Yearbook Staff Selected

The 1982-83 Yearbook has recently arrived at Glenville State College. With this arrival also come the naming of the new 1982-83 staff.

Carron Smith of St. Mary's will serve as the 1982 Kanawhachen Editor. Carron has been Editor of the Yearbook the past two years.

Other returning staff members are Janice Boggs from Webster County who will fill the position of Assistant Editor. Steve Keenan of Gauley Bridge will work with the Sports section. Cheryl Keenan of Gauley Bridge will serve as Copy Editor. Betty Wells

from St. Marys will hold the position of Proof Reader and Debbie Moore of Mannington will be Photographer.

New faces on the staff are Angie Boles of Charleston who will work with activities. Vickie Smith will work as Class Editor. Vickie is from Williamstown. Jim Weidemoyer of Burnsville will work with the sports section. Mindy Phillips of Glenville will serve as Art Editor.

Anyone else interested in working on the yearbook should meet in the Mercury office on Wednesday night at 6:30 p.m. in Clark Hall.

The Mountaineer Food Bank in Gassaway is sponsoring a run for Hunger on Sat., Sept. 25 at 9:30 p.m. For more information, contact the Mercury Office.

Homecoming Slated

To start off the week-end right, the Amazement Park Revue from Cedar Point will perform in the Auditorium at 6:30 and directly after the concert everyone is urged to attend the bonfire led by the Pioneer mascot and music by the pep-band. The judging of the Yellowjacket contest will take place and a \$50 prize is to be given away. But, before all this we can EAT! There will be a picnic on the lawn from 4 - 6 p.m.

The Harry James Big Band will perform music from the big band era in the auditorium at 8:00 Friday, Sept. 24. Sponsored by the Cultural

(continued on p. 5)

Those who have not claimed their 1982 Kanawhachen should do so this week. This is the last chance for you to pick up your book. Workers will be in the Administration Building Office (306) from 8 a.m. to 3 p.m. today, tomorrow and Friday for distribution. After this week, the staff will no longer be involved with the 1982 books -- they will be working on the 1983 edition.

Beginning Monday, any leftover 82 books may be bought by teachers/staff for \$5 in the Mercury Office.

GREEK NEWS

Glenville Isn't For Everyone

Three weeks of classes have now passed. During these three weeks several students have been seen packing their clothes and leaving. Their reasons: "I'm wasting my time here," Glenville just isn't me," or "I want a place with some action."

Granted, Glenville is a small college and a small community. Most of the recreation to be found must be made by the students. There are campus activities, organizations and clubs for those interested. For others, homework is aplenty. The simple fact is that most students at Glenville come from much larger towns, which have fast food restaurants, night clubs and discos or different types of recreation.

But so often freshmen and even upper-division students become disillusioned too quickly and pack up and leave without giving GSC a fair shake. Speaking as one who felt she was "wasting her time" at GSC, I know all the excuses to leave.

While GSC isn't for everyone, think of it as: you must be special to attend GSC. Think about it, before you pack your duffle bag and gas up your car. You will get out of GSC only what you put into it, and GSC could be better because of you.

Invasion Of Space Reported

Has someone been invading and polluting your space lately? If the answer is yes, don't feel alone. This problem is wide spread on campus and will become more noticeable as the classrooms and meeting places become more stuffy with the last hot days of fall.

A major pollutant in meeting places is smoke. Cigarette smoke is bad enough but cigars and pipes are awful. Not only does the smoke penetrate the room but the smell comes out into the hall and even down the stairs. This is a real nuisance at the Student Union. It may be great for dieters, but what about the rest of us?

Another offender (and I do mean OFFENDER) is wet tennis shoes. As you sit in class trying to pay attention, you notice a size 13 being pushed forward from three seats back. This is when you are sure that this is really a good place for a stick up.

Perfumes and colognes are major space invaders. Webster says that they are "pleasant smelling liquids." Well, maybe this, like beauty, is in the eye (or nose) of the beholder. When a student is rendered unable to stay in class because of runny eyes and breathing problems due to someone's "pleasant smelling liquid," something should be done.

