### GSC . . . Four Years To Remember

My four years as a student here are soon to be over. As I ready for graduation many things cross my mind. I have gained much more than a college education. I have gained many new experiences, and have made friends that will last forever. Had it not been for some people's support, I doubt if I would have made it through.

The beauty of our campus would rival any college in the state. Many of the former graduates have gained statewide and national recognition. Thinking of this, I remember a high school teacher who told me I was wasting my time at GSC. I have felt like that sometimes. But I always remember the saying "you get out of something, what you put into it." I feel I have gotten a lot out of it.

There are many good things at GSC, and unfortunately, too many people only see the negative aspects of the institution. To me, GSC has been a testing ground, a starting place, for me to learn about myself and other people. I'm sure I'm not the only one who has ever felt this way.

I want to thank the many people who have helped me the past years; you know who you are. A very special thanks goes to Mrs. Yvonne King for being a mother, and everything else to me. Good luck, next year's staff. It's been great!

### "The Friendly Campus?"

"The friendly campus." This statement has long been identified with Glenville State College, and while, for the most part, this has not been false advertising, there have been times, especially during the past year, when I have wondered what optimistic, idealistic person came up with this appellation.

Glenville State College, well, let's not push it - some of the people at GSC have meant a great deal to me over the past few years, but there have been times when I would have rather been anywhere in the world than "in the stillness of Appalachia." Never, since I first arrived at this campus with all my great expectations, have I seen so many unsatisfied, uncooperative, and uncaring people here than I have in the past year.

True, the threat of a school year that may have been cancelled at any moment and teacher furloughs hung over our heads, as well as the possibility of no summer school (again) and the cancellation of three sports programs, but we could have banded together and lived up to our reputation. Instead, it has been as if we have all been pulling against each other, resisting the act of living up to our reputation.

Uncooperative attitudes between departments on campus, between students and faculty, between administration and students, and between students has been prevalent. This apathy has caused bitter feelings to run rampant.

Budget cuts, furloughs, and cancelled sports teams aside, the people here at GSC, staff, faculty, and students all, have the capacity to make this the best school in the state in every aspect. Let's plan to work together next year and try to work through our problems for the benefit of all involved. It's just too bad that so many seniors have to leave us with this past year as their last impression of GSC.

# Keenan's Korner

Well, another year has almost come and gone at Glenville State College. While students are cramming for finals and making plans to head to the nearest beach for two weeks after school is finally out, some of you may be pausing to reflect on the athletic scene at GSC in 1982-83.

Was the year productive or would you rather have not had any athletic participation at all? Well, in 1982-83, only one Pioneer team, the cross country squad, won a West Virginia Conference championship (this doesn't include the track teams or the golf squad, which are still in competition). However, several of the teams produced respectable records against WVC foes, and there seemed to be a better overall spirit of competition than in previous years.

Many outstanding athletes finished their careers at GSC this year. Among the names you won't be reading next year are Scott Ludwig, Randy Edge, Pam Minigh, Steve Williams, and Billy Belcher. Some of the big names returning are Byron Brooks, Bunny Taylor, and Larry Taylor.

A low point of the year occurred when the baseball, tennis and bowling teams were eliminated from the program. Many people were affected by this decision.

All in all, it was a pretty good year for athletics at GSC. Other schools know that we still exist and that we will always be competitive.

## Forrest Leads Linksters

A fourth-place finish in the West Virginia Conference Northern Regional Tournament at Wheeling last week ended the regular season for the GSC golf team. The Pioneers finished behind Fairmont, West Liberty and Davis and Elkins.

GSC's 36-hole team total was 362-357-719. The team's top two players, John Forrest and Gordie Delaat, recorded totals of 88-83-171 and 86-89-175, respectively. Also, Norman Craig shot 94-90-184, Rick Moore shot 94-95-189, and

Tom Davisson shot 97-96-193.

