

Mr. Charles Scott

Photo by Scott Kitchen

Scott Teaches Overseas

Professor Charles C. Scott was accepted by the Fulbright Teacher Exchange of the U.S. Information Agency to replace an art professor at Southport College of Art and Technology, near London, England, for the 1985-86 school year.

Scott, his wife Janet, and their daughter Ruth

Ann reported to the American University in Washington, DC, August 6-9 for an orientation seminar. From there, they flew to Manchester, England, and then to London for an induction seminar and a reception that was held at the U.S. Embassy. He will teach at Southport from September 4 until July 4, 1986.

A native of Athens, Scott graduated from Concord College and Ohio University and came to Glenville State to teach in 1959. Scott's art works have been purchased by museums and private collectors, such as former Governor Cecil Underwood.

New Business Course Added

Business majors will be able to enroll in a not so ordinary 3 hour class, entitled Business 399- International Business, in the Spring of 1985-86. The extraordinary thing about this course is that it will not only take place at Glenville, but in Britain, France, and the Netherlands.

Mrs. Hays and Dr. Talbott are the instructors for this course and the objective is to introduce the student to the fundamental factors involved in international business, including export marketing, with visits to business and related facilities in Britain, France, and the Netherlands. The class will hold an orientation meeting of approximately three hours at the beginning of the semester and a second meeting will be held before departure.

The trip will last from March 19 until March 31. The fee for the European itinerary is \$966, with a \$150 deposit due by Dec. 15 and the final payment of \$846 will be due Jan. 15, 1986. Those interested need to apply for their passports as soon as possible. Students are reminded that this class may be cancelled at any time due to low enrollment or any other factors by the college.

Powell Honored

On April 20 at the Glenville State College Alumni Banquet April Diane Powell was selected to receive the Alumni Association Outstanding Student Award for 1985.

April, who graduated in May, has a degree in business administration, marketing and retailing with a minor in journalism and economics. She is currently employed by Stone and Thomas in Parkersburg.

While at GSC, April was actively involved with the college yearbook, the KANAWHACHEN, serving as co-editor and assistant photographer and with the GLENVILLE MERCURY as a feature editor and reporter. Ms. Powell was also advertising agent for the Campus Co-Op and an active member of Phi Beta Lambda. While living in Glenville, she attended the Glenville Presbyterian Church.

April is the daughter of Mr. and Mrs. James Powell of Parkersburg. She was honored at the annual alumni banquet with a cash award of \$150.

Pictured above is the GSC Mercury Staff for the 1985-86 school year: First row: Jesse Skiles, Jackie Mullens, Belinda Nichols, Barbie Nichols, Shawn Shockey. Second row: Beth Bragg, Mitchell Moore, Mitzi Whited, Cheryl Keenan. Third row: Tim Mace, Camella Tenney, Darla Keenan, Eric Chico, Mahala Strauss. Fourth row: Craig Drennen, Mrs. King, Advisor, Scott Kitchen.

Mercury Staff Named for 1985

Beth W. Bragg will lead the Glenville State College MERCURY as Editor-in-Chief. Beth is a junior majoring in English 7-12, Social Studies 7-9 with a minor in journalism. She is originally from Braxton County but now makes her home in Glenville.

Assistant Editor is senior Cheryl Keenan. Originally from Gauley Bridge, Cheryl is majoring in English/Liberal Arts.

Mitchell Moore of Vienna is the MERCURY's Feature Editor. Mitchell is a senior majoring in English/Liberal Arts.

Jackie Mullens, last year's MERCURY editor will be serving as Editor Emeritus. Jackie is currently involved in her professional semester and will begin her student teaching in September in her hometown of Richwood.

Sports Editor is junior Jesse Skiles from Charles-

ton. Jesse is majoring in Social Studies Education.

Tim Mace will serve as Copy Editor. Tim is a senior from Spencer and is an English/Oral Communications major.

Advertising Manager is Shawn Shockey. Shawn, a junior from Parkersburg is an Elementary Education major.

Mahala Strauss will be in charge of circulation. Mahala is a senior from Barlow, Ohio, majoring in English/Liberal Arts.

Photography Editor is Scott Kitchen. Scott is a senior majoring in Music Education and is from Marietta, Ohio.

Photographers also on the MERCURY staff include Eric Chico and Mike Dynda. Eric is from Glenville and a biology major. Mike is from Pennsylvania and is a business major.

Typists are Belinda Nichols, Barbie Nichols and Darla Keenan. Belinda

is a business and math education major from Clay. Barbie, also from Clay, is a secretarial science major. Darla is from Gauley Bridge and is an English/Liberal Arts major with a minor in journalism.

