orensics Results Released

The GSC Forensics team made its first trip of the fall season to the Morehead State University Eagle Championships in individual events on October 30-31. The team placed 8th in the field of 16 teams. The top ten teams were as follows: Bradley University, Miami University (Ohio), University of Alabama, Western Kentucky University, Tennessee Temple University, Ohio State University, Parkersburg Community College, Georgetown University, Glenville State College, and Asbury College.

Fran Davis, the team's most experienced veteran, paced the team with a sixth place finish among the 40 students entered in the impromptu speaking. Ms. Davis contributed 25 sweepstakes points to the team total and qualified for an appearance at the national forensic tournament for the second year. Other GSC scorers were: Jennifer Chisler with 17 points; Eddie Harbert with 16 points; Kim Evans with 14 points; Raeleen McMillion and Betty Wagner with five points. ices, appearing in their first college competition.

Barbara Nicholson, instructor in Speech and coach of the team, said that 10 of the 16 teams had 20 members. Her team only had 10 members, and she was pleased with the effort.

In the team's second outing of the fall semester, the result improved. On No-rember 13-14, the team travelled to Shippensburg State College in PA. Depleted in number and experience, the team still managed even a higher finish with only six members. GSC finished tenth in a field of 28 teams. The top ten teams at this meet were: George Mason University, Bob Jones University, Clarion State, Trinity University, Wilkes College, Westchester State, Bloomsburg State, William and Mary, Prince George State, University of North Carolina, University of Touson, and Glenville State.

Individual trophy win-ners for GSC were: Fran Davis-fourth place in im-

promptu speaking; Jo Ccoper-fourth place in impromptu sales; Raeleen McMillion and Kim Evans tied for first place in their events, Original Poetry and Informative Speaking, respectively. Evans tied the eventual pentathalon winner.

Evans, McMillion, and Davis are GSC's three National finalists for the meet in April at Ohio State. Other scorers in their

second appearance were Tammy Igo and Jennifer Morton.

Tryouts for the positions on the team that are opened due to graduation will be posted in January with the specific guidelines.

Give Thanks Over Holiday

After cramming for that Science exam, struggling through two English term papers and pushing to get that curriculum finished, most of us are quite ready for the Thanksgiving break.

For some students, the vacation will be a time of Christmas shopping and visiting friends back home. For others, it will be a matter of trying to shoot that 10 point buck or seeing what teams come out on top during the bowl games.

Whatever the holiday leads us to, perhaps all of us should take a few minutes out of the hustle and bustle to simply give thanks. "Thanks for what?" one might ask.

To begin, give thanks for that 20 pound turkey on the table, even if it might add 20 pounds onto you after the big feast. Also, give thanks for your family that you are sharing the holiday with, even it your kid brother has managed to drive you crazy during the vacation. And finally, give thanks for the Thanksgiving holiday itself. After all, without it we would all be back at GSC cramming for those exams and struggling through term papers again!

DESTRUCTIONVILLE EQUALS G.S.C. CAMPUS

Have you noticed the destruction on our campus? The littering, screens hanging from windows, plants torn from the ground?

If you haven't maybe you had better step outside and have a look. Then step back inside and look around the dorms and other buildings. Pretty disgusting, don't you think?

Someone must not be thinking! Who is doing this destruction? Of course one person can not be pointed out, but it comes from our own College Campus. Rather alarming to know that supposedly mature college students are hell-bent on destroying what is really theirs.

At the time, it may be fun to toilet paper a tree, tear a screen from the window, or tear an innocent plant, that doesn't bite, kick, or scratch from the ground, but is it something to brag about to friends? or to be proud of? I think it is something to be ashamed of; afterall, we are responsible adults aren't we?

What can be done about the destruction? We might consider picking up trash already on the ground and taking it to the nearest trash can, or if it hasn't been thrown down, holding it until we get to a trash can. After all, Student Congress didn't buy the new trash cans to remain empty.

That takes care of littering, but what about the rest of the destruction?

