

# The Glenville Mercury

Number 28

Glenville State College, Glenville, West Virginia

Wednesday, April 20, 1983

A reception was held following the unveiling of the Presidential Portraits. Former presidents, D. Banks Wilburn, and Harry Heflin and current president William K. Simmons attended the reception, which was held in the Verona Mapel Room. Many faculty, past and present, also enjoyed the get-together. Above, Dr. Harry Heflin greets many of his friends.

## Meeting Productive For Regents At GSC

The Board of Regents met on April 12 at 9 a.m. in the Verona Mapel Room to cap off a two-day visit to the GSC campus. The agenda for the meeting covered such diverse areas as West Virginia State College's request for approval to terminate specified certificate programs and associate in applied science programs, West Liberty College's request for approval to offer a B.S. in Energy Management, effective Fall '83, the transferring of license of WVU's television station to the state Educational Broadcasting Authority, and approval that West Virginia Tech President Leonard Nelson

hire a chief academic officer.

Of relevance to GSC, the Board approved the projects of the investigation of the cause and elimination of sub-surface water problems and site improvements and the correction of these problems around the library, the restoration of the amphitheater and the reroofing of the Science Building. The budget for this project is \$200,000.

Also there will be a campus-wide heating plant survey and implementation study in which engineers are to survey and record the condition of all existing campus

(Cont'd on pg. 5).

## GSC Hosts Spring Meet Of Historical Association

Former United States Ambassador, Christopher Van Hollen, will be the featured keynote speaker at the meeting of the 24th Annual West Virginia Historical Association at Glenville State College.

Dr. Van Hollen, the former American Ambassador and deputy assistant secretary of state for Near Eastern and South Asian affairs, will speak on "Americans in the Persian Gulf: the Carter Doctrine and the Reagan Corollary" at 8 p.m. on Friday, April 22, in the auditorium. The lecture is free and open to the public.

Presently a senior associate at the Carnegie Endowment for

International Peace and Chairman of the Islam Centennial. Fourteen, Van Hollen has served in a number of official capacities for the United States including Ambassador to Sri Lanka and the Maldives, political officer in the embassy at Karachi and Murree Branch at Pakistan and the New Delhi embassy in Calcutta.

Van Hollen has been an instrumental figure in resolving the bilateral dispute between the United States and Sri Lanka by successfully renegotiating economic agreements. He also prevented nationalization of Pfizer Pharmaceuticals by

(Cont'd on pg. 5).

## GSC Expected To Drill Wells

Glenville State College is expected to drill its own natural gas wells in order to cut the schools heating bills.

The college, which budgets \$165,000 per year for natural gas from Consolidated Gas, would be able to reduce this amount by half.

The drilling company selected for the job probably would tap sources in the Benson Sands, 5,500 feet below the surface. The well would probably be located either in a corner of a campus parking lot or on the college farm, a little less than a mile away.

A well of this kind could produce gas for 15 to 20 years, and additional wells could be drilled if the first one is successful.

## Newspaper, Yearbook Workshop Scheduled

The journalism department and Walsworth Publishing Company will be holding a yearbook and Newspaper in-Education workshop on Friday, April 22. The seminar is scheduled from 9:30 a.m. to 2:30 p.m. and classes will be held in Clark Hall.

Guest speakers will include Zella Halstead, who will be giving a seminar for teachers on Newspapers in-Education, Dan Reardon and other Walsworth staff members, will be teaching theme photography and advertising. Debbie Moore, Becky Triplett, Mrs. Yvonne King and Carron Smith Wilfong will also be lecturing.

High school and junior high yearbook staffs from across the state will attend. Any GSC student who would be interested, may attend. Registration begins at 9 a.m. in the lobby of the Pioneer Center.

Beginning her reign as the 1983 Miss GSC, Pam McVey was crowned Friday night, April 15. For more information and pictures, see page 4.

## McVey Begins Reign

Miss Pam McVey of Ansted, WV, was crowned Miss GSC Friday, April 15, by the 1982 titleholder, Miss Carolyn Snodgrass. Pam is the 18-year-old daughter of Mr. and Mrs. Raymond C. McVey, Jr., from Ansted, WV. She is a freshman computer science major. Miss McVey did a song and dance performance to Broadway's "Big Spender," wearing a sophisticated purple dress.

Pam was sponsored by Sigma Sigma Sigma and her activities include being a member of Tri-Sigma Sorority and Ladies of the White Rose.

Miss McVey was a 1981 graduate of Midland Trail High School. Pam's hobbies include dancing, singing, swimming and reading.

In addition to winning the Miss GSC crown, Pam also tied in the preliminary swimsuit competition with Beth Carpenter and won the talent competition.

When asked about the

pageant, Miss McVey replied, "I was nervous throughout the competition. It was a good experience for me, and I had a lot of fun. I am happy and proud to carry on the Miss GSC title."

Miss McVey will be traveling to Clarksburg for the West Virginia state competition held June 16-18.