Cartoonists are Mitzi Whited and Kent Woofert. Mitzi is a senior in art education from Parkersburg. Kent is from Glenville and an elementary education major.

Contributing Cartoonist is Craig Drennen. Craig is from Glenville and is an art/computer science major.

Camella Tenney will be headline technician. Camella is from Buckhannon and is an elementary education major.

Reporters: Patrick Ireland, Harriet Whipkey, Minnie McNemar, Greg Starcher, and Elizabeth Gumm.

Yvonne King will again be Advisor.

Organizational
News

Ohnimgohow Players

The Ohnimgohow Players are enthusiastically making plans to spruce up their organization.

At last week's meeting this year's officers were chosen. They are as follows: President- Tim Mace, Vice President- Sean Milliner, Secretary- Lisa McHenry, Treasurer- Randy Harper, and Pledgemistress- Cheryl Keenan.

Also, potential pledges were discussed. Pledge period will be the two weeks before "A Midsummer Night's Dream".

Plans were discussed for the Ohnimgohows to pass out candy (supplied by Student Congress) at the Homecoming parade. Plans were also discussed for various fund raising and community activities.

Because of so many plans in the wings, Ohnimgohows will be meeting every Wednesday at 5 p.m. instead of every two weeks. Our next meeting is September 11 at 5 p.m.

All plans point toward a very productive year, so let's get visible, Players!

Sigma Sigma Sigma

The Delta Alpha Chapter of the Sigma Sigma Sigma Sorority held a casual dress business meeting Sunday, September 8 at 9 p.m. in Sigma lounge.

Plans were discussed for our Rush Week activities which will begin next week. September 16, we will host a "Top 40's" Party. September 18, our ice cream social will be held. The following week, September 23, we will be having a Japanese Party. Invitations will be extended to all girls. Look for them in your mailboxes soon.

Nominations were made for the Homecoming Queen and her court. Tri Sigma will be sponsoring for Queen- Belinda Nichols, Senior Princess- Jackie Mullens, Junior Princess- Lisa Waggy, Sophomore Princess- Gina Angius, Freshman Princess- Barbie Nichols. Good luck, girls.

According to last semester's statistics, the Sigma Sigma Sigma Sorority had the highest GPA over all the Greek organizations on campus. Sisters with a GPA of 3.0 or better were: Anita Stephenson, Kelli Jameson, Tammy Maynor, Angi Conley, Sam Unger, Sherry Milliser, and Kassie Harsh.

Congratulations to the Pioneer football team for their win over Wesleyan this past weekend.

The sisters of Tri Sigma would like to welcome everyone back and we hope you have a wonderful fall semester. We would also like to invite all girls up to Sigma floor. The sisters would be glad to show you around and to introduce you to some of our members.

Sigma Sweetheart is Sheila Ware. Cultured Pearl goes to Debbie Tice, Sandy Bleigh, Kassie Harsh, Camella Tenney, and Jackie Mullens. Sister of the Week is Gina Angius.

-----News Capsule-----

Michael Drummond, in Tuscon, Arizona, became the first person to have his artificial heart replaced by a human heart, over the weekend. His surgeon said that the 25 year-old man's chance for survival was as good as any transplant patient's. Drummond, who was kept alive with the Jarvik - 7 for nine days, was in critical, but stable condition after receiving the heart of a 19 year-old accident victim in a 4-hour, 45-minute operation, said Dr. Jack Copeland. The surgeon put Drummond's chances of surviving for a year at 75% - 80% and of surviving for five years at 50%.

The United States and the Soviet Union will hold two days of talks this week on Indochina, Korea and other issues in Asia. The talks are the latest in a series of high-level discussions between the superpowers on regional problems that could widen it on major conflicts. Talks will include discussions on the Soviet increases of its divisions on the Chinese border, the increased presence of the Soviet Union in Korea through high level visits and a supply of MIG - 23s to North Korea, the U.S. concern of the continuing guerrilla war in Cambodia, among other topics.

British Airways said that it has withdrawn from service 22 Pratt and Whitney engines similar to the one that exploded and turned a Boeing 737 into a fireball at Manchester Airport last month, killing 55 people. The state - owned airline said the 22 JT80-15 engines were being fitted with new combustion chambers to replace those found to be suspect in X-ray checks ordered after the August 22 crash. The airline said that it was "erring on the side of caution" in replacing more combustion chambers that might be required by formal guidelines.

Kappa Delta Pi

Kappa Delta Pi met Tuesday, September 3, 1985 to welcome everyone back, and to discuss future fund raisers. Six members were present plus one co-counselor.

