

# Decrease In Funds Results In Furloughs, Cutbacks

Glenville State College's ten percent budget reduction has resulted in a decrease of \$373,000 for the remainder of the fiscal year and a furlough for all employees.

To achieve the reduction, the College cut personal services by \$206,000, current expense by \$140,000, repairs and alterations by \$20,000 and equipment by \$7,000.

Under the guidelines established by the Board of Regents, all nine month employees will be furloughed for five work days and all 12 month employees furloughed for seven work days. However, one additional furlough day may be added to make up a \$11,872 deficit in meeting the total \$373,000 amount. Furloughs will not be scheduled prior to March

14, 1983 which is the last day of the legislative session. The College will furlough all employees for five days during the last week of the current semester, May 9 - 13, a week normally used for final examinations. College commencement has been rescheduled from May 15 to May 8, 1983. The additional furlough day for nine month employees will occur

during one day of the spring break. The three additional furlough days for 12 month employees has not yet been determined. Simply stated, a furlough is a day which an individual will not work and not receive pay.

Figures representing the ten percent reduction are as follows: Furlough all 9 month employees for 5 work days - \$33,487;

Furlough all 12 month employees for 7 work days - 36,224; Eliminate all discreet state general funding for summer school during the remainder of the current fiscal year - \$39,000; Personal services (part-time, over-time, extension) - 97,289; Repairs and Alterations - \$20,000; Equipment - \$7,000 and Current Expense (Utilities, postage, telephone) - \$140,000, totalling at \$373,000.

House Director Steve Edwards

### Edwards Named House Director

This new semester of the new year brings a new face to the house director position in Pickens Hall. He is Steve Edwards, a former student of the University of Cincinnati. Edwards is replacing former GSC graduate Steve Gandee.

A native of Charleston, Edwards graduated from George Washington High School. He was four year letterman at UC in football playing linebacker and then at defensive guard his senior year.

Edwards came to Glenville State to finish his degree in Health and Safety. He will also be acting as an assistant coach under head football coach Frank Vincent.

Dr. William Simmons

### GSC President Elected To Post

Not only does Glenville State College have a president that governs over the college, GSC's president was recently elected as president of the West Virginia Association of University Presidents.

President William K. Simmons will remain president of this organization for one year. Simmons has been a member of this organization for six years, he also was vice-president one year. This organization is formed by college and university presidents in West Virginia. Basically, the Association is for promotion of higher education in West Virginia.

Simmons was elected in October. When asked to comment on his plans for the Association, he replied, "In all likelihood there will be no spring meeting; we will have a good meeting in the fall of 1983." Simmons is taking the place of last year's president, President Hayes of Marshall University. Simmons commented, "I'm proud that the Association selected me to serve for the next year."

Friday, Jan. 21 is the last day to change classes or to register.

### Council Plans Joint Rush

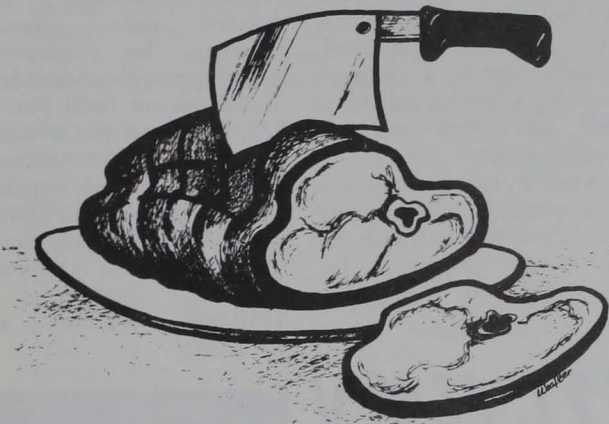

The Glenville State College Intra-fraternity Council will be holding a joint rush on Wednesday, January 19, from 7:30 p.m. to 11:00. All three fraternities are involved with the joint rush. Each individual fraternity will have its own table display set up so that the rushers can get some idea of the activities of some of

the fraternities. In addition, someone from each fraternity will give a short five minute presentation on why they joined a fraternity. Also, two kegs of beer and plenty of munchies will be provided. All young men are urged to attend and check out the fraternity system.

