## Dignitaries Visit Glenville

Gov. John D. Rockefeller IV, with other state and local dignitaries, was in Glenville this past weekend for the dedication of a shooting range on Sycamore Run Road.

Dr. Willis Hertig, Jr., director of the Department of Natural Resources, Dr. William K. Simmons, president of GSC, and National Rifle Association officials were on hand for the dedication which was held Saturday morning, Sept. 8 at the site.

The development of the range has been a cooperative effort between the DNR and GSC. While initial site preparation was contributed by local industry personnel, the bulk of the construction was handled by the DNR. The college will maintain and oversee the range in the future.

"Glenville State College had been looking for a place where such a facility could be developed for use by college students as well as the general public," said President Simmons. "Many students who enjoy this type of recreation did not have a place where gun safety and marksmanship could be exercised. We are very pleased that the Department of Natural Resources was able to be so helpful in this endeavor."

The range will be open for use by college students and personnel as well as to the general public when policy is finalized. The range includes areas for practice, instruction and possible competition of archery, rifle and pistol shooting events.

## Editor Praises Team, Fans

The Glenville State College Pioneer football team won its first game last Saturday, September 8, at Waynesburg, with a score of 13-0. Does this sound like a team that was chosen to lose by various state newspapers or a team with new coaches? No, to most it would sound like a team that is very together and Glenville's team was exactly that when it came to playing football.

Many felt that the team wouldn't do very well due to Head Coach Frank Vincent's illness and Byron Brooks quitting the team and then rejoining, as well as other problems. The team just didn't seem to have anything together.

However, the Pioneer football team pulled together when it counted - on the field. Coach Hunt, the rest of the coaching staff, trainers, and most importantly, the players, deserve a big hand on a victory.

There were many fans at the game that helped to cheer on the team and with a team so dedicated and determined, there should be a crowd at every game. This weekend, we play at home against Shepherd. Be There!!

# Pioneers Run Over Waynesburg 13-0

The GSC Pioneers took their first step toward proving the experts wrong Saturday by literally running over Waynesburg College in a 13-0 season opening victory in Waynesburg, Pa.

The Pioneers ran up 194 yards on the ground behind Bryon Brooks' 122 in 26 carries, and Forrest Hall threw for 100 yards to propel the offense. The defensive unit, behind Mike Payne's 10 tackles, gave up only 40 rushing yards while forcing 4 turnovers to keep the Waynesburg offense in check.

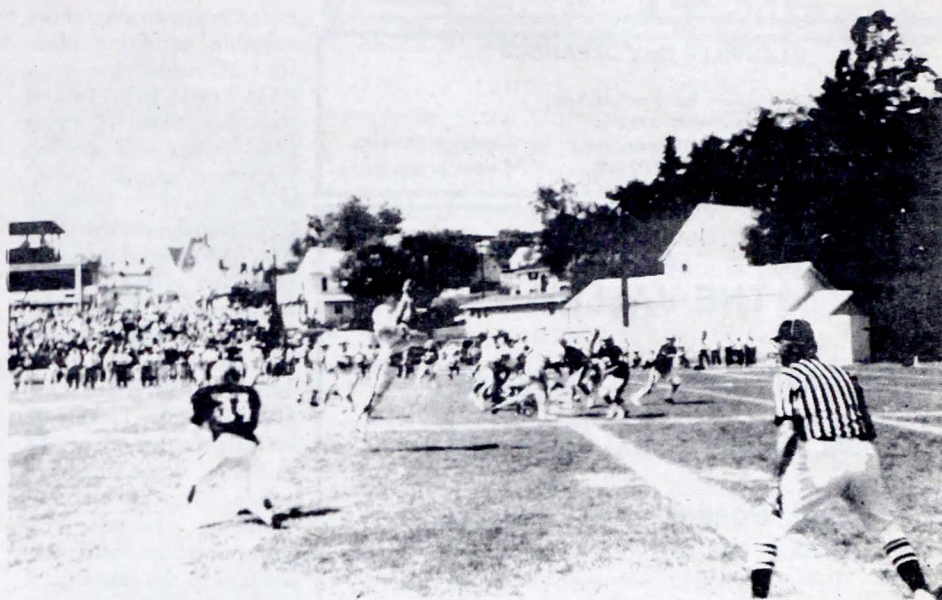

Rocky Metheny put the Pioneers on the scoreboard with a 20

yard interception return in the second quarter. Mark Szklennik added the point after to give GSC a 7-0 lead at the half.

Brooks widened the margin in the third quarter with a one-yard run which capped off a drive highlighted by a 26 yard pass from Hall to Jim Bird. Szklennik's point after attempt was blocked.

Waynesburg's best drive was stopped short by the Pioneer defense on the GSC 6-yard line in the third quarter.

Glenville will meet Shepherd next week in the home opener at Pioneer Stadium.

## CC Meets Stiff Competition

The Pioneer Cross-Country team travelled to Huntington Saturday to compete in the Marshall Invitational. The meet was highlighted by a 15 point performance by WVU, as well as some top-notch competition for the GSC runners.

Glenville compiled 363 points against some of the top cross-country schools in the country. Besides WVU, the Pioneers were up against powerful Malone College, third in the NAIA last year, as well as Marshall, Appalachian State University, Morehead State, Rio Grande, and Indiana University of Pennsylvania.

Jay Dawkins led the Pioneers with a 63rd place finish in a time of 28:51, while Dave Antonik finished 66th in 29:01.

Other finishers for GSC were Jim Collins, 77th in 32:41; Jesse Skiles, 78th in 33:13; and Shawn Shockey, 79th in 34:18.

New head coach Butch Hays was very pleased with his team's performance. "This tough competition early in the season should make us better in the end," said Hays.

The Pioneers will travel to Morehead, Kentucky, Saturday to run in the Morehead Invitational.

Reminder: Wednesday, Sept. 26 from 12 - 5 p.m. there will be a blood mobile at the Wesley Foundation on Court St.

The next meeting of the GSC Board of Advisors will be held at 6 p.m. on Thursday, Sept. 20 in the Verona Maple Room of the Pioneer Center, beginning with dinner.

Competition for the President's Cup, the most prestigious of all intramural awards, has already begun and will continue until May 1, 1985, according to GSC Intramural Director Jeff Propps.

Outstanding Achievement Awards and medallions will be presented to each person completing 20 of the 26 activities at set standards. President's Cup awards will be presented to the male and female with the best total score or record.

If the winner of the President's Cup represents a team in intramural competition, that

team will receive 200 points, while 50 points will be awarded to teams for each individual completing cup requirements, said Propps. The intramural department stresses that all students, faculty, and staff are encouraged to compete for the President's Cup. Last year's winner was Larry Taylor of St. Marys, WV, who represented the Hogs. There were no female competitors.

To enter competition or to receive more information contact Jeff Propps or Steve Linville in the Intramural Office, 6:30 p.m. - 9:00 p.m., Monday - Thursday.

"Never Say Never Again" will be shown Wednesday, Sept. 12 at 8:00 p.m. in the Auditorium.
