The Glenville Mercury

Number 22

Plans For MD Week Slated

The committees for the Muscular Dystrophy Week been festivities have announced by the co-chair-persons, Dee Mallette and Peggy Walton, which will take place on March 14-19.

There are several events planned for MD Week that can be fun and exciting for those who participate. Plans are being made to have a dance in the ballroom on March 10 from 8 - 12 a.m. The fraternities and sororities on campus will be sponsoring this dance and activities such as an air-band contest and a dance contest that are being discussed.

On March 14 at 7 p.m. in the ballroom will be a variety show. Those on this committee are Annetta Haddox, Sara Woods, Jack Kalmar, Delton Sigley, Mark Martin, and Mark Wyatt. The talent show is not far off so start practicing and perfecting your talent. There will be a bowling tournament March 15 beginning at 8 p.m. in the Pioneer Center. Plans are being discussed to have a carnival on March 16 at

6 p.m. Some activities included in the carnival are Some activities dart throw, pie throw, gold-fish swallow, doughnut eating contest, bubble gum blowing contest, bubble gumblowing contest, and a kissing booth. Those involved with planning the carnival are Jim Wiley, Larry Siers, Larry Ross, Pudgy Sims, and John Williams. On March 17, a video game tournament. a video game tournament will be held in the Student Union under the direction of Larry Ross. Also, on March 17, Joe Drahnak is planning a pancake feed. The main event, the Super Dance will be on March 18 19 from 5 p.m. on Friday to 5 p.m. on Saturday in the ballroom. Leah Blair, Genice Bell and Jim Wiley are on the Super Dance committee. A rockathon will be held at the same time of the Dance. Other activities being considered are a Karate exhibit, a volleyball tournament and an Easter basket fund raiser. Volunteers will be needed to distribute and collect M.D. collection cans in local

Student Congress Election Results

Congress has been chosen by the students of GSC. Votes were cast last Wednesday and Thursday and the results were posted on Friday.

Leading the 1983-84 Student Congress will be Penny Clutter. Penny is a junior English major from Parcoal WV. Steve Keenan, a junior English major from Gauley Bridge, will be Vice-President. Karen Scott will be secretary and she is from Rainelle majoring business as a sophomore. Pam Brown was voted as and she is a

The 1983-84 Student sophomore from Rupert majoring in Music. Shelly Morris is a freshman from Glenville and she will be parlimentarian. Jill Morris Dr. Warner Speaks will lead the senior class as president. Ron Carpenter will be the junior class president and Nada Strother will be the sophomore class president. Six senators-atlarge were chosen including Scott Burdette, Kim Evans, Nila Golden, Jamie Martin, Eddie Mazzella, and Tammy

stores, to sell tickets on the

An installment banquet vill be held for the new elected members at a later

meeting for GSC students and staff who are interested in organizing a nuclear freeze/disarmament group.

The meeting will be held Wednesday, March 2 at 4pm in the Little Theatre.

We must choose to stop the proliferation of nuclear

Red Cross Sponsors

Dr. John Hymes will be teaching a 24 hour course in American National Red Cross Advanced Lifesaving/ Lifeguarding beginning on March 7, 1983, at 6:00 pm. at the Glenville State College Pool.

To enroll in the class the individual should be at least 15 years of age or older and be able to swim 440 yards American Crawl stroke (freestyle) in a time of 11 minutes or less. This is a National Red Cross Certification designed to train individuals in lifesaving skills and prepare them to hold a lifeguarding position.

For more information or pre-registration contact the Office of Continuing Education at 462-7361, Ext. 120. A fee will be charged for participation.

On Monday, Feb. 21 at 6:30 p.m. Pi Gamma Mu hosted Dr. John Warner of WV Wesleyan speaking to a crowd of over 50 students and faculty on "The Revolution in the Juvenile System of W. Va.

This "revolution" far-reaching, yet little known about, claimed Dr. Warner. It began when U.S. Senator Birch Bayh pushed through the most important

ceptional Children will hold it's March meeting on Thursday March 3rd beginning at 6:30 in the Little

Glenville

Student Council for Ex-

State

istration building. All students, faculty, and members of CEC are invited to participate in a presentation on how to deal with

Theatre in the Admin-

Sex and the Special Education student.

C.E.C. Plans Presentation While the presentation will focus on the Special Education student, the information will be of use to any future teacher.

If you already know all there is about teaching sex; education, you are invited to share your knowledge. If you feel that you need to know more, then you owe it to yourself to attend. Little Theatre, Thur., Mar. 3, 6:30 to 8pm.