## BUDGET CUTS ...MAY BE TOUGH

# State Freeze Cuts Deeply

For the fourth year in a row Governor Rocketteller has frozen all state funds, implemented a hiring freeze and a 10% reduction in spending for the remainder of the fiscal year. State Colleges have felt the impact, some worse than others. Glenville, with some foresight, has felt the impact, yet to a lesser degree than most others.

The rumors of an extended Spring break and cancelled spring sports are untrue, according to President Simmons. The truth about GSC is that they are cancelling the first term of summer school, which normally occurs at the close of the fiscal year in June. The Spring semester will be shortened one week, eliminating finals week, and all off-campus courses have been cancelled. Overtime, part-time and emergency funds have been cut out and an Aide at the Summersville Center has been furloughed.

Glenville is being careful not to let these cuts interfere with student class time. Finals will be held on the last day of classes, a practice the college once followed. Instead of finals being two hours, most finals will now be one hour long. Graduation has been changed to May 8.

Luckily for GSC students, the administration here foresaw another "freeze" by the Governor, and budgeted accordingly. Students graduating this May will have full accreditation, and all students will have one extra week to hit the job market. Unluckily for all state employees the picture is much more gloomy; with a deficit for the past three years, it seems our state government would have some foresight to overcome these difficulties and spare everyone the bother of cutbacks and furloughs.

There will be a year-book meeting tonight at 6 pm in the Mercury Office. All staff are urged to attend.

On Wednesday, January 19 at 4:15 pm, President Simmons will appear at the Student Congress Office to discuss the cutbacks. All students are invited to attend.

# Activity Fees Broken Down

Today, with money being so tight, students are becoming more alert to what they spend their money for. For students at Glenville State College, an activity fee of \$47 per semester or \$94 a year is charged within the tuition. Just to show what \$47 a semester is used for, here is a breakdown of that money. Our student I.D.'s cost \$1 and we pay \$5 for health. The student government receives \$3. Have you ever wondered why The Glenville Mercury and The Kanawachen are free to students? We pay \$8 for the newspaper and \$7 for the yearbook each semester. Convocations (Cultural Affairs) receives \$5, and we pay \$11 for programming. Speech and debate receive \$2, music and band receive \$3, and theater receives \$2. Now that we know where that \$47 a semester goes, we might take notice of these things a little more.

## Swimming Courses Offered

Glenville State College Office of Continuing Education will be offering American National Red Cross swimming courses. Instruction will be provided by Dr. John Hymes who has over 20 year's experience in teaching Red Cross Swimming. He is certified as an Instructor Trainer for the American National Red Cross and is currently the Water Safety Chairman of the Gilmer County Red Cross Chapter. The Basic Swimming Instructor course will be offered to individuals 17 years of age and up who have basic swimming ability. The course will involve mastery of teaching the beginning elements of swimming as well as learning the nine styles of swimming and the basic elements of water safety. The 30-hour course will begin on January 17 through March 1983, from 6:30 to 9:15 p.m. each Monday evening at the College Pool.

This is a National Red Cross Certification course designed to train individuals in lifesaving skills and prepare them to hold a life-guarding position.

The Water Safety Instructor course will be taught beginning January 17 through May 2, 1983, at the College Pool from 6:30 to 9:15 p.m. Participants must be 17 years of age or older, a good swimmer and have a current Advanced Lifesaving Certificate. The 45 hr. course will involve the teaching of the nine styles of swimming, current lifeguarding techniques and the latest developments in water safety.

Those participants interested in the Advanced Lifesaving/Lifeguarding course will find it beneficial to enroll in the Basic Swimming Instructor course for instructional information and pre-conditioning.