All most people want is for others to be clean and neat. If you use so much perfume that you make others physically sick, then you are an offensive invader of the space of others.

Letter To The Editor

Dear Editor,

I would like to take this opportunity to thank the Glenville State College Band for their spirit and enthusiasm at the ballgame Saturday night. Not only did the band help the cheerleaders but also helped the crowd join in with the cheers. The cheerleaders really appreciate the enthusiasm that was generated and hope it continues throughout the season. Hopefully with the support of the band and crowd, we can help the Pioneer football team to a winning season.

Park Review Plans Concert

The Amazement Park Revue, an American Pop Showcase band, featuring sparkling renditions of popular tunes from the '50's to the present day, will be appearing here at GSC after the picnic on Thursday, September 23.

The band, consisting of six men and two women, will be including such golden oldies in their performance as "Johnny B. Goode," "At the Hop," and "You Ain't Nothin' But a Hound Dog," and modern favorites such as "Enough is Enough" and "Lady." They will also perform a variety of sock hop tunes of the 50's.

The Amazement Park Revue, who appeared at GSC last Spring, gave off a carefree spirit which everyone will be able to relate to and enjoy.

Pool Open

Want to stay in shape and have fun doing it? GSC and the Red Cross - Gilmer County Chapter are jointly sponsoring a Red Cross Swim and Stay Fit Program.

Starting this week, it will be on Monday, Wednesday, and Friday at 4:5 p.m.

The pool will be open and free to all interested parties. The purpose is to encourage people to swim because "it is the best life sustainer there is." There are no requirements and each individual will be worked with personally to help one understand stress problems and taking pulse along with Cardiovascular monitoring. On September 21st, the Office of Career Planning and Placement will sponsor a Physical Education Careers Seminar in the Ballroom of the Pioneer Center. All physical education majors are urged to attend as much of the session as possible.

Five guests who are college graduates with majors in physical education, but not employed in the education field, will talk with students concerning alternatives to teaching. The program will begin at 1:00 p.m. and conclude at 4:00 p.m. Students may attend all or part of the seminar.

"Grody To The Max"

Early this summer I was in Cleveland, and the conversation led me to say "gag me in and gross me out, puke, puke!" Hey, one of my friends said, "You sound like a Valley Girl." "A Valley Girl? What's a Valley Girl?" I asked. The three people looked at me strangely and all said, "You've never heard of a Valley Girl?" "No," was my reply.

I was simply using a phrase that I had heard an instructor at GSC use last year. How was I to know that that phrase was now part of one of the hottest songs in the nation, and was part of a whole new vocabulary and wardrobe.

Later that weekend I found an article in the PLAIN DEALER (Cleveland's paper) that explained how the concept of a Valley Girl had come 'round. A Valley Girl is a soft-spoken young girl who wears mini-skirts, metallic jewelry, laced trimmed anklets. The most noticeable thing about a Valley Girl is the fact that they have a language all to themselves, like totally.

If you meet up with a girl in a double-breasted blazer, polka-dot tie and pants cut above her ankle and she says to you, "Bag your face, you beasty, like totally." It can be translated into "You are ugly, you nerd (or twit) for sure."

The new dictionaries for the Valley Girl language have not come off the press yet, but in case someone runs into a Val, here are some definitions: "bitchen" - cool; "grody" - gross to the max; "tubular" - awesome.

The Valley Girl craze has spread to Punk Rock Vals, Rocker Vals, Surfer Vals and Studious Vals (who spend all their time in the libes). It seems as I walk on the campus that we have some 'Ville Vals. But what is more disturbing than the 'Ville Vals is the fact that Glenville may yet get on the map with their 'Ville Val Guys who have spiker haircuts and wear holey tee-shirts and cut-off sweats.

Friend, Fellow Student, Dies

Death is a part of life, and must be accepted as such. Acceptance though, isn't always easy and often the hardest part to deal with. Dealing with death is done in various manners: friends cry, poets write, people pray and Glenville wore black.