Have you considered that destroying the dorms, and other buildings cost us, college students, money? Even the little things like writing on a wall, breaking fire extinguishers, and throwing toilet paper from the window, cost money to be replaced.

And the plants that have been installed around campus to beautify it, well, many of those plants will never see their adulthood. It's a real shame.

No one is blaming anyone, but it is discouraging to a student to find Glenville as destructionville and it is discouraging to the administration to constantly replace and repair.

What can be done? It has to come from each of us, not just a few, after all, we are mature, responsible college students, aren't we?

LB Hall Brigade Strikes

It was November 12, 1981 at 8:00 pm. Keg one was brought into the ballroom of the Pioneer Center. He was a good old keg but his time was drawing near. The first wave of residents of Louis Bennett Hall had arrived to get their dirty mugs filled. An half hour later Keg one had met his match of the first wave. He spit and sputtered until the last drop of his golden blood would flow no more. He was lifted out of his watery strong hold and thrown to the side as if he had not mattered to anyone.

Keg Two decided that he would start where his brother Keg One had left off. Yes Folks, he, too was a brave but foolish Keg to try to wear down the likes of the Louis Bennett Hall Brigade. The residents huddled around the Keg until the time was reached when Keg Two was tapped. The cups kept coming in to make their way to the lips of that fearsome fighter: Keg Two. Like his brother before him his time was slowly coming around to that last great hit when he, too, would spit and sputter to an end of that golden flow of life. As Keg One had done before him, Keg Two had fought a good fight but to no avail. He was on his way to that great keg Heaven (or could it be he was on his way to Hell for trying to butdo the likes of the Louis Bennett Hall Brigade.) After the second half hour Keg Two was laid to rest beside his brother in Heaven or Hell next to Kea One. His fight was strong but nothing could turn the battle to his favor. A mighty cheer rose from the crowd as everyone found out that Keg Two was wasted.

Little Known to the boistrous crowd from Louis Bennett Hall that there would soon be another to challenge the likes of this mad hoard. Keg Three, the last of the Kegs to be allowed to be carried through those gates to eternal damnation, was soon to meet to same tragic end like the two before him. Another roar arose as Keg Three was readied for battle with these devils of Louis Bennett Hall.

There waiting for Keg Three to be tapped were guys of the quarter bounce and following close behind were the guys from the Infamous funnel; both waiting with their pitcher to do battle with the Keg. We, also, had our loners who brought up the rear with their cups to claim their share of the booty of Keg Three. Real Folks, Keg Three had no chance to even lay out a battle plan for he was surrounded with three young men pumping the golden fluid of life from him and into the cups and pitchers of the Louis Bennett Hall Drinker.

As the last drops of golden fluid was being pumped from Keg Three, a low murmur wnet through the crownd; "Keg Three has bit the dust and has seen his last minutes." Yes, Folks, Keg Three was down and out for the count like his brothers before him in rerecord time of twenty-five minutes. A mighty roar rose from the crowd, "The Kegs are gone." It was a sad time, for now the crowd of Louis Bennett Hall must make that long hard walk down to the Campus Pub to assualt the "Quarter Beer" that waits for them there. Everyone had a good time and hated tasee the end come to their party in just one hour and a half with three Kegs being the quest of honor of their own massacre.

I, as a witness to this massacre, must admit that the Kegs were not the only fatalities as this party. Along with the Kegs were many Hot Dogs who were sauced, onioned, mustarded and ketchuped. Even the Chips were downed by this ruthless bunch from Louis Bennett Hall. We are glad to announce that there were no fatalities on the part of the LBH bunch. There was a sad bunch who heard the last cry on the battle field, "Keg Three is no longer with us." May the THREE KEGS REST IN PEACE!

But on the seriousside, everyone had a good time listening to the music provided by various people from the dorm and drinking the beer that was provided.