For those members not present at last week's meeting, Kappa Delta Pi missed you. Kappa Delta Pi would very much like to become an active group on campus, and it needs the support of its members in order to do so. For the fund raiser being planned, Kappa Delta Pi needs all of its members working together. Please come and help!

Kappa Delta Pi has scheduled meetings for the first and third Tuesday of each month. Members should look for notices posted on bulletin boards around campus.

Officers for this semester are Diane Tomlin- President; Belinda Ramsey Metz- Vice President; Barbara Martin Sturm- Secretary/Treasurer; and Letisha Kinder- Historian. Co-counselors are Jo Cleek and Annette Roberts.

Tau Kappa Epsilon

The TKEs would like to thank the Lambda Chi fraternity for the good competition displayed at our softball game. Final score: TKE-11, Chis-6. Both fraternities and their auxiliaries got together in the back room of the Derrick Lounge after the game for a good time of fellowship.

A group of fifteen TKE members and O.D.'s were on hand at the Jerry Lewis Telethon in Clarksburg. Thanks go out to the participants and anyone who may have donated to the cause.

Our first organizational meeting was held Tuesday, September 2. Anyone interested in pledging TKE's this fall and has been in college for at least one semester with a 2.0 or better GPA should talk to any chapter member.

The Activities Committee will meet every Tuesday at 12:30 pm in the Student Services Office. Please note the time change.

Lambda Chi Alpha

The brothers of Lambda Chi Alpha, Beta Beta Zeta, held their weekly meeting on Sunday in the Wesley Foundation. Congratulations to Scott and Valerie Sears on the birth of their first baby.

Reminder to all brothers: we will have a "window wash" on Wednesday, September 18 from 3-4 p.m. Brothers will meet at 2:50 p.m. on that day in front of Pickens Hall. There is also a pinning on Wednesday, September 11 at 6:30 p.m. in the Wesley Foundation. Dress is formal-no jeans! A rush will follow the pinning at 8 p.m. in the Verona Maple Room. See Matt for details.

All brothers are reminded: fines are in effect this year for missing meetings and they will be enforced! 'Shirt' day will be Wednesday and Saturday this week. Wear your shirts, fellas, and support Lambda Chi! Brothers are also urged to help get the year off to a good start by participating in chapter activities as much as possible. For lists of activities, see 'P' or check the Chi board in the Student Union.

Lambda Chi welcomes everyone back to school for another year and welcomes the freshmen. Good luck!

Awards this week are: KCUF- the softball team; A.H.- Boomer "it's none of your business" Bell; Wino- Bryant "telephone call" Coates and Darren "what the heck it's only furniture" Jackson; POW- Boomer Bell. Special congratulations and best wishes to Mark 'P' Phillips, our new Pioneer for the year. Let's get out to the games, fellas, and support Mr. P!

Beautification Worth Wait

As the roar of chain saws and high-powered drills begin making their daily routine, the sound of windows slamming shut can be heard throughout the halls of Glenville State College. This is due to the construction of the new amphitheatre being built in the center of campus, in which a walking passage is to be completed by October.

Many students have had major complaints not only about the noise, but the construction that has blocked off the sidewalk passage from the Administration Building and the Science Hall. This has made it quite inconvenient, not to mention showing many of us how out of shape we are.

Although the delay of completion has been extended from the first announced date, the end result will make the wait worth while. Although everyone is being inconvenienced at the moment, the final results will prove to be worth the extra time and effort we have all had to endure.

Beth W. Bragg
Editor

Editor's Note: The Kanawha Valley is not the only place with chemical leaks - the MERCURY had one last week, too! (and not a new leak either!) ... our newspapers are shipped each week by UPS. Seems last week, there was an illegal shipment of sulphuric acid, also ... and yes, it broke, eating into the boxes of papers. Newspapers were unloaded, repacked, and arrived here one day late - sulphuric acid - free, but on Thursday, NOT Wednesday.

You have to believe it; not even we are THAT creative!

SPORTS

Pioneers Win in Last Minute, 17-16

Glenville used an exciting last-minute drive to pull out a come-from-behind 17-16 victory over West Virginia Wesleyan Saturday night.

It was, however, all Glenville in the early going. Defensive back Bill Dunn got things going for the Pioneers by picking off a Wesleyan pass at the GSC 45 only two minutes into the game. From there, the Pioneers marched to the Wesleyan 16 where freshman Todd Layhew booted a 33-yard field goal. Wesleyan then fumbled the ensuing kickoff, which Dunn recovered at the 20. Six plays later, Layhew added a 22-yarder to make the score 6-0.