Death came to Glenville State College this past week. A friend and fellow student, Patricia Dunleavy, died in a car accident, as she was returning from observation at Normantown Elementary. Patty, 23, was preparing to student teach at Normantown.

Patty's death was a shock to all of us, as well as a loss of friend, student, sister and daughter. A question running through many minds is, "Why God, she was so young?" The answer is something beyond human conception. We must accept death, but with this acceptance, Patty will not fade from our memories as our tears dry, but will be retained and loved in the hearts and minds of many as a friend.

God's finger touched him, and he slept. (Tennyson, IN MEMORIAM.)

Some of the best cross country teams in the area will be in competition at Glenville this weekend. Included among the quality teams entered in the annual GSC Invitational is the Pioneer team.

This season, Coach Jim Hilgenberg's squad is defending the West Virginia Conference championship it won last year over Fairmont and five other opponents.

The 1982 season began last week with participation in the Marshall Invitational. GSC performed well despite competing against NCAA schools.

This weekend's home meet, the only chance to see GSC in action at home this season, should give the Pioneers a good idea of how the WVC meet will turn out on Nov. 5.

Volunteer help in addition to vocal support will greatly aid GSC this weekend. So, come out to the football field Saturday earlier than usual and watch a great team in action.

The Pioneer defense stacks up the Tech offensive attack in Saturday's game.

Pioneers Play To 7-7 Tie With Tech

In their second outing of the 1982 season, the Glenville State College football team completely dominated West Virginia Tech but could only gain a 7-7 tie. The tie put GSC's record at 1-0-1 on the season.

Tech drew first blood by gaining a touchdown and extra point conversion in the first period. No further scoring took place until the final period when GSC quarterback Jeff Metheny scored from seven yards

out. Freshman Jim Weidemoyer kicked the extra point to make it 7-7, which was the final score.

Sophomore Byron Brooks was again the core of the GSC offense. He piled up 227 yards on 43 carries for 5.3 average. Signal-caller Jeff Metheny connected on 8 of 15 passes for 93 yards and one interception. Steve Williams caught three for 51 yards, and Joe Mullan snared three for 31 stripes.

Overall, the Pioneers outgained Tech, 390 yards to 140 yards. GSC held a 19-7 edge in first downs.

Terry Kendall had four tackles and three assists, and Rod Abrams had three tackles and six assists to pace GSC's defense. Scott Taylor grabbed two interceptions and Mark Hash one.

This weekend, GSC and Shepherd will clash at 1:30 p.m. at Pioneer Stadium.

Runners Compete In Marshall Meet

GSC's men's cross country team opened its season last weekend by participating in the 11th annual Marshall University Invitational. The Pioneers, with only five runners competing, placed eighth of nine teams, most of which were NCAA schools.

The Pioneer runners scored 210 points, 38 points ahead of West Virginia State College, the only other WVC school at the meet. Ohio University won the meet with 30 points.

Junior Larry Taylor led GSC with a 19th place finish. His time for the 5-mile course was 26:30 unofficially.

Senior captain Billy Belcher was next for GSC. He placed 41st in 28:50. The Pioneers' other senior member, Pat Godfrey, placed 45th in 29:30.

Chris Keister, a junior, was 46th in 29:45 in his first race in nearly two years. GSC's fifth runner was junior Steve Roberts, who finished in 36:15 for 59th place.

Dr. James Hilgenberg, the team's coach, commented, "In this meet, we were up against bigger schools, which is the best way to improve. Everyone ran pretty well." He also remarked, "We had two of our top runners missing, and most of the others were recovering from a long race the previous weekend or still working themselves into shape."

GSC will host its own meet this Saturday, Sept. 18, beginning at 10:30 a.m. Volunteer help as well as vocal support is needed to insure the meet's success.

Brooks, Kendall Honored

Two GSC football players were honored as West Virginia Conference Players of the Week for their performances in the Pioneers' convincing, 20-7 win over Waynesburg.

Sophomore tailback Byron Brooks and junior defensive end Terry Kendall were the recipients of the WVC's first weekly honor.

