Hello Dolly' Readies For Premiere

Glenville State College Theatre is busily and breathlessly hurrying toward the February 24, 25, 26 and 27 production dates of the spring musical, "Hello Dolly." Performances will occur at 8:00 each evening in the GSC Auditorium. The Sunday performance will be a 3 o'clock Matinee. "Hello Dolly." provides a

"Hello Dolly" provides a great opportunity for choreography. With that directorial problem in mind, Director Linda McKown applied for and received an Arts and Humanities grant for a choreographer-inresidence.

Mr. Newton Cole, Director of West Virginia Dance Theatre in Charleston, spend January 23 to January 31 on the Glenville campus working with Mrs. McKown, the cast of "Hello Dolly," and the musical director Edward McKown. The directors are creating a high style interpretation of the 1890's.

The set, a five scene unit set, is being desinged and supervised by Kent Woofter, a student majoring in Art and Oral Communications at Glenville State College.

Thornton Wilder's script "The Matchmaker" is the plot source for "Hello Dolly." The story revolves around the meddlings of one Dolly Levi, a widow who arranges lives for the folk of 1890 Yonkers. Dolly's escapades lead her to the famous restaurant scene in which "Hello Dolly" is performed by twelve singing/dancing waiters.

Dolly Levi is played by Pamela S. Perry, a sophomore music major from Cutler, Ohio. Kirk King, a sophomore music major, also from Cutler, Ohio, portrays Dolly's romantic interest, Horace Vandergelder.

The comedy leads, Cornelius Hackle and Barnaby Tucker, come to life through William Anderson, a junior English/ Communications major from Summersville, and Randal Lewis, a junior chemistry/biology major from Parkersburg, respectively. Romantic inspiration for Cornelius and Barnaby are Vickie Lynn Butcher, a freshman music major from Summersville, as Irene Malloy; and, Cara Keenan, a sophomore elementary education major from Gauley Bridge as Minnie Fay.

Wednesday, Feb. 16, 1983

Ćraig Worl, a senior business major from Glenville plays Ambrose Kemper, suitor to Vandergelder's Ermengarde-played by Kelly Davis, a junior business major from Terra Alta.

Rudolph, head waiter at Harmonia Gardens is Danny Bayer, a senior elementary education major from Vienna. Lois Miller, a senior business major from Shock, portrays Ernestina Money–Rudolph's Water-Loo. C. Vance Weekley, Assistant Professor in Geography creates several small character moments.

The singing/dancing waiters are Dan Langford, sophomore business major from Parkersburg; Randy Harper, junior English/ communica-(con't on pq. 4)

Pam Perry and cast prepare for the premiere of 'Hello Dolly' on Feb. 24.

### **AHA Slates Jump Rope**

March 23 marks the date of the Jump Rope for Heart being held to support the American Heart Association. This year teams from TKE, Sigma Sigma Sigma and the Mercury will be spending three hours jumping ropes in the GSC gym, stated Mrs. Piercy, Coordinator.

Each team involved will receive 20% of their total collections with the rest going to the American Heart Association. These contributions go to support research to help obtain a better understanding of the basic causes of heart attack, stroke and hypertension.

Sororities and Lambda Chi's will be collecting contributions on February 20 which is designated as Heart Sunday. The Financial-Aid Office of Glenville State College would like to inform the students that the Financial-Aid Form (FAF) for 1983-84 is now available and can be obtained by stopping in the Financial-Aid Office and picking one up. The deadline for the form is March 1, 1983.

# **MD Week Plans Underway**

Co-Chairpersons for the Muscular Dystrophy drive, Dee Mallette and Peggy Walton have announced plans for Muscular Dystrophy Week, March 14-19, 1983.

Several events are in the planning stages for MD week and they are as follows: A fraternity/sorority sponsored dance, March 10; March 14, a variety show; March 15, a bowling tournament; March 16, a carnival; March 17, a Pancake feed and video game tournament; and March 18 and 19, The Superdance.

