Madrigal Dinner Opens

Sixteenth century music, food, and costumes are ready for the Glenville State College Madrigal Dinner to be held December 8, 9, and 10 in the ballroom at 6:30 p.m. Information and reservations can be attained by calling the PR office at ext. 122 or 123.

The GSC Chamber Singers will perform traditional and 16th century Christmas music. This will be accompanied by the recorder consort and the brass ensemble.

The cast of the script will include Dr. and Mrs. Espy Miller as the Lord and Lady of the Manor; Dennis Wemmas as the jester; Rob Morris as the parson; Yvonne King as the housekeeper. Rick O'Brien, Ed Mckown, and Harry Rich of the GSC music depart-

ment will conduct the choir, consort and ensemble respectively.

The menu will include wassail punch, baked haddock en papillote, caesar salad, prime rib-au jus, broccoli/cheese sauce, oven browned potatoes, bread, flaming pudding, beverages and condiments. Students in the Chamber Singers are Kirk King, Cutler, OH; Steve Jones, Shinnston; Julie Harbert, Lumberport; Michael Ludle, Elkins; Doug Wickline, Fayetteville; Kenneth Linkous, Mullens; Lewis Woodard, Webster Springs; Teresa Adams, Harrisville; Tabatha Beale, Marlinton; Kim Preston, Leon; Rebecca Williams, Seth; John Simonson, Joppatown, MD; Priscilla Rose, Birch River; and Hope May, Stirrat.

Pre-Registration Held

Once again it's time to pre-register for another semester of classes. Pre-registration for Spring '89 is all this week, December 5-9, from 8 a.m. until 4 p.m. Pre-registration will be held in the Registrar's Office in the Administration Building. Some helpful reminders are to get your registration form from your advisor and have that advisor sign it, once you have it filled out. All of this

must be done BEFORE registering at the Registrar's Office, plus, if you are taking more than 18 credit hours of classes, you must acquire a petition for more than eighteen hours from the Academic Affairs Office. Once this and your registration form are signed, then you are ready to be registered. Most importantly, it pays to pre-register as early as possible for as many

Former Instructor Passes Away

Bessie Boyd Bell Scott, a retired teacher of Glenville State College, died Monday, October 31, 1988 at the age of 97.

Born on July 5, 1891 in Glenville, where she had remained as a life long resident. She was the daughter of the late Floyd Warren and Lora Bower Bell also of Gilmer County.

Bessie Boyd Bell was married to Ray Scott. She was widowed on January 20, 1972.

Bessie graduated from Gilmer County Normal School in 1908. She later enrolled at WVU, where she earned her AB degree in 1913.

She taught at Cabin

Creek District High School from 1913 to 1916. She then taught at St. Mary's High School until she returned to teach at Gilmer County in both the Normal School and at the college, until she retired in 1957.

Upon retirement, she founded the Gilmer County Historical Society.

Bessie had many achievements during her life. She was a delegate for the Democratic National Nominating Convention in Chicago; chosen Daughter of the Year in 1961 by the West Virginia Society of the District of Columbia; and was honored by Glenville State College when they named the added portion of Pickens Hall, "Scott Wing",

after her.

She was a member of the Association of University Women, Farm Bureau, West Virginia Historical Society, all teachers' organizations, a member of the Woman's Club and the Trinity United Methodist Church of Glenville.

In 1981, Scott was the 118th person chosen as the West Virginia Ambassador of Goodwill by A. James Manchin. She is listed in "Personalities of the South for 1975-76."

Scott is preceded in death by two brothers and one sister.

Services were held on Friday, Nov. 4th by Reverend Robert Nicholas and Reverend Margaret Huributt.

From the Editor's Desk

Well you may have heard Monday that the Board of Regents is trying to add a \$100 assessment fee to our tuition, and it seems that most of the state colleges and university students were passing a petition around to send to the board to let them know how the students feel about it.

From everything that I have heard from students, they don't feel that it is our responsibility to fund the teachers' Social Security. It is the responsibility of the legislature to take care of this and not by raising tuition one hundred dollars. It seems as though West

Virginians are pricing themselves out of higher education. This one hundred dollars, (in state, and two hundred for out-of-state), will not be covered by your student aide money, but will come out of your pocket. This could hurt a lot of students and keep them from coming back next semester. There has to be another way for the state to fund this money besides taking it from the lowly student.

Our legislature is going to have to take a good, hard look at themselves and our state if they don't want to lose more of our population

to other states. I feel that if this continues on the slope that it is that the United States will again have a large area of unpopulated land for wildlife, namely WEST VIRGINIA.

Put the tax back on food and generate millions in taxes and leave the student alone. If they expect the state to grow they are going to have to allow us to be able to get the education that we need to help improve the economy of this state. If not then West Virginia will possibly become a ghost state within the next few years. With people

ORGANIZATIONAL NEWS

Kappa Delta Pi

On Monday, November 7, 1988, Kappa Delta Pi held a meeting for those members who could not attend the meeting held on the third Tuesday of the month.

The meeting was called to order by Vice-President Charles Vest. It was decided that members of Kappa Delta Pi should be divided into committees with each member given specific assignments so that everyone is participating in the organization. It was also brought up that the Summersville campus keep receiving the minutes of the meetings so that the members there can keep up with what is going on at the main campus.

Fund raising ideas were discussed. Any member of Kappa Delta Pi with ideas on raising money please contact any officer or sponsor.

Due to the low member turn out, there will only be meetings held on the third Tuesday of each month.

Ohningohow

Welcome back from Thanksgiving break. Now that we're all full of turkey—more so than usual—let's get down to business.

Auditions for "Painting Churches" and "Lion in Winter" will be December 14th and 15th. There will be a "Painting Churches"

production meeting Wednesday (14th) after auditions.