For more information or pre-registration please contact the Office of Continuing Education at 462-7361, Ext. 120. A fee will be charged for participation which includes all printed materials and textbook. Interested participants may enroll on the second night of class if unable to attend the first class meeting.

Karen King speaks before attentive audience during her recent lecture at GSC. Karen is publisher consultant for Open Court Reading.

## New Kits Available

This week a new kit is available for use in the Media Center. Kit No. 1154 entitled "You, The Global Community, and Human Rights," contains a slide set, cassette tape, and nine lesson plans. Each of the lesson plans is structured for a fifty-minute class period.

This unit has been made available by FACDIS (Faculty and Course Development in International Studies). Dr. John Hymes is the campus coordinator.

The first lesson plan, "Human Rights as a Global Issue," is intended to give students factual and conceptual information about the nature of the problem of human rights violations in the contemporary world. Lesson 2, "Values Preferences," defines and illustrates values. "Human Rights Actors" will familiarize the student with the major

categories of global Human Rights actors. "Human Rights Policies" is Lesson Plan 4. It is intended to develop the student's understanding of the relationship between specific Human Rights Values and specific Human Rights policies.

Lesson Plan 5 is entitled "Simulation Preparation" and introduces an experimental mode of learning. Lessons 6 and 7 are Simulation I and II. These two lessons are intended to operationalize the simulation experience outlined in the previous lesson. "Processing and Simulation" is Lesson 8; it is to help the student assess the simulation from descriptive, analytical, and effective perspectives. Finally, the last lesson is "Summary, Relevance, and Efficacy." It in effect summarizes the main concepts in the unit.

## Guest Lecturer Speaks To Students

Karen King, publisher's consultant and sales manager for Open Court Publishers, was a guest lecturer for Glenville State College's education and reading students on Jan. 12, 1983. Ms. King is a former elementary teacher in Wood County. She is a graduate of West Virginia University with a Masters of Art in Reading. She is currently enrolled in an Elementary Education Administration program.

The training session was designed for Glenville State students who plan to complete teaching assignments within school systems which have adopted Open Court Reading and Math Programs. Student reaction to the session was favorable. Open Court Publishing has donated materials to the Ed. Dept. These materials are available to students for survey or use and may be obtained in the Curriculum Lab (Clark Hall).

## Offices Relocated

Education students are reminded that the Education Division welcomes students to its new location opposite the old division.

The new offices, with Dr. Palmoneada Brown as Dean, are equipped to furnish information about students' course work, programs of study, and potential fields. The offices are up to fifty percent complete at this point.

Upon completion of the Main Offices, there will be a Certification Analyst's Room, a Records Office, a Conference Room and faculty mail room. At this time, student evaluations will be available in Clark Hall.

## GSC Celebrates 111 Anniversary

Glenville State College currently celebrating its 111th Anniversary will use this as its theme for GSC Week this year. Special Commemorative items being sold are license plates with 111 printed on them, decanters and t-shirts.

A reception to unveil a series of administrative paintings by Joyce Tucker will be among the scheduled events.

The items to mark the momentous event are on sale in the Bookstore. GSC Week, which is April 11th thru 16th may seem a long way off now, but the first organizational meeting is Jan. 19th.

# Pioneer Women Raise Streak To Eight

Going into the Christmas break, the GSC Lady Pioneers sported a 6-1 record, including a 5-0 mark in the conference and a five-game winning streak. Their final game was an 80-63 conquest of Alderson-Broadbudds on Dec. 13.

Nearly a month later, in their next outing on Jan. 11, the Pioneer women continued their winning ways against Muskingum. On Jan. 13, they dismantled Salem and on Jan. 15, the Lady Pioneers defeated West Liberty.

Currently, Coach Tim Carney's team is 9-1 (7-0 in the WVC.)

## GSC 77, Muskingum 68

The Lady Pioneers forged a 36-27 lead at halftime to gain the cushion they needed for a 77-68 win over Muskingum.

Both Pam Minigh and Bunny Taylor popped in 21 points to pace GSC. Minigh also pulled down a game-high 15 rebounds.

