## Glamour Girl Applications Being Taken

Glenville State students are invited to participate in GLAMOUR Magazine's 1983 Top Ten College Women Competition. Young women from colleges and universities throughout the country will compete in GLAMOUR's search for ten outstanding students. A panel of GLAMOUR editors will select the winners on the basis of their solid records of achievement in academic studies and/or in extracurricular activities on campus or in the community. The 1983 Top Ten College Women will be featured in GLAMOUR's August College Issue. The ten winners will receive a \$1,000 cash prize. Anyone who is interested in entering the search should contact the Mercury Office for more information. The deadline for submitting an application to GLAMOUR is December 1, 1982.

## Financial Aid Faces Delay

Glenville State College students and other students across the nation are going to be affected because of the applications that will come in next year. According to Rick Simon, Glenville State College Financial Aid Administrator, there is a lawsuit being filed against the Office of Education. This lawsuit will delay the printing of any financial aid form and they will not be available to students until December or January and that is at the earliest. This lawsuit is being filed by Corpus and the co-defendants are ACT and the College Board. It deals with basically the fees that are charged to students to process their applications. Copus thinks that the federal government should provide the forms free instead of charging the students. But, the free federal processing will take much longer. If ACT and College Board continues printing and charging for the applications it will speed up the processing and students will get their applications processed in time so that

they can receive Pell Grants or other financial aid.

Glenville State College students and other students across the nation are going to be affected by the override of the President's veto. This means that an additional 140 million dollars will be added and distributed across the nation to financial aid-seeking students. The eligibility will change for some students and those students will receive more money. The disbursement of this money is being held up by a Senator from California because of an amendment he proposed to the legislation. If accepted, it will change Veteran's eligibilities and this will be voted on in the Congress in the next two or three weeks. The change in the Pell Grants will be effective the second semester of this school term.

Students will be alerted to the changes in their individual aid packages by the financial aid office prior to the beginning of 2nd semester.

There will be a year-book meeting for all interested students at 6:30 p.m. in the Mercury office. This meeting is important, for the theme and cover will be discussed.

A plant, which was on loan for the Homecoming dance, and belonging to Dr. Chisler was found to be missing after the dance. So far a ransom note has not been received, return of the plant would be appreciated.

Joe Drahnak, Director of Food Services here on campus, would like to quell any doubts as to whether the paper cups are being reused. "Stacking the paper cups does not mean reusing them - they are simply being stacked so they can be more easily disposed in the incinerator."

Homecoming Queen, Melissa Simpson and President Simmons stand before the crowd during coronation Saturday morning.

## Winners Selected

Trophies were given by the GSC Alumni Association to the following organizations that sponsored a float at the Homecoming Parade: The Forestry/Land Surveying Club, first place; Lambda Chi Fraternity, second place; Delta Zeta Sorority, third place.

The following winners in the banner contest will be rewarded by their choice of a pizza or ice cream party. Third floor Pickens Hall, first place; Forestry Club, second place; TKE Fraternity, third place.

The Homecoming window display, sponsored by the Alumni Association, was won by State Farm Insurance, Glenville, W. Va. The display was coordinated by Mrs. Karen Stanley.

## Crews Prepare For Plays

Stage crews for the fall's drama production at GSC have been announced. The crews for "Barefoot In The Park" are as follows:

Set co-heads are Kris Keister and Mike Simpson. Their crew is made up of Cara Keenan, Leanne Butler, Neal Benson, Kellee Booth, Cheryl Keenan, Bobbi Nicholson, Kent Woofter, Joe Stephens, Penny Poole, Gina Bailes, Melanie Greene, Danny Bayer, Larry Skidmore, Andre Holland, Jennifer Morton, Tim Brown, Gayle Stanley, Tammi Igo, and Steve Keenan.

Co-heads for props are Jennifer Morton and Kris Keister. Gayle Stanley, Kellee Booth, Danny Bayer, Larry Skidmore, Tammi Igo, Cheryl Keenan and Steve Keenan are crew members.

## West Announces Exam

Miss Virginia West, Chairman of the Language Division, reminds all advisors and their students that the English Proficiency Examination will be given Monday, October 4, at 6 p.m. in Room 312 of the Administration Building.