Pledges: Informal is this Sunday. Formal has been postponed until next semester. Good luck and have fun being a pledge. If you need any help, let us know.

Ohningohows, there will be no meeting next week.

Everyone who had their photograph taken at the Halloween Dance (remember?)—you know who you are: the photographs are really good and you can pick them up in Dennis Wemm's office.

Pi Gamma Mu

PGM and Associates will hold their regular meeting on Wed., Dec. 7 at 3:00 p.m. in room 335 of LBH to elect officers and schedule a time for a group picture to be taken. PGM, Pi Gamma Mu, is comprised of students who excel in the social sciences. The PGM Associates are those students who have an avid interest in the social sciences, but have not taken enough courses in the division to qualify at this time.

PGM got off to a good start by conducting a very interesting "Stand up to Stigma" program designed to inform the public of the social problems people with a mental illness face. With the help of the Wesley Foundation and the Pioneer Center PGM's program was

deemed a huge success.

Pi Gamma Mu is committed to taking on controversial community issues that need to be addressed. They attempt to inform the community in hopes of getting the citizens involved.

PGM's next adventure will be "Black Awareness Week" in corroboration with UBA, the United Brothers Association, and the Wesley Foundation.

Delores Mysliweic, Chairman of the Social Sciences Division, is serving as PGM advisor. She is being assisted by LaDonna Childers, GSC Psychology instructor.

Phi Beta Lambda

Phi Beta Lambda will hold its regular meeting on Thursday, December 8, 1988 in Room AB 302 at 12:30. All Business Majors Are Encouraged To Attend!

Pioneers in Nursing

Pioneers in Nursing report a good response to their sale of First-Aid kits. The kits are ideal for minor highway emergencies because they contain antiseptic cotton balls, bandages, a mouth-to-mouth breathing device, adhesive tape, and a road emergency flare. The kits are available, for \$5.00, from any nursing student.

Tutors

Welcome back! It's crunch time—only two more weeks of classes, then

finals. We will be here in Clark Hall every Monday 6:30 to 8:00 and Tuesday 4:30 to 6:00 during these last two weeks, however, we will be cutting back on our tutoring staff considerably. So don't wait until the last moment to bone up for finals. Also, don't forget Mike Minney is in the Computer Lab Tuesdays and Wednesdays from 4:30

to 6:30. We look forward to working with you next semester as well.

Senior Recitals Scheduled

Gregory L. Metz and John A. Bugby, senior music education majors at Glenville State College, will present a duo senior recital at 3:00 p.m., December 11, in the college auditorium. The public is invited at no charge. Metz and Bugby are percussion students of Mr. John McKinney.

The senior student recitals fulfill partial requirements for graduation from the GSC music curriculum.

Mr. Metz will play Handel's "3rd Sonata for Marimba," John Beck's "3 Movements for 5 Tympani," Mozart's "Minuet," and Ignace Pleyel's "Duo No. 1".

