## Musk Man Search Underway

Why use a professional model who looks like a "college man" for your advertising, when you can use a man who is an enrolled college student. That refreshing piece of philosophy comes from the MEM Company which has announced the national campus search for a man to represent their English Leather Musk men's toiletries in 1985. The lucky winners get cash and prizes.

To enter send one photograph, (black and white or color) to Campus Search For English Leather Musk Man, care of the editor-in-chief of this newspaper. The photos must have been taken within the last six months and must be no larger than 8" by 10" or smaller than 3" by 5". No purchase is necessary to enter. If you need a photo taken, contact Scott Kitchen at

The Mercury office by Nov. 14, 1984. He charges \$2 for one of three shots.

The editorial staff of The Mercury will select three male student representatives of this campus as semi-finalists. Each will receive a gift set of English Leather Musk men's toiletries. A panel of judges, selected by the manufacturer, will select one campus winner who will be entered in the national finals. The national winner will be the English Leather Musk Man for 1985 and receive ad cash contribution of \$1,000 towards his tuition, a selection of merchandise prizes, an all-expense paid trip to New York to be photographed by a leading photographer. All selections will be based on photographic appeal.

On the weekend of Oct. 26-28, ten art students and two instructors set out from GSC for a weekend of fun and learning in our nation's capital. Those who took the trip were Gary Ross Colleen Rousher, Leanne Owens, Mitzi Whited, Pam Ramsey, Shelley Hull, Anita Stephenson, Jesse Stephenson, Brenda Kinnison, Mindy Gutberlet, Dr. Gary Gillespie, and Mr. James Rogers.

While in D.C., the tourists saw such sights as the Hope Diamond and Rembrandt's original works, and visited the National Gallery of Art, the Smithsonian Institute, the National Air and Space Museum, as well as various other points of interest.

## Finals Schedule Is Revised By Council

The finals schedule for the fall semester 1984 has been revised by the College Administrative Council. As previously scheduled the exams were to begin on Wednesday, December 19, 1984, and end on Saturday, December 22, 1984. Following the decision by the Council the examinations are now scheduled to begin at 8:00 a.m. on Tuesday, December 18, 1984, and conclude at 12:10 p.m. on Friday, December 21, 1984. Examinations in evening classes may be given at the last regular session, prior to the final examination period.

The revision is due to the dissatisfaction of the

faculty, administrative staff, and student body. The general consensus of students was to move the finals back a complete day because the last day of finals, December 22, was so close to Christmas. Shelly Morris, the student representative to the College Council, expressed the concerns of the students with regard to the schedule to Dr. Bruce Flack following the September meeting of the council. Dr. Flack prepared the proposal which the council adopted.

The revised schedule will be printed in a future issue of **The Mercury**.

## Festivities Planned

Greeks are often stereotyped as the character portrayed by the late John Belushi in the movie "Animal House." If you didn't see the movie, just imagine college students with plenty of beer in Greek-lettered sweatshirts in a worn down house. However, all Greeks are not like the Greeks in "Animal House" and then again some are. Nevertheless, this week is Greek Week at Glenville State College and the Tau Kappa Epsilons, Theta Xi, Lambda Chi Alphas, Delta Zetas, and Sigma Sigma Sigmas are participating in the activities which are already in progress.

Thursday, November 8, the Greeks will hold a campus-wide picnic which will be followed by a dance from 8 - 11 p.m. with free admission, food and drinks. Mr. and Miss Greek Week will also be selected by ballot at the dance. Greek-Lettered sweatshirts will be seen on campus Friday, November 9, because all Greek members are to wear their shirts. Saturday, Nov. 10, all Greeks will attend the football game against WV Tech. So, whether you are Greek or not, enjoy the activities.

# Hoop Squad To Host Sportsmen's Club in Exhibition

An exhibition game against the Sportsmen's Club, a Charleston based AAU team, will be the final tune-up for the 1984-85 GSC Pioneer basketball squad.

The game will take place at 8:30 p.m. in the GSC gymnasium on Wednesday, November 14.

The Sportsmen's Club will feature a host of former college stand-outs from around the area. Four West Virginia Conference alumni, six former Marshall University players, and one man from Miami of Ohio will make up the team.

The WVC players are Dwight Street, Rance Berry, and Edgar Randall from West Virginia State, and Joe Lucas, a University of Charleston graduate. Randall and Lucas both earned all-conference honors during their college careers.

Levern Evans, David Wade, Sam Henry, Mike Dobson, Rod Nelson, and Barry Kincaid will represent Marshall University in the exhibition. Evans, Wade, Henry, Dobson, and Nelson were all members of Marshall's Southern Conference championship team which earned a berth in the Midwest Regionals of last year's NCAA tournament. Evans was named the Southern Conference player of the year for the 1983-84 season. Wade was also an All-Southern Conference performer.

Rounding out the AAU team will be Al Watkins, a former All-Mid American Conference player from Miami of Ohio. Watkins was the last player cut in the 1984 Atlanta Hawks tryout camp.

The Pioneers will be led by head coach Gary

Nottingham and senior captain Rich Moore. Tim Moore is the only other senior on the team. Other returnees are juniors Steve Morris, Kenny Taylor, and Steve Linville, along with sophomores Matt Bullett and Rudy Watts.

