down the drain. The bride, Mimesy Hubley, played by Melissa Sellers, has locked herself in the bathroom and refuses to come out for the ceremony.

Danny Bayer, Director of *Plaza Suite* promises a funny and enjoyable one-act play which will be presented at

8 p.m. November 11, in the GSC auditorium. In addition to Danny and Melissa other cast members are: Norma Hubley, played by Kelly Davis; Roy Hubley, played by Randy Harper; and the bridegroom, Bordor Eisler, played by Biddle Williams.

Stage Direction 311, instructed by Mrs. Linda McKown, is presenting five one-act plays in November: *Twenty-Seven Wagons Full of Cotton*, November 5, *Lottery, Love And How To Cure It*, and *A Victory On Mrs. Dandywines Island* on November 19.

College Enrollment Survey Shows Increase In 1981

The quality of West Virginia higher education has been reaffirmed by a study recently released by the WV Board of Regents. In the 17 state schools surveyed, a 76% increase in enrollment has occurred in just one year. This is particularly noteworthy since enrollment is in an alarming decline nationwide.

The extreme ends of the scale are Marshall University, which experienced only a 0.2% increase.

A little closer to home, GSC experienced a 4.28% increase by raising its enrollment from 1,916 in 1980 to

1,998 in 1981.

The major cause of this is a record-sized freshman class for the fall semester. Other West Virginia Colleges and their increases are: Concord, up 8.6%; Fairmont, a 1.5% increase; Shepherd, a 3.5% escalation; and West Liberty, up 4.4% over last year.

Another thing which is an influence on this is out-of-state students - just look at those at GSC! Once considered to be a cultural famine, West Virginia is rapidly establishing itself as a most scholarly state indeed.

Pribble To Attend Regional Meeting

Dr. Mary Jo Pribble, Associate Professor of Chemistry at Glenville State College, is attending the 33rd annual meeting of the Southeastern Regional Meeting of the American Chemical Society in Lexington, Kentucky November 4-6. The session will be held at the Hyatt Regency Hotel and Civic Center.

Dr. Pribble is presenting a paper, Opportunities for Teaching Chemistry for Elderhostel, at the Chemical Education Section of the meeting.

Exhibits by some thirty suppliers of laboratory equipment and textbooks in chemistry will be presented during the meeting.

Think Twice Before Entering

English class had been cancelled that day, the sun was shining, the temperature rose to 70 degrees and Ted and Sue couldn't wait to get out-side.

"Let's go for a walk at Cedar Creek," Sue had said and they jumped into Ted's white Trans Am and headed toward the park.

Later that evening the dorms were silent. Students passed each other in the halls with sad and empty faces.

"Did you hear what happened at Cedar Creek today?" One student asked another.

"Yes, isn't that terrible? I feel so sorry for Sue. They said he was shot from behind..."

Hunting season has started and many people overlook the dangers involved with the sport. Some people simply forget that there are hunters roaming around the woods with guns.

Last week as the temperatures rose and the sun shone brightly upon the autumn leaves many of us were anxious to get out and enjoy the warmer weather. Although the story above is fictitious, it is not unlikely and could very well happen at GSC. Accidents like the one above have already been recorded this season in areas of West Virginia.

Students, hunters, as well as everyone else, must take extreme precautions before entering the woods during hunting season. Perhaps the best means of protection is wearing brightly colored clothing, something red or orange. Stay clear of camouflage colors.

Think twice before entering the woods next time. Grab an orange cap or put on a red sweatshirt. Nobody wants to hear a story like Ted and Sue's at GSC.