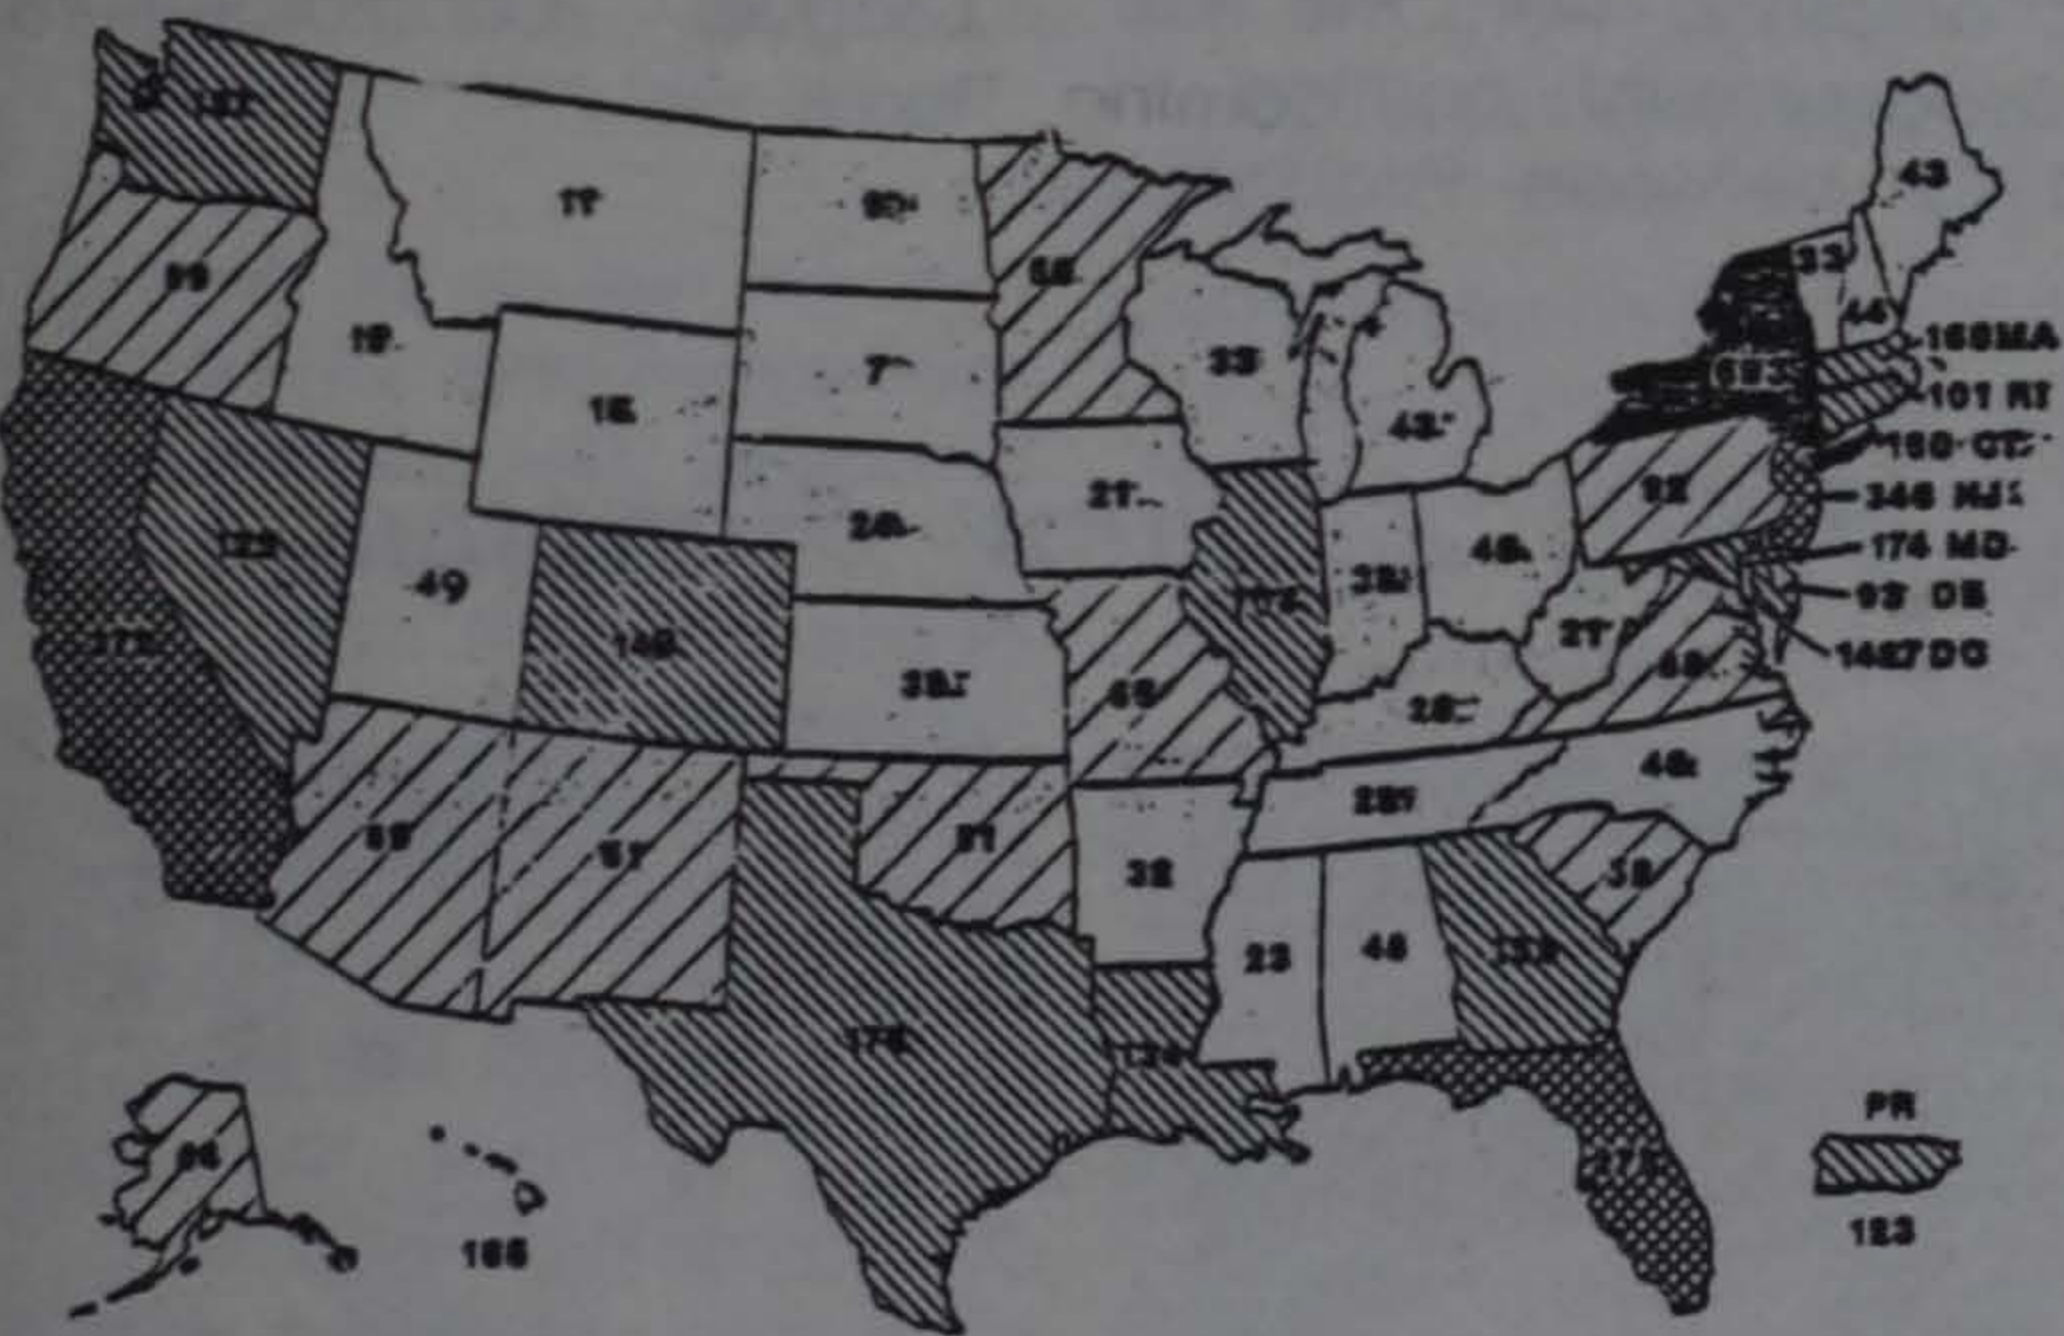

Bugby will play Diemer's "Tocatta for Marimba," Molenhof's "Saturday's

Child," Hoffman's "Yankee Land," and other selections.

