Order of Diana

The Order of Diana auxiliary of Tau Kappa Epsilon fraternity held their weekly meeting on Tuesday, September 8, at 5:00 in the Wesley Foundation. The OD's will be contacting past members on campus to find out who wants to go active--come back, we're going to be doing a lot this semester. Remember that dues are due by Oct. 1! Plans are being made for fund raisers and for the fall formal. Thanks Greg for being such a GREAT OD coordinator and TKEs for the homecoming nominations. We love you guys.

Flights of Fancy

Many of us who have spent more than a few semesters about these hallowed halls and hill have heard the phrase "Those who fail to learn from history are bound to repeat it," or more eloquent words to that effect.

That phrase has special meaning when one notes the cyclic nature of events, situations, and student activities recorded in the Mercury over the years. We maintain bound copies of your paper since 1929, and we can say pretty confi-

dently that what has happened will occur again.

This week as the Mercury began to come together in its semi-final form we noticed that there were no letters to the Editor for today's edition. This must mean that your Editor, the Mercury staff, GSC, the town of Glenville, Gilmer County, the State of West Virginia, the nation, and the world are all doing everything exactly right.

OR; perhaps as back-issues suggest, campus apathy is making

another cycle.

What an original idea for an Editorial! Then we can do "the parking situation," financial aid, and campus rowdiness in succeeding issues.

Come on people! Hit me with your best shot. It seems much more reasonable to provide a forum for your concerns on this page than for me to fill all this space each week with my meanderings. This is your school, your paper, and your life. Participate in it.

PIONEERS IN OPENING TRIUMPH

Mike Cox (48) takes off ahead of the pack for an impressive 74 yard touchdown. Also in picture are Gordon Stevens (28), Jeff Evans (88), David Walker (72), and Quarterback Chuck Wharton (11) in background.

by Marcus Alcindor

Coach Nocida and the PIONEERS began their 1987 season in fine fashion with a 22-10 victory over the Yellowjackets of WAYNESBURG Pa. The game was played on a slightly muddy surface due to over a day and a half of consistent rainfall. The damp conditions however

had no effect on the spirit of our athletes or the fans.

The game started out as a fairly even tussle and both teams appeared a little sluggish during certain parts of the first quarter. The Pioneers stuck in however, with some dogged defense, as was evident by Andy Pfefferkorn's sacking on the Yellowjacket Quarterback at the 2:13 mark, which was the

first in one of his two forced expulsions from the game. The first period ended with both teams jockeying for position with no points on the scoreboard.

The Yellowjackets began their second quarter with a bang, and a lapse in the Pioneer defense with 12:52 left, brought the Yellowjackets as close as 6 yds from the Pioneer goal line. The Yellowjackets however failed

to capitalize on this opportunity, but it wasn't too long before a bad punt allowed them to gain 46 yards to end in a touchdown at 7:27 left to go in the second quarter. The field goal conversion was good, and a majority of the crowd began having relapses of last year's heartbreaking loss. This was not to be however, because a series of events beginning with Eric Mitchell's 29 yard return on the kickoff at the 7:20 mark, followed by Richard Maxwell's spectacular tackle and Matt Snodgrass' recovery at the 5:08 mark, led to a touchdown by Jeff Swisher with 4:10 left to go in the quarter. Mark Szklennik's kick was good and at the end of the first quarter the score was again even-at 7 each.

It was a different Pioneer team which emerged from the locker room. Whatever Coach Nocida said to the boys in blue had the effect of turning them into an aggressive pack, and they headed directly for the jugular of the team from Pa. The Waynesburg Quarterback had a real taste of 250 lb. 6'1" Defensive Tackle Brian Hill with 9:08 left in the third Quarter. Two sackings (on consecutive plays) of the quarterback by strong safety William Dunn and Linebacker Todd Layhew further intimidated the Yellowjacket quarterback resulting in a change in possession at the 5:40 mark. With 3:21 left in the third quarter Pioneer Quarterback Chuck Wharton continued his fine game with a pass to Mike Cox. Just as he seemed to be running out of gas with the Waynesburg defender rapidly gaining ground, Lonnie Hosby materialized at the 10 yd line with the block, to result in a remarkable 74 yd run and touch down by Freshman fullback Mike Cox. This was a typical example of the teamwork which Coach Nocida's squad displayed the whole afternoon. The third quarter ended with Glenville up 14-7.