June Casto was chosen first runner-up. She is the daughter of Mr. and Mrs. Rufus Casto, Jr. of Clendenin and is a junior computer science/business administration major. June won the evening gown competition and was sponsored by PBL.

Miss Beth Carpenter is the daughter of Mr. and Mrs. Bert Carpenter of Huntington. Beth tied for first place in the swimsuit competition.

Mistresses of ceremony were Angel Goddard, Miss GSC 1980, and Fran Davis, Miss GSC, 1981.

Dorm elections will be held in LBH today until 5p.m. All dorm residents are urged to vote.

Rick Truman placed fourth in the Bubble Gum Blowing Contest. For more Field Day results, see page 6.

Seniors are urged to pick up their caps and gowns in Alumni Affairs office.

For summer school, financial aid applications will be available in the Financial aid office on Friday, April 22. Senior will be given preference.

## GSC Week Disappointing

As a freshman, I was looking forward to GSC Week. From that I assumed, Glenville State College Week was supposed to be a time of many activities and a time of student involvement. After observing GSC Week, I have found it is neither of the previously-mentioned assumptions.

GSC Week lacked student involvement and activities. I found this very disappointing and pathetic. To me, and many other students, GSC Week was very similar to a normal school week. For example, Tuesday evening, many activities were planned, such as a picnic, an air-band contest, a Pioneerette performance, and a lecture by ABC Correspondent, Irv Chapman. I applaud the planning of these activities. I am very disappointed in the outcome of these activities. Many students attended the picnic and gathered to watch the air-band contest, at which only two groups performed. What does it take to get students involved? Even a \$50 prize only attracted two groups. And then the Pioneerettes did not perform. What were the students to do until the lecture was held? The lecture was very well-organized, but again a lack of students was the problem, as were the other activities during GSC Week.

I hope GSC Week will improve next year and I hope we, the students of GSC, can show next year's freshman that GSC Week is a time for activities and fun. And, lastly, I hope freshmen of next year do not become discouraged and disappointed as I did and go home for the week-end, as I did.

Good luck to the baseball and track teams this week!

### Lambda Chi Alpha

The Brothers held their weekly meeting Monday night. All Brothers are reminded that next week is Lambda Chi Alpha Week, and to wear their shirts all week. We would like to welcome all the new ladies, and give a very special congratulations to Pam McVey for being crowned the new Miss GSC.

Awards: Wino - Mark Martin and Ron Carpenter; AH - Mike Phillips; KCUF - Associates; POW - Mark Martin.

### Theta Xi

Brothers of the Theta Xi Fraternity held our weekly meeting. We discussed our Theta Xi Weekend being held on April 28-29. Thursday 28th we will have the Dunking Machine operating and a Kissing Booth. That night we will have a house party. Everyone is invited to come, \$2 at the door, \$1 for football players. Refreshments will be served.

Also, we'd like to remind the brothers to get out and pick trash up during clean up Glenville Week.

Brothers would like to honor their associate members; Dave Smith, Steve Burke, David Tucker, Kenny Golden, Ron Lane and Mike Hanna. Keep up the good work. We would also like to wish the baseball team good luck in oncoming games.

### Ohnimgohow Players

The Ohnimgohow Players would like to welcome their spring 1983 pledge class, consisting of Kellee Booth, Paula Brown, Andre Holland, Randy Lewis, Delton Sigley, and Joe Stephens.

All members and pledges are reminded to help work on the two plays, "The Ant and the Grasshopper" and "The Insanity of Mary Girard," now in progress.

We would like to wish those members of the forensics team who qualified for nationals and Coach Nicholson good luck this week in Illinois.

Everyone is reminded that there will be an important meeting this evening at 5:30 in the Underground.

## Letter To The Editor

To The Editor;

I would like to thank all the members of the GSC Week Committee for all their hard work. I would also like to thank the employees who helped by judging, setting up tables and chairs, baking donuts and everything else. I think we had an extremely successful week. I hope everyone enjoyed the activities.

Thank you,

Who will be the next head basketball coach at Glenville State College? Many people have asked that question recently, and they are wondering when they will get an answer. Also, asking these questions are possible recruits for next season. They will need to make a decision soon, and they want to know who is going to coach them if they decide to attend GSC.

The list of prospective coaches has been narrowed down to seven candidates. Included in the list of candidates to be interviewed are Glenville's Tim Carney and Gary Nottingham.

If I were to be consulted in the matter, my choice out of the seven would be Carney. He's a proven winner (66-24 in four years as head of the GSC Lady Pioneers), and he has valuable experience on the men's level, too.

Nottingham has served as Jesse Lilly's assistant for the past few years, but his age may work against him in his bid for the job.

Whether one of these two is hired, or one of the remaining five candidates gets the job, hopefully a decision will be reached soon.

We're sorry to hear about Randy Hunt's unfortunate illness. Hope you get better soon, Coach!

## Glenville Nine Improves Record

Winning four of six conference games last week, the baseballers evened their conference record at 5-5. Strong pitching and consistent hitting paved the way for their success.