Brooks, from Jeannette, Pa., highlighted Glenville's offense by amassing 212 yards and three touchdowns on 21 carries.

Kendall, from Spencer, spearheaded a tough GSC defense in the Waynesburg conquest. He had six solo tackles, five assists, and two quarterback sacks.

There will be a Long Run Pool Tournament in the Pioneer Center Game Room on Wednesday, Sept. 29 at 6:30 p.m. Students and faculty/staff are eligible to enter. There is a \$3 entry fee, and contestants can start registering now in the game room. One must pay when registering. Cash prizes will be given to first and second place winners. The rules are as follows: Each contestant is allowed four breaks and the winner will be determined by the longest continuous run.

Montrose Guidelines Listed

The Montrose Award, named in honor of Frank Montrose, a former athlete at Glenville State College, will be presented at half-time of the Homecoming game on Sept. 25.

Given annually to an outstanding graduated senior at GSC, the Montrose Award signifies high achievement in both scholarship and athletics by the recipient. To be considered for the award, a student must meet certain requirements.

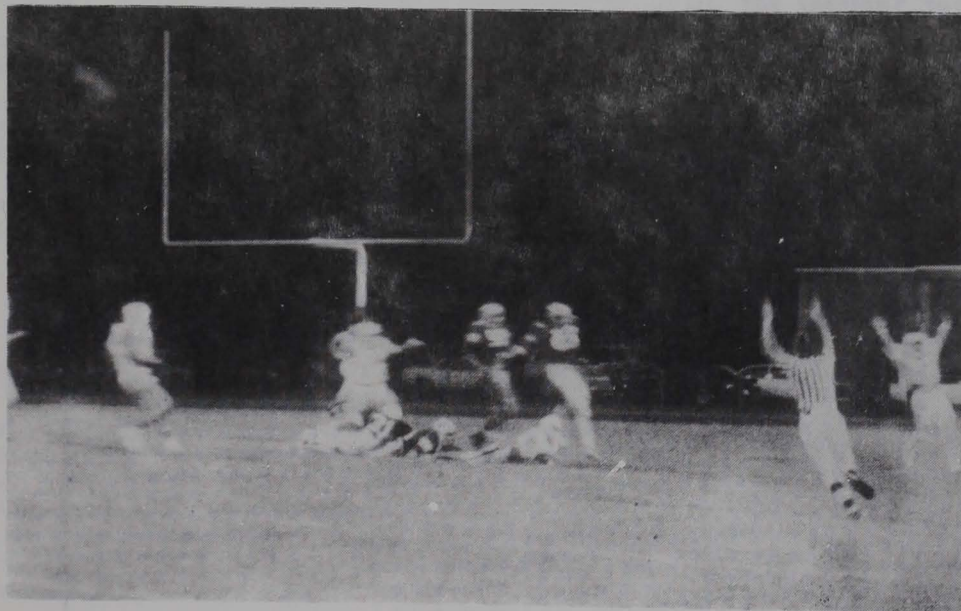

Following are those requirements: 1) The athlete must have a 3.00 overall cumulative grade point average; 2) the athlete must be of good moral character as determined by the Athletic Committee; 3) The

athlete must attain at least an All-Conference in the sport; 4) If a member of the Athletic Committee was also a coach of the sport in which a nominee participated, the member/coach will abstain from voting on the Montrose Award Winner.

The standards listed above were adopted by the GSC Athletic Committee in Dec., 1976.

Anyone wishing to volunteer to help at the GSC Cross Country Meet on Saturday should be at the Pioneer Stadium Saturday at 10 a.m.

There will be a yearbook meeting on Wednesday, Sept. 15 at 6:30 p.m. in Room 3, Clark Hall.

Banner Contest Outlined

It is getting very near to Homecoming and the time for all organizations to get involved with the contests and individuals to be active and show their spirit for our winning Pioneers. One contest to get ready for is the Banner Contest. It is open to all organizations, groups, and residence hall floors on campus. In order to participate, one must fill out and return the participation form to the Office of Student Affairs by Thursday, Sept. 23 at noon. This is also the deadline to have banners approved in the office of Student Affairs and hung in place. The theme is "Through the Years at GSC."