Metz is a 1983 graduate of Calhoun High School. He will graduate in May with a K-12 Bachelor of Arts in Music Education. While at GSC, he has been active in M.E.N.C., Lambda Chi Alpha, band, choir and the percussion ensemble. He is the son of Martin and Delores Metz of Orma.

Bugby is a graduate of Greenbrier West High School. He also will graduate in May with a K-12 Bachelor of Arts in Music Education. While at GSC, he has been active in M.E.N.C., band and the percussion ensemble. He is the son of Judy Bugby of Crichton.

AIDS Awareness Planned

The Student Congress is sponsoring an Aids Awareness Program on December 13, 1988. The program will begin at 7:00 p.m. in the Auditorium.

There will be five speakers, each talking on a different aspect of Aids.

Terri Lee, the Infection control Coordinator at Charleston Area Medical Center and the President of the Charleston Aids Network, will discuss "The Transmission

of, and Prevention of Aids."

Dr. Elizabeth Funk, the Infectious Disease Specialist at WVU Medical School in Charleston will cover "The Aids Virus, Numbers and Trends." The chart shows the number of Aids cases by states as of November 2, 1987.

Beverly Crowder, Director of Clinics and Charleston Health Department; her topic is "HIV Testing and Counseling." con't on page 6

Letter From Billips

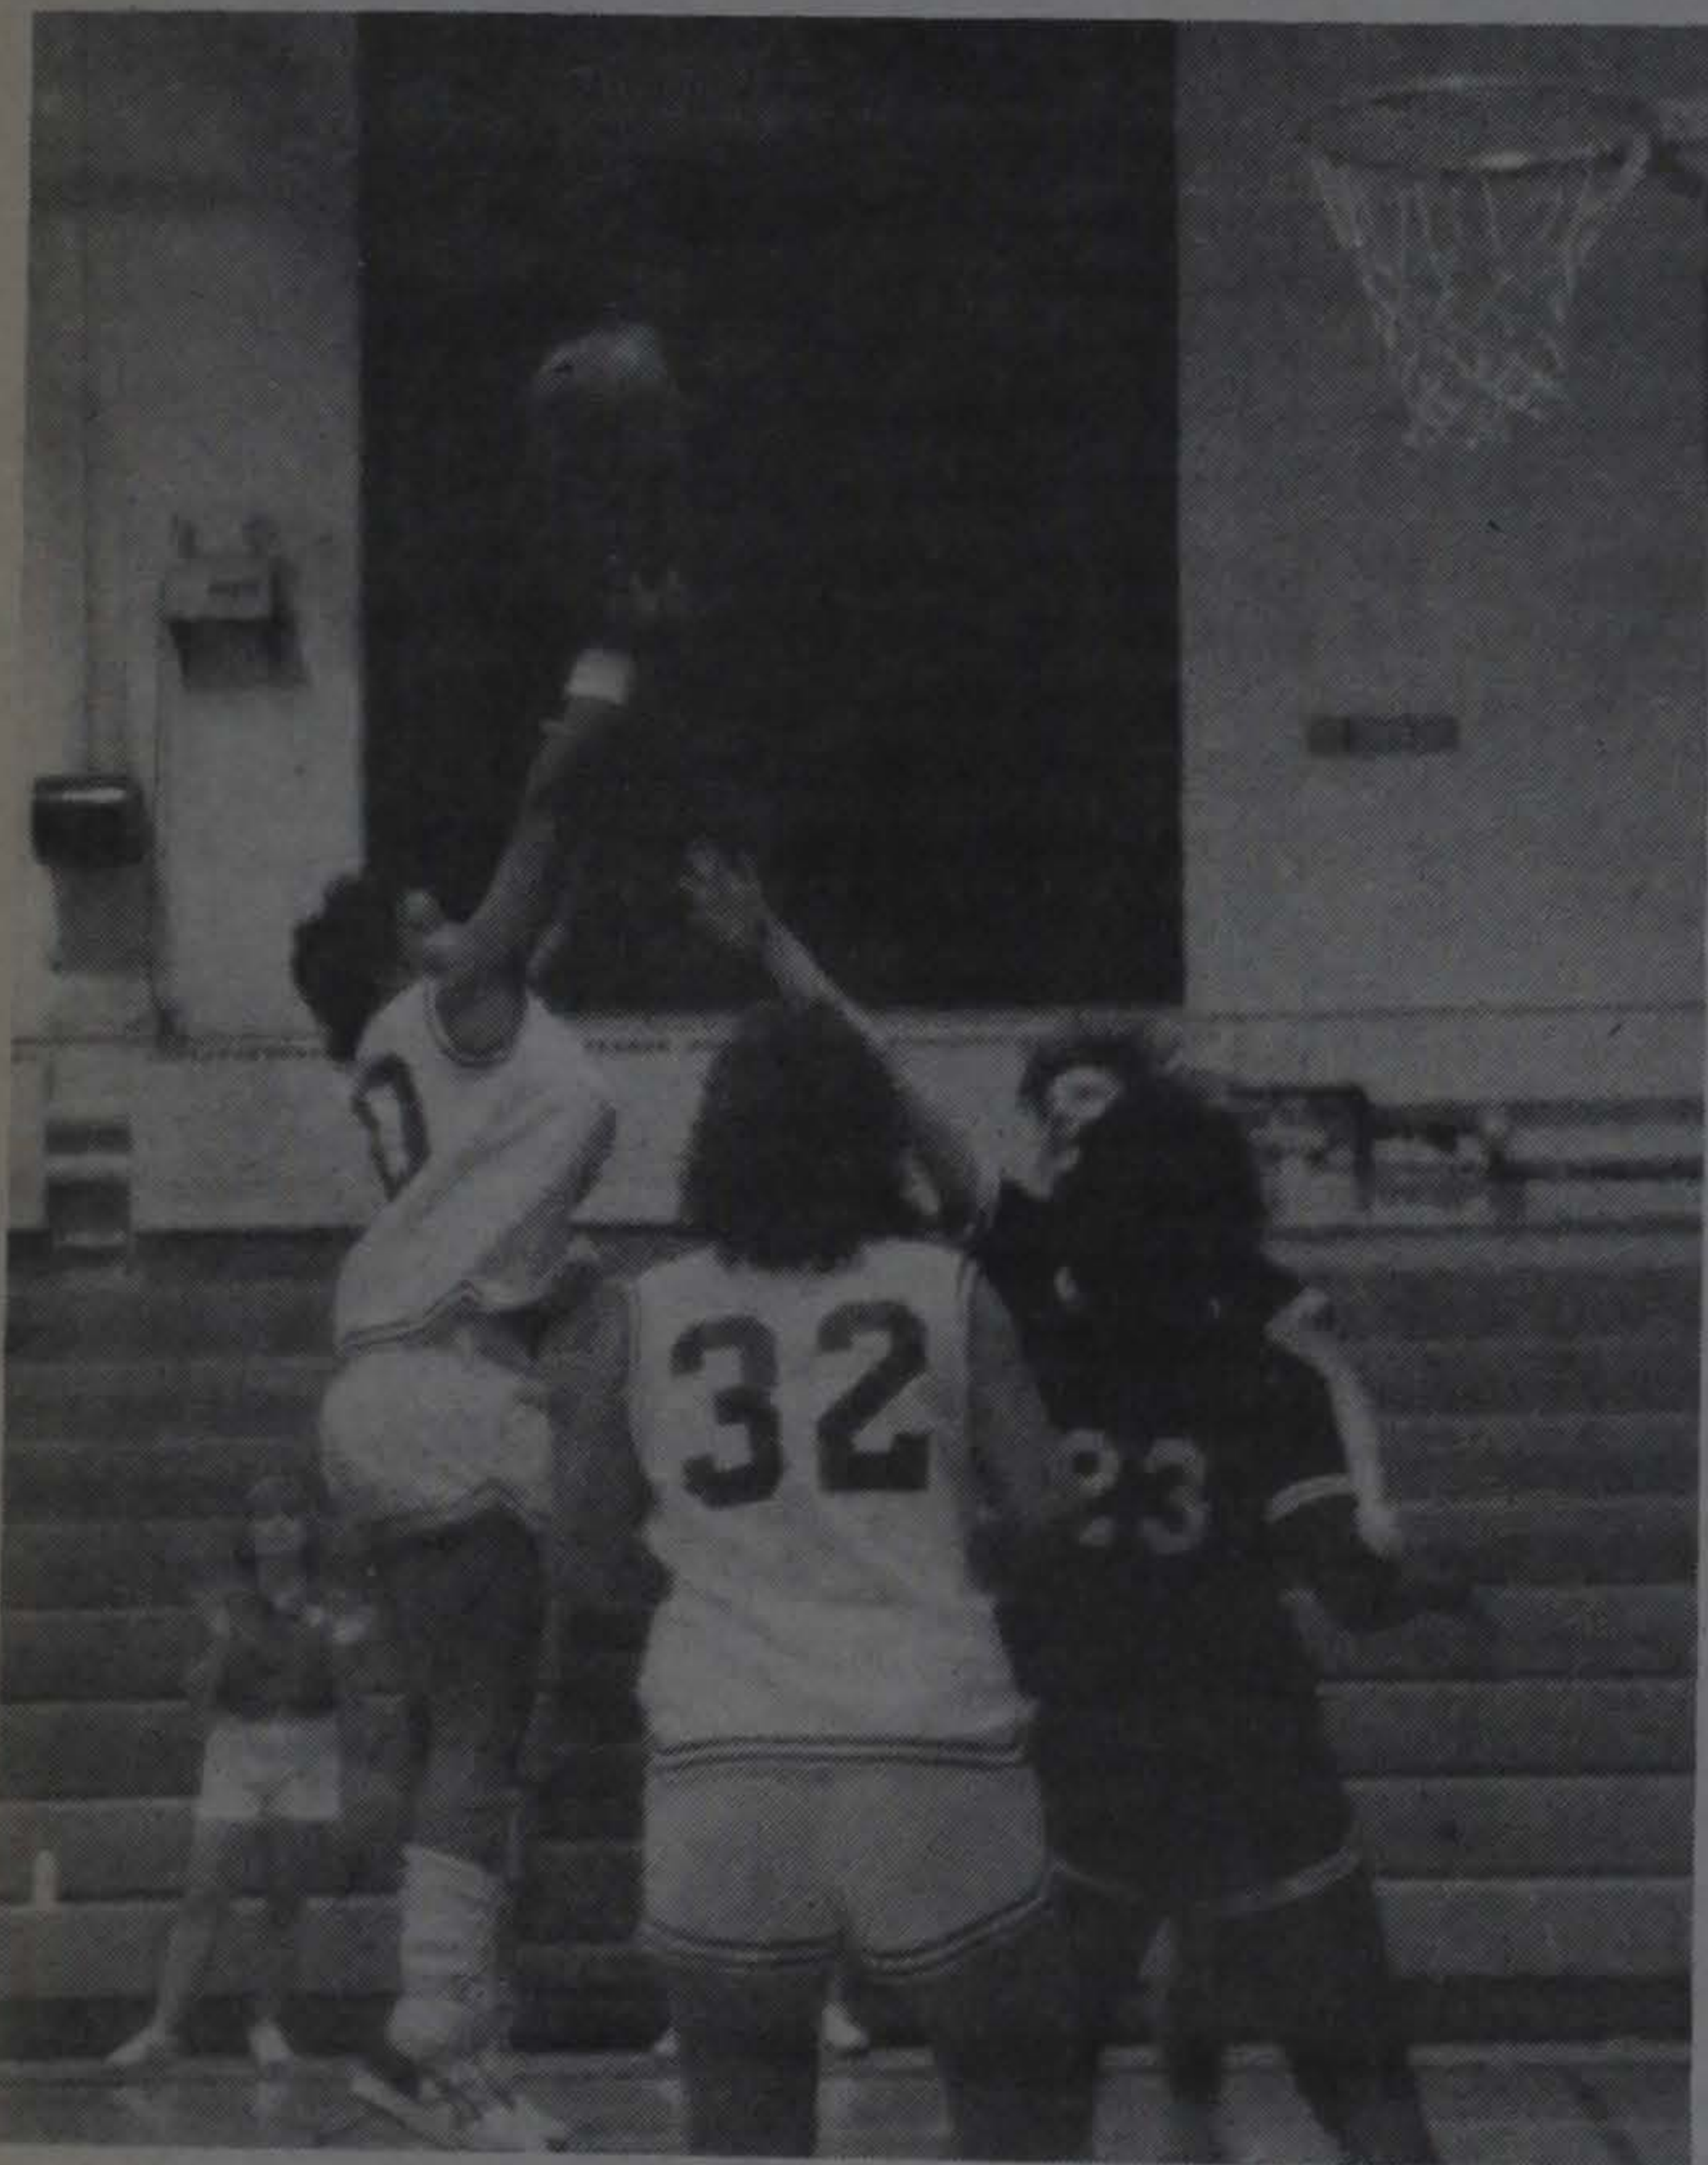

Construction on the new Arts and Music Building will be well underway by the beginning of Spring Semester, January 12, 1989. Delivery trucks will increase in number with their loads of steel, brick and concrete. The North Entrance or lower High Street will have increased traffic; and, The **Glenville City Police will be ticketing cars parked on the lower High Street right-of-way.** So, if you have been avoiding registering your vehicle to save ten dollars, it will be necessary to register your vehicle and park your car in the new graveled Lower High Street Lot rather than the roadway above. Please be warned of the ticketing on this street below the Health and P.E. Building next semester!