Starting last Wednesday, Mike Lilly picked up the win as the Pioneers outscored West Virginia Tech, 12-10, for their home opener. Dave Hall went 3 for 5 with a double, triple, and a single and Jeff Metheny and Kenny Golden hit two doubles apiece to lead the Pioneers at the plate. Tech took the second game, 6-4, pulling out the victory in the bottom of the seventh inning.

The Alderson-Broadus Battlers were their next opponent as the Pioneers swept both games from the Battlers. In the first game Kenny Golden pitched a strong 6 2/3 innings, picking up the victory with Doug Patterson in relief getting the save. In the hitting department, Bill Del Prince got three hits, Kreig Sayre two hits,

and Marshall Kiser two hits, including a homerun. Jim Frame pitched a great game, earning the victory in the second game, 4-3. Randy Edge had two hits and two runs batted in.

In the opening game last Saturday at Fairmont, Jay Fiber had two hits and Dave Hall stole four bases, but the Falcons prevailed, 6-1. The second game saw a barrage of hits as the Pioneers took an early lead only to lose it, but with three runs in the bottom of the last inning they pulled it out, 13-12. Mike Lilly picked up his second victory of the week.

Going into the Fairmont game, Edge led the team in batting with a .370 average with Del Prince next at .343 and Jeff Shriner at a .333 clip. The baseballers travelled to West Virginia State to play yesterday and will be going to Marietta, Ohio tomorrow. West Liberty will be coming here to play Saturday afternoon.

## GSC Thinclads Surprise State

A surprise win over West Virginia State and three other teams highlighted action for the GSC men's track team last week.

The Pioneers defeated the Yellow Jackets, among others, at the Rio Grande Invitational on Saturday. GSC scored 78 points to 66 1/3 for WVSC. Also, Rio Grande scored 61 1/3, Wesleyan 50 1/3, and Morehead 19.

Earlier in the week, West Virginia State had defeated GSC, 65-52, in a dual meet. Leading the Pioneers were Robert Brown, whose shot put heave of 50 feet, 5 3/4 inches was near the NAIA qualifying standard, and Larry Taylor, who claimed two firsts and a second.

In the Rio Grande meet,

GSC gained an early lead in the field events and performed well throughout the meet for the win.

Larry Taylor won three events to pace Glenville. The junior distance star claimed the 880-yard run, the mile run and the three-mile run. Other individual winners were: Dave Darst-shot put; Robert Brown-discus; and Lloyd Willis-triple jump.

Also, Brown was second in the shot, Mike Long was second in the pole vault, and Ed Iseli was second in the mile run.

Jerry Milliken remarked of his team's performance, "I'm super pleased. Everyone gave some of their best efforts of the season, and everything fell into place."

Tim Brown

## Brown Named Pioneer

Tim Brown was recently elected as the 1983-84 Pioneer, the mascot of Glenville State College. Tim is a junior from Birch River, WV, majoring in Business Administration. He is a member of Lambda Chi Alpha, Alpha Psi Omega, Ohnimgohow Players, and the Glenville State College Forensics team. Tim will attend all football and basketball games, along with tournaments, to cheer on the teams and fans. Tim is replacing last year's Pioneer, Tom Davisson.

## Recruit Is Signed

Dr. Jim Hilgenberg, coach of the highly-successful GSC cross country team, has announced the signing of his first recruit for the 1983 season. The recruit is David Antonik of Magnolia High School.

Antonik placed 27th in the 1982 West Virginia state high school cross country meet. He plans to major in social studies at Glenville.

Remarked Hilgenberg, "David is just the kind of person we like to recruit. He doesn't mind working hard."

Hilgenberg pointed out that he is interested in several other runners, also. Among those are Richard Stewart and Danny Stowers of Oak Hill and David Tabor of Princeton. Stewart, Tabor and Stowers were third, fifth and tenth, respectively in the West Virginia state meet.

The following are the final standing for the girls intramural volleyball league:

Winkies II	14-0	.1000
Longshots	12-2	.860
5th Floor	8-6	.570
Weiner Whompers	8-9	.470
Jolly Volleys	8-10	.440
Ladies	5-11	.310
Sigma	4-9	.310
Volley Girls	2-14	.130

There will be a square dance in the Main Lounge of Pickens Hall, Tuesday, April 26, at 7:30 p.m. The music will be provided by The River City Ramblers. The square dance is jointly sponsored by the Governing Boards of Pickens and Louis Bennett Halls.

## Golfers Are Playing Well

So far this spring, the GSC golf team has performed in six matches, placing high in most of them. Coach, Tim Carney, remarked, "All in all, I've been pretty pleased with our play considering our lack of experience. Our big thing now is to get some consistency."

First, GSC participated in the Fairmont Invitational. The Pioneers, paced by John Forrest, tied for second with a 319 total. Forrest shot 78, Gordie Delaat 79, Rick Moore 81, Tom Davisson 81 and, Norman Craig 87.

