RECREATION

Glenville's 9-hole golf course is located on Mineral Road. It is open to students in season. College membership is \$50.00 per year, or individual green fee is currently \$5.00 (\$6.00 on weekends). The Gilmer County Recreation Center is just above the Golf Course and a swimming pool and picnic facility are available.

The Outer Limits, located in the Wesley Foundation basement is a video arcade center selling, refreshments as well.

Also the game room in the basement of the Pioneer Center contains pool tables, bowling alley and all types of video games.

Seven miles out of Glenville off Route 33 South is Cedar Creek State Park. The facilities include a pool, picnic areas, tennis courts, camping areas, miniature golf course and a softball field. For those wishing to fish, the opportunities are often good.

FRATERNITIES & SORORITIES

"Going Greek." Fraternity and sorority life may be "Greek" to you now, but you'll become acquainted with it soon enough. Greek organizations (referred to as Greek because of the Greek alphabet used in the naming of the organizations) use a system known as "rush" to help freshmen meet members of the fraternities and sororities. "Going Greek" is an expression for pledging: 12 completed

semester hours and a cumulative 2.00 grade point average. Do not hesitate to ask questions about the Greek system. The decision to go Greek is yours and it is a big one.

Glenville State College's Greek Organizations Are:

Fraternities

Lambda Chi Alpha (Chi's)
Tau Kappa Epsilon (TKE'S)

Sororities

Delta Zeta (DZ's)

Sigma Sigma Sigma (Tri-Sig's)
All are national fraternities and sororities.

Other campus organizations which may be of interest are:

Alpha Psi Omega (Drama)
Alpha Rho Tau (Art)
Baptist Campus Ministry Bio-Club
Chi Beta Phi (Science)
College Band
College Chorus and Choir
Collegiate 4-H Club

ACTIVITIES

Welcome Class of 1992! Hope you're all settled in and ready to begin a rigorous round of activities. This afternoon at 2:30 p.m., your parents will meet for a reception in the Verona Maple Room where they will talk informally with Administrative, faculty personnel.

Your first function will be a lawn picnic from 4:30-6:00 p.m. Faculty and staff will also attend. Following the picnic, testing will occur for those who did not preregister. Others may play volleyball against faculty/administration. At 8 p.m., a Playfair will be held in the ballroom (casual clothes).

Thursday's activities include further testing, registration, fee collection, identification photos and a general meeting at 1 p.m. in the auditorium. Softball and tennis competition will begin at 6 p.m. and a dance featuring 'LEGGS' will be the attraction from 8-11 p.m. in the ballroom.

Friday will conclude freshman testing. Student Congress elections for a representative will be held at 9 a.m. in the auditorium. This will be followed by small group meetings.

You're on your own for the Weekend---and we'll see you in class Monday!

PRESIDENT'S WELCOME

I welcome you, freshman and returning students, to the campus and to the community of Glenville. You will find friendly people all over the campus who will be helpful and informative.

You have chosen one of the finest small colleges in West Virginia. Over the years the College has endeavored to provide a quality, progressive, educational experience at the lowest possible cost to the student. Our graduates are successful in professions of every nature, and ready to reaffirm the sound education which they received at Glenville State College.

You will find a faculty with excellent qualifications to teach you, an efficient staff to serve your needs, and you will be impressed at the cleanliness of the buildings and the beautiful campus.

Welcome to Glenville! Our students are our most important asset!

Financial Aid

If you as freshman are wondering how you are going to pay for your college tuition, then you should consider Financial Aid. A year of college is very expensive and there are ways to help get it paid for. If you need help in this area then you should check with the Financial Aid Office and see if you are eligible to receive any type of financial aid.

Mr. August Kafer is director of Financial Aid here at Glenville State College and may be able to offer a solution to your problem.

There are different types of grants and loans available to students. They are based on the families income and demonstrated financial need. In order to receive them you must file an FAF form. If you have already done this you should make sure that all papers are returned as soon as possible and filled out correctly.

STUDENT SERVICES

On the main floor of the administration building is the Student Services Office. This building will probably be of interest to most new students. Mrs. Roseann Turner is the secretary, who handles student parking stickers and identification cards.