Parking space is more available than ever! A check of spaces available in 1972, when on campus full-time enrollment was higher than now, showed 363 spaces. Currently, we have approximately 562 spaces or nearly 200 additional spaces for a smaller enrollment (or 128 more than reported for Sept. 1987).

If you are still having difficulty finding a parking space, give yourself an

Lady Pioneers Perfect

by John Buser

The 1988 Lady Pioneer cage campaign began Nov. 19th and 20th when Glenville participated in a four team tournament at Frostburg, Md. In the first round, GSC defeated Trenton St. 80-66 as several players contributed. The Lady Pioneers, which had five players reach double figures, were led by Monique Johnson's 16 points.

In the championship contest against host Frostburg, Glenville ran into a very talented Bobcat squad. At the half, the ladies in blue and white held a slim 51-49 advantage. However, in the second half, the Lady Pioneers gradually pulled away en route to a 93-79 championship victory. Kim Creel posted 22 points and 9 rebounds for the winners and was selected to the all-tournament team. Tammy Pence added 18 points and 8 boards, and was named the tournament MVP, in addition to joining Creel on the all-tournament squad.

Playing in front of their own fans for the first time this season, the Lady Pioneers

came out fired up on Nov. 29th for their game with WV State. After jumping out to a whopping 51-24 mark at the half, Glenville never looked back, winning 90-68. Kim Creel was the game's high scorer with 23 points, while Tammy Pence added 16.