Next, the Pioneer linksters tied for fifth place in their own invitational tournament at Beverly, Ohio. GSC had a team score of 413 points, as compared to 382 for the winning Ohio University squad. For GSC, Gordie Delaat and John Forrest each recorded scores of 79, Rick Moore had an 81, Tom Davisson scored 85, and both Norman Craig and Bill Adler scored 89.

At the Elon Invitational Tourney, Glenville placed 18th of 24 teams with 660 strokes. The Pioneers' scoring was as follows: John Forrest, 72-84-156; Gordie Delaat, 79-80-159; Rick Moore, 86-85-171;

Tom Davisson, 86-88-174; Norman Craig, 94-90-184.

Next, at the Marietta Invitational, GSC was fifth of 13 teams. Of 803 strokes, Glenville's scoring was as follows: John Forrest, 77-74-151; Gordie Delaat, 74-79-153; Rick Moore, 81-82-163; Norman Craig, 81-83-164; Tom Davisson, 86-86-172; Bill Adler, 86-90-176.

On April 6, Glenville placed second in a match at Ohio University. John Forrest and Charlie Moss each recorded rounds of 75 to lead GSC. Also, Rick Moore shot 81, and Gordie Delaat and Bill Adler both shot 84.

Finally, the Pioneers competed in the Southern Regional on April 11-12 at Pipestem State Park. GSC, with a total of 650 strokes, was third of ten teams. John Forrest won all-tournament honors with a total of 151 strokes, including a round of 71. Also, Tom Davisson recorded 163, Gordie Delaat 165, Norman Craig 171, and Rick Moore 184.

This Monday, GSC was to have competed in a match at California State, Pa. This weekend, GSC will be busy, competing in both the Central Regional and the Northern Regional.

## Tennis Squad Competes

The GSC men's tennis team has competed in only a small number of its scheduled matches this spring. The weather has prevented the Pioneer squad, coached by Gary Nottingham, from participating regularly.

The first match, on April 12 against West Virginia State, turned into a 5-4 victory for the Pioneers. GSC won four singles matches and one doubles match.

Winning at singles were Dave Clites, number one position; John Waldeck, number three; Randy Anderson, number four; and Bill Welch, number five. The number three doubles team of Bill Welch and Pat Mollohan was victorious.

Clites won by a 6-4, 5-7, 6-3 score; Waldeck won, 6-4, 4-6, 6-4; Welch won, 6-1, 5-7, 6-3 and Anderson won, 6-0, 6-1.

Welch's and Mollohan's score was 6-0, 6-3.

Next, on April 14, the Pioneers were blanked, 9-0, by the University of Charleston. Then, on April 16, Fairmont beat GSC by an 8-1 score. Randy Anderson was Glenville's lone winner. He won number four singles by a 2-6, 6-4, 7-5 score.

The entire team roster is as follows: Dave Clites, Steve Meckfessel, John Waldeck, Randy Anderson, Bill Welch, Jim Kuo, Pat Mollohan and Jerry Finly.

GSC was to have played Concord yesterday at Athens. Also, the Pioneers will play matches against West Virginia State and West Virginia Tech today; and, on Friday, they play Wheeling. The next home match will be on Monday, April 25 against Davis and Elkins.

## Coaching Choices Limited To Seven

Glenville State College has narrowed its list of head coaching candidates to seven people in its search for a new basketball coach to succeed Jesse Lilly, who retired after the completion of the 1983 season. The candidates will be interviewed this week, and a decision should be reached soon after.

The list of candidates includes: Tim Carney, currently GSC women's cage

coach; Gary Nottingham, Lilly's assistant for three years; Jim Spicer, Tyler County High coach; Dave Rogers, Martinsburg High coach; Bob Maxwell, Stuart Draft (Va.) High coach; Jack Greynolds, Barberton (Oh.) coach; and, George Whittaker, Virginia Commonwealth University assistant coach.

The final seven candidates were chosen from a list of 35 qualified people.

Thanks again to all of those who participated and helped throughout the week and also a reminder to all those who danced in the Super Dance to be collecting your pledges.

## Senior Women Invited To Tea

The Glenville Chapter of the American Association of University Women will be inviting the graduating senior women of Glenville State College to join them in a tea and the regular May program on Monday evening, May 2, 1983, in order to become acquainted with this nationwide organization. The purpose of the organization is to enable college women graduates to continue their intellectual growth, to further the advancement of women, and to discharge the special responsibilities to society of those who have enjoyed the advantages of higher education.

June Casto, first runner-up, Pam McVey, Miss GSC 1983, and Beth Carpenter, second runner-up, each received roses and trophies.

## Forensics Place Fourth In State

The West Virginia Inter-collegiate Forensics Association held its annual state tournament at Parkersburg Community College on March 26-27. The GSC forensics team, coached by Barbara Nicholson, placed fourth out of eleven teams in the tournament.