The cast and crew are ready and awaiting the opening night of "Hello Dolly". The play will premiere tomorrow night at 8pm.

Dolly' Premieres At GSC

As the curtain prepares to rise the cast and the set designers for the play "Hello Dolly" continue their dilgence. Mrs. Linda McKown, the head of production, expressed great enthusiasm and gratitude to those who have worked so hard and complained so little behind the scenes: Mrs. Nicholson on lights; Mr. Harper's lettering class (signs); the maintenance department; and Paula Brown, Mitch Moore and Randy Harper whose names were omitted in the earlier article.

Though many seats are still available for the four days of presentation (Feb. 24 - 27) ticket sales are going well. Student tickets are \$1 and adult tickets are \$3.

The little extras going into this play are special make-up artist and choreography. Mrs. McKown feels this is the largest production in her four years as producer. Though this may seem overwhelming to most of us the members of the play never figured that it was difficult. In fact, they profess it to have been as easy as any other production.

Also pleasing McKown were the musical numbers and acoustics within the auditorium which seats 350. The balcony seats will be sold only if demand requires it and let's hope it does. Buy your ticket soon in the administration building in front of the theatre.

Amnesty,

In an age of an "I'll sue" society, nothing or no one is safe or sacred. It seems like any newspaper, whether local, national, international, school, or college oriented, is subject to lawsuit and the defense of freedom of the press. In an article by James J. Kilpatrick in the WASHINGTON POST, Friday, February 18 entitled "Tempest on The Hilltop,"this press stopping issue is looked at from a different and refreshing angle.

This article is directed to all editors who have had the fortune or misfortune to sit behind the realm and conduct a paper. A student editor publishes something that is controversial, knowing full well the consequences, and then waits for the printed word to take its course. Usually the editor is diplomatically removed and what follows such action would make Pultizer rub his hands in glee. The student body rises up in protest, the problem ends up in court and usually the student editor wins, and is reinstated.

Kilpatrick states that in his viewpoint, the rights of an editor stop, where the power of the publisher begins (the school or college in this case). He brings to point the fact that the paper the editor puts out is not his or her paper and that if an editor falls into a libel case, the school, not the editor, pays. How far do we hide behind the concept of "freedom of the press issue?"

Kilpatrick closes his article by saying that it was beyond his comprehension why student publications should operate under a rule, and that if a student wants complete freedom of the press let them buy their press and move off campus. Until that happens, they should grow up to what real life is all about.

I agree with Kilpatrick. No one, when given the reins of a paper, has the right to play God or be free from responsibility. One of the first things a reporter or editor should learn is that responsibility is what you owe your readers and the owner of your paper. If you don't agree with such policies, then look for a different job; you never bite the hand that feeds you. This is just not idealistic, but a matter of principle and courtesy.

Who, under all the rules and regulations everyone must play by, should be exempt? Just because numerous court cases have provided such a loophole, an editor who takes advantage of it should be willing to pay the price for the usage of it. The mark of a truly great editor would be one that can manage to present one's views without bringing the wrath down upon the head of the owner or the editor. Must one be able to print whatever one pleases, without any thought or consideration to a fellow human being, for the sake of causing a controversy that no one needs?

Organizational News

Tau Kappa Epsilon

The Iota Omega Chapter of Tau Kappa Epsilon held formal initiation of new members and new officers last Wednesday evening. Seven new associate members were pinned Wednesday, they are: Steve Bumgardner, Byron Brooks, Jeff Cici, Jimmy Clark, Tony Leonard, Doug Payne, and Bruce Waugh. Congratulations to all of these fine individuals

Seven members of Tau Kappa Epsilon attended the international conferences in Indianapolis, Indiana this past weekend. Much was learned about new operations of the fraternity and ideas were shared between the chapters that attended. Special thanks go to Bee Bee and John Gilfoy who provided a place to stay for those who went to Indianapolis, and also to Mr. and Mrs. Millhone who served us a fine meal on the return trip.

Finally, members are reminded that there will be a meeting tonight, same time, same place. And be sure to check to see what team you're on for the intramural basketball tournament, these teams will be posted in the student union.

The monthly meeting of Pi Gamma Mu was held Feb. 9, at 6:30 p.m. in the Wesley Founda-Plans concerning the tion. Initiation Ceremony finalized. It will be Wed., March 9, at 7:00 p.m. in the Wesley Foundation. All members and new initiates are urged to attend. (The dress code has been left to individual descretion.)