As a graduation requirement, all candidates for a baccalaureate degree at GSC must demonstrate proficiency in the English language. A teacher education candidate must fulfill the require-

Costumes are headed by Patty White with help from Lois Miller, Jennifer Morton and Marlene Lewis.

Lights are co-headed by Jack Kalmar and Delton Sigley with assistance from Jennifer Morton, Cheryl Keenan, Lois Miller, Bobbi Nicholson, Kris Keister, and Lou Davidson.

House co-heads are Tim Brown and Tammi Igo with support from Cheryl Keenan, Raeleen McMillion, Melanie Greene, Leanne Butler, Paula Brown, Cara Keenan, Gayle Stanley and Marlene Lewis.

Make-up is headed by Leanne Butler with the helping hands of Raeleen McMillion, Lou Davidson, and Gayle Stanley.

ment prior to being admitted to a program in teacher education. In addition, students who are enrolled in Associate in Science degree programs in forestry, timber harvesting, and land surveying must meet language proficiency requirements.

See pages 35 and 36 of the current Glenville State College Catalogue for further explanation. It is the student's responsibility to determine whether or not he needs this test.

A. James Manchin was one of the many participants in the Parade.

## Committee Named

The Food Committee which met for the first time Tuesday, September 28, include the following people: Paul Scott, Jr., Mark Kozlowski, Chris Keister, Joe Huxley, Bill Szabo, Joe Stephens, Jim Wiley, Walt Marrio, Charles Simms, Danny Langford, Earle Bell, June Casto, D. Keith Enoch, Edith Simms, Tracy Wallace, Kelli Jameson, Karen Wotring, Melisa Lowther, Brenda Lee Kennison, Ann Miller, Jackie Myers.

This committee meets to provide the student's views and constructive criticism for the organization and operation of the cafeteria.

Winning first place in the float competition was the Forestry and Land Survey Departments.

# Students Show Rudeness

Watching the movies shown in the auditorium and ballroom of GSC is like going to a Saturday morning matinee! What? How can such a comparison be made? We are all adults attending college and surely do not act like young children.

Unfortunately, for some students of Glenville State College the movies offered every two weeks are a perfect opportunity to be rude and obnoxious. When this behavior continues throughout the film, it destroys a well-plotted theme which the audience, as a whole, would enjoy.

I realize one likes to confer with his or her neighbor during the movie in low tones, however, shouting at a person four rows below you is a bit ridiculous. Often several lines of a movie are lost to viewers because of excessive noise due to a few inconsiderate individuals.

The movies offered by GSC Student Congress are for the enjoyment of all students. So why should a few individuals be allowed to ruin the movies when all GSC students paid for the privilege to view top rate films.

Betty Wells

# What Do We Do Now?

Now that Homecoming is over, what are we going to do for activities? I know, the answer is sleep, study and eat, but what about excitement?

I have a suggestion, why not start a campus wide game, that everyone could play? The game I have in mind is Killer.

What is Killer? In brief it is a game that consists of ten or more players and the object is to kill your victim and avoid being killed by your assassin.

How does it all begin? Well, first, there would have to be an organization to sponsor the game, organize the cards, with pictures and data, set times and dates, and set a prize for the winner.

The winner would be the final person who is left of a shrinking circle.

By the way the game is played with dart guns, and it should be done in fun, not in malice.

If you're interested, I've got the rules.

Debbie Moore

# Letter To The Editor

I would like to take this opportunity to thank all those who helped with the GSC Cross Country Invitational held Sept. 18. Your support was appreciated.

Bill Belcher

If you have attended a Pioneer football game this season, you have certainly noticed a pleasant sight on the football field other than the Pioneer Football Team - the "Pioneer Band." This menagerie of students, from all fields of study, have combined to add an irreplaceable dimension to our Saturday afternoon outings - "Spirit." From the time you hear the distant thud of the bass drums in the approaching air, until the final buzzer terminates the game, this cavalry of students fills the stadium with sounds that are synonymous with football games everywhere.

I would like to take this opportunity to congratulate the "Band" and say well done. Glenville State College is indeed fortunate to have this group of dedicated students and faculty who pledge many hours preparing and practicing for these outings. So the next time you see a Pioneer Band member, remember to say thank you and good job. A pat on the back is a small reward for their contribution to Glenville State College.