Led by Danny Bayer, the GSC team finished behind Marshall University. Bayer finished first in the state in after dinner speaking, fourth in prose interpretation, and fourth in dramatic duo (with Raeleen McMillion). McMillion finished fourth in poetry, and fourth in dramatic duo (with Bayer). Also finishing at the tournament were Randy Harper, who was fourth in extemporaneous speaking, and Tammy Stalnaker, who was fifth in informative speaking. GSC had a finalist in six out of eight events

and every team member was in the top ten of every event except impromptu speaking.

The team members who qualified at the state tournament will travel to Illinois State University during the week of April 21-25 for the national tournament. Other team members who have already qualified for the national tournament are Lou Davidson, Tim Brown, and Lisa Taylor.

## Elderhostel Plans To Award Scholarship

The Elderhostel committee will award seven scholarships to parents or grandparents of Glenville State College students. The registration fee is \$180, and these scholarships will pay \$150 of this.

## Fire System Price Is High

Last winter a new fire alarm system was installed in almost all of the new buildings on campus. This new system is much more sensitive and covers more of an area than the previous one.

To give the students an idea on how much money is spent on their safety, the new updated system cost \$177,339 and was installed by Tri-County Electric of Elkins. The system was installed in the Physical Education and Administration Buildings, both dormitories, Clark and Science Halls, the Library and the Pioneer Center. The alarm system in each building is basically the same with an annunciator panel in the main entrance to tell what zone the fire is in. This annunciator panel makes it quicker and easier to locate the fire, for it saves the time of having to search for the fire unlike before when the entire building had to be checked.

This is a sophisticated system and should not be tampered with. Tampering with the system can cause malfunctions meaning false alarms or possibly no alarm when there truly is a fire. It is a very expensive system, for instance, each smoke alarm head costs \$51, each horn costs \$29, and each emergency pull station costs \$33. Three smoke alarm heads had to be replaced from the fourth floor of Louis Bennett Hall for tobacco juice and other foreign matter found in the apparatus. Perhaps the students don't realize that those three smoke alarm heads cost over \$150 total. This amount must be paid for through the residents' dormitory deposit.

This system was installed for the students' own safety, and it only seems nonsensical, considering the expense and the possible danger, for them to tamper with it.

## Weekend Television "Horrendous"

One of my favorite pastimes is to get up early on Saturday morning, eat breakfast, turn on the tv and park myself on the couch. At 7:30 last Saturday, I did just that. What I did not know was that I was plunging myself into one of the most horrendous times of my life.

I began the morning with "Tom and Jerry," not bad. But, oh boy, it got worse, much worse. I visited Strawberry Shortcake land and everything became Smurfy. It was only after watching Spidey and his friends and the "Dukes of Hazzard" did I realize my purpose for this week.

I have long been an admirer of tv (almost a tv-aholic). But during the last year, I have watched very little tv. It amazes me how little there actually is on tv these days. The shows are often demeaning, repetitious and very unfunny. The canned laughter does not even sound original.

Probably the most disgusting of tv programming are the many tv shows that are also cartoons. Isn't it enough that viewers have to see Boss Hogg every Friday night? "Mork and Mindy," "The Incredible Hulk," and several other shows have made the transition from prime time to Saturday morning, but, why must we cartooners be subjected to such ridicule?

My own pet peeve is "The Dukes of Hazzard." This show (supposedly) portrays life in rural Appalachia. Daisy Duke portrays the typical country girl. Interesting! I was raised in the country and I have yet to see some one wear so little clothes as she does. Flash, the dog, is probably the best actor in the show. His 'wuffs' are sincere and he is fully clothed.

Next year proves only to be worse. Sneak previews include a show about a video game hero come to life, at least seven shows about living together, newly weds, newly divorced, and newly widowed. As the owner of three television sets, I have only one thing to say: "Any one want to buy a tv?"

heating plants, investigate various methods of meeting campus heating and cooling needs and addressing all problems that are found in this area whose budget is \$70,000.

The repair of the track running surface and any drainage problems was discussed and approved. The budget is \$175,000 and the college has taken action against the original contractors to pay for the cost of the repair. This action will be taken by the Attorney General.

The allocation in state funds for summer school for Glenville is \$97,000 and will eliminate the need for employee furloughs. The motion on the recommendation of summer school was unanimous.

The architects and engineers to be employed are as follows: Hoblitzell, Daley & McIntyre of Charleston, W. Va. for the various campus projects, H.A. Williams & Associates of Columbus, Ohio for the campus-wide heating plant survey and implementation study, and Architects DiGeronimo, Southfield, Michigan for the running track repairs.

Convening the meeting was Dan Sussman of UPI and Grace Barrett from the WASHINGTON POST. The attending faculty and administration members included President Simmons, Dr. Bruce Flack, Mrs. Nasia Butcher, Mr. Robert Gainer, and Mr. Bill Osborne. As a token of appreciation, each Board member present received a bag of white cornmeal that was freshly ground on a stone mill built in 1908 and a complementary 111 GSC celebration mug.