We would like to thank all those who attended the lecture given by Dr. John Warner on Monday All members are evening. reminded that they may pay their semester dues (\$2.00) to Dr. Eaton at any time.

Phi Beta Lambda

Phi Beta Lambda will hold a reception on Wednesday, the 23rd at 6:30 in the Verona Mapel Room for the FBLA chapter at Gilmer County High School. All members and business students interested in PBL are asked to

Congratulations to the Pioneers for their big victories last week. Good Luck is extended to them and the Lady Pioneers in their State Tournaments.

Letters To The Editor

To the Student Body.

I would like to thank everyone for their support and encouragement during Student Congress election. Your vote was very much appreciated. At any time during the coming year if you have questions or concerns

that you would like to discuss, please feel free to contact me. Once rgain, thanks.

Penny Clutter

To The Student Body:

I would like to thank everyone who voted for me in last week's Student Congress election. I am looking forward to fulfilling the position of Vice-President, and hope that your support will continue through the coming year.

Steve Keenan

Please accept this written apology concerning the alleged snowball altercation. I didn't mean to cause a disturbance or any inconveniences to any resident of Glenville State College or the city of Glenville.

Scott Murphy

Dear Glenville Mercury & College, I apologize for throwing snowballs.

At this time I would like to extend my apologies to the faculity and staff member and the students of Glenville for the snowball frenzy that took place last Friday afternoon. I also would like to extend my apologies to Robert Dinkler and the Resident Assistants of Louis Bennett Hall. To the community of Glenville, I am sorry that the actions that took place were upsetting to you, but no harm was intended.

Sincerely Chuck Taylor

Please accept my apology for my part in the snowballing incident which took place a couple of weeks ago. I hope I did not harm anyone.

Clark Martin

Dear Editor:

It seems to me that it is very unreasonable to have a wide screen television in our student union with the ability to show movies 24 hours a day and we have to watch scheduled sports during the week when it seems the majority of students prefer to watch a movie on MTV to the sports that can be seen on the conventional televisions.

Name Withheld

The Kappa Eta Chapter of Theta Xi held its weekly meeting Sunday. Plans are now finalized for the Greek Basketball Tournament. Anyone interested in entering a team should contact Jeff Wilcox. A reminder to all Bruise brothers, intramurals start Thursday, so check the board for the time of our game. We sould like to remind all brothers to start getting ready for the dribble. We would like to wish the Pioneers continued success in their current winning streak. Take it easy on the T's Gary its almost tournament time.

Sigma Sigma Sigma

The Delta Alpha Chapter of Sigma Sigma Sigma held a grub meeting in the Sigma Lounge 4:30 p.m., Monday, Feb. 21.

A car wash is planned for March 5th in Clarksburg.

Sisters of the Week are Arnie Headley, Dee Malettee and Debbie Moore. Stinker of the Week is Kim Lake.

Delta Zeta

The Theta Xi Chapter of the Delta Zeta Sorority held its formal meeting Feb. 21st.

State Day plans are underway, all committees should be working together.

The winner of the Pretty Legs contest was Clay Young! Congratulations. The dance was a success, Jill you were on the ball! We would like to congratulate those who were elected to Student Congress.

Mary and Ann, we hope you break-a-leg this week-end. Hope the Pioneers keep on top of things, beat Salem!

C.E.C. News

The Education Department of GSC has recently established a local chapter of C.E.C. (The Council for Exceptional Children). The primary purpose of C.E.C. is to promote the adequate education of all exceptional children. The advisor of the Glenville Chapter of C.E.C. is Dr. Clifford Young. At a recent meeting, Dr. Young and the new officers discussed an upcoming program - "Sexuality in the Exceptional Children," which will be presented at a future date.

C.E.C. is open to anyone who is interested in education. Local chapter dues are \$2.00. Future activities for C.E.C. include working with the Special Olympics; attending the National C.E.C. Convention in Detroit, guest speakers, and working with local Special Education classes.

Recently elected officers for the Glenville Chapter of the Council for Exceptional Children are as follows:

President Traci Carter President Elect-Susan Harshberger Vice President - Mary Flaherty Secretary - Connie Jones Treasurer - Cindy Stewart (acting in place of Charlotte Moore) Membership Chairperson - Joyce Young.

Well, it's tournament time again and Glenville is buzzing. Both Pioneer teams will see action in their conference basketball tournaments during the next couple of weeks, and both squads have chances of doing well.