LETTERS TO THE EDITOR

Dear Lambda Chi Alpha,

If you "are the number one fraternity on campus," why do you need to reinforce your insecure egos by having this supposedly accurate statement published in the Mercury?

~~~~~ Concerned Student

Dear Lambda Chi Alpha,

If you really feel that you are, "the best fraternity on campus," you certainly have a strange way of showing it. Your letter in last week's Mercury only shows your insecurity in making such a claim.

You mention your softball tournament held at Cedar Creek State Park. What you fail to mention is that six weeks after the tournament the winning team has yet to receive its trophies. The week before your tournament Tau Kappa Epsilon held their own softball tournament. Theirs was run much better than Lambda Chi's (I attended and played in both) and the winners of the TKE tournament received their trophies the day they won.

Also, your numerous showings of unsportsmanship in last week's Commode Bowl only goes farther to disprove your unjustifiable claim of superiority.

Sincerely,  
An Interested Student

## IN RESPONSE TO EDITORIAL

Dear Lambda Chi Alpha Fraternity,

In response to your letter that appeared in The Mercury last week, we had to laugh. You stated that "None of these activities could have been completed without full fraternity cooperations..." Well dear fraters, your softball tournament still has not been completed. The tournament, which was held Sept. 22, boasted 1 team trophy and 15 individual trophies. Six weeks later we still have not received the individual trophies. When a tournament is held the trophies should be given the same day the tournament ends. Perhaps you were planning on winning your own tournament or perhaps you could not afford the trophies. Whatever the case may be, it is a very poor way to run a tournament.

We were going to enter your basketball tournament, which also advertises trophies, but because of our experience in your previous softball tournament we have decided otherwise.

In closing we hope that your number one (?) fraternity is more organized than your tournaments. Good luck in the future!

# Shepherd Defeats GSC Football Team

The GSC Pioneer football team went down to defeat at the hands of the Shepherd College Rams Saturday by a 35-14 score. GSC put up a good fight for three quarters, however, as they led their nationally-ranked opponent, 14-7, only to be tied, 14-14, with one period of action remaining. Then, Shepherd tallied three times in the final 15 minutes of play to seal the victory. Shepherd drew first blood in the WVC battle. Lipscomb scored from the 2-yard line, and the extra point kick was good, making it 7-0.

Glenville tallied the next two touchdowns, one in the second quarter and one in the third quarter, to claim a 14-7 lead. Both touchdowns were passes from junior quarterback Jeff Metheny to senior split end Steve Gandee. The first scoring strike covered 29 yards, and the second one went 15 yards. Gandee kicked the extra point after both scores to give GSC a 14-7 lead.

The Rams didn't wait long to retaliate. They scored on their next possession to tie the game at 14-all at the end of the third stanza.

The fourth quarter was all Shepherd. The Rams tallied three times, all three being set up by the passing of quarterback Mike Coyle, who was 12 for 19 for 231 yards.

Freshman Byron Brooks pace GSC's rushing with 69 yards on only nine carries. Senior David Boggess, the Pioneers' top rusher in season totals, had 48 yards on seven carries against Shepherd. Junior Scott Pottmeyer chipped in with 43 yards on 16 rushes. Jeff Metheny was 10 for 23 passing - wise for 188 yards, two touchdowns, and three interceptions. Steve Gandee's two scoring receptions, his third and fourth of the season, were among his five catches covering 97 yards against Shepherd.

Defensively, sophomore Terry Kendall had six tackles and seven assists to top Pioneer tacklers. He also had an interception. Junior Bernie Bertus, one of the WVC's leaders in interceptions, added four tackles and six assists. Two juniors, Fred Parsons and Steve Ware, were in on nine stops apiece.

GSC faces a very tough Concord team this Saturday, Nov. 7 in its last home game of the season. Game time is 1:30 pm at Pioneer Stadium.

# GSC Runners Aiming For WVC Meet

This Friday is the day for the GSC cross country team. The Pioneer harriers will travel to Fairmont to participate in the West Virginia Conference meet, the meet they've been pointing to all season long. The Pioneers are considered by many to be the top team, due largely to their performance against other WVC schools over the course of the season.

The WVC meet serves as the NAIA District 28 qualifier for national competition. The winning team will compete in the national meet at Kenosha, Wisconsin on Nov. 21.

GSC, coached by Dr. Jim Hilgenberg, is 20-2 against WVC competition this year. One loss was an early-season loss to Fairmont, and the other was to Davis and Elkins at a meet when GSC had only three of its top seven runners competing. At the other meets, the Pioneers were at least ten points ahead of their nearest competition.