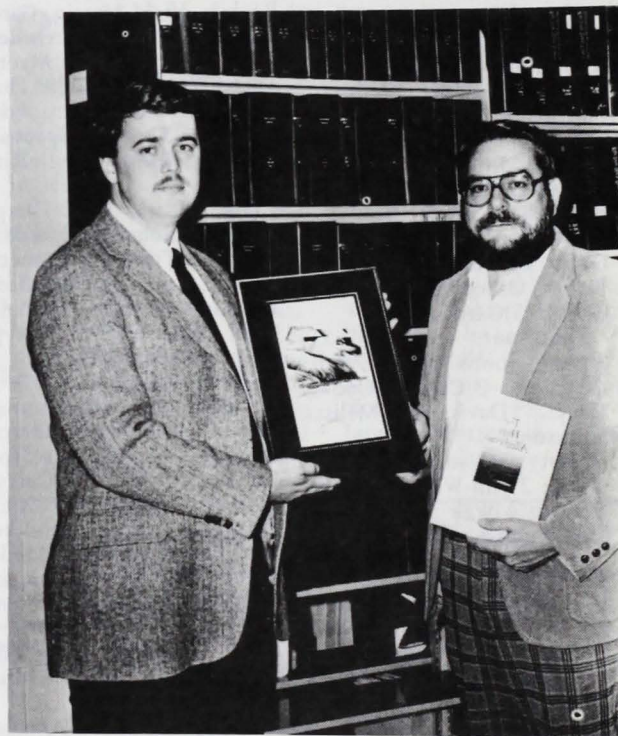

Members of the Marketing 478 class received practical experience on Monday, as they ran the Ben Franklin Store in downtown Glenville.

## Marketing Gets 'Hands On' Practice

On April 18, the students in Marketing 478 ran the Ben Franklin store in Glenville. This opportunity was granted to these students to give them an opportunity to participate in the retailing world with a hands-on experience. Owners, Ronnie and Cathy Jones, were away on a buying trip in Atlanta, Georgia, so the students ran the entire store for a day. Students operated

cash registers, constructed displays, performed routine marketing functions, and received freight. Students of Marketing 478 each worked 2-3 hour shifts and are as follows: Charlene Cowell, Dale Carney, Joe Duvall, Sherrie McPherson, Richard Moore, Rodney Dotson, Jeff Stanley, and Barry Kinser. These students also operate the Glenville State College Campus Co-op.

Dr. David Gillespie (left) was presented THE HIGH ALLEGHENIES and a pen and ink drawing entitled "The Winter Barn" by Bill Pitzer, a GSC graduate, as part of the 111 Celebration.

## Former Student Donates Book, Picture To Library

Bill Pitzer, GSC Art Education graduate, has donated books and illustrations to the Robert F. Kidd Library as part of the 111 celebration. There is also a picture donated by Pitzer titled "Downtown Glenville" on the second floor of the library.

The book that Pitzer donated is called THE HIGH ALLEGHENIES by J. Lawrence Smith. Pitzer did 23 illustrations in the book, which is the first in a series of

books to broaden the horizons of readers about Appalachia.

Bill Pitzer, former MERCURY cartoonist, was formerly a Graphic Artist at THE CHARLESTON GAZETTE. The GSC graduate is a recipient of the Whiting Art Award given by the Alumni Foundation and also received the co-outstanding student award. He now lives in Clarksburg where he has his own art studio doing pen and ink graphics.

# Annual GSC Week Highlighted By Field Day

Another GSC Week has passed by and the final statistics have been tallied. The six-day event ran very smoothly and saw a strong participation by the student body.

Winners of the roommate competition were Beth White, and Cathy Stout. The air band competition was won by "Time Warp" consisting of Larry Siers, Mike Long, Jim Wiley, Steve Gregory, and Mark Martin. Charlie Moss ate a total of 13 doughnuts in a period of five minutes to win the men's division of the doughnut eating contest as Janice Hensley won the women's division. The hands-on contest was won by Joe Johnson. Bernie Bertus and Belinda Nichols won the dance contest. When time expired in the Las Vegas Casino gambling, Bunny Taylor had totaled the most winnings at \$162,000. Philip Bartsch was second with \$114,400 and Pam Carson was third at \$112,900.

Saturday at Field Day was an exceptional turn out. The following are the final results of the winners on Saturday:

## Student Congress Holds First Meeting

On April 13 at 4:15, Penny Clutter, our newly elected Student Congress president, held the first meeting with the newly-elected Congress members. Clutter commented, "The meeting was very productive and I was very pleased."

Being that Homecoming and freshman orientation are two major activities that the Congress carries out, Clutter and the Congress have begun to plan these activities. Clutter has already appointed next year's activity committee and is in the process of appointing the FAO committees. The Congress is in the process of deciding upon the theme for Homecoming. It was decided to hold an annual meeting tentatively on August 6 to finalize Homecoming and freshman orientation plans. However, before this term ends, Clutter announced that the chairpersons and committees would be chosen. The Student Congress is also revising the freshman

orientation handbook.

Clutter also shared her feelings about the GSC baseball team. She stated, "The Student Congress tried to save the baseball team by suggesting a \$2 fee increase on student activity fees directed to the athletic committee for the sole purpose of keeping the GSC baseball team."