Dr. A. T. Billips is Vice President for Student Services, and along with Diane Bauch, who is Director of Student Life, serves a variety of student needs such as: Housing, student activities, food services, organizations and others.

I would like to welcome the new freshman class to Glenville State College and to wish each one of you success in the coming years here at Glenville State.

College is unlike high school, in that, in high school you get up early in the mornings; go to class all day and then go home and study. In college, you may not have a class until 10 or 11 o'clock in the morning or you may have classes at 8 o'clock til noon and then no more classes until the next day. College is also a time of learning new things and making new friends; a time to move slowly and steadily forward one day at a time and it is also a time to take advantage of all the available resources at your disposal in a college setting.

It's easy to put off reading your lessons until the last minute as there is a sort of

relaxed atmosphere in college compared to high school. But, if you apply yourself and keep everything up to date, you can still usually find time for relaxation.

Our campus at this time is undergoing a lot of change; with 2 new parking lots under construction and a new fine arts building under way; not to mention the revitalization of the Administration Building. We also have quite a few new professors and instructors this year, as do most of the other colleges in the state. If you have a problem in finding your way around just ask someone and they will be glad to direct you to the right place or to someone who can help you.

Student Congress President Welcomes Freshmen

Dear Students,

Welcome to Glenville State College! We are happy that you have chosen our campus as your home for the next few years. GSC will become a very important part of your life as you make new friends and experience new beginnings.

Student Congress is an organization which represents the students of Glenville State College in several aspects of student life. As such, we welcome fresh ideas and enthusiasm. We also encourage you to participate in the various activities which we sponsor throughout the year.

If you have any questions or concerns during the coming year, please contact me or any other member of Student Congress, and we will do our best to address them. I hope that you will find the coming years to be as enjoyable and exciting as mine have been at GSC.

Sincerely,
Michelle Garrison
President
Student Congress

ATHLETIC DIRECTOR RETIRES

Athletic Director at Glenville State College, Jesse Lilly will retire August 31. During his coaching career, Lilly has maintained positions of head coaches at Elkview High School in Kanawha County and at Glenville State College.

The Beckley native has been associated with GSC for 28 years as a coach, teacher, and administrator. While at GSC, Lilly has coached the

Pioneers in football for 5 seasons, and directed the basketball team to the West Virginia Conference Tournament Championship in 1970 and 1972.

At Glenville, his five football teams had a 13-25 record and his basketball teams won 271 games out of 501. In 1972, Lilly was selected by the West Virginia Sports Writers Association as the West Virginia College

Coach of the year after the Pioneers won the state conference basketball tournament.

Lilly graduated from Glenville State in 1948, and during this time, he participated in football, basketball, and baseball. As a player he was the leading scorer and captain of the basketball team. He received his master's degree at West Virginia University.

He and his wife, Ann, reside in Glenville and are the parents of three sons.

Education does not mean teaching people what they do not know... It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all... by example.

NEW DOCTOR

Dr. David Proctor

A new physician specializing in family medical care has begun practice in Glenville, according to a medical staff announcement by the Stonewall Jackson Memorial Hospital (SJM) in Weston. The new physician is Dr. David A. Proctor, who has opened his office at the Glenville Family Practice in the Gilmer County Health Center, located at 809 Mineral Road in Glenville.

The Glenville Family Practice, which also serves as the student health service for Glenville State College, will

be open Monday, Thursday and Friday from 9 a.m. to 5 p.m., Tuesday from 9 a.m. to 7 p.m. and Wednesday from 9 a.m. to 2 p.m. Assisting Dr. Proctor in the office will be nurse Lisa Tanner, LPN and secretary/receptionist Patricia Billips.

A native of Nicholas County, Dr. Proctor received his Bachelor of Science degree in Biology from Glenville State College before earning his medical degree in 1986 from the West Virginia School of Osteopathic Medicine in Lewisburg. Over the last two years he completed an internship and residency in family practice at the Cuyahoga Falls General Hospital in Cuyahoga Falls, Ohio.

Dr. Proctor is a member both of the American Osteopathic Association and the American College of General Practitioners as well as being the Diplomate of the National Board of Osteopathic Examiners. He, his wife June, daughter April and son Jeremy now reside in Glenville.