The match was the final regular season match for GSC. The Pioneers were to have competed in their conference tournament on Monday and Tuesday, May 2 and 3 at Cacapon State Park.

Tim Carney, coach of the GSC squad, was disappointed with his team's performance at the Northern Regional. He remarked, "Our guys will have to play better if we want to place at the WVC tourney."

## LOADS WIN INTRAMURAL HOOP TOURNNEY

Men's intramurals champion this year for basketball was the Loads. They defeated the Third Edition, 43-40, last week to claim the title.

Steve Williams led all scorers as he netted 15 points for the Loads. John Henderson and Billy Hamilton each scored 10 points for Loads. For the Third Edition, Wayne Huffman scored ten, Jeff Wilcox nine, and Rocky

Metheny eight points.

The Loads outscored the Third Edition, 25-22, in the second half after the score was tied at half-time, 18-18.

The Loads finished out their record at 8-1 as they defeated the Silver Warriors and Anthony's before they claimed the championship. The Third Edition beat the Fourth Floor and the Hogs before being stopped by the Loads.

Following is the 1983 GSC men's track team: Front row, L-R: C. Keister, G. Maher, L. Taylor, D. Beckett, M. Long. Second row, L-R: L. Willis, B. Riffey, D. Smith, G. Brissey, R. Haught, C. McKnight, E. Chico. Third row, L-R: D. Darst, B. Belcher, S. Keenan, T. King. Fourth row, L-R: M. Price, R. Brown, D. Husk, D. Howell, E. Iseli.

## Glenville Men Shine In Track Invitational

In their final outing before the West Virginia Conference meet this weekend, the GSC men's track team captured the men's division of the GSC Invitational. The Pioneers were impressive, piling up 200 points to 181 for runner-up, West Virginia State.

GSC's individual winners were: Larry Taylor, 1500 and 5000-meters; Mark Price, 800-meters; Robert Brown, shot put; Lloyd Willis, triple jump; and Trent King, high jump.

Gary Brissey and Ed Iseli both had two second-place finishes, and Robert Brown, Dave Darst, Steve Keenan and Eric Chico had one each.

Also adding to GSC's point total were Billy Belcher, Chris Keister, Brian Riffey, Dexter Beckett, Mike Long, Donnie Howell, and the 400 and 1600-meter relay teams.

The defeat of West Virginia State, the WVC champs the last two years,

was the second in a row for Glenville.

The Pioneers hope to defeat State and the other WVC schools this week in the WVC meet. Coach, Jerry Milliken remarked, "Our victory shows that we are at a good level of fitness. We should have a good chance of winning this weekend."

Milliken added, "I would like to thank everyone who helped to make the meet a success."

## Pioneers To Host WVC Track Meet

Glenville State College will host the West Virginia Conference Track and Field championships this Saturday and Sunday, May 7 and 8. Both men's and women's teams will participate in the two-day meet.

The meet begins on Saturday at 4:30 p.m. with the javelin competition. The 5,000-meter run, to begin at 7:45 p.m., will conclude Saturday's events. The meet will resume on Sunday at 12 p.m. with finals in the pole vault, discus and long jump. The 4x400-meter relay, scheduled for 3:50

p.m., will conclude the day's activities.

The entire meet should offer some exciting action. GSC fields strong teams in both divisions, and, if the recent GSC Invitational is any indication, both squads have good chances of winning WVC championships.

Top individual performers for the Pioneer men, coached by Jerry Milliken, include Robert Brown and Larry Taylor. Stalwarts for Sandra Piercy's Lady Pioneers include Mary Davis and Marion Richards.

## Netters Play In Tourney

"We played well at the tournament, though I felt we should have scored five points instead of three," remarked Gary Nottingham, coach of the GSC tennis team, about his team's performance in the recent West Virginia Conference Tournament.