The Yellowjackets attempted a comeback in the fourth quarter and were able to come up with a 31 yard field goal by kicker Dave Zatta with 14:51 left to go in the game. Aggressive defense as typified by Brian Hill's recovery at the 10:27 mark and Jeff Evan's deft catching led to a touchdown by Quarterback Chuck Wharton with 6:13 left. Wharton ran to score again for the two point conversion. If Waynesburg had ideas of making a last minute run at the Pioneers, William Dunn and Brian Hill's sackings of the quarterback at the 2:55 and the 2:30 mark, respectively, never let that materialize. The defense stuck to their task till the very end, and Eric Mitchell's interception at the 2:10 mark is a measure of the level of concentration.

Ty Clark, the head coach for the WAYNESBURG Yellowjackets, blamed the defeat "on the poor execution of his team and a good Glenville team." For the large part opinion was founded on the aggressive defense which led to at least five sackings of his quarterback (he eventually had to be carried off the field) and the exceptional balance and co-ordination shown by our running backs especially Mike Cox and Jeff Swisher.

The Pioneers journey to Shepherd this weekend to take on the RAMS. In last year's matchup the Pioneer's succumbed by a slim 10-7 margin. Tight-end Kippy Todd, who had to be carried off the field at the 3:12 mark in the third quarter with what was initially feared to be a fracture, should be back in the line-up. Trainer Gerald Wessels reassured *The Mercury* that the injury was no worse than a strained lower leg.

Shepherd (7th ranked in the latest poll) went down to Millersville Pa. (an N.C.A.A. Division Two team) by a margin of 38-24 on Friday night.

Runners Show Their Mettle

by Marcus Alcindor

While our gridders were busying themselves with WAYNESBURG our cross-country team journeyed to Pa. on Saturday to take part in the California State, Pa. Invitational. The competition over the 5.1 mile course was fierce, and ninety-two runners from fourteen different teams, managed to cross the finish-line.

The fourteen team roster was led by Pitt University (an N.C.A.A. Division One College), Slippery Rock in second position, and our own Glenville State crush crew in third position. Two other teams from our conference were present. They were Fairmont State and Davis & Elkins, who finished 10th and 14th respectively.

For the Pioneers Andy Jarrell was first over the finish line with a time of 28:33 and in 10th position overall. Jay Dawkins was his usual constant self, coming in 12th with a time of 28:47. Other finishers for Glenville included Bubby Dent (17th - 28:57), Tom Clark (21st - 29:20), Tony Ross (30th - 29:51) and Mickey Grass (34th - 30:07).

This week's course was a little longer, and a lot hillier than last week's course. It is worth noting that all of our runners finished in the top third of the field. Our distance runners have built a dynasty in Glenville, and we should appreciate that success of that kind is typical of a lot of hard work and dedication. In next week's issue we will attempt to put you through a typical Pioneer distance runner's day. Our Women's team was unable to compete in this meet, having failed to meet the basic requirement of five starters.

This weekend we play host to four visiting teams for the Glenville Invitational to be run-off at Cedar Creek. The teams expected are Frostburg, Md.; Marietta, Ohio; West Virginia Wesleyan and West Virginia Tech.

The women's race will commence at 10:00 a.m. and the men's at 10:45 a.m. According to Coach Skiles, the toughest competition is expected to come from Frostburg, in Saturday's meet.

A WAYNESBURG runner gets a lesson on what it means to be sandwiched. The Teachers are Rob Flynt (43), Andy Pfeifferkorn (33), and Eric Mitchell (23).

AS I SEE IT

Yellowjackets.