Pioneers End 1981 Season With 27-10 Loss To WVIT

William Dalton's 189 yards defeated the Glenville State College Pioneers by a 27-10 score in a season-ending game for both teams last weekend at Montgomery. Tech won its final four games to finish 6-4, while GSC finished at 1-8, with its only win coming in its third game of the season.

GSC drew first blood in the game, scoring on a 31-yard field goal by senior Steve Gandee in the first period for a 3-0 Pioneer lead. The scoring was all Tech from then until the fourth period, however.

Two touchdowns in the second quarter and one in the third stanza put Tech in control with a 21-3 lead with one quarter of action remaining.

The Golden Bears made their lead even bigger in the final quarter when Dalton tallied one of his touchdowns for a 27-3 score. with a 28-yard scoring pass

from Jeff Metheny to Steve

West Virginia Tech, led by extra point to make it 27-10. GSC could get no rushing and two touchdowns, closer, though, and found defeated the Glenville State themselves on the short end of the score when the gun sounded ending the game.

Offensively, GSC was outgained 404-257. Freshman Byron Brooks gained 77 yards on 17 carries to pace the Pioneer rushing attack. Right behind him was senior David Boggess, who gained 76 yards on 17 carries. Passing-wise, quarterback Jeff Metheny was five for 16 for 76 yards and one interception. Steve Williams caught three passes for 47 yards, and Steve Gandee caught one for a 28-yard score.

Defensively, Terry Kendall had three tackles and eight assists to lead GSC. Steve Ware was in on ten stops and had a blocked pass and a fumble recovery. Also, Rod Abrams was in on ten tackles, Andy Marchal had a quarterback sack, Bernie Bertus had a blocked Glenville matched that score pass and an interception, and Jeff Jones, Scott Tay-lor, and Larry Lougher had fumble recoveries.

Men's Cagers To Open Season

The GSC Pioneer men's basketball team will open its season this weekend in a tournament at West Virginia Wesleyan, and Coach Jesse Lilly's cagers will have a long road ahead in attempting to duplicate last season's surprising fourth place finish in the West Virginia Conference Tournament. Last year, GSC finished 15-16 with a 94-85 loss to West Virginia Tech in the WVC consolation game giving them fourth place after going into the tourney ninthranked

Eight players, including three starters from that squad, are back for the veteran Lilly. All-WVIAC selection Don Bullett, who averaged 21.9 points a game last year, heads the list. Two quards, senior Mike Forbes and Junior Randy Anderson, are the other two starters returning. Bullett and Forbes will be the team's co-captians.

Other returning players include senior Bill Lilly,

juniors Scott Ludwig and School in Beckley are the Mike Morrison, and sophomores Brian Pearis and Rick Smith. Ludwig was invaluable as a sixth man last year while Morrison saw a lot of action, also.

Two junior college transfers are expected to start for Lilly right away. Clay Young, from Lakeland Junior College ir Cleveland, and Jerome Hampton, from Garrett Community College in Oakland, Maryland, will help fill the void left by the absence of John Irwin and Paul Wills.

Six freshmen round out the Pioneer squad. Richard Moore from Parkersburg, Chris Bell from St. Petersburg, Fla., and Ron Allen from Liberty of Raleigh are expected to see some action early in the season. Derek Miller from Thomas Stone High School in Waldorf, Md., Steve Meckfessel from George Washington High School, and Bob Bolen from Woodrow Wilson High

had these com-Lilly ments concerning his team, which will play Alderson-Broaddus in the Wesleyan tourney, "We have many questionable spots. We need to spend a lot more time on our defense and on our board work. It all depends on how much work we want to put in it."

According to Lilly, who gained his 300th career coaching win last year against Davis and Elkins, the league will be tough again this year. He remarked, "Fairmont, UC, and Salem will be the toughest teams. With a good effort, we should finish in the middle of the pack or better.'

After playing in the Bobcat tournament on Nov. 20 and 21, GSC will play at West Virginia State on Dec. 1, then on Dec. 3 and 5, home games are scheduled with D-E and Walsh College.