Also for the Glenville ladies, Maria Lothes scored 11 points, Kim Maynard added nine points and ten rebounds, Tina Burkhamer had eight markers, Sonja Bailey scored four, Laura Dabney two, and Cathy Starcher one.

## GSC 106, Salem 64

After spurting to a quick 12-0 lead, GSC kept the pressure up, gaining a 46-26 lead at half and, eventually, a 106-64 triumph.

Seven players scored in double figures to lead GSC over the century mark for the first time this season. Bunny Taylor was tops with 22 points. Sonja Bailey and Tina Burkhamer chipped in 14 each, Kim Maynard and Pam Minigh hit 12 each, and Robin Phipps and Sharon Hayes added ten apiece. Also, Maria Lothes had seven, Laura Dabney four and Cathy Starcher one.

Maynard had 11 rebounds, Bailey had four

assists, and Starcher four steals.

## GSC 72, West Liberty 56

Against West Liberty, the GSC ladies, behind the first-half dominance of Kim Maynard and a scrappy defense, took a 44-22 half-time lead and held off the Lady Hilltoppers for a 72-56 victory, their eighth straight.

Maynard tallied 18 points, all in the first half, and grabbed 17 rebounds to pave the way for the winners. Pam Minigh added 17 points and ten rebounds, Bunny Taylor 13 points and five assists, Sonja Bailey eight points and six assists, Tina Burkhamer six points, Cathy Starcher four, and Rhonda McComas, Laura Dabney and Maria Lothes two points apiece.

\*\*\*

GSC will host Fairmont on Thursday at 7 pm and West Virginia State next Tuesday at 7 pm.

Banquet tickets for the Sports Medicine Conference, Feb. 2 at 6:30 pm in the Ballroom, will go on sale to the public Jan. 20. Tickets are \$15.00 and may be obtained from the Athletic Department.

## WVU Women Top GSC

The WVU Lady Mountaineers invaded the Glenville gym Monday night and left with a 67-55 win, but not without a stiff fight from the 9-2 Lady Pioneers.

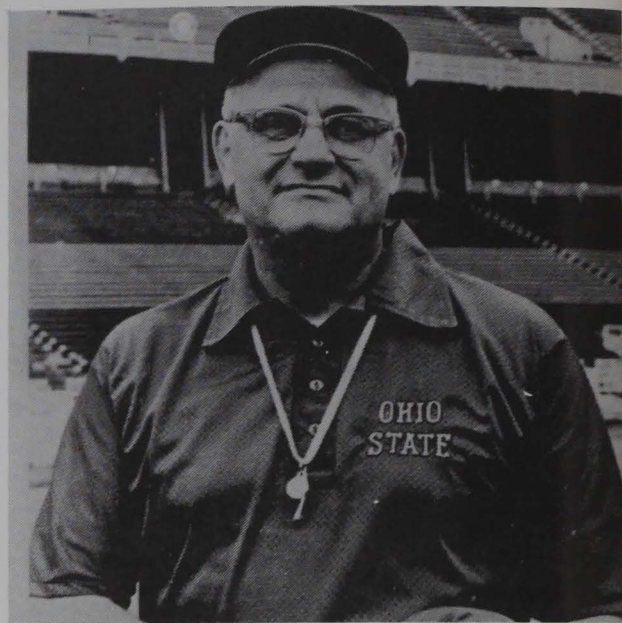

GSC stayed close to the tall Mountaineers for over ten minutes in the first half, but WVU finally spurted to a 15-point, 38-23 lead at intermission.

In the second half, it was more of the same. GSC could pull within ten points but not much closer as WVU claimed a final score of 67-55.

This year's outcome was totally different from last season's encounter at Morgantown. WVU won that game, 101-49.

WVU, led by 6' 8" Georgeann Wells, held a 57-48 edge on the boards.