This was the last hope to save the baseball team and the college council voted on it and it did not pass. Clutter commented, "If there are any other channels open to pursue, I would be more than happy to help save the baseball team."

Clutter also shared some news that GSC students should be aware of. First, she mentioned the Senate Bill 301, which Governor Rockefeller signed. Briefly, this bill sets aside a student's fee that is aimed at supplementing full-time faculty members' salaries, based upon the merit system. This will mean that GSC in-state students will be paying

\$15 more on next year's tuition and GSC out-of-state students will be paying \$50 more. Clutter stated, "The Student Congress hopes to implement a new evaluation system, a more accurate evaluation system. Since students are paying this money, they should have more say." Clutter also mentioned the passing of the drinking bill, which will come into effect June 21. This will mean that students under 19 cannot drink alcoholic beverages. Clutter also said that the various campus activities would be affected. "As far as the Student Congress is concerned, we will try to target more on free pizza, coke, hot dogs, etc., to eliminate a problem with drinking by minors."

Clutter and the Student Congress would also like to invite students to extend their views or suggestions to any member.

The 1983-84 GSC Cheerleaders from left to right are: Jackie Mullens, Belinda Nichols, Sandy Post, and Gina Buffo. Seated are, left to right, Melissa Sellers and Dinah Dotson.

## GSC Cheerleaders Selected

Glenville State College recently held tryouts to select cheerleaders for the 1983-84 school year on April 8 and 9 in the Health Building.

Those girls who will be representing the Pioneers are: Gina Buffo from Weirton, Jackie Mullens from Richwood, Dinah Dotson, from Summersville, Belinda

Nichols from Maysel and Sandy Post from Flower, W.Va. The alternate is Melissa Sellers of Sebastian, Florida.

Each of these girls attended earlier clinics before the final tryout. The new GSC cheerleaders will attend UCA College Spirit Camp August 15-19.

## Media Center Offers New Tapes

Hey! All you English and Oral Communications majors, where have you been? The Media Center has information just waiting to be utilized by you! If you're doing your student teaching now or will be in the near future, the Media Center has information on theater which might interest you as a teaching unit. You will find information ranging from restoration theater to understanding modern American drama.

For those of you in secondary education, the Media Center has a series of cas-

sette tapes entitled WALTER KERR'S GUIDE TO THE THEATER. This series includes 6 cassette tapes which can be used as one unit or separately as individual units. The titles of the cassette tapes are as follows: CT 713 "What Theater is", CT 714 "Why Have Theater", CT 715 "People Who Make Theater", CT 716 "Inside the Play", CT 717 "The Changing Theater" and CT 718 "How to Judge theater." A teaching guide is also available for use to those interested in the cas-

sette tapes.

For those of you in elementary education, you've not been left out of the Media Center. A very special kit entitled "Clowning for Kids" is available to you. Your students will love it. In "clowning around" your students will learn important aspects of theater such as make-up, costumes, and props. The kit contains a filmstrip, cassette tape, and guide. Tie a string on your finger so you don't forget we also have GSC productions on videotape--children's shows for elementary majors.

## Blake Honored At Banquet Of American Chemical Society

Miss Frances Blake, of Glenville, was one of five college students honored at the Seventeenth Annual Spring Banquet of the Northern West Virginia Section of the American Chemical Society. The banquet was held at the Ramada Inn in South Morgantown on April 11, 1983.

The banquet speaker was Dr. Foil Miller who spoke on the topic "After Dinner Stories of Science." Dr. Miller is University Professor of Chemistry (Emeritus) and Director of the Spectroscopy Laboratory (Emeritus) at the University of Pittsburgh.

Miss Blake was honored as the Outstanding Junior Chemistry Major at Glenville State College. Her

award was a copy of the Handbook of Chemistry and Physics. Miss Blake will enter the School of Medical Technology at Memorial General Hospital in Elkins in June. Following completion of her clinical year at the hospital, she will receive her Bachelor of Science Degree from Glenville State College and qualify to be registered as a Medical Technologist.

The Outstanding Junior Chemistry Majors honored along with Miss Blake were: Terrance Ryan, Davis and Elkins College; Pamela McQuaid, Fairmont State College; Steven Traynelis, West Virginia University; and Stacia T. Remsburg, West Virginia Wesleyan College.

Wednesday, April 20, at 8 p.m.  
in the Auditorium.

## Dr. Hilgenberg To Present Paper

Dr. James F. Hilgenberg, Jr., associate professor of history at Glenville State College, will present a paper at the 24th annual meeting of the West Virginia Historical Association. The meeting will be held on Friday and Saturday, April 22-23, on the GSC campus.

Hilgenberg will be the only GSC instructor to present a paper during the weekend. The topic of his presentation will be "Cold War Ally or Economic

Rival? : American Business, Post-War Japan and the Early Cold War". His presentation will occur during the Far East History session on April 23 in the Verona Mapel Room. It will begin at 1:45 p.m.