Glenville was given yet another break near the end of the first quarter

when the Wesleyan punter allowed his knee to touch the ground; giving Glenville the ball at the Wesleyan 6 yard line. This set up another Layhew field goal, this one from 25 yards out.

Wesleyan kicker Dave Jaeger almost duplicated Layhew in the second quarter. He booted two field goals and was setting up for a possible third one from 28 yards out, but the Bobcats opted for a fake instead.... unsuccessfully. So the first half ended with the Pioneers on top, 9-6.

After a scoreless third quarter, Wesleyan forged ahead in the fourth on a sneak by quarterback George Moore. Jaeger added another field goal on Wesleyan's next drive to give the Bobcats a 16-9

lead. After Glenville failed twice on fourth down on consecutive drives late in the fourth quarter, Wesleyan appeared to have the game wrapped.

Glenville was given one last chance from their own 43 with 1:34 remaining in the game. On the first play, the Pioneers caught the Bobcat defense by surprise by running a draw play to halfback Tracy Haught. Haught darted 14 yards to the Wesleyan 43. After an incomplection, Pioneer quarterback Forrest Hall used his sprinter's speed to pull off a big play; Hall moved out of the pocket and raced to the Wesleyan 28. Perhaps more important is the fact that Hall alertly got out of bounds.

On the next play Hall

Rushing	Att.	Yards
Tracy Haught	19	91
Irwin Hastings	20	61
Forrest Hall	14	37
Andy Pfefforkorn	5	8

Passing	Comp. - Att.	%	Yards	TD
Forrest Hall	5 - 14	35%	52	1

Receiving	Catches	Yards	TD
John Trew	2	35	1
Andy Pfefforkorn	2	8	0
Ron Lane	1	9	0

found tight end John Trew open down the right sideline for a Pioneer touchdown. Trew used a good move to shake his man near the 10 and Hall threw the ball right into his hands. Head Coach Frank Vincent then decided to go for the two-point conversion since only 51 seconds remained in the game.

Tracy Haught took a pitchout from Hall on an option play and sprinted to the end zone to give the Pioneers a 17-16 lead.

Wesleyan did manage to mount one last charge but their chances ended when Todd Layhew intercepted a Wesleyan pass on his own 44 with only 12 seconds remaining to clinch the victory.

Jesse's Place

It was two seasons ago that I ventured to Morgantown to catch a Class AA playoff game between Calhoun County and Grafton. Not only was it a playoff game between two fine football teams, it was a confrontation between two of the best underclassmen gridders in the state; Tracy Haught of Calhoun and Todd Layhew of Grafton. Although Grafton won the game 31-13, it was the play of these two young men that made the game a joy to watch.

Saturday night at Buccaneer Stadium in Buckhannon, it was again Haught and Layhew who starred. Only this time they starred as teammates for the Glenville State Pioneers. Haught carried the ball 19 times for 91 yards and scored the winning two-point conversion in the Pioneers' 17-16 victory over WV Wesleyan. Layhew on the other hand, booted three field goals, and played a superb game from his line-backer position. He accumulated 12 tackles and also logged an interception and a quarterback sack.

It was a night that saw many heroes in Pioneer uniforms. Quarterback Forrest Hall and tight end John Trew hooked up for Glenville's lone touchdown in the final minute of the game. Defensive back Billy Dunn set up two of Layhew's field goals by intercepting a pass and recovering a fumble. The Pioneer defense as a whole limited Wesleyan to negative yardage on the ground.

It was a super way to start the season. True, there were many mistakes, but as far as pure excitement goes, this game would be hard to match.

As for the other sports on campus, the Glenville Cross Country team unfortunately didn't go to the Marshall Invitational due to an injury in Coach Hays' family. The squad will open this week at West Virginia Tech. Also, I will be previewing the GSC volleyball team in next week's issue. So until then..Go Pioneers..Beat Waynesburg!

Award Guidelines

The following are guidelines for submitting personal information to the Athletic Committee for consideration for the selection of the recipient of the Montrose and Williams Awards:

I. Athletics

Include in this section all intercollegiate athletics in which the applicant participated and lettered for three years. All-Conference and All-American honors should be included.

II. Grade Point Average

Indicate your overall grade point average. This can be verified by the Office of Academic Affairs.

III. College Activities

Information submitted here should include all campus activities in which you actively participated along with any offices held. Examples: Student Congress (any offices), fraternities/sororities (offices held), campus organization/ clubs, FAO Committees, plays, debate, intramurals, etc.

IV. Community Activities

This area concerns involvement in your home community and/or the community of Glenville.