For GSC, Pam Minigh scored 15 points and had 11 rebounds, Kim Maynard had 12 points, Bunny Taylor had ten points and five assists, Sonja Bailey had six points and six steals, Robin Phipps and Laura Dabney had four points each, and Maria Lothes and Tina Burkhamer scored two each.

Woody Hayes, former football coach at Ohio State, will be the featured speaker at the GSC Sports Medicine Conference on Feb. 2-3.

## W. Hayes To Be Featured At Conference, Feb. 2-3

The Second Annual Combined Coach, Trainer and Physicians Sports Medicine Conference will be held here at GSC on February 2 and 3.

The conference, co-sponsored by the Glenville State College Department of Athletics, the West Virginia Intercollegiate Athletic Conference, the Kyle Clinic, and the Stonewall Jackson Memorial Hospital, will provide resource material for the development of a quality health care program for the student athlete. Emphasis will be placed on strength training and injury prevention. The role of the coach and the official in injury prevention will also be discussed.

The program coordinator for the conference will be GSC Athletic Trainer Bill Ford. The conference will be divided into four major sessions. The first, starting the morning of Wednesday, February 2, is on strength program considerations. This session will cover the reasons and effects of building a solid strength training program. In the afternoon, there will be a session on returning after injury. In this session, Oliver Luck, former WVU quarterback, will speak giving the athlete's perspective. At 6:30 p.m., a banquet will be held in the Pioneer Center Ballroom. The guest speaker at the banquet will be former Ohio State University Coach, Woody Hayes.

Hayes will speak on the coach's role in injury prevention at the conference banquet at 6:30 p.m., February 2 in the ballroom of Pioneer Center. Hayes served 28 years as head football coach at the Ohio State University. Only

Amos Alonzo Stagg, 41 years at Chicago, and Bob Zuppke, at Illinois for 29 years, coached longer in the Big Ten.

During the morning of Thursday, February 3, the session on neck injury prevention will be given. This one will cover everything from pre-season neck strength programs to proper tackling techniques. At noon, there will be a buffet lunch in the Verona Mapel Room with WVU strength coach Dave Hallanger speaking on the Mountaineers strength program. The final session of the conference is Thursday afternoon on developing a successful high school training program.

Local participants in the conference will be Dr. James M. Kyle, of the Kyle Clinic; William Ford, GSC trainer and coordinator; Janet James, assistant girl's basketball coach at Gilmer County High School; Randall Hunt, assistant football coach at GSC; Jesse Lilly, athletic director at GSC; Mark Reger, defensive coordinator at GSC; Don Voytish, county director of the Summit Center for Human Development; Randy Clark, head football coach and athletic director at Gilmer County High School; and Bob Archer, trainer at GCHS.

This conference is free for all students. The only charge would be \$15 if one chooses to go to the banquet Wednesday evening. This course may also be used as a credit for students. Anyone interested in this conference should see Bill Ford for a registration form and any other necessary information.

*Hustle. Determination. Banged up. These are a few of the words which come to mind when thinking about the Lady Pioneers basketball team. They are probably more banged up physically than any other team around. And that's because of their hustle and determination.*

*The Pioneer ladies spend more time on the floor chasing loose balls than any team I've ever seen. While watching the West Liberty game on Saturday, I tried to count how many times a Lady Pioneer went down on the hardwood chasing a loose ball, but I gave up. (It was taxing my limited brain.) Whether it's a long rebound, or an attempted steal or an errant pass, the ladies go after it. And, usually they get it.*

*Their scrappiness produces results. So far, the GSC women are 9-1 (7-0 in the West Virginia Conference). They are off to a better start than last season. And, they are right in the thick of things for the WVC championship.*