Following the WV State blow-out, the Lady Pioneers came out somewhat flat on Thursday (Dec. 1), and as a result found themselves down 35-31 to Bluefield at the intermission. However, the veteran Glenville squad survived an uncharacteristic number of turnovers to come from behind, and then hold off a pesky Lady Blue team in an 83-72 heart stopper. Tammy Pence paced Glenville with a season high 26 points, while Monique Johnson added 22.

Having to play their third game in four days, Glenville went up against upset-minded Wheeling Jesuit on Friday (Dec. 2). Clinging to a 42-39 halftime advantage, the Lady Pioneers could never shake the Lady Cardinals until the last few

The Glenville men's basketball season began on Nov. 15th and 16th when they played in the Joe Manchin Memorial Tournament held at Salem. The Pioneers were pitted against Alderson-Broadus in the first round and came away with an 80-74 victory over the Battlers. Paul Grier pumped in a game high 38 points to pace GSC, which owned a narrow 33-32 advantage at the half.

Because of their victory over A-B, Glenville faced Salem in the championship contest. At the end of regulation play, the Tigers and Pioneers found themselves deadlocked at 55, thanks to a Clinton Hinton layup with nine seconds left. In the overtime period, Salem outscored GSC 8-7 to take a narrow 63-62 win. Paul Grier was the game's high scorer once again, as he poured in 23, earning the tournament's MVP award in the process. Hinton added 18 points for Glenville and was also named to the All-Tournament team.

While many students were searching for a trophy buck on Nov. 21st and 22nd, the GSC cage team was in North Carolina for the Rotary Dixie Classic. In the first round, the Pioneers were nipped by Penbroke 83-78. Paul Grier and David Hall were the high scorers for Glenville with 26 and 25 points respectively.