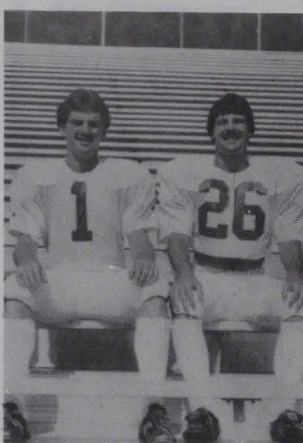

Sophomore Larry Taylor, last year's WVC "Runner

of the Year," will lead Glenville into the WVC meet. Second through seventh positions on the Pioneer squad are freshman Lee Haddox, Junior Billy Belcher, senior P.K. Coon, sophomore Steve Keenan, senior Craig Bock, and sophomore Steve Roberts. A freshman, Biddle Williams, is the alternate.

GSC, 31-17 overall, will face seven WVC teams in the meet, which will begin at 3:00 pm on Friday, Nov. 6. Fairmont, West Virginia State, West Virginia Tech, Wheeling, West Liberty, West Virginia Wesleyan, and Davis and Elkins will be GSC's competition.

Hilgenberg commented, "We've been working hard to achieve our goal of winning the District 28 meet. Now, we'll just have to wait and see what happens on Friday."

Women interested in Track and Field, please meet Nov. 10 at 10 pm in 3rd floor Scott Wing Lounge.

Steve Gandee and David Boggess, two seniors who have been a big part of the GSC football team during their careers, will play in their last home game this Saturday against Concord.

# Pioneer Hoopsters Ready For Season

Both the GSC men's and women's basketball teams are busy in preparation for their rapidly - approaching seasons. The Pioneer men, coached by Jesse Lilly, open up this season by participating in the West Virginia Wesleyan Bobcat Tournament on Nov. 20 and 21. The Lady Pioneer team, coached by Tim Carney, opens up with a contest at West Virginia State on Dec. 1.

A scrimmage with Ohio Valley College last night will enable Lilly to see if he's got the material to equal last year's fourth place finish in West Virginia Conference action.

Carney's women have a scrimmage game scheduled at Marietta on Thursday, Nov. 12. The squad will have eight returners and seven freshmen playing. The returners are seniors Pam Linger and Donita Cox, Juniors Pam Minigh and Judy Niday, and sophomores Bunny Taylor, Sonja Bailey, Jill Burkhammer, and Shelly Tharp. The newcomers include Maria Lothes, Robin Phipps, Kathy Starcher, Kim Maynard, Janice Hensley, Laura Dabney, and Paula Bush.

Complete rosters and team pictures of both teams will appear in the Mercury in the near future.

## Samples Asks To Meet Veterans

You're a veteran attending Glenville State College and you received a letter from Mack Samples, Dean of Records and Admissions.

Are you using the letter to draw straight lines and to mark your place in your favorite piece of Chaucerian literature? Be sure that you understand the purpose of the letter if you're using it for tic-tac and doodles. The letter is meant to resolve a potentially serious problem, and it represents that well-known "ounce of prevention."

Mack Samples and J.D. Brooks, VA work-study student, have scheduled a meeting for all veterans

and other students that receive VA educational entitlement. The meeting will be held in Room 302 on November 9, in the Administration Building.

For more students who have questions, but are unable to attend, give your name and questions to someone who plans to make the meeting.

The meeting is not mandatory, and you don't have to have a question in order to attend. Mack Samples has expressed a desire to see all the veterans as a group, and who knows, maybe we can resolve other issues in addition to the questions raised in "the letter."

The Delta Zeta Sorority will be holding a ham, bean, and cornbread dinner November 11-12 at the sorority house, located at 305 East Main Street.

A choice of soup or brown beans and apple sauce or cole slaw will be offered at the dinner.

Tickets will be \$2.50/adult and \$1.50 for children, and may be obtained from any Delta Zeta.

The dinner will be held both evenings from 4-7 p.m.

Glamour Girl applications are now available in the Mercury office, Room 4, Clark Hall.

The annual Glamour magazine contest is open to any college female enrolled in courses leading to an undergraduate degree.

Cash prizes of \$1,000 will be awarded to ten winners selected nationwide along with recognition in the August College issue of Glamour.

For more information, contact the Mercury office.

David Bush will appear in concert at the Wesley Foundation Nov. 9.

## From The Wesley Foundation

Some observers say that shortly America will be a nation without any stories. Some fifty-five persons heard Dr. James Gay Jones tell stories last Thursday evening at the Wesley Foundation Coffee House.

Our next Coffee House will feature David Bush. David Bush has been singing most of his life and has been playing guitar since age ten. He was born in Calhoun County, in northwestern West Virginia.

His interest in music led to playing with several different bands. He has traveled over much of the East Coast.

Our guest at the November 9 Worship service will be Rev. David Carpenter, pastor of the First Baptist Church of Glenville.

David is a newcomer to the community of Glenville, and was installed as pastor on October 4. We welcome him warmly to the Wesley Foundation Worship Service.

David has one 45 r.p.m. recording out, entitled "Angel Take Me Home" backed with "Don't You Know I Love You (The WV Song)". David plans to make an album in the near future.