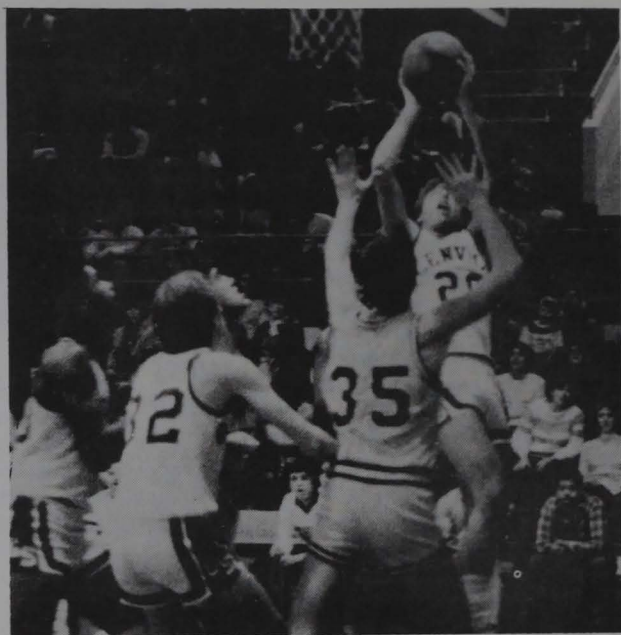

*This rough and tumble style of play might be a source of consternation for Coaches Tim Carney and Mark Kozlowski, however. Players could get seriously hurt while diving on the floor.*

*But, chances are that the girls will put up with floor burns and the like as long as they continue to pile up the victories and please the crowds.*

Steve Keenan

Anyone interested in running cross country next fall is urged to attend a meeting on Wed., Jan. 19 at 7:30 p.m. in the Social Science Division.

The Boulevard Games Co. of Pittsburgh, Pa. has invented a game to coincide with the NCAA basketball tournament. The game is called "Final Four - The 1983 College Basketball Tournament Game." Anyone wanting information about the game should contact Steve Keenan at the Mercury Office.

## GSC Men Face Tough Foes As Record Drops To 2-11

Since the beginning of 1983, the GSC Pioneer men's basketball team has dropped five of its six outings. GSC won in the opening round of the Joe Manchin Classic at Salem on Jan. 4 but has since lost five in a row.

### Joe Manchin Classic

The Pioneers thumped Pitt-Bradford, a nationally-ranked foe, 98-84, in the tourney's first round. GSC fell behind, 54-42, at half but rallied for the win, in which they hit 26 of 27 foul shots.

Scott Ludwig had 28 points, Clay Young 21, Rich Moore 16, and Randy Anderson and Steve Linville 12 each to lead GSC.

In the championship game, the Pioneers were downed by Salem by a 90-78 margin.

For GSC, Clay Young had 30 points and 11 rebounds, Scott Ludwig had 14 points, Rich Moore hit 12 points and six assists, Randy Anderson added ten points and five assists, Kenny Taylor scored six, Steve Linville added four, and Trent King put in two.

Fairmont 74, GSC 58

A young Fairmont Falcon team rolled to a 41-23 half-time lead en route to a 74-58 win over GSC on Jan. 8.

Clay Young's 22 points led Glenville. Also, Rich Moore had ten, Steve Linville eight, Kenny Taylor three and Roger Kirkpatrick two.

Linville grabbed 11 rebounds, and Ludwig had four assists.

D and E 73, GSC 64

On Jan. 11, GSC and Davis and Elkins played for the first time this season at Elkins. The Senators gained a seven-point lead at intermission and made it stand up as they claimed a 73-64 victory.

Once again, Clay Young was GSC's big gun. The junior center netted 24 points, snagged nine rebounds and had four steals. Also for GSC, Rich Moore added 13 points and five assists, and Kenny Taylor chipped in ten markers.

Bluefield 78, GSC 74

The Pioneers played a great first half against Bluefield, controlling the boards on both ends and rolling up leads of up to 13 points before settling for a 45-36 lead at half. Bluefield rallied in the second half, though, and moved into several nine-point leads and held on for a 78-74 win.

Scott Ludwig's 19 points paced Glenville's effort. Clay Young had 16 points and 19 rebounds, Kenny Taylor had 12 points and 11 rebounds, and Rich Moore added 11 points. Also, Steve Morris scored eight, Roger Kirkpatrick six and Randy Anderson two.