Randy R. Hunt

# greek news

Tau Kappa Epsilon

The fraters of the Iota-Omega chapter of Tau Kappa Epsilon would like to thank everyone for making our 1st Annual Homecoming Dance/Party a huge success. We are already looking forward to next year's event.

A reception for all fraters, alumni, and OD's was held in the bottom of the pub after the game. TKE alumni from back to 1963 attended, and a good time was had by all.

We would also like to remind everyone of our traditional bread sale which will be coming soon.

International Students

The International Students Club will hold a meeting on Friday, October 1. Anyone, international students or American students, interested in attending this meeting is welcome. We will meet at 3:30, in 302 AB.

Lambda Chi Alpha

The Brothers of the Beta Beta Chapter of Lambda Chi Alpha held their regular weekly meeting Sunday in the Library.

Homecoming this past weekend was a great success. The Brothers would like to thank the following people for making this past weekend and all the events dealing with homecoming a great success. Thanks: Lou Ellen for all her work on the float; Joe Putnam for all the work on the Pig Roast; Dr. Stahlberg for all the equipment he loaned us for work on the float.

Tickets for the upcoming Spaghetti dinner may be obtained from any brother, cost \$2.00.

Upcoming events: Rent a Chi this week; Haunted House; Spaghetti Dinner.

The brothers are reminded of the event Thursday evening and that you are to dress in a semi-formal manner.

Awards: KCUF - Mike and Gary, Lee Loy, "Pit Crew." AH - "Pudge," Hon. Buddy, Hon. Loughry and Anderson. POW - "Miles," Hon. Pepe. Wino - "Crawdaddy," Gary and Mr. P., Mike Phillips.

Delta Zeta

The sisters in Delta Zeta would like to congratulate the new 1982 Homecoming Queen and court and those who contributed to make Homecoming such a success. We are very pleased to have placed 3rd in the float competition. Better luck next year girls. Congrats to sister Vicki Parrish for 1981-82 "Miss Kanawhachen," and pledge "Forest Festival Princess."

Congratulations to our new pledge sisters, Carolyn Hannaman and Shelly Morris. Good luck during pledging.

We would like to remind everyone about the Blood Drive, Sept. 29 from 1-5 at the Wesley Foundation.

The Alumni reception was a huge success. Thank you to those who participated in welcoming back those DZ's of days gone by.

Special thanks to Mom Bennett.

Good luck Pioneers, Sat. with West Liberty!

Associate TKE

Members of the fall associate class of the Iota-Omega Chapter of Tau Kappa Epsilon are: Scott Burdette, Jeff Chapman, Wayne Huffman, Jim Hume, Joe Huxley, Kenny Osborne, Brad Riffle, and Rod Somerville.

The fall associate class officers of the Iota-Omega Chapter of Tau Kappa Epsilon are as follows:

President - Joe Huxley, Vice-President - Jeff Chapman, Secretary - Brad Riffle, Treasurer - Kenny Osborne, Historian - Scot Burdette, Chaplain - Rod Somerville, Sergeant-at-Arms: Jim Hume.

Future plans include a dance with kegs of refreshment.

Literary Society will meet Thursday, Sept. 30 at 7 pm in the Vandalia room.

Phi Beta Lambda

PBL would like to thank all members who helped build our float. Your help is greatly appreciated. We would also like to thank Mr. John Cunningham and Mr. Gene Stalnaker for sponsoring our float in the parade.

The lucky winner of our 25% cash give away is Judy Davisson of Glenville. The winning pot was \$37.75.

Our next meeting is Thurs., Oct. 30 at 4:00 in Room 101 AB.

A reminder to all people going to the RLC at Virginia Beach: Your dues must be paid before you can go, so please pay them immediately.

Also, a special thanks goes out to the Division of Business and all others who loaned machines and equipment for our float.

Sigma Sigma Sigma

The Tri-Sigma sorority held a regular grub in the ground floor lounge of Pickens Hall Monday at 4:30.

Regular business was discussed. Everyone is reminded of the Rush Party to be held Wed., Sept. 29 at 7:00 in the 3rd Floor Lounge.