The rules for the Banner Contest are as follows:

1. Sheets or light weight canvas are recommended backgrounds for banners to allow ease in displaying them. Waterproof ink or paint is preferred to prevent destruction by rain.

2. Banners should reflect the theme of Homecoming: "Through the Years at GSC."

3. Completed banners must be approved in the Office of Student Affairs by 12:00 noon Thursday, September 23, 1982. The completed participation sheet must be turned in at the time the banner is approved.

4. Banners must be safely displayed on campus at one of the following locations: Pioneer Center, Science Building, Administration Building, Physical Education Building, Clark Hall, Robert F. Kidd Library, Pickens Hall and Louis Bennett Hall.

5. To qualify for the contest, the Banners must be carried in the parade on Saturday morning, September 25, 1982 at 10 a.m. They must also be taken to the field and displayed on the fence at the far end of the field, opposite the scoreboard.

6. Judging will be based on originality, theme and appearance of the banner.

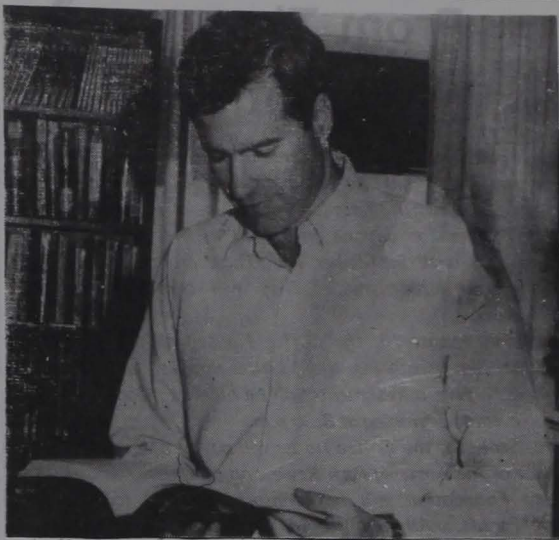

7. Banners must be hung by 12:00 noon on Thurs., September 23, 1982. Judging will take place at 4 p.m. The winners will be announced during the pre-game ceremony at the field on Saturday, September 25, 1982.

8. Prizes will be a pizza party or ice cream party to each of the top three winning organizations. Arrangements will be made through the Food Service Director to accommodate the organization.

For more information contact Melissa Simpson or Beth Carpenter.

College students are getting together Thursday night, Sept. 16, from 8 til 11 p.m. We will meet at the Baptist Church Basement and will be stopping different places until we reach our secret destination. There will be games, popular music, pizza and cokes. It is all free and everyone is welcome.

The production dates for "Barefoot In The Park" have been changed to November 11, 12, 13.

Dr. John Hymes prepares for Middle East History Class offered this fall.

Hymes Named To State Post

Dr. John Hymes, has been named president-elect of the W. Va. Historical Society. This historical society began in the 1940's and is made up of professional and many non-professional historians. The Historical Society's purpose is to promote the history and culture of West Virginia. Their annual meeting will be October 16 in Charleston. The topic for this year is the 200th Anniversary of George Washington due to the fact he was a West Virginian as well as a Virginian.

Hymes explained that each county in WV has an historical association, although, some are very strong and active while others are weak. He is trying to involve each county equally and work with them. Hymes said, "This is very hard to do because of so many different opinions."

The goal of administration for President-elect Hymes is to get many more people involved. This includes scholars and mostly young people as well as older people.

The State Historical Society is undergoing major changes to promote the history of West Virginia.

Coberly Called To Aid Smith

Rolanna Coberly, a 1982 GSC graduate and a National PBL award recipient, has been appointed to the FBLA - PBL State Committee. Rolanna's job on the state committee will be to assist Mr. Ernest Smith as state PBL advisor.

While at GSC, Rolanna was very active in PBL. She served as secretary, vice-president, and president of the local chapter at GSC while also serving as state chapter secretary during the 1982-83 year. She won several state PBL awards as well as placing 10th in the Ms. Future Business Executive contest at the PBL National Leadership Conference in Indianapolis this summer.