Shepherd 112, GSC 102

The Pioneers and the Shepherd Rams met at Glenville on Jan. 15 and, when the smoke had cleared, Shepherd emerged with a 112-102 win. It's not often that a team scores 102 points and loses, but GSC did just that.

GSC closed in on Shepherd several times during the physical, foul-

filled contest but couldn't get the lead.

Clay Young had a fine night, popping in 34 points and snaring 12 rebounds. Scott Ludwig added 24 points off the bench, and Randy Anderson put in 15 points and handed out 12 assists, also off the bench. Rich Moore chipped in 14 points, Trent King 11 and Steve Morris and Kenny Taylor two each.

The loss dropped GSC to 2-11 (0-9 in the WVC).

The Pioneers play at West Virginia Wesleyan on Thursday. On Saturday and Monday, GSC hosts Concord and A-B, respectively.

## Karate Altered

The karate class offered at Glenville State College for college credit this semester has been cancelled due to lack of funds. Because of popular demand the Office of Continuing Education will be offering this course. Mr. Don Underwood will provide instruction for the course and will meet with participants on Tuesday and Thursday evenings from 6:30 to 7:45 p.m. in the Health Building, Room 153. Interested participants should meet with Mr. Underwood on Tuesday, January 18. All participants must sign a waiver releasing Glenville State College from responsibility in case of injury or accident. A fee will be charged for the course.

Women's Intramural Basketball will begin January 31. Rosters are due in the Student Services Office by January 26 at noon.

Pam Minigh and Bunny Taylor play defense against a West Virginia player.

## Keglers See First 1983 Competition

GSC's bowling team had two matches this past weekend vs. Eastern Kentucky University and Marshall University.

On Sunday against ECU, GSC won one and lost one match. Total pinfalls for the first match were GSC - 2495, ECU - 2375; in the second match GSC lost 2584 to 2467.

High games for GSC bowlers were as follows: Wes Johnson with 152 during the second match, Jeff Stanley with 173, Ron Carpenter with 195, John Waldeck with 209 and Earle Bell with 222, all in the second match. Dan Braud scored the highest game of both matches with a 246 during the first match.

Glenville lost both matches to Marshall on Saturday in an ill-fated trip that ended with GSC bowlers driving back from Huntington Saturday night in the snow. The trip took around seven hours,

according to Maria Catlett, sponsor for the team.

The bowling schedule for the rest of the month has Morehead bowling at GSC Jan. 22, GSC at Morehead Jan. 23, and MU at GSC Jan. 29. All matches begin at 12:00 p.m.

The bowling team as listed above, along with Anthony Cochran, also on the team, will represent GSC at the ACU-I Regional Bowling Tournament at WVU on Feb. 18 and 19.

A meeting will be held on Wed., Jan. 19 at 3:30 p.m. for those interested in helping with GSC Week and field day. The meeting will be held in the Little Theatre. All ideas and help will be appreciated.

Aerobics is offered every Tuesday and Thursday at 6:00pm in the Vandalia Room.

## ACU-I Victors To Meet

There will be a meeting Monday, Jan. 24 at 6 p.m. for all students representing GSC in the ACU-I Regional Competition at WVU.

Those representing GSC at the Tournament are as follows: Greg Tracy and Mike Henline in chess, Aaron Eubanks in backgammon, Bill Del Prince in table tennis, Jim Weidemoyer and Wes Johnson in men's billiards, Robin Fairchild in women's billiards, Brian Payne in darts, and Jeff Stanley, Ron Carpenter, John Waldeck, Anthony Cochran, Earle 'Boomer' Bell, and Dan Braud in bowling.