Muscular dystrophy is a genetically determined disease transmitted from a parent (or parents) through an affected gene. The Muscular Dystrophy Association fights 40 neuromuscular diseases through an unparalleled worldwide research effort, a nationwide program of free medical services and far' reaching professional and public education. Individual MDA

research grants to investigators in the U.S. and abroad for both basic and clinical studies now number over 750. At ten universitybased research/clinical (centers supported by MDA, teams of scientists are conducting interdisciplinary investigations into the complex problems of neuro-muscular disease. MDA's free patient service program furnishes comprehensive medical services to children and adults with Neuromuscular disease at over 220 MDA clinics and through the Association's chapters.

The 40 neuromuscular diseases are not contagious. Currently, there are approximately 10,000 children with Duchenne Muscular Dystrophy living in the United States. There is no area of the world where Muscular Dystrophy is most prevalent. The occurences of Myotonic Muscular Dystrophy of adult lives is approximately (con't on pg. 4)

The campus of GSC was blanketed by 16 inches of snow Friday Feb. 11. For students' reactions, see page 4.

Think of the names you might jokingly call a friend or angrily call an enemy. Some of the ones I've heard include heathen, harlot, wimp, and one that's been copyrighted by a friend, scud. These really don't show much imagination, and if a person wants to be original, they can always come up with something new.

Take for example, if I were to call someone "you dried neat's tongue," (Henry IV, act II, scene iii). In Shakespeare's day that was pretty nasty. One of the worst insults might be to call someone by someone else's name; "you . . . you Jane;" implying something similar to Jane being a dog or an airhead. But, if you want to coin a phrase, yet need some help getting started, try a dictionary or a thesaurus. (Two things I try to stay away from like the plague).

Calling someone a gimcrack with a cornucopia of hair, only means that they are weak with plenty of hair. This might not only dazzle opponents, but also impress people. Think of how a teacher might react if they saw their students carrying around a thesaurus. Of course, if you plan on having a shouting match with someone, you might want to look up a list beforehand. Looking for words to use in a thesaurus is very timeconsuming.

To the Student Body:

I would appreciate your support in my attempt to become Student Congress President. The Student Congress is to be representative of the student body and their concerns. I would like to be a part of that representation. Responsible for a major part of the activities that take place as well as many of the decisions that affect us all, Student Congress requires a lot of time and I am willing to work.

Perhaps the major area of concern to us as students, outside of gaining an education, is the area of extra-curricula activities. This includes educational and cultural as well as entertaining activities. I would like to see the quality as well as the quantity improved and I believe the present Student Congress has taken a step in the right direction. I would like to see that continued. Interaction between various organizations on campus and the Student Congress is essential for having successful events. I would encourage this interaction very strongly.

Glenville State College has a lot to offer, but there are, of course, many problems, but with work and cooperation between Student Congress and the administration, these problems can be improved. There has to be a willingness to look at the problems objectively and see what can be done to correct them within our means.

If elected as President, I will try to do everything I can to make Glenville State College better. Again, I would appreciate your support and your vote,

#### Penny Clutter

I am running for Senator-at-Large. I feel I would meet the qualifications for this position. I am a reporter for The Mercury, which enables me to talk with faculty and students. I also served as a floor representative and I was a member of Pickens Hall Governing Board. If elected I will do my best as a member of Student Congress. Your vote would be appreciated.

Thank you, Jackie Mullens THE GLENVILLE MERCURY

## **Organizational News**

Student Congress

On February 9 at 4:15 the Student Congress of Glenville State College met. Roll call and last week's minutes were read. Old business was discussed first. The congress finalized GSC Week activities, discussed the Big Screen Television schedule, and decided that the Miss GSC Pageant would take place on April 15. A new crown and trophies for the pageant will be ordered. New business was discussed next. The installation banquet was discussed. The menu, favors, and date were also discussed concerning the banquet. The phone has been placed in the Administration Building. The Student Congress urges everyone to vote during elections next week. The meeting was adjourned at 4:32.

Ladies of the White Rose The Ladies of the White Rose would like to thank everyone who came to our dance, and a special thank you to Randy M., A. L. S., and Mindy P., also, thanks to the Brothers for the Valentines Day gifts, they were lovely. Congratulations to C.V. for winning the cake.