Rolanna is currently employed by Glenville State College, working in the Placement Office.

TV Courses

TV courses offered for the fall semester are Personal Finance and Money Management, Art of Being Human, Voyage, and Shakespeare Plays.

Personal Finance and Money Management presents an in-depth study of personal financial decisions the average person can expect to confront. Topics covered include the basics of budgeting; the intricacies of home ownership, income taxes and investments; and the wise use of insurance, wills and trusts.

The Art of Being Human examines the limits of man's aspirations and possibilities. It explores the full range of humanistic aims and ideals. Using a thematic rather than chronological approach the course looks at human achievement in the arts and in ideas. The diverse expression of man shows the great possibilities for humankind.

Voyage is a course in career/life planning which focuses on the process by which students may plan effective and satisfying relationships of work to life. It explores areas of major interest and concern, such as decision making, values and career decisions, and setting goals, to both student and career education instructors and counselors.

Shakespeare plays will be offered also. Among plays to be offered are: Henry IV, Part 1; Henry IV, Part 2; Henry V; Taming of the Shrew; Othello; Troilus and Cressida; and, the Tempest.

Each course is worth 3 credit hours. Registration is open until Sept. 20.

Kyle Clinic

Everyone comes down with colds, sore throats, and other medical problems that are common to college students. Where to go is the question that comes to mind. The answer is the Kyle Clinic, which is located on Mineral Road. The Kyle Clinic is the place for Glenville State College students' illnesses.

Leading the staff at Kyle Clinic is Dr. James M. Kyle, and his wife Diane, who is a registered nurse. Other members of the staff include Cheri Colavecchio, an L.P.N.; Beth Brooks, nutrition specialist and receptionist; Leslie Hoffman, X-Ray Technician; Diane Haynie, Angie Edwards, Patti Billips, and

Linda Billips. Jill McCartney is the student liaison for the health services. She is on campus at GSC to answer questions or complaints from students.

One of the most common medical problems of college students is the fear of gaining those "Freshman 10" or gaining extra weight. I experienced a very frightening case of the "Freshman 10." A friend of mine decided to crash diet to lose her "Freshman 10." She didn't eat for three days and this caused her to pass out because she deprived her body of essential nutrients and minerals that keep it running.

According to Diane Kyle,

R.N., the causes for weight gain in college are: eating socially, decreased activity, and increased stress. The dangers of crash dieting can be fatal to people with underlying health problems and it can cause metabolic disorders and decrease mental alertness of those who are healthy. Crash dieting is not only dangerous - it is an ineffective way to lose those ten pounds permanently. Permanent weight loss occurs only when there is a change in the lifestyle. Crash dieting is a change, but sooner or later, one must resume his old lifestyle and when they do, those 10 pounds will come back. A proper

diet will cure and restore the crash dieter's body. Sensible eating habits and routine exercise, according to Diane Kyle, is the way to take off those ten pounds. The Kyle Clinic offers Diet and Nutritious Counseling on Tuesdays and Thursdays to groups or individuals of GSC, provided that an appointment is arranged. There is also exercise counseling available to those who want it.

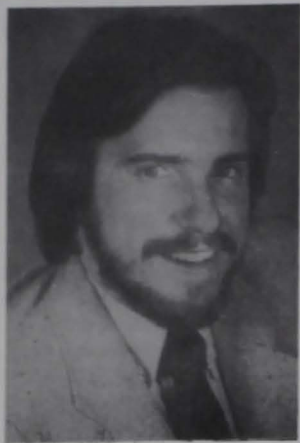

Kyle Clinic is open to the students on the following dates and times: Monday - 9 a.m. to 1 p.m., 2:30 p.m. to 5 p.m. Tuesday - 9 a.m. to 1 p.m., 2:30 p.m. to 5:00 p.m. Wednesday - Emergencies

Only. Thursday - R.N. on duty all day, but not Dr. Kyle. 9 a.m. to 1 p.m., 2:30 p.m. to 5:00 p.m. Friday - 9 a.m. to 12 noon.