In the consolation game, GSC faced a talented Livingstone club and came away with a well-deserved 82-78 victory. David Hall was the game's high scorer with 23 points, while Clinton Hinton chipped in with 20 points and 11 rebounds.

With their record squared at 2-2, Glenville returned for their home opener with Ohio-Belmont on Nov. 26th. The Pioneers who were ready to play, coasted to a 113-69 victory. GSC, which led 57-27 at the half, placed seven

Buser's Briefs

As the Fiesta Bowl approaches, the controversy over the national champion of major college football is getting louder and louder. If number three ranked WVU knocks off number one ranked Notre Dame, which I think it will, and number two ranked Miami defeats Nebraska, who will be crowned the national champion? Hurricane head coach Jimmy Johnson claims that if the above occurs, his club should be the champion. Although WVU has played an easier schedule than Miami, the main issue should be the result against Notre Dame, not the schedules. If the Mounties defeat the Irish, a team that clipped Miami, then the blue and gold deserve the title.

If the above scenario does happen, the polls will be faced with a difficult decision. Seven times in history, the Associated Press and United Press International have picked two different teams as national champions, with the last disagreement coming in 1978 between Alabama

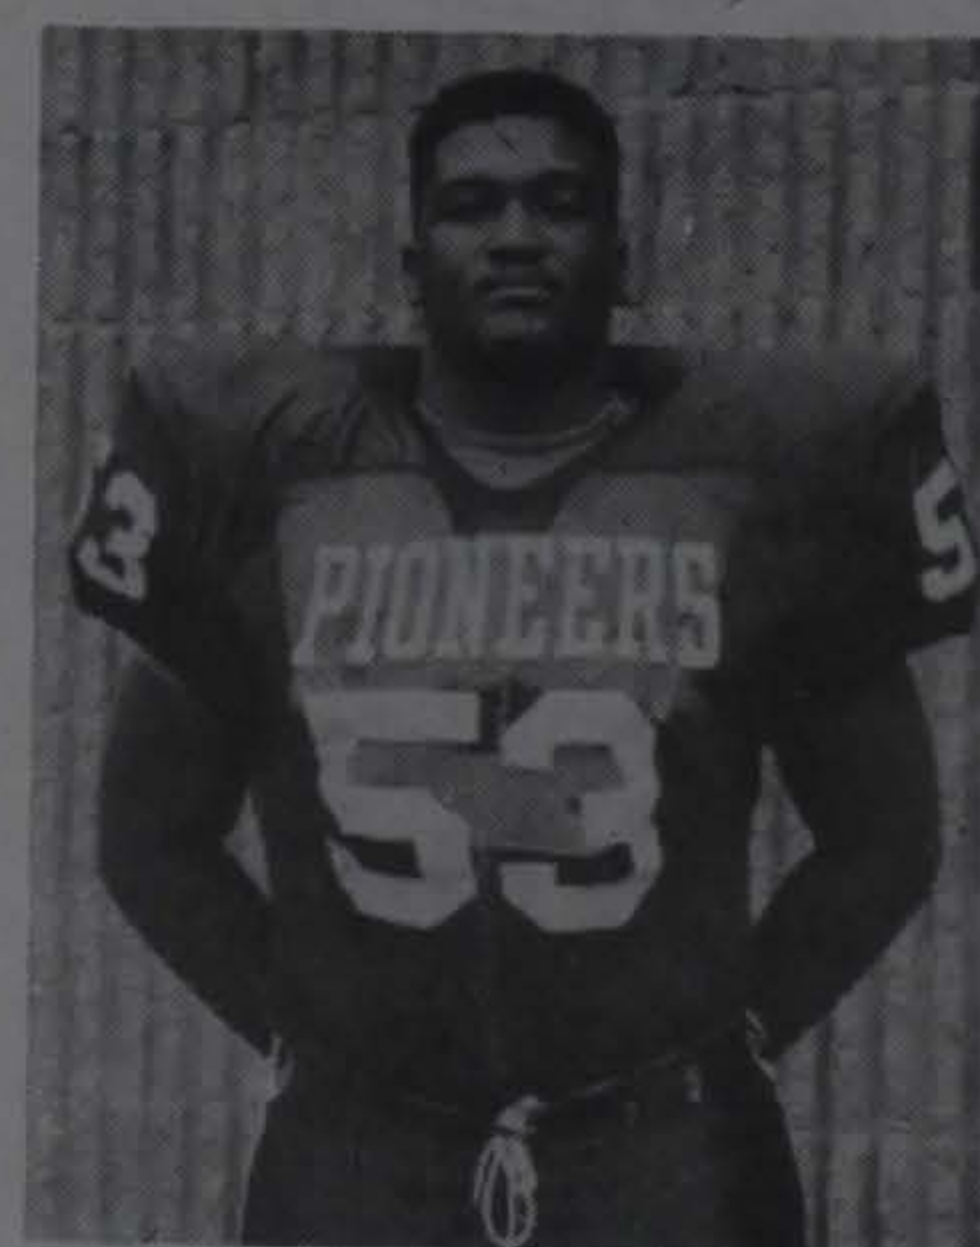

and USC. Of course all of this controversy can be thrown out if WVU wins and Nebraska upsets Miami. Go Cornhuskers!

Here's an oddity from the new basketball season - the coach at Kenyon College is Bill Brown. Their coach last year was also Bill Brown, but this year's coach is a different Bill Brown. Last season's coach was William L. Brown. He was succeeded, by coincidence, by William H. Brown. These two Bill Browns are not related.

Of all the quarterbacks in the history of the National Football League, which one completed the most passes in a career? Answer is Fran Tarkenton who completed 3,686 passes from 1961 to 1978.