Want a story told or have a bizarre or unusual hobby? Tell it to Mary Ann Yeager who would like to publish your story. She can be reached at 462-7057. Delta Zeta The Theta Xi Chapter of the Delta Zeta Sorority held its formal meeting Feb. 14. Another congratulations goes out to our newest pledges Angie Boles,

McCutchen. The sorority will help collect for the heart fund Sunday, Feb. 20 at 1 p.m.

Brenda McCloy, and Kim

The monthly house corporation meeting was Sunday Feb. 13. We would like to thank those on house corp. for coming out in such bad weather.

The softball tournament which is to be held in April is starting to get underway, anyone interested in entering should contact Susie Ballengee or Jill Morris. This tournament will be sanctioned so teams must be qualified to participate.

Pledges keep up the good work and the good spirits!

Phi Beta Lambda

We would like to thank all members who baked for and helped with our bake sale last Thursday.

This week we will be celebrating FBLA-PBL week. Many activities are scheduled during this week as well as the rest of the month.

Our next meeting is this Thursday, the 17th at 4 p.m. in Room 101 Administration Building.

Also, we would like to wish the Pioneers good luck in their final home stand of the season. Good luck also goes out to the Lady Pioneers in their upcoming State Tournament in Buckhannon.

I accept the nomination for Student Congress President and I am currently seeking election to this position.

I am active in various activities and organizations. These include cheerleading, being a member of the Delta Zeta Sorority and the Order of Diana, as well as being a member of Student Congress. Through Student Conress, I have served on various committees and as Chairman over the Homecoming Dance. Therefore, I feel I have the experience and qualifications to serve as Student Congress President.

> Sincerely, Donna Bumgardner

I, Damita Nutter, would appreciate very much your vote for secretary of Student Congress. I feel I am qualified for this position and would do a good job. I have the typing and shorthand skills required for this position, also.

In high school I was elected secretary and later President of the clubs I belonged to. These positions helped me to become a more responsible person and I think they will also help me to be a good secretary of the Student Congress.

Also, I will be very willing to tell the other members of the Student Congress about any problems that are brought to my attention.

If I am elected to this position, I will fulfill my duties to the best of my abilities.

#### Thank you Damita Nutter

I am a sophomore Music Major here at GSC. 1 am currently running for the office of Treasurer of the Student Congress. I attended Greenbrier West High School and while there I held the offices of Bible Club Pres., 1980-1981; Sec. Treas of Senior Class, 1981-1982; and Sec. Treas of Student Council 1980-1981. I was also active in National Honor Society, French Club, Bible Club and participated in Band, Jazz Band, and Volleyball. I believe that these previous activities qualify me to be your next Treasurer of Student Congress. Your vote for me on Wed., Feb 16 or Thurs, Feb. 17 would be sincerely appreciated. Thank you, Pamela D, Brown

I am running for Sophomore Representative. I feel I could do the job well. I am familiar with the Student body and I am aware of their needs and interests. I am willing to help in any way I can. I would appreciate your vote. Thank you,

## **Concord Whips Glenville**

The GSC Pioneers lost to Concord by an 82-65 score in their lone encounter last week, dropping their record to 5-17 overall (3-15 in the West Virginia Conference.) Glenville fell behind early

and fought an uphill battle the whole way. The Lions held a 34-23 lead at half and outpointed GSC, 48-42, in the second half for the 82-65 win.

Coach Jesse Lilly's squad was led by the scoring of Rich Moore, who tallied a game-high 25 points. He recorded five assists, also.

Randy Anderson con-tributed ten points, Kenny Taylor had nine points and a game-high ten rebounds. Clay Young scored eight, Scott Ludwig six, Steve Linville five, and Trent King

Concord shot 61.8 percent from the floor, compared to 46.7 percent for GSC. The Mountain Lions also held a 32-30 edge on the boards.

The Pioneers were to play Davis and Elkins at home on Tuesday. Also, on Feb. 17, 19 and 22, GSC will bot host West Virginia Wesleyan, Fairmont and West Virginia State, respectively, in home contests. All games begin at 7:30 p.m.