We would like to wish the Pioneer football good luck in the upcoming game against the West Liberty Hilltoppers.

Bon-fire

# Keenan's Korner

Welcome, sports fans. Guest columnist Pat Godfrey here, filling in for the conscientious but unimaginative Steve Keenan. Topic: NFL Strike.

Football players only make \$90,000/year, travel on chartered jets, stay at fine hotels and eat the best food. It's tough to raise a family, own three cars and two houses and rent an apartment and, last but not least, support a cocaine habit. We give welfare help and food stamps to people who earn less than \$7,000/year, support eight children, pay a mortgage and try desperately to live day to day. Football players only work half a year and then are unemployed. Tell me that's not difficult on a breadwinner. I say "Rally America" and tell the children of fathers who are laborers and are working year-long to suck it up and go without lunch at school, so we can help the hapless NFL players to get through this rough period. Come on America and show us what really counts: God, Mom and the NFL.

Pat Godfrey

## Taylor Paces Glenville Runners

Larry Taylor ran to a sparkling 11th place individual finish as the GSC cross country team placed 20th of 24 teams in the big Indiana University (Pa.) meet this weekend.

In the meet, Coach Jim Hilgenberg's Pioneers competed against such NCAA foes as West Virginia University, the University of Delaware, and Carnegie-Mellon University.

The lone other West Virginia Conference team in the meet, Fairmont State, defeated GSC, 475-506. The Pioneers, however, were without the services of Billy Belcher, the team's second man.

Taylor's time of 27:03 on the five-mile course was exactly one minute behind the winning time. The St.

## Payne Earns Honor

Mike Payne, a sophomore member of the GSC football team, was selected last week as the West Virginia Conference Defensive Player of the Week.

Payne earned the honor for his defensive performance in the Pioneers' 20-0 shutout of Shepherd. He recorded five solo tackles, six assists and a

Mary's junior received a trophy for his efforts.

Steve Keenan, a junior, was GSC's second finisher. He was 90th overall in 29:31. Freshman Ed Iseli, 125th overall, was third for Glenville in 30:45. Fourth for GSC and 136th overall was junior Chris Keister in 31:21. Senior Pat Godfrey ran 32:08 to place 144th overall and fifth for the Pioneers. Steve Roberts, a junior, ran 33:43 to finish sixth for GSC and 160th overall.

The Pioneers, defending WVC champions, will be in competition more on their level this Friday. GSC will travel to Coonskin Park for the West Virginia State Invitational. A number of conference squads will be at this meet.

blocked pass in pacing the tough GSC defense.

In claiming the award, Payne became the third Pioneer to be recognized this season. Terry Kendall was honored once as the WVC's Defensive Player of the Week, and Byron Brooks was twice picked as Offensive Player of the Week.

The surveyors and the foresters will play a flag football game on Thursday, Sept. 30 at the old football field across from Foodland. Game time is 6:30 p.m. There is no admission charge.

## Brooks Leads Nation

Several members of the Pioneer football team were listed among the leaders in the most recent statistics released by the West Virginia Conference.

Byron Brooks, sophomore running back, is the most prominent among the Pioneer statistic leaders. Brooks, according to his three-game totals, is the top rusher in the NAIA. He gained 553 yards on 85 carries for a 6.5 yard average per rush. Brooks' average of 184.3 yards per game was over 30 yards better than the country's second runner.

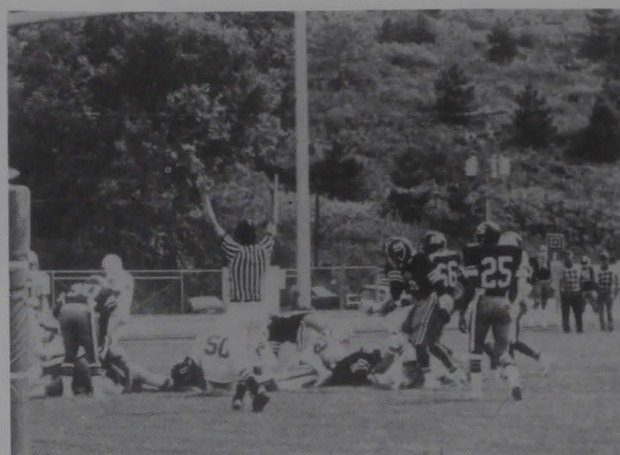

Jeff Metheny, Terry Kendall and Steve Williams were also listed among the leaders. Metheny, a junior, was the conference's fifth rated passer, Kendall was in the top ten in defensive efficiency, and Williams was the top punter with a 41 yard average.