Hilgenberg is a 1966 graduate of Baker University. In 1967, he received his M.A. from the University of South Dakota. In 1978, he received his Ph.D. in Japanese History from West Virginia University.

## Demand Quality, Not Acquiescence

Repeatedly, throughout the years of training we receive as prospective teachers here at Glenville State College, we are enlightened by our professors that children, as well as adults, learn a great deal from role models. These role models are an effective functional part of our learning process throughout time. This being the case, we, as future teachers, are encouraged to provide a model of compassion, self-discipline, preparedness and comeliness (to name a few) for our students. Frequently, we read in our education textbooks about the fallacies of teachers past and present. The old adage "Do as I say, not as I do," we are told DOES NOT hold much weight with the sophisticated student entering the classrooms of today. We may, in fact, be the only source of exemplary behavior the children may have. This, of course, places a great deal of responsibility on the neophyte teacher. Therefore, through the processes of evaluation (interviews, testing, on-the-job training) we are screened and categorized as potential or non-viable successes in the education field. To be succinct, with much of the present faculty at Glenville participating in this evaluation process -- it's like the pot calling the kettle black.

There is no doubt as to the necessity of the screening process. But why on the other hand should we be subjected to those teachers who offer us little if any of what is expected of us? Entering the college classroom, attendance is called, thereby belittling our adult standing to that of a grammar school striping.

In our methods courses, we focus our attention on involving the student in the subject; physically, mentally and/or verbally. Applied knowledge is given priority status as a promotional concern. It is not only said to provoke thought, but it is also said to stress conceptual development. Why then, in our own college courses, taught by these very same teachers who stress this aspect of learning, is there presently a lack of this very practice. Questions are occasionally asked, thereby offering the revered "teachable moment" on a silver platter. They are frequently avoided or skirted like some contagious rival infection of the oral and/or genital variety. Instead, in its place, we are rocked to sleep by the monotony of dull lectures devoid of a session for rebuttal. The process of education implies an EXCHANGE of knowledge - the word exchange inferring transfer, teacher to student, student to teacher and student to student.

I could continue to shower you with the incongruous or hypocritical acts practiced by much of the Glenville State faculty. But, I will curtail my arguments as I'm sure you've gotten my point. In addressing the faculty -

"If WE are to be all that you desire in a student of education, a future teacher and role model, we need a guide that adheres to the principles they put forth. Stimulate us, invoke our thought process, challenge us, excite us and we in turn will follow YOUR precedents in OUR future classrooms.

To the Students of Glenville State College - I urge you to demand quality from your professors and not to acquiesce to the great quantity of empty words that are frequently uttered in the halls of Glenville. Dedicated Student

## Nicholson Elected WVIFA President

Barbara Nicholson, GSC's speech communication teacher and sponsor of GSC Forensic Team, has been elected as president of the West Virginia Intercollegiate Forensic Association, during the state tournament which was held at Parkersburg Community College on March 25-26. Being president, Mrs. Nicholson will be responsible for coordinating the individual events for the state tournament and being the West Virginia liaison to the

National Forensic Association. Nicholson comments, "I want to develop programs at the conference schools that do not have programs."

Nicholson graduated from West Virginia University with a master's degree in 1978. She also graduated from Glenville State College in 1973. Nicholson is taking the place of last year's president, Barbara Shreve from Alderson-Broadus College.

## Field Day A Fond Success

This past Saturday, something happened to me which brought back some memories of some good times. This was field day, reminiscent of running track in high school.

The event, most of which required limited physical prowess, gave the non-athlete a chance to delude him or herself that they could, with work or luck, be the next Jim Thorpe or Babe Didrickson.

The whole show was run smoothly by Dean Bach, who is certainly to be commended for an excellent job of turning what could have been a Barnum and Bailey job into an excellent time for all.

And on behalf of all the students who participated and myself, I would like to thank her for the 'second childhood' this past Saturday.

Miss Kanawhachen 1983 Beth White

## Miss Kanawhachen Elected

Four young ladies were in the contest for the 1983 Miss Kanawhachen as the students of GSC voted April 14th and 15th by penny-a-vote. Contestants included: Sandi Gainer, a sophomore from Glenville sponsored by the Delta Zeta sorority; Lisa Pleasants, a senior from Phi Beta Lambda; Jackie Marie Mullens, a freshman from Richwood, sponsored by THE GLENVILLE MERCURY; and Beth White, a junior from Weston, sponsored by Sigma Sigma Sigma sorority.

Miss Kanawhachen is sponsored by the yearbook staff of GSC. Votes were tallied and Beth White was announced 'Miss Kanawhachen 1983.' Beth is a physical education major. Her activities include being a member of Sigma Sigma Sigma, Theta Girls, and she was also a member of Student Congress. Beth enjoys life-guarding and teaching swimming. The crowning of Miss Kanawhachen 1983 was held April 18 at 4:30, when Janice Boggs, editor of Kanawhachen, crowned Beth White and gave her a red rose. A page in this year's Kanawhachen will feature her picture.