#### single The elimination tournament scheduled for women's intramural basketball on Feb. 23 and 28 has been changed to Feb. 28

and March 2. This will allow all intramural participants to support the Lady Pioneers at their conference tournament Buckhannon.

There will be a Track Officials' clinic on Sat., Feb. 26 from 9am.4pm Parts 9am-4pm. Participants will ob-tain one hour of credit on a pass/ fail basis. Anyone interested should contact Jerry Milliken by Fri., Feb. 18.

## Media Center Aids Student Teachers

Student teachers may find assistance in the Media Center during the evening hours starting February from 6 p.m. to 8 p.m. Monday through Thursday. For a minimum charge of 10 cents, Spirit Masters can be made from carbon based copies on a thermal machine. Also available are two new kits entitled "Consumer Choice" and "Consumer Advertising." These kits contain cassettes, filmstrips and worksheets for duplication.

"Consumer Choice" (Kit 1261) deals with how the public reacts to a product. "Consumer choice is the driving force of our economy, because consu-mers are free to choose what products to buy and

when and where to buy them. They decide which products will succeed or fail." "Consumer Advertising"

(Kit 1260) explains how a product comes about and the development stages of the product.

In the state of our economy "Consumer Choice" and "Consumer Advertising" may come in very handy to make decisions on buying products or on selling products.

So, if you want to teach your students about the value of buying wisely or selling a product and if you need anything copied, come to the Media Center and check with the capable staff.

Before the Wesleyan game, Coach Tim Carney presented seniors Judy Niday (L) and Pam Minigh (R) with awards. Also honored were senior managers, Sue Bennett and Marion Richards.

> On Wed., Feb., 16th, Gary Not-tingham would like to have a meeting with team captains of men's intramural basketball. The meeting will be in room 205 of the Health Building at 6:30 pm.

> All student intramural workers should report for a meeting with Gary Nottingham on Wed., Feb. 16 at 7 p.m. in Room 205 of the Health Building.

Anyone wishing more information on the banner contest at the women's WVC basketball tourney next week should contact Steve Keenan at the Mercury Office.

won one game and lost one game last week. Their re-cord now stands at 13-5 overall (11-3 in The West Virginia Conference.)

### GSC 75, WV Wesleyan 61

The West Virginia Wesleyan Ladies invaded Glenville on Feb. 8 for the Lady Pioneers' final home game of the season.

GSC earned a 34-28 lead at halftime and outplayed Wesleyan in the second half for a 75-61 win. The Lady Pioneers outshot Wesleyan (35.7 percent to 34.1 percent) and outrebounded them by a whopping margin (73-52.)

The Lady Pioneers' senior star, Pam Minigh, played in her last home game. Minigh led Glenville with 19 points and 24 rebounds. The team's other senior, Judy Niday, scored ten points while playing in place of Sonja Bailey, who was ill.

Also for GSC, Bunny Taylor racked up 17 points, 13 assists and 11 assists, Maria Lothes had ten points and 17 rebounds, Kim Maynard scored eight, Tina Burkhamer scored seven, and Robin Phipps and Laura Dabney had two each.

Concord handed Glenville an 83-78 setback, the Lady Pioneers' third loss out of their last four WVC outings.

The Lady Mountain Lions found themselves down by a 42-37 score at half, but they rallied for the upset victory.

Pam Minigh tallied 24 points to lead GSC's scoring. Bunny Taylor added 18, Kim Maynard 14, Robin Phipps ten, Sonja Bailey six, Maria Lothes four, and Laura Dabney two.

GSC has only two games left before participating in the WVC tourney next week. On Mon., Feb. 14, the Lady Pioneers were to play at Salem, and on Thurs., Feb. 17, they will travel to Fairmont.

Following are the women's intramural basketball standings as of Feb. 10, 1983:

with muscular dystrophy is one of the most crucial aspects of his care. Maintaining reasonable expectations, yet at the same time avoiding overprotection and dealing with the emotional problems of all concerned in an honest and forthright manner, are of paramount importance in the ongoing psychosocial care of the family and child.