The Pioneer men tallied three points and defeated several WVC opponents. Dave Clites upset Kevin White of Concord, 5-7, 6-3, 7-5, in number one singles for one point. The number two doubles team of Bill Welch and John Waldeck scored the second point by defeating their first opponents by a 7-6, 6-2 score. Finally, the number three doubles team of Pat Molloy and Randy Anderson won their first match, 6-3, 6-2.

Nottingham added, "Dave Clites did an exceptional job by upsetting White. I was glad to see him do well."

On the season, GSC finished with a 3-7 record. According to Nottingham, it could have been much better, but Randy Anderson number four singles man, couldn't play in the away matches. He said, "This year's team was probably the best team we've had here, although the record doesn't indicate that."

During the 1983 season, GSC players posted the following records: Dave Clites, 4-7; Steve Meckfessel, 1-8; John Waldeck, 3-9; Randy Anderson, 3-4; Bill Welch, 4-5; Pat Molloy, 3-4; and Jim Kuo, 1-5.

The 1983 GSC tennis team is as follows: Front row, L-R: Pat Molloy, Coach Gary Nottingham, and Jim Kuo. Second row, L-R: John Waldeck and Bill Welch. Third row, L-R: Dave Clites and Steve Meckfessel. Not pictured is Randy Anderson.

## Women Win Invite

Led by Mary Davis, the individual high point scorer, the Lady Pioneer's track team won their home invitational with 162 points, outscoring Rio Grande, West Virginia State and Davis and Elkins.

In the 100-meter dash, Pam Carson captured first place and Laura Dabney took second. Davis won the 1500-meter run as Glenda Taylor placed third and Kelly Reil landed fifth place. Sharon Hayes took fourth and June Casto sixth in the 400-meter. The 4x 100 relay team of Carson, Davis, Dabney, and Carol Wilson took first place. In the 800-meter, Davis captured first with Sharon Hayes fourth and Reil sixth. Carson placed

fourth in the 200-meter. The 3,000-meter was won by Taylor with Davis placing second. The 4 x 400 relay team of Taylor, Hayes, Casto, and Davis captured second. In the 10,000-meter run Taylor placed first, with Casto second.

In the field events, Poncho Richards took first in the shot put and fourth and fifth, respectively. Dabney and Carson captured second and third places in the long jump. Davis placed fourth in the high jump and Richards captured third in the javelin competition.

The only remaining scheduled meet is the Conference meet this weekend.

## Awards To Be Presented

Many sports writers use the end of the year to honor some of their athletic personalities with various honors. I've decided to do the same thing, although on a smaller scale. Following is my list of awards to GSC athletes, teams, and coaches:

1) The "BTBC" Award - To Byron Brooks. Remember hearing "Brooks the Ball Carrier" intoned over and over again this past fall?

2) The "I've seen you somewhere before" Award - To Pam Minigh and Clay Young, for being pictured in the Mercury as often as they were (actually, they tied for second behind Lou Davidson, of BAREFOOT IN THE PARK fame).

3) The "Short people ain't got no reason" Award - To Larry Taylor, Randy Anderson, and the rest of the multitude of munchkins in GSC athletics.

4) The "If it wasn't for UC" Award - To the women's basketball team, which can't seem to conquer those rascally Lady Eagles.

5) The "Close but no banana" Award - To Jim Weidmeyer, my trusty assistant on the Mercury staff (and kicker for the football team).

6) The "It was good while it lasted" Award - To the baseball, tennis and bowling teams, all of which died an abrupt death as team sports on the Glenville campus.

7) The "Thanks for the memories" Award - To Jesse Lilly, who retired as GSC basketball coach after a distinguished and colorful career.

8) The "Advance and be recognized" Award - To Lilly's successor - your guess is as good as mine.

9) The "Bombs away" Award - To Scott Ludwig, who had no qualms about shooting from 30 feet (and to the ball, which had no qualms about going in).

10) The "On Wisconsin" Award - To the cross country team, which has taken up permanent residence in Kenosha, Wisc.