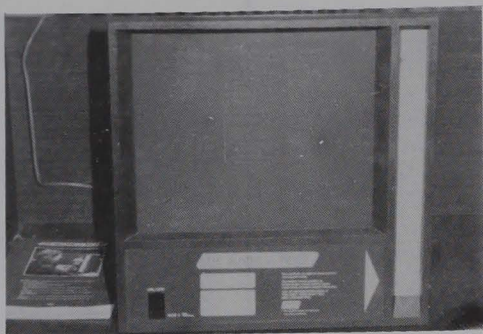

The Regional Tournament will be Feb. 18 and 19 at WVU. GSC representatives will be competing against schools from Pennsylvania, Maryland, Washington, D.C., Virginia and West Virginia. Also, on Jan. 29 and 30, there will be an ACU-I Warm-up Tournament between GSC and Parkersburg Community College. Competition will be in chess, backgammon, billiards, bowling, foosball, and table tennis. The warm-up games will begin at 10 a.m. on both days and will be in the Pioneer Center Games Room.

This Thursday, Jan. 20th, Student Congress will be sponsoring a back-to-school dance in the ballroom featuring the band 'Warbux.' Beginning at 8:30 p.m., the dance will commence. Attire is semi-formal and admission is free. Hors d'oeuvres and punch will be served.

There will be a foosball tournament in the Games Room of Pioneer Center on Thursday, Jan. 20. It will be a round-robin tournament with the top two teams advancing to the finals. The winners will advance to the ACU-I Region 4 tournament at WVU Feb. 18 and 19. All expenses for the trip will be paid.

## Business Index Machine On Loan

Attention all business majors! The Robert F. Kidd Library now has on loan a machine which could be of great assistance to you. The machine is the business index, and it is located on the first floor.

Contained in its reserves are 90,000 government articles, reviews plus

complete coverage of the NEW YORK TIMES and the WALL STREET JOURNAL.

It is easy to operate either manually or automatically, and its tremendous potential as well as time saving convenience should interest even the non-business major.

## From The Wesley Foundation

Welcome back to all from Wesley Foundation Staff.

*The Spring semester brings a certain sense of 'newness.' I hope the vacation was relaxing and restful.*

*A number of students who find their way into the Wesley Foundation ask the question: "What is the purpose? What is it here on campus?"*

*The Wesley Foundation exists for Christian ministry. In basic terms, it means the effort to be the mind, the hands, the eyes, the ears, the lifeness of Jesus of Nazareth. As there was a good deal of confusion and at times conflict concerning Jesus' ministry at the time he lived, so too Christian ministry today is surrounded by the same feeling.*

*My own conviction is that Christian ministry in the spirit of Jesus of Nazareth is primarily focused toward the poor, the outcast, the troubled. It is also strongly directed toward a sense of community, where rich and poor, male and female, black and white, Greek and non-Greek, can be together with mutual dignity, respect, and friendship. It is not a setting for the display of personal righteousness pride, or arrogance. In simple terms, all are welcome.*

*My hope is that the whole campus community feels free to participate in the ministry of the Wesley Foundation. Some possibilities this semester are:*

- The main floor, where study, conversation, and quiet are available from 10 a.m. thru 11 p.m.*
- The chapel area is available for prayer, reflection, and reading.*
- "The Outer Limits" Youth Center . . . primarily intended for youth of Gilmer County . . . Glenville students are welcome . . . there are video games, ping-pong, TV, snacks. Hours are Monday through Thursday - 4 p.m. to 10 p.m., Fridays - 4 p.m. to midnight, Saturdays - 9 a.m. to midnight, Sundays - 1 p.m. to 10 p.m.*
- A student-sponsored Bible study and prayer group that meets on Thursday evening in the chapel.*
- A Sunday morning Bible study group that meets at 9:30 a.m. in the main room. Coffee and doughnuts are available.*
- A six-week discussion group on "The Stages of Faith." The group will meet on Tuesday evening at 6:30 p.m. The purpose of the discussion will be to understand the steps toward a mature faith. A sign up sheet is available in the Wesley Foundation.*
- Counseling about troubling situations or relationships is available. Just give a call or stop by the Foundation and a time can be set.*

*A notebook is in the main room of the building for any messages. If you leave your name and identify a way to get in touch with you, I will do so as quickly as possible.*