Newcomers to the

squad are junior college transfer Kenny Prettyman and freshmen Steve Davis, John Harris, Bryan Johnson, Ray Mullins, and Joe Gandee.

Due to travelling expenses of the Sportsmen's Club, there will be an admission price of

\$2.00 for adults and \$1.00 for students. Student ID cards will not be honored at the gate.

The Pioneers will open their regular season with a home tilt against West Virginia State at 7:30 p.m. on November 27.

## Dawkins Takes 10th Place, Harriers Sixth in WVIAC

The GSC cross-country team wound up its season with a sixth-place finish in the West Virginia Conference championship meet.

Jay Dawkins was the top Pioneer finisher, coming in 10th place on the 5-mile course in a time of 30:03. Todd Raines was next, finishing 16th in 31:00. Jimmy Collins crossed the line at 29th, Shawn Shockey was 40th, and newcomer Walt Smith finished 41st.

The meet was won by Fairmont, a team which the Pioneers upset the last three years in a row in the conference meet. The Falcons will travel to Kenosha, Wisconsin, for the NAIA national meet on November 17.

"We were plagued by the three I's this year," commented head coach Butch Hays, "illness,

injury, and inexperience. "If we'd have had everyone healthy, we probably could have placed higher."

Fairmont scored only 30 points in winning the meet, followed by Davis and Elkins with 70, West Virginia State with 87, West Liberty with 88, WV Tech with 90, GSC with 138, and the Univ. of Charleston with 190.

West Liberty edged Tech 27-28 in the three-mile women's invitational.

The GSC football squad dropped their third game of the season Saturday as Concord clinched at least a tie for the West Virginia Conference championship by shutting the Pioneers out 16-0.

All of the scoring took place in the first half. In the first quarter, Concord quarterback Mark Ryhanych con-

nected with Frank Baker for a 37-yard touchdown pass.

In the second quarter, Glenville quarterback Forrest Hall was sacked in the end zone for a safety. Ryhanych then threw another touchdown pass, this time to John Pate from eight yards out. The point after concluded the game's scoring.

The Pioneers were held to just 65 yards total offense, while the defense gave up 268 yards. The loss dropped the Pioneers to 4-3 in the conference and 5-3 overall. Their last game will be at 1:30 next Saturday when they will host WV Tech. Tech is 2-4-1 in the conference and 3-4-1 overall after battling to a tie with WV State Saturday.

This could be 20th century art, but actually Mitch Moore and Tim Mace just have to learn not to put plastic salt and pepper shakers on top of the stove when it's hot. Come on bachelors!

## Reagan Book Reviewed

"Star to Guide Us" (Presidential Publishers, Wheeling, Illinois, 1982) written by Calhoun County native Don McGlothlin is a book which reflects upon the challenges which President Ronald Reagan has faced and overcome since his election to office in 1980. McGlothlin states that the book "attempts to picture the various stages of Ronald Reagan's development through an account of his life accompanied by a brief view of the American scene that went hand in hand with each stage." The book follows Reagan's life from his birth on February 6, 1911, in Tampico, Illinois, to his present status as the country's leader. James Kelly wrote in the March 29, 1982, issue of *Time*: "Only a proven anti-Communist like Richard Nixon could have opened the door to Mainland China in the early 1970s without causing divisive national debate. Similarly, the argument goes, only a President as strong on national defense as Reagan could bargain with the Kremlin on nuclear arms in the early 1980s. That, indeed, may be the idea whose time has come." The book can be summed up by this statement.

McGlothlin recently returned to the Mountain State as a guest lecturer at the Black Walnut Festival in Spencer, and he also visited the GSC campus where he attended in 1934.

"Star to Guide Us" is available in the library for anyone who wishes to read a book about Reagan with a different flair.

There is still time! For any citizen of Gilmer County who wishes to participate in the blood screening program set for Saturday, November 10, there is still time to register. Registration will be accepted by the Gilmer County Health Department until closing time on Friday at 3:30 p.m. Call 462-7351 and ask for an appointment in one of the following time periods: 8:30 - 9:30, 9:30 - 10:30, 10:30 - 11:30 a.m. The site of the blood screening program is the Gilmer County Health Center, located on Mineral Road in Glenville.

Sponsored by the Gilmer County Health Department, Glenville Women's Club, and Glenville Rotary Club, the blood screening program is being conducted as a means of providing 34 separate blood analysis at a low cost to the individual. Fee for the blood analysis is \$13.00, payable at the time of the test.

Laboratory work for the blood screening program will be performed by Roche Biomedical Laboratories in Fairmont. Each person who participates in the blood screening program will receive one copy of the report and one copy will be sent to a doctor of the individual's choice. For any individual who does not have a doctor to receive the report, Dr. James M. Kyle, Gilmer County Health Officer, will provide an interpretation of the various elements of the blood analysis.

According to Dr. Kyle, the blood test is described as a fasting test, and anyone planning to have his blood tested should eat no breakfast on Saturday morning, nor should he eat anything after midnight Friday. Coffee, tea, orange juice, cookies and doughnuts will be provided for all participants after they have been tested.

Movie Night this week will feature "Warlords of Atlantis," starring Doug McClure, Peter Gilmore, Cyd Charise and Daniel Massey. This is an incredible tale of terror and suspense - above and below the sea. Come on out and enjoy this well-spun tale. Free refreshments will be served.