Students should call ahead so the clinic can prepare. All records of the students are strictly confidential.

Appointments can be made by calling 462-5708 on Monday through Friday from 9 a.m. to 4:30 p.m. Health Care and Health Promotion Services which are given in routine office calls are free to students at GSC.

Dale Sparks Gets Awards

Dale Sparks, Mercury photographer from 1978-80, has won three photography awards from West Virginia Press Association at their annual convention August 20 at the Greenbrier Hotel. Winning two first place awards - one each in Division 1 (paper circulation more than 20,000) and Division 2 (small paper under 20,000 circulation), he also won a third place award.

Sparks, chief photographer, Beckley Newspapers, is a 1980 graduate with a liberal arts degree in English and Journalism.

His winning photographs were pictures of the "Turkey Bowl" football game last Thanksgiving and a basketball action shot of a high school tournament game.

Sparks regards his recently published photo of Cheryl Tiegs at the Greenbrier as his greatest achievement to date.

Former Glenville student, Drew Moody, also won three awards at the convention. Chief photographer of The Parkersburg News, he was awarded first and third place in feature pictures in Division 1. He was also awarded an honorable mention for News and Sports pictures.

Homecoming

(Cont. from Pg. 1)

Affairs Committee.

September 25, homecoming day, will start with the parade starting at 10 a.m. All participants are asked to line up at 9 a.m. on College Street.

Coronation will take place in the amphitheatre proceeding the parade. The Pioneer marching band will play.

The pre-game activities start at 12:30. Kick-off time for the Glenville vs. WV State is at 1:30.

From The Wesley Foundation

The Wesley Foundation wishes to remind all students that we are open for studying from 9 a.m. to 9 p.m., except on Thursdays when we stay open until 10:30 p.m.

There is still time for anyone interested in the Discussion Groups, to sign up until September 19. These groups concern the Bible or an ethic issue. They will continue until Thanksgiving break.

Tomorrow night, Sept. 16, the Coffee House will present a series of short films featuring the "Little Rascals" and the "Three Stooges." Free refreshments will be offered. Come out and enjoy the evening beginning at 8:30 p.m.

Next week, Sept. 23, the Coffee House will not be open due to the appearance of the Amazing Park Review on campus.