The Lady Pioneers of Coach Tim Carney have already

begun tourney play. They were to play Shepherd last night and, if things go as anticipated, will play again Thursday night. If victorious then, GSC will probably face the always-tough University of Charleston Lady Golden Eagles, who edged GSC last year in the tourney semifinals. After that, who knows?

Carney's squad is currently 14-6 but has been struggling as of late, losing four of their last six games. But, a similar situation occurred last year and the Pioneer women recovered to finish third in the tourney. So, look for the Ladies to be right up there at the conclusion of the tournament.

Jesse Lilly's men's squad has taken a completely opposite route than the Ladies this season. The male cagers took their lumps early and have been passing out few of their own recently, including wins over Wesleyan and Fairmont.

With their performance and enthusiasm at a high level of intensity, the GSC men could find the "Journey to the Tourney" next week to be much more enjoyable

Sophomore Kenny Taylor is coming back down to earth after slamming the basketball in GSC's win

Ladies Lose Game To Fairmont To Conclude Regular Season

GSC's Lady Pioneer basketball team continued to struggle last week, defeating Salem early in the week before falling to Fairmont on Thursday. The 1-1 mark left Coach Tim Carney's squad with a 14-6 record (12-4 in the West Virginia Conference) heading into the WVC tourney at Buckhannon this week.

GSC 89, Salem 51

The Glenville Ladies, behind Pam Minigh's 23 points and 12 rebounds, stomped Salem for the second time this season last Monday. The final score was 89-51. At halftime, GSC possessed a 52-34 lead.

In addition to Minigh's scoring GSC received double-digit scoring from Maria Lothes (11) and Sonja Bailey and Judy Niday (ten each.) Bailey

Aaron Eubanks, shown here competing in Backgammon, was one of the many participants for GSC at the recent ACU-I Regional Tournament held at the Mountainlair in Morgantown.

also had six steals and five Bunny Taylor chipped in assists.

Other scorers for GSC Kim Maynard, were: Bunny Taylor and Robin Phipps eight apiece; Tina Burkhamer five; and Sharon Hayes, Laura Dabney and McComas

Fairmont 82, GSC 61

The Fairmont Lady Falcons built up a big lead in the first half, when GSC shot 23.9 percent from the field, and held off a rally by Glenville that cut the deficit to ten in the second half. The final score was a surprising, 82-61 tally.

Senior Pam Minigh paced GSC, which wound up shooting 33.7 percent, with 18 points and 16 rebounds. Kim Maynard added eight points and 14 boards, and

eight markers and nine assists.

Also, Tina Burkhamer scored seven, Sonja Bailey six, Laura Dabney, Robin Phipps and Judy Niday four apiece, and Maria Lothes

With the all-important WVC tourney to be played this week, Carney is concerned with his team's play. He remarked, "Our girls have lost their confidence. We aren't playing well inside or shooting well. Hopefully, we'll snap out of it.

GSC began tournament action on Tuesday night against Shepherd. If vic-torious, the Lady Pioneers will play again on Thursday

GSC Students Participate

Several Glenville State College students participated last weekend in the ACU-I Regional Recreation Tournament at the Mountainlair in Morgantown.

Among those competing were: Aaron Eubanks fourth out of 11 in backgammon; Greg Tracy - sixth out of 12 in chess; Joe Brannon and Steve Phares-

> Tickets for the women's WVIAC women's basketball Tournament are on sale in the Athletic Office. For adults, a single session is \$4.00, while all sessions are \$14.00. For students, it is \$2.00 and \$8.00.

fourth out of seven teams in table soccer; Bryan Payne - ninth out of nine in darts; Jim Weidemoyer eighth out of 13 in billiards; and Bill Del Prince - 15th out of 20 in men's singles table tennis.

A bowling team represented GSC, also, but results weren't known at presstime.

> Tom Marks would like to thank the Education Dept. and the Staff Council for their condol-ances and flowers on the recent death of his mother-in-

Pioneers Upset Wesleyam To Highlight Week Of Play

Weşleyan highlighted the GSC men's action last week. Sandwiched around the exciting Wesleyan triumph were a close loss to Davis and Elkins and another big win over the rival Fairmont

D & E 81, GSC 77

The Pioneers looked flat in the 81-77 loss to the Senators. Davis and Elkins claimed a 46-32 lead at intermission and held GSC off down the stretch.

Kenny Taylor's 16-point, 12-rebound performance led Glenville. Clay Young had 16 points and ten caroms, Rich Moore scored 15, Scott Ludwig had 13, Randy Anderson 11, Steve Linville four, and Trent King two.