Harriers To Compete In NAIA Meet

The GSC men's cross country team, recent winners of the West Virginia Conference cross country championship, will finish a long season this weekend at the NAIA national meet at Kenosha, Wisconsin. The Pioneer harriers, coached by Jim Hilgenberg, earned a berth in the prestigious NAIA meet by claiming the WVC title nearly two weeks ago. GSC defeated seven other schools for the title, breaking a three-year string of placing second.

The seven runners who will represent Glenville at the national meet are P.K. Coon, Craig Bock, Billy Belcher, Larry Taylor, Steve Roberts, Steve Keenan, and Lee Haddox. Coon, the team's fouryear captain, participated in the national meet in his freshman season when GSC went as a team. Last year, Taylor also went to the nationals to compete as an individual.

Hilgenberg exclaimed, "We've had a good season so far, and we're going to Kenosha to perform well. We'll be up against the best small college teams in the nation out there!" GSC is the District 28 representative to the meet. A total of 32 teams and numerous other individuals will participate.

The Panhellenic Council will meet November 19 at 12:30 p.m. in the Little Theatre. Topics of discussion will be care packages and Greek week.

All rosters for men's intramural team swimming should be turned into Gary Nottingham no later than 4 p.m. on Tuesday, December 1. Any fraternity or organization is eligible to participate. Events include freestyle, backstroke, underwater for distance, butterfly, elementary backstroke, freestyle relay, butterfly relay, and backstroke relay.

Pictured above are the cast members for Raeleen McMillions one act play, "Love and How to Cure It." Cast members are: Jennifer Chisler, Director Raeleen McMillion, Pat to pick up any garbage they Lewis, back row, Craig Worl and Tim Brown. The play will find scattered on campus. Nov. 18 in the auditorium at 8pm. Other plays to be performed are "The Lottery" Nov. 19 and "A Victory on Mrs. Several trash cans through the control of the control Dandywines Island."

The El Toro Club, Rt. 5 between Glenville and Burnsville will present Ezra, a Rock band from Glenville State College on Thursday night Nov. 19 from 9pm till 1:00 am. Thursday night college students \$2.00 Adm. Must show student L.D. Card.

LETTERS TO THE EDITOR

I am writing this letter in reply to the letters received at the Mercury concerning my Oct. 21 editorial about apathy on the GSC campus. An editorial is merely an opinion of a person. This opinion should be backed up by facts (which mine was) and should make people think, not slander any one person, sorority or fraternity. My editorial was not intended to slander any one individual or Greek organization. I simply was making a statement that the Greeks on this campus could be more active. They are one of the leading influences on campus. I had done research concerning apathy, and had several long discussions with sorority, fraternity and some faculty. The people I talked with felt the same - if more activities were offered, maybe there would be more people on the campus on the weekends and less vandalism.

As a three year member of ctudent Congress I realize the financial burden imposed upon any organization which tries to have an activity an campus. Many times it is a money losing proposition. However, if the time were taken, and enough publicity done, perhaps after a few weeks or months students would begin to join in the activities. Some of the Greek activities are wonderful ideas, like a soup bean and ham supper, a toga party or the "Greek Week" that will be coming up soon.

As towards my status as a non-greek, that is not entirely true. I was at one time a member (pledge) of a sorority, however, due to personal reasons am no longer. During my time as a pledge, I learned many things about all Greek organizations and hold nothing against them.

The International Students Club would like to congratulate John "Little John" Henderson who won the twenty pound turkey which was raffled off on November 12, 1981, and we would like to thank everyone who purchased a raffle ticket. Also, we would like to wish everyone a happy and safe Thanksgiving!

International Students Club

It has come to my attention, during the last tew weeks, that the Louis Bennett Hall's front steps are fast becoming a trash dump. Everything from empty cans, old paper wrappers, food, apple cores and now broken glass are thrown down. This looks awful, is dangerous and ruins the image of campus.

If the residents want to be litter bugs, let them throw the trash down inside the Hall, where the rest of us won't have to walk through it. Concerened Student