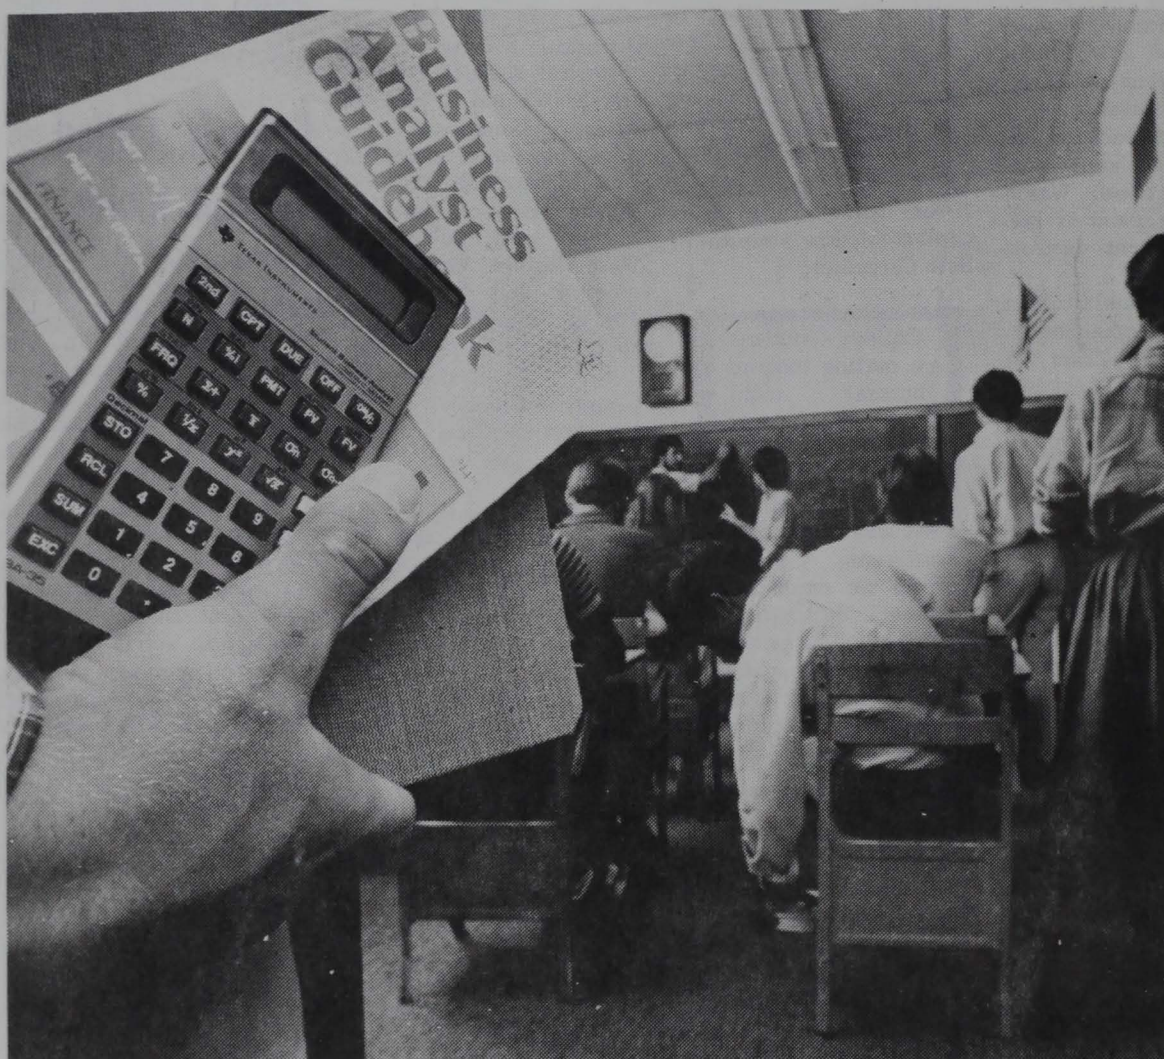

The Wesley Foundation will be sponsoring a float for the Homecoming Parade. All help would be greatly appreciated. Please stop by and sign up to work on the float.

Are you one for taking chances? Well, come try your luck on an Alumni chance. They are raffling off the fourth of a series of collection pioneer muskets with a powder horn and case, retail value over \$300. The tickets will be sold for two dollars each. Also being chanced is a Sharp Carousel 1.2 cubic foot Microwave oven. The oven is worth over \$400. The tickets will be \$2.00, also. Anyone can pick up a ticket at the Alumni office or from any member of the Alumni Council. They go on sale on September 5 and the winner will be announced at mid-night at the homecoming dance.

Persinger Is New Clerk

Susan Persinger is the new financial aid accounting clerk this year at Glenville State College. She is a familiar face to most because she previously worked as a clerk in the bookstore.

Mrs. Persinger handles small loans in the financial aid office, which is located at Louis Bennett Hall. She replaced Tammy White. Mrs. Persinger enjoys going to church and doing embroidery. She commented, "I really like it here and I think the people are friendly."

This calculator thinks business. The TI Student Business Analyst.

If there's one thing undergrad business students have always needed, this is it: an affordable, business-oriented calculator. The Student Business Analyst. Its built-in business formulas let you perform complicated finance, accounting and statistical functions—the ones that usually require a lot of time and a stack of reference books, like present and future value calculations, amortizations and balloon payments.

It all means you spend less time calculating, and more time learning. One keystroke takes the place of many.

The calculator is just part

of the package. You also get a book that follows most business courses: the *Business Analyst Guidebook*. Business professors helped us write it, to help you get the most out of calculator and classroom. A powerful combination.

Think business. With the Student Business Analyst.