## Bowling League Begins

The Wednesday Night Student League met for the first week of a ten-week bowling season, Wednesday, September 23, 1982. President for the league this semester is Anthony Cochran. Secretary-Treasurer for the league is Larry Skidmore.

The overall standings after the first week are: the Terrific Trio 8-0; Tonkins Tokers 8-0; and, B&B 8-0, are tied for first. Funny Farm 0-8; the Steamrollers 0-8; and The Johnston Jaguars 0-8, are tied for second.

The top three high game leader are: Gary Fisher (Funny Farm) 178; Bill Wiegel (Terrific Trio) 171; and Anthony Cochran (Tonkins Tokers) 167. The high team series goes to the Terrific Trio with 1280.

The referees signal "Touchdown" as Joe Mullan plunges across the goal line.

## Pioneers Drop Homecoming Game

The big crowd in attendance at the GSC-West Virginia State football contest on Saturday expected yet another victory by the unbeaten Pioneers. They were disappointed, however, as the Yellow Jackets, also undefeated entering the game, pulled out a 14-7 decision to spoil an otherwise fine Homecoming day for Glenville.

Defense was the name of the game Saturday. Both squads' defenses turned in good performances. A total of only 326 yards in total offense was gained during the contest. West Virginia State gained 198 yards, compared to 128 for GSC. The Jackets held a 12-8 advantage in first downs.

A Mark Hash interception led to Glenville's touchdown

early in the second quarter. Fullback Joe Mullan tallied from one yard out and Jim Weidemoyer kicked the extra point to give GSC a 7-0 lead.

West Virginia State scored twice in the second half on pass plays to grab the 14-7 victory.

The State defense held Byron Brooks, the NAIA's top rusher, to 69 yards on 25 carries. Jeff Metheny finished with 11 completions in 27 attempts.

Top defensive performers for Glenville were Fred Parsons, Andy Marchal, Terry Kendall, David Darst, and Mark Hash.

GSC, 2-1-1 and tied for fourth in the WVC, will attempt to get back on the winning track this Saturday, Oct. 2 when they travel to West Liberty for a 1:30 p.m. game.

# Kyle Clinic Gives Advice

With the cold, nipping air taking the place of the hot humid air in Glenville, many students are getting that common sore throat or cold that just never will go away. Kyle Clinic, which is located on Mineral Road, has provided the students with some information that is pertaining to all of us since we are the victims of colds and sore throats at one time or another in our lives.

First of all, did you know that most sore throats and colds are caused by a virus and not by bacteria? It is true. Most bacteria can be treated with an antibiotic, but no medicine can get rid of a virus in your body. Some sore throats are caused by bacteria, commonly known as strep throat, and an antibiotic is given to prevent the bacteria from spreading to the heart, kidneys, lungs, and liver. The antibiotic is not given to cure the bacteria sore throat.

We all know how we feel when we come down with a cold or sore throat and all we do is complain. Here are some of the symptoms and some of our complaints that the Kyle Clinic informed us of: If the symptoms are a runny nose, a fever of 99-100 degrees, muscle/joint aches and pains, fatigue, and a red throat with blisters, you probably have a viral URI (upper respiratory infection).

If the symptoms are a runny nose, a fever of 99-100 degrees, dark circles under the eyes, a runny nose and runny eyes, sneezing, clear mucus, and these symptoms worsen when you are outside, you probably have an allergy.

If the symptoms are a headache, a high fever, no runny nose, and white patches in the throat, you probably have a bacterial

URI. Regardless of the symptoms, when you feel yourself getting a cold or sore throat you should:

1. Triple your fluid intake.
2. Take aspirin or Tylenol every four hours for pain, fever, and to reduce the inflammation in your throat.
3. Get plenty of rest.
4. Use cold drinks, salt water gargle, or a drugstore product to relieve your sore throat.
5. Consider yourself contagious until fever, cough, sneezing, and congestion are gone.
6. Take an antihistamine/decongestant if needed to relieve congestion.
7. Take cough syrup if needed to relieve uncontrollable coughing.