Tom Newberry, a vital member of the 1976 GSC bowling team which captured the NAIA Championship, recently bowled a perfect 300 game at Ren Dor Lanes while playing in the Parkersburg South Alumni League. Congratulations Tom!

Brian Hill and Todd Layhew, two veterans who helped anchor the Glenville defense this past fall, have been named to the first team WVIAC all-conference football team. Hill, a 6'1 270 lb. junior defensive lineman from Clarksburg, WV, set a

Glenville record by collecting 100 tackles in a season. Layhew, a 6'3 240 lb. senior linebacker from Grafton, WV registered 80 tackles this past year, and is believed to be the all-time tackle leader in GSC history.

Harriers Finish Strong

by John Buser

The Glenville State College cross country squads completed a very successful season over the Thanksgiving break when they participated in the NAIA National Cross Country Championships on November 19, held at Kenosha, Wisconsin. The Pioneer men finished 19th out of a total of thirty-seven teams--the highest finish ever by a WVC school. The Lady Pioneers, meanwhile, grabbed a 25th place finish from the field of thirty-six schools in their first season with a complete team.

By placing three of its runners in the top ten, Adams State College from Alamosa, Colorado, captured the men's title for the ninth time in the last ten years. Leading the way for Glenville was co-captain Bubby Dent, who finished 37th overall out of a strong field of 342, with his 25:45 time. Dent's fellow co-captain, Andy Jarrell, was next for the Pioneers with a 26:07 time (65th). Mickey Grass followed with a 26:55 effort (141st), while freshman Tony Taylor ran a solid race for a 27:27 mark (204th). Ed

Lamp completed the scoring for GSC with his 27:52 race, which was good enough for 236th.

The women's title went to Pacific Lutheran University, Washington, which landed four of its runners in the top ten. Kat Riggleman paced the Lady Harriers from GSC, with her 19:55 time, which finished 115th out of the field of 300 runners. Lori Barker's 20:47 race earned her a 177th finish, while teammates Tracy White 21:14 (203rd), and Mindi Pickens 21:27 (215th) followed closely behind. Dawn Farley 23:12 (272nd) and Stacy McKown 24:22 (286th) rounded out the Glenville scoring.

Second year head coach Jesse Skiles was very pleased with this season's teams and commented, "In September, I never thought we would have done so well. As a group they practiced very hard, and as a result we had some overachievers at nationals." After such an impressive season, it is encouraging to note that Coach Skiles will only lose one member from this year's team to graduation.

players in double figures. David Hall and Bernie Rees led the way with 16 and 15 points, respectively.

On Nov. 30th, the cagers traveled to Montgomery, WV, to face the defending WVC champion Golden Bears of WV Tech. Although Glenville held a 32-27 halftime lead in its first conference game of the year, the Bears came back to take a squeaker, 61-58. Paul Grier led the Pioneer attack with sixteen points, while David Hall landed twelve.

Over the weekend, Glenville continued to play on the road when it took on California, Pa. The Pioneers hung tough until the end, losing 87-73. David Hall paced Glenville with 27 points and 10 rebounds.

The cagers, 3-4 overall and 0-1 in the conference, return to action tonight (Dec. 7th), when they host conference foe Davis & Elkins at 7:30.

minutes for an 87-72 victory. Monique Johnson poured in 23 points and snatched 13 boards for GSC, while Tammy Pence netted 21 points and grabbed 10 rebounds.

Glenville, 5-0 overall including a 3-0 conference mark, played on Monday (Dec. 5) at WV Tech, but the outcome was not available by press time.

The Lady Pioneers return to action on Friday and Saturday when they participate in the Shawnee State Tournament in Ohio.

Piercy President of WVAH

This month, during the state convention held at Sheraton Lakeview Morgantown, WV, Mrs. Sandra Piercy, Associate Professor of Physical Education at Glenville State College, became President of the West Virginia Association of Health, Physical Education, Recreation and Dance.

She brings honors to Glenville State, since this is the first time in the history of the Association that a president presides from GSC.

Mrs. Piercy has been active in the state association, presenting numerous workshops, panel discussions, and talks throughout the state in dance, elementary physical education, movement education, swimnastics, aerobics, physical fitness, snow skiing, and learning strategies approach to teaching. She has held several offices in WVAHPERD, and received several honors: Outstanding Young Woman of America Award, Coach of the Year Award, Who's Who in Society Award, American Heart Association Honor Award, American Red Cross Volunteer.

Mrs. Piercy is a graduate of West Virginia University, and has completed additional graduate work at Stevens Henager College, Marshall University, and University of Pittsburg.

Student Legislative Interns Picked

The division of Social Sciences is pleased to announce the selection of two GSC students as interns in the Frasure-Singleton

Student Legislative Program. Messrs. Charles Vest and Edward Waugh will spend the week of March 12-17 in Charleston as assistants in

the state legislature. Each will be assigned to a particular legislator and will help that person in the performance of his or her

leaving the state in droves now, something is going to have to be done to improve conditions so people won't think that there is no future in staying in the state.

If you don't feel that this addition is right, then write to your congressman or senator, or let your parents know about this and let them know what your feelings are about it. If you want more information on this, talk to someone in the Student Congress and they can give you the details.

The Board of Regents was supposed to vote on this on Monday, December 5, 1988 at about 2:00. But, things can be amended no matter which way they voted. As of this writing I don't know which way it went. I will let you next week if we can find out.

additional 10 minutes hunting time, because spaces are usually available at the lower Linn St. Lot, The Johnson Street Lot, and The High Street Annex; and, the time for walking from Main Street Glenville to the Administration Building is under six (6) minutes. Even though we start with a clean slate for violations Spring Semester, there is really no need to add any new ones, because with proper patience, extra time allowance for hunting a space, and observance of parking regulations there are no major reasons for getting tickets... just excuses.

Happy Hunting!