I am happy that I have the opportunity to report these events to you, and will endeavour to stay on the ball, during my tenure in this position with accurate reporting. I would like to take time off now to express my deepest thanks to the supportive 'family' of Mercury staff, especially former Sports Editor Jesse Skiles, who has helped make the transition a smooth one. I would also like to extend a special thanks to the coaches and statisticians who have

collaborated with me in an effort to tell it to you like it is.

In parting, I would like to congratulate the Glenville athletes on their successful week. It seems that I'm not the only one who has made a smooth transition. It is heartening to see the footballers channel their energies away from tearing up the dorms into tearing up quarterbacks. This all augurs well for the future of Glenville Football in general, and LBH in Particular.

GSC Cheerleaders kicking up their heels at

Saturday's Football game.

by Marcus Alcindor

The G.S.C. cheerleaders and the school band were out setting the mood for the Pioneer's victory on Saturday. Our band is one of the best in the state, and their half-time performance lived up to their name. Our cheerleaders on the other hand have been beset by numerous problems in recent times, chief among them being a lack of interest from our male students.

In a supplemental tryout for the 87-88 squad, four new girls were chosen. They are Diana Radcliff, Patty Kuhl, Toni Cheek, and Phyllis Parsons. They join Beth Oppe, Deidra Burrows, Sandy Carney, Tammy Tyler, and Fawn Lucas who were chosen last semester. The squad is sponsored by Dr. Randy Hunt and Mrs. Stephanie Hunt.

HYMES VISITS JORDAN

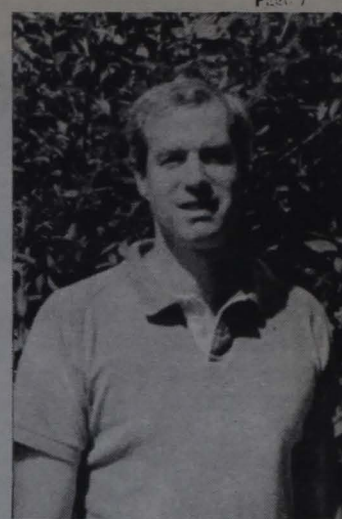

Dr. John Hymes, a History professor at GSC, was awarded a Malone fellowship to study in Jordan for four and a half weeks this past summer.

The Malone fellowship, named for its benefactor, Joseph J. Malone, this year was awarded to several professors of American colleges and universities. Its purpose is to acquaint college and university professors with Mid-Eastern culture and also to allow Arab-American professors a chance to find out more about their roots.

Dr. Hymes was chosen along with four other professors from West Virginia colleges and universities. They were part of a group of thirteen professors from across the United States who went to Jordan on the Malone Fellows Program.

While in Jordan, Dr. Hymes was a guest of the king and queen. He was treated very kindly.

In regards to information about the county of Jordan, Dr. Hymes mentioned that

while Jordan has modern cities it is a poor country, it is a monarchy, there is no oil (unlike the other Middle-Eastern nations), and it has been at war with Israel for years which takes up much of its available resources. It is also fairly small in area, and contains about 2.5 million people.

When asked about Jordanian food, Dr. Hymes quoted, "Excellent. I never ate such healthy food." He said that he and his colleagues sampled a variety of excellent dishes during their stay.

Regarding music, Dr. Hymes said that some people listen to traditional music and some people listen to rock-and-roll. He also stated that the Jordanian people have equivalents to many of our famous rock stars.

As for sports, Dr. Hymes commented that soccer is the most popular sport in Jordan, although wrestling and team handball are also gaining in popularity.

In regards to communications, Dr. Hymes stated that there are two TV stations and newspapers in Jordan.

When asked about the Jordanian-Israeli combat situation, Dr. Hymes said that there are no problems concerning the safety of tourists as long as they stay within the national boundaries. He also commented that the Jordanians are ready to "talk peace" with Israel.

In addition to the above information, Dr. Hymes also said that there are well over five hundred Americans residing in Jordan and they have full government protection.

Dr. Hymes will be giving a series of lectures on Middle-Eastern culture to participating West Virginia high school teachers sometime in the near future.