GSC had 39-32 rebounding edge but was outshot, 61.2 percent to 45.8 per-

GSC 59, WV Wesleyan 55

Jesse Lilly's Pioneers clearly outplayed Wesleyan, the WVC leader and 13th-ranked in the NAIA, in the Feb. 17 game at Glenville. GSC led for most of the game until Wesleyan went up, 39-36, with about 14 minutes left. Minutes later, Scott Ludwig tied it up and then GSC never trailed again.

Ludwig's 23 points was tops for Glenville. Clay Young and Rich Moore scored 14 each. Also, Young cleared nine re-bounds. Kenny Taylor scored four points, and Randy Anderson and Steve Linville scored two each.

GSC held a edge (53.8 percent to 45.3 percent) in

A stunning defeat of nationally ranked West Virginia teams recorded 30 reteams recorded bounds.

GSC 69, Fairmont 56

Against Fairmont, the GSC cagers kept up their intense level of performance. Backed by vocal home crowd, Glenville remained close to Fairmont throughout the first half, which ended with a 34-28 Falcon lead.

However, at the outset of the second half, GSC tallied 20 consecutive points to gain a commanding, 48-34 Fairmont was held scoreless until the 13:14 mark. The Falcons pulled to within six at 56-50 with 4:47 to go, but GSC, with Randy Anderson running the four-corners, lengthened a 69-56 triumph.

For the victorious Pioneers, Scott Ludwig scored 18, Rich Moore and Kenny Taylor 16 each, Clay Young 12, Steve Linville five, and Randy Anderson two. Taylor's 16 points included a crowd-pleasing slam dunk.

GSC is now 6-18 overall (5-16 in the WVC). The Pioneers were to host West Virginia State Tuesday, and then will play at Salem on Saturday night. Then, it's on to Charleston next week for the WVC tourney.

Coach Jesse Lilly stated concerning his team's recent performance, "We're trying to regain some respectability going into the tournament. One thing that has helped has been the insertion of Steve Linville into the lineup in place of Randy Anderson against taller teams.'

Randy Anderson and Kenny Taylor team up to clog the middle again:

The GSC Pioneerettes, a danceline under the direction of Mrs. Sandra Piercy performed at halftime of several men's home basketball games. The Pioneerettes are: (1st row l-r) Brenda McCoy, Angie Boles, Gina Busio, Melinda Gutberlet. (2nd row, 1-r) June Casto, Kim McCutchen, Belinda Nichols, Robin Forum and Doretta Pugh.

ABSENCE OF MALICE will be shown in the Auditorium tom. activities, prizes an activities available. night at 8 pm.

Warner Speaks . . .

federal legislation ever written for juvenile delinquency -the Juvenile Justice and Delinquency Act. It promised federal money to all states who would conform to the four D's: 1) Deinstitutionalize status offenders (non-criminals);
2) Provide all children with the LEAST restrictive alternative; 3) Keep children away from adults in jails and 4) prove you are doing the above three.

Up to this time in

history, children were gathered up and put in jail for numerous reasons from spitting on sidewalks to associating with "bad"

company.
At this point, the State Legislature cut into the action as well with several bills that redefined delinquency and gave children the right to a lawyer, among other improvements.

Governor Rockefeller established a State Advisory Group which monitors funds and has approved grants for restitution programs, studies, jail monitoring, juvenile advocates (lawyers). fosterr care, etc. Though these funds have dwindled over the years, much has been accom-plished. Federal funds initiate programs with initiate programs with the understanding that local funding will eventually take over.

At the time W.Va. began

cont. from pg. 1.

to comply in 1977 with these federal regulations, all but five states had taken up the offer.

The "revolution" in W. Va. was touched off when Judge Neely passed several rulings that brought about compliance with federal requests, plus initiation of programs that would provide not just the least restrictive alternatives but the BEST possible alternatives.

The results of this "revolution" have included a 16.63% decrease in dropout rates state wide; a 21.62% decrease in the dropout rate in the eight counties with alternative schools; a decrease in the number of children in jails from 377 in 1980 to 36 in 1982 (90% removal) and a 50% reduction in children appearing before the courts.

Warner stated that underlying these "revolutionary" ideas is the theory that " juvenile delinquency is turbulant adolescence and most children will outgrow their "delinquency" that exposing them to the prison life does more harm than good.

Seniors must turn in Placement Packs to the Placement office by March 1.

Students Collect For Heart Assoc.