11) Finally, the "It's not that bad" Award - To all of my readers, for putting up with my constant stream of senseless mutterings.

## GSC Diamond Men Finish Fifth

Going into last week the baseball team needed to win four of their six games to qualify for conference playoff action. They only won three of those games and finished fifth in the conference, one place short of qualifying.

Last Wednesday, the Pioneers travelled to Shepherd to play the conference leaders. They won the first game, 6-3, as freshman Kenny Golden pitched a four-hitter and Randy Edge, Jeff Metheny, and Jeff Shriner all had two hits each. In the second game, Shepherd prevailed 4-1 despite two hits by Golden and a double by Shriner.

Friday saw the baseballers travel to Concord where they split again, taking the first, but dropping the second. Craig Williams pitched the Pioneers to victory 5-3 as Jay Fiber and John Buffo had two hits, including a homerun for each. Lack of hitting and offense seemed to be the problem in the second game as Concord won the second game, 13-3.

Finishing out the season last Saturday, the Pioneers needed to sweep both games at home against second-ranked Davis and Elkins. Dave Hall, Metheny, Edge, Shriner, and Buffo all had two hits

each and Mike Pszcolkowski picked up the win in relief as the Pioneers outscored D & E, 10-8. In the second game, the Senators shut the door on the Pioneers' playoff hopes with an 11-0 win.

Leading the team in batting percentage were Edge at .343, Metheny at .319, and Shriner at a .315 clip. Dave Hall led the Pioneers in stolen bases with 15 thefts in 17 attempts. Leading the pitching was Kenny Golden with a 4-2 won-lost record. The baseballers' final record was 9-10 leaving them at fifth place in the conference.

Earn \$500 or more each school year. Flexible hours. Monthly payment for placing posters on campus. Bonus based on results. Prizes awarded as well. 800-526-0883.

## Award To Honor Miss Williams

The first annual Clarissa Williams Athletic Award will be presented at Homecoming 1983 to the outstanding female athlete of the year.

## GSC Loses A Star

A shooting star fell from the campus of Glenville State College Monday, April 25 when Joseph Lee Robinson, better known as "Little Joe" passed away. Little Joe, who was to have received his 20 year certificate and retire from his job with the campus food service, was one aspect of college life that was stable. He could always be counted on for a smile.

Little Joe once said that two qualities that meant the most to him were that he did a good job and that he fit in. I don't think there can be any doubt of his achievement of both of these goals. His position in the food service will be hard to fill and the affection given to him by the GSC campus will be awarded to few of the caliber of Little Joe.

GSC indeed lost a star - a person who stands out among the people - hopefully the world received someone of equal standing to fill the space that will missed by all those who knew Little Joe.

McMillion, Bayer, and Davidson all collected at least one first place in preliminary rounds.

Bobbi Nicholson, Director of Forensics, felt that her team performed "extremely well given the caliber of the competition." She pointed

## Charter Awarded

It's been a busy spring for the GSC Forensics team in more one ways than one. In addition to hosting and directing the West Virginia State High School Speech and Debate Tournament, and traveling to numerous qualifying, state, and national tournaments, the team managed to capture another honor. Pi Kappa Delta, the national speech honorary, has extended a charter to Glenville State College.

"What this means, in essence, is national recognition for the students, the program, and the college," says Director of Forensics, Bobbi Nicholson. There are some rather stiff membership requirements involved including the number of tournaments competed in, the number of preliminary and elimination rounds competed in, the number of other contestants entered, the number of different rounds entered, etc. "Obviously the students who are eligible for membership have put forth a lot of effort. I'm pleased that their work has been rewarded."

Charter members of the Epsilon chapter of Pi Kappa Delta are Raeleen McMillion, Danny Bayer, Kent Woofter, Lou Davidson, Tammi Igo, Lisa Taylor, and Mrs. Nicholson.