These medical tips should cure your sore throat and you can be your own personal doctor. However, you should call/see a doctor if you have the following symptoms with your cold or sore throat:

1. You have a fever over 103 degrees.
  2. You have a fever which does not go below 101 degrees, even when taking aspirin or Tylenol.
  3. You have ear pain.
  4. You blow your nose or cough up mucus, and the mucus is a pearly yellow or green.
  5. You have a long term or chronic health problem that makes you susceptible to complications.
  6. You have white or yellow pustules in your throat.
- If you need to see a doctor, Dr. Kyle and his staff are located on Mineral Road. But, if your symptoms aren't severe as described above, one can take care of those nasty sore throats and colds by themselves and be rid of it as they would if they sought medical attention.

Pentax ME from Mercury Office is lost, if seen, please return.

Lambda Chi Alpha Fraternity will be having a Spaghetti Dinner on Wed., Oct. 9th from 4:00 to 7:00 in the Ballroom. Tickets can be bought from any brother. \$2 per person.

The Student Congress of Glenville State College would like to thank the many people who contributed to the Homecoming parade. This includes those who supplied automobiles, those who were entrants, and those who worked behind the scene to make the parade what it was. We would like to thank the Maintenance Department, Mr. Don Phillips and his workers, and Mr. Wayne de Rosset for announcing. Thanks again to everyone!!!

Judy Chisler  
Parade Chairman

## Grant Received

Glenville State College and Fairmont State College are the joint recipients of a \$9,996 grant awarded by the Humanities Foundation of West Virginia, a state program of the National Endowment for the Humanities.

GSC and FSC will join efforts to sponsor "The WV Humanities Lyceum" through which a wide variety of humanities programs will be made available to labor groups and the elderly in 17 Northern and Central WV Counties.

Irvin D. Talbott and Robert E. Bauer will direct the project.

## When We're Right, No One Notices

It's time this year for me to get on my soapbox and preach against all the little piddly things that irk me to no end. These are all problems that seem to plague the one place I spend most of my time: The Mercury Office -- where all the complaints concerning the paper and the yearbook are heard.

First, let me lead a tirade about the Mercury. I am so sick and tired of officials not giving us stories, and letting other news agencies release the stories before us. We are the official news organ of the campus, but it seems EVERYONE has the story before the Mercury. However, some contests and honoraries that were not supposed to be released were released before the announcement date. I am also tired of the Mercury having to scrounge for materials or use second rate products because the state purchasing order takes two months to arrive. (The photography equipment, part of which arrived Friday, has been ordered since Aug. 1, composer ribbons, which have not yet arrived, have been ordered since July 28.) In the meantime the typists have made two trips to Grantsville for ribbons and have borrowed from other people.

Next, the yearbook, which for the past 2 years has only had a staff of three of four; anyone who has ever worked on a yearbook knows it takes more than that. The yearbook received final confirmation on the contract three weeks after the bids were opened and chosen. Three weeks??? All the other companies knew, which is how our staff found out.

My final tirade is simply going to be this: This is an institution for higher learning. We students who are here are going to be professionals. Our models for our professional career should come from the many here on campus. How can we become professionals when many of our models are unprofessional?

Carron Smith

## From The Wesley Foundation

The Wesley Foundation would like to thank everyone that helped with the float in any way.

There will be no Coffee House this week.

Commuters are invited to drop in at the Wesley Foundation. We are open from 9-5. We have a nice place to study, have a quiet lunch or just to wait for the rest of your car pool. We have a large selection of magazines, a TV set and a library which is located downstairs.

Please drop in and get acquainted with the Wesley Foundation.

## Technical Crews Set for "Barefoot"

Technical crews have been organized and are busy in technical aspects of the working on the set for show such as set, props, "Barefoot In The Park." costumes, make-up and The crews meet during house is welcome to come help the crews in the auditorium. For more information contact Mrs. McKown, Kris Keister or Lois Miller.
